The proxy statement contains important information about the Annual Meeting, the proposals we will consider and how you can vote your shares. The Securities and Exchange Commission has adopted a Notice and Access rule that allows companies to deliver a Notice of Internet Availability of Proxy Materials, which we refer to as the Notice of Internet Availability, to shareholders in lieu of a paper copy of the proxy statement and related materials and the Company's Annual Report to Shareholders, which we refer to as the Proxy Materials. The Notice of Internet Availability provides instructions as to how shareholders can access the Proxy Materials online, contains a listing of matters to be considered at the meeting, and sets forth instructions as to how shares can be voted. Shares must be voted either by telephone, online or by completing and returning a proxy card. **Shares cannot be voted by marking, writing on and/or returning the Notice of Internet Availability. Any Notices of Internet Availability that are returned will not be counted as votes.** Instructions for requesting a paper copy of the Proxy Materials are set forth on the Notice of Internet Availability.

Your vote is very important to us. We encourage you to promptly complete, sign, date and return the enclosed proxy card, which contains instructions on how you would like your shares to be voted. **Please submit your proxy regardless of whether you will attend the Annual Meeting.** This will help us ensure that your vote is represented at the Annual Meeting. Signing this proxy will not prevent you from voting in person should you be able to attend the meeting, but will assure that your vote is counted, if for any reason, you are unable to attend.

On behalf of the board of directors and the management of Compass Group Diversified Holdings LLC, I extend our appreciation for your investment in Compass Diversified Holdings. We look forward to seeing you at the Annual Meeting.

Sincerely,

PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS**

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors of Compass Group Diversified Holdings LLC, which we refer to as the Company, a Delaware limited liability company, for the 2011 Annual Meeting of Shareholders of Compass Diversified Holdings, which we refer to as the Trust, to be held on May 19, 2011 at 9:00 a.m., Eastern Time, at the Hilton Rye Town, 699 Westchester Avenue, Rye Brook, New York 10573 and for any adjournments or postponements of the 2011 Annual Meeting of Shareholders. We refer to the 2011 Annual Meeting of Shareholders as the Annual Meeting. The notice of Annual Meeting, proxy statement and proxy are first being mailed or provided to shareholders on or about April 5, 2011.

PURPOSE OF MEETING

As described in more detail in this proxy statement, the Annual Meeting is being held for the following purposes:
to elect two directors to our board of directors, each to serve for a three-year term;

to conduct an advisory vote on executive compensation;

to hold an advisory vote on whether the shareholder advisory vote on executive compensation should occur every one, two or three years;

to vote on a proposal to ratify the selection of Grant Thornton LLP to serve as the independent auditor for the Trust and the Company for the fiscal year ending December 31, 2011; and

to transact such other business as may properly come before the meeting.

ATTENDING AND VOTING AT THE ANNUAL MEETING

Broadridge Financial Solutions, Inc., which we refer to as Broadridge, has been selected as our inspector of election. As part of its responsibilities, Broadridge is required to independently verify that you are a shareholder of Compass Diversified Holdings eligible to attend the Annual Meeting, and to determine whether you may vote in person at the Annual Meeting. Therefore, it is very important that you follow the instructions below to gain entry to the Annual Meeting.

Notice and Access

The SEC has adopted a Notice and Access rule that allows companies to deliver a Notice of Internet Availability of Proxy Materials, which we refer to as the Notice of Internet Availability, to shareholders in lieu of a paper copy of the proxy statement and related materials and the Company's Annual Report to Shareholders, which we refer to as the Proxy Materials. The Notice of Internet Availability provides instructions as to how shareholders can access the Proxy Materials online, contains a listing of matters to be considered at the meeting, and sets forth instructions as to how shares can be voted. Shares must be voted either by telephone, online or by completing and returning a proxy card. **Shares cannot be voted by marking, writing on and/or returning the Notice of Internet Availability. Any Notices of Internet Availability that are returned will not be counted as votes.** Instructions for requesting a paper copy of the Proxy Materials are set forth on the Notice of Internet Availability.

Important Notice Regarding Availability of Proxy Materials for the Annual Meeting to be Held on May 19, 2011:

The Proxy Materials are available at www.proxyvote.com. Enter the 12-digit control number located on the Notice of Internet Availability or proxy card.

Check-in Procedure for Attending the Annual Meeting

Shareholders of Record. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a shareholder of record or you represent a shareholder of record.

Individuals. If you are a shareholder of record holding shares in your own name, you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport). Trustees who are individuals and named as shareholders of record are in this category.

Individuals Representing a Shareholder of Record. If you attend on behalf of a shareholder of record, whether such shareholder is an individual, corporation, trust or partnership:

you must bring to the Annual Meeting a form of government-issued photo identification (e.g., a driver's license or passport); AND

either:

a letter from that shareholder of record authorizing you to attend the Annual Meeting on their behalf;
OR

we must have received by 5:00 p.m., Eastern Time, on May 18, 2011 a duly executed proxy card from the shareholder of record appointing you as proxy.

Beneficial Owners. If your shares are held by a bank or broker (often referred to as "holding in street name") you should go to the Beneficial Owners check-in area at the Annual Meeting. Because you hold in street name, your name does not appear on the share register of the Trust. The documents you will need to provide to be admitted to the Annual Meeting depend on whether you are a beneficial owner or you represent a beneficial owner.

Individuals. If you are a beneficial owner, you must bring to the Annual Meeting:

either:

a form of government-issued photo identification (e.g., a driver's license or passport); AND

a legal proxy that you have obtained from your bank or broker; OR

your most recent brokerage account statement or a recent letter from your bank or broker showing that you own shares of Compass Diversified Holdings.

Individuals Representing a Beneficial Owner. If you attend on behalf of a beneficial owner, you must bring to the Annual Meeting:

a letter from the beneficial owner authorizing you to represent its shares at the Annual Meeting; AND

the identification and documentation specified above for individual beneficial owners.

Voting in Person at the Annual Meeting

Shareholders of Record. Shareholders of record may vote their shares in person at the Annual Meeting by ballot. Each proposal has a separate ballot. You must properly complete, sign, date and return the ballots to the inspector of election at the Annual Meeting to vote in person. To receive ballots, you must bring with you the documents described below:

Individuals. You will receive ballots at the check-in table when you present your identification. If you have already returned your proxy card to us and do not want to change your votes, you do not need to complete the ballots. If you do complete and return the ballots to us, your proxy card will be automatically revoked.

Individuals Voting on Behalf of Another Individual. If you will vote on behalf of another individual who is a shareholder of record, **we must have received by 5:00 p.m., Eastern Time, on May 18, 2011** a duly executed proxy card from such individual shareholder of record appointing you as his or her proxy. If we have received the proxy card, you will receive ballots at the check-in table when you present your

identification.

Individuals Voting on Behalf of a Legal Entity. If you represent a shareholder of record that is a legal entity, you may vote that legal entity's shares if it authorizes you to do so. The documents you must provide to receive ballots at the check-in table depend on whether you are representing a corporation, trust, partnership or other legal entity.

If you represent a corporation, you must:

bring to the Annual Meeting a letter or other document from the corporation, on the corporation's letterhead and signed by an officer of the corporation, that authorizes you to vote the corporation's shares on its behalf; OR

we must have received by 5:00 p.m., Eastern Time, on May 18, 2011 a duly executed proxy card from the corporation appointing you as its proxy.

