PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
MAY 21, 2002

SOLICITATION, VOTING AND REVOCABILITY OF PROXIES

This Proxy Statement is furnished to stockholders of U.S. Physical Therapy, Inc. (the "Company") in connection with the solicitation by the Board of Directors of the Company of proxies to be used at the 2002 Annual Meeting of Stockholders (the "Annual Meeting") of the Company, to be held on Tuesday, May 21, 2002, at 9:00 a.m. (EDT), at the Grand Hyatt New York at Park Avenue (at Grand Central), New York, New York 10017, and at any adjournments thereof.

The Annual Meeting has been called for the following purposes: (1) to elect seven directors; and (2) to transact such other business as may properly come before the meeting or any adjournments thereof. If the enclosed form of proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. PROPERLY EXECUTED BUT UNMARKED PROXIES WILL BE VOTED FOR THE ELECTION OF THE SEVEN NOMINEES OF THE BOARD OF DIRECTORS AS DIRECTORS. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by the proxies on such matters as determined by a majority of the Board of Directors. This Proxy Statement is initially being mailed to stockholders on or about April 25, 2002.

The presence of a stockholder at the Annual Meeting will not automatically revoke such stockholder's proxy. Stockholders may, however, revoke a proxy at any time prior to its exercise by delivering to the Company a duly executed proxy bearing a later date, by attending the Annual Meeting and voting in person, or by filing a written notice of revocation with Dorothy N. Flato, Corporate Secretary of the Company, at the Company's principal executive offices, 3040 Post Oak Boulevard, Suite 222, Houston, Texas 77056.

The cost of soliciting proxies in the form enclosed herewith will be borne by the Company. In addition to the solicitation of proxies by mail, the Company, through its directors, officers and regular employees, may also solicit proxies personally or by telephone. The Company will also request persons, firms and corporations holding shares in their names or in the name of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners and will reimburse such holders for their reasonable expenses in doing so.

Edgar Filing: U S PHYSICAL THERAPY INC /NV - Form DEF 14A

The securities which can be voted at the Annual Meeting consist of shares of common stock of the Company with each share entitling its owner to one vote on all matters. There is no cumulative voting in the election of directors. The close of business on April 8, 2002 has been fixed by the Board of Directors as the record date for determination of stockholders entitled to vote at the meeting. The number of shares of the Company's common stock outstanding as of such date was 11,012,757. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting. Directors of the Company will be elected by a plurality vote of the votes cast at the Annual Meeting. Abstentions and broker non-votes will be treated as votes present for the purpose of determining a quorum at the Annual Meeting. Broker non-votes will not be counted as shares entitled to be voted on any matter.

A copy of the Annual Report to Stockholders for the year ended December 31, 2001 accompanies this Proxy Statement. THE COMPANY HAS FILED AN ANNUAL REPORT ON FORM 10-K FOR THE YEAR ENDED DECEMBER 31, 2001 (THE "FORM 10-K") WITH THE SECURITIES AND EXCHANGE COMMISSION (THE "SEC"). STOCKHOLDERS MAY OBTAIN, FREE OF CHARGE, A COPY OF THE FORM 10-K BY WRITING TO U.S. PHYSICAL THERAPY, INC., 3040 POST OAK BLVD., SUITE 222, HOUSTON, TEXAS 77056, ATTENTION: DOROTHY FLATO, CORPORATE SECRETARY.

ELECTION OF DIRECTORS

The Board of Directors is currently composed of eight members. All directors hold office until the next annual meeting of stockholders of the Company and until their successors have been elected and qualified. Prior to April 2, 2002 the number of Board members was fixed at nine. Effective February 28, 2002, J. Livingston Kosberg resigned as a director of the Company (although Mr. Kosberg will continue as a consultant to the Company). On April 2, 2002 the Board reduced the size of the Board to seven effective as of the Annual Meeting based upon a determination that the Board size was larger than necessary. Mr. Eddy J. Rogers, Jr., previously a director, decided not to stand for reelection to the Board. Mr. Rogers voted for the proposal to reduce the size of the Board. Neither Mr. Kosberg nor Mr. Rogers resigned or determined not to stand for reelection because of any disagreement with the Company on any matters relating to the Company's operations, policies or practices. There are no arrangements or understandings between the Company and any person pursuant to which such person has been elected as a director.

At the Annual Meeting, seven directors will be elected for one-year terms. Unless otherwise specified on the proxy, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election

2

as directors of each of the persons named below as nominees of the Board of Directors. Each of the nominees has consented to stand for election and will serve, if elected, as directors. However, if any person nominated by the Board of Directors fails to stand for election or is unable to accept election, the proxies will be voted for the election of such other person or persons as the Board of Directors may recommend. THE BOARD RECOMMENDS A VOTE FOR EACH OF THE NOMINEES FOR DIRECTOR.

