The foregoing items of business are more fully described in the attached proxy statement, which forms a part of this notice and is incorporated herein by reference. Our board of directors has fixed the close of business on March 11, 2009 as the record date for the determination of stockholders entitled to notice of and to vote at the annual meeting or any adjournment or postponement thereof.

We are pleased to take advantage of the new Securities and Exchange Commission rules allowing companies to furnish proxy materials to their stockholders over the Internet. We believe that this new e-proxy process will expedite stockholders' receipt of proxy materials and lower the costs and reduce the environmental impact of our annual meeting. We sent a Notice of Internet Availability of Proxy Materials on or about April 14, 2009, and provided access to our proxy materials over the Internet, beginning on April 14, 2009, for the beneficial owners of our common stock as of the close of business on the record date. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice of Internet Availability of Proxy Materials instructs you on how to access and review this proxy statement and our annual report and how to authorize your vote online or by telephone. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials. We are also sending proxy materials to any stockholder who has elected to receive its proxy materials by mail.

Your proxy is important. Whether or not you plan to attend the annual meeting, please authorize your proxy by Internet, telephone, or, if you received a paper copy of the materials by mail, mark, sign, date and return your proxy card, so that your shares will be represented at the annual meeting. If you plan to attend the annual meeting and wish to vote your shares personally, you may do so at any time before the proxy is voted.

All stockholders are cordially invited to attend the meeting.

The board of directors of BioMed Realty Trust, Inc., a Maryland corporation, is soliciting the accompanying proxy for use at the 2009 annual meeting of stockholders to be held on Wednesday, May 27, 2009 at 9:00 a.m., local time, and at any adjournments or postponements thereof. The annual meeting will be held at the corporate offices of BioMed, 17190 Bernardo Center Drive, San Diego, California 92128. This proxy statement will be first furnished or sent to stockholders on or about April 14, 2009.

Unless contrary instructions are indicated on the proxy, all shares represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted **FOR** the election of the board of directors nominees for directors, or for a substitute or substitutes in the event a nominee or nominees are unable to serve or decline to do so, **FOR** the ratification of the selection of KPMG LLP as the company's independent registered public accounting firm for the year ending December 31, 2009, and **FOR** the approval of the amendment and restatement of the company's and BioMed Realty, L.P.'s 2004 Incentive Award Plan, which includes that the shares of common stock of the company authorized thereunder be increased by 2,840,000 shares to 5,340,000 shares. As to any other business which may properly come before the annual meeting and be submitted to a vote of the stockholders, proxies received by the board of directors will be voted in the discretion of the designated proxy holders. A proxy may be revoked by written notice to the Secretary of BioMed at any time prior to the annual meeting, by executing a later dated proxy or by attending the annual meeting and voting in person. Attendance at the annual meeting will not by itself revoke a proxy.

Stockholders can vote in person at the annual meeting or by proxy. There are three ways to vote by proxy:

By Telephone Beneficial stockholders who received a Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) and who live in the United States or Canada may submit proxies by telephone by calling the telephone number indicated in the notice and following the instructions. These stockholders will need to have the control number that appears on their notice available when authorizing their vote. Beneficial stockholders who have received a paper copy of a proxy card or a voting instruction card by mail may submit proxies by telephone by calling the number on the card and following the instructions. These stockholders will need to have the control number that appears on their card available when authorizing their vote.

By Internet Beneficial stockholders who received a Notice of Internet Availability may submit proxies over the Internet by following the instructions on the notice. Beneficial stockholders who have received a paper copy of a proxy card or voting instruction card by mail may submit proxies over the Internet by following the instructions on the proxy card or voting instruction card.

By Mail Stockholders who received a paper copy of a proxy card or voting instruction card by mail may submit proxies by completing, signing and dating their proxy card or voting instruction card and mailing it in the accompanying pre-addressed envelope.

We will bear the cost of solicitation of proxies. In addition to the use of mails, proxies may be solicited by personal interview, telephone, facsimile, e-mail or otherwise, by our officers, directors and other employees. Although we have not retained a proxy solicitor to assist in the solicitation of proxies, we may do so in the future if the need arises, and do not believe that the cost of any such proxy solicitor will be material. We also will request persons, firms and corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others to send or cause to be sent proxy materials to, and obtain proxies from, such beneficial owners and will reimburse such holders for their reasonable expenses in so doing.

Voting

Holders of record of our common stock, \$.01 par value per share, at the close of business on March 11, 2009 will be entitled to notice of and to vote at the annual meeting or any adjournments or postponements thereof.

As of March 11, 2009, 81,180,596 shares of our common stock were outstanding and represent our only voting securities. Each share of our common stock is entitled to one vote. The presence in person or by proxy of stockholders entitled to cast a majority of all votes entitled to be cast at the annual meeting on any matter will constitute a quorum at the annual meeting. Directors are elected by a plurality of all of the votes cast. The ratification of the selection of KPMG LLP as our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast on the proposal. The approval of the amendment and restatement of our 2004 Incentive Award Plan requires the affirmative vote of a majority of the votes cast on the proposal, provided that the total votes cast on this proposal represent a majority of the shares of our common stock entitled to vote on this proposal.

Votes cast by proxy or in person at the annual meeting will be counted by the person appointed by us to act as inspector of election for the annual meeting. The inspector of election will treat shares represented by proxies that reflect abstentions (or votes withheld) or include broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Broker non-votes refer to unvoted proxies submitted by brokers who are not able to vote on a proposal absent instructions from the applicable beneficial owner. Since brokers are empowered to vote with regard to the election of directors, there will be no broker non-votes with respect to the first proposal. Withhold votes will have no effect on the election of directors. For purposes of the vote on the ratification of the selection of KPMG LLP as our independent registered public accounting firm, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. For purposes of the vote on the approval of the amendment and restatement of our 2004 Incentive Award Plan, abstentions and broker non-votes will have the same effect as votes against the proposal, unless a majority of the shares of our common stock entitled to vote on this proposal cast votes, in which event broker non-votes will have no effect on the result of the vote. Any executed, unmarked proxies, including those submitted by brokers or nominees, will be voted in favor of the nominees for the board of directors, for the ratification of the selection of KPMG LLP as our independent registered public accounting firm and for approval of the amendment and restatement of our 2004 Incentive Award Plan, as indicated in the accompanying proxy card.

No person is authorized to make any representation with respect to the matters described in this proxy statement other than those contained herein and, if given or made, such information or representation must not be relied upon as having been authorized by us or any other person.

PROPOSAL 1

Directors are elected by a plurality of all of the votes cast at the annual meeting. Cumulative voting is not permitted. The enclosed proxy will be voted in favor of the persons nominated unless otherwise indicated. If any of

the nominees should be unable to serve or should decline to do so, the discretionary authority provided in the proxy will be exercised by the proxy holders to vote for a substitute or substitutes nominated by the board of directors, or the board of directors, on the recommendation of the nominating and corporate governance committee, may reduce the size of the board and number of nominees. Information Regarding the Board

Board Independence

Our board of directors has determined that each of our current directors, except for Messrs. Gold and Kreitzer, has no material relationship with BioMed (either directly or as a partner, stockholder or officer of an organization that has a relationship with BioMed) and is independent within the meaning of our director independence standards, which reflect the New York Stock Exchange director independence standards, as currently in effect. Furthermore, our board of directors has determined that each of the members of each of the audit committee, the compensation committee and the nominating and corporate governance committee has no material relationship with BioMed (either directly or as a partner, stockholder or officer of an organization that has a relationship with BioMed) and is independent within the meaning of our director independence standards.

Board Meetings

Our board of directors held eight meetings during fiscal 2008. No director attended fewer than 75% of the aggregate of the total number of meetings of our board of directors and the total number of meetings of committees of our board of directors on which he or she served during the period for which he or she was a director.

To ensure free and open discussion among the independent directors of the board, regularly scheduled executive sessions are held, at which only independent directors are present. The independent directors have nominated the chair of the nominating and corporate governance committee, currently Mr. Roth, to serve as presiding director at each executive session.

Table of Contents

Committees of the Board

Our board of directors has three standing committees: the audit committee, the compensation committee and the nominating and corporate governance committee.

Audit Committee. The audit committee has been established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The audit committee helps ensure the integrity of our financial statements, the qualifications and independence of our independent registered public accounting firm and the performance of our internal audit function and independent registered public accounting firm. The audit committee appoints, assists and meets with the independent registered public accounting firm, oversees each annual audit and quarterly review, establishes and maintains our internal audit controls and prepares the report that federal securities laws require be included in our annual proxy statement. Ms. Wilson is the chair and Ms. Cambon and Mr. Gilchrist serve as members of the audit committee. Our board of directors has determined that each of Ms. Wilson, Ms. Cambon and Mr. Gilchrist is an audit committee financial expert as defined by the Securities and Exchange Commission. The audit committee held four meetings in 2008.

Compensation Committee. The compensation committee reviews and approves our compensation philosophy and compensation and benefits of our executive officers and Section 16 officers; reviews and approves all executive officers' employment agreements and severance arrangements; administers and makes recommendations to our board of directors regarding our compensation and stock incentive plans; reviews and approves policies concerning perquisite benefits, policies regarding compensation paid to our executive officers in excess of limits deductible under Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, and policies with respect to change of control and parachute payments; and produces an annual report on executive compensation for inclusion in our proxy statement. Dr. Dennis is the chair and Ms. Cambon and Mr. Gilchrist serve as members of the compensation committee. The compensation committee held six meetings in 2008.

Nominating and Corporate Governance Committee. The nominating and corporate governance committee develops and recommends to our board of directors a set of corporate governance principles, adopts a code of ethics, adopts policies with respect to conflicts of interest, monitors our compliance with corporate governance requirements of state and federal law and the rules and regulations of the New York Stock Exchange, establishes criteria for prospective members of our board of directors, conducts candidate searches and interviews, oversees and evaluates our board of directors and management, evaluates from time to time the appropriate size and composition of our board of directors, recommends, as appropriate, increases, decreases and changes in the composition of our board of directors and recommends to our board of directors the slate of directors to be elected at each annual meeting of our stockholders. Mr. Roth is the chair and Dr. Dennis and Ms. Wilson serve as members of the nominating and corporate governance committee. The nominating and corporate governance committee held three meetings in 2008.

Our board of directors has adopted charters for each of the audit committee, compensation committee and nominating and corporate governance committee. Each of the charters is available on our website at www.biomedrealty.com and will be provided without charge upon request to BioMed Realty Trust, Inc., 17190 Bernardo Center Drive, San Diego, California 92128, Attention: Secretary. The information contained on our website is not incorporated by reference into and does not form a part of this proxy statement.

Our board of directors may from time to time establish certain other committees to facilitate the management of BioMed.

Compensation Committee Interlocks and Insider Participation

There were no insider participations or compensation committee interlocks among the members of the committee during fiscal year 2008. At all times during fiscal year 2008, the compensation committee was comprised solely of independent, non-employee directors.

Director Qualifications

The nominating and corporate governance committee has not set minimum qualifications for board nominees. However, pursuant to its charter, in identifying candidates to recommend for election to the board, the nominating

Table of Contents

and corporate governance committee considers the following criteria: (1) personal and professional integrity, ethics and values, (2) experience in corporate management, such as serving as an officer or former officer of a publicly held company, and a general understanding of marketing, finance and other elements relevant to the success of a publicly traded company in today's business environment, (3) experience in our industry and with relevant social policy concerns, (4) experience as a board member of another publicly held company, (5) academic expertise in an area of our operations and (6) practical and mature business judgment, including ability to make independent analytical inquiries. Our board of directors evaluates each individual in the context of our board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the nominating and corporate governance committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the board.

Identifying and Evaluating Nominees for Directors

The nominating and corporate governance committee identifies nominees by first evaluating the current members of our board willing to continue in service. Current members with qualifications and skills that are consistent with the nominating and corporate governance committee's criteria for board service are re-nominated. As to new candidates, the nominating and corporate governance committee will generally poll board members and members of management for their recommendations. The nominating and corporate governance committee may also hire a search firm if deemed appropriate to identify and perform background due diligence on potential candidates. An initial slate of candidates will be presented to the chair of the nominating and corporate governance committee, who will then make an initial determination as to the qualification and fit of each candidate. Candidates will be interviewed by the Chief Executive Officer and independent board members. The nominating and corporate governance committee will then approve final director candidates and, after review and deliberation of all feedback and data, will make its recommendation to our board of directors. Recommendations received by stockholders will be considered and processed and are subject to the same criteria as are candidates nominated by the nominating and corporate governance committee.

The foregoing notwithstanding, if we are legally required by contract or otherwise to permit a third party to designate one or more of the directors to be elected or appointed (for example, pursuant to articles supplementary designating the rights of a class of preferred stock to elect one or more directors upon a dividend default), then the nomination or appointment of such directors shall be governed by such requirements.

Each of the nominees for election as director at the annual meeting is recommended by the nominating and corporate governance committee to stand for reelection.

Stockholder Recommendations for Director Nominees

The nominating and corporate governance committee's policy is to consider candidates recommended by stockholders. The stockholder must submit a detailed resume of the candidate and an explanation of the reasons why the stockholder believes the candidate is qualified for service on our board of directors and how the candidate satisfies the board's criteria. The stockholder must also provide such other information about the candidate as would be required by the Securities and Exchange Commission rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. The stockholder must submit proof of BioMed stockholdings. All communications are to be directed to the chair of the nominating and corporate governance committee, c/o BioMed Realty Trust, Inc., 17190 Bernardo Center Drive, San Diego, California 92128, Attention: Secretary. For any annual meeting, recommendations received after 120 days prior to the anniversary of the mailing of the proxy materials for the prior year's annual meeting will likely not be considered timely for consideration at that annual meeting.