If you represent a trust, partnership or other legal entity, we must have received by 5:00 p.m., Eastern Time, on May 18, 2011 a duly executed proxy card from the legal entity appointing you as its proxy. A letter or other document will not be sufficient for you to vote on behalf of a trust, partnership or other legal entity other than a corporation.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. Because your name does not appear on the share register of the Trust, you will not be able to vote in person at the Annual Meeting unless you request a legal proxy from your bank or broker and bring it with you to the Annual Meeting.

Individuals. As an individual, the legal proxy will have your name on it. You must present the legal proxy at check-in to the inspector of election at the Annual Meeting to receive your ballots.

Individuals Voting on Behalf of a Beneficial Owner. Because the legal proxy will not have your name on it, to receive your ballots you must:

present the legal proxy at check-in to the inspector of election at the Annual Meeting; AND

bring to the Annual Meeting a letter from the person or entity named on the legal proxy that authorizes you to vote its shares at the Annual Meeting.

APPOINTMENT OF PROXY

Shareholders of Record. We encourage you to appoint a proxy to vote on your behalf by promptly submitting the enclosed proxy card, which is solicited by our Board and which, when properly completed, signed, dated and returned to us, will ensure that your shares are voted as you direct. We strongly encourage you to return your completed proxy to us regardless of whether you will attend the Annual Meeting to ensure that your vote is represented at the Annual Meeting.

PLEASE RETURN YOUR PROXY CARD TO US IN THE ACCOMPANYING ENVELOPE, OR SUBMIT YOUR VOTE BY TELEPHONE OR ONLINE, NO LATER THAN 5:00 P.M., EASTERN TIME, ON MAY 18, 2011. IF WE DO NOT RECEIVE YOUR PROXY CARD BY THAT TIME, YOUR PROXY WILL NOT BE VALID. IN THIS CASE, UNLESS YOU ATTEND THE ANNUAL MEETING, YOUR VOTE WILL NOT BE REPRESENTED.

The persons named in the proxy card have been designated as proxies by our Board. The designated proxies are officers of the Company. They will vote as directed by the completed proxy card.

Shareholders of record may appoint another person to attend the Annual Meeting and vote on their behalf by crossing out the Board-designated proxies, inserting such other person's name on the proxy card and returning the duly executed proxy card to us. When the person you appoint as proxy arrives at the Annual Meeting, the inspector of election will verify such person's authorization to vote on your behalf by reference to your proxy card. If you would like to appoint a person as proxy other than those designated by our Board, you must do so by using the proxy card, as described above.

If you wish to change your vote, you may do so by revoking your proxy before the Annual Meeting. Please see APPOINTMENT OF PROXY Revocation of Proxy below for more information.

Beneficial Owners. If you hold your shares in street name, these proxy materials are being forwarded to you by your bank, broker or their appointed agent. You should also have received a voter instruction card instead of a proxy card. Your bank or broker will vote your shares as you instruct on the voter instruction card. We strongly encourage you to promptly complete and return your voter instruction card to your bank or broker in accordance with their instructions so that your shares are voted. As described above, you may also request a legal proxy from your bank or broker to vote in person at the Annual Meeting.

Voting by the Designated Proxies

The persons who are the designated proxies will vote as you direct in your proxy card or voter instruction card. Please note that proxy cards returned without voting directions, and without specifying a proxy to attend the Annual Meeting and vote on your behalf, will be voted by the proxies designated by our Board in accordance with the

recommendations of our Board. Our Board recommends:

a vote **FOR** each of the two nominees for director, each to serve for a three-year term (Proposal 1);

a vote **FOR** the approval of the compensation of our executive officers as disclosed in the proxy statement (Proposal 2);

A vote **FOR** the approval of the proposal that the shareholder advisory vote on executive compensation occur every two years (Proposal 3); and

a vote **FOR** the proposal to ratify the selection of Grant Thornton LLP as the Trust's and the Company's independent auditor for the fiscal year ending December 31, 2011 (Proposal 4).

If any other matter properly comes before the Annual Meeting, your proxies will vote on that matter in their discretion.

Revocation of Proxy

You may revoke or change your proxy before the Annual Meeting by:

sending us a duly executed written notice of revocation prior to the Annual Meeting;

attending the Annual Meeting and voting in person; OR

ensuring that we receive from you, **prior to 5:00 p.m., Eastern Time, on May 18, 2011** a new proxy card with a later date, including receipt of a new proxy card submitted online.

Any written notice of revocation must be sent to the attention of Carrie W. Ryan, Secretary, Compass Group Diversified Holdings LLC, Sixty One Wilton Road, Westport, Connecticut 06880 or by facsimile to (203) 221-8253.

APPROVAL OF PROPOSALS AND SOLICITATION

Each shareholder who owned shares of Trust stock on March 24, 2011, the record date for the determination of shareholders entitled to vote at the Annual Meeting, is entitled to one vote for each share of Trust stock. On March 24, 2011, we had 46,725,000 shares of Trust stock issued and outstanding that were held by more than 20,000 beneficial holders.

Quorum

Under the Amended and Restated Trust Agreement of the Trust, dated April 25, 2006, as amended, which we refer to as the Trust Agreement, the shareholders present in person or by proxy holding a majority of the outstanding shares of Trust stock entitled to vote shall constitute a quorum at a meeting of shareholders of Compass Diversified Holdings. Holders of shares of Trust stock are the only shareholders entitled to vote at the Annual Meeting. Shares represented by proxies that are marked "abstain" will be counted as shares present for purposes of determining the presence of a quorum. Shares of Trust stock that are represented by broker non-votes will be counted as shares present for purposes of determining the presence of a quorum. A broker non-vote occurs when the broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power to vote on that proposal without specific voting instructions from the beneficial owner. Proposals 1, 2 and 3 described in this proxy are non-discretionary items and Proposal 4 described in this proxy is a discretionary item.

If the persons present or represented by proxies at the Annual Meeting do not constitute a majority of the holders of outstanding Trust stock entitled to vote as of the record date, we will postpone the Annual Meeting to a later date.

Approval of Proposals

For the election of directors (Proposal 1) and for the advisory vote on the frequency of the shareholder advisory vote on executive compensation (Proposal 3), the affirmative vote of at least a plurality of the votes cast on each such proposal is required. The advisory vote on executive compensation (Proposal 2) requires the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the annual meeting. Because your votes on Proposal 2 and Proposal 3 are advisory, they will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation and determining the frequency of conducting an advisory vote on executive compensation. For the approval of the proposal to ratify the selection of Grant Thornton LLP as the independent auditor for the Trust and the Company (Proposal 4), the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the Annual Meeting is required. An abstention will not be counted as a vote cast. With the exception of certain business combinations, as such term is defined in the Trust Agreement, any other proposal that properly comes before the Annual Meeting must be approved by the affirmative vote of at least a majority of the outstanding shares present in person or represented by proxy at the annual meeting. A broker non-vote would also not be counted as a vote cast.

Edgar Filing: Compass Group Diversified Holdings LLC - Form DEF 14A

Proposal 4 is a discretionary item. New York Stock Exchange (NYSE) member brokers that do not receive instructions from beneficial owners may vote your shares in their discretion. Proposals 1, 2 and 3 are non-discretionary items and member brokers may not vote on the proposal without specific voting instructions from beneficial owners, resulting in a broker non-vote.

