Item 1.01. Entry into a Material Definitive Agreement.

On February 13, 2013, the Board of Directors of Cardinal Health, Inc. (the “Company”) approved the Company's entry into an Agreement and Plan of Merger, dated as of February 13, 2013 (the “Merger Agreement”), with AssuraMed, Inc. (“AssuraMed”), Mesa Merger Corp., a wholly owned subsidiary of the Company (“Merger Sub”), and Clayton, Dubilier & Rice, LLC, as representative of AssuraMed's stockholders, pursuant to which the Company agreed to acquire AssuraMed. The acquisition will be structured as a merger of Merger Sub with and into AssuraMed (the “Merger”), with AssuraMed becoming a wholly owned subsidiary of the Company. The Merger Agreement provides that the Company will pay an aggregate consideration of approximately \$2.07 billion in cash to acquire AssuraMed, on a cash free, debt free basis.

The completion of the Merger is subject to the satisfaction or waiver of customary closing conditions, including, among other things, the expiration or early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. As of February 14, 2013, following the execution of the Merger Agreement, stockholders holding more than 90% of the outstanding stock of AssuraMed had delivered their written consent approving the Merger. The Company currently anticipates that the Merger will be completed by early April 2013.

The foregoing summary of the Merger Agreement and the transactions contemplated by the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Merger Agreement, which is filed as Exhibit 2.1 to this current report on Form 8-K.

The Merger Agreement and the above description have been included to provide investors and security holders with information regarding the terms of the Merger Agreement. They are not intended to provide any other factual information about the Company, AssuraMed, Merger Sub or their respective subsidiaries, affiliates, businesses or equityholders. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of those agreements and as of specific dates, were solely for the benefit of the parties to the Merger Agreement and may be subject to limitations agreed upon by the parties, including being qualified by schedules and other disclosures made by each contracting party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. Investors should be aware that the representations, warranties and covenants or any description thereof may not reflect the actual state of facts or condition of the Company, AssuraMed, Merger Sub or any of their respective subsidiaries, affiliates, businesses, or equityholders. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company. Accordingly, investors should read the representations and warranties in the Merger Agreement only in the context of the information about the Company, AssuraMed and the transactions contemplated by the Merger Agreement that the Company includes in reports, statements and other filings that it makes with the U.S. Securities and Exchange Commission.

Item 7.01. Regulation FD Disclosure.

Item 8.01. Other Events.