Table of Contents**Compensation of Directors**

Each of our directors who is not an employee of our company or our subsidiaries receives an annual fee of \$25,000 for services as a director. The chair of the audit committee receives an additional \$15,000 annual fee and each director who is not an employee of our company or our subsidiaries who chaired any other committee of the board of directors receives an additional \$5,000 annual fee for each committee chaired. In addition, each director who is not an employee of our company or our subsidiaries receives a fee of \$1,500 for each board of directors meeting attended in person (\$750 for telephonic attendance), a fee of \$1,500 for each audit committee meeting attended in person (\$500 for telephonic attendance), and a fee of \$1,000 for each other committee meeting attended in person (\$500 for telephonic attendance). Non-employee directors receive fees for attending committee meetings whether or not a meeting of the board of directors is held on the same day. Directors are also reimbursed for reasonable expenses incurred to attend board of directors and committee meetings. Directors who are employees of our company or our subsidiaries do not receive compensation for their services as directors.

Our non-employee directors also receive automatic grants of restricted stock under our 2004 Incentive Award Plan. We grant 2,000 shares of restricted common stock to each non-employee director who is initially elected or appointed to the board of directors on the date of such initial election or appointment. Thereafter, on the date of each annual meeting of stockholders, each non-employee director who continues to serve on the board of directors is granted 2,000 shares of restricted common stock. The restricted stock granted to non-employee directors vests one year from the date of grant.

The table below summarizes the compensation paid by the company to non-employee directors for the fiscal year ended December 31, 2008.

The costs for awards disregard adjustments for forfeiture assumptions. At our 2008 annual meeting, each of our

independent directors was granted 2,000 shares of restricted stock with an aggregate value on the grant date under SFAS 123(R) of approximately \$53,000, based on the closing market price of our common stock on May 21, 2008 of \$26.69. The shares vest one year from the date of grant, and represent the only unvested shares of restricted stock held by our non-employee directors at December 31, 2008.

PROPOSAL 2

**RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The audit committee of our board of directors has selected KPMG LLP to serve as our independent registered public accounting firm for the year ending December 31, 2009, and our board of directors has directed that management submit the selection of the independent registered public accounting firm for ratification by our stockholders at the annual meeting. KPMG LLP has audited our financial statements since our inception in 2004. Representatives of KPMG LLP are expected to be present at the annual meeting. Such representatives will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Stockholder ratification of the selection of KPMG LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, the board of directors is submitting the selection of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the audit committee determines that such a change would be in the best interests of the company.

The affirmative vote of a majority of the votes cast at the annual meeting is required for the ratification of the selection of KPMG LLP as our independent registered public accounting firm.

Recommendation of the Board of Directors

Our board of directors recommends that stockholders vote FOR the ratification of the selection of KPMG LLP as the company's independent registered public accounting firm for the year ending December 31, 2009.

PROPOSAL 3

**APPROVAL OF
AMENDMENT AND RESTATEMENT OF
THE 2004 INCENTIVE AWARD PLAN
OF BIOMED REALTY TRUST, INC. AND BIOMED REALTY, L.P.**

We are asking our stockholders to approve an amendment and restatement of the 2004 Incentive Award Plan of BioMed Realty Trust, Inc. and BioMed Realty, L.P. (the "2004 Plan"). The proposed amended and restated 2004 Plan is referred to herein as the "Restated Plan." Currently, the 2004 Plan authorizes 2,500,000 shares of BioMed common stock for issuance. As of March 11, 2009, 446,314 shares remained available for issuance under the 2004 Plan. The Restated Plan would increase the number of shares authorized for issuance under the 2004 Plan by 2,840,000 shares for a total of 5,340,000 shares. BioMed's board of directors approved the Restated Plan on February 10, 2009, but specified that it was subject to approval by BioMed's stockholders. The proposed Restated Plan, the text of which is attached as *Appendix A* to this proxy statement, would become effective immediately upon stockholder approval at the 2009 annual meeting of stockholders. As of March 11, 2009, 81,180,596 shares of our common stock were outstanding; in addition, as of March 11, 2009, 2,795,364 limited partnership units in BioMed Realty, L.P., a Maryland limited partnership of which BioMed is the sole general partner (the "Operating Partnership"), were outstanding, which may be exchanged for 2,795,364 shares of our common stock. The closing share price for our common stock on the New York Stock Exchange on March 11, 2009 was \$7.66.

The Restated Plan will also implement the following changes:

The term of the Restated Plan will be extended until 2019.

The list of performance criteria that may be used by the compensation committee of our board of directors for purposes of granting awards under the Restated Plan that are intended to qualify as performance-based compensation under Section 162(m) of the Code has been expanded, as described below under the heading "Description of Proposed Restated Plan - Performance Criteria."

All stock options and stock appreciation rights will have an exercise price equal to or greater than the fair market value of our common stock on the date the stock option or stock appreciation right is granted.

No dividend equivalents will be payable for any award which vests based on the satisfaction of performance criteria, unless and until that award vests.

Without stockholder approval, the exercise price of outstanding options or stock appreciation rights may not be reduced, and outstanding options or stock appreciation rights may not be cancelled, exchanged, substituted, bought or surrendered in exchange for cash or another award that has an exercise price that is less than the original exercise price of the outstanding option or stock appreciation right that is being exchanged.

The governing law of the Restated Plan will be changed from California to Maryland.

Awards granted under the Restated Plan will be subject to and designed to be compliant with Section 409A of the Code, to the extent applicable.

In addition, certain other immaterial changes have been included in the Restated Plan to conform its terms to company practice.

BioMed is also seeking stockholder approval of the material terms of performance goals under the Restated Plan. Stockholder approval of such terms would preserve BioMed's ability to deduct compensation associated with future performance-based awards made under the Restated Plan to certain executives. Section 162(m) of the Code limits the deductions a publicly-held company can claim for compensation in excess of \$1 million paid in a given year to its chief executive officer and its three other most highly-compensated executive officers (other than its chief financial officer) (these officers are generally referred to as the "covered employees"). Performance-based compensation that meets certain requirements is not counted against the \$1 million deductibility cap. Stock options and stock appreciation rights qualify as performance-based compensation. Other awards that we may grant under the Restated Plan may qualify as performance-based compensation if the payment, retention or vesting of the award

Table of Contents

is subject to the achievement during a performance period of performance goals selected by the compensation committee. The compensation committee retains the discretion to set the level of performance for a given performance measure under a performance-based award. For such awards to qualify as performance-based compensation, the stockholders must approve the material terms of the performance goals every five years. For a discussion of the performance criteria for which approval is being sought, please see the discussion under Description of Proposed Restated Plan Performance Criteria below.

If this Proposal 3 is not approved, the Restated Plan will not become effective, but the existing 2004 Plan will remain in effect.

THE BOARD RECOMMENDS THAT

YOU VOTE FOR THE AMENDMENT AND RESTATEMENT OF THE 2004 PLAN

Why You Should Vote for the Amendment and Restatement of the 2004 Plan

Equity Incentive Awards Are an Important Part of Our Compensation Philosophy

Our equity incentive plan is critical to our long-term goal of building stockholder value. As discussed in the Compensation Discussion and Analysis section of this proxy statement, equity incentive awards are central to our compensation program. Our board of directors and its compensation committee believe that our ability to grant equity incentive awards, including restricted stock and long-term incentive plan units (LTIP units), to new and existing employees, directors and eligible consultants has helped us attract, retain and motivate the best professionals in the life science real estate industry. Historically, we have issued restricted stock and LTIP units under the 2004 Plan. These forms of equity compensation provide a strong incentive for employees, directors and consultants to work to grow the business and build stockholder value, and are attractive to employees, directors and consultants who share the entrepreneurial spirit that has made us successful.

Our equity incentive program is broad-based. As of March 11, 2009, 61 of our 125 employees had received grants of equity awards. We believe we must continue to offer a competitive equity compensation plan in order to attract and motivate the world-class talent necessary for our continued growth and success.

The 2004 Plan Will No Longer Have Shares Available for Grant

Under our current forecasts, the 2004 Plan will run out of shares available for grant at the end of 2009, and we will not be able to issue equity to our employees, directors and consultants unless our stockholders approve the amendment to the 2004 Plan. Our 2004 Plan is the only equity incentive plan we currently have in place. While we could increase cash compensation to a limited extent if we are unable to grant equity incentives, we anticipate that we will have difficulty attracting, retaining and motivating our employees, directors and consultants if we are unable to make equity grants to them. Equity-based grants are a more effective compensation vehicle than strictly cash, because they better align the financial interests of our employees and our stockholders, and encourage actions that maximize long-term stockholder value.

We Manage Our Equity Incentive Award Use Carefully

We manage our long-term stockholder dilution by limiting the number of equity awards granted annually. The compensation committee carefully monitors our total dilution and equity expense to ensure that we maximize stockholder value by granting only the appropriate number of equity awards necessary to attract, reward and retain employees. Aggregate grants of equity awards, which included shares of restricted stock and LTIP units, constituted

0.8%, 0.7% and 0.4% of our weighted average diluted shares outstanding in 2008, 2007 and 2006, respectively.

The Restated Plan Combines Compensation and Governance Best Practices

The proposed Restated Plan includes provisions that are designed to protect our stockholders' interests and to reflect corporate governance best practices, including:

Continued broad-based eligibility for equity awards. We grant equity awards to a significant number of our employees. By doing so, we link employee interests with stockholder interests throughout the organization and motivate our employees to act as owners of the business.

Stockholder approval is required for additional shares. The Restated Plan does not contain an annual evergreen provision. The Restated Plan authorizes a fixed number of shares, so that stockholder approval is required to increase the maximum number of securities which may be issued under the Restated Plan.

No discount stock options or stock appreciation rights. All stock options and stock appreciation rights will have an exercise price equal to or greater than the fair market value of our common stock on the date the stock option or stock appreciation right is granted. To date, we have not granted any stock options or stock appreciation rights under the 2004 Plan.

Repricing is not allowed. The Restated Plan prohibits the repricing of stock options and stock appreciation rights without prior stockholder approval.

Description of Proposed Restated Plan

The following summary of the terms of the Restated Plan is qualified in its entirety by reference to the text of the 2004 Plan and the various award agreements used thereunder, forms of which have been filed as exhibits to BioMed's Current Reports on Form 8-K filed with the SEC on January 14, 2005 and January 5, 2007. The proposed Restated Plan is attached as *Appendix A* to this proxy statement.

Purposes of the Restated Plan

The purposes of the Restated Plan are:

to promote the success and enhance the value of BioMed by linking the personal interests of our employees, directors and consultants to those of our stockholders and by providing such individuals with an incentive for performance to maximize long-term returns for our stockholders, and

to provide us with the ability to motivate, attract and retain the services of our employees, directors and consultants upon whose judgment, interest and special effort our continued success is largely dependent.

Securities Subject to the Restated Plan

The aggregate number of shares of common stock subject to awards under the 2004 Plan is currently 2,500,000. That number may be adjusted for changes in BioMed's capitalization and certain corporate transactions, as described below under the heading *Changes in Control and Corporate Transactions*. As of March 11, 2009, awards covering an aggregate of 2,053,686 shares were outstanding under the 2004 Plan, and 446,314 shares (plus any shares that might in the future be returned to the 2004 Plan as a result of cancellations, forfeitures, repurchases or expiration of awards) remained available for future grants. Of the 2,053,686 shares outstanding under the 2004 Plan, 1,074,183 shares remained subject to vesting restrictions. As noted above, the Restated Plan would increase the number of shares authorized for issuance under the Restated Plan by 2,840,000 shares for a total of 5,340,000 shares. Under the

Restated Plan, each LTIP unit issued pursuant to an award shall be counted against the share reserve under the Restated Plan as one share of common stock, but only to the extent that such LTIP unit is convertible into shares of common stock and on the same basis as the conversion ratio applicable to the LTIP unit.

To the extent that an award expires, terminates or lapses, or an award is settled in cash without the delivery of shares of common stock to the participant, then any unexercised shares subject to the award will be available for future grant or sale under the Restated Plan. Shares of restricted stock which are forfeited or repurchased by us pursuant to the Restated Plan may again be optioned, granted or awarded under the Restated Plan. In addition, shares of common stock which are delivered by the holder or withheld by us upon the exercise of any award under

Table of Contents

the Restated Plan in payment of the exercise or purchase price of such award or tax withholding thereon may again be optioned, granted or awarded under the Restated Plan. The payment of dividend equivalents in cash in conjunction with any outstanding awards will not be counted against the shares available for issuance under the Restated Plan.

The maximum number of shares that may be subject to awards granted under the Restated Plan to any individual in any rolling three-year period may not exceed 1,500,000.

The proposed increase in shares available for issuance under the Restated Plan has been reviewed and approved by BioMed's board of directors, which determined that the existing number of shares available for issuance under the 2004 Plan was insufficient to meet our needs to provide long-term incentive grants on an ongoing and regular basis to motivate, reward, and retain key employees who create stockholder value. The increase in shares has been necessitated by the hiring of new employees and by granting additional stock awards to current employees as long-term incentives. The increase will enable us to continue our policy of equity ownership by employees, directors and consultants as an incentive to contribute to our continued success.

Administration

The Restated Plan will generally be administered by the compensation committee of BioMed's board of directors (the Administrator). However, BioMed's board of directors determines the terms and conditions of, interprets and administers the Restated Plan for awards granted to our non-employee directors and, with respect to these awards, the term Administrator refers to BioMed's board of directors. As appropriate, administration of the Restated Plan may be revested in BioMed's board of directors. In addition, for administrative convenience, BioMed's board of directors or the compensation committee may determine to grant to one or more members of BioMed's board of directors or to one or more officers the authority to make grants to individuals who are not directors or executive officers.

Eligibility

The Restated Plan authorizes discretionary grants to our employees, consultants and non-employee directors, and to the employees and consultants of our subsidiaries, of stock options, restricted stock, stock appreciation rights and other stock-based awards. As of March 11, 2009, outstanding equity awards have been issued to 61 of our 125 employees and to our five non-employee directors under the 2004 Plan.

