BALDWIN TECHNOLOGY COMPANY, INC.

PROXY STATEMENT

Shelton, Connecticut
October 8, 2004

The accompanying Proxy is solicited by and on behalf of the Board of Directors of Baldwin Technology Company, Inc., a Delaware corporation (the "Company" or "Baldwin"), for use only at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the Trumbull Marriott, 180 Hawley Lane, Trumbull, Connecticut on the 9th day of November, 2004 at 10:00 a.m., Eastern Standard Time, and at any adjournment thereof. The approximate date on which this Proxy Statement and accompanying Proxy will first be given or sent to stockholders is October 12, 2004.

Each Proxy executed and returned by a stockholder may be revoked at any time thereafter, by written notice to that effect to the Company, attention of the Secretary, prior to the Annual Meeting, or to the Chairman, or the Inspectors of Election, at the Annual Meeting, or by execution and return of a later-dated Proxy, except as to any matter voted upon prior to such revocation.

Proxies in the accompanying form will be voted in accordance with the specifications made and, where no specifications are given, will be voted FOR the election as Directors of the nominees named herein and if any one or more of such nominees should become unavailable for election for any reason then FOR the election of any substitute nominee that the Board of Directors of the Company may propose. In the discretion of the proxy holders, the Proxies will also be voted FOR or AGAINST such other matters as may properly come before the meeting. The management of the Company is not aware of any other matters to be presented for action at the meeting.

With regard to the election of Directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld will be counted as present for purposes of determining the existence of a quorum and will not have any effect on the vote. Abstentions may be specified on all proposals except the election of Directors and will be counted as present for the purposes of determining the existence of a quorum regarding the item on which the abstention is noted. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum and will have no effect on the outcome of the election of Directors.

The affirmative vote of a majority of the votes entitled to be cast by the holders of the outstanding shares of Class A Common Stock, par value \$.01 per share (the "Class A Common Stock"), and Class B Common Stock, par value \$.01 per share (the "Class B Common Stock"), present, in person or by proxy, and entitled to vote at the meeting, voting as a single class, with each share of Class A Common Stock having one vote per share and each share of Class B Common Stock having ten votes per share, is required for the approval of any matters voted upon at the meeting or any adjournment thereof other than the election of Directors. The required votes for the election of Directors is described below under the caption "Voting Securities."

VOTING SECURITIES

The Board of Directors has fixed the close of business on September 30, 2004 as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting. The issued and outstanding

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

stock of the Company on September 30, 2004 consisted of 12,924,813 shares of Class A Common Stock and 1,965,419 shares of Class B Common Stock.

With respect to the election of Directors, the holders of Class A Common Stock, voting as a separate class, are entitled to elect 25% of the total number of Directors (or the nearest higher whole number) constituting the entire Board of Directors. Accordingly, the holders of Class A Common Stock are entitled to elect two of the seven Directors that will constitute the entire Board of Directors. Holders of Class B Common Stock, voting as a separate class, are entitled to elect the remaining Directors, so long as the number of outstanding shares of Class B Common Stock is equal to at least 12.5% of the number of outstanding shares of both classes of Common Stock as of the record date. If the number of outstanding shares of Class B Common Stock is less than 12.5% of the total number of outstanding shares of both classes of Common Stock as of the record date, the remaining directors are elected by the holders of both classes of Common Stock voting together as a single class, with the holders of Class A Common Stock having one vote per share and the holders of Class B Common Stock having ten votes per share. As of September 30, 2004 the number of outstanding shares of Class B Common Stock constituted approximately 13.2% of the total number of outstanding shares of both classes of Common Stock. Accordingly, the holders of Class B Common Stock, voting as a separate class, are entitled to elect five of the seven Directors that will constitute the entire Board of Directors.

Except with respect to the election or removal of Directors, and certain other matters with respect to which Delaware law requires each class to vote as a separate class, the holders of Class A Common Stock and Class B Common Stock vote as a single class on all matters, with each share of Class A Common Stock having one vote per share and each share of Class B Common Stock having ten votes per share. A quorum of stockholders is constituted by the presence, in person or by proxy, of holders of record of both Class A Common Stock and Class B Common Stock representing a majority of the aggregate number of votes entitled to be cast by both classes together. Abstentions will be considered present and have the effect of a negative vote; broker non-votes will be neither present nor have any effect on the vote on such matters.

