ITEM 5. OTHER EVENTS

Attached as Exhibit 99.1 is the Consent and Amendment to Forbearance Agreement dated as of March 31, 2002, among the Registrant and its lenders, in which the lenders agree to continue to forbear (through May) from exercising certain rights arising from the Registrant's non-compliance with one of four financial covenants contained in that certain Credit Agreement dated as of June 1, 1999 among the Registrant, Brite Voice Systems, Inc., Bank of America, National Association, as agent, and the Lenders party thereto. The amendment extends the forbearance agreed to by the Lenders on March 7, 2002 to May 31, 2002. The Registrant made its scheduled principal repayment of approximately \$5.0 million on February 28 and has not defaulted on any of its payment obligations since the inception of the Credit Agreement.

Attached as Exhibit 99.2 is the Commitment Letter dated April 10, 2002 between the Registrant and Beal Bank, S.S.B. The Commitment Letter provides for a loan of up to fourteen million dollars (\$14,000,000) to the Registrant secured by a mortgage on the Registrant's office facilities in Dallas, Texas. The Registrant will make monthly interest payments and the entire principal balance will become

due and payable on the third anniversary of the loan. The loan is subject to customary closing conditions, including the negotiation of a promissory note and deed of trust, a satisfactory appraisal of the property's market value, and the negotiation of a subordination agreement with the Registrant's current lender group.

Attached as Exhibit 99.3 is a letter agreement dated April 2, 2002 between the Registrant and a prospective purchaser for the purchase of the Registrant's office facilities in Wichita, Kansas for two million dollars (\$2,000,000). The purchase is subject to customary closing conditions, including a satisfactory inspection of the facilities, delivery of a satisfactory title policy, and the negotiation of a warranty deed.

The Registrant's current lender group, which has a first lien on the Registrant's facilities in Dallas and Wichita, has consented to the aforementioned mortgage loan and sale of property, provided the proceeds are used to pay down the loan to the lender group. Both the mortgage loan and sale are scheduled to close during May 2002. If the loan and sale are both consummated, the loan to the lender group will be reduced from approximately \$30 million to approximately \$14 million. While the Registrant is optimistic that the loan secured by a mortgage on its Dallas facilities and the sale of the Wichita facilities will be successfully completed, there is no guarantee either transaction will close.

The Registrant is in the process of evaluating alternative financing scenarios with the goal of replacing or restructuring its remaining indebtedness to its existing lender group. In light of current cash flow requirements, the Registrant is endeavoring to reduce its quarterly debt repayment obligations under either a new or restructured credit facility. While the Registrant is optimistic that an acceptable arrangement will be reached with its current lenders, or under a new credit facility with a different lender group, there is no guarantee that either such arrangement will be achieved. If the Registrant does not achieve an acceptable credit arrangement, or requires financing in addition to its current or any new credit facility, the registrant might issue convertible debentures or equity securities to satisfy its capital and liquidity requirements and/or to pay off outstanding indebtedness. While the Registrant is optimistic that it could issue debentures or equity securities, there is no guarantee that any such issuance could be consummated on terms acceptable to the Registrant. If an acceptable financing arrangement is not achieved, and the forbearance period is not extended, the Registrant's current lenders have all rights available to them under the Credit Agreement, including acceleration, termination or enforcement of security interests.