Awards under the Restated Plan

Stock Options. The Restated Plan provides for discretionary grants of non-qualified stock options, or NQSOs, to employees, non-employee directors and consultants. The Restated Plan also provides for the grant of incentive stock options, or ISOs, which may only be granted to employees. Options may be granted with terms determined by the Administrator; provided that ISOs must meet the requirements of Section 422 of the Code. The Restated Plan provides that a holder of ISOs may exercise his or her option for three months following termination of employment, directorship or consultancy and for twelve months in the event such termination results from death or disability. The exercise price for stock options granted under the Restated Plan is set by the Administrator and may not be less than fair market value on the date of grant. The Administrator may also substitute a stock appreciation right for an option at any time prior to or upon exercise of the option, provided that the stock appreciation right is exercisable for the same number of shares of common stock for which the substituted option would have been exercisable. To date, no options have been granted under the Restated Plan.

Restricted Stock. Unless otherwise provided in the applicable award agreement, participants generally have all of the rights of a stockholder with respect to restricted stock. Restricted stock may be issued for a nominal purchase price and may be subject to vesting over time or upon attainment of performance targets. Any dividends or other

distributions paid on restricted stock are also subject to restrictions to the same extent as the underlying stock. Award agreements related to restricted stock may provide that restricted stock is subject to repurchase by BioMed in the event that the participant ceases to be an employee, director or consultant prior to vesting. To date, 1,413,536 shares of restricted stock (net of forfeitures) have been granted under the Restated Plan.

Table of Contents

Stock Appreciation Rights. The Restated Plan provides for discretionary grants of stock appreciation rights to employees, non-employee directors and consultants. Stock appreciation rights may be granted with terms determined by the Administrator, provided that the exercise price for stock appreciation rights may not be less than fair market value on the date of grant. The Administrator may pay amounts owed upon exercise of a stock appreciation right in shares of common stock or cash, at the Administrator's discretion. To date, no stock appreciation rights have been granted under the Restated Plan.

Performance Bonus Awards. The Restated Plan provides for grants of performance bonus awards to employees, non-employee directors and consultants based upon objectively determinable bonus formulas relating to the performance criteria included in the Restated Plan, provided that no performance bonus award in excess of \$1,500,000 becomes payable to a covered employee as defined in Section 162(m)(3) of the Code. To date, no performance bonus awards have been granted under the 2004 Plan.

Other Stock Awards. The Restated Plan allows for various other awards including dividend equivalents, stock payments, restricted stock units, and other stock-based awards, with such terms generally as the Administrator may determine in its discretion, provided that no dividend equivalents may be payable with respect to options.

LTIP unit awards under the Restated Plan are substantially similar to restricted stock awards. Like the restricted stock awards, the LTIP units are subject to vesting over a period of time. However, an LTIP unit represents an equity interest in the Operating Partnership, rather than BioMed. Initially, LTIP units will not have full parity with common units of the Operating Partnership with respect to liquidating distributions. Upon the occurrence of certain triggering events, the LTIP units can over time achieve full parity with common units of the Operating Partnership for all purposes, and therefore accrete to an economic value equivalent to one share of common stock of BioMed. If such parity is reached, vested LTIP units may be redeemed for cash in an amount equal to the then fair market value of an equal number of shares of BioMed common stock or converted into an equal number of shares of BioMed common stock, as determined by BioMed at its election. The Administrator will specify the purchase price, if any, to be paid by the recipient for an LTIP unit. To date, 640,150 LTIP units have been granted under the Restated Plan.

Non-Employee Director Awards

Our non-employee directors are eligible to receive automatic restricted stock awards under the Restated Plan, as described above under [Information Regarding the Board Compensation of Directors](#).

Performance Criteria

The compensation committee may designate employees as covered employees whose compensation for a given fiscal year may be subject to the limit on deductible compensation imposed by Section 162(m) of the Code. The compensation committee may grant to such covered employees restricted stock, dividend equivalents, stock payments, restricted stock units, cash bonuses and other stock-based awards that are paid, vest or become exercisable upon the attainment of company performance criteria which are related to one or more of the following performance criteria as applicable to our performance or the performance of a division, business unit or an individual, measured either in absolute terms, on a same-property basis, as compared to any incremental increase or as compared to results of a peer group:

net earnings (either before or after interest, taxes, depreciation and amortization),

sales or revenue,

net income (either before or after taxes),

operating earnings,

cash flow (including, but not limited to, operating cash flow and free cash flow),

return on net assets,

return on stockholders' equity,

return on sales,

Table of Contents

gross or net profit margin,
working capital,
earnings per share,
price per share of common stock, or
funds from operations.

The compensation committee may provide that one or more objectively determinable adjustments will be made to one or more of the performance goals established for any performance period. Such adjustments may include one or more of the following:

items related to a change in accounting principle,
items relating to financing activities,
expenses for restructuring or productivity initiatives,
other non-operating items,
items related to acquisitions,
items attributable to the business operations of any entity acquired by us during the performance period,
items related to the disposal of a business or segment of a business,
items related to discontinued operations that do not qualify as a segment of a business under GAAP,
items attributable to any stock dividend, stock split, combination or exchange of shares occurring during the performance period,
any other items of significant income or expense which are determined to be appropriate adjustments,
items relating to unusual or extraordinary corporate transactions, events or developments,
items related to amortization of acquired intangible assets,
items that are outside the scope of our core, on-going business activities, or
items relating to any other unusual or nonrecurring events or changes in applicable laws, accounting principles or business conditions.

Awards Generally Not Transferable

Awards under the Restated Plan are generally not transferable during the award holder's lifetime without the consent of the Administrator. The Administrator may allow an award to be transferable to certain permitted transferees for estate

or tax planning purposes.

Changes in Control and Corporate Transactions

In the event of certain changes in the capitalization of our company or certain corporate transactions involving our company and certain other events (including a change in control, as defined in the Restated Plan), the Administrator may make appropriate adjustments to awards under the Restated Plan and is authorized to provide for the acceleration, cash-out, termination, assumption, substitution or conversion of such awards. Except as may be set forth in the applicable award agreement, if a change in control, as defined in the Restated Plan, occurs and the holder's awards are not assumed or replaced, those awards become fully exercisable and vested. Award holders will also have an opportunity to exercise any vested awards prior to the consummation of such changes in control or other corporate transactions or events.

Table of Contents

Term of the Restated Plan; Amendment and Termination

If the stockholders approve this Proposal 3, the Restated Plan will be in effect until May 2019, unless BioMed's board of directors terminates the Restated Plan at an earlier date. BioMed's board of directors may terminate the Restated Plan at any time with respect to any shares not then subject to an award under the Restated Plan. BioMed's board of directors may also modify the Restated Plan from time to time, except that BioMed's board of directors may not, without prior stockholder approval, (1) amend the Restated Plan so as to increase the number of shares of stock that may be issued under the Restated Plan, (2) reduce the exercise price per share of the shares subject to any outstanding option or stock appreciation right or cancel, exchange, substitute, buyout or surrender existing options or stock appreciation rights in exchange for cash or other awards with an exercise price that is less than the exercise price of the original options or stock appreciation rights, or (3) amend the Restated Plan in any manner which would require stockholder approval to comply with any applicable law, regulation or rule or which would alter the rights or obligations of any outstanding award.

Federal Income Tax Consequences Associated with the Restated Plan

The following is a general summary under current law of the material federal income tax consequences to participants in the Restated Plan. This summary deals with the general tax principles that apply and is provided only for general information. Some kinds of taxes, such as state, local and foreign income taxes and federal employment taxes, are not discussed. Tax laws are complex and subject to change and may vary depending on individual circumstances and from locality to locality. The summary does not discuss all aspects of income taxation that may be relevant in light of a holder's personal investment circumstances. This summarized tax information is not tax advice.

Non-Qualified Stock Options. For federal income tax purposes, if an optionee is granted NQSOs under the Restated Plan, the optionee will not have taxable income on the grant of the option, nor will we be entitled to any deduction. Generally, upon exercise of NQSOs the optionee will recognize ordinary income, and we will be entitled to a deduction, in an amount equal to the excess of the fair market value of a common share over the option exercise price on the date each such option is exercised. The optionee's basis for the stock for purposes of determining gain or loss on subsequent disposition of such shares generally will be the fair market value of the common stock on the date the optionee exercises such option. Any subsequent gain or loss will be generally taxable as capital gains or losses.

Incentive Stock Options. There is no taxable income to an optionee when an optionee is granted an ISO or when that option is exercised. However, the amount by which the fair market value of the shares at the time of exercise exceeds the option price will be an item of adjustment for the optionee for purposes of the alternative minimum tax. Gain realized by the optionee on the sale of an ISO is taxable at capital gains rates, and no tax deduction is available to us, unless the optionee disposes of the shares within (a) two years after the date of grant of the option or (b) within one year of the date the shares were transferred to the optionee. If the common shares are sold or otherwise disposed of before the end of the two-year and one-year periods specified above, the excess of the fair market value of a common share over the option exercise price on the date of the option's exercise will be taxed at ordinary income rates (or, if less, the gain on the sale), and we will be entitled to a deduction to the extent the optionee must recognize ordinary income. If such a sale or disposition takes place in the year in which the optionee exercises the option, the income the optionee recognizes upon sale or disposition of the shares will not be considered an item of adjustment for alternative minimum tax purposes.

An ISO exercised more than three months after an optionee terminates employment, for reasons other than death or disability, will be taxed as a NQSO, and the optionee will recognize ordinary income on the exercise. We will be entitled to a tax deduction equal to the ordinary income, if any, realized by the optionee.

Restricted Stock. An individual to whom restricted stock is issued generally will not recognize taxable income upon such issuance, and we generally will not then be entitled to a deduction, unless an election is made by the participant under Section 83(b) of the Code. However, when restrictions on shares of restricted stock lapse, such that the shares are no longer subject to a substantial risk of forfeiture, the individual generally will recognize ordinary income, and we generally will be entitled to a deduction for an amount equal to the excess of the fair market value of the shares at the date such restrictions lapse over the purchase price. If a timely election is made

Table of Contents

under Section 83(b) with respect to restricted stock, the participant generally will recognize ordinary income on the date of the issuance equal to the excess, if any, of the fair market value of the shares at that date over the purchase price of such shares, and we will be entitled to a deduction for the same amount. Participants may only make an 83(b) election with the consent of the Administrator.

Stock Appreciation Rights. A participant will not be taxed upon the grant of a stock appreciation right. Upon the exercise of the stock appreciation right, the participant will recognize ordinary income equal to the amount of cash or the fair market value of the stock received upon exercise. At the time of exercise, BioMed will be eligible for a tax deduction as a compensation expense equal to the amount that the participant recognizes as ordinary income.

LTIP Units. LTIP unit awards that constitute profits interests within the meaning of the Code and published Internal Revenue Service guidance will generally not be taxed at the time of grant, though the holder will be required to report on his income tax return his allocable share of the Operating Partnership's income, gain, loss, deduction and credit, regardless of whether the Operating Partnership makes a distribution of cash. Instead, LTIP units are generally taxed upon a disposition of the LTIP units or distributions of money to the extent that such amounts received exceed the basis in the LTIP units. Generally, no deduction is available to us upon the grant, vesting or disposition of the LTIP units.

If LTIP units are granted to a recipient who is an employee, the issuance of those units may cause wages paid to the recipient to be characterized and subject to taxation as self-employment income. If treated as a self-employed partner, the recipient will be required to make quarterly income tax payments rather than having amounts withheld by us. Additionally, if self-employed, the recipient must pay the full amount of all FICA employment taxes on the employee's compensation, whereas regular employees are only responsible for 50% of these taxes. To date, the Internal Revenue Service has not issued definitive guidance regarding the treatment of wages paid to partner-employees.

Other Stock Awards and Performance Bonus Awards. The participant will have ordinary income upon receipt of stock or cash payable under performance awards, dividend equivalents, restricted stock units and stock payments. BioMed will be eligible for a tax deduction as a compensation expense equal to the amount of ordinary income recognized by the participant.

Section 162(m) of the Code. In general, under Section 162(m), income tax deductions of publicly-held corporations may be limited to the extent total compensation (including base salary, annual bonus, stock option exercises and non-qualified benefits paid) for specified executive officers exceeds \$1 million (less the amount of any excess parachute payments as defined in Section 280G of the Code) in any one year. However, under Section 162(m), the deduction limit does not apply to certain qualified performance-based compensation established by an independent compensation committee which conforms to certain conditions stated under the Code and related regulations. Options and stock appreciation rights granted by the compensation committee under the Restated Plan are intended to qualify as qualified performance-based compensation under Section 162(m) of the Code. The Restated Plan has been structured with the intent that certain other awards granted under the Restated Plan may, in the discretion of the compensation committee, be structured so as to qualify for the qualified performance-based compensation exception to the \$1 million annual deductibility limit of Section 162(m) of the Code.

Section 409A of the Code. Certain types of awards under the Restated Plan may constitute, or provide for, a deferral of compensation under Section 409A of the Code. Unless certain requirements set forth in Section 409A are complied with, holders of such awards may be taxed earlier than would otherwise be the case (e.g., at the time of vesting instead of the time of payment) and may be subject to an additional 20% federal penalty tax (and, potentially, certain interest penalties). To the extent applicable, the Restated Plan and awards granted under the Restated Plan will be structured and interpreted to comply with Section 409A of the Code and the Treasury Regulations and other interpretive guidance that may be issued pursuant to Section 409A of the Code.

If a plan award is subject to and fails to satisfy the requirements of Section 409A, the recipient of that award may recognize the compensation deferred under the award as ordinary income when such amounts are vested, which may be prior to when the compensation is actually or constructively received. Also, if an award that is subject

Table of Contents

to Section 409A fails to comply, Section 409A imposes an additional 20% federal income tax on the deferred compensation recognized as ordinary income, as well as interest on such deferred compensation.