With respect to the election or removal of Directors, and certain other matters with respect to which Delaware law requires each class to vote as a separate class, a quorum of the stockholders of such class is constituted by the presence, in person or by proxy, of holders of record of such class representing a majority of the number of votes entitled to be cast by such class. As stated above, proxies withheld and broker non-votes will be excluded entirely with respect to the election of Directors and have no effect on the vote thereon.

CORPORATE GOVERNANCE

BOARD INDEPENDENCE

The Board has determined that Messrs. Becker, Bergstrom, McInerney and Whitney and Ms. Mulholland are independent directors under the listing standards of the American Stock Exchange. Mr. Nathe, an employee of the Company, Mr. Hara, a former employee of the Company and currently a

2

strategic advisor to the Company, and Mr. Fortenbaugh, counsel to the Company, are not considered independent directors.

CODE OF CONDUCT AND BUSINESS ETHICS

The Company adopted a Code of Conduct and Business Ethics in September 2004, replacing the previous Code of Business Ethics. The Code is being

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

distributed to all directors and employees, and written acknowledgment of understanding and compliance will be required of all directors, executive officers, senior managers and financial staff. The Code is accessible under the Corporate Governance section of the Company's web site at www.baldwintech.com.

BOARD STATEMENT OF PRINCIPLES

The Board has adopted a Statement of Principles, which is accessible under the Corporate Governance section of the Company's web site.

COMMITTEE CHARTERS

The Board of Directors adopted written charters for the Audit, Compensation and Stock Option, and Executive Committees of the Board in 2001, each of which were recently revised. The updated charters can be accessed under the Corporate Governance section of the Company's web site. In addition, a copy of the Audit Committee charter, as amended, is included as an exhibit to this proxy statement.

BOARD AND COMMITTEE ATTENDANCE

During Fiscal 2004, each director attended at least 75% of the aggregate number of meetings of the Board and Committees on which he or she served. All but one of the directors attended the Company's 2003 Annual Meeting of Stockholders. Directors are expected, but not required, to attend the 2004 Annual Meeting of Stockholders. The Board of Directors hold meetings on at least a quarterly basis, and the independent directors meet as often as necessary to fulfill their responsibilities, including at least annually in executive session without the presence of non-independent directors and management.

STOCKHOLDER COMMUNICATIONS WITH DIRECTORS

Any stockholder wishing to communicate with the Board or a specified individual director may do so by contacting the Company's Corporate Secretary, in writing, at the corporate address listed on the cover page of this proxy statement, or by telephone at (203) 402-1000. The Corporate Secretary will forward to the Board or the director a written, e-mail or phone communication. The Corporate Secretary has been authorized by the Board to screen frivolous or unlawful communications or commercial advertisements.

THE BOARD NOMINATION PROCESS

The Company does not have a standing nominating committee or committee performing similar functions. The Board believes that it is appropriate for the Company not to have such a committee since the Independent Directors perform the functions which otherwise would be delegated to such a committee.

The Independent Directors identify director nominees based primarily on recommendations from management, Board members, stockholders, and other sources, such as printing industry associations. The Independent Directors recommend to the Board nominees that possess qualities such as personal and professional integrity, sound business judgment, and graphic arts industry or financial expertise. The Independent Directors also consider independence, age and diversity (broadly construed to mean a variety of opinions, perspectives, personal and professional experiences and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics) in making their recommendations for nominees to the full Board. In addition, the Independent Directors also evaluate other factors that they may deem are in the best interests of the Company and its stockholders.

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

There is no formal policy with regard to the consideration of any director candidates recommended by stockholders, however, stockholders who wish to recommend a prospective nominee for the Board for consideration by the Independent Directors may do so by notifying the Corporate Secretary in writing at Baldwin's offices at 12 Commerce Drive, Shelton, CT 06484 no later than June 30, 2005. The Corporate Secretary will pass all such stockholder recommendations on to the Lead Director (one of the Independent Directors chosen by the Independent Directors pursuant to the Board's Statement of Principles) for consideration by the Independent Directors. Any such recommendation should provide whatever supporting material the stockholder considers appropriate, but should at a minimum include such background and biographical material as will enable the Independent Directors to make an initial determination as to whether the nominee satisfies the Board membership criteria set out in the Statement of Principles. All candidates submitted by a stockholder or stockholder group are reviewed and considered in the same manner as all other candidates. No stockholder recommendations for director candidates were received by the Independent Directors during the Company's fiscal year ended June 30, 2004.