Under the terms of the Third Amended and Restated Operating Agreement of Compass Group Diversified Holdings LLC, dated as of November 1, 2010, which we refer to as the LLC Agreement, and the Trust Agreement, with respect to those matters subject to vote by the members of the Company, the Company will act at the direction of the Trust. The Trust Agreement requires Compass

Diversified Holdings to vote 100% of the limited liability interests of the Company, or the LLC interests, of which it is the sole holder, in the same proportion as the vote of holders of the Trust stock. In this way the voting rights of members of the Company will effectively be exercised by the shareholders of the Trust by proxy. The LLC Agreement provides that the members are entitled, at the annual meeting of members of the Company, to vote for the election of all of the directors other than the director appointed by our manager, Compass Group Management LLC, which we refer to as our Manager. At this meeting, Class II directors will be elected in accordance with the LLC Agreement. See PROPOSAL 1: ELECTION OF DIRECTORS Board Composition for a description of Class II directors. The Trust will vote its LLC interests as directed at the Company's annual members meeting promptly following the tabulation of votes cast at this Annual Meeting.

All votes will be tabulated by Broadridge, the proxy tabulator and inspector of election appointed for the Annual Meeting. Broadridge will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Solicitation of Proxies

We will bear the cost of the solicitation of proxies, including the preparation, printing and mailing of this proxy statement and the proxy card. We have also retained Broadridge to distribute copies of these proxy materials to banks, brokers, fiduciaries and custodians, or their agents holding shares in their names on behalf of beneficial owners so that they may forward these proxy materials to our beneficial owners.

We may supplement the original solicitation of proxies by mail with solicitation by telephone, telegram and other means by directors, officers and/or employees of our Manager. We will not pay any additional compensation to these individuals for any such services.

PROPOSAL 1: ELECTION OF DIRECTORS

Board Composition

Our board of directors, which we sometimes refer to as our Board, consists of seven directors, six of whom were initially appointed by our Manager at the time of our initial public offering, and five of whom are the Company's independent directors. Our Board has the ability to decrease or increase the size of the board of directors to no less than five or up to thirteen directors, respectively. Six of our directors are elected by our shareholders and one director is appointed by our Manager. The Board is divided into three classes serving staggered three year terms. The terms of office of Classes I, II and III expire at different times in annual succession, with one class being elected at each annual meeting of shareholders. Messrs. Bottiglieri and Burns are Class II members and are up for re-election at this year's Annual Meeting. Messrs. Day and Ewing are Class III members and will serve until the 2012 Annual Meeting. Messrs. Edwards and Lazarus are Class I members and will serve until the 2013 Annual Meeting.

Pursuant to the LLC Agreement, as holder of the allocation interests, our Manager has the right to appoint one director to the Company's board of directors. Mr. Offenberg, our chief executive officer, has been appointed as the Manager's appointed director and is currently serving as the director appointed by our Manager. Any appointed director will not be required to stand for election by the shareholders.

Director Independence

Pursuant to our governing documents, our Board will consist of at least a majority of independent directors at all times. Our Board has reviewed the materiality of any relationship that each of our directors has with the Trust or the Company, either directly or indirectly. Based on this review, the Board has determined that the following directors are independent directors as defined by the New York Stock Exchange: Messrs. Burns, Day, Edwards, Ewing and Lazarus.

Election of Directors

The Class II directors will be elected at the Annual Meeting and will serve a term that expires at our 2014 Annual Meeting. Messrs. Bottiglieri and Burns have been nominated for re-election as Class II directors. Each of Mr. Bottiglieri and Mr. Burns was nominated by the board of directors upon the recommendation of the nominating and corporate governance committee.

The following paragraphs describe the business experience and education of Messrs. Bottiglieri and Burns.

James J. Bottiglieri has served as a director of the Company since December 2005, as well as its chief financial officer since its inception on November 18, 2005. Mr. Bottiglieri provides the Board with Company-specific experience and expertise, in addition to his substantial expertise in accounting, tax and other financial matters.

Gordon M. Burns has served as a director of the Company since May 2008. Mr. Burns has been a private investor since 1998. Previously, he was responsible for investment banking at UBS Securities and before that was a managing director at Salomon Brothers Inc. Mr. Burns is a graduate of Yale University and the Harvard Business School. Our Board benefits from the insights gleaned from these experiences.

The following paragraphs describe the business experience and education of our Class I and III directors and the Manager's appointed director (not standing for re-election).

Mr. Lazarus is a graduate of Vanderbilt University. Mr. Lazarus served on the board of directors of Cincinnati Bell, a NYSE listed company, from 2009 through 2011.

Mr. Lazarus' extensive experience in the media industry provides the Board with an important perspective in the areas of marketing and use of media by our Company and its subsidiaries. Mr. Lazarus' management and leadership experience provides the Board with guidance on the skills necessary to lead and properly manage our subsidiaries.

C. Sean Day has served as chairman of the board of directors of the Company since April 2006. Mr. Day has been the president of Seagin International, and he was the chairman of our Manager's predecessor from 1999 to 2006. Mr. Day's experiences as both an operating executive and investor are invaluable to our Board, and enable him to effectively serve as our chairman. Furthermore, Mr. Day's substantial experience as a director of other companies, both public and private, adds an important dimension to our Board and provides valuable insight on governance practices and risk management. In addition, his leadership experience and knowledge of global investment decisions and related risks provides the Board with an important global perspective.

D. Eugene Ewing has served as a director of the Company since April 2006. Mr. Ewing has been the managing member of Deeper Water Consulting, LLC, a private wealth and business consulting company since March, 2004. Previously, Mr. Ewing was with the Fifth Third Bank. Alan B. Offenberg has served as a director and chief executive officer of the Company since February 2011. Mr. Offenberg has also been a partner of our Manager and its predecessor since 1998. overall functioning of the Board.

Recommendation of the Board

Our board of directors recommends that you vote **FOR** the election of Messrs. Bottiglieri and Burns to our Board as Class II directors for a term ending at our 2014 Annual Meeting.

PROPOSAL 2 ADVISORY VOTE REGARDING EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our shareholders to vote to approve, on an advisory (nonbinding) basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with applicable SEC rules.

Our compensation policy is designed to enable us to attract, motivate, reward and retain the management talent required to achieve our objectives, and thereby increase shareholder value. Please see the section titled Compensation Discussion and Analysis and the related compensation tables below for additional details about our executive compensation policy, including information about the fiscal year 2010 compensation of our named executive officers.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a say-on-pay proposal, gives our shareholders the opportunity to express their views on our named executive officers compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officer and the philosophy, policies and practices described in this proxy statement. We believe our overall compensation policy accomplishes our compensation goals of attracting and retaining a qualified and talented chief financial officer. Accordingly, we will ask our shareholders to vote FOR the following resolution at the Annual Meeting:

RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the named executive officer, as disclosed in the Company's Proxy Statement for the 2011 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

The say-on-pay vote is advisory, and therefore not binding on the Company, the compensation committee or our board of directors. Our board of directors and our compensation committee value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider the results of the vote in future compensation deliberations and evaluate whether any actions are necessary to address shareholder concerns.

Recommendation of the Board

Our board of directors recommends that you vote **FOR** the resolution approving the compensation of our executive officer as disclosed in this proxy statement.

PROPOSAL 3 FREQUENCY OF ADVISORY VOTE REGARDING EXECUTIVE COMPENSATION

The Dodd-Frank Act also enables our shareholders to indicate how frequently we should seek an advisory vote on the compensation of our named executive officer, as disclosed pursuant to the SEC's compensation disclosure rules. By voting on this Proposal 3, shareholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every one, two, or three years. After careful consideration of this Proposal, our board of directors has determined that an advisory vote on executive compensation that occurs every two years is the most appropriate alternative for our Company.