Plan Benefits

Under the 2004 Plan, our executive officers have received the following equity awards:

Alan D. Gold, our Chief Executive Officer, has received 311,667 shares of restricted stock and 175,000 LTIP units; Kent Griffin, our President, Chief Operating Officer and Chief Financial Officer, has received 153,881 shares of restricted stock and 63,882 LTIP units; Gary A. Kreitzer, our Executive Vice President and General Counsel, has received 82,333 shares of restricted stock and 80,879 LTIP units; and Matthew G. EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

This section provides an overview and analysis of our compensation program and policies, the material compensation decisions we have made under those programs and policies with respect to our Named Executive Officers, and the material factors that we considered in making those decisions. Our Named Executive Officers include:

Alan D. Gold, our Chairman and Chief Executive Officer,

Kent Griffin, our President, Chief Operating Officer and Chief Financial Officer,

Gary A. Kreitzer, our Executive Vice President and General Counsel,

Matthew G. McDevitt, our Executive Vice President, Acquisitions and Leasing, and

John F. Wilson, II, our Executive Vice President, who retired from our company on December 31, 2008, and, as a result, did not participate in our compensation committee's executive compensation and performance reviews for 2008.

On December 15, 2008, Mr. Griffin was promoted to the position of President and Chief Operating Officer, and continues to serve as our Chief Financial Officer. In connection with Mr. Griffin's promotion, Mr. Gold relinquished his title of President and continues to serve as our Chairman and Chief Executive Officer.

Executive Compensation Program Overview

Our executive compensation program is administered under the direction of the compensation committee of the board of directors. The responsibilities of the compensation committee are more fully described under Election of Directors Information Regarding the Board Committees of the Board Compensation Committee.

Objectives of Our Executive Compensation Program. Our executive compensation program is designed to meet the following objectives:

to attract, retain and motivate executives with superior ability, experience and leadership capability by providing compensation that is competitive relative to the compensation paid to similarly situated executives of our peer companies,

to reward individual achievement appropriately and promote individual accountability to deliver on our business objectives, and

to enhance BioMed's long-term financial performance and position, and thus stockholder value, by significantly aligning the financial interests of our executives with those of our stockholders.

Table of Contents

To accomplish these objectives, our executive compensation program primarily includes:

annual base salaries, intended to provide a stable annual income at a level that is consistent with the individual executive officer's role and contribution to the company,

bonuses, intended to link each executive officer's compensation to our overall financial and operating performance and the officer's performance versus established goals and objectives for a particular year, and

long-term incentives through equity-based compensation, including restricted stock and LTIP unit grants, intended to further promote retention through time-based vesting, to significantly align the financial interests of our executives with those of our stockholders and to encourage actions that maximize long-term stockholder value.

Each of our executive officers is also entitled to certain benefits upon a change of control of the company or upon his or her termination from the company without cause or for good reason, including severance benefits and full vesting of all long-term incentives held by the officer. We provide these benefits to our executive officers in order to give them the personal security and stability necessary for them to focus on the performance of their duties and responsibilities to us, and in order to attract and retain executives as we compete for talented employees in a marketplace where such protections are commonly offered. These items are described under Employment Agreements and Potential Payments Upon Termination or Change in Control.

Determination of Compensation Awards

The compensation committee annually reviews and determines the total compensation to be paid to our executive officers.

Role of Management. Mr. Gold, our Chief Executive Officer, makes recommendations and presents analyses to the compensation committee based on its requests. He also discusses with the committee:

the company's and its peers' performance,

the financial and other impacts of proposed compensation changes on our business,

peer group data, and

the performance of the other executives, including information on how he evaluates the other executives' individual and business unit performances.

Mr. Gold attends compensation committee meetings, but he does not attend the portion of compensation committee meetings intended to be held without members of management present, or any deliberations relating to his own compensation. Mr. Griffin, our President, Chief Operating Officer and Chief Financial Officer, when directed accordingly, also provides information on the company's and its peers' performance and evaluates the financial implications of compensation committee actions under consideration and provides related information.

Competitive Market Data and Compensation Consultant. The compensation committee has retained FPL Associates to provide executive compensation advisory services. Neither the compensation committee nor the company has any other professional relationship with FPL Associates, except that Ferguson Partners Ltd., an affiliate of FPL Associates, was also retained in connection with our identification and review of potential board candidates in 2007.

In connection with the compensation committee's year-end 2008 compensation review and determinations, FPL Associates provided data regarding market practices and provided advice regarding executive annual base salaries, bonuses and long-term incentive compensation, consistent with our compensation philosophies and objectives.

In determining compensation for our executive officers, the compensation committee utilizes data and surveys provided by FPL Associates of the companies in our peer groups and examines each peer company's performance and the compensation elements and levels provided to their executive officers. The compensation committee then carefully evaluates our corporate performance and generally determines whether the compensation elements and levels that we provide to our executive officers are appropriate relative to the compensation elements and levels

Table of Contents

provided to their counterparts at our peer companies, in light of each executive officer's individual and business unit performance and contributions.

The compensation committee, with input from the compensation consultant and management, annually reviews the composition of the peer groups and the criteria and data used in compiling the peer group lists, and makes appropriate modifications to account for certain factors such as peer company size, market capitalization, asset focus and growth statistics. The compensation committee does not consider the methodology that each peer company employs in making compensation decisions as a factor in selecting the companies for inclusion in the peer group.

For 2008, the compensation committee utilized two peer groups of real estate companies, including the office peer group and the size-based peer group. The office peer group consisted of nine public real estate investment trusts, or REITs, focused primarily on the development, ownership and operation of office properties, having individual total capitalizations in the range of \$3.0 billion to \$8.8 billion, with a median total capitalization of \$5.0 billion, as of June 30, 2008. The office peer group included the following companies:

| | |
|---------------------------------------|------------------------------|
| Alexandria Real Estate Equities, Inc. | Highwoods Properties, Inc. |
| Brandywine Realty Trust | Kilroy Realty Corporation |
| Corporate Office Properties Trust | Mack-Cali Realty Corporation |
| Douglas Emmett, Inc. | Maguire Properties, Inc. |
| Duke Realty Corporation | |

The size-based peer group included 15 public REITs which develop, own and operate properties for varying types of uses, having individual total capitalizations in the range of \$2.3 billion to \$6.1 billion, with a median total capitalization of \$3.0 billion, as of June 30, 2008. The size-based peer group included the following REITs:

| | |
|---------------------------------------|---|
| Alexandria Real Estate Equities, Inc. | Highwoods Properties, Inc. |
| Brandywine Realty Trust | Kilroy Realty Corporation |
| BRE Properties, Inc. | National Retail Properties, Inc. |
| Colonial Properties Trust | PS Business Parks, Inc. |
| Corporate Office Properties Trust | Realty Income Corporation |
| DCT Industrial Trust Inc. | Strategic Hotels & Resorts, Inc. |
| FelCor Lodging Trust Incorporated | Washington Real Estate Investment Trust |
| First Industrial Realty Trust, Inc. | |

Certain peers with characteristics within the two peer groups were not selected due to company size and merger and acquisition activity.

Although the compensation committee obtains and reviews compensation data from the company's peers, it does not believe that it is appropriate to establish compensation levels based solely on benchmarking. Instead, the compensation committee relies upon its judgment in making compensation decisions, after reviewing the specific performance criteria of the company and carefully evaluating an executive officer's individual performance during the year and, for executive officers other than Mr. Gold, business unit performance during the year, each as more specifically described below.

Based on the performance of the company and our executive team, the compensation committee sought to target total compensation for 2008 for our executive officers at a level that was generally at or near the 75th percentile of the total compensation paid in 2007 (the most recent data available at that time) to executives holding comparable positions

within the size-based peer group and at or near the 50th percentile of the total compensation paid in 2007 to executives holding comparable positions within the office peer group. The committee compared the executive compensation programs as a whole and also compared the pay of individual executives if the positions were sufficiently similar to make the comparisons meaningful. The compensation committee also sought to allocate total compensation between cash and equity compensation based on a number of factors, including the compensation mix of our peer group companies, total compensation targets, and the guidelines and requirements established in the executives' employment agreements at the time of BioMed's formation for base

Table of Contents

salaries and bonus ranges. However, the compensation committee does not have a stated policy regarding the mix of our executive officers' compensation between cash and equity compensation. Instead, the compensation committee strives to strike an appropriate balance among base salary, annual bonus and long-term incentives, and it may adjust the allocation of pay in order to facilitate the achievement of BioMed's objectives or remain competitive in the market for executive talent.

Performance Measures. The compensation committee evaluates the executive officers based on three performance measures:

- individual performance,
- business unit performance (except for Mr. Gold), and
- corporate performance.

The three performance measures are accorded different weights depending on the executive officer and whether the compensation being evaluated is the annual bonus or long-term equity incentive compensation. The weightings are described in further detail under Elements of the Executive Compensation Program-Annual Bonuses and Elements of the Executive Compensation Program Long-Term Incentives Restricted Stock and LTIP Unit Awards.

Individual Performance. In the beginning of each year, our Chief Executive Officer, with input from the individual executives, sets certain goals and expectations for each executive officer, tailored to the executive's specific role within and expected contribution to the company as well as developmental requirements. These goals and expectations are generally subjective in nature and relate primarily to:

- driving execution of BioMed's business plan and the success of the company as a whole (without singularly focusing on achieving only the specific objectives within that officer's area of responsibility),
- demonstrated individual leadership skills,
- continuous self-development,
- teamwork,
- fostering effective communication and coordination across company departments,
- developing and motivating employees to achieve high performance,
- cultivating employees' engagement and alignment with our company's core values, and
- adaptability and flexibility to changing circumstances.

While the compensation committee focuses on evaluating individual performance in the context of an overall effective manager, performance relative to the individual goals listed above generally requires a subjective evaluation, and the compensation committee may emphasize certain goals over others in its discretionary decision-making that do not lend themselves to a formulaic approach.

Business Unit Performance. In the beginning of each year, our Chief Executive Officer, as a result of an extensive process involving analyses and discussions with management, sets certain goals and expectations for individual

business units, which include, for example:

operating business units within the established budgets,

controlling general and administrative costs,

executing on acquisition and development programs according to plans,

achieving financing milestones and the optimal mix of borrowing designed to protect our long-term financial stability,

strengthening operational, budgeting and management processes, and

developing and managing the successful execution of appropriate leasing strategies.

Table of Contents

Although more objectively quantifiable than individual performance evaluations, business unit performance goals are still both quantitative and qualitative in nature, and the compensation committee exercises discretion in making business unit performance determinations by emphasizing certain goals over others and taking into account general business environment considerations with respect to each goal, including changes in the business environment that have occurred between when the goals were originally set and when the evaluation is conducted.

Corporate Performance.

Corporate Performance as a Component of Annual Bonus Determination. As a component in determining the executive officers' annual bonuses, our company's corporate performance is evaluated based on two criteria:

the achievement of per share funds from operations, or FFO, within the annual guidance range generally provided on the third quarter earnings press release of the preceding year, as adjusted for any stock splits, stock offerings or similar transactions, and

the achievement of two to three percent year-over-year growth in cash basis same property net operating income, or NOI.

Our methodology for calculating FFO is described in detail in our Annual Report on Form 10-K for the year ended December 31, 2008 in Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations—Funds from Operations. We compute NOI by adding or subtracting certain items from net income, including minority interest in the operating partnership, gains or losses from investment in unconsolidated partnerships, interest expense, interest income, depreciation and amortization, and general and administrative expenses. We use NOI as a performance measure because it reflects only those income and expense items that are incurred at the property level.

In evaluating the achievement of these corporate performance goals, the compensation committee may exercise its discretion whether or not to make certain adjustments based on non-recurring events during the year.

Corporate Performance as a Component of Long-Term Equity Incentive Determination. As a component in determining the executive officers' long-term equity incentive awards, our company's corporate performance is evaluated based on stockholder performance, which can be divided into two categories:

the company's absolute total stockholder return for the year, which is calculated based on a combination of total dividend return and the change in common share price during the year, as adjusted for any stock splits, stock offerings or similar transactions, with an annual target absolute total stockholder return of nine percent, and

the company's total stockholder return as compared to the MSCI US REIT Index, or RMZ.

We use total stockholder return as a long-term incentive award criteria because we believe it further aligns the interests of the executive to stockholder interests. In evaluating the achievement of these corporate performance goals, the compensation committee may exercise its discretion whether or not to make certain adjustments based on general equity market conditions.

Elements of the Executive Compensation Program

The compensation committee carefully reviews the corporate performance of the company and individual and business unit performances of the executive officers to determine the appropriate level of total compensation for the

executive officers, while also taking into consideration how each executive officer's total compensation compares to other similarly situated executives in the peer companies as described above. In addition, the compensation committee seeks to optimally allocate total compensation among its various components, which include base salary, bonus and long-term equity incentive compensation, based on the criteria as described below.

Base Salary

The initial base salary for each executive officer is provided in the employment agreement between BioMed and such officer, as described below under Potential Payments Upon Termination or Change in Control, subject to annual increases based on increases in the consumer price index and further increases in the discretion of

Table of Contents

the board of directors or compensation committee. In determining base salary increases, the compensation committee considered each executive officer's individual performance and business unit performance, as well as the company's overall performance, market conditions and competitive salary information.

In connection with the annual review of their performance, in January 2008, the compensation committee approved increases to the annual base salaries of our executive officers, effective January 1, 2008, with Mr. Gold's annual base salary increased 5% to \$472,500, each of Messrs. Wilson's, Griffin's and McDevitt's annual base salary increased 5% to \$313,500, and Mr. Kreitzer's annual base salary increased 5% to \$157,500.

In connection with the annual compensation review in January 2009, the compensation committee decided not to increase the annual base salaries of our executive officers. Messrs. Gold, Griffin and McDevitt also each waived their rights under their employment agreements to receive a consumer price index adjustment in their annual base salary for 2009. In addition, pursuant to an amendment to his employment agreement, Mr. Kreitzer's annual base salary was set at \$100,000 for 2009.

Annual Bonuses

Our annual executive bonus program is intended to reward our executive officers for individual achievement in supporting the fulfillment of corporate objectives for the year, including financial and operating performance goals. Each Named Executive Officer's annual bonus (other than Mr. Kreitzer) is also based in part on their employment agreements, which provide for annual bonus ranges as a percentage of base salary of 50% to 200% for Mr. Gold and 50% to 150% for each of Messrs. Griffin and McDevitt.