ELECTION OF DIRECTORS

Under the Company's Certificate of Incorporation, the Board of Directors (the "Board") is divided into three classes, with each class being as equal in size as possible. One class is elected each year. Directors in each class hold office for a term of three years and until their respective successors are elected and qualified. There are currently eight members of the Company's Board of Directors. Henry F. McInerney, a Class II Director, has declined to stand for re-election to the Board of Directors for personal business reasons. As a result, the Board of Directors determined that, effective as of this year's Annual Meeting, the number of members of the Company's Board of Directors will be reduced from eight to seven.

Judith A. Mulholland, a Class I Director, and Mark T. Becker, a Class II Director, were elected by a plurality vote of the outstanding shares of Class A Common Stock. Akira Hara and Ralph R. Whitney, Jr., Class III Directors, and Samuel B. Fortenbaugh III and Rolf Bergstrom, Class I Directors, were elected by a plurality vote of the outstanding shares of Class B Common Stock. Gerald A. Nathe and Henry F. McInerney, Class II Directors, were elected by a plurality vote of the outstanding shares of Class A Common Stock and Class B Common Stock voting together as a single class.

At this year's Annual Meeting, two Directors will be elected to Class II. If elected, their terms will expire at the Annual Meeting in 2007. Mark T. Becker and Gerald A. Nathe, who are currently Class II Directors, have been

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

nominated to serve as Class II Directors. Mr. Nathe may be elected by a plurality vote of the outstanding shares of Class B Common Stock present, in person or by proxy, and entitled to vote at the meeting, voting as a separate class, and Mr. Becker may be elected by a plurality vote of the outstanding shares of Class A Common Stock present, in person or by proxy, and entitled to vote at the meeting, voting as a separate class.

The Board of Directors knows of no reason why any nominee for Director would be unable to serve as a Director. If any nominee should for any reason be unable to serve, the shares represented by all valid proxies not containing contrary instructions may be voted for the election of such other person as the Board may recommend in place of the nominee that is unable to serve.

Set forth below are the names of all continuing Directors and nominees and certain biographical information with respect to each such continuing Director and nominee.

Karl S. Puehringer, age 39, has been a Vice President of the Company since November 2001. Since 2003, he has been responsible for the Company's European operations. Prior to joining Baldwin, Mr. Puehringer served as a Manager at A.T. Kearney in Munich where he was responsible for project management from 1999 to 2001. From 1996 to 1999, he was President and a Director of Voest-Alpine MCE, Indonesia, and from 1993 to 1996, he was Managing Director of Voest-Alpine Ice, Mexico.

Shaun J. Kilfoyle, age 50, has been a Vice President of the Company since November, 2002. Since 2003 he has been responsible for the Company's operations in the Americas. He re-joined Baldwin as Vice President of Marketing and Strategic Planning in September, 2001, and held that position until 2003.

10

Previously, Mr. Kilfoyle was Vice President and Group Publisher of the Printing, Packaging and Design (Publishing, Data and Research) Unit of Cahner Business Information, a division of Reed Elsevier from 1997 to 2001. He held various marketing and business management positions at a subsidiary of the Company from 1984 to 1997.

All of the Company's officers are elected annually by the Board of Directors and hold office at the pleasure of the Board of Directors.

See "Election of Directors" for biographies relating to Directors.

BOARD OF DIRECTORS

The Board of Directors has responsibility for establishing broad corporate policies and for overseeing the management of the Company, but is not involved in day-to-day operations. Members of the Board are kept informed of the Company's business by various reports and documents sent to them as well as by operating and financial reports presented at Board and Committee meetings. During the fiscal year ended June 30, 2004, the Board held five (5) regular scheduled meetings, four (4) special meetings and acted by Written Consent three (3) times. Each of the Directors attended at least 75% of the aggregate meetings of the Board and the Committees on which he or she served.

COMPENSATION OF DIRECTORS

Directors who were not employees of the Company received a \$16,000 annual retainer and a fee of \$1,000 for each meeting they attended of the Board of Directors or the Committee on which they served during the fiscal year ended June 30, 2004. However, no fee is paid for a Committee meeting held in conjunction with a Board meeting. In addition, the Chair of the Audit Committee received an additional \$1,000 quarterly, and the Chair of the Compensation and Stock Option Committee received an additional \$500 quarterly.

