Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 20, 2008, in connection with the execution of the Agreement and Plan of Merger by and among The Bear Stearns Companies Inc. (the "Company") and JPMorgan Chase & Co. ("JPMorgan Chase"), as amended, pursuant to which a subsidiary of JPMorgan Chase will merge with and into the Company, the Compensation Committee of the Board of Directors of the Company approved the acceleration of (1) the vesting of the CAP Units granted under The Bear Stearns Companies Inc. Capital Accumulation Plan for Senior Managing Directors, amended and restated November 29, 2000, as subsequently amended (the "CAP Plan") that are held by holders who are (i) offered and accept a full-time position to join JPMorgan Chase after the effective time of the merger, (ii) not offered continued employment, but who stay through a specified transition date or (iii) continuing to vest because of retirement or job elimination in accordance with their award (collectively, the "Eligible Participants") and (2) the deferral periods for the CAP Units held by the Eligible Participants so that all vested CAP Units not otherwise distributable during 2008 shall be settled as of January 31, 2009, in each case, subject to each Eligible Participant executing an agreement and release at such time(s) and having such terms and conditions as JPMorgan Chase may, in its sole discretion, specify provided that such agreement and release is executed and becomes irrevocable prior to the end of the 2008 calendar year. In addition, the Compensation Committee approved changes to the terms of the CAP Units so that as of the effective time of the merger, additional earning units shall no longer be credited, and instead outstanding CAP Units following the merger shall be credited with dividend equivalent units until the CAP Units are distributed.

The following table sets forth the number of unvested CAP Units held by each executive officer of the Company as of April 18, 2008 (the record date for the special meeting of stockholders). The table also sets forth the number of shares of JPMorgan Chase common stock that such executive officers would be entitled to receive upon the settlement of their respective unvested CAP Units, as well as the aggregate value of such shares, based upon the closing price of the JPMorgan Chase common stock on May 20, 2008.