In determining the executive officers' respective annual bonuses, the compensation committee primarily considers the corporate performance of the company, while also taking into consideration the respective individual performances of each of the executive officers and the respective business unit performances for each of Messrs. Griffin and McDevitt. The company's corporate performance is assessed through the evaluation of the company's FFO per diluted share and same property cash NOI results, with FFO per diluted share weighted approximately twice as much as same property cash NOI.

The following is a brief analysis of the compensation committee's deliberations regarding individual and business unit performance on an executive by executive basis:

Mr. Gold. Mr. Gold, as our Chief Executive Officer, is responsible for the overall management and stewardship of the company, including focusing on broader, longer-term corporate strategies. In its evaluation of Mr. Gold's individual performance, the compensation committee noted the following accomplishments:

- successfully guiding the company through a difficult economic environment to achieve strong overall operating results in 2008,

- providing key leadership in the continual development of our strategy to ensure that stockholder value is maximized over the long-term, particularly with respect to:

 - raising capital and maintaining our strong long-term financial stability,

 - developing an aggressive leasing strategy to maximize the value of our properties,

 - driving the cost effective construction of our development and redevelopment properties, and

providing cost effective operational services to our tenants to meet their changing needs,

providing highly valuable guidance to the other executives and employees and effectively fostering an environment of dedicated professionalism and hard work, and

maintaining the right tone at the top and creating a culture of strong corporate governance, transparency and ethics.

Mr. Griffin. Mr. Griffin, as our President, Chief Operating Officer and Chief Financial Officer, is responsible for the day-to-day execution of our corporate strategy. Mr. Griffin served as our Chief Financial Officer throughout 2008, having been promoted to serve the additional role of President and Chief Operating Officer in December

Table of Contents

2008. As a result, Mr. Griffin's role and responsibilities within the company have expanded. In its evaluation of Mr. Griffin's individual performance and business unit performance, the compensation committee noted the following accomplishments:

working with the Chief Executive Officer and our board of directors to effectively manage capital requirements, including anticipated near-term debt maturities,

playing a key role in two successful public offerings of our common stock in April 2008 and October 2008, raising over \$360 million in net proceeds,

increasing engagement with the board of directors beyond financial matters,

increasing exposure within our investor and analyst communities,

increasing management of the company's day-to-day to operations, including:

raising capital and maintaining our strong long-term financial stability,

the management of property operations within budget,

the effective control of general and administrative expenses, and

improving efficiency and accuracy in the budgetary processes, and

fostering increased coordination and communication across our functional departments.

Mr. McDevitt. Mr. McDevitt, as our Executive Vice President, Acquisitions and Leasing, is tasked with implementing and managing the execution of leasing and acquisition strategies on a company-wide basis. In its evaluation of Mr. McDevitt's individual performance, the compensation committee noted the following accomplishments:

managing the regional leasing teams in the execution of approximately 848,000 square feet of new leases, lease extensions and renewals in 2008, in the context of challenging market conditions,

providing key mentorship, guidance and support of leasing and acquisitions team members as they assume greater responsibilities and leadership for executing the company's strategy, and

continuing to establish strong relationships with major life science companies with significant space requirements, including through lease renewals and expansions with existing tenants, the execution of leases with new tenants and the development of ties with prospective tenants.

Mr. Kreitzer. Mr. Kreitzer, our Executive Vice President and General Counsel, served in such capacity at 50% of a full-time work schedule in 2008. Mr. Kreitzer oversaw the legal department in 2008, including the supervision of the Vice President, Legal and Vice President, Real Estate Counsel. Mr. Kreitzer also continues to serve as a member of the board of directors of the company, and provides his guidance and leadership with respect to the company's long-term strategy.

In terms of corporate performance criteria, we achieved an FFO per diluted share of \$1.82 for 2008. As adjusted for the company's stock issuances in April 2008 and October 2008, the exchangeable notes repurchases in the fourth quarter of 2008, an ineffectiveness charge on certain forward-starting swaps and the retirement of an executive officer

in the fourth quarter of 2008, we achieved an estimated FFO per diluted share of \$1.93 for 2008, which was two cents above the mid-point of the guidance range of \$1.91 disclosed in our third quarter 2007 earnings press release in November 2007. In addition, we achieved same property cash NOI year-over-year growth of 3.7% in the fourth quarter of 2008, which was 1.2% above the 2.5% targeted mid-point of the compensation committee's two to three percent range.

The specific amounts of the bonuses awarded to our Named Executive Officers for the 2008 fiscal year are reflected in the Summary Compensation Table. The bonuses for Messrs. Gold and McDevitt were below the midpoint of the annual bonus ranges in their respective employment agreements, and Mr. Griffin's bonus was slightly above the midpoint of the annual bonus range in his employment agreement. These bonuses for the 2008

fiscal year also were approximately 53%, 42% and 59% lower than the annual bonuses received for the 2007 fiscal year for Messrs. Gold, Griffin and McDevitt, respectively.

Long-Term Incentives Restricted Stock and LTIP Unit Awards

Long-term incentive awards are designed to increase senior management's stock ownership in BioMed, to directly align employee compensation with the interests of our stockholders and to encourage actions that maximize long-term stockholder value. Our long-term incentive awards generally vest over three to five years, thereby providing an incentive for the grantee to remain with BioMed, and dividends are paid on the entirety of the grant from the date of the grant.

The compensation committee has historically provided a set dollar amount of long-term equity incentive awards that may be granted to executives and other employees, which was established annually by the committee based on a variety of factors, including the number of executives and key employees, the previous year's pool size, peer company pool allotments and the general performance of the company. The total equity incentive award pool available for the 2008 year-end grants was set by the compensation committee at ten million dollars. Executives are generally allocated 60% of the pool, while other key employees are allocated the remaining 40% of the pool. While the compensation committee can grant up to the amount authorized in the equity incentive award pool, the committee takes into consideration the individual and business unit performance measures, business environment, competitive salary environment and company performance and impact to determine grants, which may result in the compensation committee granting less than the authorized amount.

The compensation committee has determined that for future years it will base the size of the equity incentive award pool on the committee's review of the company's financial performance, with an emphasis on the company's performance in generating cash flow available to pay dividends to its stockholders, in addition to the company's absolute total stockholder performance and relative total stockholder performance, as described in *Determination of Compensation Awards Performance Measures Corporate Performance Corporate Performance as a Component of Long-Term Equity Incentive Determination*. The compensation committee believes that determining the growth of the equity incentive award plan based on stockholder performance is appropriate, because, as stated before, it further aligns the interests of our executives and employees with the long-term total return goals of our stockholders. The committee believes that the level of cash flow available to pay dividends to its stockholders is also an appropriate component of the pool calculation, as such cash flow represents a broader consideration of financial position and performance than other discrete financial metrics, and dividends represent real return of value to stockholders, are extensively reviewed and approved by the full board of directors and generally normalize for one-time events.

In determining the executive officers' respective long-term incentive awards, the compensation committee primarily considers the corporate performance of the company, while also taking into consideration the respective individual performances of each of the executive officers and the respective business unit performances for each of Messrs. Griffin and McDevitt. The company's corporate performance is measured by the absolute total stockholder return and relative stockholder return of the company, with each given equal weighting. In addition, the compensation committee may adjust the amounts of long-term incentive awards to avoid significant year-over-year fluctuations, to achieve targeted total compensation in light of salary levels and cash bonus awards, and to take into consideration peer company practices and the awards' goals of long term performance and retention of highly talented executives.

BioMed's absolute total stockholder return for 2008 was (45.5%), and the RMZ's total stockholder return for 2008 was (38.0%). BioMed's relative total stockholder return underperformed the RMZ's total stockholder return by 7.5%.

For the 2008 fiscal year, in January 2009, Mr. Gold was granted 175,000 shares of restricted stock, Mr. Griffin was granted 90,000 shares of restricted stock, Mr. McDevitt was granted 60,000 shares of restricted stock, and

Mr. Kreitzer was granted 3,000 shares of restricted stock. In total, the Named Executive Officers received \$3.6 million of the \$6.0 million available under the executive pool for 2008. These awards were based upon the compensation committee's consideration of the foregoing factors, as well as the committee's assessment of the economic environment, the company's share price, the number and dollar value of prior equity awards granted to the

Table of Contents

executives, and the total compensation to the executives in absolute terms and with reference to the total compensation paid to similarly situated executives at the company's peers. The awards vest at a rate of 25% per year for Messrs. Gold, Griffin and McDevitt and vest approximately one year after the date of grant for Mr. Kreitzer. The equity incentive awards granted to our Named Executive Officers in 2008 are reflected in the Grants of Plan-Based Awards table.

Equity Grant Practices

The annual awards of unvested restricted stock and LTIP units are typically granted to our executive officers at the compensation committee's regularly scheduled meeting in the first quarter of each year. Such equity awards are effective upon grant. Board and committee meetings are generally scheduled at least a year in advance. Scheduling decisions are made without regard to anticipated earnings or other major announcements by the company. We have not awarded any stock options.

Other Benefits

We provide benefits such as a 401(k) plan, medical, dental and life insurance and disability coverage for all of our employees, including our executive officers. We also provide personal paid time off and other paid holidays to all employees, including the executive officers, which are similar to those provided at comparable companies. In addition, under the terms of the executive officers' employment agreements described below, we provide reimbursement for the premiums for long-term disability and life insurance policies and car allowances. We believe that our employee benefit plans are an appropriate element of compensation, are competitive within our peer group companies and are necessary to attract and retain employees.

Employment Agreements

In order to specify our expectations with regard to our executive officers' duties and responsibilities and to provide greater certainty with regard to the amounts payable to our executive officers in connection with certain terminations or change in control events, our board of directors has approved and we have entered into employment agreements with each of our executive officers, which are described in more detail under Potential Payments Upon Termination or Change in Control below.

Tax Deductibility of Executive Compensation

The compensation committee considers the anticipated tax treatment to the company and the executive officers in its review and establishment of compensation programs and payments. The deductibility of some types of compensation payments can depend upon the timing of the executive's vesting or exercise of previously granted rights. Interpretations of and changes in applicable tax laws and regulations as well as other factors beyond the committee's control also can affect deductibility of compensation. The committee's general policy is to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals. Accordingly, the compensation committee has not adopted a policy that all compensation must be deductible.

Employment Agreements

Except as provided below, all of the employment agreements with our executive officers contain substantially similar terms. We believe that the employment agreements offer competitive terms and are appropriate to attract and retain individuals at the executive officer level.

Table of Contents

We entered into employment agreements, effective as of August 6, 2004, with Messrs. Gold, Kreitzer, McDevitt and Wilson and an employment agreement, effective as of March 27, 2006, with Mr. Griffin. On December 14, 2007, we entered into amended and restated employment agreements with Messrs. Gold, Griffin, Kreitzer, McDevitt and Wilson, all of which were further amended on December 15, 2008. The primary purpose of the amendments to the amended and restated employment agreements is to reflect the promotion of Mr. Griffin to President, Chief Operating Officer and Chief Financial Officer and the relinquishment of the title of President by Mr. Gold that occurred on December 15, 2008, and to ensure that certain payments to be made pursuant to the employment agreements will be exempt from or comply with the requirements of Section 409A of the Code. In addition, the amendment to Mr. Kreitzer's amended and restated employment agreement provided that Mr. Kreitzer would receive an annual base salary of \$100,000 commencing on January 1, 2009. In connection with his retirement, we entered into an Employment Transition and Consulting Agreement with Mr. Wilson, under which his employment agreement was terminated effective as of December 31, 2008.

The employment agreements provide for Mr. Gold to serve as our Chairman and Chief Executive Officer, Mr. Griffin to serve as our President, Chief Operating Officer and Chief Financial Officer, Mr. Kreitzer to serve as our Executive Vice President and General Counsel, and Mr. McDevitt to serve as our Executive Vice President, Acquisitions and Leasing. These employment agreements require Messrs. Gold, Griffin, Kreitzer and McDevitt, as applicable, to devote such attention and time to our affairs as is necessary for the performance of their duties (provided that, in the case of Mr. Kreitzer, he is not required to devote more than 50% of a full-time work schedule), but also permit them to devote time to their outside business interests consistent with past practice. Under the employment agreements with Messrs. Gold and Kreitzer, we will use our best efforts to cause Mr. Gold to be nominated and elected as Chairman of our board of directors and Mr. Kreitzer to be nominated and elected as a member of our board of directors.

Each of the employment agreements with Messrs. Gold, Griffin, Kreitzer and McDevitt has a term of one year and provides for automatic one-year extensions thereafter, unless either party provides at least six months' notice of non-renewal.

The employment agreements provide for:

initial annual base salaries, subject to annual increases based on increases in the consumer price index and further increases in the discretion of our board of directors or the compensation committee of our board of directors,

eligibility for annual cash performance bonuses, based on the satisfaction of performance goals established by our board of directors or the compensation committee of our board of directors,

participation in other incentive, savings and retirement plans applicable generally to our senior executives,

medical and other group welfare plan coverage and fringe benefits provided to our senior executives,

payment of the premiums for a long-term disability insurance policy which will provide benefits equal to at least 60% of an executive's annual base salary,

payment of the premiums for a \$1 million term life insurance policy, and

monthly payments of \$750 (\$1,000 in the case of Mr. Gold and \$375 in the case of Mr. Kreitzer) for an automobile allowance.

Each executive, other than Mr. Kreitzer, has a minimum annual cash bonus equal to 50% of base salary. Mr. Gold's annual cash bonus may be up to 200% of his base salary. Messrs. Griffin and McDevitt may have annual cash bonuses up to 150% of their base salary.

The employment agreements provide that, if an executive's employment is terminated by us without cause or by the executive for good reason (each as defined in the applicable employment agreement), the executive will be

Table of Contents

entitled to the following severance payments and benefits, subject to his execution and non-revocation of a general release of claims:

an amount, which we refer to as the severance amount, equal to the sum of the then-current annual base salary plus average bonus over the prior three years, multiplied by:

with respect to Messrs. Gold, Griffin and Kreitzer, three, or

with respect to Mr. McDevitt, one,

50% of which amount shall be paid in a lump sum within ten days of the date that the executive's general release of claims becomes non-revocable, and the remaining 50% of which amount will be paid in a lump sum on March 1 of the year following the calendar year when the termination occurs,

an amount equal to the premiums for long-term disability insurance and life insurance for 12 months, which shall be paid in a lump sum within ten days of the date that the executive's general release of claims becomes non-revocable,

health benefits for 18 months following the executive's termination of employment at the same level as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer,

up to \$15,000 worth of outplacement services at our expense, and

100% of the unvested stock options held by the executive will become fully exercisable and 100% of the unvested restricted stock held by such executive will become fully vested.

