Proxy Statement

Shelton, Connecticut
October 16, 2006

The accompanying Proxy is solicited by and on behalf of the Board of Directors of Baldwin Technology Company, Inc., a Delaware corporation (the "Company" or "Baldwin"), for use only at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the American Stock Exchange, 86 Trinity Place, New York, New York 10006 on the 14th day of November, 2006 at 10:00 a.m., Eastern Standard Time, and at any adjournment thereof. The approximate date on which this Proxy Statement and accompanying Proxy will first be given or sent to stockholders is October 17, 2006.

Each Proxy executed and returned by a stockholder may be revoked at any time thereafter, by written notice to that effect to the Company, attention of the Secretary, prior to the Annual Meeting, or to the Chairman, or the Inspectors of Election, at the Annual Meeting, or by execution and return of a later-dated Proxy, except as to any matter voted upon prior to such revocation.

Proxies in the accompanying form will be voted in accordance with the specifications made and, where no specifications are given, will be voted FOR the election as Directors of the nominees named herein and if any one or more of such nominees should become unavailable for election for any reason then FOR the election of any substitute nominee that the Board of Directors of the Company may propose. At the discretion of the proxy holders, the Proxies will also be voted FOR or AGAINST such other matters as may properly come before the meeting. The management of the Company is not aware of any other matters to be presented for action at the meeting.

With regard to the election of Directors, votes may be cast in favor of or withheld from each nominee; votes that are withheld will be counted as present for purposes of determining the existence of a quorum and will not have any effect on the vote. Abstentions may be specified on all proposals except the election of Directors and will be counted as present for the purposes of determining the existence of a quorum regarding the item on which the abstention is specified. Broker non-votes will be counted for purposes of determining the presence or absence of a quorum and will have no effect on the outcome of the election of Directors.

The affirmative vote of a majority of the votes entitled to be cast by the holders of the outstanding shares of Class A Common Stock, par value \$.01 per share (the "Class A Common Stock"), and Class B Common Stock, par value \$.01 per share (the "Class B Common Stock"), present, in person or by proxy, and entitled to vote at the meeting, voting as a single class, with each share of Class A Common Stock having one vote per share and each share of Class B Common Stock having ten votes per share, is required for the approval of any matters voted upon at the meeting or any adjournment thereof other than the election of Directors. The required votes for the election of Directors is described below under the caption "Voting Securities."

VOTING SECURITIES

The Board of Directors has fixed the close of business on September 29, 2006 as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting. The issued and outstanding stock of the Company on September 29, 2006 consisted of 13,801,013 shares of Class A Common Stock and 1,233,411 shares of Class B Common Stock.

With respect to the election of Directors, the holders of Class A Common Stock, voting as a separate class, are entitled to elect 25% of the total number of Directors (or the nearest higher whole number) constituting the entire Board of Directors. Accordingly, the holders of Class A Common Stock are entitled to elect three of the ten Directors that will constitute the entire Board of Directors. Holders of Class B Common Stock, voting as a separate class, are entitled to elect the remaining Directors, so long as the number of outstanding shares of Class B Common Stock is equal to at least 12.5% of the number of outstanding shares of both classes of Common Stock as of the record date. If the number of outstanding shares of Class B Common Stock is less than 12.5% of the total number of outstanding shares of both classes of Common Stock as of the record date, the remaining directors are elected by the holders of both classes of Common Stock voting together as a single class, with the holders of Class A Common Stock having one vote per share and the holders of Class B Common Stock having ten votes per share. As of September 29, 2006 the number of outstanding shares of Class B Common Stock constituted approximately 8.2% of the total number of outstanding shares of both classes of Common Stock. Accordingly, the holders of Class A Common Stock and Class B Common Stock, voting together as a single class, are entitled to elect seven of the ten Directors that will constitute the entire Board of Directors.

Except with respect to the election or removal of Directors, and certain other matters with respect to which Delaware law requires each class to vote as a separate class, the holders of Class A Common Stock and Class B Common Stock vote as a single class on all matters, with each share of Class A Common Stock having one vote per share and each share of Class B Common Stock having ten votes per share. A quorum of stockholders is constituted by the presence, in person or by proxy, of holders of record of both Class A Common Stock and Class B Common Stock representing a majority of the aggregate number of votes entitled to be cast by both classes together. Abstentions will be considered present and have the effect of a negative vote; broker non-votes will be counted as present but will have no effect on the vote on such matters.

