PROXY STATEMENT

2003 ANNUAL MEETING OF SHAREHOLDERS

April 15, 2003

GENERAL

The following information is furnished in connection with the solicitation by and on behalf of the Board of Directors of the enclosed proxy to be used at the 2003 Annual Meeting of the Shareholders (the Annual Meeting) of C&F Financial Corporation (the Company) to be held Tuesday, April 15, 2003, at 3:30 p.m. at the **Holiday Inn, Patriot, 3032 Richmond Road, Williamsburg, Virginia**. The approximate mailing date of this Proxy Statement and accompanying proxy is March 14, 2003.

Revocation and Voting of Proxies

Execution of a proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Any shareholder who has executed and returned a proxy may revoke it by attending the Annual Meeting and requesting to vote in person. A shareholder may also revoke his proxy at any time before it is exercised by filing a written notice with the Company or by submitting a proxy bearing a later date. Proxies will extend to, and will be voted at, any properly adjourned session of the Annual Meeting. If a shareholder specifies how the proxy is to be voted with respect to any proposals for which a choice is provided, the proxy will be voted in accordance with such specifications. If a shareholder fails to specify with respect to proposal 1 set forth in the accompanying notice and further described herein, the proxy will be voted **FOR** director nominees named in proposal 1.

Voting Rights of Shareholders

Only those shareholders of record at the close of business on February 14, 2003, are entitled to notice of and to vote at the Annual Meeting, or any adjournments thereof. The number of shares of common stock of the Company outstanding and entitled to vote at the Annual Meeting is 3,652,359. The Company has no other class of stock outstanding. A majority of the votes entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business. Each share of Company common stock entitles the record holder thereof to one vote upon each matter to be voted upon at the Annual Meeting.

Edgar Filing: C & F FINANCIAL CORP - Form DEF 14A

With regard to the election of directors, votes may be cast in favor or withheld. If a quorum is present, the nominees receiving a plurality of the votes cast at the Annual Meeting will be elected directors; therefore, votes withheld will have no effect. Approval of any other matter requires an affirmative vote of a majority of the shares cast on the matter. Thus, although abstentions and broker non-votes (shares held by customers which may not be voted on certain matters because the broker has not received specific instructions from the customers) are counted for purposes of determining the presence or absence of a quorum for the transaction of business, they are generally not counted for purposes of determining whether such matter has been approved, and therefore have no effect.

Solicitation of Proxies

The cost of solicitation of proxies will be borne by the Company. Solicitations will be made only by the use of the mail, except that officers and regular employees of the Company and Citizens and Farmers Bank (the Bank) may make solicitations of proxies by telephone, telegram, special letter, or by special call, acting without compensation other than their regular compensation. We anticipate that brokerage houses and other nominees, custodians, and fiduciaries will be requested to forward the proxy soliciting material to the beneficial owners of the stock held of record by such persons, and the Company will reimburse them for their charges and expenses in this connection.

Members of the Bank's Executive Committee are Messrs. Causey, Dillon, Hudson, and O'Connell. The Executive Committee reviews various matters and submits proposals or recommendations to the Board of Directors. The Executive Committee did not meet in 2002.

Members of the Bank's Compensation Committee are Messrs. Causey, Chernack, Hudson, and Whitmore. The Compensation Committee recommends the level of compensation of each officer of the Bank, the granting of stock options and other employee remuneration plans to the Board of Directors. The Compensation Committee met five times during 2002. See Compensation Committee Report on Executive Compensation on page 9.

Members of the Company's Audit Committee are Messrs. Causey, Chernack, Lawson, O'Connell, and Robinson. The Audit Committee reviews and approves various audit functions including the year-end audit performed by the Company's independent public accountants. The Audit Committee met six times during 2002. See Report of the Audit Committee on page 11.

Directors' Compensation

Each of the directors of the Company is also a director of the Bank. Mr. Causey, as Chairman of the Bank's Compensation Committee, and Mr. Chernack, as Chairman of the Company's Audit Committee, each receive an annual retainer of \$6,600. The remaining non-employee members of the Board of Directors of the Bank each receive an annual retainer of \$5,000. The retainers are payable in quarterly installments. In addition, all non-employee members of the Board of Directors of the Bank receive a base meeting fee of \$500 per day for Company or Bank meeting attendance and a fee of \$100 for secondary meeting attendance for the Company Board, Bank Board, or any committees thereof held on the same day as a meeting for which the base meeting fee is paid.