Our Board has determined that an advisory vote on executive compensation that occurs every two years is the most appropriate alternative for our Company, and therefore our Board recommends that you vote for a two-year interval for the advisory vote on executive compensation. The board believes that an advisory vote on "say on pay" every other year represents an appropriate balance between receiving shareholder input and the need for stability and continuity with respect to corporate policies. By holding the vote every other year, we can achieve our goal of attracting and retaining a qualified and talented chief financial officer while receiving frequent shareholder input into our compensation policy and objectives.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years, three years or abstain from voting when you vote in response to the resolution set forth below.

RESOLVED, that the option of once every one year, two years, or three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which the Company is to hold a shareholder vote to approve the compensation of the named executive officer, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

While this vote is advisory and non-binding in nature, it is the intention of the Board to adopt a policy to seek an advisory vote on the compensation of our named executive officers with the frequency desired by our shareholders as expressed by their vote on this proposal. Shareholders should be aware that they are not voting for or against the board's recommendation to hold an advisory vote on executive compensation every two years. Rather, shareholders will be casting votes to recommend an advisory vote on executive compensation every year, once every two years or once every three years, or they may abstain entirely from voting.

Recommendation of the Board

Our board of directors recommends that you vote **FOR** future advisory votes on the compensation of our executive officer to occur every two years.

PROPOSAL 4 -RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR**General**

Our Board has recommended and asks that you ratify the selection of Grant Thornton LLP as independent auditor for the Company and the Trust for the fiscal year ending December 31, 2011. You would be so acting based on the recommendation of our audit committee.

Representatives of Grant Thornton LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to questions.

The audit committee has also delegated to the chairman of the committee the authority to approve additional audit and non-audit services and, subject to compliance with all applicable independence requirements, to approve the engagement of additional accounting firms to provide such services. The audit committee or its chairman has pre-approved all of the services provided by Grant Thornton LLP since its engagement. All other audit-related, tax and other fees may be approved by the audit committee prospectively.

In making its recommendation to ratify the selection of Grant Thornton LLP as independent auditor for the fiscal year ending December 31, 2011, the audit committee has considered whether the services provided by Grant Thornton LLP are compatible with maintaining the independence of Grant Thornton LLP and has determined that such services do not interfere with Grant Thornton LLP's independence.

Recommendation of the Board

Our board of directors recommends that, based on the recommendation of the audit committee, you vote **FOR** the ratification of the selection of Grant Thornton LLP to serve as independent auditor for the Company and the Trust for the fiscal year ending December 31, 2011.

Board Leadership Structure and Role of Risk Oversight

Generally. The LLC Agreement provides that the chairman is elected by a majority of the Board and must be a member of the board of directors. The chairman is not required to be an employee of the Company. Likewise, the LLC Agreement provides that the chief executive officer is elected by the board of directors. Although there is no requirement that the chief executive officer and the chairman be separate positions, the Board has currently chosen to separate the chief executive officer and chairman of the Board positions. The Board believes the current separation of these roles helps to ensure good Board governance and fosters independent oversight to protect the long term interests of the Company's private and institutional shareholders. In addition, the Board believes this separation is presently appropriate as it allows our chief executive officer to focus primarily on leading the Company's day-to-day business and affairs while the chairman can focus on leading the Board in its consideration of strategic issues and monitoring corporate governance and shareholder matters.

Risk Oversight. The board of directors performs a majority of its role in risk oversight through the audit committee. The audit committee charter provides that the audit committee shall assist the Board in fulfilling its oversight responsibility relating to the evaluation of enterprise risk issues. In addition, the audit committee, pursuant to its charter, discusses with management, the vice president of internal audit and internal audit service providers, as the case may be, and the independent accountant, the Company's major risk exposures (whether financial, operational or both) and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Company's internal audit department supervises the day-to-day risk management responsibilities of the Company and reports directly to the audit committee, which is comprised solely of independent directors. In addition, during each quarterly meeting of the audit committee, the members of the audit committee meet with the Company's vice president of internal audit and independent accountant, in each case, without management present, to discuss the specific areas of risk identified during the quarter, if any. The audit committee is authorized to utilize outside lawyers, internal staff, independent experts, and other consultants to assist and advise the committee in connection with its responsibilities, including the evaluation of the Company's major risk exposures. The Company's management team regularly evaluates the risks inherent to the businesses of the Company's subsidiaries and periodically reports the results of such evaluations to the full Board for consideration. The Board believes that the foregoing processes for overseeing risk ensures that independent directors are aware of the Company's major risk exposures.

Board Meetings and Committees

Our Board met nine times during 2010. All independent directors attended at least 75% of the combined Board and committee meetings on which they served in 2010.

The LLC Agreement gives our Board the authority to delegate its powers to committees appointed by the Board. All of our standing committees are composed solely of independent directors. Our committees are required to conduct meetings and take action in accordance with the directions of the Board, the provisions of our LLC Agreement and the terms of the respective committee charters. We have three standing committees: the audit committee, the

compensation committee and the nominating and corporate governance committee. Each of the audit committee, compensation committee and nominating and corporate governance committee may not delegate any of its authority to subcommittees, unless otherwise authorized by the Board. Copies of all committee charters are available on our website at www.compassdiversifiedholdings.com, and in print from us without charge upon request by writing to Investor Relations at our principal executive offices at Sixty One Wilton Road, Westport, Connecticut 06880. The information on our

website is not, and shall not be deemed to be, incorporated by reference into this proxy statement or incorporated into any other filings that the Company or the Trust makes with the Securities Exchange Commission, which we refer to as the SEC.

Audit Committee. The audit committee is comprised entirely of independent directors who meet the independence requirements of the NYSE and Rule 10A-3 of the Exchange Act of 1934, as amended, which we refer to as the Exchange Act, and includes at least one audit committee financial expert, as required by applicable SEC regulations. The audit committee is responsible for, among other things:

retaining and overseeing our independent accountants;

assisting the Company's board of directors in its oversight of the integrity of our financial statements, the qualifications, independence and performance of our independent auditors and our compliance with legal and regulatory requirements;

reviewing and approving the plan and scope of the internal and external audit;

pre-approving any audit and non-audit services provided by our independent auditors;

approving the fees to be paid to our independent auditors;

reviewing with our chief executive officer and chief financial officer and independent auditors the adequacy and effectiveness of our internal controls;

preparing the audit committee report to be filed with the SEC; and

reviewing and assessing annually the audit committee's performance and the adequacy of its charter.

Messrs. Edwards, Ewing and Burns serve on our audit committee, and the Board has determined that Mr. Ewing qualifies as an audit committee financial expert, as defined by the SEC. The audit committee met six times during 2010.

Compensation Committee. The compensation committee is comprised entirely of independent directors who meet the independence requirements of the NYSE. In accordance with the compensation committee charter, the members are outside directors as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended, and non-employee directors within the meaning of Section 16 of the Exchange Act. The responsibilities of the compensation committee include:

reviewing our Manager's performance of its obligations under the Management Services Agreement;

reviewing the remuneration of our Manager and approving the remuneration paid to our Manager as reimbursement for the compensation paid by our Manager to our chief financial officer and the chief financial officer's staff;

determining the compensation of our independent directors;

granting rights to indemnification and reimbursement of expenses to the Manager and any seconded individuals; and

making recommendations to the Board regarding equity-based and incentive compensation plans, policies and programs.

