Item 1.01 Entry into a Material Definitive Agreement.

On September 15, 2006, at the 2006 Annual Meeting of Shareholders (the "Annual Meeting") of Darden Restaurants, Inc. (the "Company"), the Company's shareholders approved the amended Darden Restaurants, Inc. 2002 Stock Incentive Plan (the "Amended Plan"). Similar to the prior version of the plan, the Amended Plan authorizes the grant of stock options (including both incentive and non-qualified stock options), stock appreciation rights ("SARs"), restricted stock, restricted stock units, dividend equivalents, stock awards and other stock-based awards. The Amended Plan adopted by the Company's shareholders:

- Increased the maximum number of shares that are authorized for issuance under the Amended Plan from 8,550,000 to 9,550,000;

- Implemented a "fungible share pool" approach to manage authorized shares in order to improve the flexibility of awards going forward, and eliminate the limits on the number of restricted stock and restricted stock unit awards and the number of awards to non-employee directors; Provided that, in determining the number of shares available for grant, a formula will be applied such that all future awards other than stock options and SARs will be counted as double the number of shares covered by such award;

- Eliminated "net share counting," so that shares that are used to pay the exercise price or taxes will not be added to the authorized share pool;

- Included provisions to facilitate compliance with Section 409A of the Internal Revenue Code of 1986, as amended;

- Prohibited the grant of dividend equivalents on options and SARs;

- Clarified that underwater options and SARs may not be used as consideration for other awards granted under the Amended Plan; and

- Prohibited the transfer of any award for consideration.

This summary of the Amended Plan is qualified in its entirety by reference to the full text of the Amended Plan, a copy of which is attached as Exhibit 10.1 and incorporated by reference herein. A more detailed summary of the Amended Plan can be found in the Company's Proxy Statement for the Annual Meeting filed with the Securities and Exchange Commission on August 7, 2006.
