FOR INVESTMENT GRADE MUNICIPALS

QUESTIONS & ANSWERS

Although we recommend that you read the complete Joint Proxy Statement/
Prospectus, we have provided for your convenience a brief overview of the issues
to be voted on.

Q WHY IS A SHAREHOLDER
MEETING BEING HELD?

A Shareholders of
Van Kampen Municipal Income Trust: You are being asked to vote on a
reorganization (the "Reorganization") of Van Kampen Municipal Income Trust (the
"Target Fund") into Van Kampen Trust for Investment Grade Municipals (the
"Acquiring Fund"), a closed-end investment company that has a substantially
similar investment objective and substantially similar investment policies as
the Target Fund. You are also being asked to vote for the election of trustees
of the Target Fund.

Shareholders of Van Kampen Trust for Investment Grade Municipals: You are being
asked to vote on the issuance of common shares of beneficial interest by the
Acquiring Fund in connection with the Reorganization.

Q WHY IS THE
REORGANIZATION BEING RECOMMENDED?

A The Board of Trustees of
each Fund has determined that the Reorganization will benefit common
shareholders of the Target Fund and the Acquiring Fund. The Target Fund and the
Acquiring Fund are substantially similar. Each Fund invests primarily in
investment grade municipal securities and has a substantially similar investment
objective to provide a high level of current income exempt from federal income
taxes with safety of principal or preservation of capital. Each Fund is managed
by the same investment advisory personnel. After the Reorganization, it is
anticipated that common shareholders of each Fund will experience a reduced
overall operating expense ratio, as certain fixed administrative costs

will be spread across the combined fund's larger asset base. It is not
anticipated that the Reorganization will directly benefit holders of preferred
shares of the Funds; however, it is anticipated that preferred shareholders will
not be adversely effected by the Reorganization, and none of the expenses of the
Reorganization will be borne by preferred shareholders.

Q HOW WILL THE
REORGANIZATION AFFECT ME?

A Assuming shareholders of
the Target Fund approve the Reorganization and shareholders of the Acquiring
Fund approve the issuance of common shares of beneficial interest by that Fund,
the assets and liabilities of the Target Fund will be combined with those of the
Acquiring Fund and the Target Fund will dissolve.

Shareholders of the Target Fund: You will become a shareholder of the Acquiring
Fund. If you are a holder of common shares of the Target Fund, you will receive
newly-issued common shares of the Acquiring Fund, and if you are a holder of
preferred shares of the Target Fund, you will receive newly-issued preferred
shares of the Acquiring Fund. The aggregate net asset value of the common shares
you receive in the Reorganization will equal the aggregate net asset value of
the common shares you own immediately prior to the Reorganization less the costs
of the Reorganization (though you may receive cash for fractional shares). The
aggregate liquidation preference of the preferred shares you receive in the
Reorganization will equal the aggregate liquidation preference of the preferred

Edgar Filing: VAN KAMPEN TRUST FOR INVESTMENT GRADE MUNICIPALS - Form N-14 8C

shares you own immediately prior to the Reorganization. No certificates for shares of the Acquiring Fund will be issued in connection with the Reorganization, although such certificates will be available upon request.

Shareholders of the Acquiring Fund: You will remain a shareholder of the Acquiring Fund.

Q WILL I HAVE TO PAY ANY SALES LOAD, COMMISSION OR OTHER SIMILAR FEE IN CONNECTION WITH THE REORGANIZATION?

A You will pay no sales loads or commissions in connection with the Reorganization. However, if the Reorganization is completed, the costs associated with the Reorganization, including the costs associated with the shareholder meeting, will be borne by the Target Fund and the Acquiring Fund in proportion to their projected declines in total operating expenses as a consequence of the Reorganization.

Q WILL I HAVE TO PAY ANY FEDERAL TAXES AS A RESULT OF THE REORGANIZATION?

A The Reorganization is intended to qualify as a "reorganization" within the meaning of Section 368(a)(1) of the Internal Revenue Code of 1986, as amended. If the Reorganization so qualifies, in general, a shareholder of the Target Fund will recognize no gain or loss upon the receipt solely of shares of the Acquiring Fund in connection with the Reorganization. Additionally, the Target Fund will not recognize any gain or loss as a result of the transfer of all of its assets and liabilities solely in exchange for the shares of the Acquiring Fund or as a result of its dissolution. Neither the Acquiring Fund nor its shareholders will recognize any gain or loss in connection with the Reorganization.

Q WHY IS THE VOTE OF HOLDERS OF COMMON SHARES OF THE ACQUIRING FUND BEING SOLICITED?

A Although the Acquiring Fund will continue its legal existence and operations after the Reorganization, the rules of the New York Stock Exchange (the "NYSE"), on which the Acquiring Fund's common shares are listed, require the common shareholders of the Acquiring Fund to approve the issuance of additional common shares of beneficial interest by the Acquiring Fund in connection with the Reorganization.

Q WHY ARE SHAREHOLDERS OF THE TARGET FUND BEING ASKED TO ELECT TRUSTEES?

A NYSE rules call for listed companies to have their annual meeting to elect trustees within a reasonable interval after the close of a company's fiscal year. Since the Target Fund's fiscal year ends on June 30, 2005, the Board of Trustees of the Target Fund is asking shareholders of that Fund to elect trustees at this time. The Special Meeting will serve as the annual meeting of shareholders of the Target Fund.

Q HOW DOES THE BOARD OF TRUSTEES OF MY FUND SUGGEST I VOTE?

A After careful consideration, the Board of Trustees of each Fund recommend that you vote "FOR" each of the items proposed.

Q HOW DO I VOTE MY PROXY?

JOINT SPECIAL MEETING OF SHAREHOLDERS

JUNE 22, 2005

This Joint Proxy Statement/Prospectus is furnished to you as a shareholder of Van Kampen Municipal Income Trust (the "Target Fund") or Van Kampen Trust for Investment Grade Municipals (the "Acquiring Fund"). A joint special meeting of shareholders of the Funds (the "Special Meeting") will be held at the offices of Van Kampen Investments Inc., 1 Parkview Plaza, Oakbrook Terrace, Illinois 60181-5555 on June 22, 2005 at 4:00 p.m. to consider the items listed below and discussed in greater detail elsewhere in this Joint Proxy Statement/Prospectus. If you are unable to attend the Special Meeting or any adjournment thereof, the Board of Trustees of each Fund requests that you vote your shares by completing and returning the enclosed proxy card. The approximate mailing date of this Joint Proxy Statement/Prospectus is May , 2005.

The purposes of the Special Meeting are:

For shareholders of the Target Fund:

1. To approve an Agreement and Plan of Reorganization (the "Reorganization Agreement") between the Target Fund and the Acquiring Fund, the termination of the Target Fund's registration under the Investment Company Act of 1940, as amended (the "1940 Act"), and the dissolution of the Target Fund under applicable state law;
2. To elect four trustees of the Target Fund to serve for a three year term or until a successor shall have been duly elected and qualified;

For shareholders of the Acquiring Fund:

3. To approve the issuance of common shares of beneficial interest, par value \$0.01 per share, by the Acquiring Fund ("Acquiring Fund Common Shares") in connection with and as contemplated by the Reorganization Agreement; and

For shareholders of both Funds:

4. To transact such other business as may properly be presented at the Special Meeting or any adjournment thereof.

The Reorganization Agreement that you are being asked to consider involves a transaction that will be referred to in this Joint Proxy Statement/Prospectus as the "Reorganization." The Reorganization seeks to combine two substantially similar funds to achieve certain economies of scale and other operational efficiencies. Each Fund invests primarily in investment grade municipal securities and has a substantially similar investment objective to provide a high level of current income exempt from federal income taxes with safety of principal or preservation of capital. The Target Fund and the Acquiring Fund are sometimes referred to herein each as a "Fund" and collectively as the "Funds."

In the Reorganization, the Acquiring Fund will acquire substantially all of the assets and assume substantially all of the liabilities of the Target Fund in exchange solely for an equal aggregate value of Acquiring Fund Common Shares and newly-issued auction preferred shares of the Acquiring Fund with a par value of \$0.01 per share and a liquidation preference of \$25,000 per share ("Acquiring Fund APS"). The Target Fund will distribute Acquiring Fund Common Shares to holders of common shares of the Target Fund ("Target Fund Common Shares") and Acquiring Fund APS to holders of Rate Adjusted Tax-Exempt Shares of the Target Fund ("Target Fund RATES") (the Target Fund RATES and the Acquiring Fund APS are sometimes referred to herein collectively as "Preferred Shares"), and will then terminate its registration under the Investment Company Act of 1940, as amended

(the "1940 Act"), and dissolve under applicable state law. The aggregate net asset value of Acquiring Fund Common Shares received in the Reorganization will equal the aggregate net asset value of Target Fund Common Shares held immediately prior to the Reorganization less the costs of the Reorganization (though Shareholders may receive cash for fractional shares). The aggregate liquidation preference of the Acquiring Fund APS received in the Reorganization will equal the aggregate liquidation preference of the Target Fund RATES held immediately prior to the Reorganization. The Acquiring Fund will continue to operate as a registered closed-end investment company with the investment objective and policies described in this Joint Proxy Statement/Prospectus.

In connection with the Reorganization, common shareholders of the Acquiring Fund are being asked to approve the issuance of additional Acquiring Fund Common Shares.

NYSE rules call for listed companies to have their annual meeting to elect trustees within a reasonable interval after the close of a company's fiscal year. Since the Target Fund's fiscal year ends on June 30, 2005, the Board of Trustees of the Target Fund is asking shareholders of that Fund to elect trustees at this time. The

2

Special Meeting will serve as the annual meeting of shareholders of the Target Fund.

The Board of Trustees of each Fund has determined that including both proposals in one Joint Proxy Statement/Prospectus will reduce costs and is in the best interests of each Funds' shareholders.

In the event that Target Fund shareholders do not approve the Reorganization or Acquiring Fund shareholders do not approve the issuance of Acquiring Fund Common Shares, the Target Fund will continue to exist and the Board of Trustees of the Target Fund will consider what additional action, if any, to take.

This Joint Proxy Statement/Prospectus sets forth concisely the information shareholders of the Funds should know before voting on the proposals and constitutes an offering of Acquiring Fund Common Shares and Acquiring Fund APS. Please read it carefully and retain it for future reference. A Statement of Additional Information, dated _____, 2005, relating to this Joint Proxy Statement/Prospectus (the "Reorganization Statement of Additional Information") has been filed with the Securities and Exchange Commission (the "SEC") and is incorporated herein by reference. If you wish to request the Reorganization Statement of Additional Information, please ask for the "Reorganization Statement of Additional Information."  SUMMARY

The following is a summary of certain information contained elsewhere in this Joint Proxy Statement/Prospectus and is qualified in its entirety by reference to the more complete information contained in this Joint Proxy Statement/Prospectus and in the Reorganization Statement of Additional Information. Shareholders should read the entire Joint Proxy Statement/Prospectus carefully.

PROPOSAL 1: REORGANIZATION OF THE TARGET FUND

THE PROPOSED REORGANIZATION. The Board of Trustees of each Fund, including the trustees who are not "interested persons," as defined in the 1940 Act, of each Fund, has unanimously approved the Reorganization Agreement. If the shareholders of the Target Fund approve the Reorganization Agreement and the shareholders of the Acquiring Fund approve the issuance of Acquiring Fund Common Shares (see "Proposal 3: Issuance of Acquiring Fund Common Shares"). Acquiring Fund Common Shares and Acquiring Fund APS will be issued to holders of Target Fund Common Shares and Target Fund RATES, respectively, in exchange for substantially all of the assets of the Target Fund and the assumption of substantially all of the liabilities of the Target Fund. The Target Fund will then terminate its registration under the 1940 Act and dissolve under applicable state law. The aggregate net asset value of Acquiring Fund Common Shares received in the Reorganization will equal the aggregate net asset value of Target Fund Common Shares held immediately prior to the Reorganization and the aggregate liquidation preference of Acquiring Fund APS received in the Reorganization will equal the aggregate liquidation preference of Target Fund RATES held immediately prior to the Reorganization.

BACKGROUND AND REASONS FOR THE PROPOSED REORGANIZATION. The Reorganization seeks to combine two substantially similar funds to achieve certain economies of scale and other operational efficiencies. Each Fund is registered as a diversified, closed-end management investment company under the 1940 Act. Each Fund invests primarily in investment grade municipal securities. The investment objective of the Target Fund is to provide a high level of current income exempt from federal income taxes with safety of principal. The Target Fund seeks to achieve its investment objective by investing primarily in a diversified portfolio of investment grade tax-exempt municipal securities. The investment objective of the Acquiring Fund is to provide a high level of current income exempt from federal income tax, consistent with preservation of capital. The Acquiring Fund seeks to achieve its investment objective by investing in a diversified portfolio of municipal securities which the Acquiring Fund's investment adviser believes do not involve undue risk to income or principal. The Funds are managed by the same investment advisory personnel.

7

The proposed Reorganization will combine the assets of these similar funds by reorganizing the Target Fund into the Acquiring Fund. The Board of Trustees of the Target Fund (the "Target Fund Board"), based upon its evaluation of all relevant information, anticipates that the Reorganization will benefit holders of Target Fund Common Shares. The Board of Trustees of the Acquiring Fund (the "Acquiring Fund Board"), based upon its evaluation of all relevant information, anticipates that the Reorganization will benefit holders of Acquiring Fund Common Shares. In particular, the Board of Trustees of each Fund believes, based on data presented by Van Kampen Asset Management, investment adviser to each of the Funds (the "Adviser"), that holders of common shares of the Funds will experience a reduced overall operating expense ratio as a result of the Reorganization. The combined fund resulting from the Reorganization will have a larger asset base than either of the Funds has currently; certain fixed administrative costs, such as costs of printing shareholder reports and proxy statements, legal expenses, audit fees, mailing costs and other expenses, will

Edgar Filing: VAN KAMPEN TRUST FOR INVESTMENT GRADE MUNICIPALS - Form N-14 8C

be spread across this larger asset base, thereby lowering the expense ratio for common shareholders of the combined fund.

The table below illustrates the anticipated reduction in operating expenses expected as a result of the Reorganization. The table sets forth (i) the fees and expenses paid by the Target Fund for the 12-month period ended October 31, 2004, (ii) the fees and expenses paid by the Acquiring Fund for the 12-month period ended October 31, 2004 and (iii) the pro forma fees and expenses for the Acquiring

8

Fund for the 12-month period ended October 31, 2004, assuming the Reorganization had been completed at the beginning of such period.

FEE AND EXPENSE TABLE FOR COMMON SHAREHOLDERS OF THE TARGET FUND AND THE ACQUIRING FUND AS OF OCTOBER 31, 2004

	TARGET FUND -----	ACTUAL ACQUIRING FUND -----	PRO FORMA ACQUIRING FUND -----
Common Shareholder Transaction Expenses (a) :			
Maximum Sales Load (as a percentage of offering price) (b).....	None	None	None
Dividend Reinvestment Plan Fees.....	None	None	None
Annual Expenses (as a percentage of net assets attributable to Common Shares) :			
Investment Advisory Fees (c).....	0.85%	0.86%	0.86%
Interest Payments on Borrowed Funds.....	0.00%	0.00%	0.00%
Other Expenses.....	0.30%	0.27%	0.25%
Total Annual Expenses (c).....	1.15%	1.13%	1.11%

(a) No information is presented with respect to Preferred Shares because holders of Preferred Shares do not bear any operating expenses of either Fund and will not bear any operating expenses of the combined fund.

(b) Common Shares purchased in the secondary market may be subject to brokerage commissions or other charges. No sales load will be charged on the issuance of shares in the Reorganization. Common Shares are not available for purchase from the Funds but may be purchased through a broker-dealer subject to individually negotiated commission rates.

(c) Expense information has been restated to reflect management fees in effect as of November 1, 2004 attributable to Preferred Shares were included, the investment advisory fees for each Fund and for the Acquiring Fund on a pro forma basis would be 0.55%, 0.55% and 0.55% and the Total Annual Expenses would be 0.74%, 0.73% and 0.71%.

The following example is intended to help you compare the costs of investing in the Acquiring Fund, both before and pro forma after the Reorganization, with the costs of investing in the Target Fund. An investor would pay the following expenses on a \$1,000 investment, assuming (1) the operating expense ratio for

each Fund (as

a percentage of net assets attributable to Common Shares) set forth in the table above and (2) a 5% annual return throughout the period:

	1 YEAR -----	3 YEARS -----	5 YEARS -----	10 YEARS -----
Target Fund.....	\$12	\$37	\$63	\$140
Acquiring Fund.....	\$12	\$36	\$62	\$137
Pro Forma--Acquiring Fund.....	\$11	\$35	\$61	\$135

The example set forth above assumes Common Shares of each Fund were purchased in the initial offerings and the reinvestment of all dividends and distributions and uses a 5% annual rate of return as mandated by SEC regulations. The example should not be considered a representation of past or future expenses or annual rates of return. Actual expenses or annual rates of return may be more or less than those assumed for purposes of the example.

FURTHER INFORMATION REGARDING THE REORGANIZATION. The Target Fund Board has determined that the Reorganization is in the best interests of holders of Target Fund Common Shares and that the interests of such shareholders will not be diluted as a result of the Reorganization. Similarly, the Board of Trustees of the Acquiring Fund has determined that the Reorganization is in the best interests of holders of Acquiring Fund Common Shares and that the interests of such shareholders will not be diluted as a result of the Reorganization. It is not anticipated that the Reorganization will directly benefit the holders of Preferred Shares of either Fund; however, it is anticipated that the holders of Preferred Shares of each Fund will not be adversely effected by the Reorganization and the expenses of the Reorganization will not be borne by the holders of Preferred Shares of either Fund. As a result of the Reorganization, however, a shareholder of either Fund will hold a reduced percentage of ownership in the larger combined fund than he or she did in either of the separate Funds.

The Reorganization is intended to qualify as a "reorganization" within the meaning of Section 368(a)(1) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code" or "Code"). If the Reorganization so qualifies, in general, a shareholder of the Target Fund will recognize no gain or loss upon the receipt solely of shares of the Acquiring Fund in connection with the Reorganization. Additionally, the Target Fund will not recognize any gain or loss as a result of the transfer of all of its assets and liabilities solely in exchange for the shares of the Acquiring Fund or as a result of its dissolution. Neither the Acquiring Fund nor its shareholders will recognize any gain or loss in connection with the Reorganization.

The Target Fund Board requests that shareholders of the Target Fund approve the proposed Reorganization at the Special Meeting to be held on June 22, 2005. Subject to the requisite approval of the shareholders of each Fund with regard to the Reorganization, it is expected that the closing date of the transaction (the

"Closing Date") will be after the close of business on or about June 30, 2005,

but it may be at a different time as described herein.

The Target Fund Board recommends that you vote "FOR" the proposed Reorganization.

PROPOSAL 2: ELECTION OF TARGET FUND TRUSTEES

The Joint Special Meeting will serve as the annual meeting of shareholders of the Target Fund for the current fiscal year at which Trustees of the Target Fund will be elected. Shareholders of the Target Fund are being asked to elect four Class I trustees at the Special Meeting to serve until the later of the Target Fund's Annual Meeting of Shareholders in 2008 or until a successor has been duly elected and qualified. Holders of Common Shares, voting as a separate class, will vote with respect to four Class I Trustees (David C. Arch, Jerry D. Choate, Howard J Kerr and Suzanne H. Woolsey) designated to be elected by such class of shares. An affirmative vote of a plurality of the Common Shares is required to elect the respective nominees. It is the intention of the persons named in the enclosed proxy to vote the shares represented by them for the election of the respective nominees listed unless the proxy is marked otherwise.

The Target Fund Board recommends that you vote "FOR" the election of trustees.

PROPOSAL 3: ISSUANCE OF ACQUIRING FUND COMMON SHARES

In connection with the proposed Reorganization, as described under "Proposal 1: Reorganization of the Target Fund," the Acquiring Fund will issue additional Acquiring Fund Common Shares and list such shares on the NYSE. The Acquiring Fund will acquire substantially all of the assets and assume substantially all of the liabilities of the Target Fund in exchange for the newly-issued Acquiring Fund Common Shares and newly-issued Acquiring Fund APS. The aggregate net asset value of the Acquiring Fund Common Shares received by the Target Fund in the Reorganization will equal the aggregate net asset value of the Target Fund Common Shares immediately prior to the Reorganization. The Reorganization will result in no reduction of net asset value of the Acquiring Fund Common Shares, other than the costs of the Reorganization. No gain or loss will be recognized by the Acquiring Fund or its shareholders in connection with the Reorganization. The Acquiring Fund Board, based upon its evaluation of all relevant information, anticipates that the Reorganization will benefit holders of Acquiring Fund Common Shares by achieving certain economies of scale and other operational efficiencies.

The Acquiring Fund Board requests that shareholders of the Acquiring Fund approve the issuance of additional Acquiring Fund Common Shares at the Special Meeting to be held on June 22, 2005. Subject to the requisite approval of the

11

shareholders of each Fund with regard to the Reorganization, it is expected that the Closing Date will be after the close of business on or about June 30, 2005, but it may be at a different time as described herein.

Shareholder approval of the issuance of Acquiring Fund Common Shares requires the affirmative vote of a majority of the votes cast on the proposal, provided that the total votes cast on the proposal represents more than 50% in interest of all securities entitled to vote on the proposal.

The Acquiring Fund Board recommends that you vote "FOR" the issuance of additional Acquiring Fund Common Shares in connection with the Reorganization.

12

PROPOSAL 1: REORGANIZATION OF THE TARGET FUND

The Reorganization seeks to combine two substantially similar funds to achieve certain economies of scale and other operational efficiencies. Each Fund is registered as a diversified, closed-end management investment company under the 1940 Act. Each Fund invests primarily in investment grade municipal securities and has a substantially similar investment objective to provide a high level of current income exempt from federal income taxes with safety of principal or preservation of capital. The Funds are managed by the same investment advisory personnel.

In the Reorganization, the Acquiring Fund will acquire substantially all of the assets and assume substantially all of the liabilities of the Target Fund in exchange solely for an equal aggregate value of Acquiring Fund Common Shares and Acquiring Fund APS. The Target Fund will distribute Acquiring Fund Common Shares to holders of Target Fund Common Shares and Acquiring Fund APS to holders of Target Fund RATES, and will then terminate its registration under the 1940 Act and dissolve under applicable state law. The aggregate net asset value of Acquiring Fund Common Shares received in the Reorganization will equal the aggregate net asset value on the Target Fund Common Shares held immediately prior to the Reorganization less the costs of the Reorganization (though shareholders may receive cash for fractional shares). The aggregate liquidation preference of Acquiring Fund APS received in the Reorganization will equal the aggregate liquidation preference Target Fund RATES held immediately prior to the Reorganization. The Acquiring Fund will continue to operate as a registered closed-end investment company with the investment objective and policies described in this Joint Proxy Statement/Prospectus.

The Target Fund Board, based upon its evaluation of all relevant information, anticipates that the common shareholders of the Target Fund will benefit from the Reorganization. In particular, the Target Fund Board believes, based on data presented by the Adviser, that common shareholders of the Target Fund will experience a reduced overall operating expense ratio as a result of the Reorganization. The combined fund resulting from the Reorganizations will have a larger asset base than either Fund has currently; certain fixed administrative costs, such as costs of printing shareholder reports and proxy statements, legal expenses, audit fees, mailing costs and other expenses, will be spread across this larger asset base, thereby lowering the expense ratio for common shareholders of the combined fund.

RISK FACTORS AND SPECIAL CONSIDERATIONS

Because each Fund, under normal market conditions, invests substantially all of its assets in investment grade municipal securities, any risks inherent in such investments are equally applicable to both Funds and will apply to the combined

13

fund after the Reorganization. The Reorganization itself is not expected to adversely affect the rights of holders of Common Shares or Preferred Shares of either Fund or to create additional risks.

MARKET RISK

Market risk is the possibility that the market values of securities owned by each Fund will decline. The prices of debt securities tend to fall as interest rates rise, and such declines tend to be greater among debt securities with longer maturities. Market risk is often greater among certain types of debt

securities, such as zero coupon bonds which do not make regular interest payments but are instead bought at a discount to their face values and paid in full upon maturity. As interest rates change, these securities often fluctuate more in price than securities that make regular interest payments and therefore subject the Funds to greater market risk than a fund that does not own these types of securities. When-issued and delayed delivery transactions are subject to changes in market conditions from the time of the commitment until settlement. This may adversely affect the prices or yields of the securities being purchased. The greater the Funds' outstanding commitments for these securities, the greater the Funds' exposure to market price fluctuations.

INTEREST RATE RISK

Interest rate risk is the risk that prices of municipal securities generally increase when interest rates decline and decrease when interest rates increase. Prices of longer-term securities generally change more in response to interest rate changes than prices of shorter-term securities.

CREDIT RISK

Credit risk refers to an issuer's ability to make timely payments of interest and principal. The degree of credit risk depends on both the financial condition of the issuer and the terms of the obligation. While the Acquiring Fund invests substantially all of its total assets in municipal securities rated investment grade at the time of investment, it may, consistent with such policy, invest a portion of its assets in municipal securities rated below investment grade. Therefore, to the extent that the Acquiring Fund invests in securities rated below investment grade, it maybe subject to a higher level of credit risk than a fund that invests solely in investment grade securities. Securities rated BBB by S&P or Baa by Moody's are in the lowest of the four investment grades and are considered by the rating agencies to be medium-grade obligations which possess speculative characteristics so that changes in economic conditions or other circumstances are more likely to lead to a weakened capacity of the issuer to make principal and interest payments than in the case of higher-rated securities. The credit quality of non-investment grade securities is considered speculative by recognized rating agencies with respect to the issuer's

14

continuing ability to pay interest and principal. Lower-grade securities may have less liquidity and a higher incidence of default than higher-grade securities. The Acquiring Fund may incur higher expenditures to protect its interests in such securities. The credit risks and market prices of lower-grade securities generally are more sensitive to negative issuer developments, such as reduced revenues or increased expenditures, or adverse economic conditions, such as a recession, than are higher-grade securities.

INCOME RISK

The income shareholders receive from a Fund is based primarily on interest rates, which can vary widely over the short- and long-term. If interest rates drop, your income from such Fund may drop as well.

NONPAYMENT RISK

Although substantially all of the municipal securities in which the Funds invest are rated investment grade at the time of investment, municipal securities, like other debt obligations, are subject to the risk of nonpayment. The ability of issuers of municipal securities to make timely payments of interest and principal may be adversely impacted in general economic downturns and as relative governmental cost burdens are allocated and reallocated among

federal, state and local governmental units. Such nonpayment would result in a reduction of income to a Fund and could result in a reduction in the value of them municipal security experiencing nonpayment and a potential decrease in the net asset value of the Fund.

CALL RISK

If interest rates fall, it is possible that issuers of securities with high interest rates will prepay or "call" their securities before their maturity dates. In this event, the proceeds from the called securities would likely be reinvested by the Funds in securities bearing the new, lower interest rates, resulting in a possible decline in the Fund's income and distributions to shareholders.

MUNICIPAL SECURITIES RISK

Under normal market conditions, the Funds invest primarily in municipal securities. The yields of municipal securities may move differently and adversely compared to the yields of overall debt securities markets. Although the interest received from municipal securities generally is exempt from federal income tax, each Fund may invest in municipal securities subject to the federal alternative minimum tax. The Acquiring Fund may invest all or a substantial portion of its total assets in municipal securities subject to the federal alternative minimum tax. In addition, there could be changes in applicable tax laws or tax treatments that reduce or eliminate the current federal income tax exemption on municipal securities or

15

otherwise adversely affect the current federal or state tax status of municipal securities.

RISKS OF USING STRATEGIC TRANSACTIONS

Each Fund may engage in certain transactions ("Strategic Transactions") designed to, among other things, reduce its exposure to interest rate movements. For example, each Fund may purchase and sell exchange-listed and over-the-counter put and call options on securities, financial futures and other financial instruments, purchase and sell financial futures contracts and enter into various interest rate transactions such as swaps, caps, floors or collars. If a Fund incorrectly forecasts market values, interest rates or other factors, that Fund's performance could suffer as a result of its Strategic Transactions. Each Fund also may suffer a loss if the other party to the Strategic Transaction fails to meet its obligations. The Funds are not required to use Strategic Transactions and may choose not to do so.

MANAGER RISK

As with any managed fund, the investment adviser to each Fund may not be successful in selecting the best-performing securities or investment techniques, and a Fund's performance may lag behind that of similar funds.

MARKET DISCOUNT RISK

Whether investors will realize gains or losses upon the sale of shares of a Fund will depend upon the market price of the shares at the time of sale and the price at which the Shares were purchased, which may be less or more than such Fund's net asset value per share. Since the market price of the shares will be affected by such factors as the relative demand for and supply of the shares in the market, general market and economic conditions and other factors beyond the control of the Funds, the Funds cannot predict whether shares of the Funds will trade at, below or above net asset value. Shares of closed-end funds often trade

at a discount to their net asset values, and the Funds' shares may trade at such a discount.

LEVERAGE RISK

Use of leverage, through the issuance of Preferred Shares, involves certain risks to holders of Common Shares of the Funds. For example, each Fund's issuance of Preferred Shares may result in higher volatility of the net asset value of its Common Shares and potentially more volatility in the market value of its Common Shares. In addition, changes in the short-term and medium-term dividend rates on, and the amount of taxable income allocable to, the Preferred Shares of a Fund will affect the yield to holders of Common Shares of the Fund. In certain circumstances, when a Fund is required to allocate taxable income to holders of its Preferred Shares, the Fund may be required to make an additional distribution to such holders in an

16

amount approximately equal to the tax liability resulting from the allocation (an "Additional Dividend"). Leverage will allow holders of each Fund's Common Shares to realize a higher current rate of return than if the Fund were not leveraged as long as the Fund, while accounting for its costs and operating expenses, is able to realize a higher net return on its investment portfolio than the then-current dividend rate (and any Additional Dividend) paid on its Preferred Shares. Similarly, since a pro rata portion of each Fund's net realized capital gains is generally payable to holders of the Fund's Common Shares, the use of leverage will increase the amount of such gains distributed to holders of the Fund's Common Shares. However, short-term, medium-term and long-term interest rates change from time to time as do their relationships to each other (i.e., the slope of the yield curve) depending upon such factors as supply and demand forces, monetary and tax policies and investor expectations. Changes in any or all of such factors could cause the relationship between short-term, medium-term and long-term rates to change (i.e., to flatten or to invert the slope of the yield curve) so that short-term and medium-term rates may substantially increase relative to the long-term obligations in which each Fund may be invested. To the extent that the current dividend rate (and any Additional Dividend) on a Fund's Preferred Shares approaches the net return on the Fund's investment portfolio, the benefit of leverage to holders of Common Shares of the Fund will be decreased. If the current dividend rate (and any Additional Dividend) on the Preferred Shares were to exceed the net return on a Fund's portfolio, holders of Common Shares of the Fund would receive a lower rate of return than if the Fund were not leveraged. Similarly, since both the costs of issuing Preferred Shares and any decline in the value of a Fund's investments (including investments purchased with the proceeds from any Preferred Shares offering) will be borne entirely by holders of the Fund's Common Shares, the effect of leverage in a declining market would result in a greater decrease in net asset value to holders of Common Shares than if the Fund were not leveraged. If a Fund is liquidated, holders of that Fund's Preferred Shares will be entitled to receive liquidating distributions before any distribution is made to holders of Common Shares of the Fund.