In addition to cash compensation, non-employee members of the Board of Directors of the Bank participate in the Non-Employee Directors Stock Compensation Plan. Under this plan, directors are granted the option to purchase the Company's common stock at a price equal to the fair market value of the stock at the date of grant. Options become exercisable twelve months after the date of grant and expire ten years from the date of grant. On May 1, 2002, all non-employee members of the Board of Directors of the Bank were granted 1,500 options with an exercise price of \$22.32 per share.

Interest of Management in Certain Transactions

As of December 31, 2002, the total maximum extensions of credit (including used and unused lines of credit) to policy-making officers, directors, and their associates amounted to \$1,276,572, or 2.27% of total year-end capital. The maximum aggregate amount of such indebtedness outstanding during 2002 was \$1,394,927, or 2.48% of total year-end capital. These loans were made in the ordinary course of the Bank's business, on the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with others, and do not involve more than the normal risks of collectibility or present other unfavorable features. The Bank expects to have in the future similar banking transactions with officers, directors, and their associates.

Change in Control Agreements

The Company has entered into change in control agreements with Mr. Dillon and Mr. Cherry. The agreement for Mr. Dillon provides certain payments and benefits in the event of a termination of his employment by the Company without cause, or by Mr. Dillon for good reason, during the period beginning on the occurrence of a change in control (as defined in the agreement) of the Company and ending sixty-one days after the second anniversary of the change in control date. In such event, Mr. Dillon would be entitled (i) to receive in 12 consecutive quarterly installments, or in a lump sum, two and one-half times the sum of his highest annual base salary during the 24 month period preceding the

Edgar Filing: C & F FINANCIAL CORP - Form DEF 14A

change in control date and his highest annual bonus for the three fiscal years preceding the change in control date; (ii) for a period of three years following termination, to receive continuing health insurance, life insurance, split-dollar insurance, and similar benefits under the Company's welfare benefit plans and to have the three year period credited as service towards completion of any service requirement for retiree coverage under the Company's welfare benefit plans; and (iii) if Mr. Dillon requests within one year after his termination, to have the Company acquire his residence for its appraised fair market value.

The agreement for Mr. Cherry provides certain payments and benefits in the event of a termination of his employment by the Company without cause, or by Mr. Cherry for good reason, during the period beginning on the occurrence of a change in control (as defined in the agreement) of the Company and ending sixty-one days after the first anniversary of the change in control date. In such event, Mr. Cherry would be entitled (i) to receive in eight consecutive quarterly installments, or in a lump sum, two times the sum of his highest annual base salary during the 24 month period preceding the change in control date and his highest annual bonus for the three fiscal years preceding the change in control date; and (ii) for a period of one year following termination, to receive continuing health insurance, life insurance, and similar benefits under the Company's welfare benefit plans and to have the one year period credited as service towards completion of any service requirement for retiree coverage under the Company's welfare benefit plans.

During the term of the agreements following a change in control, Mr. Dillon or Mr. Cherry may voluntarily terminate his employment and become entitled to these payments and benefits under certain circumstances. These circumstances include, but are not limited to, a material adverse change in his position, authority, or responsibilities, or a reduction in his rate of annual base salary, benefits (including incentives, bonuses, stock compensation, and retirement and welfare plan coverage), or other perquisites as in effect immediately prior to the change in control date.

Payments and benefits provided under the agreements will be reduced, if and to the extent necessary, so that Mr. Dillon and Mr. Cherry will not be subject to a federal excise tax on, and the Company will not be denied an income tax deduction on account of having made, excess parachute payments.

Employee Benefit Plans

The Bank has a Non-Contributory Defined Benefit Retirement Plan (the Retirement Plan) covering substantially all employees who have reached the age of 21 and have been fully employed for at least one year. The Retirement Plan provides participants with retirement benefits related to salary and years of credited service. Employees become vested after five plan years of service, and the normal retirement date is the plan anniversary date nearest the employee's 65 birthday. The Retirement Plan does not cover directors who are not active employees. The amount expensed for the Retirement Plan during the year ended December 31, 2002, was \$229,167.