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

Non-employee Directors received annual awards of stock options under the Company's 1990 Directors' Stock Option Plan (the "1990 Plan"), until the 1990 Plan was terminated in November 1998. From 1990 through 1997, each year, on the third day following the Company's Annual Meeting of Stockholders, every eligible Director was automatically granted an option to purchase 1,000 shares of Common Stock, allocated between Class A Common Stock and Class B Common Stock in the same ratio as there were shares outstanding of Class A Common Stock to shares of Class B Common Stock on such day. Under the 1990 Plan, options to purchase 32,923 shares of Class A Common Stock and 4,077 shares of Class B Common Stock were granted, of which options to purchase 10,746 shares of Class A Common Stock and 1,254 shares of Class B Common Stock remain outstanding, at exercise prices ranging from \$2.56 to \$5.50 per share for the options to purchase Class A Common Stock and at \$3.20 to \$6.88 per share for the options to purchase Class B Common Stock. Of the current Directors of the Company who received option grants under the 1990 Plan, two Directors were granted options to purchase 7,115 shares of Class A Common Stock and 885 shares of Class B Common Stock; and one Director was granted options to purchase 3,582 shares of Class A Common Stock and 418 shares of Class B Common Stock.

The 1998 Non-Employee Stock Option Plan (the "1998 Plan") was adopted at the 1998 Annual Meeting of Stockholders and terminated in November 2001. From 1998 through 2001, non-employee Directors

11

received annual awards of stock options under the 1998 Plan. Each year, on the day following the Company's Annual Meeting of Stockholders, every eligible Director was automatically granted an option to purchase 3,000 shares of Class A Common Stock. Under the 1998 Plan, options to purchase 66,000 shares of Class A Common Stock were granted, of which options to purchase 42,000 shares of Class A Common Stock remain outstanding, at exercise prices ranging from \$1.13 to \$5.50 per share. Of the current Directors of the Company who received option grants under the 1998 Plan, three Directors were granted options to purchase 12,000 shares each and two Directors were granted options to purchase 3,000 shares each.

The 1996 Stock Option Plan (the "1996 Plan") was amended at the 2002 Annual Meeting of Stockholders. Under the 1996 Plan, as amended, each year, on the day following the Company's Annual Meeting of Stockholders, every non-employee Director is automatically granted an option to purchase 5,000 shares of Class A Common Stock. Under the 1996 Plan, as amended, options to purchase 55,000 shares of Class A Common Stock were granted to non-employee Directors, and remain outstanding, at exercise prices ranging from \$0.58 to \$1.93 per share. Of the current Directors of the Company who received option grants under the 1996 Plan, as amended, five Directors were granted options to purchase 10,000 shares each and one Director was granted options to purchase 5,000 shares.

The Executive Committee meets on call and has authority to act on most matters during the intervals between Board meetings. During the fiscal year ended June 30, 2004, the Executive Committee held three (3) meetings. The Executive Committee presently consists of Gerald A. Nathe (Chairman), Samuel B. Fortenbaugh III and Ralph R. Whitney, Jr. A copy of the charter of the Executive Committee is posted on the Company's web site.

AUDIT COMMITTEE

The Audit Committee assists the Board in ensuring the quality and integrity of the Company's financial statements, and that a proper system of accounting, internal controls and reporting practices are maintained by the Company. During

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

the fiscal year ended June 30, 2004, the Audit Committee met six (6) times. The Audit Committee presently consists of Mark T. Becker (Chairman), Henry F. McInerney and Ralph R. Whitney, Jr. During the fiscal year ended June 30, 2000, the Audit Committee adopted a charter, a copy of which was attached to the Company's Proxy Statement dated October 15, 2000 as Exhibit A. The charter of the Audit Committee was recently amended, and a copy of the revised charter is attached to this Proxy Statement as Exhibit A and posted on the Company's web site. The Board of Directors has determined that all of the members of the Audit Committee are "independent," as defined by the rules of the Securities and Exchange Commission and the American Stock Exchange.

