On September 15, 2004, BIO-key International, Inc. (the Company) issued a press release announcing the appointment of Harlan Plumley to serve as the Chief Financial Officer of the Company to be effective November 1, 2004. Mr. Plumley will succeed Gary Wendt, the current Chief Financial Officer of the Company, who will retire on November 1, 2004.

In connection with his appointment, we entered into a one year employment agreement with Mr. Plumley (the Employment Agreement). The Employment Agreement provides for an annual base salary of \$190,000 and a performance bonus payable at the sole discretion of the Company. Unless terminated at least 30 days prior to the end of the term, the Employment Agreement automatically renews for successive one year terms. In the event that Mr. Plumley is terminated without cause, Mr. Plumley will receive severance payment equal to his base salary for the greater of 6 months and that number of months prior to the end of the term. The Employment Agreement contains standard and customary confidentiality, non-compete and work made for hire provisions.

Upon execution of the Employment Agreement, we issued Mr. Plumley a stock option (the Option) to purchase 200,000 shares of common stock, \$0.01 par value per share, at an exercise price of \$1.05 per share, the last sale price of our common stock as reported on the OTC Bulletin Board on the date of grant. The Option has a term of seven (7) years and vests in three equal annual installments commencing on September 15, 2005.

Mr. Plumley, 52, served as the chief financial officer of Lightbridge, Inc., a publicly traded software and services company, from May 2000 until July 2004. At Lightbridge, Mr. Plumley led corporate restructurings, reducing costs and repositioning the company for strategic growth, and managed three major acquisitions. Prior to Lightbridge, Mr. Plumley served as the chief financial officer of Marcam Solutions, a publicly traded software company, from April 1997 through February 2000. At Marcam Solutions, Mr. Plumley was responsible for managing all aspects of worldwide financial operations, including investor relations, SEC compliance, information technology, banking and serving on the boards of international subsidiaries. Mr. Plumley has been a frequent speaker at investor conferences and public forums.