In an extreme case, a decline in net asset value could affect a Fund's ability to pay dividends on its Common Shares. Failure to make such dividend payments could adversely affect the Fund's qualification as a regulated investment company under the federal tax laws. However, each Fund intends to take all measures necessary to make required Common Share dividend payments. If a Fund's current investment income is ever insufficient to meet dividend payments on either its Common Shares or its Preferred Shares, the Fund may have to liquidate certain of its investments. In addition, each Fund has the authority to redeem its Preferred

17

Shares for any reason and may be required to redeem all or part of its Preferred Shares in the following circumstances:

- if the asset coverage for the Preferred Shares declines below 200%, either as a result of a decline in the value of the Fund's portfolio investments or as a result of the repurchase of Common Shares in tender offers or otherwise, or
- in order to maintain the asset coverage guidelines established by Moody's and S&P in rating the Preferred Shares.

Redemption of the Preferred Shares or insufficient investment income to make dividend payments, may reduce the net asset value of a Fund's Common Shares and require the Fund to liquidate a portion of its investments at a time when it may be disadvantageous to do so.

ANTI-TAKEOVER PROVISIONS

The Declaration of Trust of each Fund (in each case, the "Declaration of Trust") includes provisions that could limit the ability of other entities or persons to acquire control of that Fund or to change the composition of its Board of Trustees. Such provisions could limit the ability of shareholders to sell their shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control of either Fund.

SPECIAL RISKS RELATED TO PREFERRED SHARES

AUCTION RISK. The dividend rate for the Preferred Shares of each Fund normally is set through an auction process. In the auction, holders of Preferred Shares may indicate the dividend rate at which they would be willing to hold or sell their shares or purchase additional shares. An auction fails if there are more Preferred Shares offered for sale than there are buyers, in which case holders of Preferred Shares may not be able to sell their shares. Also, if holders of Preferred Shares place bids to retain shares at an auction only at a specified dividend rate and that rate exceeds the rate set at the auction, they will not retain their shares. Additionally, if holders of Preferred Shares buy shares or elect to retain shares without specifying a dividend rate below which they would not wish to buy or continue to hold those shares, they could receive a lower rate of return on their shares than the market rate. Finally, the dividend period for the Preferred Shares may be changed by the Fund, subject to certain conditions, including notice to preferred shareholders, which could also affect the liquidity of an investment in Preferred Shares.

SECONDARY MARKET RISK. The Target Fund RATES have not been registered pursuant to the Securities Act of 1933, as amended (the "1933 Act"). Acquiring Fund APS are registered pursuant to the 1933 Act. Target Fund RATES may only be transferred outside of auctions through transactions that are not required to be registered under applicable federal and state securities laws. Broker-dealers may

maintain a secondary trading market in the Acquiring Fund APS outside of auctions; however, they are not obligated to do so and there can be no assurance that such a secondary market will develop or, if it does develop, that it will provide holders of Acquiring Fund APS with a liquid trading market. It may not be possible to sell Acquiring Fund APS between auctions, or it may only be possible to sell them for a price less than their liquidation preference plus any accumulated dividends. An increase in the level of interest rates likely will have an adverse effect on the secondary market price of the Acquiring Fund

APS. Acquiring Fund APS may only be transferred outside of auctions to or through broker-dealers or other persons as the Fund permits.

RATINGS AND ASSET COVERAGE RISKS. Although the Preferred Shares of each Fund have been rated "Aaa" by Moody's and "AAA" by S&P, such ratings do not eliminate or necessarily mitigate the risks of investing in Preferred Shares. Moody's or S&P could downgrade its rating of the Preferred Shares or withdraw its rating at any time, which may make the Preferred Shares less liquid at an auction or in the secondary market. If a Fund fails to satisfy its asset coverage ratios, it will be required to redeem a sufficient number of Preferred Shares in order to return to compliance with the asset coverage ratios. A Fund may voluntarily redeem preferred shares under certain circumstances in order to meet asset coverage tests.

COMPARISON OF THE FUNDS

INVESTMENT OBJECTIVE AND POLICIES

The Funds have substantially similar investment objectives and policies. The Target Fund's investment objective is to provide a high level of current income exempt from federal income taxes with safety of principal. The Acquiring Fund's investment objective is to provide a high level of current income exempt from federal income tax, consistent with preservation of capital.

Each Fund invests primarily in municipal securities rated investment grade at the time of investment. Under normal market conditions, each Fund invests at least 80% of its assets in municipal securities. The foregoing policy is a fundamental policy of each Fund and cannot be changed without shareholder approval. The Target Fund may only invest in municipal securities that are rated investment grade at the time of investment. The Acquiring Fund invests substantially all of its total assets in municipal securities rated investment grade at the time of investment; however, the Acquiring Fund may, consistent with such policy, also invest a portion of its assets in municipal securities rated below investment grade. Each Fund considers securities rated BBB or higher by Standard & Poor's Corporation ("S&P") or Baa or higher by Moody's Investors Service ("Moody's") and equivalent rated short-term obligations to be investment grade.

19

Each Fund may invest in municipal securities subject to the alternative minimum tax provisions of federal tax law. The Acquiring Fund has not established any limit on the percentage of its portfolio that may be invested in municipal securities that pay interest subject to the alternative minimum tax provisions of federal tax law, and a substantial portion of the income produced by the Acquiring Fund may be taxable under the alternative minimum tax. The Target Fund may invest up to 20% of its total assets in municipal securities that pay interest subject to the alternative minimum tax. The Funds may not be suitable investments for investors who are already subject to the federal alternative minimum tax or who would become subject to the federal alternative minimum tax as a result of an investment in the Funds.

Each Fund may engage in certain hedging transactions and may purchase and sell put and call options on municipal securities and municipal securities indices. Such transactions are not treated as investments in municipal securities for the purpose of each Fund's policy of investing 80% of its total assets in municipal securities.

MUNICIPAL SECURITIES. Municipal securities are obligations issued by or on behalf of states, certain territories and possessions of the United States and the District of Columbia and their political subdivisions, agencies and

instrumentalities, the interest on which is, in the opinion of bond counsel or other counsel to the issuer of such securities, at the time of issuance, not includable in gross income for regular federal income tax purposes. Under normal market conditions, at least 80% of each Fund's net assets are invested in municipal securities. The Acquiring Fund not established any limit on the percentage of their respective portfolios that may be invested in municipal securities that pay interest subject to the alternative minimum tax provisions of federal tax law, and a substantial portion of the income produced by the Acquiring Fund may be taxable under the federal alternative minimum tax. The Target Fund may invest up to 20% of its total assets in municipal securities that pay interest subject to the alternative minimum tax.

The two principal classifications of municipal securities are "general obligation" securities and "revenue" securities. "General obligation" securities are secured by the issuer's pledge of its faith, credit and taxing power for the payment of principal and interest. "Revenue" securities are usually payable only from the revenues derived from a particular facility or class of facilities or, in some cases, from the proceeds of a special excise tax or other specific revenue source. Industrial development bonds are usually revenue securities, the credit quality of which is normally directly related to the credit standing of the industrial user involved.

Within these principal classifications of municipal securities, there are a variety of categories of municipal securities, including fixed and variable rate securities, municipal bonds, municipal notes, municipal leases, custodial receipts, participation certificates and municipal securities the terms of which include elements of, or are

20

similar in effect to, certain Strategic Transactions in which the Funds may engage. Variable rate securities bear rates of interest that are adjusted periodically according to formulae intended to reflect market rates of interest and include securities whose rates vary inversely with changes in market rates of interest. Municipal notes include tax, revenue and bond anticipation notes of short maturity, generally less than three years, which are issued to obtain temporary funds for various public purposes. Municipal leases are obligations issued by state and local governments or authorities to finance the acquisition of equipment and facilities. Certain municipal lease obligations may include "nonappropriation" clauses which provide that the municipality has no obligation to make lease or installment purchase payments in future years unless money is appropriated for such purpose on a yearly basis. Custodial receipts are underwritten by securities dealers or banks and evidence ownership of future interest payments, principal payments or both on certain municipal securities. Participation certificates are obligations issued by state and local governments or authorities to finance the acquisition of equipment and facilities. They may represent participations in a lease, an installment purchase contract, or a conditional sales contract. Municipal securities may not be backed by the faith, credit and taxing power of the issuer. The Funds may also invest in municipal securities backed by original issue insurance or secondary market insurance (collectively, "insurance").

The yields of municipal securities depend on, among other things, general money market conditions, general conditions of the municipal securities market, size of a particular offering, the maturity of the obligation and rating of the issue. The ratings of S&P and Moody's represent their opinions of the quality of the municipal securities they undertake to rate. It should be emphasized, however, that ratings are general and are not absolute standards of quality. Consequently, municipal securities with the same maturity, coupon and rating may have different yields while municipal securities of the same maturity and coupon with different ratings may have the same yield.

Municipal securities include long-term obligations, often called municipal bonds, as well as short-term municipal notes, participation certificates, municipal leases, and tax-exempt commercial paper. Under normal market conditions, longer-term municipal securities generally provide a higher yield than short-term municipal securities of similar credit quality and therefore each Fund generally emphasizes investments in municipal securities with long-term maturities. There is no limitation as to the maturity of municipal securities in which the Fund may invest. The Adviser may adjust the average maturity of the Fund's portfolio from time to time, depending on its assessment of the relative yields available on securities of different maturities and its expectations of future changes in interest rates.

Each Fund may invest more than 25% of its total assets in a particular segment of the municipal securities market if the Adviser determines that the yields available

21

from obligations in a particular segment justify the additional risks of a larger investment in such segment.

Neither Fund has a policy limiting its investments in municipal securities whose issuers are located in the same state. However, it is not the present intention of either Fund to invest more than 25% of the value of its total assets in issuers located in the same state. If a Fund were to invest more than 25% of its total assets in issuers located in the same state, it would be more susceptible to adverse economic, business or regulatory conditions in that state.

Neither Fund will not invest more than 25% of its total assets in any industry, nor invest more than 5% of its total assets in the securities of any single issuer. Governmental issuers of municipal securities are not considered part of any "industry." However, municipal securities backed only by the assets and revenues of non-governmental users may for this purpose be deemed to be issued by such non-governmental users, and the 25% limitation would apply to such obligations.

MUNICIPAL LEASES AND CERTIFICATES OF PARTICIPATION. Included within the general category of municipal securities are participations in lease obligations or installment purchase contract obligations (collectively called "lease obligations") of municipal authorities or entities. Although lease obligations do not constitute general obligations of the municipality for which the municipality's taxing power is pledged, a lease obligation is ordinarily backed by the municipality's covenant to budget for, appropriate and make the payments due under the lease obligation. However, certain lease obligations contain "non-appropriation" clauses which provide that the municipality has no obligation to make lease or installment purchase payments in future years unless money is appropriated for such purpose on a yearly basis. Although non-appropriation lease obligations are often secured by the underlying property, disposition of the property in the event of foreclosure might prove difficult.

The Target Fund may only invest 5% of its total assets in lease obligations that contain non-appropriation clauses, and only invests in those non-appropriation lease obligations where (1) the nature of the leased equipment or property is such that its ownership or use is essential to a governmental function of the municipality, (2) the lease payments will commence amortization of principal at an early date resulting in an average life of seven years or less for the lease obligation, (3) appropriate covenants will be obtained from the municipal obligor prohibiting the substitution or purchase of similar equipment if lease payments are not appropriated, (4) the lease obligor has

maintained good market acceptability in the past, (5) the investment is of a size that will be attractive to institutional investors, and (6) the underlying leased equipment has elements of portability and/or use that enhance its marketability in the event foreclosure on the underlying equipment was ever required.

22

There is no limitation on the percentage of the Acquiring Fund's assets that may be invested in lease obligations that contain non-appropriation clauses. In evaluating such lease obligations, the Adviser will consider such factors as it deems appropriate, which may include (1) whether the lease can be cancelled, (2) the ability of the lease obligee to direct the sale of the underlying assets, (3) the general creditworthiness of the lease obligor, (4) the likelihood that the municipality will discontinue appropriating funding for the leased property in the event such property is no longer considered essential by the municipality, (5) the legal recourse of the lease obligee in the event of such a failure to appropriate funding and (6) any limitations which are imposed on the lease obligor's ability to utilize substitute property or services than those covered by the lease obligation. The Acquiring Fund invests in lease obligations which contain non-appropriation clauses only if such obligations are rated investment grade at the time of investment.

Participation certificates are obligations issued by state and local governments or authorities to finance the acquisition of equipment and facilities. They may represent participations in a lease, an installment purchase contract, or a conditional sales contract. Some municipal leases and participation certificates may not be readily marketable.

TEMPORARY DEFENSIVE STRATEGIES. At times, the Adviser may judge that conditions in the markets for municipal securities make pursuing a Fund's basic investment strategy inconsistent with the best interests of its shareholders. At such times the Adviser may use alternative strategies, primarily designed to reduce fluctuations in the value of such Fund's assets. In implementing these "defensive" strategies, a Fund may invest to a substantial degree in other investment grade municipal securities, including liquid, high-quality, short-term municipal securities. If these other municipal securities are not available or, in the Adviser's judgment, do not afford sufficient protection against adverse market conditions, the Fund may invest in investment grade taxable securities. To the extent that the Fund invests in taxable securities for temporary defensive purposes, the Fund will not be invested in a manner primarily designed to achieve its investment objective of seeking to provide common shareholders with a high level of current income exempt from federal income tax.

OTHER INVESTMENT PRACTICES AND POLICIES

In connection with the investment objective and policies described above, each Fund may, but is not required to, utilize various other investment strategies as described below to earn income, to facilitate portfolio management and to mitigate risk. Such strategies are generally accepted by modern portfolio managers and are regularly utilized by many investment companies and other institutional investors. These investment practices entail risks. Although the Adviser believes that these

23

investment practices may further the Funds' respective investment objectives, no assurance can be given that these investment practices will achieve this result.

OPTIONS. Put options and call options typically have similar structural characteristics and operational mechanics regardless of the underlying instrument on which they are purchased or sold. Thus, the following general discussion relates to each of the particular types of options discussed in greater detail below. In general, each Fund may purchase and sell (write) options on up to 20% of its assets. In addition, many Strategic Transactions involving options require segregation of Fund assets in special accounts, as described below under "Use of Segregated and Other Special Accounts."

A put option gives the purchaser of the option, upon payment of a premium, the right to sell, and the writer the obligation to buy, the underlying security, commodity, index or other instrument at the exercise price. For instance, the Fund's purchase of a put option on a security might be designed to protect its holdings in the underlying instrument (or, in some cases, a similar instrument) against a substantial decline in the market value by giving the Fund the right to sell such instrument at the option exercise price. A call option, upon payment of a premium, gives the purchaser of the option the right to buy, and the seller the obligation to sell, the underlying instrument at the exercise price. The Fund's purchase of a call option on a security, financial future contract, index or other instrument might be intended to protect the Fund against an increase in the price of the underlying instrument that it intends to purchase in the future by fixing the price at which it may purchase such instrument. An American style put or call option may be exercised at any time during the option period while a European style put or call option may be exercised only upon expiration or during a fixed period prior thereto. The Fund is authorized to purchase and sell exchange listed options and over-the-counter options ("OTC options"). Exchange listed options are issued by a regulated intermediary such as the Options Clearing Corporation ("OCC"), which guarantees the performance of the obligations of the parties to such options. The discussion below uses the OCC as a paradigm, but is also applicable to other financial intermediaries.

With certain exceptions, OCC issued and exchange listed options generally settle by physical delivery of the underlying security or currency, although in the future cash settlement may become available. Index options and Eurodollar instruments are cash settled for the net amount, if any, by which the option is "in-the-money" (i.e., where the value of the underlying instrument exceeds, in the case of a call option, or is less than, in the case of a put option, the exercise price of the option) at the time the option is exercised. Frequently, rather than taking or making delivery of the underlying instrument through the process of exercising the option, listed options are closed by entering into offsetting purchase or sale transactions that do not result in ownership of the new option.

24

The Fund's ability to close out its position as a purchaser or seller of an OCC or exchange listed put or call option is dependent, in part, upon the liquidity of the option market. Among the possible reasons for the absence of a liquid option market on an exchange are: (i) insufficient trading interest in certain options; (ii) restrictions on transactions imposed by an exchange; (iii) trading halts, suspensions or other restrictions imposed with respect to particular classes or series of options or underlying securities including reaching daily price limits; (iv) interruption of the normal operations of the OCC or an exchange; (v) inadequacy of the facilities of an exchange or OCC to handle current trading volume; or (vi) a decision by one or more exchanges to discontinue the trading of options (or a particular class or series of options), in which event the relevant market for that option on that exchange would cease to exist, although outstanding options on that exchange would generally continue to be exercisable in accordance with their terms.

The hours of trading for listed options may not coincide with the hours during which the underlying financial instruments are traded. To the extent that the option markets close before the markets for the underlying financial instruments, significant price and rate movements can take place in the underlying markets that cannot be reflected in the option markets.

OTC options are purchased from or sold to securities dealers, financial institutions or other parties ("Counterparties") through direct bilateral agreement with the Counterparty. In contrast to exchange listed options, which generally have standardized terms and performance mechanics, all the terms of an OTC option, including such terms as method of settlement, term, exercise price, premium, guarantees and security, are set by negotiation of the parties. The Fund will only enter into OTC options that have a buy-back provision permitting the Fund to require the Counterparty to close the option at a formula price within seven days. The Fund expects generally to enter into OTC options that have cash settlement provisions, although it is not required to do so.

Unless the parties provide for it, there is no central clearing or guaranty function in an OTC option. As a result, if the Counterparty fails to make or take delivery of the security, or other instrument underlying an OTC option it has entered into with the Fund or fails to make a cash settlement payment due in accordance with the terms of that option, the Fund will lose any premium it paid for the option as well as any anticipated benefit of the transaction. Accordingly, the Adviser must assess the creditworthiness of each such Counterparty or any guarantor or credit enhancement of the Counterparty's credit to determine the likelihood that the terms of the OTC option will be satisfied. The Fund will engage in OTC option transactions only with U.S. government securities dealers recognized by the Federal Reserve Bank of New York as "primary dealers", or broker-dealers, domestic or foreign banks or other financial institutions which have received (or the guarantors of the obligation of

25

which have received) a short-term credit rating of "A-1" from Standard & Poor's ("S&P") or "P-1" from Moody's Investors Service, Inc. ("Moody's") or an equivalent rating from any other nationally recognized statistical rating organization ("NRSRO"). The staff of the SEC currently takes the position that, in general, OTC options on securities (other than U.S. government securities) purchased by the Fund, and portfolio securities "covering" the amount of the Fund's obligation pursuant to an OTC option sold by it (the cost of the sell-back plus the in-the-money amount, if any) are illiquid, and are subject to the Fund's limitation on illiquid securities described herein.

If the Fund sells a call option, the premium that it receives may serve as a partial hedge, to the extent of the option premium, against a decrease in the value of the underlying securities or instruments in its portfolio or will increase the Fund's income. The sale of put options can also provide income.

The Fund may purchase and sell call options on securities, including U.S. Treasury and agency securities, municipal obligations, mortgage-backed securities, corporate debt securities that are traded on securities exchanges and in the OTC markets and related futures contracts. All calls sold by the Fund must be "covered" (i.e., the Fund must own the securities or futures contract subject to the call) or must meet the asset segregation requirements described below as long as the call is outstanding. Even though the Fund will receive the option premium to help protect it against loss, a call sold by the Fund exposes the Fund during the term of the option to possible loss of opportunity to realize appreciation in the market price of the underlying security or instrument and may require the Fund to hold a security or instrument which it might otherwise have sold. In the event of exercise of a call option sold by the

Fund with respect to securities not owned by the Fund, the Fund may be required to acquire the underlying security at a disadvantageous price to satisfy its obligation with respect to the call option.

The Fund may purchase and sell put options on securities including U.S. Treasury and agency securities, municipal obligations, mortgage-backed securities and corporate debt securities (whether or not it holds the above securities in its portfolio.) In selling put options, there is a risk that the Fund may be required to buy the underlying security at a disadvantageous price above the market price.

FUTURES CONTRACTS. Each Fund may enter into financial futures contracts or purchase or sell put and call options on futures contracts as a hedge against anticipated interest rate or fixed-income market changes, for duration management and for risk management purposes. Futures contracts generally are bought and sold on the commodities exchanges where they are listed with payment of initial and variation margin as described below. The purchase of a futures contract creates a firm obligation by the Fund, as purchaser, to take delivery from the seller of the specific type of financial instrument called for in the contract at a specific future time for a specified price (or, with respect to index futures contracts and Eurodollar

26

instruments, the net cash amount). The sale of a futures contract creates a firm obligation by the Fund, as seller, to deliver to the buyer the specific type of financial instrument called for in the contract at a specific future time for a specified price (or, with respect to index futures and Eurodollar instruments, the net cash amount). Options on futures contracts are similar to options on securities except that an option on a futures contract gives the purchaser the right in return for the premium paid to assume a position in a futures contract and obligates the seller to deliver such option.

The Fund's use of financial futures contracts and options on futures contracts will in all cases be consistent with applicable regulatory requirements and in particular the rules and regulations of the Commodity Futures Trading Commission and will be entered into only for bona fide hedging, risk management (including duration management) or other portfolio management purposes. Typically, maintaining a futures contract or selling an option on a futures contract requires the Fund to deposit with a financial intermediary as security for its obligations an amount of cash or other specified assets (initial margin) which initially is typically 1% to 10% of the face amount of the contract (but may be higher in some circumstances). Additional cash or assets (variation margin) may be required to be deposited thereafter on a daily basis as the mark to market value of the contract fluctuates. The purchase of options on financial futures contracts involves payment of a premium for the option without any further obligation on the part of the Fund. If the Fund exercises an option on a futures contract it will be obligated to post initial margin (and potential subsequent variation margin) for the resulting futures contracts position just as it would for any position. Futures contracts and options on futures contracts are generally settled by entering into an offsetting transaction but there can be no assurance that the position can be offset prior to settlement at an advantageous price nor that delivery will occur.

The Fund will not enter into a futures contract or an option on a futures contracts (except for closing transactions) for other than bona fide hedging purposes if, immediately thereafter, the sum of the amount of its initial margin and premiums on open futures contracts and options thereon would exceed 5% of the Fund's total assets (taken at current value); however, in the case of an option that is in-the-money at the time of the purchase, the in-the-money amount may be excluded in calculating the 5% limitation. The segregation requirements with respect to futures contracts and options thereon are described below.

OPTIONS ON SECURITIES INDICES AND OTHER FINANCIAL INDICES. The Fund also may purchase and sell call and put options on securities indices and other financial indices and in so doing can achieve many of the same objectives it would achieve through the sale or purchase of options on individual securities or other instruments. Options on securities indices and other financial indices are similar to options on a security or other instrument except that, rather than settling by physical delivery of

27

the underlying instrument, they settle by cash settlement, i.e., an option on an index gives the holder the right to receive, upon exercise of the option, an amount of cash if the closing level of the index upon which the option is based exceeds, in the case of a call, or is less than, in the case of a put, the exercise price of the option (except if, in the case of an OTC option, physical delivery is specified). This amount of cash is equal to the excess of the closing price of the index over the exercise price of the option, which also may be multiplied by a formula value. The seller of the option is obligated, in return for the premium received, to make delivery of this amount. The gain or loss on an option on an index depends on price movements in the instruments making up the market, market segment, industry or other composite on which the underlying index is based, rather than price movements in individual securities, as is the case with respect to options on securities.

COMBINED TRANSACTIONS. Each Fund may enter into multiple transactions, including multiple options transactions, multiple futures contracts transactions and multiple interest rate transactions and any combination of futures contracts, options and interest rate transactions ("component" transactions), instead of a single Strategic Transaction, as part of a single or combined strategy when, in the opinion of the Adviser, it is in the best interests of the Fund to do so. A combined transaction will usually contain elements of risk that are present in each of its component transactions. Although combined transactions are normally entered into based on the Adviser's judgment that the combined strategies will reduce risk or otherwise more effectively achieve the desired portfolio management goal, it is possible that the combination will instead increase such risks or hinder achievement of the portfolio management objective.

SWAPS, CAPS, FLOORS AND COLLARS. Among the Strategic Transactions into which each Fund may enter are interest rate and index swaps and the purchase or sale of related caps, floors and collars. The Fund expects to enter into these transactions primarily to preserve a return or spread on a particular investment or portion of its portfolio, as a duration management technique or to protect against any increase in the price of securities the Fund anticipates purchasing at a later date. The Fund intends to use these transactions as hedges and not as speculative investments and will not sell interest rate caps or floors where it does not own securities or other instruments providing the income stream the Fund may be obligated to pay. Interest rate swaps involve the exchange by the Fund with another party of their respective commitments to pay or receive interest, e.g., an exchange of floating rate payments for fixed rate payments with respect to a notional amount of principal. An index swap is an agreement to swap cash flows on a notional amount based on changes in the values of the reference indices. The purchase of a cap entitles the purchaser to receive payments on a notional principal amount from the party selling such cap to the extent that a specified index exceeds a predetermined interest rate or amount. The purchase of a floor entitles the purchaser to receive payments on a notional principal amount from the party selling such floor to the extent that a

28

specified index falls below a predetermined interest rate or amount. A collar is a combination of a cap and a floor that preserves a certain return within a predetermined range of interest rates or values.

USE OF SEGREGATED AND OTHER SPECIAL ACCOUNTS. Many Strategic Transactions, in addition to other requirements, require that the Fund segregate cash and/or liquid securities to the extent Fund obligations are not otherwise "covered" through ownership of the underlying security, financial instrument or currency. In general, either the full amount of any obligation by the Fund to pay or deliver securities or assets must be covered at all times by the securities, instruments or currency required to be delivered, or, subject to any regulatory restrictions, the Fund must segregate cash and/or liquid securities in an amount at least equal to the current amount of the obligation. The segregated assets cannot be sold or transferred unless equivalent assets are substituted in their place or it is no longer necessary to segregate. For example, a call option written by the Fund will require the Fund to hold the securities subject to the call (or securities convertible into the needed securities without additional consideration) or to segregate cash and/or liquid securities sufficient to purchase and deliver the securities if the call is exercised. A call option sold by the Fund on an index will require the Fund to own portfolio securities which correlate with the index or to segregate cash and/or liquid securities equal to the excess of the index value over the exercise price on a current basis. A put option written by the Fund requires the Fund to segregate cash and/or liquid securities equal to the exercise price.

OTC options entered into by the Fund, including those on securities, financial instruments or indices and OCC issued and exchange listed index options, will generally provide for cash settlement. As a result, when the Fund sells these instruments it will only segregate an amount of cash and/or liquid securities equal to its accrued net obligations, as there is no requirement for payment or delivery of amounts in excess of the net amount. These amounts will equal 100% of the exercise price in the case of a non cash-settled put, the same as an OCC guaranteed listed option sold by the Fund, or the in-the-money amount plus any sell-back formula amount in the case of a cash-settled put or call. In addition, when the Fund sells a call option on an index at a time when the in-the-money amount exceeds the exercise price, the Fund will segregate, until the option expires or is closed out, cash and/or liquid securities equal in value to such excess. OCC issued and exchange listed options sold by the Fund other than those above generally settle with physical delivery, and the Fund will segregate an amount of cash and/or liquid securities equal to the full value of the option. OTC options settling with physical delivery, or with an election of either physical delivery or cash settlement, will be treated the same as other options settling with physical delivery.

In the case of a futures contract or an option on a futures contract, the Fund must deposit initial margin and possible daily variation margin in addition to segregating

29

cash and/or liquid securities sufficient to meet its obligation to purchase or provide securities or currencies, or to pay the amount owed at the expiration of an index-based futures contract.

With respect to swaps, the Fund will accrue the net amount of the excess, if any, of its obligations over its entitlements with respect to each swap on a daily basis and will segregate an amount of cash and/or liquid securities having a value equal to the accrued excess. Caps, floors and collars require segregation of cash and/or liquid securities with a value equal to the Fund's net obligation, if any.

Strategic Transactions may be covered by other means when consistent with applicable regulatory policies. The Fund also may enter into offsetting transactions so that its combined position, coupled with any segregated cash and/or liquid securities, equals its net outstanding obligation in related options and Strategic Transactions. For example, the Fund could purchase a put option if the strike price of that option is the same or higher than the strike price of a put option sold by the Fund. Moreover, instead of segregating cash and/or liquid securities if the Fund held a futures contract or forward contract, it could purchase a put option on the same futures contract or forward contract with a strike price as high or higher than the price of the contract held. Other Strategic Transactions also may be offset in combinations. If the offsetting transaction terminates at the time of or after the primary transaction no segregation is required, but if it terminates prior to such time, cash and/or liquid securities equal to any remaining obligation could need to be segregated.

The Fund's activities involving Strategic Transactions may be limited by the requirements of the Code for qualification as a regulated investment company. Losses resulting from the use of Strategic Transactions would reduce net asset value, and possibly income, and such losses can be greater than if the Strategic Transactions had not been utilized. Income earned or gains realized or deemed to be earned or realized, if any, by a Fund from engaging in Strategic Transactions generally will be taxable income of the Fund. Such income earned or realized by the Target Fund is allocated to the Target Fund RATES. Such income earned or realized by the Acquiring Fund is allocated to the Acquiring Fund Common Shares and the Acquiring Fund APS on a pro rata basis.

"WHEN-ISSUED AND "DELAYED DELIVERY" TRANSACTIONS. Each Fund may also purchase and sell municipal securities on a "when-issued" and "delayed delivery" basis. No income accrues to a Fund on municipal securities in connection with such transactions prior to the date the Fund actually takes delivery of such securities. These transactions are subject to market fluctuation; the value of the municipal securities at delivery may be more or less than their purchase price, and yields generally available on municipal securities when delivery occurs may be higher than yields on the municipal securities obtained pursuant to such transactions. Because the Fund engaging in such transactions relies on the buyer or seller, as the case may

30

be, to consummate the transaction, failure by the other party to complete the transaction may result in the Fund missing the opportunity of obtaining a price or yield considered to be advantageous.