COMPENSATION AND STOCK OPTION COMMITTEE

The Compensation and Stock Option Committee has the responsibility for, among other things, establishing the compensation arrangements for the executive officers of the Company, other than the Chief Executive Officer. The Compensation and Stock Option Committee also administers the 1996 Stock Option Plan, as amended. During the fiscal year ended June 30, 2004, the Compensation and Stock Option Committee met four (4) times and acted by Written Consent once. The Compensation and Stock Option

12

Committee presently consists of Judith A. Mulholland (Chair), Akira Hara and Rolf Bergstrom. The Board of Directors has determined that Ms. Mulholland and Mr. Bergstrom are "independent" as defined by the Rules of the Securities and Exchange Commission and the American Stock Exchange (the "Amex"). Mr. Hara, formerly President of Baldwin-Japan, Ltd., and now serving as a strategic advisor to the Company, was added to the Compensation and Stock Option Committee under a special limited exception under the Amex rules, despite his not being an "independent" director, given his years of experience and his expertise in matters related to the Company's Asia operations. Since approximately 23% of the Company's employees are located in Asia, the Board of Directors deemed it in the best interests of the Company to have Mr. Hara serve on said Committee. Ms. Mulholland is from the U.S., where approximately 16% of the Company's employees are located, and Mr. Bergstrom is from Europe, where approximately 61% of the Company's employees are located.

NOMINATING COMMITTEE

The Board does not have a nominating committee. Board of Director nominations are recommended for the Board's selection by a majority of the independent directors (see "The Board Nomination Process" in the Corporate Governance section above).

13

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company assists the Board in its oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. The committee operates under a written charter adopted by the Board. A copy of the recently revised Audit Committee Charter is attached to the proxy statement of which this report is a part and is posted on the Company's web site. The committee is comprised of three non-employee directors, each of whom is "independent" as defined by the rules of the Securities and Exchange Commission and the American Stock Exchange as in effect on the date of this report. In addition, the Board has determined that at least one member of the committee has accounting or related financial management expertise.

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

In performing its oversight responsibilities, the committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the fiscal year ended June 30, 2004, with management and PricewaterhouseCoopers LLP ("PwC"), the Company's independent registered public accounting firm. Management has the primary responsibility for the financial statements and the reporting process. PwC is responsible for expressing an opinion as to whether these financial statements are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States.

The committee has reviewed and discussed the consolidated financial statements of the Company and its subsidiaries, which are included as Item 8 in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2004, with management of the Company and PwC.

The committee also discussed with PwC their judgment as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees."

The committee has received the written disclosures and the letter from PwC required by Independence Standards Board Standard No. 1 and has discussed with PwC its independence from the Company. The committee considered whether the provision of non-audit services by PwC to the Company was compatible with maintaining the independence of PwC and concluded that the independence of PwC was not compromised by the provision of such services.

Based on the review and discussions with management of the Company and PwC referred to above, the Audit Committee has recommended to the Board of Directors that the Company publish the consolidated financial statements of the Company and subsidiaries for the fiscal year ended June 30, 2004 in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2004 and include such financial statements in its Annual Report to Stockholders.

COMPENSATION OF EXECUTIVE OFFICERS

COMPENSATION AND STOCK OPTION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation and Stock Option Committee of the Board of Directors (the "Committee") is comprised of three non-employee Directors of the Company, one of whom is not considered "independent" as permitted under a limited exception under the rules of the American Stock Exchange. The Committee operates pursuant to a written charter adopted by the Board, a copy of which is posted on the Company's web site. The Committee has the responsibility for establishing the salary, incentive compensation, non-wage benefits and perquisites of the executive officers of the Company (the Independent Directors of the Board have the responsibility for establishing the salary, incentive compensation, non-wage benefits and perquisites of the Chief Executive Officer of the Company).

Set forth below is a report submitted by the members of the Committee addressing the Company's compensation policies for the fiscal year ended June 30, 2004 ("Fiscal 2004") as they affected the executive officers of the Company.

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

Philosophy

The Company recognizes that a critical balance needs to be maintained between employee compensation and the successful pursuit of the Company's objectives. The Company will compensate its workforce in a manner that attracts, retains, and motivates a workforce that is customer-driven and focused. To that end, the Company is committed to paying employees a competitive base salary for their knowledge, skill, experience, and responsibilities, as well as providing certain employees other incentives and benefits.