The following table shows the estimated annual retirement benefits payable to employees in the average annual salary and years of service classifications set forth below assuming retirement at the normal retirement age of 65.

200,000	55,545	74,060	92,575	106,090	119,605

Benefits under the Retirement Plan are based on a straight life annuity assuming full benefit at age 65, no offsets, and covered compensation of \$39,600 for a person age 65 in 2002. Compensation is limited to \$200,000 in 2002 by the Internal Revenue Code. The estimated annual benefit payable under the Retirement Plan upon retirement is \$108,919 and \$70,055 for Messrs. Dillon and Cherry, respectively, each credited with 40 years. Benefits are estimated on the basis that they will continue to receive, until age 65, covered salary in the same amount paid in 2002.

Compensation Committee Report on Executive Compensation

The Compensation Committee (the Committee), which is composed of non-employee Directors of the Company and the Bank listed below, recommends to the Board of Directors of the Bank (the Bank Board) the annual salary levels and any bonuses to be paid to the Bank's executive officers. The Committee also makes recommendations to the Bank Board regarding the issuance of stock options and other compensation related matters.

Currently, the individuals serving as the Chief Executive Officer and the Chief Financial Officer of the Company also serve in the same capacities, respectively, for the Bank. These officers are presently compensated for services rendered by them to the Bank, but not for services rendered by them to the Company.

The primary objective of the Bank's executive compensation program is to attract and retain highly skilled and motivated executive officers who will manage the Bank in a manner that will promote its growth and profitability and advance the interest of the Company's shareholders. As such, the compensation program is designed to provide levels of compensation which are reflective of both the individual's and the organization's performance in achieving the organization's goals and objectives, both financial and non-financial, and in helping to build value for the Company's shareholders. Based on its evaluation of these factors, the Committee believes that the executive officers are dedicated to achieving significant improvements in long-term financial performance and that the compensation plans the Committee has implemented and administered have contributed to achieving this management focus.

The principal elements of the Bank's executive compensation program include base annual salary, split-dollar insurance participation, short-term incentive compensation awards under the Bank's management incentive bonus policy (detailed below), long-term incentives through the grants of stock options under the Incentive Plan (detailed below), and employer contributions under the amended Executive's Deferred Compensation Plan (detailed below).

Individual performance awards are made annually to selected members of management under a management incentive bonus policy. Awards are recommended by the Committee and approved by the Bank Board. In determining the management awards, the Committee and the Bank Board consider the Company's total performance, including its growth rate, returns on average assets and equity, and absolute level of income. In addition, the Committee and the Bank Board consider the individual performance of the members of management who may receive awards. The expense for these awards is accrued in the year of the specified performance.

The Company adopted the 1994 Incentive Stock Plan (the Incentive Plan) effective May 1, 1994. The Incentive Plan was amended by the Company on February 15, 2000. The Incentive Plan makes available up to 500,000 shares of common stock for awards to key employees of the Company and its subsidiaries in the form of stock options, stock appreciation rights, and restricted stock. The purpose of the Incentive Plan is to promote the success of the Company and its subsidiaries by providing incentives to key employees that will promote the identification of their personal interests with the long term financial success of the Company and with growth in shareholder value. The Incentive Plan is designed to provide flexibility to the Company in its ability to motivate, attract, and retain the services of key employees upon whose judgment, interest, and special effort the successful conduct of its operation is largely dependent.

In considering compensation for the Chief Executive Officer and the Chief Financial Officer, the Committee relies on compensation surveys and an evaluation of the officers' levels of responsibility and performance. In 2001, the Committee used the following compensation surveys to assist in developing its recommendation on compensation for 2002: the SNL Executive Compensation Review; the Sheshunoff Bank Executive and Director Compensation Survey; and the Virginia Bankers Association's Salary Survey of Virginia Banks. The Committee believes that these are relevant and appropriate indicators of compensation paid by the Bank's competitors. The Committee received an evaluation by the Chief Executive Officer of the performance of the Chief Financial Officer during 2001. The Committee evaluated the performance of the Chief Executive Officer based on the financial performance of the Company and the Bank, achievements in implementing the Bank's long-term strategy, and the personal observations of the Chief Executive Officer's performance by the members of the Committee. No particular weight was given to any one aspect of the performance of the Chief Executive Officer, but his performance in 2001 was evaluated as outstanding, with the Company and the Bank achieving earnings in excess of its peer group and significant progress being made on the Bank's long-term strategy.