Neither the compensation committee nor management has engaged compensation consultants to provide advice with respect to the form or amount of director compensation. During early 2011, the compensation committee conducted a survey of the director compensation practices of other companies that it considered roughly comparable

to the Company and also considered the time commitment and related burdens of Board service over the Company's history. Based upon the compensation committee's review, the compensation committee recommended to the full Board that the annual cash retainer payable to directors be increased by thirteen percent. The compensation committee also recommended that the annual equity compensation payable to directors and the Company's chairman be increased by thirty-five percent and thirty-three percent, respectively. The foregoing increases represent an aggregate increase in compensation for each of the Company's directors and its chairman of twenty percent. The full Board ratified the compensation committee's recommendation on March 3, 2011. The increases in compensation became effective as of January 1, 2011.

Messrs. Edwards, Ewing and Lazarus serve on our compensation committee. The compensation committee met one time during 2010.

Nominating and Corporate Governance Committee. The nominating and corporate governance committee is comprised entirely of independent directors who meet the independence requirements of the NYSE. The nominating and corporate governance committee is responsible for, among other things:

- recommending the number of directors to comprise the board of directors;

- identifying and evaluating individuals qualified to become members of the board of directors, other than our Manager's appointed director and his or her alternate, and soliciting recommendations for director nominees from the chairman and chief executive officer of the Company;

- recommending to the Board the director nominees for each annual shareholders' meeting, other than our Manager's appointed director;

- recommending to the board of directors the candidates for filling vacancies that may occur between annual shareholders' meetings, other than our Manager's appointed director;

reviewing independent director compensation and Board processes, self-evaluations and policies;

overseeing compliance with our code of ethics and conduct by our officers and directors; and

monitoring developments in the law and practice of corporate governance.

Messrs. Burns, Edwards, and Lazarus serve on our nominating and corporate governance committee. The nominating and corporate governance committee met one time during 2010.

Compensation Committee Interlocks and Insider Participation

None of the members of our compensation committee are, or have been, an officer or employee of the Company. During 2010, no member of our compensation committee had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K. None of our executive officers serves on a board of directors or compensation committee of a company that has an executive officer serving on our Board or compensation committee.

Executive Sessions of our Board

Our corporate governance guidelines provide that the non-management directors will meet without management directors at regularly scheduled executive sessions at least quarterly and at such other times as they deem appropriate. The non-management directors meet in regularly scheduled executive sessions. The independent directors meet in executive session at least once annually. In accordance with our corporate governance guidelines, the chairman of the Board, audit committee, nominating and corporate governance committee or compensation committee will preside at these executive sessions of the non-management directors as determined by the non-executive directors based upon the subject matter to be discussed. Mr. Day presided, and continues to preside, over sessions of the non-management directors. Our non-management directors met at least four times during 2010.

Nominations of Directors

As provided in its charter, the nominating and corporate governance committee will identify and recommend to the Board nominees for election or re-election to the Board. In addition, the committee may review candidates for the Board recommended by executive search firms, the Company's management and other members of the Board who are not members of the committee, as well as candidates recommended by shareholders, in accordance with the following criteria and as discussed in **BOARD OF DIRECTORS AND EXECUTIVE OFFICERS** Shareholder Nominations of Directors below.

The nominating and corporate governance committee, in making its recommendations regarding Board nominees, may consider some or all of the following factors, among others:

the candidate's judgment, skill, and experience with other organizations of comparable purpose, complexity and size, and subject to similar legal restrictions and oversight;

the relationship of the candidate's experience to the experience of other Board members;

the extent to which the candidate would be a valuable addition to the Board and any committees thereof;

whether or not the person has any relationships that might impair his or her independence, including any business, financial or family relationships with the Manager or the Company's management; and

the candidate's ability to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills, and knowledge of the industries in which the Company operates.

In recommending candidates for election as directors, the nominating and corporate governance committee will also take into consideration the need for the board of directors to have a majority of directors that are independent under the requirements of the NYSE and other applicable laws, and at least three directors that are independent under these requirements and are not appointed by the Manager pursuant to the terms of the Management Services Agreement or otherwise affiliated with our Manager.

In addition, the nominating and corporate governance committee will recommend candidates for election as directors based on the following criteria and qualifications:

Financial Literacy. Such person should be financially literate as such qualification is interpreted by the board of directors in its business judgment.

Leadership Experience. Such person should possess significant leadership experience, such as experience in business, finance/accounting, law, education or government, and shall possess qualities reflecting a proven record of accomplishment and ability to work with others.

Commitment to our Company's Values. Such person shall be committed to promoting our financial success and preserving and enhancing our reputation and shall be in agreement with our values as embodied in our code of ethics.

Absence of Conflicting Commitments. Such person should not have commitments that would conflict with the time commitments of a director of our Company.

Complementary Attributes. Such person shall have skills and talents which would be a valuable addition to the Board and any committees thereof and that shall complement the skills and talents of our existing directors.

Reputation and Integrity. Such person shall be of high repute and integrity.

Neither the nominating and corporate governance committee nor the board of directors has a formal policy with regard to the consideration of diversity in identifying director nominees; however, diversity is one of the criteria evaluated by the nominating and corporate governance committee when selecting Board nominees and re-electing Board members. The nominating and corporate governance committee seeks and recommends candidates for election or re-election with differences of viewpoint, professional experience, education, skill, and other individual qualities. The nominating and corporate governance committee charter provides that the committee endeavor to solicit as director candidates individuals possessing skills and talents which would complement the skills and talents of the Company's existing directors. In addition, before recommending that the Board nominate each new director candidate or re-nominate each incumbent director, the nominating and corporate governance committee assesses to what extent such individual's contributions will enhance the effectiveness of the Board and its committees given its overall current composition. Each year, the Board assesses the effectiveness of its diversity efforts, among other items, during its annual self-evaluation process. The nominating and corporate governance committee assesses annually the composition of the Board and each long standing committee. Under the Company's corporate governance guidelines, directors must inform the chairman of the Board and the chairman of the nominating and corporate governance committee in advance of accepting an invitation to serve on another public company board or any committee thereof.

Shareholder Nominations of Directors

To make a director nomination, a shareholder must give written notice to our Secretary at our principal executive office at Sixty One Wilton Road, Westport, Connecticut 06880, Attention: Investor Relations. To be considered for inclusion in our proxy statement for the 2012 Annual Meeting of Shareholders, shareholder nominations must be received by the Company no later than January 19, 2012. In order for a notice to be timely, it must be delivered to our Secretary at the principal executive office described in the preceding sentence not less than 120 days or more than 150 days prior to the first anniversary of the preceding year's annual meeting. In the event that the date of the annual meeting is more than 30 days before or more than 70 days after such anniversary date, notice by a shareholder must be so delivered not earlier than the close of business on the 120th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made by the Trust.

When directors other than the Manager's appointed director are to be elected at a special meeting, such notice must be given not earlier than the 120th day prior to such special meeting and not later than the close of business on the later of the 90th day prior to such special meeting or the 10th day following the day on which a public announcement is first made of the date of the special meeting and of the nominees proposed by the Board to be elected at such meeting.

In addition to any other requirements, for a shareholder to properly bring a nomination for director before either an annual or special meeting, the shareholder must be a shareholder of record on both the date of the shareholder's notice of nomination and the record date relating to the meeting.