The incentive opportunity is primarily provided through the Company's Management Incentive Compensation Plan (MICP) and the 1996 Stock Option Plan, as amended. As modified January 1, 2004, the MICP has been designed to reward, recognize and motivate Executive Officers and key management employees for their contributions on a corporate-wide and as well as a functional/local basis. Under the MICP, all Executive Officers and key managers earn their cash incentive compensation based on a target bonus percentage of his/her base salary upon the achievement of either corporate consolidated objectives or the achievement of a combination of corporate targets and local objectives. An employee's position with the Company and his/her overall responsibilities in the organization determine the target bonus opportunity percentage and whether his/her objectives are based on the corporate consolidated performance (at 100%) or a combination of corporate (at 50%) and local (at 50%) performance. In addition to the MICP, the Company's Stock Option Plan authorizes the Committee to provide Directors, Employees and Consultants of the Company, who are in a position to contribute to the long-term success of the Company, options to acquire Stock of the Company.

Depending upon responsibilities, certain employees may also be eligible to participate in other benefits such as annual physicals, a company automobile, life insurance, a supplemental retirement benefit, and long-term disability insurance.

Executive Officers' Disclosure

GENERAL. For each of the executive officers of the Company named in the Summary Compensation Table below, compensation consists of base salary (which is set by the officer's employment agreement), a

15

bonus (which was calculated in accordance with the MICP referred to in the Philosophy section above), stock options (which are tied to the long-term performance of the Company, as reflected by its stock price), and other perquisites. Certain of these executive officers also have supplemental retirement benefits reported in the Supplemental Retirement Benefits section below.

FISCAL 2004 COMPENSATION. Mr. Vijay C. Tharani joined the Company in June 2001 and was elected Vice President, Chief Financial Officer and Treasurer. His base salary is set by an employment agreement with the Company, effective as of June 18, 2001. Effective July 1, 2003, the ten (10%) percent salary reduction that had been in place during Fiscal 2003 was removed; Mr. Tharani also earned a \$180,000 bonus during Fiscal 2004 under the MICP. He was granted options to purchase 25,000 shares of Class A Common Stock of the Company in recognition of his performance in carrying out his duties and responsibilities as Chief Financial Officer.

Mr. Karl S. Puehringer joined the Company in November 2001 and was elected a Vice President. Since April 1, 2003, he has been responsible for Baldwin's European operations. His base salary is set by an employment agreement with the Company, effective as of November 1, 2001. Effective July 1, 2003, the ten (10%)

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

percent salary reduction that had been in place during Fiscal 2003 was removed; Mr. Puehringer also earned a \$160,995 bonus during Fiscal 2004 under the MICP. He was granted options to purchase 25,000 shares of Class A Common Stock of the Company in recognition of his performance in carrying out his duties and responsibilities as Vice President.

Mr. Shaun J. Kilfoyle re-joined the Company in September, 2001 and was elected a Vice President in November, 2002. Since April 1, 2003, he has been responsible for Baldwin's Americas operations. His base salary is set by an employment agreement with the Company, effective as of January 1, 2003, and amended as of September 1, 2004. Effective July 1, 2003, the ten (10%) percent salary reduction that had been in place during Fiscal 2003 was removed; Mr. Kilfoyle also earned a \$102,000 bonus during Fiscal 2004 under the MICP. He was also granted options to purchase 25,000 shares of Class A Common Stock of the Company in recognition of his performance in carrying out his duties and responsibilities as Vice President.

CEO Disclosure

Mr. Nathe's base salary is set by his employment agreement with the Company (see the Employment Agreements section below). Effective July 1, 2003, the ten (10%) percent salary reduction that had been in place during Fiscal 2003 was removed; Mr. Nathe also received a salary increase from \$250,000 to \$300,000 effective July 1, 2003, however, by mutual agreement of Mr. Nathe and the Company, implementation of the increase was delayed until January 1, 2004, without being retroactive. He also earned a \$225,000 bonus during Fiscal 2004 under the MICP and was granted a \$100,000 special bonus as a result of the Company's overall performance and his own individual performance.

Deductibility of Compensation under Federal Income Taxes

Based on currently prevailing authority, including Treasury Regulations issued in December, 1995, and in consultation with outside tax and legal experts, the Committee has determined that it is unlikely that the Company will pay any amounts with respect to the fiscal year ending June 30, 2004 ("Fiscal 2004") that would result in the loss of a federal income tax deduction under Section 162(m) of the Internal Revenue Code

16

of 1986, as amended (the "Code"), and accordingly has not recommended that any special actions be taken, or plans or programs be revised at this time in light of such tax law provision (except that the Company intends that stock options granted under the 1996 Stock Option Plan have an exercise price which is the fair market value of the stock on the date of grant and that such options qualify as "performance-based compensation" under Section 162(m) of the Code).