Based on the salary surveys and the performance evaluations, the Committee generally sets base annual salaries for the Chief Executive Officer and the Chief Financial Officer in the median range of salaries contained in the various surveys for comparable positions.

The Committee also reviews each executive officer's performance and responsibility to assess the payment of short-term incentive compensation. The Committee uses the compensation surveys and considers the performance of the Bank relative to its peer group, taking into consideration profit growth, asset growth, return on equity, and return on assets. No particular weight is given to each of these elements. The cash bonuses were awarded based upon the role of such officers in the growth and profitability of the Bank in 2002.

Each year, the Committee also considers the desirability of granting long-term incentive awards under the Company's Incentive Plan. The Committee believes that grants of options focus the Bank's executive officers, as well as other members of senior management, on building profitability and shareholder value. The Committee notes in particular its view that stock option grants afford a desirable long-term compensation method because they closely ally the interest of management with shareholder value. In fixing the grant of stock options to the Chief Financial Officer, the Committee reviewed with the Chief Executive Officer the recommended award, taking into account the Chief Financial Officer's scope of responsibility and contributions. The award to the Chief Executive Officer was determined separately and was based, among other things, on the review of competitive compensation data from selected peer companies and information on his total compensation, as well as, the Committee's perception of his past and expected future contributions to the Company's achievement of its long-term goals.

Each year, the Committee also considers additional retirement funding for executive officers under the Company's non-qualified defined contribution plan known as the Executive's Deferred Compensation Plan. These employer contributions are in the form of additional retirement contributions to make up for arbitrary limitations on covered compensation imposed by the Internal Revenue Code with respect to the Bank's Profit Sharing/401(k) Plans and to enhance retirement benefits by providing supplemental contributions from time to time on such basis as the Committee and the Board determine.

Compensation Committee Interlocks and Insider Participation

During 2002 and up to the present time, there were transactions between the Company's banking subsidiary and certain members of the Compensation Committee or their associates, all consisting of extensions of credit by the Bank in the ordinary course of business. Each transaction was made on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with the general public. In the opinion of management and the Company's Board, none of the transactions involved more than the normal risk of collectibility or present other unfavorable features.

None of the members of the Compensation Committee has served as an officer or employee of the Company or any of its affiliates. No director may serve as a member of the Committee if he is eligible to participate in the Incentive Plan or was at any time within one year prior to his appointment to the Committee eligible to participate in the Incentive Plan.

Report of the Audit Committee

The Audit Committee assists the Board in overseeing and monitoring the integrity of the Company's financial reporting process, its compliance with legal and regulatory requirements and the quality of its internal and external audit processes. The role and responsibilities of the Audit Committee are set forth in a written Charter adopted by the Board and include recommending to the Board which firm to engage as the Company's independent accountants and the appointment of internal auditors for the Company, as well as the terms of such engagements. The Audit Committee reviews and reassesses the Charter annually and recommends any changes to the Board for approval.

The Audit Committee is responsible for overseeing the Company's overall financial reporting process. In fulfilling its oversight responsibilities for the financial statements for fiscal year 2002, the Audit Committee:

Discussed with management, YHB and the Company's internal auditors the adequacy of the system of internal controls;

Discussed with YHB the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit; and

Edgar Filing: C & F FINANCIAL CORP - Form DEF 14A

The Audit Committee also considered the status of pending litigation, taxation matters and other areas of oversight relating to the financial reporting and audit process that the Audit Committee determined appropriate.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. Also, in its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of the Company's annual financial statements to accounting principles generally accepted in the United States of America.

Based on the Audit Committee's review of the audited financial statements and discussions with management and YHB, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 for filing with the Securities and Exchange Commission.