INVESTMENT RESTRICTIONS

Each Fund's investment objective, its investment policy with respect to investing at least 80% of its total assets in municipal securities and the following investment restrictions are fundamental and cannot be changed without the approval of the holders of a majority of the Fund's outstanding voting securities (defined in the 1940 Act as the lesser of (i) more than 50% of the Fund's outstanding Common Shares and of its outstanding Preferred Shares, voting by class, or (ii) 67% of such outstanding Common Shares and of its outstanding Preferred Shares, voting by class, present at a meeting at which the holders of more than 50% of the outstanding shares of each such class are present in person or by proxy). All other investment policies or practices are considered by the Funds not to be fundamental and accordingly may be changed without shareholder approval. If a percentage restriction on investment or use of assets set forth below is adhered to at the time a transaction is effected, later changes in percentage resulting from changing market values will not be considered a deviation from policy. The investment restrictions of the Acquiring Fund are set forth below. Except as noted herein the investment restrictions of the Target

Edgar Filing: VAN KAMPEN TRUST FOR INVESTMENT GRADE MUNICIPALS - Form N-14 8C

Fund are substantially similar. The Acquiring Fund may not:

1. With respect to 75% of its total assets, purchase any securities (other than tax-exempt obligations guaranteed by the United States Government or by its agencies or instrumentalities), if as a result more than 5% of the Fund's total assets would then be invested in securities of a single issuer or if as a result the Fund would hold more than 10% of the outstanding voting securities of any single issuer, except that the Fund may purchase securities of other investment companies to the extent permitted by (i) the 1940 Act, as amended from time to time, (ii) the rules and regulations promulgated by the Securities and Exchange Commission under the 1940 Act, as amended from time to time, or (iii) an exemption or other relief from the provisions of the 1940 Act.
 2. Invest more than 25% of its assets in a single industry; however, as described in the Fund's prospectus, the Fund may from time to time invest more than 25% of its assets in a particular segment of the municipal securities market.
 3. Issue senior securities, as defined in the 1940 Act, other than preferred shares of beneficial interest, except to the extent such issuance might be involved with borrowings described under subparagraph (4) below or with respect to hedging and risk management transactions or the writing of options within limits described in the Fund's Prospectus.
- 31
4. Borrow money, except for temporary or emergency purposes from banks or for repurchase of the Fund's shares, and then only in an amount not exceeding one-third of the Fund's total assets, including the amount borrowed. The Fund will not mortgage, pledge or hypothecate any assets except in connection with a borrowing. The Fund will not purchase portfolio securities during any period that such borrowings exceed 5% of the total asset value of the Fund. Notwithstanding this investment restriction, the Fund may enter into "when issued" and "delayed delivery" transactions as described in the Fund's prospectus.
 5. Make loans of money or property to any person, except to the extent the securities in which the Fund may invest are considered to be loans and except that the Fund may lend money or property in connection with maintenance of the value of or the Fund's interest with respect to the securities owned by the Fund.
 6. Buy any securities "on margin." Neither the deposit of initial or variation margin in connection with hedging and risk management transactions nor short-term credits as may be necessary for the clearance of transactions is considered the purchase of a security on margin.
 7. Sell any securities "short," write, purchase or sell puts, calls or combinations thereof, or purchase or sell financial futures or options, except as described in the Fund's prospectus.
 8. Act as an underwriter of securities, except to the extent the Fund may be deemed to be an underwriter in connection with the sale of securities held in its portfolio.
 9. Make investments for the purpose of exercising control or participation in management, except to the extent that exercise by the Fund of its rights under agreements related to municipal securities would be deemed to constitute such control or participation, and except that the Fund may purchase securities of other investment companies to the extent permitted by (i) the 1940 Act, as amended from time to time, (ii) the rules and

regulations promulgated by the Securities and Exchange Commission under the 1940 Act, as amended from time to time, or (iii) an exemption or other relief from the provisions of the 1940 Act.

10. Invest in securities issued by other investment companies as part of a merger, reorganization or other acquisition and except to the extent permitted by (i) the 1940 Act, as amended from time to time, (ii) the rules and regulations promulgated by the Securities and Exchange Commission under the 1940 Act, as amended from time to time, or (iii) an exemption or other relief from the provisions of the 1940 Act.

32

11. Invest in equity interests in oil, gas or other mineral exploration or development programs except pursuant to the exercise by the Fund of its rights under agreements relating to municipal securities.
12. Purchase or sell real estate, commodities or commodity contracts, except to the extent the securities the Fund may invest in are considered to be interests in real estate, commodities or commodity contracts or to the extent the Fund exercises its rights under agreements relating to such municipal securities (in which case the Fund may liquidate real estate acquired as a result of a default on a mortgage), and except to the extent that financial futures and related options the Fund may invest in are considered to be commodities or commodity contracts.

In addition, the Target Fund may not:

13. Invest in illiquid investments, including securities which are subject to legal or contractual restrictions on resale or for which there is no readily available market (e.g., trading in the securities is suspended or, in the case of unlisted securities, market makers do not exist or will not entertain bids or offers), if more than 25% of the Fund's assets (taken at market value) would be invested in such securities, except that the Fund may purchase securities of other investment companies to the extent permitted by (i) the 1940 Act, as amended from time to time, (ii) the rules and regulations promulgated by the Securities and Exchange Commission under the 1940 Act, as amended from time to time, or (iii) an exemption or other relief from the provisions of the 1940 Act.

MANAGEMENT OF THE FUNDS

THE BOARDS. The Board of each Fund is responsible for the overall supervision of the operations of its respective Fund and performs the various duties imposed on trustees of investment companies by the 1940 Act and under applicable state law.

THE ADVISER. The investment adviser for each Fund is Van Kampen Asset Management. The Adviser is a wholly owned subsidiary of Van Kampen Investments Inc. ("Van Kampen Investments"). Van Kampen Investments is a diversified asset management company that administers more than [three million] retail investor accounts, has extensive capabilities for managing institutional portfolios and has more than \$96 billion under management or supervision as of January 31, 2005. Van Kampen Investments has over 40 open-end funds, more than 30 closed-end funds and more than 2,700 unit investment trusts that are distributed by authorized dealers nationwide. Van Kampen Investments is an indirect wholly owned subsidiary of Morgan Stanley, a preeminent global financial services firm that maintains leading market positions in each of its three primary businesses: securities, asset management and credit services. Morgan Stanley is a full service

securities firm engaged in securities trading and brokerage activities, investment banking, research and analysis, financing and financial advisory services. The principal business address of the Adviser and Van Kampen Investments is 1221 Avenue of the Americas, New York, New York 10020.

Pursuant to separate investment advisory agreements between each Fund and the Adviser, each Fund pays the Adviser a monthly fee at the annual rate of 0.55% of such Fund's average daily managed assets, including assets attributable to Preferred Shares. Effective November 1, 2004, the investment advisory fee paid by each Fund was reduced from .60% to .55%. Subsequent to the Reorganization, the Adviser will continue to receive compensation at the rate of 0.55% of the average daily managed assets, including assets attributable to Preferred Shares, of the combined fund.

Under a separate Accounting Services and Legal Services agreement, the Adviser provides accounting and legal services to each Fund. The Adviser allocates the cost of such services to each Fund.

PORTFOLIO MANAGEMENT. Each Fund's portfolio is managed by the Adviser's Municipal Fixed Income team. The team is made up of established investment professionals. Current members of the team include Thomas Byron, Robert Wimmel and John Reynoldson.

Thomas Byron has worked for the Adviser since [] and began managing the Funds in []. Robert Wimmel has worked for the Adviser since [] and began managing the Funds in []. John Reynoldson has worked for the Adviser since [] and began managing the Funds in [].

[] is the lead portfolio manager of each Fund. [] are co-portfolio managers. Members of the team collaborate to manage the assets of each Fund.

The Reorganization Statement of Additional Information provides additional information about the portfolio managers' compensation, other accounts managed by the portfolio managers and the portfolio managers' ownership of securities in the Acquiring Fund.

PORTFOLIO TRANSACTIONS WITH AFFILIATES. The Adviser may place portfolio transactions, to the extent permitted by law, with brokerage firms affiliated with the Funds and the Adviser and with brokerage firms participating in the distribution of the Funds' shares if it reasonably believes that the quality of execution and the commission are comparable to that available from other qualified firms.

LEGAL PROCEEDINGS. The Adviser, certain affiliates of the Adviser, and certain open-end investment companies advised by the Adviser or its affiliates were named as defendants in a number of similar class action complaints which were consolidated. The consolidated amended complaint also names as defendants certain

individual trustees and directors of certain investment companies advised by affiliates of the Adviser; the complaint does not, however, name the individual trustees of any Van Kampen funds. The complaint generally alleges that defendants violated their statutory disclosure obligations and fiduciary duties by failing properly to disclose (i) that the Adviser and certain affiliates of the Adviser allegedly offered economic incentives to brokers and others to steer

investors to the funds advised by the Adviser or its affiliates rather than funds managed by other companies, and (ii) that the funds advised by the Adviser or its affiliates allegedly paid excessive commissions to brokers in return for their alleged efforts to steer investors to these funds. The complaint seeks, among other things, unspecified compensatory damages, rescissionary damages, fees and costs.

The Adviser and certain affiliates of the Adviser are also named as defendants in a derivative suit which additionally names as defendants individual trustees of certain Van Kampen funds; the named open-end investment companies are listed as nominal defendants. The complaint alleges that defendants caused the Van Kampen funds to pay economic incentives to a proprietary sales force to promote the sale of proprietary mutual funds. The complaint also alleges that the Van Kampen funds paid excessive commissions to Morgan Stanley and its affiliates in connection with the sales of the funds. The complaint seeks, among other things, the removal of the current trustees of the funds, rescission of the management contracts for the funds, disgorgement of profits by Morgan Stanley and its affiliates and monetary damages. This complaint has been coordinated with the consolidated complaint described in the preceding paragraph.

The defendants have moved to dismiss each of these actions and otherwise intend to defend them vigorously. The motions to dismiss each action are pending. While the defendants believe that they have meritorious defenses, the ultimate outcome of these matters is not presently determinable at this early stage of litigation.

The Adviser and one of the open-end investment companies advised by the Adviser are named as defendants in a recently filed class action complaint generally alleging that the defendants breached their duties of care to long-term shareholders of the investment company by valuing portfolio securities at the closing prices of the foreign exchanges on which they trade without accounting for significant market information that became available after the close of the foreign exchanges but before calculation of net asset value. As a result, the complaint alleges, short-term traders were able to exploit stale pricing information to capture arbitrage profits that diluted the value of shares held by long-term investors. The complaint seeks unspecified compensatory damages, punitive damages, fees and costs. Defendants have appealed an order of the federal court remanding this case to state court. The federal appeals court has issued a stay of discovery in the state court during the pendency of the appeal. While the defendants believe that they have meritorious

35

defenses, the ultimate outcome of this matter is not presently determinable at this early stage of litigation.

The Adviser, certain affiliates of the Adviser and the trustees of certain Van Kampen funds are named as defendants in a recently filed complaint generally alleging that the defendants breached various fiduciary and statutory duties to shareholders in certain Van Kampen open-end funds by failing to ensure that the funds participated in securities class action settlements involving securities held in the funds' portfolios. The complaint seeks, among other things, compensatory and punitive damages on behalf of investors in the funds. While the defendants believe that they have meritorious defenses, the ultimate outcome of this matter is not presently determinable at this early stage of litigation.

ADDITIONAL INFORMATION ABOUT COMMON SHARES OF THE FUNDS

GENERAL. Common shareholders of a Fund are entitled to share equally in dividends declared by the Fund's Board of Trustees payable to holders of the common shares and in the net assets of the Fund available for distribution to holders of the common shares after payment of the preferential amounts payable to preferred shareholders. Common shareholders do not have preemptive or conversion rights and a Fund's common shares are not redeemable. The outstanding common shares of each Fund are fully paid and nonassessable. So long as any preferred shares of a Fund are outstanding, holders of the Fund's common shares will not be entitled to receive any dividends or other distributions from the Fund unless all accumulated dividends on the Fund's outstanding preferred shares have been paid, and unless asset coverage (as defined in the 1940 Act) with respect to such preferred shares would be at least 200% after giving effect to such distributions.

PURCHASE AND SALE. Purchase and sale procedures for the Common Shares of each of the Funds are identical. Investors typically purchase and sell Common Shares of the Funds through a registered broker-dealer on the NYSE or the CHX, thereby incurring a brokerage commission set by the broker-dealer. Alternatively, investors may purchase or sell Common Shares of the Funds through privately negotiated transactions with existing shareholders.

COMMON SHARE PRICE DATA

The following table sets forth the high and low sales prices for Common Shares of each Fund on the NYSE for each full quarterly period within each Fund's two most recent fiscal years and for the first two fiscal quarters of the current fiscal year of the Target Fund and the first fiscal quarter of the current fiscal year of the Acquiring Fund, along with the net asset value and discount or premium to net asset value for each quotation.

As of [], 2005, (i) the net asset value per share for Target Fund Common Shares was \$[] and the market price per share was \$[], representing a discount to net asset value of []%, and (ii) the net asset value per share for Acquiring Fund Common Shares was \$[] and the market price per share was \$[], representing a discount to net asset value of []%.

Target Fund Common Shares have traded at both a premium and a discount to net asset value for extended periods since the Target Fund's inception. Acquiring Fund Common Shares have historically traded at a discount to net asset value. In order to reduce or eliminate a market value discount from net asset value, the Board of Trustees of each Fund may, subject to the terms and conditions of its preferred shares, authorize that Fund from time to time to repurchase the common shares in the open market or to tender for the common shares at net asset value. The Board of Trustees of each Fund, in consultation with the Adviser, will review on a quarterly basis the possibility of open market repurchases and/or tender offers for the common shares. Subject to its borrowing restrictions, each Fund may incur debt to finance such repurchases, which entails risks. The ability of a Fund to enter into tender offers and the common share repurchases may be limited by the 1940 Act asset coverage requirements and any additional asset coverage requirements which may be imposed by a rating agency in

connection with any rating of the preferred shares. No assurance can be given that the Board of Trustees of either Fund will, in fact, authorize the Fund to undertake such repurchases and/or tender offers or that, if undertaken, such actions would result in the common shares trading at a price which is equal or close to net asset value.

DIVIDENDS AND DISTRIBUTIONS. The Funds' current policies with respect to dividends and distributions relating to their respective Common Shares are substantially similar. It is each Fund's present policy, which may be changed by its Board of Trustees, to make monthly distributions to holders of its Common Shares of substantially all of the Fund's net investment income remaining after the payment of dividends on any outstanding Preferred Shares. Net income of each Fund

39

consists of all interest income accrued on portfolio assets less all expenses of the Fund. Under current federal tax law, the Target Fund may allocate net capital gains and other taxable income, if any, received by the Target Fund to the Target Fund Common Shares, allowing the Target Fund to pay dividends to the Target Fund RATES which qualify in their entirety as tax exempt distributions. The Acquiring Fund, however, is required to allocate net capital gains and other taxable income, if any, received by the Acquiring Fund among the Acquiring Fund Common Shares and the Acquiring Fund APS on a pro rata basis in the year for which such capital gains and other income is realized.

Expenses of the Fund are accrued each day. Net realized capital gains, if any, are expected to be distributed to shareholders at least once a year. While there are any Preferred Shares of a Fund outstanding, such Fund may declare any cash dividend or other distribution on its Common Shares, unless at the time of such declaration, (1) all accrued Preferred Shares dividends have been paid and (2) the value of the Fund's total assets (determined after deducting the amount of such dividend or other distribution), less all liabilities and indebtedness of the Fund, is at least 200% (as required by the 1940 Act) of the liquidation value of the outstanding Preferred Shares (expected to equal the aggregate original purchase price of the outstanding Preferred Shares plus any accrued and unpaid dividends thereon, whether or not earned or declared on a cumulative basis). In addition to the requirements of the 1940 Act, the Fund may be required to comply with other asset coverage requirements as a condition of the Fund obtaining a rating of its Preferred Shares from a nationally recognized rating service. These requirements may include an asset coverage test more stringent than under the 1940 Act. This limitation on a Fund's ability to make distributions on its Common Shares could in certain circumstances impair the ability of the Fund to maintain its qualification for taxation as a regulated investment company. Each Fund intends, however, to the extent possible, to purchase or redeem Preferred Shares from time to time to maintain compliance with such asset coverage requirements and may pay special dividends to the holders of the Preferred Shares in certain circumstances in connection with any such impairment of the Fund's status as a regulated investment company.

For information concerning the manner in which dividends and distributions to holders of each Fund's Common Shares may be reinvested automatically in the Fund's Common Shares, see "Automatic Dividend Reinvestment Plan" below.

DIVIDEND REINVESTMENT PLAN. Each Fund offers a Dividend Reinvestment Plan (each a "Plan," and collectively the "Plans") pursuant to which holders of Common Shares may elect to have all distributions of dividends and all capital gains automatically reinvested in Common Shares pursuant to such Plan. The Plans for the Target Fund and the Acquiring Fund are substantially similar. Unless common shareholders elect to participate in a Plan, all common shareholders will

receive distributions of dividends and capital gains in cash. State Street Bank and Trust Company, as plan agent (the "Plan Agent"), serves as agent for the holders of Common Shares of each Fund in administering the Plans.

After the Reorganization, a holder of shares of a Fund who currently elects to receive dividends in cash will continue to receive dividends in cash; all other holders will have their dividends automatically reinvested in shares of the combined fund. All correspondence concerning the Plan should be directed to the Plan Agent at P.O. Box 8200, Boston, Massachusetts 02101. Telephone calls concerning the Plan may be directed to the Plan Agent between the hours of 7:30 a.m. and 5:00 p.m. Central Standard Time at (800) 341-2929.

ADDITIONAL INFORMATION ABOUT PREFERRED SHARES OF THE FUNDS

GENERAL. The Preferred Shares of each Fund have similar structures. Both Target Fund RATES and Acquiring Fund APS are preferred shares of beneficial interest which entitle their holders to receive dividends when, as and if declared by the Board of Trustees of such Fund, out of funds legally available therefor, at a rate per annum that may vary for the successive dividend periods. The Acquiring Fund APS have a liquidation preference of \$25,000 per share. The Target Fund RATES have a liquidation preference of \$500,000 per share. Neither Target Fund RATES nor Acquiring Fund APS are traded on a stock exchange or over-the-counter. While the Target Fund RATES and Acquiring Fund APS are substantially similar in many respects, there are several differences that shareholders should consider.

Holders of each Fund's preferred shares do not have preemptive rights to purchase any shares of RATES or APS, respectively, or any other preferred shares that might be issued. The net asset value per share of a Fund's RATES or APS equals its liquidation preference plus accumulated but unpaid dividends per share.

SERIES. Under the 1940 Act, each Fund is permitted to have outstanding more than one series of preferred shares as long as no single series has priority over another series as to the distribution of assets of the Fund or the payment of dividends. The Target Fund currently has three series of RATES outstanding, Series A RATES, Series B RATES and Series C RATES. Except as described in the private placement memorandum offering the Target Fund RATES, the terms of each series of Target Fund RATES are the same. The Acquiring Fund currently has four series of APS outstanding, Series A APS, Series B APS, Series C APS and Series D APS. Except with regard to the length of the regular dividend period applicable to each series and as otherwise described in the Prospectus offering the Acquiring Fund APS, the terms of each series of Acquiring Fund APS are the same.

PURCHASE AND SALE. Both Target Fund RATES and Acquiring Fund APS are purchased and sold at auctions conducted on a regular basis.

Target Fund RATES generally are purchased and sold at auctions conducted on a regular basis by Deutsche Bank (the "Auction Agent"). Each Auction requires the participation of one or more auction placement agents, selected by the Fund (each an "Auction Placement Agent"), who have entered into an agreements with the Trust Company, through whom existing or prospective holders may submit orders to the Trust Company in an auction. On each auction date, each holder may submit orders through an Auction Placement Agent to buy, sell or hold RATES. Each prospective purchaser of Target Fund RATES must sign and deliver to the Fund a Master Purchaser's Letter, in which such prospective purchaser agrees,

among other things, that (a) shares of Target Fund RATES may be transferred only (i) pursuant to a Bid or Sell Order placed in an auction or (ii) to or through an Auction Placement Agent to Eligible Person or to the Fund and (b) ownership of shares of Target Fund RATES will be registered in the name of the Securities Depository or its nominee and will be maintained in book entry form only.

Acquiring Fund APS generally are purchased and sold at auctions conducted on a regular basis by the Auction Agent. Unless otherwise permitted by the Funds, existing and potential holders of Acquiring Fund APS only may participate in auctions through broker-dealers who have entered into agreements with the Auction Agent ("Broker-Dealers"). Broker-Dealers submit orders to the Auction Agent on behalf of their respective customers who are existing and potential holders of Acquiring Fund APS. On or prior to each auction date for the Acquiring Fund APS, each holder may submit orders to buy, sell or hold Acquiring Fund APS to its Broker-Dealer. Outside of these auctions, shares of Acquiring Fund APS may be purchased or sold through Broker-Dealers in a secondary trading market maintained by the broker-dealers. However, there can be no assurance that a secondary market will develop or if it does develop, that it will provide holders with a liquid trading market for the Acquiring Fund APS of either fund. Each prospective purchaser of Acquiring Fund APS or its Broker-Dealer is required to sign a Master Purchaser's Letter, in which such purchaser agrees, among other things that (a) shares of Acquiring Fund APS may be transferred only (i) pursuant to a Bid or Sell Order placed in an auction or (ii) to or through a Broker-Dealer and (b) ownership of shares of Acquiring Fund APS will be registered in the name of the Securities Depository or its nominee and will be maintained in book entry form only.

Auctions are generally held every four weeks for Target Fund RATES, and every 28 days for Series A APS and Series B APS, every three months for Series C APS and every six months for Series D APS. In connection with the Reorganization, holders of Target Fund RATES would receive Acquiring Fund APS which have regular dividend periods of similar length as the Target Fund RATES, [such as Series A APS, SERIES B APS or APS or a newly designated series with a regular dividend period of 28 days.]

42

REGISTRATION. The Target Fund RATES have not been registered pursuant to the 1933 Act, but are offered pursuant to the private placement exemption contained in Section 4 of the 1933 Act. Therefore, Target Fund RATES may be resold only at auctions or through an Auction Placement Agent in a transaction that is not required to be registered under applicable federal and state securities laws. The Master Purchaser's Letter, which each potential purchaser of Target Fund RATES must sign, places additional restrictions on the resale of Target Fund RATES. Acquiring Fund APS are registered pursuant to the 1933 Act. Broker-Dealers may maintain a secondary trading market in the Acquiring Fund APS outside of auctions. They have no obligation to do so, however, and there can be no assurance that a secondary market for the Acquiring Fund APS will develop or, it does develop, that it will provide holders with liquidity of investment.

DIVIDENDS AND DISTRIBUTIONS. The holders of each Fund's Preferred Shares are entitled to receive, when, as and if declared by the Board of Trustees of the Fund, out of funds legally available therefor, cumulative cash dividends on their shares. Dividends on each Fund's Preferred Shares so declared and payable shall be paid (i) in preference to and in priority over any dividends so declared and payable on the Fund's Common Shares, and (ii) to the extent permitted under the Internal Revenue Code and to the extent available, out of net tax-exempt income earned on the Target Fund's investments.

Prior to each dividend payment date, the relevant Fund is required to deposit with the Auction Agent sufficient funds for the payment of such declared

dividends. Neither Fund intends to establish any reserves for the payment of dividends, and no interest will be payable in respect of any dividend payment or payment on a Fund's Preferred Shares which may be in arrears.

If a Fund retroactively allocates any net capital gains or other income subject to regular federal income tax to its Preferred Shares without having given advance notice thereof as described above, the Fund will make certain payments to holders of its Preferred Shares to which such allocation was made to offset substantially the tax effect thereof. In no other instances will the Fund be required to make payments to holders of its Preferred Shares to offset the tax effect of any reallocation of net capital gains or other taxable income.

Holders of Target Fund RATES generally receive dividends out of the Fund's available net tax-exempt income, which qualify in their entirety as distributions of tax-exempt interest income for federal income tax purposes. The Acquiring Fund, however, is required to allocate net capital gains and other taxable income, if any, proportionately between its Common Shares and APS. The amount of taxable income allocated to the APS depends upon the amount of such income realized by the Fund, but is generally not expected to be significant.

43

In normal circumstances, whenever the Acquiring Fund intends to include any net capital gains or other taxable income in any dividend on APS, the Fund will notify the Auction Agent of the amount to be so included prior to the Auction establishing the Applicable Rate for such dividend. The Auction Agent will in turn notify each Broker-Dealer who will notify existing and potential holders of Acquiring Fund APS. As a result, auction participants may, in response to such information, place bids which take account of the inclusion of net capital gains or other taxable income in the dividend. If the Acquiring Fund retroactively allocates any net capital gains or other taxable income to the APS without having given notice to the Auction Agent, the Fund will pay an Additional Dividend to offset substantially the tax effect thereof. As a result of the notice and additional dividend provisions, the after-tax return to a holders of Target Fund RATES and Acquiring Fund APS is not expected to differ substantially.

DIVIDEND RATES. The following table provides information about the dividend rates for each Fund's Preferred Shares as of a recent auction.

AUCTION DIVIDEND DATE	FUND	RATE
-----	----	----
[], 2005	Target Fund RATES Acquiring Fund	[]%
[], 2005	APS	[]%

REDEMPTIONS. The redemption provisions pertaining to each Fund's Preferred Shares are substantially similar. It is anticipated that shares of each Fund's Preferred Shares will generally be redeemable at the option of the Fund at a price equal to their liquidation preference plus accumulated but unpaid dividends (whether or not earned or declared) to the date of redemption plus, in certain circumstances, a redemption premium. Each Fund's Preferred Shares are also subject to mandatory redemption at a price equal to their liquidation preference plus accumulated but unpaid dividends (whether or not earned or declared) to the date of redemption upon the occurrence of certain specified events, such as the failure of a Fund to maintain asset coverage requirements for the Preferred Shares specified by Moody's and S&P in connection with their

issuance of ratings on the Preferred Shares. The liquidation preference of Target Fund RATES is \$500,000 and the liquidation preference of Acquiring Fund APS is \$25,000.

RATINGS. The Target Fund RATES and the Acquiring Fund APS have each been assigned a rating of "AAA" from S&P and "Aaa" from Moody's. Each Fund intends that, so long as its Preferred Shares are outstanding, the composition of its portfolio will reflect guidelines established by S&P and Moody's in connection with each Fund's receipt of a rating for such shares of at least "AAA" from S&P and "Aaa" from Moody's. S&P and Moody's, which are nationally recognized statistical rating organizations, issue ratings for various securities reflecting the perceived creditworthiness of such securities. The guidelines for rating such preferred shares have been developed by S&P and Moody's in connection with issuances of

44

asset-backed and similar securities, including debt obligations and variable rate preferred stock, generally on a case-by-case basis through discussions with the issuers of these securities. The guidelines are designed to ensure that assets underlying outstanding debt or preferred stock will be varied sufficiently and will be of sufficient quality and amount to justify investment grade ratings. The guidelines do not have the force of law but have been adopted by each Fund in order to satisfy current requirements necessary for S&P and Moody's to issue the above-described ratings for Preferred Shares, which ratings generally are relied upon by institutional investors in purchasing such securities. The guidelines provide a set of tests for portfolio composition and asset coverage that supplement (and in some cases are more restrictive than) the applicable requirements under the 1940 Act.

Each Fund may, but is not required to, adopt any modifications to these guidelines that hereafter may be established by S&P or Moody's. Failure to adopt any such modifications, however, may result in a change in the ratings described above or a withdrawal of the ratings altogether. In addition, any rating agency providing a rating for a Fund's Preferred Shares, at any time, may change or withdraw any such rating. As set forth in the Certificate of Vote of Trustees Establishing Preferred Shares of each Fund (each a "Certificate of Vote"), the Board of Trustees of each Fund, without shareholder approval, may modify certain definitions or restrictions that have been adopted by the Fund pursuant to the rating agency guidelines, provided the Board of Trustees has obtained written confirmation from S&P and Moody's that any such change would not impair the ratings then assigned by S&P and Moody's to the Preferred Shares. For so long as any shares of the Target Fund RATES or Acquiring Fund APS are rated by S&P or Moody's, as the case may be, a Fund's use of options and financial futures contracts and options thereon will be subject to certain limitations mandated by the rating agencies.

LIQUIDATION RIGHTS. Upon any liquidation, dissolution or winding up of either Fund, whether voluntary or involuntary, the holders of each Fund's Preferred Shares will be entitled to receive, out of the assets of such Fund available for distribution to shareholders, before any distribution or payment is made upon any of the Fund's Common Shares or any other capital shares of the Fund ranking junior in right of payment upon liquidation to the Preferred Shares, the liquidation preference of such Preferred Shares, together with the amount of any dividends accumulated but unpaid (whether or not earned or declared) thereon to the date of distribution, and after such payment the holders of Preferred Shares will be entitled to no other payments except for any Additional Dividends. The liquidation preference per share of the Target Fund RATES is \$500,000 and the liquidation preference per share of the Acquiring Fund APS is \$25,000. If the assets of a Fund are insufficient to make the full liquidation payment on the Preferred Shares of such Fund and liquidation payments on any other outstanding

class or series of preferred shares of such Fund ranking on a parity with the Preferred Shares as to payment upon liquidation, then such assets will be distributed among the holders of Preferred

45

Shares and the holders of shares of such other class or series ratably in proportion to the respective preferential amounts to which they are entitled. After payment of the full amount of liquidation distribution to which they are entitled, the holders of a Fund's Preferred Shares will not be entitled to any further participation in any distribution of assets by the Fund except for any Additional Dividends. A consolidation, merger or share exchange of a Fund with or into any other entity or entities or a sale, whether for cash, shares of stock, securities or properties, of all or substantially all or any part of the assets of the Fund shall not be deemed or construed to be a liquidation, dissolution or winding up of the Fund for this purpose.

ADDITIONAL INFORMATION. For additional information, Target Fund shareholders should consult the Reorganization Statement of Additional Information, which contains a more complete summary of the terms of the Acquiring Fund APS, and the Certificate of Vote governing the Acquiring Fund APS, included as Appendix B to the Reorganization Statement of Additional Information.

GOVERNING LAW

Each Fund is organized as a business trust under the laws of The Commonwealth of Massachusetts. The Target Fund was organized on July 6, 1987 and commenced operations on August 19, 1988; the Acquiring Fund was organized on November 13, 1991 and commenced operations on January 24, 1992.

Under Massachusetts law, shareholders of a business trust may, under certain circumstances, be held personally liable as partners for its obligations. However, the Declaration of Trust of each Fund contains an express disclaimer of shareholder liability for acts or obligations of the Fund and provides for indemnification and reimbursement of expenses out of the Fund's property for any shareholder held personally liable for the obligations of that Fund. Thus, the risk of a shareholder incurring financial loss on account of shareholder liability is limited to circumstances in which the Fund itself would be unable to meet its obligations. Given the nature of each Fund's assets and operations, the possibility of a Fund being unable to meet its obligations is remote and, in the opinion of counsel to the Funds, the risk to the Funds' respective shareholders is remote.