With respect to the election or removal of Directors, and certain other matters with respect to which Delaware law requires each class to vote as a separate class, a quorum of the stockholders of such class is constituted by the presence, in person or by proxy, of holders of record of such class representing a majority of the number of votes entitled to be cast by such class. As stated above, proxies withheld and broker non-votes will be excluded entirely with respect to the election of Directors and have no effect on the vote thereon.

CORPORATE GOVERNANCE

Board Independence

The Board has determined that Messrs. Becker, Bergstrom, Salvagio, Westlake and Whitney and Ms. Mulholland are independent directors (Independent Directors) under the listing standards of the American Stock Exchange (AMEX). Messrs. Nathe and Puehringer, employees of the Company,

Mr. Hara, a former employee of the Company and currently a strategic advisor to the Company, and Mr. Fortenbaugh, counsel to the Company, are not considered independent directors. The Independent Directors have elected Mr. Whitney as the Lead Director.

Code of Conduct and Business Ethics

The Company adopted a Code of Conduct and Business Ethics (the Code) in September 2004, replacing the previous Code of Business Ethics. The Code has been distributed to all directors and employees. Written acknowledgment of understanding and compliance is required of all directors, executive officers, senior managers and financial staff annually. The current version of the Code is posted on the Company's web site (www.baldwintech.com) under the Corporate Governance section.

Board Statement of Principles

The Board has adopted a Statement of Principles, which is posted on the Company's web site under the Corporate Governance section.

Committee Charters

The Board of Directors first adopted written charters for the Audit, Compensation and Executive Committees of the Board in 2001. Each of those charters are reviewed annually, and amended if necessary. The charters, as amended, are posted on the Company's web site, under the Corporate Governance section.

Board and Committee Attendance

During Fiscal 2006, each director attended at least 75% of the aggregate number of meetings of the Board and Committees on which he or she served. All of the directors who were serving as directors at the time attended the Company's 2005 Annual Meeting of Stockholders. Directors are expected, but not required, to attend the 2006 Annual Meeting of Stockholders. The Board of Directors holds meetings on at least a quarterly basis, and the Independent Directors meet as often as necessary to fulfill their responsibilities, including at least annually in executive session without the presence of non-independent directors and management.

Stockholder Communications with Directors

Any stockholder wishing to communicate with the Board or a specified individual director may do so by contacting the Company's Corporate Secretary, in writing, at the corporate address listed on the cover page of this proxy statement, or by telephone at (203) 402-1000. The Corporate Secretary will forward to the Board or the director a written, e-mail or phone communication. The Corporate Secretary has been authorized by the Board to screen frivolous or unlawful communications or commercial advertisements.

The Board Nomination Process

The Company does not have a standing nominating committee or committee performing similar functions. The Board believes that it is appropriate for the Company not to have such a committee since the Independent Directors perform the functions which otherwise would be delegated to such a committee.

The Independent Directors identify director nominees based primarily on recommendations from management, board members, stockholders and other sources. The Independent Directors recommend to the Board nominees that possess qualities such as personal and professional integrity, sound business judgment, and graphic arts industry or financial expertise. The Independent Directors also consider independence, age and diversity (broadly construed to mean a variety of opinions, perspectives, personal and professional experiences and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics) in making their recommendations for nominees to the full Board. In addition, the Independent Directors also evaluate other factors that they may deem are in the best interests of the Company and its stockholders.

There is no formal policy with regard to the consideration of any director candidates recommended by stockholders; however, stockholders who wish to recommend a prospective candidate for the Board for consideration by the Independent Directors may do so by notifying the Corporate Secretary in writing at the corporate address listed on the cover page of this proxy statement no later than June 30, 2007. The Corporate Secretary will pass all such stockholder recommendations on to Mr. Whitney, the Lead Director (one of the Independent Directors chosen by the Independent Directors in accordance with the Board's Statement of Principles) for consideration by the Independent Directors. Any such recommendation should provide whatever supporting material the stockholder considers appropriate, but should at a minimum include such background and biographical material as will enable the Independent Directors to make an initial determination as to whether the candidate satisfies the Board membership criteria set out in the Statement of Principles. All candidates submitted by a stockholder or stockholder group are reviewed and considered in the same manner as all other candidates. No stockholder recommendations of director candidates were received by the Independent Directors during the Company's fiscal year ended June 30, 2006.