(3) The dollar amounts under the potential realizable values columns use the 0%, 5% and 10% rates of appreciation as permitted by the Securities and Exchange Commission, and are not intended to forecast actual future appreciation in the Company's stock price. Actual gains, if any, on stock options are dependent on the future performance of the Company's stock. There can be no assurance that the amounts reflected in this table will be achieved.

(4) All stock options granted during Fiscal 2004 were for a ten (10) year term.

(5) No gain to the optionee is possible without an increase in the stock price, which would benefit all stockholders commensurately. A zero percent gain in stock appreciation will result in zero dollars for the optionee.

SUPPLEMENTAL RETIREMENT BENEFITS

Mr. Nathe is entitled to deferred compensation benefits in accordance with his employment agreement; Messrs. Tharani, Kilfoyle and Puehringer are entitled to supplemental retirement benefits in accordance with their respective employment agreements.

Mr. Nathe's employment agreement as amended provides for deferred compensation to be paid to him or his estate for 15 years or life, whichever is longer, upon termination of his employment and subject to a vesting schedule as set forth in his employment agreement. No amounts were accrued by the Company on behalf of Mr. Nathe in connection with this benefit during Fiscal 2004 due to an over-accrual for this benefit during the previous year (\$505,995 was accrued during Fiscal 2003). The amount of the annual deferred compensation benefit which was to be paid to Mr. Nathe was previously estimated at \$174,649, however, in August, 2002, Mr. Nathe's employment agreement was amended to include, among other things, a reduction in the total amount of deferred compensation payable by the Company to Mr. Nathe by \$750,000 in exchange for an equal reduction in the principal amount of a promissory note of Mr. Nathe payable to the Company (see "Certain Transactions" below). Consequently, the amount of the annual deferred compensation benefit which will be paid to Mr. Nathe is now estimated to be \$102,000.

Mr. Tharani's employment agreement provides for a supplemental retirement benefit to be paid to him for ten (10) years, upon termination of his employment and subject to a vesting schedule as set forth in his employment agreement. The amount of the annual benefit to be paid to Mr. Tharani will be 30% of Mr. Tharani's average base salary for his last three (3) years of employment under his employment agreement. The amount accrued by the Company on behalf of Mr. Tharani in connection with this benefit during Fiscal 2004 was \$155,792. When fully vested (after June 18, 2006), the estimated annual supplemental retirement benefit will be \$74,919.

Mr. Kilfoyle's new employment agreement, effective September 1, 2004, provides for a supplemental retirement benefit to be paid to him for ten (10) years, upon termination of his employment and subject to a vesting schedule as set forth in his employment agreement. The amount of the annual benefit to be paid to Mr. Kilfoyle will be 30% of Mr. Kilfoyle's average base salary for his last three (3) years of employment under his employment agreement. The Company did not accrue any amount on behalf of Mr. Kilfoyle in connection with this benefit during Fiscal 2004 since Mr. Kilfoyle's new employment agreement was not effective until September 1, 2004; his prior employment agreement did not contain this benefit. When fully vested (after September 1, 2008), the estimated annual supplemental retirement benefit will be \$59,086.

For purposes of clause (z) above, in the event of (i) any merger or consolidation or sale of substantially all of the assets of the Company or change in control or liquidation of the Company, or (ii) the failure by the Company to observe or comply in any material respect with any of the provisions of the employment agreement, Mr. Nathe may, within six months of any such event, treat such event as a termination, without cause, of his employment by the Company. The employment agreement, as amended, also provides for (a) the payment of annual deferred compensation to Mr. Nathe in the amount of \$102,000 following the termination of his employment with the Company, (b) the Company making an interest bearing loan to Mr. Nathe, in the amount of approximately \$750,000 to facilitate the purchase by Mr. Nathe of Class B Common Stock of the Company from an unrelated party with the loan secured by a pledge of the purchased shares of the Company's Class B Common Stock, and (c) the transfer by the Company to Mr. Nathe, at no cost to Mr. Nathe, of up to one hundred sixty thousand shares of the Company's Class A Common Stock, in four equal installments of 40,000 shares each, when, in the case of the first such installment, the market value of the Company's Class A Common Stock has attained \$7.875 per share and, in the case of each subsequent installment, such market value increases by \$2.00 per share over the market value at which the previous installment was earned. Mr. Nathe has agreed that, for a period of three years after the termination of his employment under the employment agreement, he will not compete, directly or indirectly, with the Company. The employment agreement provides that upon Mr. Nathe's death the Company will use a portion of the proceeds of life insurance on Mr. Nathe's life to buy back from his estate his shares of Class B Common Stock at fair market value, with the understanding that Mr. Nathe's estate repay his loan from the Company, together with interest due.

