INDENTURE SECURITIES**8. Analysis of Indenture Provisions**

The New Notes will be issued under the Indenture to be dated as of the consummation of the Exchange Offer and entered into between the Company and Wells Fargo Bank, National Association, as trustee (the "Trustee"). The following analysis is not a complete description of the Indenture provisions discussed and is qualified in its entirety by reference to the terms of the Indenture, a form of which is attached as Exhibit T3C hereto and incorporated by reference herein. Capitalized terms used below but not defined herein have the meanings assigned to them in the Indenture.

(a) Events of Default; Withholding of Notice

Table of Contents

Each of the following will constitute an Event of Default under the Indenture:

- (1) the Company fails to pay principal or premium, if any, on any New Note when due;
- (2) the Company fails to pay any interest on any New Note when due if such failure continues for a period of 30 days;
- (3) the Company fails to perform any other covenant required of it in the Indenture if such failure continues for 60 days after notice is given in accordance with the Indenture;
- (4) the Company fails to pay the purchase price of any New Note when due;
- (5) the Company fails to provide timely notice of a change in control;
- (6) any indebtedness for money borrowed by the Company or one of its significant subsidiaries in an outstanding principal amount in excess of \$25 million is not paid at final maturity or upon acceleration and such indebtedness is not discharged, and such default in payment or acceleration is not cured or rescinded, within 30 days after written notice as provided in the Indenture; and
- (7) certain events in bankruptcy, insolvency or reorganization of the Company or any of its significant subsidiaries.

If an Event of Default, other than an Event of Default described in clause (7) above with respect to the Company, occurs and is continuing, either the Trustee or the holders of at least 25% in aggregate principal amount of the outstanding New Notes may declare the principal amount of the New Notes to be due and payable immediately. If an Event of Default described in clause (7) above occurs with respect to the Company, the principal amount of the New Notes will automatically become immediately due and payable.

If a default or an Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee must mail to each holder notice of the default or Event of Default within 90 days after it becomes known to the Trustee. However, the Trustee may withhold the notice if and so long as a committee of its trust officers in good faith determines that withholding notice is in the interests of holders, except in the case of a default or an Event of Default in payment of the principal of or interest on any New Notes.

Subject to the Trustee's duties in the case of an Event of Default, the Trustee will not be obligated to exercise any of its rights or powers at the request of the holders, unless the holders have offered to the Trustee reasonable indemnity. Subject to the Indenture, applicable law and the Trustee's indemnification, the holders of a majority in aggregate principal amount of the outstanding New Notes will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the New Notes.

No holder will have any right to institute any proceeding under the Indenture, or for the appointment of a receiver or a Trustee, or for any other remedy under the Indenture unless:

- (1) the holder has previously given the Trustee written notice of a continuing Event of Default;
- (2) the holders of at least 25% in aggregate principal amount of the New Notes then outstanding have made a written request and have offered reasonable indemnity to the Trustee to institute such proceeding as Trustee; and

Table of Contents

- (3) the Trustee has failed to institute such proceeding within 60 days after such notice, request and offer, and has not received from the holders of a majority in aggregate principal amount of the New Notes then outstanding a direction inconsistent with such request within 60 days after such notice, request and offer.

- (b) Authentication and Delivery of New Notes; Use of Proceeds

The New Notes to be issued under the Indenture may be executed by manual or facsimile signature on behalf of the Company by the Chairman or any Co-Chairman of the Board, any Vice Chairman of the Board, the Chief Executive Officer, the President, any Vice President, the Chief Financial Officer, the Controller, Assistant Controller, the Secretary or any Assistant Secretary of the Company (each, an Officer) and attested by the manual or facsimile signature of the Secretary or an Assistant Secretary of the Company, and delivered to the Trustee.

The Trustee will authenticate and make available for delivery New Notes for original issue, upon receipt of a written order or orders of the Company signed by two Officers of the Company. Such order of the Company must specify the amount of New Notes to be authenticated and the date on which the original issue of New Notes is to be authenticated.

The New Notes will not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the New Notes. The signature will be conclusive evidence that the New Notes have been authenticated under the Indenture.

The Company will not receive any proceeds from the issuance of the New Notes because the New Notes are being issued in exchange for the Outstanding Notes.

- (c) Release and Substitution of Property Subject to the Lien of the Indenture

The New Notes are unsecured obligations of the Company. As such, the New Notes are not secured by any lien on any property.

- (d) Satisfaction and Discharge of the Indenture

The Company may discharge its obligations under the Indenture while New Notes remain outstanding if (1) all outstanding New Notes have or will become due and payable at their scheduled maturity within one year or (2) all outstanding New Notes are scheduled for redemption within one year, and, in either case, the Company has deposited with the Trustee an amount sufficient to pay and discharge all outstanding New Notes on the date of their scheduled maturity or the scheduled date of redemption.

- (e) Evidence Required to be Furnished by the Company to the Trustee as to Compliance with the Conditions and Covenants Provided for in the Indenture

The Company is required to deliver to the Trustee, within 90 days after the end of each fiscal year of the Company, an officers' certificate signed by the principal executive officer, principal financial officer or principal accounting officer and one other Officer as to the signer's knowledge of the Company's compliance with all conditions and covenants on its part contained in the Indenture and stating whether or not the signer knows of any default or Event of Default. If such signer knows of such a default or Event of Default, the officers' certificate must describe the default or Event of Default and the efforts to remedy the same.
