Item 6. Indemnification of Directors and Officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our Company pursuant to the foregoing provisions, we have been informed that in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Article Seventh of the Registrant's Amended and Restated Certificate of Incorporation provides: The Corporation shall, to the fullest extent permitted by Section 1031 of the Oklahoma General Corporation Act, as presently in effect or as it may hereafter be amended, indemnify all persons whom it may indemnify pursuant thereto and advance expenses of litigation to Directors and Officers when so requested. To the fullest extent permitted by the Oklahoma Business Corporation Act, as presently in effect or as it may hereafter be amended, a Director of this Corporation shall not be liable to the Corporation or its Stockholders for monetary damages for breach of fiduciary duty as a Director.

Article Eighth of the Registrant's Bylaws provides: To the extent and in the manner permitted by the laws of the State of Oklahoma and specifically as is permitted under Section 1031 of Title 18 of the Oklahoma Statutes, the corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement.

We have purchased director and officer liability insurance which insures us for amounts which we are required or permitted to pay as indemnification of directors and certain officers and which insures directors and certain officers against certain liabilities which might be incurred by them in those capacities and for which they are not entitled to indemnification by us.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes to:

(1) File, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any additional or changed material information on the plan of distribution.

(2) For determining liability under the Securities Act, treat each such post-effective amendment as a new registration statement of the securities offered, and the offering of such securities at that time be the initial bona fide offering; and

(3) File a post-effective amendment to remove from registration any of the securities that remain unsold at the end of the offering.

(b) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the small business issuer, pursuant to the foregoing provisions, or otherwise, the small business issuer has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the small business issuer of expenses incurred or paid by a director, officer or controlling person of the small business issuer in the successful defense of any action, suit or proceeding) is asserted by any such director, officer or controlling person in connection with the securities being registered, the small business issuer will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