The shareholder submitting the recommendation must submit:

the shareholder's name and address as they appear on the share register of the Trust, as well as the name and address of the beneficial owner, if any, on whose behalf the nomination is made;

the number of shares of Trust stock which are owned beneficially and of record by such shareholder and such beneficial owner, if any; and

a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons pursuant to which the recommendation is being made by the shareholder.

In addition, any such notice from a shareholder recommending a director nominee must include the following information:

the number of shares of Trust stock that are beneficially owned by the candidate;

a copy of the candidate's resume;

a written consent from the candidate to being named in the proxy statement as a nominee and to serving as director, if elected; and

any other information relating to such candidate that would be required to be disclosed in solicitations of proxies for election of directors under the federal securities laws, including Regulation 14A of the Exchange Act.

We may require any proposed nominee to furnish any additional information that we reasonably require to enable our nominating and corporate governance committee to determine the eligibility of the proposed nominee to serve as a director. Candidates are evaluated based on the standards, guidelines and criteria discussed above as well as other factors contained in the nominating and corporate governance committee's charter, our corporate governance guidelines, other of our policies and guidelines, and the current needs of the Board.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

We have entered into a management services agreement with our Manager, which we refer to as the Management Services Agreement. The Management Services Agreement defines our Manager's duties and responsibilities and is subject to the oversight and supervision of our Board. Our Manager is responsible for the conduct of the Company's day-to-day business and affairs and is entitled to receive a management fee for the provision of its services. The current executive officers, Messrs. Offenberg and Bottiglieri, are employed by our Manager and are seconded to the Company, which means that they have been assigned by our Manager to work for the Company during the term of the Management Services Agreement between us and our Manager. The Company does not have any other executive officers. Our Manager determines and pays the compensation of these officers who we refer to as the named executives, subject to the reimbursement described below.

Overview of our Executive Compensation

We do not pay any compensation to our executive officers seconded to us by our Manager. Our Manager is responsible for the payment of compensation to the executive officers seconded to us. We do not reimburse our Manager for the compensation paid to our chief executive officer, Alan B. Offenberg. We do, however, pay our Manager a quarterly management fee and our Manager uses the proceeds from the management fee, in part, to pay compensation to Mr. Offenberg. The Company has the right to require the Manager to replace Mr. Offenberg as its chief executive officer.

Pursuant to the Management Services Agreement with our Manager, we reimburse our Manager for the compensation paid to our chief financial officer, Mr. James J. Bottiglieri. Such reimbursement is approved by the Company's compensation committee. The terms and conditions of Mr. Bottiglieri's employment are governed by an employment agreement between Mr. Bottiglieri and our Manager. Mr. Bottiglieri's compensation is described below.

The discussion that follows relates to the compensation policies and philosophy for Mr. Bottiglieri only, as the compensation of the Company's chief executive officer is not reimbursed by the Company.

Elements of Our Executive Compensation and How Each Relates to Our Overall Compensation Objectives

Mr. Bottiglieri's employment agreement provides that his annual compensation is to be paid through a combination of a base salary and an annual cash bonus. Both elements are designed to be competitive with comparable employers in our industry and intended to provide incentives and reward Mr. Bottiglieri for his contributions to the Company.

Objectives of Our Executive Compensation and What it is Designed to Reward

The primary objective of the aforementioned elements of our executive compensation is to attract and retain a qualified and talented individual to serve as chief financial officer. Through payment of a competitive base salary, we recognize particularly the experience, skills, knowledge and responsibilities required of the chief financial officer position. An annual cash bonus is designed to reward our chief financial officer's individual performance during the year and can therefore be variable from year to year.

How We Determine the Amount of Each Element

To determine the amount of our chief financial officer's compensation, we consider competitive market practices, by reviewing publicly available information across our industry and related industries. We do not use compensation consultants at this time. When establishing Mr. Bottiglieri's 2010 base salary, the compensation committee and management considered a number of factors including: Mr. Bottiglieri's seniority, the functional role of his position, the level of his responsibility, the ability to replace Mr. Bottiglieri and the base salary of Mr. Bottiglieri during the prior year. In addition, the compensation committee of our board of directors considered whether such compensation achieves the objective of appropriately rewarding Mr. Bottiglieri for his contributions to our growth and profitability.

Mr. Bottiglieri's compensation is reviewed on an annual basis. Factors considered in determining increases to his salary level are: the employment market for chief financial officers of public entities comparable to the Company in size and industry, the breadth and scope of the responsibilities of the chief financial officer within our organization, Mr. Bottiglieri's performance in prior years (as assessed by our compensation committee in accordance with the factors as outlined below) and the retention of Mr. Bottiglieri. We expect the salary of our chief financial officer to increase annually with adjustments largely reflecting additional responsibilities assumed, growth of the Company and the related increase in the complexity of the position of chief financial officer within our organization, to appropriately

reward Mr. Bottiglieri for his contributions to our growth and profitability, thereby retaining his services and to compensate for cost of living increases.

The annual cash bonus element of our executive compensation policy is determined on a discretionary basis and is largely based upon the job performance of Mr. Bottiglieri in completing his responsibilities. In determining the amount of Mr. Bottiglieri's annual cash bonus, our compensation committee assesses Mr. Bottiglieri's performance in respect of: (i) the nature and quality of the internal and financial reporting controls; (ii) management of the Company's financial accounting staff; (iii) the performance of the Company's financial accounting function and its ability to perform assigned tasks on a timely basis; (iv) Mr. Bottiglieri's and the financial accounting staff's interactions with the Company's outside independent auditors on the strength of the controls environment, the strength of the Company's finance function generally, and the level of cooperation received by such independent auditors in the conduct of the Company's audit; (v) Mr. Bottiglieri's and the financial accounting staff's interaction with the management of the businesses in which the Company owns a controlling interest; and (vi) Mr. Bottiglieri's lead role in capital raises and in investor relations. Mr. Bottiglieri's bonus is not based upon the performance of the Company and is unrelated to the amount of Mr. Bottiglieri's base salary. The employment agreement for Mr. Bottiglieri defines the minimum amount of this element to be paid for any fiscal year to be \$100,000, but does not limit the amount of such compensation. The amount of the annual cash bonus paid to Mr. Bottiglieri in each of 2010, 2009 and 2008 was established by our chief executive officer and approved by our compensation committee. Such compensation is accrued quarterly in the Company's consolidated financial statements and is updated based on the amount approved by the compensation committee.

Employment Agreements

Employment Agreement with James J. Bottiglieri. During fiscal year 2008, our Manager entered into an amended and restated employment agreement with Mr. Bottiglieri, an executive vice president of the Manager. The Manager has seconded Mr. Bottiglieri to the Company to act as its chief financial officer.

On March 3, 2011, the compensation committee considered and approved an increase in Mr. Bottiglieri's base salary from \$390,000 to \$405,000. Such increase in base salary became effective as of January 1, 2011. The Manager has the right to increase, but not decrease, Mr. Bottiglieri's base salary during the term of his employment agreement. The employment agreement with our Manager provides that Mr. Bottiglieri is entitled to receive an annual bonus, which must not be less than \$100,000, as determined in the sole judgment of our Manager, subject to ratification and approval of the reimbursement of such amount by the compensation committee of our board of directors. Pursuant to Mr. Bottiglieri's employment agreement, if Mr. Bottiglieri terminates his employment for good reason or without good reason, or if the Manager terminates his employment other than for cause, Mr. Bottiglieri will be entitled to receive his accrued but unpaid base salary plus \$400,000. The employment agreement prohibits Mr. Bottiglieri from soliciting any of the Manager's or the Company's employees for a period of two years after the termination of his employment. The employment agreement also requires that Mr. Bottiglieri protect the Company's confidential information.