Under the employment agreements, we agree to make an additional tax gross-up payment to the executive if any amounts paid or payable to the executive would be subject to the excise tax imposed on certain so-called "excess parachute payments" under Section 4999 of the Code. However, if a reduction in the payments and benefits of 10% or less would render the excise tax inapplicable, then the payments and benefits will be reduced by such amount, and we will not be required to make the gross-up payment.

Each employment agreement provides that, if the executive's employment is terminated by us without cause or by the executive for good reason within one year after a "change in control" (as defined in the applicable employment agreement), then the executive will receive the above benefits and payments as though the executive's employment was terminated without cause or for good reason. However, the severance amount shall be paid in a lump sum.

Each employment agreement also provides that the executive or his estate will be entitled to certain severance benefits in the event of his death or disability. Specifically, each executive or, in the event of the executive's death, his beneficiaries, will receive:

an amount equal to the then-current annual base salary,

health benefits for the executive and/or his eligible family members for 12 months following the executive's termination of employment, and

in the event the executive's employment is terminated as a result of his disability, we will pay, in a single lump sum payment, an amount equal to 12 months of premiums on the long-term disability and life insurance

policies described above.

The employment agreements also contain standard confidentiality provisions, which apply indefinitely, and non-solicitation provisions, which apply during the term of the employment agreements and for any period thereafter during which the executive is receiving payments from us.

2004 Incentive Award Plan

We have adopted the 2004 Incentive Award Plan of BioMed Realty Trust, Inc. and BioMed Realty, L.P., which is described above under Proposal 3.

The actual amounts to be paid out can only be determined at the time of such executive's separation from the company. In the event of a termination by the company for cause or by the executive without good reason, including in connection with a change in control, such executive would not be entitled to any of the amounts reflected in the table. In connection with his retirement, we entered into an Employment Transition and Consulting Agreement with Mr. Wilson, under which his employment agreement was terminated effective as of December 31, 2008.

- (1) In the event the executive's employment is terminated without cause or for good reason, other than within one year after a change in control, 50% of the severance payment will be paid in a lump sum within ten days of the date that the executive's general release of claims becomes non-revocable and the remaining 50% will be paid in a lump sum on March 1 of the year following the calendar year during which the termination occurs. If the executive's employment is terminated without cause or for good reason within one year after a change in control, the severance payment is paid in a single lump sum. The severance payment is an amount equal to the sum of the then-current annual base salary plus average bonus over the prior three years (or such lesser number of years as the executive has been employed by us), multiplied by (a) with respect to Messrs. Gold, Kreitzer and Griffin, three, or (b) with respect to Mr. McDevitt, one. The calculations in the table are based on the annual base salary on December 31, 2008 and an averaging of the bonuses paid in 2007, 2008 and 2009.
- (2) This column assumes permanent disability (as defined in the existing employment agreements) for each executive at December 31, 2008.
- (3) For purposes of this calculation, each executive's total unvested equity awards, including restricted stock and LTIP units, on December 31, 2008 are multiplied by the closing market price of our common stock at December 31, 2008 of \$11.72.
- (4) If the executive's employment is terminated without cause or for good reason, this figure represents the amount needed to pay for health benefits for the executive and his eligible family members for 18 months following the executive's termination of employment at the same level as in effect immediately preceding such termination. If the executive's employment is terminated by reason of the executive's death or disability, this figure represents the amount needed to pay for health benefits for the executive and his eligible family members for 12 months following the executive's termination of employment at the same level as in effect immediately preceding such termination.
- (5) Represents the amount needed to pay, in a single lump sum, for premiums for long-term disability and life insurance for 12 months at the levels in effect for each executive officer as of December 31, 2008.
- (6) Under the employment agreement of each executive, we agree to make an additional tax gross-up payment to the executive if any amounts paid or payable to the executive would be subject to the excise tax imposed on certain so-called excess parachute payments under Section 4999 of the Code. However, if a reduction in the payments and benefits of 10% or less would render the excise tax inapplicable, then the payments and benefits will be reduced by such amount and we will not be required to make the gross-up payment.

Audit Committee Report

The audit committee of the board of directors of BioMed Realty Trust, Inc., a Maryland corporation, oversees BioMed's financial accounting and reporting processes and the audits of the financial statements of BioMed. All committee members satisfy the definition of independent director set forth in the listing standards of the New York Stock Exchange. The board of directors adopted a written charter for the audit committee on August 6, 2004, a copy of which is available on BioMed's website at www.biomedrealty.com.

In fulfilling its oversight responsibilities, the committee reviewed and discussed with management the audited financial statements in the Annual Report on Form 10-K, including a discussion of the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

BioMed's independent registered public accounting firm, KPMG LLP, is responsible for expressing an opinion on the conformity of its audited financial statements with generally accepted accounting principles. KPMG LLP met with the committee and expressed its judgment as to the quality, not just the acceptability, of BioMed's accounting principles and discussed with the committee other matters as required under generally accepted auditing standards, including those matters required under Statement on Accounting Standards No. 114 (The Auditor's Communication with Those Charged with Governance) or the Codification of Statements on Auditing Standards, AU Section 380. In addition, KPMG LLP discussed the auditors' independence from BioMed and from BioMed's management and delivered to the audit committee the written disclosures and the letter satisfying the applicable requirements of the Public Company Accounting Oversight Board regarding the auditors' communications with the audit committee concerning independence.

The committee discussed with BioMed's independent registered public accounting firm the overall scope and plan of its audit. The committee meets with the independent registered public accounting firm, with and without our management present, to discuss the results of its examinations, its evaluations of our internal controls and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the committee has recommended that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the Securities and Exchange Commission.

This report of the audit committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

The foregoing report has been furnished by the audit committee.

RELATED PARTY TRANSACTIONS

We have adopted a written policy regarding the review, approval and ratification of any related party transaction. Under this policy, our audit committee will review the relevant facts and circumstances of each related party transaction, including if the transaction is on terms comparable to those that could be obtained in arm's-length dealings with an unrelated third party and the extent of the related party's interest in the transaction, and either approve or disapprove the related party transaction. Any related party transaction shall be consummated and shall continue only if the audit committee has approved or ratified the transaction in accordance with the guidelines set forth in the policy. For purposes of our policy, a Related Party Transaction is a transaction, arrangement or relationship (or any series of

similar transactions, arrangements or relationships) requiring disclosure under Item 404(a) of Regulation S-K promulgated by the Securities and Exchange Commission, or any successor provision, as then in effect, except that the \$120,000 threshold stated therein shall be deemed to be \$60,000.

Formation Transactions and Contribution of Properties

BioMed Realty Trust, Inc. was formed as a Maryland corporation on April 30, 2004. We also formed our operating partnership, BioMed Realty, L.P., as a Maryland limited partnership on April 30, 2004. In connection with our initial public offering in August 2004, we acquired interests in six properties through our operating partnership that were previously owned by limited partnerships and a limited liability company in which Messrs. Gold, Kreitzer, McDevitt and Wilson, entities affiliated with them, and private investors and tenants who are not affiliated with them owned interests.

Contribution Agreements

We received the interests in the properties contributed by our executive officers and their affiliates under contribution agreements with the individuals or entities that held those interests. Under the contribution agreements we agreed that if our operating partnership directly or indirectly sells, exchanges or otherwise disposes of (whether by way of merger, sale of assets or otherwise) in a taxable transaction any interest in the properties contributed by our executive officers and their affiliates before the tenth anniversary of the completion of our initial public offering, then our operating partnership will indemnify each contributor for all direct and indirect adverse tax consequences. The calculation of damages will not be based on the time value of money or the time remaining within the indemnification period. These tax indemnities do not apply to the disposition of a restricted property under certain circumstances.

We have also agreed for a period of ten years following the date of our initial public offering to use reasonable best efforts consistent with our fiduciary duties to maintain at least \$8.0 million of debt, some of which must be property specific, to enable the contributors of these properties to guarantee such debt in order to defer any taxable gain they may incur if our operating partnership repays existing debt.

Redemption or Exchange of the Limited Partnership Units in our Operating Partnership

As of October 1, 2005, limited partners of our operating partnership, including Messrs. Gold, Kreitzer, McDevitt and Wilson, have the right to require our operating partnership to redeem all or a part of their units for cash, based upon the fair market value of an equivalent number of shares of our common stock at the time of the redemption, or, at our election, shares of our common stock in exchange for such units, subject to certain ownership limits set forth in our charter. As of March 11, 2009, the limited partners of our operating partnership held units exchangeable for an aggregate of 2,795,364 shares of our common stock, assuming the exchange of units into shares of our common stock on a one-for-one basis.

Other Benefits to Related Parties

Messrs. Gold, Kreitzer and Wilson have agreed to indemnify the lenders of the debt on the contribution properties for certain losses incurred by the lender as a result of breaches by the borrowers of the loan documents. In connection with our initial public offering, we agreed to indemnify Messrs. Gold, Kreitzer and Wilson against any payments they may be required to make under such indemnification agreements. However, our indemnification obligation will not be effective with respect to losses relating to a breach of the environmental representations and warranties made to our operating partnership by Messrs. Gold, Kreitzer and Wilson in their respective contribution agreements. For losses relating to such breaches, Messrs. Gold, Kreitzer and Wilson have agreed to indemnify our operating partnership.

We have entered into a registration rights agreement with the limited partners in our operating partnership to provide registration rights to holders of common stock to be issued upon redemption of their units. Pursuant to the registration rights agreement, in the fourth quarter of 2005, we filed and caused to become effective a registration statement on Form S-3 for the registration of the common stock to be issued upon redemption of the units, which expired in the fourth quarter of 2008. Prior to that registration statement's expiration, we filed and caused to become effective a new registration statement on Form S-3 for the registration of the common stock to be issued upon redemption of the units.

Audit Committee Policy Regarding Pre-Approval of Audit and Permissible Non-Audit Services of Our Independent Registered Public Accounting Firm

Our audit committee has established a policy that requires that all audit and permissible non-audit services provided by our independent registered public accounting firm will be pre-approved by the audit committee or a designated audit committee member. These services may include audit services, audit-related services, tax services and other services. All permissible non-audit services provided by our independent registered public accounting firm have been pre-approved by the audit committee or a designated audit committee member. Our audit committee has considered whether the provision of non-audit services is compatible with maintaining the accountants' independence and determined that it is consistent with such independence.

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Securities Exchange Act of 1934, as amended, directors, officers and beneficial owners of 10% or more of our common stock, or reporting persons, are required to report to the Securities and Exchange

Commission on a timely basis the initiation of their status as a reporting person and any changes with respect to their beneficial ownership of our common stock. Based solely on our review of such forms received by us and the written representations of the reporting persons, we believe that no reporting persons known to us were delinquent with respect to their reporting obligations as set forth in Section 16(a) of the Exchange Act during 2008.

Stockholder Proposals

Proposals of stockholders intended to be presented at our annual meeting of stockholders to be held in 2010 must be received by us no later than December 15, 2009, in order to be included in our proxy statement and form of proxy relating to that meeting. Such proposals must comply with the requirements as to form and substance established by the Securities and Exchange Commission for such proposals and the requirements contained in our bylaws in order to be included in the proxy statement. A stockholder who wishes to make a nomination or proposal at the 2010 annual meeting without including the proposal in our proxy statement and form of proxy relating to that meeting must, in accordance with our current bylaws, notify us between November 15, 2009 and December 15, 2009. If the stockholder fails to give timely notice as required by our bylaws, the nominee or proposal will be

excluded from consideration at the meeting. In addition, our bylaws include other requirements for nomination of candidates for director and proposals of other business.

Annual Report

We sent a Notice of Internet Availability and provided access to our annual report over the Internet to stockholders of record on or about April 14, 2009. The annual report does not constitute, and should not be considered, a part of this proxy solicitation material.

If any person who was a beneficial owner of our common stock on the record date for the annual meeting of stockholders desires additional information, a copy of our Annual Report on Form 10-K will be furnished without charge upon receipt of a written request identifying the person so requesting a report as a stockholder of BioMed at such date. Requests should be directed to BioMed Realty Trust, Inc., 17190 Bernardo Center Drive, San Diego, California 92128, Attention: Secretary.

Stockholders Sharing the Same Address

The rules promulgated by the Securities and Exchange Commission permit companies, brokers, banks or other intermediaries to deliver a single copy of a proxy statement, annual report and Notice of Internet Availability to households at which two or more stockholders reside. This practice, known as householding, is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. Stockholders sharing an address who have been previously notified by their broker, bank or other intermediary and have consented to householding will receive only one copy of our proxy statement, annual report and Notice of Internet Availability. If you would like to opt out of this practice for future mailings and receive separate proxy statements, annual reports and Notices of Internet Availability for each stockholder sharing the same address, please contact your broker, bank or other intermediary. You may also obtain a separate proxy statement, annual report or Notice of Internet Availability without charge by sending a written request to BioMed Realty Trust, Inc., 17190 Bernardo Center Drive, San Diego, California 92128, Attention: Secretary, or by telephone at (858) 485-9840. We will promptly send additional copies of the proxy statement, annual report or Notice of Internet Availability upon receipt of such request. Stockholders sharing an address that are receiving multiple copies of the proxy statement, annual report or Notice of Internet Availability can request delivery of a single copy of the proxy statement, annual report or Notice of Internet Availability by contacting their broker, bank or other intermediary or sending a written request to BioMed Realty Trust, Inc. at the address above.

Other Matters

Our board of directors does not know of any matter to be presented at the annual meeting which is not listed on the notice of annual meeting and discussed above. If other matters should properly come before the meeting, however, the persons named in the accompanying proxy will vote all proxies in their discretion.

