ITEM 4. DESCRIPTION OF SECURITIES.

Common Stock

Our authorized capital stock consists of 100,000,000 shares of common stock, \$0.00001 par value per share. The holders of our common stock:

have equal ratable rights to dividends from funds legally available if and when declared by our board of directors;

are entitled to share ratably in all of our assets available for distribution to holders of common stock upon liquidation, dissolution or winding up of our affairs;

do not have preemptive, subscription or conversion rights and there are no redemption or sinking fund provisions or rights; and

are entitled to one non-cumulative vote per share on all matters on which stockholders may vote.

As of March 5, 2008, we had 57,422,845 shares of common stock outstanding.

Non-cumulative voting

Holders of shares of our common stock do not have cumulative voting rights, which means that the holders of more than 50% of the outstanding shares, voting for the election of directors, can elect all of the directors to be elected, if they so choose, and, in that event, the holders of the remaining shares will not be able to elect any of our directors.

Cash dividends

We have not declared any cash dividends in the last two fiscal years. We intend to retain future earnings for use in our business and do not anticipate declaring or paying any cash or stock dividends on shares of our common shares in the near future. In addition, any determination to declare and pay dividends will be made by our Board of Directors in light of our earnings, financial position, capital requirements and other factors that our Board of Directors deems relevant.

Warrants

As of March 5, 2008, there are 10,000,000 warrants outstanding to purchase common stock at an exercise price of \$0.01 per share. The warrants are immediately exercisable and these warrants are exercisable for a period of five years after the date of issuance, March 30, 2007, after which they will expire if not exercised.

Anti-takeover provisions

There are no Nevada anti-takeover provisions that may have the effect of delaying or preventing a change in control.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Edgar Filing: VisualMED Clinical Solutions Corp. - Form S-8

Under our articles of incorporation and bylaws, we may indemnify an officer or director who is made a party to any proceeding, including a lawsuit, because of his position, if he acted in good faith and in a manner he reasonably believed to be in our best interest. We may advance expenses incurred in defending a proceeding. To the extent that the officer or director is successful on the merits in a proceeding as to which he is to be indemnified, we must indemnify him against all expenses incurred, including attorney's fees. With respect to a derivative action, indemnity may be made only for expenses actually and reasonably incurred in defending the proceeding, and if the officer or director is judged liable, only by a court order. The indemnification is intended to be to the fullest extent permitted by the laws of the State of Nevada.

Edgar Filing: VisualMED Clinical Solutions Corp. - Form S-8

Insofar as indemnification for liabilities arising under the Act may be permitted to directors, officers and controlling persons of the small business issuer pursuant to the foregoing provisions, or otherwise, the small business issuer has been advised that in the opinion of the Securities Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable.

Regarding indemnification for liabilities arising under the Act, which may be permitted to directors or officers under Nevada law, we are informed that, in the opinion of the Securities and Exchange Commission, indemnification is against public policy, as expressed in the Act and is, therefore, unenforceable.