Each Fund is also subject to federal securities laws, including the 1940 Act and the rules and regulations promulgated by SEC thereunder, and applicable state securities laws. Each Fund is registered as a non-diversified, closed-end management investment company under the 1940 Act.

CERTAIN PROVISIONS OF THE DECLARATIONS OF TRUST

Each Fund's Declaration of Trust includes provisions that could have the effect of limiting the ability of other entities or persons to acquire control of the Fund or to change the composition of its Board of Trustees, and could have the effect of

46

depriving common shareholders of an opportunity to sell their Common Shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control of the Fund. The Board of Trustees of each Fund is divided into three classes, with the term of one class expiring at the annual meeting of

shareholders. At each annual meeting, each class whose term is expiring will be elected to a three-year term. This provision could delay for up to two years the replacement of a majority of the Board of Trustees. A Trustee may be removed from office only for cause by a written instrument signed by at least two-thirds of the remaining Trustees or by a vote of the holders of at least two-thirds of the class of shares of the Fund that elected such Trustee and entitled to vote on the matter.

In addition, each Fund's Declaration of Trust requires the favorable vote of the holders of at least 75% of the outstanding shares of each class of the Fund, voting as a class, then entitled to vote to approve, adopt or authorize certain transactions with 5%-or-greater holders of a class of shares and their associates, unless the Board of Trustees shall by resolution have approved a memorandum of understanding with such holders, in which case normal voting requirements would be in effect. For purposes of these provisions, a 5%-or-greater holder of a class of shares (a "Principal Shareholder") refers to any person who, whether directly or indirectly and whether alone or together with its affiliates and associates, beneficially owns 5% or more of the outstanding shares of any class of beneficial interest of the Fund. The transactions subject to these special approval requirements are: (i) the merger or consolidation of the Fund or any subsidiary of the Fund with or into any Principal Shareholder; (ii) the issuance of any securities of the Fund to any Principal Shareholder for cash (except pursuant to the Dividend Reinvestment Plan); (iii) the sale, lease or exchange of all or any substantial part of the assets of the Fund to any Principal Shareholder (except assets having an aggregate fair market value of less than \$1,000,000, aggregating for the purpose of such computation all assets sold, leased or exchanged in any series of similar transactions within a twelve-month period); or (iv) the sale, lease or exchange to the Fund or any subsidiary thereof, in exchange for securities of the Fund, of any assets of any Principal Shareholder (except assets having an aggregate fair market value of less than \$1,000,000, aggregating for purposes of such computation all assets sold, leased or exchanged in any series of similar transactions within a twelve-month period).

The Board of Trustees of each Fund has determined that the 75% voting requirements described above, which are greater than the minimum requirements under Massachusetts law or the 1940 Act, are in the best interest of shareholders of each respective Fund generally. Reference should be made to the Declaration of Trust of each Fund on file with the SEC for the full text of these provisions.

The Declaration of Trust of each Fund further provides that no trustee, officer, employee or agent of the Fund is liable to the Fund or to any shareholder, nor is any trustee, officer, employee or agent liable to any third persons in connection with the

47

affairs of the Fund, except as such liability may arise from his or her own bad faith, willful misfeasance, gross negligence, or reckless disregard of their duties. It also provides that all third persons shall look solely to the Fund property for satisfaction of claims arising in connection with the affairs of the Fund. With the exceptions stated, the Declaration of Trust provides that a trustee or officer is entitled to be indemnified against all liability in connection with the affairs of the Fund.

CONVERSION TO OPEN-END FUND

Each Fund may be converted to an open-end investment company at any time by an amendment to its Declaration of Trust. Each Fund's Declaration of Trust provides that such an amendment would require the approval of (a) a majority of the

Trustees, including the approval by a majority of the disinterested Trustees of the Fund, and (b) the lesser of (i) more than 50% of the Fund's outstanding common and preferred shares, each voting as a class or (ii) 67% of the common and preferred shares, each voting as a class, present at a meeting at which holders of more than 50% of the outstanding shares of each such class are present in person or by proxy. If approved in the foregoing manner, conversion of the Fund could not occur until 90 days after the shareholders' meeting at which such conversion was approved and would also require at least 30 days prior notice to all shareholders. Conversion of a Fund to an open-end investment company would require the redemption of all outstanding preferred shares, which would eliminate the leveraged capital structure of the Fund. In the event of conversion, the Common Shares would cease to be listed on the NYSE, the AMEX, the NASDAQ National Market System or other national securities exchange or national market system. Shareholders of an open-end investment company may require the company to redeem their shares at any time (except in certain circumstances as authorized by or under the 1940 Act) at their net asset value, less such redemption charge, if any, as might be in effect at the time of a redemption. If a Fund were converted to an open-end fund, it is likely that new Common Shares would be sold at net asset value plus a sales load. Following any such conversion, it is also possible that certain of the Fund's investment policies and strategies would have to be modified to assure sufficient portfolio liquidity. In particular the Fund would be required to maintain its portfolio such that not more than 15% of its assets would be invested in illiquid securities. Such requirement could cause the Fund to dispose of portfolio securities or other assets at a time when it is not advantageous to do so, and could adversely affect the ability of the Fund to meet its investment objective.

VOTING RIGHTS

Voting rights are identical for the holders of each Fund's Common Shares. Holders of each Fund's Common Shares are entitled to one vote for each share held. Except as set forth above under "Certain Provisions of the Declarations of Trust" or "Conversion to Open-End Fund," or except as expressly required by applicable law or expressly set forth in the designation of rights and preferences

48

with respect to a Fund's Preferred Shares, holders of Preferred Shares have no voting rights. When holders of a Fund's Preferred Shares are entitled to vote, they are also entitled to cast one vote per share held.

Holders of Preferred Shares of Fund, voting as a class, are entitled to elect two of each Fund's trustees. Under the 1940 Act, if at any time dividends on a Fund's Preferred Shares are unpaid in an amount equal to two full years dividends thereon, the holders of all outstanding Preferred Shares, voting as a class, are entitled to elect a majority of the Fund's Trustees until all dividends have been paid or declared and set apart for payment.

Unless a higher percentage is provided for herein, the affirmative vote of the holders of a majority of a Fund's outstanding Preferred Shares, voting as a class, is required to approve any action requiring a vote of security holders under Section 13(a) of the 1940 Act including, among other things, changes in the Fund's investment objective or changes in the Fund's fundamental investment restrictions.

The affirmative vote of a majority of the holders of Acquiring Fund APS, voting as a class, is required to amend, alter or repeal any of the preferences, rights or powers of holders of Acquiring Fund APS so as to materially and adversely affect such preferences, rights or powers, or increase or decrease the number of preferred shares authorized to be issued.

In addition to any vote or consent of shareholders required by law, without the affirmative consent of the holders of at least 66 2/3% of the shares of Target Fund RATES at the time outstanding, given in person or by proxy, either by written consent without a meeting or by vote at any meeting called for that purpose, the Target Fund shall not:

- (1) institute any proceedings to be adjudicated bankrupt or insolvent, or consent to the institution of bankruptcy or insolvency proceedings against it, or file a petition seeking or consenting to reorganization or relief under any applicable Federal or state law relating to bankruptcy, or consent to the appointment of a receiver, liquidator, assignee, trustee, sequestrator (or other similar official) of the Company or a substantial part of its property, or make any assignment for the benefit of creditors, or, except as may be required by applicable law, admit in writing its inability to pay its debts generally as they become due, or take any corporate action in furtherance of any such action;
- (2) create, authorize or issue shares of any class or series of beneficial interest ranking senior to the RATES with respect to the payment of dividends or the distribution of assets, or any securities convertible into, or warrants, options or similar rights to purchase, acquire or receive, such shares of beneficial interest ranking senior to the RATES or reclassify any authorized shares of beneficial interest of the Company into any share ranking senior to the RATES;
49
- (3) create, authorize, issue, incur or suffer to exist any indebtedness for borrowed money or any direct or indirect guarantee of such indebtedness in excess of \$10,000,000 outstanding at any one time provided, however, that transfers of assets by the Company subject to an obligation to repurchase shall not be deemed to be indebtedness for purposes of this provision to the extent that after any such transaction the Company meets the Minimum Asset Coverage and Required Liquid Asset Test as of the immediately preceding Valuation Date with Eligible Assets not subject to any reverse repurchase agreement; and provided further that (a) if the RATES is then rated by Standard & Poor's, the Company may not incur any indebtedness unless such indebtedness is rated "AAA" by Standard & Poor's or is would not adversely affect the current rating by Standard & Poor's or unless the holders of such indebtedness at the time such indebtedness is incurred agree that they will not file a petition or any claim against the Company pursuant to the Federal Bankruptcy Code and the Company obtains an opinion of counsel to the effect that such agreement is enforceable, and (b) if the RATES is then rated by Moody's, the Company may not incur any indebtedness in an amount in excess of \$10,000,000 without the approval of Moody's;
- (4) create, incur or suffer to exist, or agree to create, incur or suffer to exist, or consent to cause or permit in the future (upon the happening of a contingency or otherwise) the creation, incurrence or existence of any material lien, mortgage, pledge, charge, security interest, security agreement, conditional sale or trust receipt or other material encumbrance of any kind upon any of the Eligible Assets, except (a) liens the validity of which are being contested in good faith by appropriate proceedings, (b) liens for taxes that are not then due and payable or that can be paid thereafter without penalty, (c) liens, pledges, charges, security interests, security agreements or other encumbrances arising in connection with any indebtedness or reverse repurchase agreements permitted under clause (3) above, (d) liens to secure payment for services rendered by the Trust Company in connection with the RATES and (a) any hedging transactions as contemplated by the Prospectus;

Edgar Filing: VAN KAMPEN TRUST FOR INVESTMENT GRADE MUNICIPALS - Form N-14 8C

- (5) amend, alter or repeal any of the rights of the holders of RATES so as to affect materially and adversely the preferences, rights or powers of the shares of RATES, or increase the number of shares of RATES authorized to be issued;
- (6) in addition to the voting rights set forth in Section 9.7 of the Amended and Restated Declaration of Trust, consolidate or merge with or into any other corporation (except to the extent that applicable law does not permit such a vote to be required in the Amended and Restated Declaration of Trust), or

50

sell, lease or convey all or substantially all of the assets of the Company (other than with respect to sales, leases and conveyances of assets in the normal course of selling and investing in Eligible Assets); and

- (7) voluntarily dissolve the Company.

INFORMATION ABOUT THE REORGANIZATION

GENERAL

Under the Reorganization Agreement (attached as Appendix A to the Reorganization Statement of Additional Information), the Acquiring Fund will acquire substantially all of the assets, and will assume substantially all of the liabilities, of the Target Fund, in exchange for Acquiring Fund Common Shares and Acquiring Fund APS to be issued by the Acquiring Fund. The Acquiring Fund will issue and cause to be listed on the NYSE and the CHX additional Acquiring Fund Common Shares. The Acquiring Fund Common Shares issued to the Target Fund will have an aggregate net asset value equal to the aggregate net asset value of the Target Fund Common Shares less the costs of the Reorganization (except that cash will be paid in lieu of any fractional shares), and the Acquiring Fund APS to be issued to the Target Fund will have an aggregate liquidation preference equal to the aggregate liquidation preference of the Target Fund RATES. Upon receipt by the Target Fund of such shares, the Target Fund will (i) distribute the Acquiring Fund Common Shares to the holders of Target Fund Common Shares and (ii) distribute the Acquiring Fund APS to the holders of Target Fund RATES. As soon as practicable after the Closing Date for the Reorganization, the Target Fund will deregister as an investment company under the 1940 Act and dissolve under applicable state law.

The Target Fund will distribute the Acquiring Fund Common Shares and the Acquiring Fund APS received by it pro rata to its holders of record of Target Fund Common Shares and Target Fund RATES, as applicable, in exchange for such shareholders' shares in the Target Fund. Such distribution would be accomplished by opening new accounts on the books of the Acquiring Fund in the names of the common and preferred shareholders of the Target Fund and transferring to those shareholder accounts the Acquiring Fund Common Shares and the Acquiring Fund APS previously credited on those books to the accounts of the Target Fund. Each newly-opened account on the books of the Acquiring Fund for the previous holders of the Target Fund would represent the respective pro rata number of Acquiring Fund Common Shares (rounded down, in the case of fractional shares, to the next largest number of whole shares) due such holder of Common Shares. No fractional Acquiring Fund Common Shares will be issued. In lieu thereof, the Acquiring Fund's transfer agent will aggregate all fractional Acquiring Fund Common Shares and sell the resulting whole shares on the NYSE for the account of all holders of fractional interests, and each such holder will be entitled to the pro rata share of the proceeds from such sale upon surrender of the Target Fund Common Share certificates. Similarly, each newly-opened account on the books of the Acquiring Fund for the previous holders of Target Fund RATES would represent the respective pro rata number of Acquiring Fund APS due such holder. See "Terms of the Reorganization Agreement -- Surrender and Exchange of Share

54

Certificates" below for a description of the procedures to be followed by Target Fund shareholders to obtain their Acquiring Fund Common Shares or Acquiring Fund APS (and cash in lieu of fractional shares, if any).

As a result of the Reorganization, every holder of Target Fund Common Shares would own Acquiring Fund Common Shares that (except for cash payments received in lieu of fractional shares) would have an aggregate net asset value immediately after the Closing Date equal to the aggregate net asset value of that shareholder's Target Fund Common Shares immediately prior to the Closing Date less the costs of the Reorganization. Since the Acquiring Fund Common Shares would be issued at net asset value in exchange for the net assets of the Target Fund having a value equal to the aggregate net asset value of those Acquiring Fund Common Shares, the net asset value per share of Acquiring Fund

Common Shares should remain virtually unchanged by the Reorganization except for its share of the reorganization costs. Similarly, the aggregate liquidation preference of the Acquiring Fund APS to be issued to the Target Fund will equal the aggregate liquidation preference of the Target Fund RATES. Every holder of Target Fund RATES would receive Acquiring Fund APS that would have an aggregate liquidation preference immediately after the Closing Date equal to the aggregate liquidation preference of that shareholder's Target Fund RATES immediately prior to the Closing Date. The liquidation preference per share of the Acquiring Fund APS will remain unchanged by the Reorganization. Thus, the Reorganization will result in no dilution of net asset value of the Target Fund Common Shares or Acquiring Fund Common Shares, other than to reflect the costs of the Reorganization, and will result in no dilution of the value per share of Acquiring Fund APS or Target Fund RATES. However, as a result of the Reorganization, a shareholder of either Fund will hold a reduced percentage of ownership in the larger combined entity than he or she did in either Fund prior to the Reorganization.

No sales charge or fee of any kind will be charged to shareholders of the Target Fund in connection with their receipt of Acquiring Fund Common Shares or Acquiring Fund APS in the Reorganization. Holders of Target Fund RATES will find that the auction dates and dividend payment dates for the Acquiring Fund APS received in the Reorganization are ordinarily (i.e., except in the case of a special dividend period) on a 28 day schedule, similar to the schedule of dividend payment dates for Target Fund RATES. Any change in the standard dividend period should not materially affect the value of the Preferred Shares held by holders of Target Fund RATES. The auction procedures for the Acquiring Fund APS and the Target Fund RATES are substantially similar. As a result of the Reorganization, the last dividend period for the Target Fund RATES prior to the Closing Date may be shorter than the dividend period for such RATES determined as set forth in its applicable Certificate of Vote.

55

TERMS OF THE REORGANIZATION AGREEMENT

The following is a summary of the significant terms of the Reorganization Agreement. This summary is qualified in its entirety by reference to the Reorganization Agreement, attached as Appendix A to the Reorganization Statement of Additional Information.

VALUATION OF ASSETS AND LIABILITIES. The respective assets of each of the Funds will be valued on the business day prior to the Closing Date (the "Valuation Date"). The valuation procedures are the same for each Fund: the net asset value per Common Share of each Fund will be determined after the close of business on the NYSE (generally, 4:00 p.m., Eastern time) on the Valuation Date. For the purpose of determining the net asset value of a Common Share of each Fund, the value of the securities held by the issuing Fund plus any cash or other assets (including interest accrued but not yet received) minus all liabilities (including accrued expenses) and the aggregate liquidation value of the outstanding Preferred Shares of the issuing Fund is divided by the total number of Common Shares of the issuing Fund outstanding at such time. Daily expenses, including the fees payable to the Adviser, will accrue on the Valuation Date.

AMENDMENTS AND CONDITIONS. The Reorganization Agreement may be amended at any time prior to the Closing Date with respect to any of the terms therein. The obligations of each Fund pursuant to the Reorganization Agreement are subject to various conditions, including a registration statement on Form N-14 being declared effective by the SEC, approval of the Reorganization by the shareholders of the Target Fund, approval of the issuance of Acquiring Fund Common Shares by Common Shareholders of the Acquiring Fund, receipt of an

opinion of counsel as to tax matters, receipt of an opinion of counsel as to corporate and securities matters and the continuing accuracy of various representations and warranties of the Funds being confirmed by the respective parties.

POSTPONEMENT; TERMINATION. Under the Reorganization Agreement, the Board of Trustees of either Fund may cause the Reorganization to be postponed or abandoned in certain circumstances should such Board determine that it is in the best interests of the shareholders of its respective Fund to do so.

The Reorganization Agreement may be terminated, and the Reorganization abandoned at any time (whether before or after adoption thereof by the shareholders of either of the Funds) prior to the Closing Date, or the Closing Date may be postponed: (i) by mutual consent of the Boards of Trustees of the Funds and (ii) by the Board of Trustees of either Fund if any condition to that Fund's obligations set forth in the Reorganization Agreement has not been fulfilled or waived by such Board.

SURRENDER AND EXCHANGE OF SHARE CERTIFICATES. After the Closing Date, each holder of an outstanding certificate or certificates formerly representing Target

56

Fund Common Shares will be entitled to receive, upon surrender of his or her certificate or certificates, a certificate or certificates representing the number of Acquiring Fund Common Shares distributable with respect to such holder's Target Fund Common Shares, together with cash in lieu of any fractional Acquiring Fund Common Shares. Promptly after the Closing Date, the transfer agent for the Acquiring Fund Common Shares will mail to each holder of certificates formerly representing Target Fund Common Shares a letter of transmittal for use in surrendering his or her certificates for certificates representing Acquiring Fund Common Shares and cash in lieu of any fractional shares.

Please do not send in any share certificates at this time. Upon consummation of the Reorganization, holders of Target Fund Common Shares will be furnished with instructions for exchanging their share certificates for Acquiring Fund share certificates and, if applicable, cash in lieu of fractional shares.

From and after the Closing Date, certificates formerly representing Target Fund Common Shares will be deemed for all purposes to evidence ownership of the number of full Acquiring Fund Common Shares distributable with respect to the Target Fund Common Shares held before the Reorganization as described above and as shown in the table above, provided that, until such share certificates have been so surrendered, no dividends payable to the holders of record of Target Fund Common Shares as of any date subsequent to the Closing Date will be reinvested pursuant to the Acquiring Fund's Dividend Reinvestment Plan, but will instead be paid in cash. Once such Target Fund share certificates have been surrendered, participants in the Target Fund's Dividend Reinvestment Plan will automatically be enrolled in the Dividend Reinvestment Plan of the Acquiring Fund.

From and after the Closing Date, there will be no transfers on the share transfer books of the Target Fund. If, after the Closing Date, certificates representing Target Fund Common Shares are presented to the Acquiring Fund, they will be cancelled and exchanged for certificates representing Acquiring Fund Common Shares, as applicable, and cash in lieu of fractional shares, if any, distributable with respect to such Target Fund Common Shares in the Reorganization.

Preferred Shares are held in "street name" by the Depository Trust Company and

all transfers will be accomplished by book entry.

EXPENSES OF THE REORGANIZATION. In the event the Reorganization is completed, the expenses of the Reorganization will be shared by the Target Fund and the Acquiring Fund in proportion to their projected declines in total operating expenses as a result of the Reorganization. The expenses of the Reorganization will not be borne by the holders of Preferred Shares of either Fund. Management of the Funds estimates total costs of the Reorganization to be approximately \$. Of these expenses, approximately will be borne by the Target Fund and approximately will be borne by the Acquiring Fund. In the event the

57

Reorganization is not completed, the Adviser will bear the costs associated with the Reorganization. The Board of Trustees of each Fund has reviewed and approved the foregoing arrangements with respect to expenses and other charges relating to the Reorganization.

Expenses incurred in connection with the Reorganization include, but are not limited to: all costs related to the preparation and distribution of materials distributed to each Fund's Board; all expenses incurred in connection with the preparation of the Reorganization Agreement and a registration statement on Form N-14; SEC and state securities commission filing fees and legal and audit fees in connection with the Reorganization; the costs of printing and distributing this Joint Proxy Statement/Prospectus; legal fees incurred preparing materials for the Board of each Fund, attending each Fund's Board meetings and preparing the minutes; auditing fees associated with each Fund's financial statements; portfolio transfer taxes (if any); and any similar expenses incurred in connection with the Reorganization. Neither the Funds nor the Adviser will pay any expenses of shareholders arising out of or in connection with the Reorganization.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE REORGANIZATION

The following is a general summary of the material anticipated U.S. federal income tax consequences of the Reorganization. The discussion is based upon the Internal Revenue Code, Treasury regulations, court decisions, published positions of the Internal Revenue Service ("IRS") and other applicable authorities, all as in effect on the date hereof and all of which are subject to change or differing interpretations (possibly with retroactive effect). The discussion is limited to U.S. persons who hold shares of the Target Fund as capital assets for U.S. federal income tax purposes (generally, assets held for investment). This summary does not address all of the U.S. federal income tax consequences that may be relevant to a particular shareholder or to shareholders who may be subject to special treatment under U.S. federal income tax laws. No ruling has been or will be obtained from the IRS regarding any matter relating to the Reorganization. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax aspects described below. Prospective investors must consult their own tax advisers as to the federal income tax consequences of the Reorganization, as well as the effects of state, local and non-U.S. tax laws.

It is a condition to closing the Reorganization that each of the Target Fund and the Acquiring Fund receives an opinion from Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden Arps"), dated as of the Closing Date, regarding the characterization of the Reorganization as a "reorganization" within the meaning of

58

Section 368(a) of the Internal Revenue Code. As such a reorganization, the federal income tax consequences of the Reorganization can be summarized as follows:

- No gain or loss will be recognized by the Target Fund or the Acquiring Fund upon the transfer to the Acquiring Fund of substantially all of the assets of the Target Fund in exchange solely for Acquiring Fund Common Shares and Acquiring Fund APS and the assumption by the Acquiring Fund of substantially all of the liabilities of the Target Fund and the subsequent liquidation of the Target Fund.
- No gain or loss will be recognized by a shareholder of the Target Fund who exchanges, as the case may be, all of his, her or its Target Fund Common Shares solely for Acquiring Fund Common Shares pursuant to the Reorganization or all of his, her or its Target Fund RATES solely for Acquiring Fund APS pursuant to the Reorganization (except with respect to cash received in lieu of a fractional share of the Acquiring Fund, as discussed below).
- The aggregate tax basis of the Acquiring Fund Common Shares or Acquiring Fund APS, as the case may be, received by a shareholder of the Target Fund pursuant to the Reorganization will be the same as the aggregate tax basis of the shares of the Target Fund surrendered in exchange therefor (reduced by any amount of tax basis allocable to a fractional share for which cash is received).
- The holding period of the Acquiring Fund Common Shares or Acquiring Fund APS, as the case may be, received by a shareholder of the Target Fund pursuant to the Reorganization will include the holding period of the shares of the Target Fund surrendered in exchange therefor.
- A shareholder of the Target Fund that receives cash in lieu of a fractional share of the Acquiring Fund pursuant to the Reorganization will recognize capital gain or loss with respect to the fractional share in an amount equal to the difference between the amount of cash received for the fractional share and the portion of such shareholder's tax basis in its Target Fund shares that is allocable to the fractional share. The capital gain or loss will be long-term if the holding period for such Target Fund Common Shares or Target Fund RATES, as the case may be, is more than one year as of the date of the exchange.
- The Acquiring Fund's tax basis in the Target Fund's assets received by the Acquiring Fund pursuant to the Reorganization will equal the tax basis of such assets in the hands of the Target Fund immediately prior to the Reorganization, and the Acquiring Fund's holding period of such assets will include the period during which the assets were held by the Target Fund.

59

The opinion of Skadden Arps will be based on federal income tax law in effect on the Closing Date. In rendering its opinion, Skadden Arps will also rely upon certain representations of the management of the Acquiring Fund and the Target Fund and assume, among other things, that the Reorganization will be consummated in accordance with the Reorganization Agreement and as described herein. An opinion of counsel is not binding on the IRS or any court.

The Acquiring Fund intends to continue to be taxed under the rules applicable to regulated investment companies as defined in Section 851 of the Internal Revenue Code, which are the same rules currently applicable to the Target Fund

and its shareholders

Pursuant to the grandfather relief granted in Revenue Ruling 89-81, 1989-1 C.B. 226, Target Fund is permitted to designate that dividends paid on the Target Fund RATES consist of more than the Target Fund RATES's pro rata share of tax-exempt income earned by the Target Fund. The Acquiring Fund, however, is not eligible to make such disproportionate designations. Accordingly, designations made by the Acquiring Fund with respect to dividends paid on the Acquiring Fund APS will be treated as consisting of a pro rata portion of each type of income so designated.

For five years after the Closing Date, the combined fund will not be allowed to offset certain pre-Reorganization built-in gains attributable to one Fund with capital loss carryforwards (and certain built-in losses) attributable to the other Fund.

SHAREHOLDER APPROVAL

Under the Declaration of Trust of the Target Fund (as amended to date and including the Certificate of Vote of Trustees Establishing Preferred Shares of the Target Fund), relevant Massachusetts law and the rules of the NYSE, shareholder approval of the Reorganization Agreement requires the affirmative vote of shareholders of the Target Fund representing more than 50% of the outstanding Target Fund Common Shares and 66 2/3% of the outstanding Target Fund RATES, each voting separately as a class.

LEGAL MATTERS

Certain legal matters concerning the federal income tax consequences of the Reorganization and the issuance of Acquiring Fund Common Shares and Acquiring Fund APS will be passed upon by Skadden Arps, which serves as counsel to the Target Fund and the Acquiring Fund. Wayne W. Whalen, a partner of Skadden Arps, is a trustee of both the Target Fund and the Acquiring Fund.

60

PROPOSAL 2: ELECTION OF TARGET FUND TRUSTEES

NYSE rules call for listed companies to have their annual meeting to elect trustees within a reasonable interval after the close of a company's fiscal year. Since the Target Fund's current fiscal year ends on June 30, 2005, the Target Fund Board is asking shareholders of that Fund to elect trustees at this time. The Special Meeting will serve as the annual meeting of shareholders of the Target Fund. The Target Fund Board believes that combining the proposals related to the proposed Reorganization with the proposal to elect trustees of the Target Fund into one Joint Proxy Statement/Prospectus is cost effective. The fiscal year end of the Acquiring Fund occurs later in the year, and thus the Acquiring Fund Board will ask shareholders of the Acquiring Fund to elect trustees at a separate meeting to take place later in the year.

This Joint Proxy Statement/Prospectus asks shareholders of the Target Fund to elect four Class I trustees at the Special Meeting, to serve until the later of such Fund's Annual Meeting of Shareholders in 2008 or until successors have been duly elected and qualified. Holders of Common Shares, voting as a separate class, will vote with respect to four Class I Trustees (David C. Arch, Jerry D. Choate, Howard J Kerr and Suzanne H. Woolsey) designated to be elected by such class of shares.

As in the past, only one class of trustees is being submitted to shareholders of the Target Fund for election at the Special Meeting. The Declaration of Trust of the Target Fund provides that the Target Fund Board shall consist of trustees

Edgar Filing: VAN KAMPEN TRUST FOR INVESTMENT GRADE MUNICIPALS - Form N-14 8C

divided into three classes, the classes to be as nearly equal in number as possible. The trustees of only one class are elected at each annual meeting so that the regular term of only one class of trustees will expire annually and any particular trustee stands for election only once in each three-year period. This type of classification may prevent replacement of a majority of trustees of the Target Fund for up to a two-year period. The foregoing is subject to the provisions of the 1940 Act, applicable state law and the Target Fund's Declaration of Trust and Bylaws.

SHAREHOLDER APPROVAL

An affirmative vote of a plurality of the Common Shares present at the Special Meeting in person or by proxy is required to elect the respective nominees. It is the intention of the persons named in the enclosed proxy to vote the shares represented by them for the election of the respective nominees listed unless the proxy is marked otherwise.

THE BOARD OF TRUSTEES RECOMMENDS A VOTE "FOR ALL" OF THE NOMINEES.

61

* Such trustee is an "interested person" (within the meaning of Section 2(a)(19) of the 1940 Act). Messrs. Merin and Powers are interested persons of funds in the Fund Complex and the Adviser by reason of their current or former positions with Morgan Stanley or its affiliates. Mr. Whalen is an interested person of certain funds in the Fund Complex by reason of he and his firm currently providing legal services as legal counsel to such funds in the Fund Complex.

+ Designated as Preferred Shares Trustee.

REMUNERATION OF TRUSTEES

The compensation of trustees and executive officers that are affiliated persons (as defined in 1940 Act) of the Adviser or Van Kampen Investments, Inc. is paid by the respective entity. The funds in the Fund Complex, including the Target Fund, pay the non-affiliated trustees an annual retainer and meeting fees.

Each fund in the Fund Complex (except the Van Kampen Exchange Fund) provides a

deferred compensation plan to its non-affiliated trustees that allows such trustees to defer receipt of compensation and earn a return on such deferred amounts based upon the return of the common shares of the funds in the Fund Complex as selected by the respective non-affiliated trustees. Each fund in the Fund Complex (except the Van Kampen Exchange Fund) also provides a retirement plan to its non-affiliated trustees that provides non-affiliated trustees with compensation after retirement, provided that certain eligibility requirements are met as more fully described below.

Each non-affiliated trustee generally can elect to defer receipt of all or a portion of the compensation earned by such non-affiliated trustee until retirement. Amounts deferred are retained by the respective fund and earn a rate of return determined by reference to the return on the common shares of such fund or other funds in the Fund Complex as selected by the respective non-affiliated trustee, with the same economic effect as if such non-affiliated trustee had invested in one or more funds in the Fund Complex, including the Funds. To the extent permitted by the 1940 Act, each Fund may invest in securities of those funds selected by the non-affiliated trustees in order to match the deferred compensation obligation. The deferred compensation plan is not funded and obligations thereunder represent general unsecured claims against the general assets of the respective fund.