Outstanding Equity Awards at Fiscal Year-End; Option Exercises and Stock Vested

None of our named executives have ever held options to purchase interests in us or other awards with values based on the value of our interests.

Pension Benefits

None of our named executives participate in or have account balances in qualified or nonqualified defined benefit plans sponsored by us.

Nonqualified Deferred Compensation

None of our named executives participate in or have account balances in nonqualified defined contribution plans or other deferred compensation plans maintained by us.

Potential Payments upon Termination or Change in Control

The following summarizes potential payments payable to our executive officers upon termination of employment or a change in control.

Employment Agreement with James J. Bottiglieri. Pursuant to his employment agreement, if Mr. Bottiglieri terminates his employment for good reason or without good reason, or if the Manager terminates his employment without cause, Mr. Bottiglieri will be entitled to receive his accrued but unpaid base salary plus \$400,000. The Company is accruing this obligation to Mr. Bottiglieri over a six year period and accrued approximately \$31,000 for this obligation during fiscal year 2010.

Supplemental Put Agreement. Our Manager is also the owner of 100% of the allocation interests in the Company. Mr. Offenberg, through his ownership interest in our Manager shares in a portion of the proceeds of the allocation interests. Additionally, Mr. Bottiglieri indirectly shares in approximately 5% of the proceeds of the allocation interests. Concurrent with our initial public offering, we entered into a supplemental put agreement with our Manager, which we refer to as the Supplemental Put Agreement, pursuant to which our Manager shall have the right to cause the Company to purchase the allocation interests then owned by our Manager upon either (i) the termination of the Management Services Agreement (other than as a result of our Manager's resignation), or (ii) the resignation of our Manager on any date that is at least three years after the closing of our initial public offering. Essentially, the put rights granted to our Manager require us to acquire our Manager's initial allocation interests in the Company at a price based on the increase in fair value in the Company's businesses over its basis in those businesses. If we terminate the Management Services Agreement, the payment to the Manager will be determined at two times the increase in fair value in the Company's businesses over the Company's initial basis in those businesses. Each fiscal quarter the fair value of our subsidiaries is estimated for the purpose of determining the Company's potential liability associated with the Supplemental Put Agreement. Any change in the potential liability is accrued currently as a non-cash charge to earnings. For the year ended December 31, 2010, the Company recorded accruals of approximately \$32.5 million for the potential liability associated with the Supplemental Put Agreement. The Company paid approximately \$14.9 million in fiscal year 2008 for the Manager's share of the profit allocation from the sales of Aeroglide

Corporation and Silvue Technologies Group, Inc. No profit allocations were paid in fiscal years 2010 and 2009. Such profit allocation payments proportionately reduced the supplemental put liability. See the section CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS Contractual Arrangements with Related Parties Supplemental Put Agreement for additional information related to the Supplemental Put Agreement.

PRINCIPAL SHAREHOLDERS**

The following table sets forth information regarding the beneficial ownership of shares of Trust stock by each person who is known to us to be the beneficial owner of more than five percent of the outstanding shares of Trust stock, each of our directors and executive officers, and our directors and executive officers as a group as of March 31, 2011, based on 46,725,000 shares issued and outstanding. All holders of shares of Trust stock are entitled to one vote per share on all matters submitted to a vote of holders of shares of Trust stock. The voting rights attached to shares of Trust stock held by our directors, executive officers or major shareholders do not differ from those that attach to shares of Trust stock held by any other holder. Under Rule 13d-3 of the Exchange Act, beneficial ownership includes shares for which the individual, directly or indirectly, has voting power, meaning the power to control voting decisions, or investment power, meaning the power to cause the sale of the shares, whether or not the shares are held for the individual's benefit. The address for each director and executive officer is Sixty One Wilton Road, Westport, Connecticut, 06880.

- (2) Mr. Offenberg, as a member of the Manager, may be deemed to be the beneficial owner of 19% of the allocation interests held by the Manager. Mr. Bottiglieri may be deemed to be the beneficial owner of approximately 5% of the allocation interests in that he indirectly shares in approximately 5% of the proceeds of the allocation interests. Mr. Day may be deemed to be the beneficial owner of 5% of the allocation interests in that he indirectly shares in 5% of the proceeds of the allocation interests.
- (3) Each beneficial interest in the Trust corresponds to one underlying trust interest of the Company. Unless the Trust is dissolved, it must remain the sole holder of 100% of the trust interests and at all times the Company will have outstanding the identical number of trust interests as the number of outstanding shares of Trust stock. As a result of the corresponding interests between shares and trust interests, each holder of shares identified in the table above relating to the Trust is deemed to beneficially own a correspondingly proportionate interest in the Company.

AUDIT COMMITTEE REPORT

Our audit committee is composed of three independent directors, all of whom are financially literate. In addition, the Board has determined that Mr. Ewing, an independent director and the chairman of the audit committee, qualifies as an audit committee financial expert as defined by the SEC. The audit committee operates under a written charter, which reflects the NYSE listing standards and Sarbanes-Oxley Act requirements regarding audit committees. A copy of the audit committee charter is available on the Company's website at www.compassdiversifiedholdings.com.

The audit committee's primary role is to assist the Board in fulfilling its responsibility for oversight of (1) the quality and integrity of the consolidated financial statements and related disclosures, (2) compliance with legal and regulatory requirements, (3) the independent auditors' qualifications, independence and performance and (4) the performance of our internal audit and control functions.

The Company's management is responsible for the preparation of the financial statements, the financial reporting process and the system of internal controls. The independent auditors are responsible for performing an audit of the financial statements in accordance with auditing standards generally accepted in the United States, and issuing an opinion as to the conformity of those audited financial statements to U.S. generally accepted accounting principles. The audit committee monitors and oversees these processes.

The audit committee has adopted a policy designed to ensure proper oversight of our independent auditor. Under the policy, the audit committee is directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing any other audit review (including resolution of disagreements among management, the Manager, and the auditor regarding financial reporting), or attestation services. In addition, the audit committee is responsible for pre-approving any non-audit services provided by the Company's independent auditors. The audit committee's charter also ensures that the independent auditor discusses with the audit committee important issues such as internal controls, critical accounting policies, any instances of fraud and the consistency and appropriateness of our accounting policies and practices.

The audit committee has reviewed and discussed with management and Grant Thornton LLP, the Company's independent auditor, the audited financial statements as of and for the year ended December 31, 2010. The audit committee has also discussed with Grant Thornton LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). In addition, the audit committee has received from the independent auditor its written report required by Public Company Accounting Oversight Board Rule 3526 (Auditor Independence) and has discussed its independence from the Company and its management. The audit committee also considered whether the non-audit services provided by Grant Thornton LLP to us during 2010 were compatible with its independence as auditor.

Based on these reviews and discussions, the audit committee has recommended to the Board, and the Board has approved, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2010.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policy for Approval of Related Person Transactions

Our nominating and corporate governance committee, which is composed entirely of independent directors, is responsible for reviewing and approving, prior to our entry into any such transaction, all transactions in which we are a participant and in which any of the following related parties have or will have a direct or indirect material interest:

- our chief executive officer and/or chief financial officer;

- our directors; and

- other members of the management team involved in the oversight of the day-to-day operations of the Company and its subsidiaries.

