GENERAL

ITEM 1. GENERAL INFORMATION.

(a) Each of Arch Wireless Holdings, Inc. (the "Corporation"), Arch Wireless, Inc. (the "Parent"), Arch Wireless Communications, Inc. ("AWCI"), Paging Network Canadian Holdings, Inc. ("PNCH"), PageNet SMR Sub, Inc. ("PNSMR"), ArchTel, Inc., Arch Connecticut Valley, Inc., Benbow Investments, Inc., MobileMedia Communications, Inc., Mobile Communications Corporation of America, Paging Network, Inc., PageNet, Inc., Paging Network of America, Inc., Paging Network of Colorado, Inc., Paging Network of Northern California, Inc., Paging Network of Michigan, Inc., Paging Network Finance Corp., Paging Network International, Inc. and Paging Network of San Francisco, Inc. are corporations. Arch Communication Enterprises, LLC and MobileMedia License Co., L.L.C. are limited liability companies. Except for the Corporation, each of the foregoing entities shall be referred to herein collectively as the "Guarantors."

(b) The Corporation and each of the Guarantors (other than Arch Connecticut Valley, Inc.) are organized under the laws of the State of Delaware. Arch Connecticut Valley, Inc. is organized under the laws of the Commonwealth of Massachusetts. The mailing address for the Corporation and each of the Guarantors is c/o Arch Wireless, Inc., 1800 West Park Drive, Suite 250, Westborough, Massachusetts 01581.

ITEM 2. SECURITIES ACT EXEMPTION APPLICABLE.

The Corporation intends to commence a solicitation (the "Solicitation") of acceptances of a proposed joint reorganization plan (the "Plan") of the Corporation, the Parent and their respective debtor subsidiaries as set forth in the Plan, pursuant to which the Corporation intends to issue 10% Senior Subordinated Secured Notes due 2007 (the "New Senior Notes") and 12%

Edgar Filing: ARCH WIRELESS INC - Form T-3

Subordinated Secured Compounding Notes due 2009 (the "New Subordinated Notes" and, collectively with the New Senior Notes, the "New Notes") under Title 11 of the United States Code (the "Bankruptcy Code"). The Chapter 11 cases of the Corporation and the Parent and certain of its subsidiaries are presently pending before the United States Bankruptcy Court for the District of Massachusetts (Western Division) (the "Bankruptcy Court"). The New Senior Notes will be issued under an indenture (the "Indenture") which is the subject of this application. A copy of the Disclosure Statement relating to the Plan (which includes the Plan as Exhibit A thereto), which was approved by an order of the Bankruptcy Court dated March 13, 2002, is attached hereto as Exhibit T3E.

Under the Plan, on the date on which the Corporation consummates the Plan (the "Effective Date"), or as soon as practicable thereafter, the holders of Allowed Bank Secured Claims and Allowed USAM Secured Note Claims (each as defined in the Plan) shall receive New Notes in partial satisfaction of such claims. The New Senior Notes will be due five years after the Effective Date. The New Subordinated Notes will be due seven years after the Effective Date. The Corporation anticipates initially issuing \$200,000,000 in New Senior Notes and \$100,000,000 in New Subordinated Notes under the Plan.

There has not been, nor is there going to be, any sales of New Notes by the Corporation or by or through an underwriter at or about the same time as the Plan or the offering, exchange and distribution of the New Notes. The Corporation has not paid or given, and will not pay or give, directly or indirectly, any commission or other remuneration to any broker, dealer, salesman or other person for solicitation in connection with any aspect of the Plan.

The Corporation believes that the issuance of the New Notes is exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), and state securities and "blue sky" laws pursuant to Section 1145(a)(1) of Title 11 of the Bankruptcy Code. Generally, Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under a bankruptcy plan of reorganization from registration under the Securities Act and under equivalent state securities and "blue sky" laws if the following requirements are satisfied: (1) the securities are issued by the debtor (or an affiliate participating in a joint plan with the debtor or the debtor's successor) under a plan of reorganization; (2) the recipients of the securities hold a pre-petition or administrative claim against the debtor or an interest in the debtor; and (3) the securities are issued entirely in exchange for the recipient's claim against or interest in the debtor or

1

are issued "principally" in such exchange and "partly" for cash or property. The Corporation believes that the offer of the New Notes under the Solicitation and the exchange of New Notes under the Plan will satisfy the requirements of Section 1145(a)(1) of the Bankruptcy Code and, therefore, such offer is exempt from the registration requirements referred to above.

ITEM 3. AFFILIATES.