BENEFICIAL STOCKHOLDERS ARE URGED TO AUTHORIZE A PROXY BY INTERNET OR TELEPHONE AS SOON AS POSSIBLE. ALL STOCKHOLDERS WHO RECEIVED PROXY MATERIALS BY MAIL ARE URGED TO COMPLETE, SIGN AND RETURN THE ENCLOSED PROXY CARD IN THE ACCOMPANYING ENVELOPE.

3.1 *Number of Shares.*

(a) Subject to Article 11 and Section 3.1(b), the aggregate number of shares of Stock which may be issued or transferred pursuant to Awards under the Plan shall be 5,340,000 shares. Other Stock-Based Awards which are denominated in Partnership units, shall count against the number of shares of Stock available for issuance under the Plan only to the extent that such Partnership unit is convertible into shares of Stock and on the same basis as the conversion ratio applicable to the Partnership Unit.

(b) To the extent that an Award terminates, expires, or lapses for any reason, or an Award is settled in cash without the delivery of shares of Stock to the Participant, then any shares of Stock subject to the Award shall again be available for the grant of an Award pursuant to the Plan. Additionally, any shares of Stock tendered or withheld to satisfy the grant or exercise price or tax withholding obligation pursuant to any Award shall again be available for the grant of an Award pursuant to the Plan. Any shares of Stock forfeited or repurchased by the Company under Section 6.3 shall again be available for Awards. To the extent permitted by applicable law or any exchange rule, shares of Stock issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by the Company, the Partnership or any Subsidiary shall not be counted against shares of Stock available for grant pursuant to this Plan. Notwithstanding the foregoing, Other Stock-Based Awards covering units in the Partnership shall, to the extent such Partnership units are convertible into Stock, reduce the maximum aggregate number of shares of Stock that may be issued under this Plan, or to any one Participant pursuant to Section 3.3, on the same basis as such Partnership unit is convertible into Stock, i.e., each such unit shall be treated as an equivalent award of Stock. The payment of Dividend Equivalents in cash in conjunction with any outstanding Awards shall not be counted against the shares available for issuance under the Plan.

3.2 *Stock Distributed.* Any Stock distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Stock or Stock purchased on the open market.

3.3 *Limitation on Number of Shares Subject to Awards.* Notwithstanding any provision in the Plan to the contrary, and subject to Article 11, the maximum number of shares of Stock with respect to one or more Awards that may be granted to any one Participant during a rolling three-year period (measured retrospectively from the date of any grant) shall be 1,500,000.

ARTICLE 4

ELIGIBILITY AND PARTICIPATION

4.1 *Eligibility.* Persons eligible to participate in this Plan include Employees, Consultants and all members of the Board, as determined by the Administrator.

4.2 *Participation.* Subject to the provisions of the Plan, the Administrator may, from time to time, select from among all Eligible Individuals those to whom Awards shall be granted and shall determine the nature and amount of each Award. STOCK OPTIONS

5.1 *General.* The Administrator is authorized to grant Options to Eligible Individuals on the following terms and conditions:

(a) *Exercise Price.* The exercise price per share of Stock subject to an Option shall be determined by the Administrator and set forth in the Award Agreement; *provided* that the exercise price for any Option shall not be less than 100% of the Fair Market Value of a share of Stock on the date the Option is granted (or, as to Incentive Stock Options, on the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code).

A-6

Table of Contents

(b) *Time and Conditions of Exercise.* The Administrator shall determine the time or times at which an Option may be exercised in whole or in part; *provided* that the term of any Option granted under the Plan shall not exceed ten years. The Administrator shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised.

(c) *Evidence of Grant.* Each Option grant shall be evidenced by an Award Agreement that shall specify the exercise price for the Option, the term of the Option, the number of shares of Stock to which the Option pertains, and such other provisions as the Administrator shall determine. The Award Agreement shall also specify whether the Option is intended to be an Incentive Stock Option or a Non-Qualified Stock Option. Award Agreements evidencing Incentive Stock Options shall contain such terms and conditions as may be necessary to meet the applicable provisions of Section 422 of the Code.

5.2 *Incentive Stock Options.* Incentive Stock Options may be granted only to employees (as defined in accordance with Section 3401(c) of the Code) of the Company or a Company Subsidiary which constitutes a subsidiary corporation of the Company within Section 424(f) of the Code and any applicable regulations promulgated thereunder, and the terms of any Incentive Stock Options granted pursuant to the Plan must comply with the following additional provisions of this Section 5.2:

(a) *Expiration of Option.* Subject to Section 5.2(c), an Incentive Stock Option may not be exercised to any extent by anyone after the first to occur of the following events; *provided, however*, that the Administrator may, prior to the expiration of the Incentive Stock Option under the circumstances described in paragraphs (ii), (iii) or (iv) below, provide in writing that the Option will expire on a later date, but if the expiration date of an Incentive Stock Option is so extended, it will automatically become a Non-Qualified Stock Option:

(i) Ten years from the date it is granted, unless an earlier time is set in the Award Agreement.

(ii) Three months after termination of the Participant's employment for any reason other than the Participant's Disability or death.

(iii) One year after the termination of the Participant's employment on account of Disability or death.

(iv) One year after the Participant's death if the Participant dies while employed or during the three-month period described in paragraph (ii) or during the one-year period described in paragraph (iii) and before the Option otherwise expires.

Upon the Participant's Disability or death, any Incentive Stock Options exercisable at the Participant's Disability or death may be exercised by the Participant's legal representative or representatives, by the person or persons entitled to do so pursuant to the Participant's last will and testament, or, if the Participant fails to make testamentary disposition of such Incentive Stock Option or dies intestate, by the person or persons entitled to receive the Incentive Stock Option pursuant to the applicable laws of descent and distribution.

(b) *Individual Dollar Limitation.* The aggregate Fair Market Value (determined as of the time the Option is granted) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-Qualified Stock Options.

(c) *Ten Percent Owners.* An Incentive Stock Option shall be granted to any individual who, at the date of grant, owns stock possessing more than ten percent of the total combined voting power of all classes of Stock of the Company or

any subsidiary corporation of the Company or parent corporation of the Company (each within the meaning of Section 424 of the Code) only if such Option is granted at an exercise price per share that is not less than 110% of Fair Market Value on the date of grant and the Option is exercisable for no more than five years from the date of grant.

(d) *Transfer Restriction.* An Incentive Stock Option shall not be transferable by the Participant other than by will or by the laws of descent or distribution.

5.4 Paperless Exercise. In the event that the Company establishes, for itself or using the services of a third party, an automated system for the exercise of Options, such as a system using an internet website or interactive voice response, then the paperless exercise of Options by a Participant may be permitted through the use of such an automated system.

5.5 Partial Exercise. An exercisable Option may be exercised in whole or in part. However, an Option shall not be exercisable with respect to fractional shares and the Administrator may require that, by the terms of the Option, a partial exercise must be with respect to a minimum number of shares.

5.6 Manner of Exercise. All or a portion of an exercisable Option shall be deemed exercised upon delivery of all of the following to the Secretary of the Company, or such other person or entity designated by the Administrator, or his, her or its office, as applicable:

(a) A written notice complying with the applicable rules established by the Administrator stating that the Option, or a portion thereof, is exercised. The notice shall be signed by the Participant or other person then entitled to exercise the Option or such portion of the Option;

(b) Such representations and documents as the Administrator, in its sole discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal, state or foreign securities laws or regulations. The Administrator may, in its sole discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on share certificates and issuing stop-transfer notices to agents and registrars;

(c) In the event that the Option shall be exercised pursuant to Section 10.6 by any person or persons other than the Participant, appropriate proof of the right of such person or persons to exercise the Option; and

(d) Full payment of the exercise price and applicable withholding taxes to the Secretary of the Company for the shares with respect to which the Option, or portion thereof, is exercised, in a manner permitted by Section 10.1 and 10.2.

Restricted Stock shall be subject to such repurchase restrictions, forfeiture restrictions, restrictions on transferability and other restrictions as the Administrator may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). Alternatively, these restrictions may lapse pursuant to the satisfaction of one or more Performance Goals or other specific performance goals as the Administrator determines to be appropriate at the time of the grant of the Award or thereafter, in each case on a specified date or dates or over any period or periods determined by the Administrator.

6.3 Repurchase or Forfeiture. Except as otherwise determined by the Administrator at the time of the grant of the Award or thereafter, upon termination of employment or service during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited or subject to repurchase by the Company under such terms as the Administrator shall determine; *provided, however*, that the Administrator may (a) provide in any Restricted Stock Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and (b) in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

6.4 Certificates for Restricted Stock. Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Administrator shall determine. Certificates or book entries evidencing shares of Restricted Stock must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may, at its discretion, retain physical possession of any stock certificate until such time as all applicable restrictions lapse.

6.5 Automatic Grants to Independent Directors. During the term of the Plan:

- (a) A person who is initially elected to the Board and who is an Independent Director at the time of such initial election automatically shall be granted 2,000 shares of Restricted Stock (subject to adjustment as provided in Article 11) on the date of such initial election.
- (b) Each Independent Director shall be granted 2,000 shares of Restricted Stock (subject to adjustment as provided in Article 11) on the date of each annual meeting of the Company's stockholders other than the annual meeting at which the Independent Director first receives an award of Restricted Stock pursuant to paragraph (a) above.
- (c) The purchase price per share of any awards of Restricted Stock pursuant to this Section 6.5 shall be the par value per share of the Stock. Awards of Restricted Stock pursuant to this Section 6.5 shall be subject to a repurchase restriction in favor of the Company in the event of an Independent Director's termination of service as a Director for any reason. Such repurchase restriction shall lapse on the first anniversary of the date of issuance of such Restricted Stock, subject to an Independent Director's continued service as a Director on such date.

7.2 Value of Stock Appreciation Right. A Stock Appreciation Right shall entitle the Participant (or other person entitled to exercise the Stock Appreciation Right pursuant to the Plan) to exercise all or a specified portion of the Stock Appreciation Right (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount determined by multiplying the difference obtained by subtracting the exercise price per share of the Stock Appreciation Right from the Fair Market Value on the date of exercise of the Stock Appreciation Right by the number

of shares of Stock with respect to which the Stock Appreciation Right shall have been exercised, subject to any limitations the Administrator may impose. Except as described in Section 7.3 below, the exercise price per share of Stock subject to each Stock Appreciation Right shall be set by the Administrator, but shall not be less than 100% of the Fair Market Value on the date the Stock Appreciation Right is granted.

The period during which the right to exercise, in whole or in part, a Stock Appreciation Right vests in the Participant shall be set by the Administrator and the Administrator may determine that a Stock Appreciation Right may not be exercised in whole or in part for a specified period after it is granted. Such vesting may be based on service with the Company or any Subsidiary, or any other criteria selected by the Administrator. At any time after grant of a Stock Appreciation Right, the Administrator may, in its sole discretion and subject to whatever terms and conditions it selects, accelerate the period during which a Stock Appreciation Right vests. No portion of a Stock Appreciation Right which is unexercisable at Termination of Service shall thereafter become exercisable, except as may be otherwise provided by the Administrator either in the Award Agreement or by action of the Administrator following the grant of the Stock Appreciation Right.

7.4 Manner of Exercise. All or a portion of an exercisable Stock Appreciation Right shall be deemed exercised upon delivery of all of the following to the Secretary of the Company, or such other person or entity designated by the Administrator, or his, her or its office, as applicable:

At the time of grant, the Administrator shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. Alternatively, Restricted Stock Units may become fully vested and nonforfeitable pursuant to the satisfaction of one or more Performance Goals or other specific performance goals as the Administrator determines to be appropriate at the time of the grant of the Restricted Stock Units or thereafter, in each case on a specified date or dates or over any period or periods determined by the Administrator. The Administrator shall specify, or permit the Participant to elect, the conditions and dates upon which the shares of Stock underlying the Restricted Stock Units which shall be issued, which dates shall not be earlier than the date as of which the Restricted Stock Units vest and become nonforfeitable and which conditions and dates shall be subject to compliance with Section 409A of the Code. ARTICLE 9

PERFORMANCE-BASED AWARDS

9.1 *Purpose.* The purpose of this Article 9 is to provide the Administrator the ability to qualify Awards other than Options and Stock Appreciation Rights and that are granted pursuant to Articles 6 and 8 as Qualified Performance-Based Compensation. If the Administrator, in its discretion, decides to grant a Performance-Based Award to a Covered Employee, the provisions of this Article 9 shall control over any contrary provision contained in Articles 6 or 8; *provided, however*, that the Administrator may in its discretion grant Awards to Covered Employees that are based on Performance Criteria or Performance Goals but that do not satisfy the requirements of this Article 9.

9.2 *Applicability.* This Article 9 shall apply only to those Covered Employees selected by the Administrator to receive Performance-Based Awards. The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

9.3 *Procedures with Respect to Performance-Based Awards.* To the extent necessary to comply with the Qualified Performance-Based Compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted under Articles 6 and 8 which may be granted to one or more Covered Employees, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Administrator shall, in writing, (a) designate one or more Covered Employees, (b) select the Performance Criteria applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (d) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Administrator shall certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned by a Covered Employee, the Administrator shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Administrator may deem relevant to the assessment of individual or corporate performance for the Performance Period.

9.4 *Payment of Performance-Based Awards.* Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company, the Partnership or a Subsidiary on the day a Performance-Based Award for such Performance Period is paid to the Participant. Furthermore, a Participant shall be eligible to receive payment pursuant to a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved.