The agreement is for a term of five (5) years, and unless terminated with one year's prior written notice, will automatically extend for additional three (3) year terms.

CERTAIN TRANSACTIONS

Samuel B. Fortenbaugh III, a Director of the Company since 1987, has rendered legal services to the Company since September, 2002. During the fiscal year ended June 30, 2004, the Company paid \$111,000 to Mr. Fortenbaugh for legal services rendered. Prior to September 2002, Mr. Fortenbaugh was a partner of the law firm of Morgan Lewis & Bockius LLP, which firm has rendered legal services to the Company since 1980.

On November 30, 1993, the Company entered into a loan and pledge agreement with Gerald A. Nathe, President, Chief Executive Officer and a Director of the Company, pursuant to which the Company loaned Mr. Nathe \$1,817,321 to enable him to purchase 315,144 shares of the Company's Class B Common Stock from a non-employee stockholder. The loan was evidenced by a recourse demand promissory note bearing interest equal to the 3-Month LIBOR rate plus 1.25%, such rate to be reset on the first day of each succeeding January, April, July and October, and secured by such purchased shares. The maximum amount of the loan outstanding, including interest, during the year ended June 30, 2003 was \$1,553,000. In February, 2002, the Company and Mr. Nathe amended the loan and pledge agreement and Mr. Nathe issued a substitute recourse demand promissory note for \$1,500,000, the outstanding principal balance on the date thereof, with interest payable annually at a rate of 5%. In August, 2002, the Company and Mr. Nathe amended the loan and pledge agreement and Mr. Nathe issued a substitute recourse demand promissory note for \$750,000 to evidence

25

reduction of the outstanding principal and interest due from Mr. Nathe on the loan by \$750,000 in exchange for an equal reduction in deferred compensation

Edgar Filing: BALDWIN TECHNOLOGY CO INC - Form DEF 14A

payments to be made by the Company to Mr. Nathe. The reduction represented the then-present value of a portion of Mr. Nathe's deferred compensation benefit that had accrued to Mr. Nathe, and is included as income to Mr. Nathe for Fiscal 2003 in "All Other Compensation" in the Summary Compensation Table above. Mr. Nathe was responsible for and paid all income taxes associated with the exchange. At June 30, 2004, the balance of the loan, including interest, was \$873,000.

On October 17, 2001, the Company entered into a loan and pledge agreement with John T. Heald, Jr., then President and Chief Operating Officer and a Director of the Company, pursuant to which the Company loaned Mr. Heald \$675,000 to enable him to purchase 375,000 shares of Class B Common Stock from the Company. The loan was evidenced by a recourse demand promissory note bearing interest at five (5%) percent per annum. The maximum amount of the loan outstanding, including interest, during the year ended June 30, 2003 was \$711,893. In connection with Mr. Heald's resignation as President, Chief Operating Officer and a Director of the Company in October, 2002, the Company and Mr. Heald agreed to amend the loan and pledge agreement to evidence a reduction in the principal amount of the loan due from Mr. Heald by \$225,000 in exchange for a reduction, by an equal amount, in the amount of deferred compensation benefits due by the Company to Mr. Heald. The reduction represented the then present value of the vested portion of Mr. Heald's deferred compensation benefit that had accrued to Mr. Heald. Mr. Heald appointed the Chief Executive Officer of the Company his revocable proxy to vote the Class B Common Stock, which he pledged as collateral for the loan, so long as any amounts of principal or interest remained outstanding under said loan. In May, 2004, Mr. Heald transferred to the Company 172,464 shares of Class B Common Stock of the Company plus \$2,481 in cash, in full payment of the unpaid principal amount of \$450,000 and accrued interest on the note.

On February 10, 1997, Wendell M. Smith resigned as Chairman of the Company. The Company has made deferred compensation payments to Mr. Smith in the amount of \$103,000 for each of the fiscal years ended June 30, 2004, 2003 and 2002, respectively. In addition, the Company entered into a consulting agreement with Polestar Limited, a corporation controlled by Mr. Smith, which provides for payments to Polestar Limited of \$90,000 per year for consulting services through 2014.