So long as at least 50% of the Series C Preferred Stock of the Parent remains outstanding, the holders of the Series C Preferred Stock have the right, voting as a separate class, to designate one member of the Parent's Board of Directors and one member of AWCI's Board of Directors. On all other matters, the Parent's Series C Preferred Stock and common stock vote together as a single class. Each shares of Series C Preferred Stock is entitled to as many votes as the number of shares of common stock into which it is convertible (8.0182) as of December 6, 2001, the date on which the Parent and its domestic subsidiaries filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code with the Bankruptcy Court. The Parent's Series F Preferred Stock does not have any voting rights. Cumulative voting of shares is not allowed. No holder of any other securities of the Corporation or any Guarantor is entitled to vote on matters submitted to a vote of stockholders. The voting rights of the New AWHI Common Stock and the new common stock to be issued by the Parent on the Effective Date will be identical to the voting rights of the Corporation's and the Parent's (as the case may be) current common stock described in this Item 7(b). Under the Plan, existing common stock of the Corporation, the Parent, AWCI, PNCH and PNSMR will be cancelled as of the Effective Date.

INDENTURE SECURITIES

ITEM 8. ANALYSIS OF INDENTURE PROVISIONS.

The following is a general description of certain provisions of the Indenture. The description is qualified in its entirety by reference to the form of Indenture filed as Exhibit T3C hereto. Capitalized terms used in this Item 8

Edgar Filing: ARCH WIRELESS INC - Form T-3

and not defined elsewhere in this application have the meanings given to such terms in the Indenture.

(a) EVENTS OF DEFAULT; WITHHOLDING OF NOTICE.

"Event of Default" under the Indenture means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any Governmental Authority):

(1) default in the payment of any interest on any Note when it becomes due and payable and such default continues for a period of 5 days;

(2) default in the payment of the principal of any Note at its Maturity (including pursuant to Section 9.02 of the Indenture);

(3) the Parent or any of the Subsidiaries shall fail to observe or perform any covenant, condition or agreement contained in Sections 10.07, 10.08, 10.09, 10.10, 10.11, 10.12, 10.13, 10.14, 10.15, 10.16, 10.19, 10.20, 10.21, 10.22, 10.23, 10.24 or 10.25 of the Indenture, or any Note Party shall fail to observe or perform any covenant, condition or agreement contained in the Security Documents to the extent it is a party thereto;

(4) any Note Party shall fail to observe or perform any covenant, condition or agreement contained in any Note Document to which it is a party (other than those specified in clause (a), (b) or (d) of Section 4.01 of the Indenture), and such failure shall continue unremedied for 30 days after the earlier of the date on which (A) a Responsible Officer of the Parent becomes aware of such failure or (B) written notice thereof shall have been given to the Parent by the Trustee or the Majority Noteholders;

(5) (i) any Note Party shall breach in any material respect any representation or warranty or agreement in any of the Security Documents or in any certificates delivered in connection therewith; (ii) the repudiation by any of them of any of their obligations under any of the Security Documents; (iii) the unenforceability of the Security Documents against any of them for any reason which shall continue unremedied for 30 days after the earlier of the date on which (A) a Responsible Officer of the Parent becomes aware of such failure or (B) written notice thereof shall have been given to the Parent by the Trustee or the Majority Noteholders; or (iv) the loss of the perfection or priority of the Liens granted by any of them pursuant to the Security Documents for any reason;

(6) the Parent or any of the Subsidiaries shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Obligations, when and as the same shall become due and payable (after giving effect to any applicable grace period);

(7) any event or condition occurs that results in any Material Obligations becoming due prior to their scheduled maturity or payment date, or that enables or permits (with or without the giving of notice, the lapse of time or both) the holder or holders of any Material Obligations or any trustee or agent on its or their behalf to cause any Material Obligations to become due prior to their scheduled maturity or payment date or to require the prepayment, repurchase, redemption or defeasance thereof, prior to their scheduled maturity or payment date (in each case after giving effect to any applicable cure period); provided that this clause shall not apply to secured Indebtedness that becomes due solely as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness;

Edgar Filing: ARCH WIRELESS INC - Form T-3

(8) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Parent or any of the Subsidiaries, or any of their debts, or of a substantial part of any of their assets, under any Federal, state or foreign bankruptcy,

16

insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Parent or any of the Subsidiaries or for a substantial part of any of their assets, and, in any such case, such proceeding or petition shall continue undismissed for 30 days or an order or decree approving or ordering any of the foregoing shall be entered;

(9) the Parent or any of the Subsidiaries shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (h) of Section 4.01 of the Indenture, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Parent or any of the Subsidiaries or for a substantial part of any of their assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(10) one or more judgments for the payment of money in an aggregate amount in excess of \$1,000,000 shall be rendered against the Parent or any of the Subsidiaries or any combination thereof (which shall not be fully covered by insurance without taking into account any applicable deductibles) and the same shall remain undischarged or unbonded for a period of 30 consecutive days during which execution shall not be effectively stayed;

(11) any Note Document shall cease, for any reason, to be in full force and effect, or any Note Party shall so assert in writing or shall disavow any of its obligations thereunder; or

(12) an Event of Default under and as defined in the Junior Indenture or any Credit Agreement shall have occurred.