The Target Fund has adopted a retirement plan. Under the retirement plan, a non-affiliated trustee who is receiving trustee's compensation from a fund prior to such non-affiliated trustee's retirement, has at least 10 years of service (including years of service prior to adoption of the retirement plan) for such fund and retires at or after attaining the age of 60, is eligible to receive a retirement benefit each year for ten years following such trustee's retirement from such Fund. Non-affiliated trustees retiring prior to the age of 60 or with fewer than 10 years but more than 5 years of service may receive reduced retirement benefits from a fund.

Additional information regarding compensation and benefits for trustees is set forth below. As indicated in the notes accompanying the table, the amounts relate to either the Target Fund's most recently completed fiscal year end in 2004 or the Fund Complex's most recently completed calendar year ended December 31, 2004.

 (1) Trustees not eligible for compensation and retirement benefits are not included in the Compensation Table. Mr. Whalen is an "interested person" (within the meaning of Section 2(a)(19) of the 1940 Act) of the Target Fund and certain other funds in the Fund Complex. J. Miles Branagan retired as a member of the Board of Trustees of the Fund and other funds in the Fund Complex as of December 31, 2004. Theodore A. Myers retired from the Board of Trustees of the Fund and other funds in the Fund Complex as of December 31, 2003.

(2) The amounts shown in this column represent the aggregate compensation before deferral by the Trustees with respect to the Target Fund's fiscal year ended June 30, 2004. The following Trustees deferred compensation from the Target Fund during the fiscal year ended June 30, 2004: Mr. Choate, \$; Mr. Dammeyer, \$; Ms. Heagy, \$; Mr. Nelson, \$; Mr. Sonnenschein, \$; and Mr. Whalen, \$. The cumulative deferred compensation (including interest) accrued with respect to each trustee, including former trustees, from the Target Fund as of June 30, 2004 is as follows: Mr. Branagan, \$; Mr. Choate, \$; Mr. Dammeyer, \$; Ms. Heagy, \$; Mr. Kennedy, \$; Mr. Miller, \$; Mr. Nelson, \$; Mr. Rees, \$; Mr. Robinson, \$; Mr. Rooney, \$; Mr. Sisto, \$; Mr. Sonnenschein, \$; and Mr. Whalen, \$. The deferred compensation plan is described above the table. Amounts deferred are retained by the respective Fund and earn a rate of return determined by reference to either the return on the Common Shares of the Fund or the common shares of other funds in the Fund Complex as selected by the respective Trustee. To the extent permitted by the 1940 Act, the Fund may invest in securities of these

funds selected by the Trustees in order to match the deferred compensation obligation.

(3) The amounts shown in this column represent the sum of the estimated pension or retirement benefit accruals expected to be accrued by the operating funds in the Fund Complex for their respective fiscal years ended in 2004.

(4) For each Trustee, the amounts shown in this column represent the sum of the estimated annual benefits upon retirement payable per year by the current operating funds in the Fund Complex for each year of the 10-year period commencing in the year of such person's anticipated retirement. The retirement plan is described above the compensation table.

(5) The amounts shown in this column are accumulated from the aggregate compensation of the operating investment companies in the Fund Complex for the calendar year ended December 31, 2004 before deferral by the Trustees under the deferred compensation plan. Because the funds in the Fund Complex have different fiscal year ends, the amounts shown in this column are presented on a calendar year basis.

BOARD COMMITTEES AND MEETINGS

The Board of Trustees has three standing committees (an audit committee, a

brokerage and services committee and a governance committee). Each committee is comprised solely of "Independent Trustees", which is defined for purposes herein as trustees who: (1) are not "interested persons" of the Fund as defined by the 1940 Act and (2) are "independent" of the Fund as defined by the NYSE, American Stock Exchange and CSX listing standards.

The Board's audit committee consists of Jerry D. Choate, Rod Dammeyer and R. Craig Kennedy. In addition to being Independent Trustees as defined above, each of these trustees also meets the additional independence requirements for audit committee members as defined by the NYSE, American Stock Exchange and CSX listing standards. The audit committee makes recommendations to the Board of Trustees concerning the selection of the Fund's independent registered public accounting firm, reviews with such independent registered public accounting firm the scope and results of the Fund's annual audit and considers any comments which the independent registered public accounting firm may have regarding the Fund's financial statements, books of account or internal controls. The Board of Trustees has adopted a formal written charter for the audit committee which sets forth the audit committee's responsibilities. The audit committee has reviewed and discussed the financial statements of each Fund with management as well as with the independent registered public accounting firm of the Fund, and discussed with the independent registered public accounting firm the matters required to be discussed under the Statement of Auditing Standards No. 61. The audit committee has received the written disclosures and the letter from the independent registered public accounting firm required under Independence Standards Board Standard

74

No. 1 and has discussed with the independent registered public accounting firm its independence. Based on this review, the audit committee recommended to the Board of Trustees of the Fund that the Fund's audited financial statements be included in each Fund's annual report to shareholders for the most recent fiscal year for filing with the SEC.

In accordance with proxy rules promulgated by the SEC, a fund's audit committee charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The audit committee charter of the Target Fund was attached as an exhibit to the Van Kampen Joint Closed-End Fund Proxy Statement, filed with the SEC on May 19, 2004.

The Board's brokerage and services committee consists of Linda Hutton Heagy, Hugo F. Sonnenschein and Suzanne H. Woolsey. The brokerage and services committee reviews the Fund's allocation of brokerage transactions and soft-dollar practices and reviews the transfer agency and shareholder servicing arrangements with Investor Services.

The Board's governance committee consists of David C. Arch, Howard J Kerr and Jack E. Nelson. In addition to being Independent Trustees as defined above, each of these trustees also meets the additional independence requirements for nominating committee members as defined by the NYSE, American Stock Exchange and CSX listing standards. The governance committee identifies individuals qualified to serve as Independent Trustees on the Board and on committees of the Board, advises the Board with respect to Board composition, procedures and committees, develops and recommends to the Board a set of corporate governance principles applicable to the Fund, monitors corporate governance matters and makes recommendations to the Board, and acts as the administrative committee with respect to Board policies and procedures, committee policies and procedures and codes of ethics. The Independent Trustees of the Fund select and nominate any other nominee Independent Trustees for the Fund. While the Independent Trustees of the Fund expect to be able to continue to identify from their own resources an ample number of qualified candidates from the Board of Trustees as they deem

appropriate, they will consider nominations from shareholders to the Board. Nominations from shareholders should be in writing and sent to the Independent Trustees as described below.

In accordance with proxy rules promulgated by the SEC, a fund's nominating committee charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The governance committee charter of the Target Fund was attached as an exhibit to the Van Kampen Joint Closed-End Fund Proxy Statement, filed with the SEC on May 19, 2004.

During the Target Fund's last fiscal year, the Board of Trustees held meetings. During such Fund's last fiscal year, the audit committee of the Board held

75

meetings, the brokerage and services committee of the Board held 4 meetings and the governance committee of the Board and held [] meetings. During the last fiscal year, each of the trustees of the Target Fund during such period such trustee served as a trustee attended at least 75% of the meetings of the Board of Trustees and all committee meetings thereof of which such trustee was a member.

INDEPENDENT AUDITORS

The Board of Trustees of each Fund, including a majority of the Trustees who are not "interested persons" of each Fund (as defined by the 1940 Act), has selected [] as the independent auditors to examine the financial statements for the current fiscal year of each Fund. The selection of [] for the current fiscal year was recommended and approved by each Fund's audit committee and approved by each Fund's Board. Each of the Funds knows of no direct or indirect financial interest of [] in such Fund.

AUDIT AND OTHER FEES

Each Fund and certain "covered entities" were billed the amounts listed below by [] during the Target Fund's most recent two fiscal years.

* Covered Entities include the Adviser and any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Target Fund.

The audit committee of each Board has considered whether the provision of non-audit services performed by [] to the Funds and "covered entities" is compatible with maintaining []'s independence in performing audit services. Beginning with non-audit service contracts entered into on or after May 6, 2003, the audit committee also is required to pre-approve services to "covered entities" to the extent that the services are determined to have a direct impact on the operations or financial reporting of the Funds. 100% of such services were pre-approved by the audit committee pursuant to the audit committee's pre-approval policies and procedures. The Board's pre-approval policies and procedures are included as part of the Board's audit committee charter, which was attached to the Van Kampen Joint Closed-End Fund Proxy Statement, filed with the SEC on May 19, 2004.

Representatives of [] will attend the Special Meeting, will have the opportunity to make a statement if they desire to do so and will be available to answer appropriate questions.

PROPOSAL 3: ISSUANCE OF ACQUIRING FUND COMMON SHARES

THE REORGANIZATION

Pursuant to the Reorganization Agreement, which is described more fully under "Proposal 1: Reorganization of the Target Fund" herein, the Acquiring Fund will acquire substantially all of the assets and assume substantially all of the liabilities of the Target Fund in exchange solely for an equal aggregate value of Acquiring Fund Common Shares and Acquiring Fund APS. The Target Fund will distribute Acquiring Fund Common Shares to holders of Target Fund Common Shares and Acquiring Fund APS to holders of Target Fund RATES, and will then terminate its registration under the 1940 Act and dissolve under applicable state law. The Acquiring Fund Board, based upon its evaluation of all relevant information, anticipates that the Reorganization will benefit holders of Acquiring Fund Common Shares.

The aggregate net asset value of Acquiring Fund Common Shares received in the Reorganization will equal the aggregate net asset value on the Target Fund Common Shares held immediately prior to the Reorganization less the costs of the Reorganization (though you may receive cash for fractional shares). The aggregate liquidation preference of Acquiring Fund APS received in the Reorganization will equal the aggregate liquidation preference Target Fund RATES held immediately prior to the Reorganization. The Reorganization will result in no dilution of net asset value of the Acquiring Fund Common Shares, other than to reflect the costs of the Reorganization. No gain or loss will be recognized by the Acquiring Fund or its shareholders in connection with the Reorganization. The Acquiring Fund will continue to operate as a registered closed-end investment company with the investment objective and policies described in this Joint Proxy Statement/Prospectus.

In connection with the Reorganization and as contemplated by the Reorganization Agreement, the Acquiring Fund will issue additional Acquiring Fund Common Shares and list such shares on the NYSE and the CHX.

SHAREHOLDER APPROVAL

While applicable state and federal law does not require the shareholders of the Acquiring Fund to approve the Reorganization, applicable NYSE rules require the common shareholders of the Acquiring Fund to approve the issuance of additional Acquiring Fund Common Shares to be issued in connection with the Reorganization. Shareholder approval of the issuance of Acquiring Fund Common Shares requires the affirmative vote of a majority of the votes cast on the proposal, provided that the total votes cast on the proposal represents more than 50% in interest of all securities entitled to vote on the proposal.

83

OTHER INFORMATION

VOTING INFORMATION AND REQUIREMENTS

RECORD DATE. The Board of Trustees of each Fund has fixed the close of business on April 25, 2005 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Special Meeting or any adjournment thereof. Shareholders on the Record Date will be entitled to one vote for each share held, with no shares having cumulative voting rights. At the Record Date, the Target Fund had outstanding [] Target Fund Common Shares and [] Target Fund RATES and the Acquiring Fund had outstanding [] Acquiring Fund Common Shares.

PROXIES. Shareholders may vote by appearing in person at the Special Meeting, by returning the enclosed proxy card or by casting their vote via telephone or the internet using the instructions provided on the enclosed proxy card. Any person giving a proxy may revoke it at any time prior to its exercise by giving written notice of the revocation to the Secretary of the Fund at the address indicated above, by delivering a duly executed proxy bearing a later date, or by attending the Special Meeting and voting in person. The giving of a proxy will not affect your right to vote in person if you attend the Special Meeting and wish to do so.

All properly executed proxies received prior to the Special Meeting will be voted in accordance with the instructions marked thereon or otherwise as provided therein. Unless instructions to the contrary are marked, proxies will be voted "FOR" the approval of each proposal. Abstentions and broker non-votes

(i.e., where a nominee such as a broker, holding shares for beneficial owners, indicates that instructions have not been received from the beneficial owners, and the nominee does not exercise discretionary authority) are not treated as votes "FOR" a proposal.

With respect to Proposal 1, abstentions and broker non-votes (i.e., where a nominee such as a broker holding shares for beneficial owners votes on certain matters pursuant to discretionary authority or instructions from beneficial owners, but with respect to one or more proposals does not receive instructions from beneficial owners or does not exercise discretionary authority) have the same effect as votes "AGAINST" the proposals since their approvals are based on the affirmative vote of a majority of the total Target Fund Common Shares outstanding and 66 2/3% of the Target Fund RATES outstanding. With respect to Proposal 2, abstentions and broker non-votes are disregarded since only votes "FOR" are considered in a plurality voting requirement. With respect to Proposal 3, [abstentions will not be treated as votes "FOR" the proposal but will be counted as votes cast on the proposal and will therefore have the same effect as votes "AGAINST" the proposal.] Broker non-votes will not be treated as vote "FOR" the proposal and

84

will not be counted as votes cast on the proposal and will therefore have the effect of reducing the aggregate number of shares voting on the proposal and reducing the number of votes "FOR" the proposal required to approve the proposal.

With respect to each proposal, a majority of the outstanding shares entitled to vote on the proposal must be present in person or by proxy to have a quorum to conduct business at the Special Meeting. Abstentions and broker non-votes will be deemed present for quorum purposes.

CERTAIN VOTING INFORMATION REGARDING TARGET FUND RATES. Target Fund RATES held in "street name" may be voted under certain conditions by broker-dealer firms and counted for purposes of establishing a quorum of that Fund if no instructions are received one business day before the Special Meeting or, if adjourned, one business day before the day to which the Special Meeting is adjourned. These conditions include, among others, that (i) at least 30% of the Target Fund's preferred shares outstanding have voted on the Reorganization and (ii) less than 10% of the Target Fund's preferred shares outstanding have voted against the Reorganization. In such instance, the broker-dealer firm will vote such uninstructed Target Fund RATES on the Reorganization in the same proportion as the votes cast by all holders of Target Fund RATES who voted on the Reorganization. The Fund will include shares held of record by broker-dealers as to which such authority has been granted in its tabulation of the total number of shares present for purposes of determining whether the necessary quorum of shareholders of the Fund exists.

SHAREHOLDER INFORMATION

Except as set forth below, as of [], to the knowledge of the Funds, no shareholder owned beneficially more than 5% of a class of a Fund's outstanding shares:

[insert]

As of [], no trustees or executive officers owned, directly or beneficially, Common Shares or Preferred Shares of either Fund. As of [], the trustees and executive officers of the Funds individually and as a group owned less than []% of the outstanding shares of each Fund.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 30(f) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934, as amended, require the Funds' trustees, officers, investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of the Fund's equity securities to file forms with the SEC and the NYSE, as applicable, reporting their affiliation with the Fund and reports of ownership and changes in ownership of Fund shares. These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they

85

file. Based on a review of these forms furnished to each Fund, each Fund believes that during its last fiscal year, its trustees, officers, investment adviser and affiliated persons of the investment adviser complied with the applicable filing requirements.

SHAREHOLDER PROPOSALS

To be considered for presentation at a shareholders' meeting, rules promulgated by the SEC generally require that, among other things, a shareholder's proposal must be received at the offices of the relevant Fund a reasonable time before a solicitation is made. Timely submission of a proposal does not necessarily mean that such proposal will be included. Any shareholder who wishes to submit a proposal for consideration at a meeting of such shareholder's Fund should send such proposal to the respective Fund at 1221 Avenue of the Americas, New York, New York 10020.

SOLICITATION OF PROXIES

Solicitation of proxies is being made primarily by the mailing of this Notice and Joint Proxy Statement/Prospectus with its enclosures on or about May [], 2005. Shareholders whose shares are held by nominees such as brokers can vote their proxies by contacting their respective nominee. In addition to the solicitation of proxies by mail, employees of the Adviser and its affiliates as well as dealers or their representatives may, without additional compensation, solicit proxies in person or by mail, telephone, telegraph, facsimile or oral communication. The Funds have retained ALAMO Direct Mail Services, Inc. ("ALAMO") to make telephone calls to shareholders to remind them to vote. In addition, ALAMO may also be retained to assist with any necessary solicitation of proxies. In the event of a solicitation, ALAMO would be paid a project management fee as well as fees charged on a per call basis and certain other expenses. Management estimates that any such solicitation would cost approximately \$. The Funds estimate that any such solicitation would cost approximately for the Target Fund and for the Acquiring Fund. Proxy solicitation expenses are an expense of the Reorganization which will be borne by the Target Fund and the Acquiring Fund in proportion to their projected declines in total operating expenses as a result of the Reorganization.

OTHER MATTERS TO COME BEFORE THE MEETING

The Board of Trustees of each Fund knows of no business other than that described in this Joint Proxy Statement/Prospectus which will be presented for consideration at the Special Meeting. If any other matters are properly presented, it is the intention of the persons named on the enclosed proxy card to vote proxies in accordance with their best judgment.

In the event that a quorum is present at the Special Meeting but sufficient votes to approve the proposed Reorganization are not received, proxies (including

abstentions and broker non-votes) will be voted in favor of one or more adjournments of the Special Meeting to permit further solicitation of proxies on the proposed Reorganization, provided that the Board of Trustees of each Fund determines that such an adjournment and additional solicitation is reasonable and in the interest of shareholders based on a consideration of all relevant factors, including the percentage of votes then cast, the percentage of negative votes cast, the nature of the proposed solicitation activities and the nature of the reasons for such further solicitation. Any such adjournment will require the affirmative vote of the holders of a majority of the outstanding shares voted at the session of the Special Meeting to be adjourned.

If you cannot be present in person at the Special Meeting, please fill in, sign and return the enclosed proxy card promptly. No postage is necessary if mailed in the United States.

TRUSTEES AND OFFICERS

GENERAL

The business and affairs of the Fund are managed under the direction of the Fund's Board of Trustees and the Fund's officers appointed by the Board of Trustees. The Acquiring Fund and Target Fund share the same Board of Trustees and executive officers. Information regarding the trustees and executive

Edgar Filing: VAN KAMPEN TRUST FOR INVESTMENT GRADE MUNICIPALS - Form N-14 8C

officers of the Acquiring Fund, including their principal occupations during the last five years, other directorships held by trustees and certain affiliates, can be found in the Joint Proxy Statement/Prospectus under "Proposal 2: Election of Target Fund Trustees." The term "Fund Complex" includes each of the investment companies advised by the Adviser as of the date of this Statement of Additional Information.

COMPENSATION

Each trustee/director/managing general partner (hereinafter referred to in this section as "trustee") who is not an affiliated person (as defined in the 1940 Act) of Van Kampen Investments, the Adviser or the Distributor (each a "Non-Affiliated Trustee") is compensated by an annual retainer and meeting fees for services to funds in the Fund Complex. Each fund in the Fund Complex (except Van Kampen Exchange Fund) provides a deferred compensation plan to its Non-Affiliated Trustees that allows trustees to defer receipt of their compensation until retirement and earn a return on such deferred amounts. Amounts deferred are retained by the Fund and earn a rate of return determined by reference to the return on the common shares of the Fund or other funds in the Fund Complex as selected by the respective Non-Affiliated Trustee. To the extent permitted by the 1940 Act, the Fund may invest in securities of those funds selected by the Non-Affiliated Trustees in order to match the deferred compensation obligation. The deferred compensation plan is not funded and obligations thereunder represent general unsecured claims against the general assets of the Fund. Deferring compensation has the same economic effect as if the Non-Affiliated Trustee reinvested his or her compensation into the funds. Each fund in the Fund Complex (except Van Kampen Exchange Fund) provides a retirement plan to its Non-Affiliated Trustees that provides Non-Affiliated Trustees with compensation after retirement, provided that certain eligibility requirements are met. Under the retirement plan, a Non-Affiliated Trustee who is receiving compensation from the Fund prior to such Non-Affiliated Trustee's retirement, has at least 10 years of service (including years of service prior to adoption of the retirement plan) and retires at or after attaining the age of 60, is eligible to receive a retirement benefit per year for each of the 10 years following such retirement from the Fund. Non-Affiliated Trustees retiring prior to the age of 60 or with fewer than 10 years but more than 5 years of service may receive reduced retirement benefits from the Fund.

CODE OF ETHICS

The Fund, the Adviser, and the Distributor have adopted a Code of Ethics (the "Code of Ethics") that sets forth general and specific standards relating to the securities trading activities of their employees. The Code of Ethics does not prohibit employees from acquiring securities that may be purchased or held by the Fund, but is intended to ensure that all employees conduct their personal transactions in a manner that does not interfere with the portfolio transactions of the Fund or other Van Kampen funds, or that such employees take unfair advantage of their relationship with the Fund. Among other things, the Code of Ethics prohibits certain types of transactions absent prior approval, imposes various trading restrictions (such as time periods during which personal transactions may or may not be made) and requires quarterly reporting of securities transactions and other reporting matters. All reportable securities transactions and other required reports are to be reviewed by appropriate personnel for compliance with the Code of Ethics. Additional restrictions apply to portfolio managers, traders, research analysts and others who may have access to nonpublic information about the trading activities of the Fund or other Van Kampen funds or who otherwise are involved in the investment advisory process.

Exceptions to these and other provisions of the Code of Ethics may be granted in particular circumstances after review by appropriate personnel.

INVESTMENT ADVISORY AGREEMENT

The Fund and the Adviser are parties to an investment advisory agreement (the "Advisory Agreement"). Under the Advisory Agreement, the Fund retains the Adviser to manage the investment of the Fund's assets, including the placing of orders for the purchase and sale of portfolio securities. The Adviser obtains and evaluates economic, statistical and financial information to formulate strategy and implement the Fund's investment objective. The Adviser also furnishes offices, necessary facilities and equipment, provides administrative services to the Fund, renders periodic reports to the Fund's Board of Trustees and permits its officers and employees to serve without compensation as trustees or officers of the Fund if elected to such positions. The Fund, however, bears the costs of its day-to-day operations, including service fees, distribution fees, custodian fees, legal and independent registered public accounting firm fees, the costs of reports and proxies to shareholders, compensation of trustees of the Fund (other than those who are affiliated persons of the Adviser, Distributor or Van Kampen Investments) and all other ordinary business expenses not specifically assumed by the Adviser. The Advisory Agreement also provides that the Adviser shall not be liable to the Fund for any actions or omissions in the absence of willful misfeasance, bad faith, negligence or reckless disregard of its obligations and duties under the Advisory Agreement.

The fee payable to the Adviser is reduced by any commissions, tender solicitation and other fees, brokerage or similar payments received by the Adviser or any other direct or indirect majority owned subsidiary of Van Kampen Investments in connection with the purchase and sale of portfolio investments less any direct expenses incurred by such subsidiary of Van Kampen Investments in connection with obtaining such commissions, fees, brokerage or similar payments. The Adviser agrees to use its best efforts to recapture tender solicitation fees and exchange offer fees for the Fund's benefit and to advise the trustees of the Fund of any other commissions, fees, brokerage or similar payments which may be possible for the Adviser or any other direct or indirect majority owned subsidiary of Van Kampen Investments to receive in connection with the Fund's portfolio transactions or other arrangements which may benefit the Fund.

The Advisory Agreement may be continued from year to year if specifically approved at least annually (a) (i) by the Fund's Board of Trustees or (ii) by a vote of a majority of the Fund's outstanding voting securities and (b) by a vote of a majority of the trustees who are not parties to the agreement or interested persons of any such party by votes cast in person at a meeting called for such purpose. The Advisory Agreement provides that it shall terminate automatically if assigned and that it may be terminated without penalty by either party on 60 days' written notice.

In approving the Advisory Agreement, the Board of Trustees, including the non-interested trustees, considered the nature, quality and scope of the services provided by the Adviser, the performance, fees and expenses of the Fund compared to other similar investment companies, the Adviser's expenses in providing the services and the profitability of the Adviser and its affiliated companies. The Board of Trustees also reviewed the benefit to the Adviser of receiving research paid for by Fund assets and the propriety of such an arrangement and evaluated other benefits the Adviser derives from its relationship with the

Edgar Filing: VAN KAMPEN TRUST FOR INVESTMENT GRADE MUNICIPALS - Form N-14 8C

Fund. The Board of Trustees considered the extent to which any economies of scale experienced by the Adviser are shared with the Fund's shareholders, and the propriety of existing and alternative breakpoints in the Fund's advisory fee schedule. The Board of Trustees considered comparative advisory fees of the Fund and other investment companies at different asset levels, and considered the trends in the industry versus historical and projected sales and redemptions of the Fund. The Board of Trustees reviewed reports from third parties about the foregoing factors and considered changes, if any, in such items since its previous approval. The Board of Trustees discussed the financial strength of the Adviser and its affiliated companies and the capability of the personnel of the Adviser. The Board of Trustees reviewed the statutory and regulatory requirements for approval of advisory agreements. The Board of Trustees, including the non-interested trustees, evaluated all of the foregoing and determined, in the exercise of its business judgment, that approval of the Advisory Agreement was in the best interests of the Fund and its shareholders.

Prior to the date of this Statement of Additional Information, Van Kampen Advisors Inc., an affiliate of the Adviser, acted as sub-adviser to the Fund. Van Kampen Advisors Inc. was located at 40 Broad Street, Suite 915, Boston, Massachusetts 02109. The Adviser paid to Van Kampen Advisors Inc. on a monthly basis a portion of the net advisory fees that the Adviser received from the Fund.

As of [], Thomas Byron managed [] registered investment companies with a total of \$[] billion in assets; [] pooled investment vehicles other than registered investment companies with a total of \$[] million in assets; and [] other accounts with a total of \$[] billion in assets.

As of [], Robert Wimmel managed [] registered investment companies with a total of \$[] billion in assets; [] pooled investment vehicles other than registered investment companies with a total of \$[] million in assets; and [] other accounts with a total of \$[] billion in assets.

As of [], John Reynoldson managed [] registered investment companies with a total of \$[] billion in assets; [] pooled investment vehicles other than registered investment companies with a total of \$[] million in assets; and [] other accounts with a total of \$[] billion in assets.

Because the portfolio managers manage assets for other mutual funds, pooled investment vehicles, institutional clients, pension plans and certain high net worth individuals, there may be incentive to favor one client over another resulting in conflicts of interest. For instance, the Adviser may receive fees

from certain accounts that are higher

S-8

than the fee it receives from the Fund, or it may receive a performance-based fee on certain accounts. In those instances, the portfolio managers may have an incentive to favor the higher and/or performance-based fee accounts over the Fund. The Adviser has adopted policies and procedures reasonably designed to address these and other conflicts of interest.

PORTFOLIO MANAGER COMPENSATION

BASE COMPENSATION. Generally, portfolio managers receive base compensation based on the level of their position with the Adviser.

DISCRETIONARY COMPENSATION. In addition to base compensation, portfolio managers may receive discretionary compensation. Discretionary compensation can include:

- Cash Bonus;
- Morgan Stanley's Equity Incentive Compensation Program (EICP) awards--a mandatory program that defers a portion of discretionary year-end compensation into restricted stock units or other awards based on Morgan Stanley common stock that are subject to vesting and other conditions;
- Investment Management Deferred Compensation Plan (IMDCP) awards--a mandatory program that defers a portion of discretionary year-end compensation and notionally invests it in certain Morgan Stanley Funds [HR/tax: referenced--need different term]. The award is subject to vesting and other conditions. Portfolio managers must notionally invest a minimum of 25% to a maximum of 50% of the IMDCP deferral into a combination of the [referenced] funds they manage or directly support that are included in the IMDCP fund menu. [Need more tailored language for AIP and parts of Fixed Income.]
- Select Employees' Capital Accumulation Program (SECAP) awards--a voluntary program that permits employees to elect to defer a portion of their discretionary compensation and notionally invest the deferred amount across a range of [referenced] investment funds, including Morgan Stanley funds; and
- Voluntary Equity Incentive Compensation Program (VEICP) awards--a voluntary program that permits employees to elect to defer a portion of their discretionary compensation to invest in Morgan Stanley stock units.

Several factors determine discretionary compensation, which can vary by portfolio management team and circumstances. In order of relative importance, these factors include:

- Investment performance. The majority of a portfolio manager's compensation is linked to the Fund's pre-tax investment performance. Investment performance is calculated for one-, three- and five-year periods measured against the Fund's benchmark [HR: please confirm--is it the primary benchmark if there is more than one benchmark?], indexes and/or peer groups. Generally, the greatest weight is placed on the three- and five-year periods.
- The Fund's revenue.

S-9

- Contribution to the business objectives of the Adviser.
- The dollar amount of assets managed by the portfolio manager.
- Market/compensation survey.
- Other qualitative factors, such as contributions to client objectives.
- Performance of other affiliated entities, including Morgan Stanley and Morgan Stanley Investment Management, and the Global Investor Group, a division of Morgan Stanley Investment Management.

Occasionally, to attract new hires or to retain key employees, the total amount of compensation will be guaranteed in advance of the fiscal year end based on current market levels. In limited circumstances, the guarantee may continue for more than one year. The guaranteed compensation comprises the same factors as those comprising overall compensation described above.

The same methodology is used to determine portfolio manager compensation for all accounts.

SECURITIES OWNERSHIP OF PORTFOLIO MANAGERS

PORTFOLIO TRANSACTIONS AND BROKERAGE ALLOCATION

The Adviser is responsible for decisions to buy and sell securities for the Fund, the selection of brokers and dealers to effect the transactions and the negotiation of prices and any brokerage commissions on such transactions. While the Adviser will be primarily responsible for the placement of the Fund's portfolio business, the policies and practices in this regard are subject to review by the Fund's Board of Trustees.

As most transactions made by the Fund are principal transactions at net prices, the Fund generally incurs little or no brokerage costs. The portfolio securities in which the Fund invests are normally purchased directly from the issuer or in the over-the-counter market from an underwriter or market maker for the securities. Purchases from underwriters of portfolio securities include a commission or concession paid by the issuer to the underwriter and purchases from dealers serving as market makers include a spread or markup to the dealer between the bid and asked price. Sales to dealers are effected at bid prices. The Fund may also purchase certain money market instruments directly from an issuer, in which case no commissions or discounts are paid, or may purchase and sell listed securities on an exchange, which are effected through brokers who charge a commission for their services.