ELECTION OF DIRECTORS

Under the Company's Certificate of Incorporation, the Board of Directors (the "Board") is divided into three classes, with each class being as equal in size as possible. One class is elected each year. Directors in each class hold office for a term of three years and until their respective successors are elected and qualified. There are currently ten members of the Company's Board of Directors.

Judith A. Mulholland, a Class I Director, and Mark T. Becker, a Class II Director, were elected by a plurality vote of the outstanding shares of Class A Common Stock. Akira Hara and Ralph R. Whitney, Jr., Class III Directors, Samuel B. Fortenbaugh III and Rolf Bergstrom, Class I Directors, and Gerald A. The Board of Directors knows of no reason why any nominee for Director would be unable to serve as a Director. If any nominee should for any reason be unable to serve, the shares represented by all valid proxies not containing contrary instructions may be voted for the election of such other person as the Board may recommend in place of the nominee that is unable to serve.

During the fiscal year ended June 30, 2006, the Audit Committee held six (6) regular meetings and one (1) special meeting. The Audit Committee presently consists of Mark T. Becker (Chairman), Ronald Salvagio (appointed to replace Judith Mulholland in June 2006) and Ralph R. Whitney, Jr. The charter of the Audit Committee, as amended, is posted on the Company's web site. The Board of Directors has determined that all of the members of the Audit Committee are independent, as defined by the rules of the SEC and the AMEX and that Mark T. Becker is the Audit Committee Financial Expert.

Compensation Committee

The Compensation Committee, formerly known as the Compensation and Stock Option Committee, has the responsibility for, among other things, reviewing and making recommendations to the full Board concerning compensation and benefit arrangements for the executive officers of the Company, other than the Chief Executive Officer. The Compensation Committee also administers the 1996 Plan and the 2005 Plan. During the fiscal year ended June 30, 2006, the Compensation Committee met four (4) times and acted by unanimous written consent once. The Compensation Committee presently consists of Judith A. Mulholland (Chair), Frederick Westlake (appointed to replace Akira Hara in August 2006) and Rolf Bergstrom. The charter of the Compensation Committee, as amended, is posted on the Company's web site. The Board of Directors has determined that all of the current members of the Committee are independent as defined by the rules of the SEC and the AMEX. Mr. Hara, formerly President of Baldwin-Japan, Ltd., and now serving as a strategic advisor to the Company, served on the Compensation Committee under a special limited exception under the AMEX rules until his resignation in August 2006, despite his not being an independent director, given his years of experience and his expertise in matters related to the Company's Asian operations.

Nominating Committee

The Board does not have a nominating committee. Board of Director nominees are recommended to the full Board by the independent directors (see "The Board Nomination Process" in the Corporate Governance section above).

Independent Directors

The Independent Directors set compensation for the Chief Executive Officer and are responsible for recommending to the full Board nominees for election to the Board of Directors (see "The Board Nomination Process" in the Corporate Governance section above). During the fiscal year ended June 30, 2006, the Independent Directors met four (4) times and acted by unanimous written consent once. The Independent Directors are Mark T. Becker, Rolf Bergstrom, Judith A. Mulholland, Ronald Salvagio, Frederick Westlake and Ralph R. Whitney, Jr., who serves as Lead Director. The Statement of Principles (Charter) of the Board of Directors, which sets forth in more detail the duties and responsibilities of the Board and the Independent Directors, is posted on the Company's web site.

Audit Committee Report

The Audit Committee of the Board of Directors of the Company assists the Board in its oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. The committee operates under a written charter adopted by the Board. A copy of the Audit Committee Charter, as amended, is posted on the Company's web site. The committee is comprised of three non-employee directors, each of whom is independent as defined by the rules of the SEC and the AMEX as in effect on the date of this report. In addition, the Board has determined that at least one member of the committee has accounting or related financial management expertise. The Chair, Mark T. Becker, has been designated as the Audit Committee Financial Expert.