If a Default or an Event of Default occurs and is continuing and is known to the Trustee, the Trustee shall mail to each Holder of the Notes notice of the Default or Event of Default within 30 days after the occurrence thereof, or, if later, promptly upon the Trustee obtaining knowledge thereof. Except in the case of a Default or an Event of Default in payment of principal of or interest on any Notes, the Trustee may withhold the notice to the Holders of such Notes if its Board of Directors, executive committee or a committee of its trust officers in good faith determines that withholding the notice is in the interest of the Holders of the Notes.

If an Event of Default (other than an Event of Default described in clause (h) or (i) of Section 4.01 of the Indenture), shall have occurred and be continuing, the Trustee or the Majority Noteholders may, by notice to the Corporation, declare the Notes then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Notes so declared to be due and payable, together with accrued interest

Edgar Filing: ARCH WIRELESS INC - Form T-3

thereon and all fees and other obligations of each Note Party accrued under the Note Documents, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Corporation. In case of any Event of Default described in clause (h) or (i) of Section 4.01 of the Indenture, the principal of the Notes then outstanding, together with accrued interest thereon and all fees and other obligations of each Note Party accrued under the Note Documents, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Corporation; provided, however, that so long as any Senior Debt is outstanding, the acceleration shall not be effective until the earlier of (i) an acceleration of any Senior Debt or (ii) five Business Days after receipt by the Corporation of written notice of the acceleration of the Notes.

The Holders of the Notes shall not have the independent right to direct the time, method or place of conducting any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee or, on behalf of all Holders of Notes, to consent to the waiver of any past Default or Event of Default or its consequences. All decisions regarding the declaration of an Event of Default, the acceleration of the Notes, the waiver of any Defaults and Events of Default, and the direction of the Collateral Agent and the Trustee with respect to the exercise of rights and remedies against the Corporation, the Guarantors and the Collateral

17

shall be made by the Majority Noteholders. These limitations do not apply to a suit instituted by a Holder of a Note for enforcement of payment of any amounts then due as an unsecured claimant.

(b) AUTHENTICATION AND DELIVERY OF THE NOTES UNDER THE INDENTURE AND APPLICATION OF PROCEEDS THEREOF.

The Notes to be issued under the Indenture may from time to time be executed on behalf of the Corporation by one officer who shall sign the Notes for the Corporation by manual or facsimile signature. If an officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid. A Note shall not be valid until authenticated by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been authenticated under the Indenture.

The Trustee shall, upon a receipt of a Company Order requesting that notes be authenticated by the Trustee, authenticate Notes for original issue.

The Trustee may appoint an authenticating agent acceptable to the Corporation to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in the Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Corporation.

There will be no proceeds (and therefore no application of such proceeds) from the issuance of the Notes because the Notes will be issued in partial satisfaction of the obligations owing to the Holders.

(c) RELEASE OF ANY NOTE COLLATERAL SUBJECT TO THE LIEN OF THE INDENTURE.

The Collateral shall be released from the Lien of the Security Documents as expressly provided therein or in connection with any transaction permitted by Section 10.11 of the Indenture (Asset Sales).

Edgar Filing: ARCH WIRELESS INC - Form T-3

Section 11.04 of the Indenture contains the general provisions for the release of Collateral from the Lien of the Security Documents in accordance with the TIA, including delivery of the certificates and opinions of fair value required by Section 314(d) of the TIA. Section 11.05(a) of the Indenture, however, permits the release of Collateral in connection with the (i) sale, disposition or use of inventory, (ii) sale or disposition of obsolete or worn out fixtures or equipment, (iii) collection, liquidation or disposition of accounts receivable, (iv) renegotiation and termination of leasehold interests, and (v) granting of easements and rights of way on certain properties that do not secure any monetary obligations and do not materially affect the value of the affected property, all in the ordinary course of the Corporation's or the Guarantors' business and in each case without the delivery by the Corporation of the certificates and opinions required by Section 314(d) of the Act. In lieu thereof and in order to protect the interests of purchasers of the Notes and allow the Corporation to carry on its regular business in the ordinary course, Section 11.05(b) of the Indenture requires the Corporation and the Guarantors to deliver semi-annually to the Trustee and the Collateral Agent a certificate verifying that all such sales or uses of inventory, collections and other dispositions of accounts receivable and any other disposition or transaction contemplated by Section 11.05(a) of the Indenture, during the applicable six-month period, were made in the ordinary course of the Corporation's and the Guarantors' business and that all proceeds from such activities were used by the Corporation and the Guarantors in the ordinary course of their business or otherwise as permitted by the Indenture. In addition, pursuant to Section 10.27 of the Indenture, the Corporation is required to furnish the Trustee unaudited quarterly and audited annual consolidated financial statements meeting the requirements imposed on reporting companies under Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended, whether or not the Corporation is then a reporting corporation. In the Corporation's view, based on the foregoing, compliance with the certificate and opinion requirements of Section 314(d) of the TIA in the context of sales or uses of inventory, collections and other dispositions of accounts receivable and any other disposition or transaction contemplated by Section 11.05(a) of the Indenture in the ordinary course of the Corporation's or the Guarantors' business is not necessary for the protection of purchasers of the Notes and such failure by the Corporation to so comply would not be inconsistent with the purposes fairly intended to be served by Section 314(d) of the TIA.

