- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report, or portion thereof? [X]YES []NO

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

It is anticipated that the Registrant's net loss for the quarter ended March 31, 2002, will be approximately \$1,999,000 and after giving effect to the payment by the Registrant of approximately \$31,000 in preferred stock dividends in such quarter, will be approximately \$2,030,000 (or approximately \$.06 per share of Common Stock). In comparison, for the quarter ended March 31, 2001, the Registrant recorded a net loss of \$522,000 and after giving effect to the recording by the Registrant of approximately \$50,000 in preferred stock dividends in such quarter, net loss of approximately \$572,000 (or approximately \$.03 per share of Common Stock).

The Registrant believes the changed results may be attributed, among other things, to a decline in net revenues of approximately \$2,261,000 and an inability to finalize negotiations relating to certain contract charges and surcharges for work performed during this period under the Company's Oak Ridge contracts.
