#### Item 5. Other Events and Regulation FD Disclosure.

Set forth below are the transitional disclosures required by paragraph 61 of SFAS No. 142. The disclosure includes as adjusted, information for the years ended December 31, 2001, 2000 and 1999, as if amortization of goodwill and permits had been discontinued on January 1, 1999.

#### Transition Disclosures for the Adoption of SFAS Nos. 141 and 142.

In June 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 141, "Business Combinations" and No. 142, "Goodwill and Other Intangible Assets" effective for fiscal years beginning after December 31, 2001. Under the new rules, goodwill and intangible assets deemed to have indefinite lives will no longer be amortized, but must be tested for impairment at least annually. Other intangible assets will continue to be amortized over their useful lives. The statement also requires business combinations initiated after June 30, 2001 to be accounted for using the purchase method of accounting, and establishes new criteria for recording intangible assets separate from goodwill.

Pursuant to the adoption of SFAS No. 142, all amortization expense on goodwill and intangible assets with indefinite lives ceased on January 1, 2002. The Company is in the process of evaluating intangible assets for impairment and has discontinued amortizing its indefinite-life intangible assets (goodwill and permits). Prior to January 1, 2002, goodwill and permits were amortized on a straight-line basis over ten to forty years.

The following is a reconciliation of the net (loss) income and the basic and diluted net (loss) income per common share between the amounts previously reported by the Company and the amounts after adjustment to exclude goodwill and permit amortization.