The Adviser is responsible for placing portfolio transactions and does so in a manner deemed fair and reasonable to the Fund and not according to any formula. The primary

S-10

consideration in all portfolio transactions is prompt execution of orders in an effective manner at the most favorable price. In selecting broker-dealers and in negotiating prices and any brokerage commissions on such transactions, the Adviser considers the firm's reliability, integrity and financial condition and the firm's execution capability, the size and breadth of the market for the security, the size of and difficulty in executing the order, and the best net price. There are many instances when, in the judgment of the Adviser, more than one firm can offer comparable execution services. In selecting among such firms, consideration may be given to those firms which supply research and other services in addition to execution services. The Adviser is authorized to pay higher commissions to brokerage firms that provide it with investment and research information than to firms which do not provide such services if the Adviser determines that such commissions are reasonable in relation to the overall services provided. No specific value can be assigned to such research services which are furnished without cost to the Adviser. Since statistical and other research information is only supplementary to the research efforts of the Adviser to the Fund and still must be analyzed and reviewed by its staff, the receipt of research information is not expected to reduce its expenses materially. The investment advisory fee is not reduced as a result of the Adviser's receipt of such research services. Services provided may include (a) furnishing advice as to the value of securities, the advisability of investing in, purchasing or selling securities, and the availability of securities or purchasers or sellers of securities; (b) furnishing analyses and reports concerning issuers, industries, securities, economic factors and trends, portfolio strategy, and the performance of accounts; and (c) effecting securities transactions and performing functions incidental thereto (such as clearance, settlement and custody). Research services furnished by firms through which the Fund effects its securities transactions may be used by the Adviser in servicing all of its advisory accounts; not all of such services may be used by the Adviser in connection with the Fund.

The Adviser also may place portfolio transactions, to the extent permitted by law, with brokerage firms affiliated with the Fund and the Adviser if it reasonably believes that the quality of execution and the commission are comparable to that available from other qualified firms.

The Adviser may place portfolio transactions at or about the same time for other advisory accounts, including other investment companies. The Adviser seeks to allocate portfolio transactions equitably whenever concurrent decisions are made to purchase or sell securities for the Fund and another advisory account. In some cases, this procedure could have an adverse effect on the price or the amount of securities available to the Fund. In making such allocations among the Fund and other advisory accounts, the main factors considered by the Adviser are the respective sizes of the Fund and other advisory accounts, the respective investment objectives, the relative size of portfolio holdings of the same or comparable securities, the availability of cash for investment, the size of investment commitments generally held and opinions of the persons responsible for recommending the investment.

Certain broker-dealers, through which the Fund may effect securities transactions, are affiliated persons (as defined in the 1940 Act) of the Fund or affiliated persons of such affiliates, including Morgan Stanley or its subsidiaries. The Fund's Board of Trustees has adopted certain policies incorporating the standards of Rule 17e-1 issued by the SEC under the 1940 Act which require that the commissions paid to affiliates of the Fund must

S-11

be reasonable and fair compared to the commissions, fees or other remuneration received or to be received by other brokers in connection with comparable transactions involving similar securities during a comparable period of time. The rule and procedures also contain review requirements and require the Adviser to furnish reports to the trustees and to maintain records in connection with such reviews. After consideration of all factors deemed relevant, the trustees will consider from time to time whether the advisory fee for the Fund will be reduced by all or a portion of the brokerage commission paid to affiliated brokers.

Unless otherwise disclosed below, the Fund paid no commissions to affiliated brokers during the last three fiscal years. The Fund paid the following commissions to brokers during the fiscal years shown:

ADDITIONAL INFORMATION
RELATING TO AUCTION PREFERRED SHARES OF THE ACQUIRING FUND

The following is a brief description of the terms of the shares of each series of APS. This description does not purport to be complete and is subject to and qualified in its entirety by reference to Fund's Declaration of Trust, including the Certificate of Vote establishing and fixing the rights and preferences of the shares of such series of APS, attached hereto as Appendix B (the "Certificate of Vote" and together, with the Fund's Declaration of Trust, the "APS Provisions"). For purposes of this section, capitalized terms not otherwise defined herein have the meanings ascribed to them in the Certificate of Vote.

General. The Declaration of Trust currently authorizes the issuance of an unlimited number of shares of Common Shares and 100,000,000 Preferred Shares of beneficial interest, par value \$.01 per share (which may be issued from time to time in such series and with such designations, preferences and other rights, qualifications, limitations and restrictions as are determined in a resolution of the Board of Trustees of the Fund). Under the APS Provisions, the Fund is authorized to issue up to 10,600 APS. All shares of each series of APS will have a liquidation preference of \$25,000 per share plus an amount equal to accumulated but unpaid dividends (whether or not earned or declared). The shares of

each series of APS will rank on a parity with shares of any other series of Preferred Shares (including any other series of APS) as to the payment of dividends and the distribution of assets upon liquidation. So long as either Moody's or S&P is rating the shares of any series of APS, the Fund may, without the vote of the holders of APS, issue additional series of Preferred Shares, including APS, subject to applicable provisions of the 1940 Act and to continuing compliance with the 1940 Act APS Asset Coverage and the APS Basic Maintenance Amount, provided that (1) any such additional series ranks on a parity with the then Outstanding APS as to the payment of dividends and the distribution of assets upon liquidation and (2) the Fund obtains written confirmation from Moody's or S&P, or both, as the case may be, that the issuance of any such additional series would not impair the rating then assigned by such rating agency to the APS.

Dividends. Dividends on shares of each series of APS will accumulate at the Applicable Rate per annum will be payable, when, as and if declared by the Board of Trustees of the Fund out of funds legally available therefor. Dividend Periods shall be 28 days for APS Series A, 28 days for APS Series B, 3 months for APS Series C and 6 months for APS Series D. The Fund, subject to certain conditions, may designate any Dividend Period as a Special Dividend Period, which shall be such number of consecutive days or whole years as the Board of Trustees shall specify, subject to certain exceptions.

Dividends will be paid through the Securities Depository on each Dividend Payment Date in accordance with its normal procedures, which now provide for it to distribute dividends in next-day funds to Agent Members, who in turn are expected to distribute such dividend payments to the persons for whom they are acting as agents. Each of the initial Broker Dealers, however, has indicated to the Fund that such Broker-Dealer or one of its affiliates will make such dividend payments available in same-day funds on each Dividend Payment Date to customers that use such Broker-Dealer or such affiliate as Agent Member.

For each Dividend Period, the dividend rate for shares of each series of APS will be the Applicable Rate per annum that the Auction Agent advises the Fund results from an Auction, except as provided below. The dividend rate that results from an Auction for a series of APS will not be greater than the Maximum Rate, which is:

(i) in the case of any Auction Date which is not the Auction Date immediately prior to the first day of any proposed Special Dividend Period, the product of (1) the "AA" Composite Commercial Paper Rate on such Auction Date for the next Rate Period of such series and (2) the Applicable Percentage on such Auction Date, unless such series of APS has or had a Special Dividend Period (other than a Special Dividend Period of 28 days or less) and an Auction at which Sufficient Clearing Bids existed has not yet occurred for a Minimum Dividend Period for such series (28 days for each series of APS) after such Special Dividend Period, in which case the higher of:

(A) the dividend rate on shares of such series of APS for the then-ending Rate Period, and

(B) the product of (x) the higher of (I) the "AA" Composite Commercial Paper Rate on such Auction Date for the then-ending Rate Period of such series, if such Rate Period is less than one year, or the Treasury Rate on such Auction Date for such Rate Period, if such Rate Period is one year or longer, and

S-13

(II) the "AA" Composite Commercial Paper Rate on such Auction Date for

such Special Dividend Period of such series, if such Special Dividend Period is less than one year, or the Treasury Rate on such Auction Date for such Special Dividend Period, if such Special Dividend Period is one year or longer and (y) the Applicable Percentage on such Auction Date; or

(ii) in the case of any Auction Date which is the Auction Date immediately prior to the first day of any proposed Special Dividend Period of more than 28 days, the product of (1) the highest of (x) the "AA" Composite Commercial Paper Rate on such Auction Date for the then-ending Rate Period of such series, if such Rate Period is less than one year, or the Treasury Rate on such Auction Date for such Rate Period, if such Rate Period is one year or longer, (y) the "AA" Composite Commercial Paper Rate on such Auction Date for the Special Dividend Period of such series for which the Auction is being held if such Special Dividend Period is less than one year or the Treasury Rate on such Auction Date for the Special Dividend Period for which the Auction is being held if such Special Dividend Period is one year or longer, and (z) the "AA" Composite Commercial Paper Rate on such Auction Date for a Minimum Dividend Period and (2) the Applicable Percentage on such Auction Date.

The applicable "AA" Composite Commercial Paper Rates and Treasury Rates will be the rates announced on such Auction Date for the Business Day immediately prior to such Auction Date.

The "Applicable Percentage" will be a percentage, determined as set forth below, based on the prevailing rating of the APS in effect at the close of business on the Business Day next preceding such Auction Date:

PREVAILING RATING -----	APPLICABLE PERCENTAGE -----
"aa3"/AA- or higher.....	110%
"a3"/A-.....	125%
"baa3"/BBB-.....	150%
"ba3"/BB-.....	200%
Below "ba3"/BB-.....	250%

provided, however, that in the event the Fund has notified the Auction Agent of its intent to allocate income that is taxable for federal income tax purposes to the APS prior to any Auction, for purposes of determining the Maximum Rate with respect to such Auction the Applicable Percentage in the foregoing table shall be divided by the quantity 1 minus the maximum marginal regular federal individual income tax rate applicable to ordinary income or the maximum marginal regular federal corporate income tax rate, whichever is greater; provided, however, that the Applicable Percentage shall be divided in the foregoing manner only to the extent that the portion of the dividend on the APS for such Rate Period that represents the allocation of taxable income to the APS. If the APS are rated by only one rating agency, such rating will be the prevailing rating. If the ratings for the APS are split between two of the foregoing categories, the lower rating will determine the prevailing rating.

If an Auction for any Dividend Period of any series of APS is not held for any reason or if the Fund fails to pay in a timely manner to the Auction Agent the full amount of any dividend on, or Redemption Price of, shares of any series

of APS and such failure has not been cured as set forth below prior to any succeeding Dividend Period thereof, then, subject to the next paragraph, the dividend rate on the shares of such series for any such Dividend Period will be the Maximum Rate for such series on the Auction Date for such Dividend Period.

If the Fund fails to pay in a timely manner to the Auction Agent the full amount of any dividend on, or the Redemption Price of, any shares of any series of APS during any Rate Period thereof (other than any Special Dividend Period consisting of four or more Dividend Periods or any Rate Period succeeding any Special Dividend Period consisting of four or more Dividend Periods during which such a failure occurred that has not been cured), and, prior to 12:00 Noon on the third Business Day next succeeding the date on which such failure occurred, such failure shall not have been cured or the Fund shall not have paid a late charge, then Auctions for such series will be suspended until such failure is so cured and the dividend rate for such shares of APS for each Dividend Period thereof commencing after such failure to and including the Dividend Period, if any, during which such failure is so cured shall be a rate per annum equal to the Maximum Rate on the Auction Date for each such Dividend Period (but with the prevailing rating for such shares, for purposes of determining such Maximum Rate, being deemed to be "Below "ba3"/BB-"). If the Fund fails to pay in a timely manner to the Auction Agent the full amount of any dividend on, or the Redemption Price of, any shares of any series of APS during a Special Dividend Period thereof consisting of four or more Dividend Periods, or during any Dividend Period thereof succeeding any Special Dividend Period consisting of four or more Dividend Periods during which such a failure occurred that has not been cured, and such failure shall not have been cured, then Auctions for such series will be suspended until such failure is so cured and the dividend rate for such shares of APS for each Dividend Period thereof commencing after such failure to and including the Dividend Period, if any, during which such failure is so cured shall be a rate per annum equal to the Maximum Rate on the Auction Date for each such Dividend Period (but with the prevailing rating for such shares, for purposes of determining such Maximum Rate, being deemed to be "Below "ba3"/BB-").

The Fund, at its option, may designate any succeeding Dividend Period of any series of APS as a Special Dividend Period which shall consist of such number of days or whole years as the Board of Trustees shall specify; provided, however, that such designation shall be effective only if (i) notice thereof shall have been given as provided in the APS Provisions, (ii) any failure to pay in a timely manner to the Auction Agent the full amount of any dividend on, or the Redemption Price of, shares of such series of APS shall have been cured (iii) Sufficient Clearing Bids for such series shall have existed in an Auction held on the Auction Date immediately preceding the first day of such proposed Special Dividend Period, (iv) if the Fund shall have mailed a notice of redemption with respect to any shares of such series, the Redemption Price with respect to such shares shall have been deposited with the Auction Agent, and (v) in the event the Fund wishes to designate any succeeding Dividend Period for such series as a Special Dividend Period consisting of more than 28 days, the Fund has received written confirmation from S&P (if S&P is then rating the APS) and Moody's (if Moody's is then rating the APS) that such designation would not affect the rating then assigned by S&P to such series.

S-15

If the Fund retroactively allocates any net capital gains or other income taxable for federal income tax purposes to the APS without having given advance notice thereof to the Auction Agent as described in the APS Provisions by reason of the fact that such allocation is made as a result of (i) the realization of net capital gains or other income taxable for federal income tax purposes, (ii) the redemption of all or a portion of the outstanding APS or (iii) the liquidation of the Fund (such allocation is referred to herein as a "Retroactive

Taxable Allocation"), the Fund will simultaneously, if practicable, with such allocation but in no event later than 270 days after the end of the Fund's taxable year in which a Retroactive Taxable Allocation is made, provide notice thereof to the Auction Agent and to each holder of APS (initially Cede & Co. as nominee of DTC) during such taxable year at such holder's address as the same appears or last appeared on the share books of the Fund. The Fund will, within 30 days after such notice is given to the Auction Agent, pay to the Auction Agent (who will then distribute to such holders of shares of APS), out of funds legally available therefor, an amount equal to the aggregate Additional Dividends (as defined below) with respect to all Retroactive Taxable Allocations made to such holders during the taxable year in question.

"Additional Dividends" means payment to a Holder of APS of an amount which, when taken together with the aggregate amount of Retroactive Taxable Allocations made to such Holder with respect to the taxable year in question, would cause such Holder's dividends in dollars (after federal income tax consequences as described below) from the aggregate of both the Retroactive Taxable Allocations and the Additional Dividends to be equal to the dollar amount of the dividends which would have been received by such Holder if the amount of the aggregate Retroactive Taxable Allocations would have been excludable from the gross income of such Holder. State taxes imposed on the Additional Dividends, however, may reduce the amount of after tax cash a holder would have had if there were no Retroactive Taxable Allocation. Such Additional Dividends shall be calculated (i) without consideration being given to the time value of money; (ii) assuming that no holder of APS is subject to the federal alternative minimum tax with respect to dividends received from the Fund; and (iii) assuming that each Retroactive Taxable Allocation would be taxable in the hands of each holder of APS at the maximum marginal regular federal individual income tax rate applicable to ordinary income or net capital gains, as applicable, or the maximum marginal regular federal corporate income tax rate, whichever is greater, in effect during the taxable year in question.

The Auctions. On each Auction Date for each series of APS (the Business Day prior to the beginning of each Rate Period for such series), each Existing Holder may submit Orders through a Broker-Dealer to the Auction Agent as follows:

Hold Order: indicating its desire to hold without regard to the Applicable Rate for the next Rate Period.
Bid: indicating its desire to sell if the Applicable Rate for the next Rate Period is less than the rate specified in such Bid.
Sell Order: indicating its desire to sell without regard to the Applicable Rate for the next Rate Period.

An Existing Holder may submit different types of Orders in an Auction with respect to shares of APS then held by such Existing Holder. An Existing Holder that offers to purchase additional shares of APS is, for purposes of such offer, treated as a Potential

S-16

Holder as described below. Bids of Existing Holders with rates higher than the Maximum Rate on the Auction Date will be treated as Sell Orders. A Hold Order will be deemed to have been submitted on behalf of an Existing Holder if an Order is not submitted on behalf of such Existing Holder for any reason, including the failure of a Broker-Dealer to submit such Existing Holder's Order to the Auction Agent.

Potential Holders of shares of any series of APS may submit Bids in which they will offer to purchase shares of such series of APS if the Applicable Rate for the next Rate Period is not less than the rate specified in such Bid. A Bid by a Potential Holder specifying a rate higher than the Maximum Rate will not be accepted.

In normal circumstances, whenever the Fund intends to include any net capital gains or other income that is taxable for federal income tax purposes in any dividend on shares of any series of APS, the Fund will notify the Auction Agent of the amount to be so included 15 days prior to the Auction Date on which the Applicable Rate for such dividend is to be established. Whenever the Auction Agent receives such notice from the Fund, it will in turn notify each Broker-Dealer, who, on or prior to such Auction Date, in accordance with its Broker Dealer Agreement, will notify its Existing Holders and Potential Holders believed by it to be interested in submitting an Order in the Auction to be held on such Auction Date.

If Sufficient Clearing Bids exist (that is, the number of shares of a particular series of APS subject to Bids by Potential Holders with rates equal to or lower than the Maximum Rate is at least equal to the number of shares of such series of APS subject to Sell Orders by Existing Holders), the Applicable Rate for such series will be the lowest rate specified in the Submitted Bids which, taking into account such rate and all lower rates bid by Existing Holders and Potential Holders, would result in Existing Holders and Potential Holders owning all the shares of such series of APS available for purchase in the Auction. If Sufficient Clearing Bids do not exist, the Applicable Rate will be the Maximum Rate on the Auction Date, and, in such event, Existing Holders that have submitted Sell Orders may not be able to sell in such Auction all shares of such series of APS subject to such Sell Orders. If all Existing Holders of shares of such series of APS submit or are deemed to have submitted Hold Orders, the Applicable Rate will be the product of (i) (I) the "AA" Composite Commercial Paper Rate on such Auction Date for the Rate Period for which the Auction is held, if such Rate Period is less than one year or (2) the Treasury Rate on such Auction Date for such Rate Period, if such Rate Period is one year or longer and (ii) 1 minus the maximum marginal regular federal individual income tax rate applicable to ordinary income or the maximum marginal regular federal corporate income tax rate, whichever is greater; provided, however, that if the Fund has notified the Auction Agent of its intent to allocate to the APS in such Rate Period any net capital gains or other income that is taxable for federal income tax purposes, the Applicable Rate in respect of that portion of the dividend on the APS for such Rate Period that represents the allocation of net capital gains or other income taxable for Federal income tax purposes will be the rate described in the preceding clause (i) (1) or (2), as applicable, without being multiplied by the factor set forth in the preceding clause (ii).

The Auction Procedures include a pro rata allocation of shares for purchase and sale, which may result in an Existing Holder continuing to hold or selling, or a Potential Holder purchasing, a number of shares of APS that is fewer than the number of shares of APS specified in its Order.

S-17

A Bid placed by an Existing Holder specifying a rate greater than the Applicable Rate determined in the Auction or a Sell Order shall constitute an irrevocable offer to sell the shares of such series of APS subject thereto, in each case at a price per share equal to \$25,000. A Bid placed by a Potential Holder shall constitute an irrevocable offer to purchase the shares of such series of APS subject thereto at a price per share equal to \$25,000 if the rate specified in such Bid is less than or equal to the Applicable Rate determined in the Auction. Settlement of purchases and sales will be made on the next Business

Day (also a Dividend Payment Date) after the Auction Date through the Securities Depository. Purchasers will make payment through their Agent Members in same-day funds to the Securities Depository against delivery to their respective Agent Members. The Securities Depository will make payment to the sellers' Agent Members in accordance with the Securities Depository's normal procedures, which now provide for payment against delivery by their Agent Members in same-day funds.

Asset Maintenance. Under the APS Provisions, the Fund must maintain (i) assets having in the aggregate a Discounted Value at least equal to the APS Basic Maintenance Amount, and (ii) 1940 Act APS Asset Coverage of at least 200%. The Discount Factors and guidelines for calculating the Discounted Value of the Fund's portfolio for purposes of determining whether the APS Basic Maintenance Amount has been satisfied have been established by Moody's and S&P in connection with the Fund's receipt of ratings on the shares of each series of APS on their Date of Original Issue of "aaa" from Moody's and AAA from S&P. So long as any of the APS are Outstanding and S&P is rating the APS, the Fund will be required under the APS Provisions to maintain as of each Valuation Date certain Dividend Coverage Assets with a value not less than the Dividend Coverage Amount (the "Minimum Liquidity Level").

Mandatory Redemption. If the APS Basic Maintenance Amount or the 1940 Act APS Asset Coverage is not maintained or restored as specified, the APS will be subject to mandatory redemption on a date specified by the Board of Trustees, out of funds legally available therefor, at the redemption price of \$25,000 per share plus an amount equal to accumulated but unpaid dividends thereon (whether or not earned or declared) to the date fixed for redemption. Any such redemption will be limited to the number of APS necessary to restore the APS Basic Maintenance Amount or the 1940 Act APS Asset Coverage, as the case may be.

Optional Redemption. Except as described in the APS Provisions, shares of each series of APS are redeemable, in whole or in part, at the option of the Fund, on the next succeeding scheduled Dividend Payment Date applicable to the shares of such series of APS called for redemption, out of funds legally available therefor, at the Optional Redemption Price of \$25,000 per share plus (in the case of a Special Dividend Period only) a premium, if any, resulting from the designation of a Premium Call Period, plus an amount equal to dividends thereon (whether or not earned or declared) accumulated but unpaid to the date fixed for redemption; provided that during a Special Dividend Period of 365 days or more no share of such series of APS will be subject to optional redemption during any Non-Call Period to which such series of APS may be subject.

Liquidation Preference. The liquidation preference of the shares of each series of APS is \$25,000 per share plus accumulated but unpaid dividends, if any, thereon (whether or not earned or declared).

S-18

Voting Rights. The 1940 Act requires that the holders of APS, voting as a separate class, have the right to elect at least two Trustees at all times and to elect a majority of the Trustees at any time that two years' dividends on the APS are unpaid. The holders of APS will vote as a separate class or classes on certain other matters as required under the APS Provisions, the 1940 Act and Massachusetts law. In addition, each series of APS may vote as a separate series under certain circumstances.

Master Purchaser's Letter. Each prospective purchaser of shares of any series of APS or its Broker-Dealer will be required to sign and deliver a Master Purchaser's Letter to the Auction Agent in which such prospective purchaser or its Broker-Dealer will agree, among other things, that (i) dispositions of shares of such series of APS may be made only pursuant to a Bid or a Sell Order

placed in an Auction, or to or through a Broker-Dealer or to a person that has delivered a signed Master Purchaser's Letter to the Auction Agent, provided that in the case of all transfers other than those pursuant to Auctions, the Existing Holder of the shares so transferred, its Agent Member or its Broker-Dealer advises the Auction Agent of such transfer, and (ii) ownership of shares of such series of APS will be maintained in book entry form by the Securities Depository for the account of such prospective purchaser's Agent Member, which in turn will maintain records of such prospective purchaser's beneficial ownership.

Each prospective purchaser should ask its Broker-Dealer whether such prospective purchaser should sign a Master Purchaser's Letter. If the Broker-Dealer submits Orders for such prospective purchaser listing the Broker-Dealer as the Existing Holder or the Potential Holder, a Master Purchaser's Letter signed by such prospective purchaser may not be required.

Execution by a prospective purchaser or its Broker-Dealer of a Master Purchaser's Letter is not a commitment to purchase shares of APS in the offering being made by this Prospectus or in any Auction, but is a condition precedent to such purchaser's purchasing shares of APS. In addition, acceptance of a Master Purchaser's Letter is not a guarantee that shares of APS will be available for purchase.

The Broker-Dealers may maintain a secondary trading market in the APS outside of Auctions. They have no obligation to do so, however, and there can be no assurance that a secondary market for the APS will develop or, if it does develop, that it will provide holders with liquidity of investment. The APS will not be registered on any stock exchange or on the National Association of Securities Dealers Automated Quotations system.

Rating Agency Guidelines. The Fund intends that, so long as shares of any series of APS are Outstanding, the composition of its portfolio will reflect guidelines established by Moody's and S&P in connection with the Fund's receipt on the Date of Original Issue of the shares of each series of APS of ratings of "aaa" from Moody's and AAA from S&P. Moody's and S&P, nationally recognized independent rating agencies, issue ratings for various securities reflecting their perceived creditworthiness of such securities. The Fund will pay certain fees to Moody's and S&P for rating shares of the APS. The guidelines have been developed by Moody's and S&P in connection with other issuances of asset-backed and similar securities, including debt obligations and adjustable rate preferred stock, generally on a case-by-case basis through discussions with the issuers of these securities. The guidelines are designed to ensure that assets underlying outstanding debt or preferred stock will be sufficiently varied and will be of sufficient quality and amount to

S-19

justify investment grade ratings. The guidelines do not have the force of law, but have been adopted by the Fund in order to satisfy current requirements necessary for Moody's and S&P to issue the above-described ratings for shares of each series of APS, which ratings are generally relied upon by institutional investors in purchasing such securities. In the context of a closed-end investment company such as the Fund, therefore, the guidelines provide a set of tests for portfolio composition and asset coverage that supplement (and in some cases are more restrictive than) the applicable requirements under the 1940 Act. A rating agency's guidelines will apply to shares of any series of APS only so long as such rating agency is rating such shares.

The Fund intends to maintain a Discounted Value for its portfolio at least equal to the APS Basic Maintenance Amount and, in addition, so long as S&P is rating the shares of any series of APS, the Fund intends to maintain a Minimum Liquidity Level. Moody's and S&P have each established separate guidelines for

determining Discounted Value. To the extent any particular portfolio holding does not satisfy the applicable rating agency's guidelines, all or a portion of such holding's value will not be included in the calculation of Discounted Value (as defined by such rating agency). The Moody's and S&P guidelines do not impose any limitations on the percentage of Fund assets that may be invested in holdings not eligible for inclusion in the calculation of the Discounted Value of the Fund's portfolio. The amount of such assets included in the portfolio at any time may vary depending upon the rating, diversification and other characteristics of the Eligible Assets included in the portfolio, although it is not anticipated that in the normal course of business the value of such assets would exceed 20% of the Fund's total assets.

In managing the Fund's portfolio, the Adviser will not alter the composition of the Fund's portfolio if, in the reasonable belief of the Adviser, the effect of any such alteration would be to cause the Fund to have Eligible Assets with an aggregate Discounted Value, as of the immediately preceding Valuation Date, less than the APS Basic Maintenance Amount as of such Valuation Date; provided, however, that in the event that, as of the immediately preceding Valuation Date, the aggregate Discounted Value of the Fund's Eligible Assets exceeded the APS Basic Maintenance Amount by five percent or less, the Adviser will not alter the composition of the Fund's portfolio in a manner reasonably expected to reduce the aggregate Discounted Value of the Fund's Eligible Assets unless the Fund shall have confirmed that, after giving effect to such alteration, the aggregate Discounted Value of the Fund's Eligible Assets would exceed the APS Basic Maintenance Amount.

Upon any failure to maintain the required Discounted Value, the Fund will seek to alter the composition of its portfolio to reattain the APS Basic Maintenance Amount on or prior to the APS Basic Maintenance Cure Date, thereby incurring additional transaction costs and possible losses and/or gains on dispositions of portfolio securities. To the extent any such failure is not cured in a timely manner, shares of each series of APS will be subject to redemption if either Moody's or S&P is rating such shares.

The Fund may, but is not required to, adopt any modifications to these guidelines that may hereafter be established by Moody's and S&P. Failure to adopt any such modifications, however, may result in a change in the ratings described above or a withdrawal of ratings altogether. In addition, any rating agency providing a rating for the shares of any series of APS may, at any time, change or withdraw any such rating. As set forth in the APS Provisions, the Board of Trustees may, without Shareholder approval,

S-20

modify certain definitions or policies which have been adopted by the Fund pursuant to the rating agency guidelines, provided the Board of Trustees has obtained written confirmation from Moody's and S&P, as appropriate, that any such change would not impair the ratings then assigned by Moody's and S&P to any series of APS. A rating agency's guidelines will apply to shares of any series of APS only so long as such rating agency is rating such shares.

The ratings on any series of the APS are not recommendations to purchase, hold or sell shares of any series of APS, inasmuch as the ratings do not comment as to market price or suitability for a particular investor nor do the rating agency guidelines described above address the likelihood that a holder of shares of any series of APS will be able to sell such shares in an Auction. The ratings are based on current information furnished to Moody's and S&P by the Fund and the Adviser, and information obtained from other sources. The ratings may be changed, suspended or withdrawn as a result of changes in, or the unavailability of, such information. The Fund's Common Shares have not been rated by a nationally recognized statistical rating organization.

1. Representations and Warranties of the Acquiring Fund.

The Acquiring Fund represents and warrants to, and agrees with, the Target Fund that:

- (a) The Acquiring Fund is a trust, with transferable shares, duly organized, validly existing and in good standing in conformity with the laws of its jurisdiction of organization, and has the power to own all of its assets and to carry out this Agreement. The Acquiring Fund has all necessary federal, state and local authorizations to carry on its business as it is now being conducted and to carry out this Agreement.
- (b) The Acquiring Fund is duly registered under the 1940 Act of 1940, as amended (the "1940 Act") as a diversified, closed-end management investment company and such registration has not been revoked or rescinded and is in full force and effect. The Acquiring Fund has elected and qualified for the special tax treatment afforded regulated investment companies ("RICs") under Section 851 of the Internal Revenue Code (the "Code") at all times since its inception and intends to continue to so qualify until consummation of the reorganization contemplated hereby (the "Reorganization") and thereafter.
- (c) The Target Fund has been furnished with the Acquiring Fund's Annual Report to Shareholders for the fiscal year ended October 31, 2004, and the audited financial statements appearing therein, having been audited by Deloitte & Touche, LLP, independent public auditors, fairly present the financial position of the Acquiring Fund as of the respective dates indicated, in conformity with accounting principles generally accepted in the United States applied on a consistent basis.
- (d) An unaudited statement of assets, liabilities and capital of the Acquiring Fund and an unaudited schedule of investments of the Acquiring Fund, each as of the Valuation Time (as defined in Section 5(d) of this Agreement), will be furnished to the Target Fund, at or prior to the Closing Date for the purpose of determining the number of Acquiring Fund Common Shares, and Auction Preferred Shares ("Acquiring Fund APS") of the Acquiring Fund to be issued pursuant to Section 6 of this Agreement; each will fairly present the financial position of the Acquiring Fund as of the Valuation Time in conformity with generally accepted accounting principles applied on a consistent basis.

The execution, delivery and performance of this Agreement has been duly authorized by all necessary action of its Board of Trustees, and this Agreement constitutes a valid and binding contract enforceable in accordance with its terms, subject to the effects of bankruptcy, insolvency, moratorium, fraudulent conveyance and similar

A-1

laws relating to or affecting creditors' rights generally and court decisions with respect thereto.

- (f) There are no material legal, administrative or other proceedings pending or, to the knowledge of the Acquiring Fund, threatened against it which assert liability on the part of the Acquiring Fund or which materially affect its financial condition or its ability to consummate the Reorganization. The Acquiring Fund is not charged with or, to the best of its knowledge, threatened with any violation or investigation of any possible violation of any provisions of any federal, state or local law or regulation or administrative ruling relating to any aspect of its business.
- (g) The Acquiring Fund is not obligated under any provision of its Declaration of Trust, as amended, or its by-laws, as amended, or a party to any contract or other commitment or obligation, and is not subject to any order or decree which would be violated by its execution of or performance under this Agreement, except insofar as the Funds have mutually agreed to amend such contract or other commitment or obligation to cure any potential violation as a condition precedent to the Reorganization.

