SCHEDULE 13D

Introduction

In June 2005, Telefónica Internacional, S.A., a wholly-owned subsidiary of Telefónica, S.A. (subsequently denominated Telefónica Internacional, S.A.U., in both instances, Telefónica Internacional), acquired from CNC Fund, L.P. 2.99% of the then-outstanding ordinary shares of China Netcom Group Corporation (Hong Kong) Limited (CNC), a telecommunications company organized under the laws of Hong Kong, for an equivalent of approximately 240 million.

From July 2005 to December 2007, Telefónica Internacional increased its stake to 333,971,305 ordinary shares in CNC, or 4.99% of the then-outstanding ordinary shares of CNC, through open market purchases for an equivalent of approximately 424 million.

On January 18, 2008, Telefónica Internacional reached an agreement to acquire, subject to certain conditions, an additional stake of 148,015,436 ordinary shares of CNC (the January Share Purchase Agreement). Closing is expected to take place later in September 2008.

On September 4, 2008, Telefónica Internacional and AllianceBernstein L.P. announced that they entered into a share purchase agreement (the Share Purchase Agreement) for the sale and purchase of (a) 178,721,782 ordinary shares of CNC, and (b) 2,512,000 ordinary shares underlying 125,600 American Depositary Shares (ADSs) that are registered under the Securities Exchange Act of 1934, as amended (such shares referred to in clauses (a) and (b), collectively, the Shares). (See Item 6 *Share Purchase Agreement*, and Exhibits 1 and 2 to this Schedule 13D.)

On September 4, 2008, Telefónica Internacional entered into an additional share purchase agreement with AllianceBernstein L.P. for the acquisition of a second tranche (the Second Tranche Acquisition) in respect of a number of shares in China Unicom Limited (CU), a telecommunications company organized under the laws of Hong Kong, to be issued after the merger of CU and CNC, which is expected to be effective in October 2008, in an exchange of shares representing up to a 3.03% stake in CNC. The completion of the Second Tranche Acquisition is subject to certain conditions, including but not limited to the successful completion of the scheme of arrangement of CNC (the Scheme) through which CNC will be merged with CU. Upon completion of the Second Tranche Acquisition, Telefónica Internacional's pro-forma shareholding in the enlarged entity resulting from the merger of CU and CNC following the completion of the Scheme would stand at approximately 5.50% (inclusive of the above-mentioned acquisitions of 148,015,436 ordinary shares of CNC pursuant to the January Share Purchase Agreement). (See Item 6 *Second Tranche Acquisition share purchase agreement*, and Exhibit 3 to this Schedule 13D.)

§ January Share Purchase Agreement

On January 18, 2008, Telefónica Internacional reached an agreement to acquire, subject to certain conditions, an additional stake of 148,015,436 ordinary shares of CNC (the January Share Purchase Agreement). Closing is expected to take place later in September 2008.

§ Letter of Undertaking.

The following summary of certain material provisions of the Letter of Undertaking (as defined below) does not purport to be a full and complete description of such document and is entirely qualified by reference to the full text of such document attached as Exhibit 4 to this Schedule 13D.

On June 1, 2008, Telefónica Internacional entered into a letter of undertaking with CU in connection with CU's proposed merger with CNC in accordance with the Scheme (the Letter of Undertaking). A copy of the Letter of Undertaking is included as Exhibit 4 to this Schedule 13D, and the description of the undertakings contained herein is qualified in its entirety by reference to Exhibit 4 to this Schedule 13D, which is incorporated herein by reference.

Pursuant to the Letter of Undertaking, Telefónica Internacional has undertaken that it shall not, among other things, (a) other than pursuant to the Scheme, sell, transfer, charge, encumber, grant any option over or otherwise dispose of any interest in (i) any ordinary shares of CNC beneficially owned by Telefónica Internacional as of the date of such Letter of Undertaking or (ii) any other shares or securities in CNC issued or unconditionally allotted to it or otherwise acquired by it (such shares referred to in clauses (i) and (ii), collectively, the Undertaking Shares); (b) accept, or procure the acceptance of, any other offer in respect of the Undertaking Shares; (c) vote in favor of any resolution which might result in any condition of the Scheme not being fulfilled; (d) other than pursuant to the Scheme, enter into any agreement or arrangement or permit any agreement or arrangement to be entered into or authorize or incur any obligation (i) to do any of the acts referred to in (a), (b) and (c) above or (ii) which, in relation to the Undertaking Shares, would or might restrict or impede it voting in favor of the Scheme; (e) sell or otherwise dispose of any shares or other securities of CU or any interest therein (including any derivatives

Table of Contents

referenced to such securities) or (f) requisition or join in requisitioning any general or class meeting of CNC without the prior consent of CU.