In performing its oversight responsibilities, the committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the fiscal year ended June 30, 2006, with management and PricewaterhouseCoopers LLP (PWC), the Company's independent registered public accounting firm. Management has the primary responsibility for the financial statements and the reporting process. PWC is responsible for expressing an opinion as to whether these financial statements are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States.

The committee has reviewed and discussed the consolidated financial statements of the Company and its subsidiaries, which are included as Item 8 in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2006, with management of the Company and PWC.

The committee also discussed PWC's judgment with PWC as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, Communication with Audit Committees.

The committee has received the written disclosures and the letter from PWC required by Independence Standards Board Standard No. 1 and has discussed PWC's independence from the Company with PWC. The committee considered whether the provision of non-audit services by PWC to the Company was compatible with maintaining the independence of PWC and concluded that the independence of PWC was not compromised by the provision of such services.

Based on the review and discussions with management of the Company and PWC referred to above, the Audit Committee recommended to the Board of Directors that the Company publish the consolidated financial statements of the Company and subsidiaries for the fiscal year ended June 30, 2006 in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2006 and include such financial statements in its Annual Report to Stockholders.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors (the Committee) is comprised of three non-employee Directors of the Company, each of whom is considered independent under the rules of the AMEX. The Committee operates pursuant to a written charter adopted by the Board, a copy of which is posted on the Company's web site. The Committee has the responsibility for establishing and recommending to the full Board the salary, incentive compensation, non-wage benefits and perquisites of the Executive Officers of the Company (the Independent Directors of the Board have the responsibility for establishing the salary, incentive compensation, non-wage benefits and perquisites of the Chief Executive Officer of the Company).

Set forth below is a report submitted by the members of the Committee addressing the Company's compensation policies for the fiscal year ended June 30, 2006 (Fiscal 2006) as they affected the Executive Officers of the Company.

Philosophy

The Company recognizes that a critical balance needs to be maintained between employee compensation and the successful pursuit of the Company's objective. The Company's objective is to compensate its workforce in a manner that attracts, retains, and motivates a workforce that is customer-driven and focused. To that end, the Company is committed to paying employees a competitive base salary for their knowledge, skill, experience, and responsibilities, as well as providing certain employees other incentives and benefits.

Incentive opportunities are primarily provided through the Company's Management Incentive Compensation Plan (MICP), the 1996 Plan and the 2005 Plan. The MICP has been designed to reward, recognize and motivate Executive Officers and key management employees for their contributions on a corporate-wide and as well as a functional/local basis. Under the MICP, each Executive Officer and key manager earns cash incentive compensation based on a target bonus percentage of his/her base salary upon the achievement of either corporate consolidated objectives or the achievement of a combination of corporate targets and local objectives. An employee's position with the Company and his/her overall responsibilities in the organization determine the target bonus opportunity percentage and whether his/her objectives are based on the corporate consolidated performance (at 100%) or a combination of corporate (at 50%) and regional (at 50%) performance. In addition to the MICP, the Company's 1996 Plan and the 2005 Plan authorize the Committee to provide Directors, Employees and Consultants of the Company, who are in a position to contribute to the long-term success of the Company, equity compensation in the form of options, stock appreciation rights (SARs), restricted stock, restricted stock units and other awards.

Depending upon their responsibilities, certain employees may also be eligible to receive other benefits such as annual physicals, a company automobile, life insurance, a supplemental retirement benefit, and long-term disability insurance.

Executive Officers Disclosure

General. For each of the Executive Officers of the Company named in the Summary Compensation Table below, compensation consists of a base salary (which is set by the officer's employment agreement, subject to adjustment by the Compensation Committee or the Board as provided therein), a bonus (which is calculated in accordance with the MICP referred to in the Philosophy section above), equity compensation awards (which are tied to the long-term performance of the Company, as reflected by its stock price), and other perquisites. Certain of these Executive Officers also have supplemental retirement benefits which are reported in the Supplemental Retirement Benefits section below.

Fiscal 2006 Compensation.