CORPORATE GOVERNANCE AND OTHER MATTERS

AUDIT COMMITTEE DISCLOSURE

The Board of Directors has appointed an Audit Committee whose members currently consist of Messrs. Johnston (chairman), Broussard and Rogers. The Board has adopted a written Audit Committee Charter requiring the Audit Committee to consist of at least three members of the Board and each member of the Audit Committee is an "independent director" as that term is defined by Nasdaq Stock Market Rule 4200(a)(14) Audit Committee. The Audit Committee is responsible for, among other things: (i) engaging the Company's independent auditors, (ii) reviewing with the auditors the plan, scope and timing of the audit and any other services the auditors are asked to perform as well as the auditors' report on the Company's financial statements following completion of the audit, (iii) audit fees and (iv) the Company's policies and procedures with respect to internal accounting and financial controls. The Audit Committee met five times during 2001.

INDEPENDENT AUDITORS' FEES

Audit Fees. Aggregate fees for professional services rendered by KPMG LLP in connection with the audits of the Company's financial statements and reports for the fiscal year ended December 31, 2001 were \$78,815.

Financial Information Systems Design and Implementation Fees. During the fiscal year ended December 31, 2001, KPMG LLP rendered no professional services in connection with the design and implementation of financial information systems.

All Other Fees. In addition to the fees described above, aggregate fees of \$10,400 were paid to KPMG LLP during the fiscal year ended December 31, 2001 related to employee compensation consulting and assistance with filing of registration statements on Form S-8.

Edgar Filing: U S PHYSICAL THERAPY INC /NV - Form DEF 14A

The Audit Committee has discussed the non-audit services provided by KPMG LLP and the related fees and has considered whether those services and fees are compatible with maintaining auditor independence.

REPORT OF THE AUDIT COMMITTEE

In connection with the December 31, 2001 financial statements, the Audit Committee (1) reviewed and discussed the audited financial statements with management; (2) discussed with KPMG LLP the matters required by Statement on Auditing Standards No. 61; and (3) received and discussed with the auditors the matters required by Independence Standards Board Statement No. 1 and considered

5

the compatibility of non-audit services with the auditor's independence. Based upon these reviews and discussions, the Audit Committee has recommended to the Board of Directors, and the Board of Directors has approved, that the Company's audited financial statements be included in the Securities and Exchange Commission Annual Report on Form 10-K for the fiscal year ended December 31, 2001.

Respectively submitted,

The Audit Committee
Marlin W. Johnston, Chairman
Bruce D. Broussard
Eddy J. Rogers, Jr.

The Corporate Compliance Committee reviews and assesses the activities and findings of internal audits, the Audit Committee relative to the compliance program and reports of material noncompliance within the Company and approves resolutions and corrective actions proposed by management. During 2001, the Corporate Compliance Committee held four meetings.

In November 1994, the Board of Directors established the Executive Committee whose members are Messrs. Spradlin (chairman), Arnold and Hoover. Until his resignation in February 2002, Mr. Kosberg was a member and chairman of the Executive Committee. The Executive Committee assists management by providing advice and recommendations when needed and performs such other services as delegated by the Board of Directors. During 2001, the Executive Committee did not hold any meetings.

There is no separate Nominating Committee of the Board of Directors.

OTHER CORPORATE GOVERNANCE MATTERS

During 2001, the Company's Board of Directors held eight meetings. All directors attended at least 75% of the total number of meetings of the Board of Directors of the Company and of all committees of the Board of Directors during their tenure during 2001. Average attendance by directors at the aggregate number of Board and committee meetings for which they were scheduled to attend was 93%.

COMPENSATION OF DIRECTORS

Directors who are also employees of the Company are not compensated separately for serving on the Board. Each of the Company's directors who are not employees of the Company receives \$3,500 for attendance at each regular meeting of the Board of Directors. Directors are also reimbursed for their out-of-pocket travel and related expenses incurred in attending all Board and committee meetings. In June 2001, upon his election to the Board of Directors of the Company, Eddy J. Rogers, Jr., one of the Company's current non-employee directors, received a ten-year non-qualified option to purchase 45,000 shares of the Company's common stock, becoming exercisable over a five-year period. The exercise price of the option, which was granted under the Company's 1992 Stock Option Plan, is \$15.40 per share. In August 2001, the then six non-employee directors, Daniel C. Arnold, Bruce D. Broussard, James B. Hoover, Marlin W. Johnston, Albert L. Rosen and Eddy J. Rogers, Jr., each received ten-year non-qualified options to purchase 5,000 shares of the Company's common stock. The exercise price of these options, which were granted under the Company's 1992 Stock Option Plan, is \$16.34 per share. Stock options to directors become exercisable ratably over three years, subject to acceleration upon a change of control (as described in footnote (a) to "Option Grants in 2001 Fiscal Year"). All options issued under the 1992 Stock Option Plan expire thirty days after the termination of the recipient's position with the Company, thus Mr. Rogers' options will expire when he ceases to be a director on May 21, 2002.

