***Vote on the GOLD Proxy Card to Elect venBio's Four Independent and Highly-Qualified Nominees***

**NEW YORK** (March [2], 2017) – venBio Select Advisor LLC (“venBio”), the beneficial owner of approximately 10.5 million shares, or 9.9%, of Immunomedics, Inc. (NASDAQ: IMMU) (“Immunomedics” or the “Company”) and its largest stockholder, today issued the following statement to Immunomedics stockholders in connection with venBio’s nomination of four highly-qualified candidates for election to the Company’s Board of Directors (the “Board”) at the upcoming 2016 Annual Meeting of Stockholders, which is currently scheduled to be held on March 3, 2017.

Dr. Behzad Aghazadeh, Managing Partner and portfolio manager at venBio, said: “Unfortunately, Immunomedics continues to attempt to mislead stockholders, as they have over the course of this campaign. The settlement conversation alluded to in their press release today simply did not occur as described. In reality, we told the Company’s legal counsel yesterday evening that given how close we now are to the Annual Meeting, we felt it was best to proceed with the vote and allow the will of the stockholders to be heard.

With the Annual Meeting being held tomorrow, it is critical for stockholders to have their say and elect a slate of directors that possess an optimal mix of pharmaceutical development background, commercial manufacturing expertise and the pharmaceutical deal making experience necessary to create lasting value at Immunomedics. venBio’s four nominees – Peter Barton Hutt, Scott Canute, Dr. Khalid Islam, and me – will bring a culture of strong oversight and effective management to the Board of Immunomedics.

It’s time that the incumbent Board and management be held accountable. Regardless of the number of shares of stock you hold, your vote is crucial to achieving optimal value and protecting the best interests of all Immunomedics stockholders.”

**Vote now on the GOLD proxy card for all four of venBio’s highly-qualified nominees – Peter Barton Hutt, Scott Canute, Dr. Khalid Islam, and Dr. Behzad Aghazadeh.**

**IMPORTANT INFORMATION REGARDING THE VOTING PROCESS**

Tell your Board what you think! Your vote is important. No matter how many shares of Common Stock you own, please give venBio your proxy FOR the election of venBio’s nominees.

In a proxy contest, only the latest dated proxy card or instruction form counts, and proxies are revocable at any time prior to the Annual Meeting. Please note that a vote against the Company’s nominees on the White card is not the same as a vote for venBio’s nominees using the GOLD proxy card or voting instruction form. To support venBio’s four nominees, you must vote the GOLD proxy card or instruction form. If you have previously voted on management’s White proxy card, a vote on the GOLD proxy card or instruction form will count as long as it is your latest dated vote.

If you have already voted any GOLD proxy card or instruction form previously sent to you and have not accumulated additional shares since that vote, your vote will automatically transfer to the new GOLD proxy card or instruction form as of the January 24, 2017 record date and no additional action is required. If you have accumulated additional shares, you will have to take action on the new GOLD proxy card or instruction form in order to have your full share position voted. To vote the “GOLD proxy card” please follow the instructions on the voting instruction form sent to you and vote electronically on [www.proxyvote.com](http://www.proxyvote.com) or by phone with the number provided on the bottom of the GOLD form. In order to vote electronically, you will need to locate your control number, which will be the 16 digit number located inside a rectangular box on the right hand side of the voting instruction form. Alternatively, you can return the GOLD voting instruction form by mail in the postage paid envelope provided to you.

If you have not received your GOLD proxy card or own less than 5,000 shares in any of your accounts, to vote these shares please follow these steps:

1. Call your broker and request that your broker provide you with the 16 digit control number for all of your accounts for the venBio GOLD proxy card regarding the Immunomedics meeting
2. Once you have all of your control numbers go to [www.proxyvote.com](http://www.proxyvote.com) type in the control number and vote the GOLD proxy card