Mr. Karl S. Puehringer joined the Company in November 2001 and was elected a Vice President, responsible primarily for Baldwin's European operations. His base salary is set by an employment agreement with the Company. During Fiscal 2006, Mr. Puehringer's base salary was increased from \$276,894 to \$286,751 and he earned a bonus of \$195,204 under the MICP. Mr. Puehringer was also granted 20,000 restricted stock units in November 2005 in recognition of his performance in carrying out his duties and responsibilities as President and COO. In June 2006, he was awarded 30,000 shares of restricted stock upon his election to the Company's Board of Directors.

Mr. Vijay C. Tharani joined the Company in June 2001 and was elected Vice President, Chief Financial Officer and Treasurer. His base salary is set by an employment agreement with the Company. Mr. Tharani was also awarded 15,000 shares of restricted stock in recognition of his performance in carrying out his duties as Vice President, Chief Financial Officer and Treasurer.

Mr. Shaun J. Kilfoyle re-joined the Company in September 2001 and was elected a Vice President in November, 2002. Since April 1, 2003, he has been responsible for Baldwin's Americas operations. His base salary is set by an employment agreement with the Company, effective as of January 1, 2003, and amended as of September 1, 2004. During Fiscal 2006, Mr. Kilfoyle's base salary was increased from \$186,300 to \$190,931 and he earned a bonus of \$125,603 under the MICP. Mr. Kilfoyle was also awarded 10,000 shares of restricted stock in recognition of his performance in carrying out his duties and responsibilities as Vice President.

Mr. Takayuki Miyaoku joined the Company in April 1997. Mr. Nathe was also awarded 25,000 shares of restricted stock in recognition of his performance in carrying out his duties and responsibilities as Chairman of the Board and Chief Executive Officer.

Deductibility of Compensation under Federal Income Taxes

Based on currently prevailing authority, including Treasury Regulations issued in December, 1995, and in consultation with outside tax and legal experts, the Committee has determined that it is unlikely that the Company will pay any amounts with respect to the fiscal year ending June 30, 2006 (Fiscal 2006) that would result in the loss of a federal income tax deduction under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), and accordingly has not recommended that any special actions be taken, or plans or programs be revised at this time in light of such tax law provision (except that the Company intends that stock options granted under the 1996 Plan and stock options or other awards made under the 2005 Plan, have an exercise price which is the fair market value of the stock on the date of grant and that such options qualify as performance-based compensation under Section 162(m) of the Code).

Effective March 19, 2001, the Company entered into a new employment agreement with Gerald A. Nathe, its Chairman (then President) and Chief Executive Officer, replacing an earlier agreement dated November 25, 1997. The new agreement was amended on February 26, 2002, August 13, 2002, July 11, 2003, July 30, 2005 and November 14, 2005; it expires November 15, 2007. For purposes of clause (a)(iii) above, in the event of the occurrence of certain events (unless Mr. Nathe votes in favor of them as a Director of the Company) such as any merger or consolidation or sale of substantially all of the assets of the Company or change in control or liquidation of the Company, or in the event the Company fails to observe or comply in any material respect with any of the provisions of the employment agreement, Mr. Nathe may, within six months of the happening of any such event, provide notice of termination of his employment to the Company, and the Company shall be obligated to pay Mr. Nathe severance in an amount equal to 2.9 times his then annual base salary. Mr. Nathe has agreed that, for a period of three years after the termination of his employment under the employment agreement, he will not compete, directly or indirectly, with the Company.

For purposes of clause (d) above, in the event of (i) any merger or consolidation or sale of substantially all of the assets of the Company resulting in a change in control, (ii) liquidation of the Company, or (iii) a material diminution in Mr. Puehringer's duties, then in each such case, Mr. Puehringer may, within six months of any such event, terminate his employment and be entitled to receive a severance payment in an amount equal to twice his then annual base salary. The

For purposes of clause (d) above, in the event of (i) any merger or consolidation or sale of substantially all of the assets of the Company resulting in a change in control, (ii) liquidation of the Company, or (iii) a material diminution in Mr. Tharani's duties, then in each such case, Mr. Tharani may, within six months of any such event, terminate his employment and be entitled to receive a severance payment in an amount equal to his then annual base salary.