Telefónica Internacional has also undertaken that it shall not directly or indirectly solicit or encourage any person other than CU to make any offer for any shares or other securities of CNC or take any action which is or may be prejudicial to the successful outcome of the Scheme or which would or may have the effect of preventing any of the conditions of the Scheme from being fulfilled. Telefónica Internacional has further undertaken to exercise all voting rights attaching to the Undertaking Shares to vote in favor of all resolutions to approve the Scheme and any related matters necessary to implement the Scheme proposed at any general or class meeting (the EGM) and court convened meeting (the Court Meeting) of CNC to be convened and held in connection with the Scheme, or at any adjournment of any such meeting.

The Letter of Undertaking shall lapse if, among other things, (a) CU announces, with the consent of the Securities and Futures Commission of Hong Kong and before the Scheme Document is posted, that it does not intend to proceed with the Scheme; (b) the Scheme is not approved at the EGM or the Court Meeting by November 30, 2008; (c) the Scheme lapses or is withdrawn in accordance with its terms; or (d) there is a higher competing offer for CNC. In addition, the Letter of Undertaking would lapse if (i) since the date of the Letter of Undertaking, there has been a material adverse change in the business, financial or trading position of CU or (ii) the independent financial adviser appointed by the independent board committee of CNC does not render an opinion that certain proposals set forth in CNC's and CU's joint announcement dated June 2, 2008 are fair and reasonable.

§ Second Tranche Acquisition share purchase agreement.

The following summary of certain material provisions of the share purchase agreement with respect to the Second Tranche Acquisition does not purport to be a full and complete description of such documents and is entirely qualified by reference to the full text of such documents attached as Exhibit 3 to this Schedule 13D.

On September 4, 2008, Telefónica Internacional and AllianceBernstein L.P., for itself and on behalf of its affiliates, entered into a share purchase agreement for the sale and purchase of 182,336,159 ordinary shares of CNC and the 2,512,000 ordinary shares underlying 125,600 ADSs, subject to adjustment at closing. The maximum number of shares Telefónica Internacional agreed to ultimately purchase is 203,152,256. Such shares are subject to the underlying entitlement to the ordinary shares and ADSs of CU to be issued to AllianceBernstein L.P. and its affiliates pursuant to and in connection with the share exchange proposal (the Share Proposal) and the Scheme, including the withdrawal of the listing of CNC's ordinary shares on the Hong Kong Stock Exchange and the delisting of CNC's ADSs from the New York Stock Exchange, jointly announced by CNC and CU on June 2, 2008.

The aggregate purchase price payable for the shares shall be an average of the closing prices of the shares as quoted on the Hong Kong Stock Exchange for each of the 30 consecutive trading days immediately prior to the completion of the Scheme and the Share Proposal, subject to a minimum purchase price of HK Dollars 22.21 and a maximum purchase price of HK Dollars 24.55. The purchase price is also subject to adjustment at closing for any monetary distributions paid to or declared by CNC and received or to be received by or on behalf of the sellers on or after September 4, 2008. The closing is conditional on, among other things, the completion of the Share Proposal and the Scheme (the Closing Condition). Unless otherwise agreed, the closing date for each transaction is the date five (5) business days after the date on which the Closing Condition is satisfied, which date is expected to be on or before October 15, 2008 and in any event no later than December 15, 2008 or such later date as the parties may agree (the Long Stop Date).

Table of Contents

Each party has the right to terminate this share purchase agreement if the Closing Condition is not satisfied by the Long Stop Date. Each of the parties made customary warranties in connection with such sale and purchase. Each of AllianceBernstein L.P. and its affiliates also undertook to Telefónica Internacional that, until the Long Stop Date or the date the share purchase agreement is terminated, whichever is earlier, it shall not dispose of or enter into any agreement or arrangement to dispose of or permit the disposal of any of the applicable shares.