18

The release of any Collateral from the Lien of the Indenture and of the Security Documents pursuant to the terms of the Security Documents or the Indenture will not be deemed to impair the security under the Indenture in contravention of the provisions thereof.

(d) SATISFACTION AND DISCHARGE OF THE INDENTURE.

Upon the written request of the Corporation, the Indenture will cease to be of further effect, and the Trustee, at the expense of the Corporation, will execute proper instruments acknowledging satisfaction and discharge of the Indenture, when:

(1) either

(a) all the Notes theretofore authenticated and delivered (other than (i) Notes which have been mutilated, destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.10 of the Indenture) have been delivered to the Trustee for cancellation; or

(b) all Notes not theretofore delivered to the Trustee for cancellation have come due and payable, by reason of the making of a

Edgar Filing: ARCH WIRELESS INC - Form T-3

notice of redemption or will otherwise become due and payable within one year and the Corporation has irrevocably deposited or caused to be deposited with the Trustee funds in trust for the purpose in an amount sufficient to pay and discharge the entire Indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Notes which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(2) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit, and such deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Corporation is a party or by which the Corporation is bound;

(3) the Corporation has paid or caused to be paid all other sums payable hereunder by the Corporation;

(4) the Corporation has delivered irrevocable instructions to the Trustee under the Indenture to apply the deposited money and/or non-callable Government Securities toward the payment of the Notes at maturity or the redemption date, as the case may be; and

(5) the Corporation has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the Indenture have been complied with.

Notwithstanding the satisfaction and discharge of the Indenture, the obligations of the Corporation to the Trustee under Section 5.07 of the Indenture and, the obligations of the Trustee under Section 3.02 and the last paragraph of Section 10.03 of the Indenture shall survive.

The Corporation may at any time, for the purpose of obtaining the satisfaction and discharge of the Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Corporation or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Corporation or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Corporation, in trust for the payment of the principal of or interest on any Note and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Corporation on Company Request, or (if then held by the Corporation) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Corporation for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Corporation as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being

required to make any such repayment, may at the expense of the Corporation cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of

Edgar Filing: ARCH WIRELESS INC - Form T-3

such money then remaining will be repaid to the Corporation.

(e) THE EVIDENCE REQUIRED TO BE FURNISHED BY THE CORPORATION TO THE TRUSTEE AS TO COMPLIANCE WITH THE CONDITIONS AND COVENANTS PROVIDED FOR IN THE INDENTURE.

The Corporation will deliver to the Trustee, within 90 days after the end of each Fiscal Year of the Corporation ending after the date hereof, an Officers' Certificate, stating whether or not to the knowledge of the signers thereof the Corporation is in compliance with all the terms, provisions, covenants and conditions of the Indenture and if the Corporation shall be in Default under the Indenture, specifying all such Defaults and the nature and status thereof of which they may have knowledge and including the information referred to in clause (i) in the next paragraph.

The Corporation will deliver to the Trustee within 45 days after the end of each Fiscal Quarter of any Fiscal Year, an Officers' Certificate (i) demonstrating compliance with each of the financial covenants contained in Article X of the Indenture which is tested on a quarterly basis, and (ii) stating that no Default or Event of Default has occurred and is continuing or, if a Default or Event of Default has occurred and is continuing, stating the nature thereof and the action which the Corporation proposes to take with respect thereto.

The Corporation will, so long as any of the Notes are Outstanding, deliver to the Trustee, within five Business Days of becoming aware of any Default or Event of Default in the performance of any covenant, agreement or condition in the Indenture, an Officers' Certificate specifying such Default or Event of Default.

ITEM 9. OTHER OBLIGORS.

The Corporation's obligations with respect to the New Notes will be guaranteed by each Guarantor. A schedule of names and addresses of the Guarantors is attached as Annex A hereto.