1934 Act and the 1940 Act and the rules and regulations thereunder and (ii) did not or will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; and the Proxy Statement and Prospectus included therein did not or will not contain any

A-2

untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the representations and warranties in this subsection only shall apply to statements in or omissions from the N-14 Registration Statement made in reliance upon and in conformity with information furnished by the Acquiring Fund for use in the N-14 Registration Statement as provided in Section 8(e) of this Agreement.

- (l) The Acquiring Fund is authorized to issue an unlimited number of common shares of beneficial interest, par value \$.01 per share, and 100,000,000 preferred shares of beneficial interest, par value \$.01 per share. - (n) At or prior to the Closing Date, the Acquiring Fund Common Shares to be transferred to the Target Fund for distribution to the shareholders of the Target Fund on the Closing Date will be duly qualified for offering to the public in all states of the United States in which the sale of shares of the Funds presently are qualified, and there will be a sufficient number of such shares registered under the 1933 Act and, as may be necessary, with each pertinent state securities commission to permit the transfers contemplated by this Agreement to be consummated.

All tax liabilities of the Acquiring Fund have been adequately provided for on its books, and no tax deficiency or liability of the Acquiring Fund has been asserted and no question with respect thereto has been raised by the Internal Revenue Service or by any

A-3

state or local tax authority for taxes in excess of those already paid, up to and including the taxable year in which the Closing Date occurs.

- (r) The Acquiring Fund has elected to qualify and has qualified as a RIC as of and since its inception; has been a RIC under the Internal Revenue Code at all times since the end of its first taxable year when it so qualified; qualifies and will continue to qualify as a RIC under the Internal Revenue Code; and has satisfied the distribution requirements imposed by the Internal Revenue Code for each of its taxable years.

2. Representations and Warranties of the Target Fund.

The Target Fund represents and warrants to, and agrees with, the Acquiring Fund that:

- (a) The Target Fund is a trust, with transferable shares, duly organized, validly existing and in good standing in conformity with the laws of the jurisdiction of its organization, and has the power to own all of its assets and to carry out this Agreement. The Target Fund has all necessary federal, state and local authorizations to carry on its business as it is now being conducted and to carry out this Agreement.
- (b) The Target Fund is duly registered under the 1940 Act as a diversified, closed-end management investment company (File No. 811-05230), and such registration has not been revoked or rescinded and is in full force and effect. - (d) The Target Fund has full power and authority to enter into and

perform its obligations under this Agreement. The execution, delivery and performance of this Agreement has been duly authorized by all necessary action of its Board of Trustees and this Agreement constitutes a valid and binding contract enforceable in accordance with its terms, subject to the effects of bankruptcy, insolvency, moratorium, fraudulent conveyance and similar laws relating to or affecting creditors' rights generally and court decisions with respect thereto.

- (e) The Acquiring Fund has been furnished with the Target Fund's Annual Report to Shareholders for the fiscal year ended June 30, 2004, and the audited financial statements appearing therein, having been audited by Deloitte & Touche LLP, independent public accountants, fairly present the financial position of the Target Fund as of the respective dates indicated, in conformity with accounting principles generally accepted in the United States applied on a consistent basis.
- (f) An unaudited statement of assets, liabilities and capital of the Target Fund and an unaudited schedule of investments of the Target Fund, each as of the Valuation Time, will be furnished to the Acquiring Fund at or prior to the Closing Date for the purpose of determining the number of shares of Acquiring Fund Common Shares and Acquiring Fund APS to be issued to the Target Fund pursuant to Section 3 of this Agreement; each

A-4

will fairly present the financial position of the Target Fund as of the Valuation Time in conformity with generally accepted accounting principles applied on a consistent basis.

- (g) There are no material legal, administrative or other proceedings pending or, to the knowledge of the Target Fund, threatened against it which assert liability on the part of the Target Fund or which materially affect its financial condition or its ability to consummate the Reorganization. The Target Fund is not charged with or, to the best of its knowledge, threatened with any violation or investigation of any possible violation of any provisions of any federal, state or local law or regulation or administrative ruling relating to any aspect of its business.
- (h) There are no material contracts outstanding to which the Target Fund is a party that have not been disclosed in the N-14 Registration Statement or will not otherwise be disclosed to the Acquiring Fund prior to the Valuation Time.

- (j) The Target Fund has no known liabilities of a material amount,

contingent or otherwise, other than those shown on its statements of assets, liabilities and capital referred to above, those incurred in the ordinary course of its business as an investment company since [], 2005 and those incurred in connection with the Reorganization. As of the Valuation Time, the Target Fund will advise the Acquiring Fund in writing of all known liabilities, contingent or otherwise, whether or not incurred in the ordinary course of business, existing or accrued as of such time.

- (k) The Target Fund has filed, or intends to file, or has obtained extensions to file, all federal, state and local tax returns which are required to be filed by it, and has paid or has obtained extensions to pay, all federal, state and local taxes shown on said returns to be due and owing and all assessments received by it, up to and including the taxable year in which the Closing Date occurs. All tax liabilities of the Target Fund have been adequately provided for on its books, and no tax deficiency or liability of the Target Fund has been asserted and no question with respect thereto has been raised by the Internal Revenue Service or by any state or local tax authority for taxes in excess of those already paid, up to and including the taxable year in which the Closing Date occurs.
- (l) At both the Valuation Time and the Closing Date, the Target Fund will have full right, power and authority to sell, assign, transfer and deliver the Target Fund Investments. At the Closing Date, subject only to the obligation to deliver the Target Fund Investments as contemplated by this Agreement, the Target Fund will have good and marketable title to all of the Target Fund Investments, and the Acquiring Fund will acquire all of the Target Fund Investments free and clear of any encumbrances, liens or security interests and without any restrictions upon the transfer thereof (except those imposed by the federal or state securities laws and those imperfections of title or encumbrances as do not materially detract from the value or use of the Target Fund Investments or materially affect title thereto).

A-5

- (m) No consent, approval, authorization or order of any court or governmental authority is required for the consummation by the Target Fund of the Reorganization, except such as may be required under the 1933 Act, the 1934 Act, the 1940 Act or state securities laws.
- (n) The N-14 Registration Statement, on its effective date, at the time of the shareholders' meetings referred to in Section 5(a) of this Agreement and on the Closing Date, insofar as it relates to the Target Fund (i) complied or will comply in all material respects with the provisions of the 1933 Act, the 1934 Act and the 1940 Act and the rules and regulations thereunder, and (ii) did not or will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; and the Proxy Statement and Prospectus included therein did not or will not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the

light of the circumstances under which they were made, not misleading; provided, however, that the representations and warranties in this subsection shall apply only to statements in or omissions from the N-14 Registration Statement made in reliance upon and in conformity with information furnished by the Target Fund for use in the N-14 Registration Statement as provided in Section 5(e) of this Agreement.

- (o) The Target Fund is authorized to issue an unlimited number of common shares of beneficial interest, par value \$.01 per share, and 1,000,000 preferred shares of beneficial interest, par value \$.01 per share. The Board of Trustees of the Target Fund has designated 330 preferred shares as Rate Adjusted Tax-Exempt Shares ("Target Fund RATES") (the Target Fund RATES and the Acquiring Fund APS are sometimes referred to herein collectively as "Preferred Shares"). Each outstanding common share of beneficial interest and each outstanding Rate Adjusted Tax-Exempt Share of the Target Fund is fully paid and nonassessable and has full voting rights.
- (p) All of the issued and outstanding Target Fund Common Shares and Target Fund RATES were offered for sale and sold in conformity with all applicable federal and state securities laws.
- (q) The books and records of the Target Fund made available to the Acquiring Fund and/or its counsel are substantially true and correct and contain no material misstatements or omissions with respect to the operations of the Target Fund.
- (r) The Target Fund will not sell or otherwise dispose of any of the Acquiring Fund Common Shares or Acquiring Fund APS to be received in the Reorganization, except in distribution to the shareholders of the Target Fund, as provided in Section 3 of this Agreement.
- (s) The Target Fund has elected to qualify and has qualified as "regulated investment company" under the Internal Revenue Code (a "RIC") as of and since its inception; has been a RIC under the Internal Revenue Code at all times since the end of its first taxable year when it so qualified; qualifies and will continue to qualify as a RIC under the Internal Revenue Code for its taxable year ending upon its liquidation; and has satisfied the distribution requirements imposed by the Internal Revenue Code for each of its taxable years.

3. The Reorganization.

A-6

- (a) Subject to receiving the requisite approvals of the shareholders of the Target Fund, and to the other terms and conditions contained herein, (i) the Target Fund agrees to convey, transfer and deliver to the Acquiring Fund and the Acquiring Fund agrees to acquire from the Target Fund, on the Closing Date, all of the Target Fund Investments (including interest accrued as of the Valuation Time on debt instruments), and assume substantially all of the liabilities of the Target Fund, in exchange solely for that number of

Acquiring Fund Common Shares and Acquiring Fund RATES provided in Section 4 of this Agreement; Pursuant to this Agreement, as soon as practicable after the Closing Date, the Target Fund will distribute all Acquiring Fund Common Shares and Acquiring Fund APS received by it to its shareholders in exchange for their Target Fund Common Shares and Target Fund RATES. Such distributions shall be accomplished by the opening of shareholder accounts on the share ledger records of the Acquiring Fund in the amounts due the shareholders of the Target Fund based on their respective holdings in the Target Fund as of the Valuation Time.

- (b) If it is determined that the portfolios of the Target Fund and the Acquiring Fund, when aggregated, would contain investments exceeding certain percentage limitations imposed upon the Acquiring Fund with respect to such investments, the Target Fund, if requested by the Acquiring Fund, will dispose of a sufficient amount of such investments as may be necessary to avoid violating such limitations as of the Closing Date. Notwithstanding the foregoing, (a) nothing herein will require the Target Fund to dispose of any portfolios, securities or other investments, if, in the reasonable judgment of the Target Fund's trustees or investment adviser, such disposition would adversely affect the tax-free nature of the Reorganization for federal income tax purposes or would otherwise not be in the best interests of the Target Fund and (b) nothing will permit the Target Fund to dispose of any portfolio securities or other investments if, in the reasonable judgment of the Acquiring Fund's trustees or investment adviser, such disposition would adversely affect the tax-free nature of the Reorganization for federal income tax purposes or would otherwise not be in the best interests of the Target Fund.
- (c) Prior to the Closing Date, the Target Fund shall declare a dividend or dividends which, together with all such previous dividends, shall have the effect of distributing to their respective shareholders all of their respective net investment company taxable income to and including the Closing Date, if any (computed without regard to any deduction for dividends paid), and all of its net capital gain, if any, realized to and including the Closing Date. In this regard and in connection with the Reorganization, the last dividend period for the Target Fund RATES prior to the Closing Date may be shorter than the dividend period for such Target Fund RATES determined as set forth in the applicable Certificate of Vote pertaining to such Target Fund RATES.
- (d) The Target Fund will pay or cause to be paid to the Acquiring Fund any interest the Target Fund receives on or after the Closing Date with respect to any of the Target Fund Investments transferred to the Acquiring Fund hereunder.
- (e) The Valuation Time shall be 4:00 p.m., Eastern time, on [], 2005, or such earlier or later day and time as may be mutually agreed upon in writing (the "Valuation Time").
- (e) Recourse for liabilities assumed from the Target Fund by the Acquiring Fund in the Reorganization will be limited to the net assets acquired by the Acquiring Fund. The known liabilities of the Target Fund, as of the Valuation Time, shall be confirmed to the Acquiring Fund pursuant to Section

2(j) of this Agreement.

A-7

- (f) The Target Fund will be terminated following the Closing Date by terminating its registration under the 1940 Act and its organization under Massachusetts law and will withdraw its authority to do business in any state where it is required to do so.
- (g) The Acquiring Fund will file with the Secretary of State of The Commonwealth of Massachusetts, as required, any amendment to its Certificate of Vote establishing the powers, rights and preferences of the Acquiring Fund APS prior to the closing of the Reorganization.

4. Issuance and Valuation of Acquiring Fund Common Shares and APS in the Reorganization.

Acquiring Fund Common Shares and Acquiring Fund APS of an aggregate net asset value or liquidation preference, as the case may be, equal to the value of the assets of the Target Fund acquired in the Reorganization determined as hereinafter provided, reduced by the amount of liabilities of the Target Fund assumed by the Acquiring Fund in the Reorganization, shall be issued by the Acquiring Fund to the Target Fund in exchange for such assets of the Target Fund, plus cash in lieu of fractional shares. The Acquiring Fund will issue to the Target Fund (i) a number of Acquiring Fund Common Shares, the aggregate net asset value of which will equal the aggregate net asset value of the Target Fund Common Shares, determined as set forth below, and (ii) a number of Acquiring Fund APS, the aggregate liquidation preference and value of which will equal the aggregate liquidation preference and value of the Target Fund RATES, determined as set forth below.

The net asset value of each of the Funds and the liquidation preference and value of the Preferred Shares of each of the Funds shall be determined as of the Valuation Time in accordance with the procedures described in (i) the prospectus of the Acquiring Fund, dated January 24, 1992, relating to the Acquiring Fund Common Shares and (ii) the prospectus of the Acquiring Fund, dated August 19, 1988, relating to the Acquiring Fund APS, and no formula will be used to adjust the net asset value so determined of any Fund to take into account differences in realized and unrealized gains and losses. Values in all cases shall be determined as of the Valuation Time. The value of the Target Fund Investments to be transferred to the Acquiring Fund shall be determined by the Acquiring Fund pursuant to the procedures utilized by the Acquiring Fund in valuing its own assets and determining its own liabilities for purposes of the Reorganization.

Such valuation and determination shall be made by the Acquiring Fund in cooperation with the Target Fund and shall be confirmed in writing by the Acquiring Fund to the Target Fund. The net asset value per share of the Acquiring Fund Common Shares and the liquidation preference and value per share of the Acquiring Fund APS shall be determined in accordance with such procedures and the Acquiring Fund shall certify the computations involved. For purposes of determining the net asset value of a Common Share of each Fund, the value of the securities held by the Fund plus any cash or other assets (including interest accrued but not yet received) minus all liabilities (including accrued expenses) and the aggregate liquidation value of the outstanding shares of Preferred Shares of that Fund is divided by the total number of Common Shares of that Fund outstanding at such time.

The Acquiring Fund shall issue to the Target Fund separate certificates or share deposit receipts for the Acquiring Fund Common Shares and the Acquiring Fund APS, each registered in the name of the Target Fund. The Target Fund shall then distribute the Acquiring Fund Common Shares and the Acquiring Fund APS to the holders of Target Fund Common Shares and Target Fund RATES by redelivering the certificates or share deposit receipts evidencing ownership of (i) the Acquiring Fund Common Shares to State Street Bank and Trust Company, as the transfer agent and registrar for the Acquiring Fund Common Shares for distribution to the holders of Target Fund Common Shares on the basis of such holder's proportionate interest in the aggregate net asset value of the Common Shares of the

A-8

Target Fund and (ii) the Acquiring Fund APS to Bankers Trust Company, as the transfer agent and registrar for the Acquiring Fund APS for distribution to the holders of Target Fund RATES on the basis of such holder's proportionate interest in the aggregate liquidation preference and value of the APS of the Target Fund. With respect to any Target Fund shareholder holding certificates evidencing ownership of Target Fund Common Shares as of the Closing Date, and subject to the Acquiring Fund being informed thereof in writing by the Target Fund, the Acquiring Fund will not permit such shareholder to receive new certificates evidencing ownership of the Acquiring Fund Common Shares or Acquiring Fund APS, exchange Acquiring Fund Common Shares or Acquiring Fund APS credited to such shareholder's account for shares of other investment companies managed by the Adviser or any of its affiliates, or pledge or redeem such Acquiring Fund Common Shares or Acquiring Fund APS, in any case, until notified by the Target Fund or its agent that such shareholder has surrendered his or her outstanding certificates evidencing ownership of Target Fund Common Shares or Target Fund RATES or, in the event of lost certificates, posted adequate bond. The Target Fund, at its own expense, will request its shareholders to surrender their outstanding certificates evidencing ownership of Target Fund Common Shares or Target Fund RATES, as the case may be, or post adequate bond therefor.

No fractional shares of Acquiring Fund Common Shares will be issued to holders of Target Fund Common Shares. In lieu thereof, the Acquiring Funds transfer agent, State Street Bank and Trust Company, will aggregate all fractional shares of Acquiring Fund Common Shares and sell the resulting full shares on the New York Stock Exchange at the current market price for Acquiring Fund Common Shares for the account of all holders of fractional interests, and each such holder will receive such holder's pro rata share of the proceeds of such sale upon surrender of such holder's certificates representing Acquiring Fund Common Shares.

5. Payment of Expenses.

- (a) With respect to expenses incurred in connection with the Reorganization, the Target Fund and the Acquiring Fund will share, in proportion to their respective projected declines in total operating expenses, all expenses incurred in connection with the Reorganization, including, but not limited to, all costs related to the preparation and distribution of materials distributed to each Fund's Board of Trustees, expenses incurred in connection with the preparation of the Agreement and Plan of Reorganization, a registration statement on Form N-14, SEC and state securities commission filing fees and legal and audit fees in connection with the Reorganization, costs of printing and distributing this Proxy Statement and Prospectus, legal fees incurred preparing each Fund's board materials, attending each Fund's board meetings and preparing

the minutes, auditing fees associated with each Fund's financial statements, stock exchange fees, rating agency fees, portfolio transfer taxes (if any) and any similar expenses incurred in connection with the Reorganization.

- (b) If for any reason the Reorganization is not consummated, no party shall be liable to any other party for any damages resulting therefrom, including, without limitation, consequential damages.

6. Covenants of the Funds.

- (a) Each Fund covenants to operate its business as presently conducted between the date hereof and the Closing Date.
- (b) The Target Fund agrees that following the consummation of the Reorganization, it will terminate in accordance with the laws of The Commonwealth of Massachusetts and any

A-9

other applicable law, it will not make any distributions of any Acquiring Fund Common Shares or Acquiring Fund APS other than to its respective shareholders and without first paying or adequately providing for the payment of all of its respective liabilities not assumed by the Acquiring Fund, if any, and on and after the Closing Date it shall not conduct any business except in connection with its termination.

- (c) The Target Fund undertakes that if the Reorganization is consummated, it will file an application pursuant to Section 8(f) of the 1940 Act for an order declaring that the Target Fund has ceased to be a registered investment company.
- (d) The Acquiring Fund will file the N-14 Registration Statement with the Securities and Exchange Commission (the "Commission") and will use its best efforts to provide that the N-14 Registration Statement becomes effective as promptly as practicable. Each Fund agrees to cooperate fully with the other, and each will furnish to the other the information relating to itself to be set forth in the N-14 Registration Statement as required by the 1933 Act, the 1934 Act the 1940 Act, and the rules and regulations thereunder and the state securities laws.
- (e) The Acquiring Fund has no plan or intention to sell or otherwise dispose of the Target Fund Investments, except for dispositions made in the ordinary course of business.
- (f) Each of the Funds agrees that by the Closing Date all of its federal and other tax returns and reports required to be filed on or before such date shall have been filed and all taxes shown as due on said returns either have been paid or adequate liability reserves have been provided for the payment of such taxes.

The intention of the parties is that the transaction contemplated by this Agreement will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Neither the Acquiring Fund nor the Target Fund shall take any action or cause any action to be taken (including, without

limitation, the filing of any tax return) that is inconsistent with such treatment or results in the failure of the transaction to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. At or prior to the Closing Date, the Acquiring Fund and the Target Fund will take such action, or cause such action to be taken, as is reasonably necessary to enable Skadden, Arps, Slate, Meagher & Flom LLP, special counsel to the Funds, to render the tax opinion required herein (including, without limitation, each party's execution of representations reasonably requested by and addressed to Skadden, Arps, Slate, Meagher & Flom LLP).

In connection with this covenant, the Funds agree to cooperate with each other in filing any tax return, amended return or claim for refund, determining a liability for taxes or a right to a refund of taxes or participating in or conducting any audit or other proceeding in respect of taxes. The Acquiring Fund agrees to retain for a period of ten (10) years following the Closing Date all returns, schedules and work papers and all material records or other documents relating to tax matters of the Target Fund for each of such Fund's taxable period first ending after the Closing Date and for all prior taxable periods.

After the Closing Date, the Target Fund shall prepare, or cause its agents to prepare, any federal, state or local tax returns required to be filed by such fund with respect to its final taxable year ending with its complete liquidation and for any prior periods or taxable years and further shall cause such tax returns to be duly filed with the appropriate taxing authorities. Notwithstanding the aforementioned provisions of this subsection, any expenses incurred by the Target Fund (other than for payment of taxes) in connection with the preparation and filing of said tax returns after the Closing Date shall be borne by such Fund to

A-10

the extent such expenses have been accrued by such Fund in the ordinary course without regard to the Reorganization; any excess expenses shall be borne by Van Kampen or an affiliate thereof.

- (g) The Target Fund agrees to mail to its shareholders of record entitled to vote at the annual meeting of shareholders at which action is to be considered regarding this Agreement, in sufficient time to comply with requirements as to notice thereof, a combined proxy statement and prospectus which complies in all material respects with the applicable provisions of Section 14(a) of the 1934 Act and Section 20(a) of the 1940 Act, and the rules and regulations, respectively, thereunder. (h) Following the consummation of the Reorganization, the Acquiring Fund will stay in existence and continue its business as a diversified, closed-end management investment company registered under the 1940 Act.

7. Closing Date.

- (a) Delivery of the assets of the Target Fund to be transferred, together with any other Target Fund Investments, and the Acquiring Fund Common Shares and Acquiring Fund APS to be issued as provided in this Agreement, shall be made at such place and time as the Funds shall mutually agree on the next full business day following the Valuation Time, or at such other time and date agreed to by the Funds, the date and time upon which such delivery is to take place being referred to

herein as the "Closing Date." To the extent that any Target Fund Investments, for any reason, are not transferable on the Closing Date, the Target Fund shall cause such Target Fund Investments to be transferred to the Acquiring Fund's account with its custodian at the earliest practicable date thereafter.

- (b) The Target Fund will deliver to the Acquiring Fund on the Closing Date confirmation or other adequate evidence as to the tax basis of the Target Fund Investments delivered to the Acquiring Fund hereunder, certified by Deloitte & Touche LLP.
- (c) As soon as practicable after the close of business on the Closing Date, the Target Fund shall deliver to the Acquiring Fund a list of the names and addresses of all of the shareholders of record of the Target Fund on the Closing Date and the number of shares of Target Fund Common Shares and Target Fund RATES owned by each such shareholder, certified to the best of its knowledge and belief by the transfer agent for the Target Fund or by its President.

8. Conditions of the Target Fund.

The obligations of the Target Fund hereunder shall be subject to the following conditions:

- (a) That this Agreement shall have been adopted, and the Reorganization shall have been approved, by the affirmative vote of the Board of Trustees of the Target Fund and by the affirmative vote of the holders of (i) a majority of the outstanding Target Fund Common Shares and 66 2/3% of the outstanding Target Fund RATES, each voting separately as a class.
- (b) That the Target Fund shall have received from the Acquiring Fund a statement of assets, liabilities and capital, with values determined as provided in Section 4 of this Agreement, together with a schedule of such Fund's investments, all as of the Valuation Time, certified on the Target Fund's behalf by its President (or any Vice President) and its Treasurer, and a certificate signed by the Fund's President (or any Vice President) and its Treasurer, dated as of the Closing Date, certifying that as of the Valuation Time and as of

A-11

the Closing Date there has been no material adverse change in the financial position of the Target Fund since the date of such Fund's most recent Annual or Semi-Annual Report as applicable, other than changes in its portfolio securities since that date or changes in the market value of its portfolio securities.

- (c) That the Acquiring Fund shall have furnished to the Target Fund a certificate signed by the Acquiring Fund's President (or any Vice President) and its Treasurer, dated as of the Closing Date, certifying that, as of the Valuation Time and as of the Closing Date all representations and warranties of the

Acquiring Fund made in this Agreement are true and correct in all material respects with the same effect as if made at and as of such dates, and that the Acquiring Fund has complied with all of the agreements and satisfied all of the conditions on its part to be performed or satisfied at or prior to each of such dates.

- (d) That there shall not be any material litigation pending with respect to the matters contemplated by this Agreement.
- (e) The Target Fund shall have received the opinion(s) of Skadden, Arps, Slate, Meagher & Flom LLP, counsel for the Acquiring Fund, dated as of the Closing Date, addressed to the Target Fund substantially in the form and to the effect that:
 - (i) the Acquiring Fund is duly formed and validly existing under the laws of its state of organization;
 - (ii) the Acquiring Fund is registered as a closed-end, management investment company under the 1940 Act;
 - (iii) this Agreement and the reorganization provided for herein and the execution of this Agreement have been duly authorized and approved by all requisite action of Acquiring Fund and this Agreement has been duly executed and delivered by the Acquiring Fund and (assuming the Agreement is a valid and binding obligation of the other parties thereto) is a valid and binding obligation of the Acquiring Fund;
 - (iv) neither the execution or delivery by the Acquiring Fund of this Agreement nor the consummation by the Acquiring Fund of the transactions contemplated thereby violate any provision of any statute or any published regulation or any judgment or order disclosed to counsel by the Acquiring Fund as being applicable to the Acquiring Fund;
 - (v) the Acquiring Fund Common Shares and Acquiring Fund APS have each been duly authorized and, upon issuance thereof in accordance with this Agreement, each will be validly issued and fully paid; and
 - (vi) to their knowledge and subject to the qualifications set forth below, the execution and delivery by the Acquiring Fund of the Agreement and the consummation of the transactions therein contemplated do not require, under the laws of its state of organization or any state in which the Acquiring Fund is qualified to do business or the federal laws of the United States, the consent, approval, authorization, registration, qualification or order of, or filing with, any court or governmental agency or body (except such as have been obtained). Counsel need express no

A-12

opinion, however, as to any such consent, approval, authorization, registration, qualification, order or

filing

- (a) which may be required as a result of the involvement of other parties to the Agreement in the transactions contemplated by the Agreement because of their legal or regulatory status or because of any other facts specifically pertaining to them;
- (b) the absence of which does not deprive the Target Fund of any material benefit under the Agreement; or
- (c) which can be readily obtained without significant delay or expense to the Target Fund, without loss to the Target Fund of any material benefit under the Agreement and without any material adverse effect on the Target Fund during the period such consent, approval, authorization, registration, qualification or order was obtained. The foregoing opinion relates only to consents, approvals, authorizations, registrations, qualifications, orders or filings under (a) laws which are specifically referred to in this opinion, (b) laws of its state of organization or any state in which the Acquiring Fund is qualified to do business and the federal laws of the United States which, in counsel's experience, are normally applicable to transactions of the type provided for in the Agreement and (c) court orders and judgments disclosed to counsel by the Acquiring Fund in connection with the opinion. In addition, although counsel need not have specifically considered the possible applicability to the Acquiring Fund of any other laws, orders or judgments, nothing has come to their attention in connection with their representation of the Acquiring Fund in this transaction that has caused them to conclude that any other consent, approval, authorization, registration, qualification, order or filing is required.
- (d) The Target Fund shall have obtained an opinion from Skadden, Arps, dated as of the Closing Date, addressed to the Target Fund, that the consummation of the transactions set forth in this Agreement comply with the requirements of a reorganization as described in Section 368(a) of the Internal Revenue Code.
- (e) That all proceedings taken by each of the Funds and its counsel in connection with the Reorganization and all documents incidental thereto shall be satisfactory in form and substance to the others.

A-13

together with a schedule of investments with their respective dates of acquisition and tax costs, all as of the Valuation Time, certified on such Fund's behalf by its President (or any Vice President) and its Treasurer, and a certificate signed by such Fund's President (or any Vice President) and its Treasurer, dated as of the Closing Date, certifying that as of the Valuation Time and as of the Closing Date there has been no material adverse change in the financial position of the Target Fund since the date of such Fund's most recent Annual Report or Semi-Annual Report, as applicable, other than changes in the Target Fund Investments since that date or changes in the market value of the Target Fund Investments.

- (c) That the Target Fund shall have furnished to the Acquiring Fund a certificate signed by such Fund's President (or any Vice President) and its Treasurer, dated the Closing Date, certifying that as of the Valuation Time and as of the Closing Date all representations and warranties of the Target Fund made in this Agreement are true and correct in all material respects with the same effect as if made at and as of such dates and the Target Fund has complied with all of the agreements and satisfied all of the conditions on its part to be performed or satisfied at or prior to such dates.

- (e) That the Acquiring Fund shall have received the opinion of Skadden, Arps, counsel for the Target Fund, dated as of the Closing Date, addressed to the Acquiring Fund, substantially in the form and to the effect that:
 - (i) the Target Fund is duly formed and validly existing under the laws of its state of organization;
 - (ii) the Target Fund is registered as a closed-end, management investment company under the 1940 Act;
 - (iii) this Agreement and the reorganization provided for herein and the execution of this Agreement have been duly authorized by all requisite action of the Target Fund and this Agreement has been duly executed and delivered by the Target Fund and (assuming the Agreement is a valid and binding obligation of the other parties thereto) is a valid and binding obligation of the Target Fund;
 - (iv) neither the execution or delivery by the Target Fund of this Agreement nor the consummation by the Target Fund of the transactions contemplated thereby violate

any provision of any statute, or any published regulation or any judgment or order disclosed to them by the Target Fund as being applicable to the Target Fund; and

- (v) to their knowledge and subject to the qualifications set forth below, the execution and delivery by the Trust on behalf of the Target Fund of the Agreement and the consummation of the transactions therein contemplated do not require, under the laws of its state of organization or any state in which the Target Fund is qualified to do business, or the federal laws of the United States, the consent, approval, authorization, registration, qualification or order of, or filing with, any court or governmental agency or body (except such as have been obtained under the 1933 Act, 1934 Act, the 1940 Act or the rules and regulations thereunder.) Counsel

A-14

need express no opinion, however, as to any such consent, approval, authorization, registration, qualification, order or filing;

- (f) which may be required as a result of the involvement of other parties to the Agreement in the transactions contemplated by the Agreement because of their legal or regulatory status or because of any other facts specifically pertaining to them;
- (g) the absence of which does not deprive the Acquiring Fund of any material benefit under such agreements; or
- (h) which can be readily obtained without significant delay or expense to the Acquiring Fund, without loss to the Acquiring Fund of any material benefit under the Agreement and without any material adverse effect on them during the period such consent, approval, authorization, registration, qualification or order was obtained. The foregoing opinion relates only to consents, approvals, authorizations, registrations, qualifications, orders or filings under (a) laws which are specifically referred to in the opinion, (b) laws of its state of organization or any state in which the Target Fund is qualified to do business and the federal laws of the United States which, in our experience, are normally applicable to transactions of the type provided for in the Agreement and (c) court orders and judgments disclosed to them by the Target Fund in connection with the opinion. In addition, although counsel need not have specifically considered the possible applicability to the Target Fund of any other laws, orders or judgments, nothing has come to their attention in connection with their representation of the Target Fund in this transaction that has caused them to conclude that any other consent, approval, authorization, registration, qualification, order or filing is required.
- (i) That the Acquiring Fund shall have obtained an opinion from Skadden, Arps, counsel for the Target Fund, dated as of the Closing Date, addressed to the Acquiring Fund, that the consummation of the transactions set forth in this Agreement

comply with the requirements of a reorganization as described in Section 368(a) of the Internal Revenue Code.

