PROXY STATEMENT

Edgar Filing: OMNI USA INC - Form DEF 14A

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON NOVEMBER 21, 2001

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Omni U.S.A., Inc., a Nevada corporation (the "Company" or "Omni"), of the enclosed proxy (the "Proxy") to be voted at the Company's 2001 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Wednesday, November 21, 2001, at the offices of Omni U.S.A., Inc., 7502 Mesa Road, Houston Texas 77028, at 10:00 a.m., Central Standard Time, or at such time and place to which the Annual Meeting may be adjourned or recessed, for the purposes set forth in the accompanying Notice. This Proxy Statement and the enclosed Proxy were first sent or given to the Company's shareholders on or about October 15, 2001.

Shares can be voted at the Annual Meeting only if the holder is present or represented by proxy. The Proxy, if properly executed on its face and returned, will be voted (or withheld or abstained from voting) according to the choices specified thereon. The Proxy will be voted in favor of (i) the election of each nominee named therein, unless a choice is indicated to withhold authority to vote for such nominee, and (ii) each proposal described therein unless a choice is indicated to vote against or to abstain from voting on any specific proposal. In addition, the proxy confers discretion in the persons named in the proxy authorizing those persons to vote, in their discretion, on any matters properly presented at the meeting. The presence, in person or by proxy, of at least a majority of the outstanding shares of Common Stock is required for a quorum. The election of directors and the approval of any other matters will require the affirmative vote of the holders of a majority of the shares of Common Stock entitled to vote and present in person or by proxy at the Annual Meeting. In the case of shares that are present at the Annual Meeting for quorum purposes, an abstention or not voting such shares for a particular nominee for director (including by withholding authority on the proxy) or an abstention on any other proposal will have the same effect as a vote against such director or proposal; and a broker non-vote will have no effect on the outcome of any proposals. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

GENERAL INFORMATION

Every stockholder of the Company is entitled to cast, in person or by proxy, one vote for each share of the Company's Common Stock held by such stockholder at the close of business on October 1, 2001, the record date for the Annual Meeting. At that date, the Company had outstanding 1,207,912 shares of such Common Stock.

The proxy hereby solicited is revocable at any time prior to its exercise. The proxy may be revoked in any manner permitted by law, including, without limitation, delivery of written notice of revocation to the Secretary of the Company, submission to the Secretary of a proxy dated later than a previously submitted proxy, or attendance at the meeting and voting by ballot.

The cost of preparing, assembling and mailing the proxy statement and related material will be borne by the Company. In addition to soliciting proxies

Edgar Filing: OMNI USA INC - Form DEF 14A

by mail, the Company may make requests for proxies by telephone, telegraph or messenger or by personal solicitation by officers, directors, or employees of the Company at nominal cost to the Company. The Company will reimburse third parties for the cost of forwarding proxy material to beneficial owners of Omni stock.

Each of the nominees listed below is a member of the Company's present Board of Directors. For personal information on each nominee director, see "MANAGEMENT," below.

If, at the time of or prior to the Annual Meeting, any of the nominees should be unable or decline to serve, the discretionary authority provided in the proxy may be used to vote for a substitute or substitutes designed by the Board of Directors. ----	---	-----
Jeffrey K. Daniel	40	Director, President and Chief Executive Officer
Craig L. Daniel	41	Director and Vice President-Manufacturing

The Board of Directors recommends that shareholders vote "For" the election of each of the above named nominees, and proxies executed and returned will be so voted unless contrary instructions are indicated thereon.

BOARD OF DIRECTORS

The business and affairs of the Company are managed under the direction of the Board of Directors (the "Board"). The Board has the responsibility for establishing broad corporate policies and for the overall performance of the Company, rather than day-to-day operating details. Outside members of the Board are kept informed of the Company's business by various reports and information provided to them throughout the year and information presented at meetings of the Board by the Company's officers and employees.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board has established two standing committees: an Audit Committee and a Compensation Committee. Actions taken by a committee of the Board are reported to the Board of Directors at its next meeting. The Company does not have a Nominating Committee. The following is a brief description of the committees of the Board of Directors and their respective principal responsibilities.