9.5 *Additional Limitations.* Notwithstanding any other provision of the Plan, any Award which is granted to a Covered Employee and is intended to constitute Qualified Performance-Based Compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

ARTICLE 10

PROVISIONS APPLICABLE TO AWARDS

10.1 Payment. The Administrator shall determine the methods by which payments by any Participant with respect to any Awards granted under the Plan shall be made, including, without limitation: (a) cash or check, (b) shares of Stock (including, in the case of payment of the exercise price of an Award, shares of Stock issuable

A-12

pursuant to the exercise of the Award) or shares of Stock held for such period of time as may be required by the Administrator in order to avoid adverse accounting consequences, in each case, having a Fair Market Value on the date of delivery equal to the aggregate payments required, (c) delivery of a notice that the Participant has placed a market sell order with a broker with respect to shares of Stock then issuable upon exercise or vesting of an Award, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the aggregate payments required, *provided*, that payment of such proceeds is then made to the Company upon settlement of such sale, or (d) other form of legal consideration acceptable to the Administrator. The Administrator shall also determine the methods by which shares of Stock shall be delivered or deemed to be delivered to Participants. Notwithstanding any other provision of the Plan to the contrary, no Participant who is a Director or an executive officer of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to make payment with respect to any Awards granted under the Plan, or continue any extension of credit with respect to such payment with a loan from the Company or a loan arranged by the Company in violation of Section 13(k) of the Exchange Act.

10.2 *Tax Withholding.* The Company, the Partnership or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local and foreign taxes (including the Participant's FICA or employment tax obligation) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of the Plan. The Administrator may in its sole discretion and in satisfaction of the foregoing requirement allow a Participant to elect to have the Company withhold shares of Stock otherwise issuable under an Award (or allow the surrender of shares of Stock). The number of shares of Stock which may be so withheld or surrendered shall be limited to the number of shares which have a Fair Market Value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income. The Administrator shall determine the fair market value of the Stock, consistent with applicable provisions of the Code, for tax withholding obligations due in connection with a broker-assisted cashless Option or Stock Appreciation Right exercise involving the sale of shares to pay the Option or Stock Appreciation Right exercise price or any tax withholding obligation.

10.3 *Stand-Alone and Tandem Awards.* Awards granted pursuant to the Plan may, in the discretion of the Administrator, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

10.4 *Award Agreement.* Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award which may include the term of an Award, the provisions applicable in the event the Participant's employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award.

10.5 *Limits on Transfer.* No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company, the Partnership or a Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company, the Partnership or a Subsidiary. Except as otherwise provided by the Administrator, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution. The Administrator by express provision in the Award or an amendment thereto may permit an Award (other than an Incentive Stock Option) to be transferred to, exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's family and/or charitable institutions, or to such other persons or entities as may be expressly approved by the Administrator, pursuant to such conditions and procedures as the Administrator may establish. Any permitted transfer shall be subject to the condition that the Administrator receive

evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes (or to a blind trust in connection with the Participant's termination of employment or service with the Company, the Partnership or a Subsidiary to assume a position with a governmental, charitable, educational or similar non-profit institution) and on a basis consistent with the Company's lawful issue of securities.

10.6 *Beneficiaries.* Notwithstanding Section 10.5, a Participant may, in the manner determined by the Administrator, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Administrator. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Administrator.

10.7 *Stock Certificates.* Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Administrator deems necessary or advisable to comply with federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Administrator may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Administrator may require that a Participant make such reasonable covenants, agreements, and representations as the Administrator, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements. The Administrator shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement or exercise of any Award, including a window-period limitation, as may be imposed in the discretion of the Administrator.

10.8 *Transfer of Shares to a Partnership Employee, Partnership Consultant or Partnership Director.* As soon as practicable after the Company issues shares of Stock with respect to which an Award (which was issued to and is held by a Partnership Employee, Partnership Consultant or Partnership Director in such capacity), then, with respect to each such Award:

(a) The Company shall sell to the Partnership the number of shares equal to the number of shares deliverable with respect to such Award. The price to be paid by the Partnership to the Company for such shares shall be an amount equal to the product of (x) the number of shares multiplied by (y) the Fair Market Value of a share of Stock at the time of exercise or delivery less the amount paid by the Participant for such shares, if anything, pursuant to Section 10.1; and

(b) The Company shall contribute to the Partnership an amount of cash equal to the sum of the amount paid by the Participant, if any, for such shares of Stock, and the amount paid by the Partnership under Section 10.8(a) and the Partnership shall issue an additional interest in the Partnership on the terms set forth in the Partnership Agreement.

10.9 *Allocation of Payment.* Notwithstanding the foregoing, to the extent that a Participant provides services to more than one of the Company, the Partnership, or any Subsidiary, the Company may, in its discretion, allocate the payment or issuance of shares of Stock with respect to any Awards exercised by or otherwise delivered to such Participant or (and the services performed by the Participant) among such entities for purposes of the provisions of Section 10.8 in order to ensure that the relationship between the Company and the Partnership or such Subsidiary remains at arms-length.

10.10 Section 409A. To the extent that the Administrator determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that

may be issued after the Restatement Effective Date. Notwithstanding any provision of the Plan to the contrary, in the event that following the Restatement Effective Date the Administrator determines that any Award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the Restatement Effective Date), the Administrator may adopt such amendments to the Plan and the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance and thereby avoid the application of any penalty taxes under such Section.

ARTICLE 11

CHANGES IN CAPITAL STRUCTURE

11.1 *Adjustments.*

(a) In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, spin-off, recapitalization, distribution of Company assets to stockholders (other than normal cash dividends), or any other corporate event affecting the Stock or other equity interests or the share price of the Stock, the Administrator shall make such proportionate adjustments, if any, as the Administrator in its discretion may deem appropriate to reflect such change with respect to (i) the aggregate number and type of shares or units that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Sections 3.1, 3.3 and 6.5); (ii) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (iii) the grant or exercise price per share or other unit for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Qualified Performance-Based Compensation shall be made consistent with the requirements of Section 162(m) of the Code.

(b) In the event of any transaction or event described in Section 11.1(a) or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate (including without limitation any Change in Control), or of changes in applicable laws, regulations or accounting principles, and whenever the Administrator determines that such action is appropriate in order to prevent the dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles, the Administrator, in its sole discretion and on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions:

(i) To provide for either (A) termination of any such Award in exchange for an amount of cash, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 11.1(b) the Administrator determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment) or (B) the replacement of such Award with other rights or property selected by the Administrator in its sole discretion;

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock or other equity interests of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and

kind of shares or other equity interests and prices;

(iii) To make adjustments in the number and type of shares of Stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding options, rights and awards and options, rights and awards which may be granted in the future;

A-15

(iv) To provide that such Award shall be exercisable or payable or fully vested with respect to all shares or other equity interests covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

11.2 Acceleration Upon a Change in Control. Notwithstanding Section 11.1, and except as may otherwise be provided in any applicable Award Agreement, if a Change in Control occurs and a Participant's Awards are not continued, converted, assumed, or replaced by (a) the Company or a parent or Subsidiary of the Company, or (b) a successor or a parent or subsidiary of such successor, such Awards shall become fully exercisable and all forfeiture restrictions on such Awards shall lapse. Upon, or in anticipation of, a Change in Control, the Administrator may cause any and all Awards outstanding hereunder to terminate at a specific time in the future, including but not limited to the date of such Change in Control, and shall give each Participant the right to exercise such Awards during a period of time as the Administrator, in its sole and absolute discretion, shall determine.

11.3 No Other Rights. Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Administrator under the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the grant or exercise price of any Award.

ARTICLE 12

ADMINISTRATION

12.1 Administrator. The Administrator of the Plan shall be the Committee, which shall consist solely of two or more members of the Board each of whom is both an outside director, within the meaning of Section 162(m) of the Code, and a Non-Employee Director. Notwithstanding the foregoing: (a) the full Board, acting by a majority of its members in office, shall conduct the general administration of the Plan with respect to all Awards granted to Independent Directors and for purposes of such Awards the term Administrator as used in this Plan shall be deemed to refer to the Board and (b) the Committee may delegate its authority hereunder to the extent permitted by Section 12.5. Appointment of Committee members shall be effective upon acceptance of appointment. The Board may abolish the Committee at any time and revest in the Board the administration of the Plan. Committee members may resign at any time by delivering written notice to the Board. Vacancies in the Committee may only be filled by the Board.

12.2 Action by the Administrator. A majority of the Administrator shall constitute a quorum. The acts of a majority of the members present at any meeting at which a quorum is present, and, subject to applicable law, acts approved in writing by a majority of the Administrator in lieu of a meeting, shall be deemed the acts of the Administrator. Each member of the Administrator is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Subsidiary, the Company's independent certified public accountants, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

12.3 Authority of Administrator. Subject to any specific designation in the Plan, the Administrator has the exclusive power, authority and discretion to:

(a) Designate Participants to receive Awards;

- (b) Determine the type or types of Awards to be granted to each Participant;
- (c) Determine the number of Awards to be granted and the number of shares of Stock to which an Award will relate;
- (d) Determine the terms and conditions of any Award granted pursuant to the Plan, including, but not limited to, the exercise price, grant price, or purchase price, any reload provision, any restrictions or limitations

on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, any provisions related to non-competition and recapture of gain on an Award, based in each case on such considerations as the Administrator in its sole discretion determines; *provided, however*, that the Administrator shall not have the authority to accelerate the vesting or waive the forfeiture of any Performance-Based Awards;

(e) Determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;

(f) Prescribe the form of each Award Agreement, which need not be identical for each Participant;

(g) Decide all other matters that must be determined in connection with an Award;

(h) Establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan;

(i) Interpret the terms of, and any matter arising pursuant to, the Plan or any Award Agreement; and

(j) Make all other decisions and determinations that may be required pursuant to the Plan or as the Administrator deems necessary or advisable to administer the Plan.

12.4 *Decisions Binding.* The Administrator's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Administrator with respect to the Plan are final, binding, and conclusive on all parties.

12.5 *Delegation of Authority.* To the extent permitted by applicable law, the Committee may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards to Participants other than (a) senior executives of the Company who are subject to Section 16 of the Exchange Act, (b) Covered Employees, or (c) officers of the Company (or members of the Board) to whom authority to grant or amend Awards has been delegated hereunder. Any delegation hereunder shall be subject to the restrictions and limits that the Committee specifies at the time of such delegation, and the Committee may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 12.5 shall serve in such capacity at the pleasure of the Committee.

ARTICLE 13

EFFECTIVE AND EXPIRATION DATE

13.1 *Effective Date.* The Plan was originally effective as of August 3, 2004 (the Effective Date). This amended and restated Plan shall be effective on the date it is approved by a majority of the Company's stockholders at a duly held meeting in 2009 (the Restatement Effective Date).

13.2 *Expiration Date.* The Plan will expire on, and no Award may be granted pursuant to the Plan on or after, the tenth anniversary of the Restatement Effective Date (the Expiration Date). Any Awards that are outstanding on the Expiration Date shall remain in force according to the terms of the Plan and the applicable Award Agreement. Each Award Agreement shall provide that it will expire on the tenth anniversary of the date of grant of the Award to which it relates.

ARTICLE 14

AMENDMENT, MODIFICATION, AND TERMINATION

14.1 *Amendment, Modification, And Termination.* The Board or the Committee may terminate, amend or modify the Plan; *provided, however,* that (a) to the extent necessary to comply with any applicable law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (b) stockholder approval is required for any amendment to the Plan that increases the number of shares available under the Plan (other than any adjustment as provided by Article 11).

Table of Contents

Except in connection with a transaction specified in Section 11.1 (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding Awards may not be amended to reduce the exercise price of outstanding Options or Stock Appreciation Rights or cancel, exchange, substitute, buyout or surrender outstanding Options or Stock Appreciation Rights in exchange for cash, other Awards or Options or Stock Appreciation Rights with an exercise price that is less than the exercise price of the original Options or Stock Appreciation Rights, without stockholder approval.

14.2 Awards Previously Granted. No termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant.

ARTICLE 15

GENERAL PROVISIONS

15.1 No Rights to Awards. No Participant, employee, or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Administrator is obligated to treat Participants, employees, and other persons uniformly.

15.2 No Stockholders Rights. No Award gives the Participant any of the rights of a stockholder of the Company unless and until shares of Stock are in fact issued to such person in connection with such Award.

15.3 No Right to Employment or Services. Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company, the Partnership or any Subsidiary to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company, the Partnership or any Subsidiary.

15.4 Unfunded Status of Awards. The Plan is intended to be an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary.

15.5 Indemnification. To the extent allowable pursuant to applicable law, the Administrator (and each member thereof) shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; *provided* he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Articles of Incorporation or Bylaws, each as amended from time to time, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

15.6 Relationship to other Benefits. No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company, the Partnership or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

15.7 Expenses. The expenses of administering the Plan shall be borne by the Company, the Partnership and their Subsidiaries.

15.8 Titles and Headings. The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

A-18

Table of Contents

15.9 *Fractional Shares*. No fractional shares of Stock shall be issued and the Administrator shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

15.10 *Limitations Applicable to Section 16 Persons*. Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any Participant who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 of the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

15.11 *Government and Other Regulations*. The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register pursuant to the Securities Act any of the shares of Stock paid pursuant to the Plan. If the shares paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

15.12 *Restrictions on Awards*. This Plan shall be interpreted and construed in a manner consistent with the Company's status as a REIT. No Award shall be granted or awarded, and with respect to an Award already granted under the Plan, such Award shall not be exercisable:

(a) to the extent such Award or exercise could cause the Participant to be in violation of the Ownership Limit (as defined in the Company's Articles of Incorporation, as amended from time to time); or

(b) if, in the discretion of the Administrator, such Award or exercise could impair the Company's status as a REIT.

15.13 *Governing Law*. The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Maryland without regard to the conflicts of law principles thereof.

15.14 *Conflicts with Company's Articles of Incorporation*. Notwithstanding any other provision of the Plan, no Participant shall acquire or have any right to acquire any Stock, and shall not have any other rights under the Plan, which are prohibited under the Company's Articles of Incorporation, as amended from time to time.

15.15 *Grant of Awards to Certain Employees or Consultants*. The Company and the Partnership or any Subsidiary may provide through the establishment of a formal written policy or otherwise for the method by which shares of Stock and/or payment therefore may be exchanged or contributed between the Company and such other party, or may be returned to the Company upon any forfeiture or repurchase of Stock by the Participant, for the purpose of ensuring that the relationship between the Company and the Partnership or such Subsidiary remains at arm's length.