J. Livingston Kosberg received \$12,500 and Mark J. Brookner received \$75,070 for serving as Chairman of the Board through May 2001 and Vice Chairman of the Board in 2001, respectively. REPORT ON EXECUTIVE COMPENSATION

The Board of Directors and its Compensation and Stock Option Committees have prepared the following report on the Company's policies with respect to the compensation of executive officers for 2001. The Board of Directors makes all decisions on compensation of the Company's executive officers (other than stock options) based upon recommendations of the Compensation Committee. Decisions as to the grant of stock options are made by the Stock Option Committee.

COMPENSATION OF EXECUTIVE OFFICERS

The compensation policies of the Company are designed to enable the Company to attract, motivate and retain experienced and qualified executives. The Company seeks to provide competitive compensation. The Company's policy has been to provide a significant component of an executive officer's compensation through the grant of stock options. The Company believes that grants of stock options to executives, as well as to employees generally, help align the interests of such persons with the interests of Company stockholders.

The following describes in more specific terms the elements of compensation of executive officers for 2001.

BASE SALARIES

Other than the base salary for the Company's Chief Executive Officer, which is set by an employment agreement (see "Employment and Consulting Agreements"), base salaries of executives are initially determined by evaluating the responsibilities of the position, the experience and knowledge of the individual and the competitive marketplace for executive talent. Base salaries for executive officers are reviewed annually by the Compensation Committee and the Board of Directors based on, among other things, individual performance and responsibilities.

INCENTIVE COMPENSATION

Based on performance, incentive opportunities are available to a wide range of Company employees. Incentive compensation is effective in reinforcing both the overall values of the Company and the specific operating goals of the various business units.

13

Incentive compensation programs are designed to focus employees' attention on the key performance goals of the Company, to identify the expected levels of performance and to reward individuals who meet or exceed such expectations. The aggregate amounts available for incentive awards are determined by the overall financial performance of the Company. The actual awards paid to individual recipients are formulated by management and approved by the Compensation Committee at its discretion.

STOCK OPTION AWARDS

The Company's 1992 Stock Option Plan, as amended (the "1992 Option Plan") and the Executive Stock Option Plan (the "Executive Option Plan") were approved by the Board of Directors and the stockholders of the Company to align employee and outside directors' interests with stockholders' interests, to provide incentives to key employees of the Company by encouraging their ownership of common stock and to aid the Company in attracting and retaining such key employees, upon whose efforts the Company's success and future growth

Edgar Filing: U S PHYSICAL THERAPY INC /NV - Form DEF 14A

depends. While certain options are outstanding under the Executive Option Plan, no options were granted under such plan during 2001 or will be granted under such plan in the future.

Options are granted at the discretion of the Stock Option Committee. Individual grant sizes are determined based on organizational and individual performance. At the discretion of the Stock Option Committee, and based on the recommendation of management, options may also be used as an incentive for candidates recruited to fill key positions.

During 2001, the Company granted options covering a total of 363,825 shares of Company common stock to 66 directors, officers and employees. This includes options granted under the 1999 Employee Stock Option Plan and options granted to individuals to induce employment. No options have been granted to the Named Executive Officers or directors under the 1999 Employee Stock Option Plan or as inducements of employment. The per share exercise price of all options granted in 2001 equaled the fair market value of a share of Company common stock on the date of grant.

Stock option grants made to executive officers in 2001 reflect significant individual performance and contributions relating to the Company's operations and an incentive to an executive officer to join the Company.

OTHER

The Company has a 401(k) profit sharing plan covering all employees with three months of service. The Company may make discretionary contributions of up to 50% of employee contributions. The Company did not make any contributions during 2001.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

Pursuant to employment agreements with the Company (see "Employment and Consulting Agreements"), Mr. Spradlin received a salary of \$250,000, \$220,000 and \$200,000 in 2001, 2000 and 1999, respectively. He also received bonuses totaling \$125,000, \$100,000 and \$50,000 in 2001, 2000 and 1999, respectively. Although Mr. Spradlin participated in the Company's 401(k) Plan from 1999 through 2001, the Company did not make any matching contributions to such plan during these years. In addition to cash compensation, Mr. Spradlin was granted 112,500 and 75,000 options to purchase shares of Company common stock under the 1992 Option Plan during 2001 and 2000, respectively.

In determining the appropriate compensation (other than base salary, which is fixed by an employment agreement with Mr. Spradlin), the Compensation Committee evaluates the overall performance of the Company under Mr. Spradlin's leadership, as well as his individual contributions to key strategic, financial and development objectives. The Compensation Committee does not utilize any specific quantitative factors or formulas in reviewing his performance or compensation.

COMPENSATION DEDUCTIBILITY POLICY

Under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") and applicable Treasury regulations, no deduction is allowed for annual compensation in excess of \$1 million paid by a publicly traded corporation to its chief executive officer and the four other most highly compensated officers. Under those provisions, however, there is no limitation on the deductibility of "qualified performance-based compensation."

Edgar Filing: U S PHYSICAL THERAPY INC /NV - Form DEF 14A

In general, the Company's policy is to maximize the extent of tax deductibility of executive compensation under the provisions of Section 162(m) so long as doing so is compatible with its determinations as to the most appropriate methods and approaches for the design and delivery of compensation to the Company's executive officers.

Respectfully submitted,