The AUDIT COMMITTEE consists of two outside directors. The members of the Committee meet the independence and experience requirements of the National Association of Securities Dealers (NASD) for companies quoted on the National Association of Securities Dealers Automated Quotation market (NASDAQ). Its primary function is to assist the Board in fulfilling its oversight responsibilities with respect to (i) the annual financial information to be provided to shareholders and the Securities and Exchange Commission (the "SEC"); (ii) the system of internal financial and accounting processes and controls that Company management has established; (iii) the annual independent audit of the Company's financial statements; and (iv) the legal compliance and ethics programs as established by Company management and the Board. The current members of the Audit Committee are Kevin Guan and Didi Duan. The Audit Committee met two times in fiscal year 2001.

The COMPENSATION COMMITTEE consists of two outside directors. This committee makes recommendations to the Board of Directors as to the salaries and annual bonuses of the elected officers, and reviews the salaries of other senior executives. This committee makes recommendations to the Board of Directors regarding grants of stock options to elected and other senior executive officers and other eligible employees. The current members of the Compensation Committee are Kevin Guan and Didi Duan. The Compensation Committee met two times in fiscal year 2001.

BOARD MATTERS

During the fiscal year ended June 30, 2001, the Board of Directors held 4 meetings. The Board has regularly scheduled meetings during the year and meets at other times during the year as necessary to review significant developments affecting the Company and to act on matters requiring Board approval. All Board members attended substantially all meetings of the Board of Directors and of the committees on which such director served during the fiscal year, either in person or by telephone. At all scheduled board meetings, a quorum was met and business transacted.

DIRECTORS COMPENSATION

Kevin Guan and Didi Duan are nominees as outside directors for the Company. Each director of the Company who is not an employee of the Company or any subsidiary is compensated through the issuance of 20,000 options to purchase Common Stock for the initial year of service and 10,000 options to purchase Common Stock for every year of service thereafter. The outside directors are reimbursed for their expenses up to a maximum of \$1,000 for attendance at each board meeting. Jeffrey K. Daniel and Craig L. Daniel are not compensated for their service as directors.

None of the Directors have been a participant in any proxy contest involving any publicly traded Company within the past ten years. Each of them has agreed to serve as a director of the Company if elected. There are no other nominees for director.

On June 6, 1997, the Board, upon recommendation from the Compensation Committee, repriced all options granted and existing to current Company employees under the 1996 ISOP and NQSOP from \$12.00 per share to \$3.00 per share. The following table provides repricing information for options held by the Company's five most highly compensated executive officers. The repricing was implemented in 1997 on the recommendation of the Compensation Committee to conform the options to prevailing market prices and provide an incentive for which the options were designed.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF PRINCIPAL AUDITORS

The Board of Directors has appointed Harper & Pearson Company ("Harper & Pearson") as the Company's independent auditors to examine the Company's financial statements for the fiscal year ending June 30, 2002, subject to the ratification of such selection by the shareholders at the Annual Meeting. Harper & Pearson has acted as the Company's independent auditors since November 1993 and audited the Company's financial statements for the year ended June 30, 2000, which are included as part of the Company's Annual Report on Form 10-KSB delivered with this Proxy Statement.

The Board of Directors recommends that the shareholders vote the ratification of the selection of Harper & Pearson as the independent auditors of the Company for the fiscal year ending June 30, 2002. The affirmative vote of a majority of the shares of Common Stock present in person or by proxy is necessary for ratification. Ratification is not required nor does it prevent the Board from selecting different auditors; however, the Board is submitting this matter to the shareholders in order to enhance their participation in this aspect of the Company's affairs. If the shareholders do not ratify the selection of Harper & Pearson as the Company's independent auditors, the Board will reconsider the selection.

Representatives of Harper & Pearson are not expected to attend the Annual Meeting.