Pursuant to the terms of our code of ethics, any transaction required to be disclosed pursuant to Item 404 of Regulation S-K (related party transactions) must be brought to the attention of, and reviewed and approved for potential conflict of interest by, our nominating and corporate governance committee. The Company may not enter into or engage in any related party transaction with a related party without such approval. Additionally, all related party transactions are to be considered and conducted in a manner such that no preferential treatment is given to any such dealing of transactions. All related party transactions involving an acquisition from or sale to an affiliate of our Manager, including any entity managed by an affiliate of our Manager, must be submitted to the nominating and corporate governance committee of our board of directors for pre-approval. Details of related party transactions will be publicly disclosed as required by applicable law.

Relationships with Related Parties

Our Manager

Our relationship with our Manager is governed principally by the following three agreements:

- the Management Services Agreement relating to the management services our Manager performs for us and the businesses we own and the management and transaction fees to be paid to our Manager in respect thereof;

- the Company's LLC Agreement setting forth our Manager's rights with respect to the allocation interests our Manager owns, including the right to receive profit allocations from the Company; and

the Supplemental Put Agreement relating to our Manager's right to cause the Company to purchase the allocation interests owned by our Manager.

While our Manager provides management services to the Company, our Manager is also permitted to provide services, including services similar to the management services provided to us, to other entities. In this respect, the Management Services Agreement and the obligation to provide management services will not create a mutually exclusive relationship between our Manager and the Company or our businesses. As such, our Manager, and our management team, will be permitted to engage in other business endeavors. Mr. James Bottiglieri, our chief financial officer, devotes a substantial portion of his time to our affairs.

Mr. Massoud, as managing member of our Manager, will beneficially receive the management fees, offsetting management fees, fees under any transaction services agreements and expense reimbursements related to the foregoing, and he will use such proceeds to pay the compensation, overhead, out-of-pocket and other expenses of our Manager, satisfy its contractual obligations and otherwise distribute such proceeds to the members of our Manager, which includes Mr. Offenberg, our chief executive officer, in accordance with our Manager's organizational documents.

Contractual Arrangements with Related Parties

Loan Agreements with each of our Subsidiaries

The Company is a party to a loan agreement with each of our businesses pursuant to which the Company will make loans and financing commitments to each of our businesses.

Management Services Agreement

The Company and our Manager are parties to the Management Services Agreement pursuant to which we pay our Manager a quarterly management fee equal to 0.5% (2.0% annualized) of the Company's adjusted net assets as of the last day of each fiscal quarter in respect of the services performed by our Manager. The management fee paid to our Manager is required to be paid prior to the payment of any distributions to shareholders. The management fee is offset by fees paid to our Manager by our businesses under management services agreements that our Manager entered into with, or was assigned with respect to, our businesses, which we refer to as offsetting management services agreements. We incurred approximately \$12.2 million of management fees under the Management Services Agreement during fiscal year 2010.

Offsetting Management Services Agreements

Our Manager has entered into and may, at any time in the future, enter into offsetting management services agreements directly with the businesses that we own relating to the performance by our Manager of offsetting management services for such businesses. All fees, if any, paid by the businesses that we own to our Manager pursuant to an offsetting management services agreement during any fiscal quarter offset, on a dollar-for-dollar basis, the management fee otherwise due and payable by the Company to our Manager under the Management Services Agreement for such fiscal quarter. The Manager has entered into offsetting management services agreements with all of the Company's subsidiaries. Offsetting management fees were approximately \$3.2 million during fiscal year 2010.

LLC Agreement

The Trust and our Manager are each equity holders of the Company's limited liability company interests and parties to the LLC Agreement relating to their respective interests in the Company. The LLC Agreement sets forth our Manager's rights with respect to its profit allocation interest among other things.

The Company will pay a profit allocation with respect to its businesses to our Manager, as holder of 100% of the allocation interests, upon the occurrence of certain events, if the Company's profits with respect to a business exceeding an annualized hurdle rate of 7%, which hurdle is tied to such business' adjusted net assets (as defined in the LLC Agreement) relative to the sum of all of our subsidiaries' adjusted net assets. The calculation of profit allocation with respect to a particular business will be based on:

such business' contribution-based profit, which generally will be equal to such business' aggregate contribution to the Company's profit during the period such business is owned by the Company; and
the Company's cumulative gains and losses to date.

Generally, a profit allocation will be paid in the event that the amount of profit allocation exceeds the annualized hurdle rate of 7% in the following manner: (i) 100% of the amount of profit allocation in excess of the hurdle rate of 7% but that is less than the

hurdle rate of 8.75%, which amount is intended to provide our Manager with an overall profit allocation of 20% once the hurdle rate of 7% has been surpassed; and (ii) 20% of the amount of profit allocation in excess of the hurdle rate of 8.75%. Our Manager has the right to cause the Company to purchase the allocation interests it owns, as described below under the heading **CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS** Supplemental Put Agreement.

Supplemental Put Agreement

As distinct from its role as our Manager, our Manager is also the owner of 100% of the allocation interests in the Company. Concurrent with our initial public offering, we entered into a Supplemental Put Agreement with our Manager pursuant to which our Manager shall have the right to cause the Company to purchase the allocation interests then owned by our Manager upon termination of the Management Services Agreement. Essentially, the put rights granted to our Manager require us to acquire our Manager's allocation interests in the Company at a price based on the increase in fair value in the Company's businesses over the Company's basis in those businesses. If we terminate the Management Services Agreement, the payment to the Manager will be determined at two times the increase in fair value in the Company's businesses over the Company's initial basis in those businesses. At any point in time, the supplemental put liability recorded on the Company's balance sheet is our Manager's estimate of what its allocation interests are worth based upon the increase in fair value of our businesses over our basis in those businesses. Because the supplemental put price would be calculated based upon an assumed profit allocation for the sale of all of our businesses, the growth of the supplemental put liability over time is indicative of our Manager's estimate of the Company's unrealized gains on its interests in our businesses. A decline in the supplemental put liability is indicative either of the realization of gains associated with the sale of a business and the corresponding payment of a profit allocation to our Manager, or a decline in our Manager's estimate of the Company's unrealized gains on its interests in our businesses. We account for the change in the estimated value of the supplemental put liability on a quarterly basis in our income statement. The expected value of the supplemental put liability affects our results of operations but it does not affect our cash flows or our cash flow available for distribution. See the financial statements included in our annual report accompanying this proxy statement and footnotes B and P thereto for further information concerning the Supplemental Put Agreement.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and officers, and persons who beneficially own more than ten percent of our Trust stock, to file initial reports of ownership and reports of changes in ownership of our Trust stock and our other equity securities with the Securities and Exchange Commission. As a practical matter, we assist our directors and officers by monitoring transactions and completing and filing Section 16 reports on their behalf. Based upon this assistance, as well as upon our review of copies of reports filed pursuant to Section 16(a) of the Exchange Act, we believe that all filings required to be made were timely made in accordance with the requirements of the Exchange Act in 2010, other than (1) a late Form 4 filed by Compass Group Investments, Ltd., CGI Diversified Holdings, LP, NAVCO Management, Inc. and Path Spirit LTD, a group filing, on April 22, 2010 relating to one transaction that took place on April 13, 2010, and (2) a late Form 4 filed by Alan B. Offenbergs on March 25, 2011 relating to one transaction that took place on January 29, 2010.