- (j) That the N-14 Registration Statement shall have become effective under the 1933 Act and no stop order suspending such effectiveness shall have been instituted or, to the knowledge of any Acquired Fund, be contemplated by the SEC.
- (k) That all proceedings taken by the Target Fund and its counsel in connection with the Reorganization and all documents incidental thereto shall be satisfactory in form and substance to the Acquiring Fund.
- (l) That prior to the Closing Date the Acquired Fund shall have declared a dividend or dividends which, together with all such previous dividends, shall have the effect of distributing to its shareholders all of its net investment company taxable income for the period to and including the Closing Date, if any (computed without regard to any deduction for dividends paid), and all of its net capital gain, if any, realized to and including the Closing Date. In this regard, the last dividend period for the Target Fund RATES may be shorter than the dividend period for such Target Fund RATES determined as set forth in the applicable Certificate of Vote.

A-15

10. Termination, Postponement and Waivers.

- (a) Notwithstanding anything contained in this Agreement to the contrary, this Agreement may be terminated and the Reorganization abandoned at any time (whether before or after adoption thereof by the shareholders of the Funds) prior to the Closing Date, or the Closing Date may be postponed, (i) by mutual consent of the Boards of Trustees of the Funds, (ii) by the Board of Trustees of the Target Fund if any condition of the Target Fund's obligations set forth in Section 10 of this Agreement has not been fulfilled or waived by such Board; or (iii) by the Board of Trustees of the Acquiring Fund if any condition of the Acquiring Fund's obligations set forth in Section 11 of this Agreement have not been fulfilled or waived by such Board.
- (b) If the transactions contemplated by this Agreement have not been consummated by [], 2005 this Agreement automatically shall terminate on that date, unless a later date is mutually agreed to by the Boards of Trustees of the Funds.
- (c) In the event of termination of this Agreement pursuant to the provisions hereof, the same shall become void and have no further effect, and there shall not be any liability on the part of any Fund or persons who are their directors, trustees, officers, agents or shareholders in respect of this Agreement.
- (d) At any time prior to the Closing Date, any of the terms or conditions of this Agreement may be waived by the Board of Trustees of any Fund (whichever is entitled to the benefit thereof), if, in the judgment of such Board after consultation with its counsel, such action or waiver will not have a

material adverse effect on the benefits intended under this Agreement to the shareholders of their respective fund, on behalf of which such action is taken. In addition, the Boards of Trustees of the Funds have delegated to the Adviser the ability to make non-material changes to the transaction if it deems it to be in the best interests of the Funds to do so.

- (e) The respective representations and warranties contained in Sections 1 and 2 of this Agreement shall expire with, and be terminated by, the consummation of the Reorganization, and neither Fund nor any of its officers, trustees, agents or shareholders shall have any liability with respect to such representations or warranties after the Closing Date. This provision shall not protect any officer, trustee, agent or shareholder of either Fund against any liability to the entity for which that officer, trustee, agent or shareholder so acts or to its shareholders, to which that officer, trustee, agent or shareholder otherwise would be subject by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of the duties in the conduct of such office.
- (f) If any order or orders of the Commission with respect to this Agreement shall be issued prior to the Closing Date and shall impose any terms or conditions which are determined by action of the Boards of Trustees of the Funds to be acceptable, such terms and conditions shall be binding as if a part of this Agreement without further vote or approval of the shareholders of the Funds unless such terms and conditions shall result in a change in the method of computing the number of Acquiring Fund Common Shares or Acquiring Fund APS to be issued to the Target Fund, in which event, unless such terms and conditions shall have been included in the proxy solicitation materials furnished to the shareholders of the Target Fund prior to the meetings at which the Reorganization shall have been approved, this Agreement shall not be consummated and shall terminate unless

A-16

the Target Fund promptly shall call a special meeting of shareholders at which such conditions so imposed shall be submitted for approval.

11. Indemnification.

- (a) Each party (an "Indemnitor") shall indemnify and hold the other and its officers, trustees, agents and persons controlled by or controlling any of them (each an "Indemnified Party") harmless from and against any and all losses, damages, liabilities, claims, demands, judgments, settlements, deficiencies, taxes, assessments, charges, costs and expenses of any nature whatsoever (including reasonable attorneys' fees) including amounts paid in satisfaction of judgments, in compromise or as fines and penalties, and counsel fees reasonably incurred by such Indemnified Party in connection with the defense or disposition of any claim, action, suit or other proceeding, whether civil or criminal, before any court or administrative or investigative body in which such Indemnified Party may be or may have been involved as a party or otherwise or with which such Indemnified Party may be or

may have been threatened (collectively, the "Losses") arising out of or related to any claim of a breach of any representation, warranty or covenant made herein by the Indemnitor, provided, however, that no Indemnified Party shall be indemnified hereunder against any Losses arising directly from such Indemnified Party's (i) willful misfeasance, (ii) bad faith, (iii) gross negligence or (iv) reckless disregard of the duties involved in the conduct of such Indemnified Party's position.

- (b) The Indemnified Party shall use its best efforts to minimize any liabilities, damages, deficiencies, claims, judgments, assessments, costs and expenses in respect of which indemnity may be sought hereunder. The Indemnified Party shall give written notice to Indemnitor within the earlier of ten (10) days of receipt of written notice to Indemnified Party or thirty (30) days from discovery by Indemnified Party of any matters which may give rise to a claim for indemnification or reimbursement under this Agreement. The failure to give such notice shall not affect the right of Indemnified Party to indemnity hereunder unless such failure has materially and adversely affected the rights of the Indemnitor; provided that in any event such notice shall have been given prior to the expiration of the Survival Period. At any time after ten (10) days from the giving of such notice, Indemnified Party may, at its option, resist, settle or otherwise compromise, or pay such claim unless it shall have received notice from Indemnitor that Indemnitor intends, at Indemnitor's sole cost and expense, to assume the defense of any such matter, in which case Indemnified Party shall have the right, at no cost or expense to Indemnitor, to participate in such defense. If Indemnitor does not assume the defense of such matter, and in any event until Indemnitor states in writing that it will assume the defense, Indemnitor shall pay all costs of Indemnified Party arising out of the defense until the defense is assumed; provided, however, that Indemnified Party shall consult with Indemnitor and obtain indemnitor's prior written consent to any payment or settlement of any such claim. Indemnitor shall keep Indemnified Party fully apprised at all times as to the status of the defense. If Indemnitor does not assume the defense, Indemnified Party shall keep Indemnitor apprised at all times as to the status of the defense. Following indemnification as provided for hereunder, Indemnitor shall be subrogated to all rights of Indemnified Party with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made.

Any notice shall be deemed to have been served or given as of the date such notice is delivered personally or mailed.
- (d) This Agreement supersedes all previous correspondence and oral communications between the parties regarding the Reorganization, constitutes the only understanding with respect to the Reorganization, may not be changed except by a letter of agreement signed by each party and shall be governed by and construed in accordance with the laws of the State of Illinois applicable to agreements made and to be performed in said state.
- (e) It is expressly agreed that the obligations of the Funds hereunder shall not be binding upon any of their respective trustees, shareholders, nominees, officers, agents, or employees personally, but shall bind only the trust property of the respective Fund as provided in such Fund's Declaration of Trust. CERTIFICATE OF VOTE OF TRUSTEES ESTABLISHING
FOUR SERIES OF PREFERRED SHARES

I, Ronald A. Nyberg, Secretary, of Van Kampen Merritt Trust For Investment Grade Municipals (the "Fund") located at One Parkview Plaza, Oakbrook Terrace, IL 60181, do hereby certify that at a meeting of the trustees of the Fund held on February 20, 1992, the following vote establishing and designating four series of preferred shares of beneficial interest and determining the relative rights and preferences thereof was duly adopted:

First: Pursuant to authority expressly vested in the Board of Trustees of the Fund by Article VI of its Declaration of Trust (which, as amended or restated from time to time is, together with this Certificate of Vote, herein called the "Declaration of Trust"), the Board of Trustees hereby authorizes the issuance of four series of 5,300 shares of its authorized preferred shares of beneficial interest, par value \$.01 per share ("Preferred Shares"), liquidation preference of \$50,000 per share, designated, respectively, Auction Preferred Shares, Series A ("APS Series A"), Auction Preferred Shares, Series B ("APS Series B"), Auction Preferred Shares, Series C ("APS Series C") and Auction Preferred Shares, Series D ("APS Series D") (collectively the APS Series A, APS Series B, APS Series C and APS Series D are referred to herein as "APS").

Second: The preferences, voting powers, qualifications, and special or relative rights or privileges of each such series of preferred shares of beneficial interest are as follows:

DESIGNATION

APS SERIES A: A series of 1,500 preferred shares of beneficial interest, \$.01 par value, liquidation preference \$50,000 per share, is hereby designated "Auction Preferred Shares, Series A" (hereinafter, "APS Series A"). Each share of APS Series A shall be issued on March 10, 1992; have an Applicable Rate for its Initial Dividend Period equal to 3.30% per annum; have an Initial Dividend Payment Date of Monday, April 6, 1992; and have such other preferences, limitations and relative voting rights, in addition to those required by applicable law or set forth in the Declaration of Trust applicable to preferred shares of beneficial interest of the Fund, as are set forth in Part I and Part II of this Certificate of

Vote. The APS Series A shall constitute a separate series of Preferred Shares of beneficial interest of the Fund, and each share of APS Series A shall be identical except as provided in Section 3 of Part I of this Certificate of Vote.

APS SERIES B: A series of 1,500 preferred shares of beneficial interest, par value \$.01 per share, liquidation preference \$50,000 per share, is hereby designated "Auction Preferred Shares, Series B" (hereinafter, "APS Series B"). Each share of APS Series B shall be issued on March 10, 1992; have an Applicable Rate for its Initial Dividend Period equal to 3.30% per annum; have an Initial Dividend Payment Date of Monday, April 13, 1992; and have such other preferences, limitations and relative voting rights, in addition to those required by applicable law or set forth in the Declaration of Trust applicable to preferred shares of beneficial interest of the Fund, as are set forth in Part I and Part II of this Certificate of Vote. The APS Series B shall constitute a separate series of Preferred Shares of the Fund, and each share of APS Series B shall be identical except as provided in Section 3 of Part I of this Certificate of Vote.

APS SERIES C: A series of 1,500 preferred shares of beneficial interest, par value \$.01 per share, liquidation preference \$50,000 per share, is hereby designated "Auction Preferred Shares, Series C" (hereinafter, "APS Series C"). Each share of APS Series C shall be issued March 10, 1992; have an Applicable Rate for its Initial Dividend Period equal to 3.40% per annum; have an Initial Dividend Payment Date of Monday, July 6, 1992; and have such other preferences, limitations and relative voting rights, in addition to those required by applicable law or set forth in the Declaration of Trust applicable to preferred shares of beneficial interest of the Fund, as are set forth in Part I and Part II of this Certificate of Vote. The APS Series C shall constitute a separate series of Preferred Shares of the Fund, and each share of APS Series C

shall be identical except as provided in Section 3 of Part I of this Certificate of Vote.

APS SERIES D: A series of 800 preferred shares of beneficial interest, par value \$.01 per share, liquidation preference \$50,000 per share, is hereby designated "Auction Preferred Shares, Series D." Each share of APS Series D shall be issued on March 10, 1992; have an Applicable Rate for its Initial Dividend Period equal to 3.40% per annum; have an Initial Dividend Payment Date of Monday, July 6, 1992; and have such other preferences, limitations and relative voting rights, in addition to those required by applicable law or set forth in the Declaration of Trust applicable to preferred shares of beneficial interest of the Fund, as are set forth in Part I and Part II of this Certificate of Vote. The APS Series D shall constitute a separate series of Preferred Shares of the Fund, and each share of APS Series D shall be identical except as provided in Section 3 of Part I of this Certificate of Vote.

No holder of any series of APS shall have, solely by reason of being such a holder of any series of APS, any right to acquire, purchase or subscribe for any APS, common shares of beneficial interest, par value \$.01 per share, of the Fund or other securities of the Fund which it may hereafter issue or sell (whether out of the number of shares authorized by the Declaration of Trust, or out of any shares acquired by the Fund after the issuance thereof, or otherwise).

PART I

1. Number of Shares; Ranking. (a) No fractional APS shall be issued.

(b) Any APS which at any time have been redeemed or purchased by the Fund shall, after such redemption or purchase, have the status of authorized but unissued Preferred Shares, without designation as to series.

(c) The shares of each series of APS shall rank on a parity with shares of any other series of Preferred Shares (including any other series of APS) as to the payment of

B-2

dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund.

2. Dividends. (a) The Holder of shares of any series of APS shall be entitled to receive, when, as and if declared by the Board of Trustees, out of funds legally available therefor, cumulative cash dividends at the Applicable Rate per annum thereof, determined as set forth in paragraph (c) of this Section 2, and no more (except to the extent set forth in Section 12 of this Part I), payable on the respective dates (each a "Dividend Payment Date") determined as set forth in paragraph (b) of this Section 2. Dividends on shares of any series of APS shall accumulate at the Applicable Rate per annum from the Date of Original Issue thereof.

(b) (i) Dividends shall be payable subject to subparagraph (b) (ii) of this Section 2, on shares of:

(A) APS Series A, on Monday, April 6, 1992, and on each fourth Monday thereafter,

(B) APS Series B, on Monday, April

13, 1992, and on each fourth Monday thereafter,

(C) APS Series C, on Monday, July 6, 1992 and the first Business Day of each calendar month thereafter, provided that in any calendar month in which an Auction Date for such series is scheduled to occur, dividends shall be payable on the first Business Day next succeeding such Auction Date, and

(D) APS Series D, on Monday, July 6, 1992, and the first Business Day of each calendar month thereafter, provided that in any calendar month in which an Auction Date for such series is scheduled to occur, dividends shall be payable on the first Business Day next succeeding such Auction Date,

provided that if the Fund, subject to the conditions set forth in Section 4 of this Part I, designates any Subsequent Dividend Period as a Special Dividend Period, dividends will be payable: (1) with respect to a Special Dividend Period of less than 181 days, the day after the last day thereof, (2) with respect to a Special Dividend Period of 181 days or more and fewer than 365 days, the 92nd day thereof, the 183rd day thereof, if any, the 247th day thereof, if any, and the day after the last day, thereof and (3) with respect to a Special Dividend Period of 365 or more days, on such date in each quarterly period after the commencement thereof as is determined by the Board of Trustees.

After any Special Dividend Period, dividends on shares of such series of APS shall be payable, subject to subparagraph (b)(ii) of this Section 2, on each fourth succeeding Monday if such series is APS Series A, each fourth succeeding Monday if such series is APS Series B, and the first Business Day of each calendar month thereafter, provided that in any calendar month in which an Auction Date for such series is scheduled to occur, dividends shall be payable on the first Business Day next succeeding such Auction Date if such series is APS Series C, and the first Business Day of each calendar month thereafter, provided that in any calendar month in which an Auction Date for such series is scheduled to occur, dividends shall be payable on the first Business Day next succeeding such Auction Date if such series is

B-3

APS Series D, subject in each case to the options of the Fund to further designate from time to time any Subsequent Dividend Period thereof as a Special Dividend Period.

(ii) In the case of dividends that would otherwise be payable on a Sunday, Monday, Tuesday, Wednesday, Thursday, Friday or Saturday as determined by subparagraph (b) (i) of this Section 2, including clause (1), (2) or (3) of the proviso thereto, if (i) the Sunday, Monday or Tuesday that would otherwise be the Dividend Payment Date is not a Business Day, then dividends shall be payable on the first Business Day that falls after such Sunday, Monday or Tuesday, or (ii) the Wednesday, Thursday, Friday or Saturday that would otherwise be the Dividend Payment Date is not a Business Day, then dividends shall be payable on the first Business Day that falls prior to such Wednesday, Thursday, Friday or Saturday.

(iii) The Fund shall pay to the Auction Agent not later than 12:00 Noon, New York City time, on the Business Day next preceding each Dividend Payment Date for shares of such series, an aggregate amount of funds available on the next Business Day in The City of New York, New York, equal to the dividends to be paid to

all Holders of shares of such series on such Dividend Payment Date.

(iv) All moneys paid to the Auction Agent for the payment of dividends (or for the payment of any late charges pursuant to subparagraph (c)(i) of this Section 2) shall be held in trust for the payment of such dividends (and any such late charge) by the Auction Agent for the benefit of the Holders specified in subparagraph (b)(v) of this Section 2. Any moneys paid to the Auction Agent in accordance with the foregoing but not applied by the Auction Agent to the payment of dividends (and any late charge) will, to the extent permitted by law, be repaid to the Fund at the end of 90 days from the date on which such moneys were so to have been applied.

(v) Each dividend on the APS shall be paid on the Dividend Payment Date therefor to the Holders as their names appear on the share books of the Fund on the Business Day next preceding such Dividend Payment Date. Dividends in arrears for any past Dividend Period may be declared and paid at any time, without reference to any regular Dividend Payment Date, to the Holders as their names appear on the share books of the Fund on such date, not exceeding 15 days preceding the payment date thereof, as may be fixed by the Board of Trustees.

(c) (i) The dividend rate on shares of any series of APS during the period from and after the Date of Original Issue thereof to and including the last day of the Initial Dividend Period therefor shall be equal to the rate per annum set forth with respect to such series under "Designation," above. For each Subsequent Dividend Period of any series of APS outstanding thereafter, the dividend rate on shares of such series shall be equal to the rate per annum that results from an Auction for such series on the Auction Date next preceding such Subsequent Dividend Period; provided, however, that if an Auction for any Subsequent Dividend

B-4

Period of any series of APS is not held for any reason or if a Failure to Deposit occurs and such failure has not been cured as set forth below prior to any succeeding Subsequent Dividend Period thereof, then, subject to the next succeeding provision, the dividend rate on the shares of such series for any such Subsequent Dividend Period shall be the Maximum Rate (as defined herein) for such series on the Auction Date for such Subsequent Dividend Period; provided, further, however, that if (A) any Failure to Deposit shall have occurred with respect to shares of any series of APS during any Rate Period thereof (other than any Special Dividend Period consisting of four or more Dividend Periods or any Rate Period succeeding any Special Dividend Period consisting of four or more Dividend Periods during which a Failure to Deposit occurred that has not been cured), and prior to 12:00 noon, New York City time, on the third Business Day next succeeding the date on which such Failure to Deposit occurred, such Failure to Deposit shall not have been cured in accordance with the next succeeding sentence or the Fund shall not have paid to the Auction Agent a late charge equal to the sum of (1) if such Failure to Deposit consisted of the failure timely to pay to the Auction Agent the full amount of dividends with respect to any Dividend Period on the shares of such series, an amount computed by multiplying (x) 200% of the "AA" Composite Commercial Paper Rate for the Rate Period during which such Failure to Deposit occurs on the Dividend Payment Date for such Dividend Period by (y) a fraction, the numerator of which shall be the number of days for which such Failure to Deposit has not been cured in accordance with the next succeeding sentence (including the day such Failure to Deposit occurs and excluding the day such

Failure to Deposit is cured) and the denominator of which shall be 365, and applying the rate obtained against the aggregate liquidation preference of the outstanding shares of such series of APS and (2) if such Failure to Deposit consisted of the failure timely to pay to the Auction Agent the Redemption Price of the shares of such series of APS, if any, for which Notice of Redemption has been given by the Fund pursuant to paragraph (b) of Section 3 of this Part I, an amount computed by multiplying (x) 200% of the "AA" Composite Commercial Paper Rate for the Rate Period during which such Failure to Deposit occurs on the redemption date by (y) a fraction, the numerator of which shall be the number of days for which such Failure to Deposit is not cured in accordance with the next succeeding sentence (including the day such Failure to Deposit occurs and excluding the day such Failure to Deposit is cured) and the denominator of which shall be 365, and applying the rate obtained against the aggregate liquidation preference of the outstanding shares of APS to be redeemed, or (B) any Failure to Deposit shall have occurred with respect to shares of any series of APS during a Special Dividend Period thereof consisting of four or more Dividend Periods, or during any Rate Period thereof succeeding any Special Dividend Period consisting of four or more Dividend Periods during which a Failure to Deposit occurred that has not been cured, and such Failure to Deposit shall not have been cured in accordance with the next succeeding sentence during such Special Dividend Period or such other Rate Period, then the dividend rate for shares of such series of APS for each Subsequent Dividend Period thereof commencing after such failure to and including the Subsequent Dividend Period, if any, during which such Failure to Deposit is so cured shall be a rate per annum equal to the Maximum Rate on the Auction Date for such Subsequent Dividend Period (but with the prevailing rating for such shares, for purposes of determining such Maximum Rate, being deemed to be "Below "ba3"/BB-") (the rate per annum at which dividends are payable on the APS for any Rate Period for such shares being herein referred to as the "Applicable Rate" for such shares). A Failure to Deposit with respect to shares of any series of APS shall have been cured (if such Failure to Deposit is not solely due to the willful failure of the Fund to make the required payment to the Auction Agent) with respect to

B-5

any Rate Period if, not later than 12:00 Noon, New York City time, on the fourth Business Day preceding the Auction Date for the Rate Period subsequent to such Rate Period the Fund shall have paid to the Auction Agent (A) all accumulated and unpaid dividends on the shares of such series of APS and (B) without duplication, the Redemption Price for the APS, if any, for which Notice of Redemption has been given by the Fund pursuant to paragraph (b) of Section 3 of this Part I.

(ii) The amount of dividends per share payable on shares of any series of APS on any date on which dividends shall be payable on shares of such series shall be computed by multiplying the respective Applicable Rate for such series in effect for such Dividend Period or Dividend Periods or part thereof for which dividends have not been paid by a fraction, the numerator of which shall be the number of days in such Dividend Period or Dividend Periods or part thereof and the denominator of which shall be 365 if such Dividend Period is a Rate Period, or is contained in a Rate Period, of less than one year and 360 for all other Dividend Periods, and applying the rate obtained against \$50,000.

(d) Any dividend payment made on the APS shall first be credited against the earliest accumulated but unpaid dividends due with respect to such APS.

(e) Except as set forth in the next sentence, no dividends shall be declared or paid or set apart for payment on the shares of any class or series of shares ranking, as to the payment of dividends, on a parity with the APS for any period unless full cumulative dividends have been or contemporaneously are declared and paid on the shares of each series of APS through the most recent Dividend Payment Date for each such series. When dividends are not paid in full upon the APS through their most recent respective Dividend Payment Dates or upon the shares of any other class or series of shares ranking on a parity as to the payment of dividends with the APS through their most recent respective dividend payment dates, all dividends declared upon the APS and any other such class or series of shares ranking on a parity as to the payment of dividends with the APS shall be declared pro rata so that the amount of dividends declared per share on the APS and such other class or series of shares shall in all cases bear to each other the same ratio that accumulated dividends per share on the APS and such other class or series of shares bear to each other (for purposes of this sentence, the amount of dividends declared per share shall be based on the Applicable Rate for such shares for the Dividend Periods during which dividends were not paid in full). Holders of the APS shall not be entitled to any dividend, whether payable in cash, property or shares, in excess of full cumulative dividends, as herein provided, on the APS. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on the APS which may be in arrears, and, except to the extent set forth in subsection (c) (i) of this Section 2, no additional sum of money shall be payable in respect of any such arrearage.

(f) Dividends on the APS shall be designated as exempt-interest dividends up to the amount of tax-exempt income of the Fund, to the extent permitted by, and for purposes of, Section 852 of the Internal Revenue Code of 1986, as amended from time to time.

(g) The Board of Trustees shall not declare any dividend (except a dividend payable in Common Shares), or declare any other distribution, upon the Common

B-6

Shares, or purchase Common Shares, unless in every such case the APS have, at the time of any such declaration or purchase, an asset coverage (as defined in and determined pursuant to the 1940 Act) of at least 200% (or such other asset coverage as may in the future be specified in or under the 1940 Act as the minimum asset coverage for senior securities which are stock of a closed-end investment company as a condition of declaring dividends on its common stock) after deducting the amount of such dividend, distribution or purchase price, as the case may be.

3. Redemption. (a) (i) Upon giving a Notice of Redemption, as provided below, the Fund at its option may redeem shares of any series of APS, in whole or in part, on the Second Business Day next preceding any Dividend Payment Date applicable to those shares of APS called for redemption, out of funds legally available therefor, at the Optional Redemption Price; provided that during a Special Dividend Period of 365 days or more no share of APS will be subject to optional redemption during any Non-Call Period; provided, that shares of any series of APS may not be redeemed in part if after such partial redemption fewer than 250 shares of such series remain outstanding.

(ii) If fewer than all of the outstanding shares of any series of APS are to be redeemed pursuant to subparagraph (a) (i) of this Section 3, the number of shares of such series to be redeemed shall be determined by the Board of Trustees, and

such shares shall be redeemed pro rata from the Holders of such series in proportion to the number of such shares held by such Holders.

(iii) No APS shall be redeemed pursuant to subparagraphs (a)(i) or (a)(ii) of this Section 3 unless, on the date on which the Fund intends to give notice of such redemption pursuant to paragraph (b) of this Section 3, (a) the Fund has available Deposit Securities with maturity or tender dates not later than the day preceding the applicable redemption date and having a value not less than the amount (including the applicable premium, if any) due to Holders of the APS by reason of the redemption of such shares on such redemption date and (b) Moody's Eligible Assets (if Moody's is then rating the APS) and S&P Eligible Assets (if S&P is then rating the APS) each at least equal the APS Basic Maintenance Amount, and would at least equal the APS Basic Maintenance Amount immediately subsequent to such redemption, if such redemption were to occur on such date, and on the date of redemption.

(iv) The Fund shall redeem, at the Mandatory Redemption Price, certain of the APS to the extent permitted under the 1940 Act and Massachusetts law, if the Fund fails to maintain the APS Basic Maintenance Amount or 1940 Act APS Asset Coverage in accordance with the requirements of the rating agency or agencies then rating the APS and such failure is not cured on or before the APS Basic Maintenance Cure Date or the 1940 Act Cure Date, as the case may be. The number of APS to be redeemed shall be equal to the lesser of (i) the minimum number of APS the redemption of which, if deemed to have occurred immediately prior to the opening of business on the Cure Date, together with all other Preferred Shares subject to redemption or retirement, would result in the satisfaction of the APS Basic Maintenance Amount or the 1940 Act APS Asset Coverage, as the case may be, on such Cure Date (provided that, if there is

B-7

no such minimum number of APS and other Preferred Shares the redemption of which would have such result, all the APS and Preferred Shares then outstanding shall be redeemed), and (ii) the maximum number of APS, together with all other Preferred Shares subject to redemption or retirement, that can be redeemed out of funds expected to be legally available therefor. In determining the APS required to be redeemed in accordance with the foregoing, the Fund shall allocate the number required to be redeemed to satisfy the APS Basic Maintenance Amount or the 1940 Act APS Asset Coverage, as the case may be, pro rata among each series of APS and other Preferred Shares subject to redemption provisions similar to those contained in this subparagraph (a)(iv) of this Section 3. The Fund shall effect such redemption not earlier than 20 days and not later than 40 days after such Cure Date, except that if the Fund does not have funds legally available for the redemption of all of the required number of APS and other Preferred Shares which are subject to redemption provisions similar to those contained in this subparagraph (a)(iv) of this Section 3 or the Fund otherwise is unable to effect such redemption on or prior to 40 days after such Cure Date, the Fund shall redeem those APS and other Preferred Shares which it was unable to redeem on the earliest practicable date on which it is able to effect such redemption. If fewer than all of the outstanding shares of any series of APS are to be redeemed pursuant to this Section 3(a)(iv), the number of shares of such series to be redeemed shall be redeemed pro rata from the Holders of such shares in proportion to the

number of shares held by such Holders.

(b) The Fund is required to give 30 days Notice of Redemption. In the event the Fund obtains appropriate exemptive or no-action relief from the Securities and Exchange Commission, the number of days' notice required for a mandatory redemption may be reduced by the Board of Trustees of the Fund to as few as two Business Days if Moody's and S&P each has agreed in writing that the revised notice provision would not adversely affect its then-current ratings of the APS. The Auction Agent will use its reasonable efforts to provide telephonic notice to each holder of APS called for redemption not later than the close of business on the Business Day on which the Auction Agent determines the shares to be redeemed (as described above) (or, during the occurrence of a Failure to Deposit with respect to such shares, not later than the close of business on the Business Day immediately following the day on which the Auction Agent receives Notice of Redemption from the Fund). Such telephonic notice will be confirmed promptly in writing not later than the close of business on the third Business Day preceding the redemption date by notice sent by the Auction Agent to each holder of record of APS called for redemption, the Broker-Dealers and the Securities Depository. Every Notice of Redemption and other redemption notice with respect to APS will state: (1) the redemption date, (2) the number of APS to be redeemed, (3) the redemption price, (4) that dividends on the APS to be redeemed will cease to accumulate as of such redemption date and (5) the provision of the APS Provisions pursuant to which such shares are being redeemed. No defect in the Notice of Redemption or other redemption notice or in the transmittal or the mailing thereof will affect the validity of the redemption proceedings, except as required by applicable law. If fewer than all shares of any series held by any Holder are to be redeemed, the Notice of Redemption mailed to such Holder shall also specify the number of shares of such series to be redeemed from such Holder.

B-8

(c) Notwithstanding the provisions of paragraph (a) of this Section 3, if any dividends on shares of any series of APS are in arrears, no shares of such series of APS shall be redeemed unless all outstanding shares of such series of APS are simultaneously redeemed, and the Fund shall not purchase or otherwise acquire any shares of such series of APS; provided, however, that the foregoing shall not prevent the purchase or acquisition of all outstanding shares of such series of APS pursuant to the successful completion of an otherwise lawful purchase or exchange offer made on the same terms to, and accepted by, Holders of all outstanding shares of such series of APS.

(d) Upon the deposit of funds sufficient to redeem the APS with the Auction Agent and the giving of Notice of Redemption under Paragraph (b) of this Section 3, dividends on such shares shall cease to accumulate and such shares shall no longer be deemed to be outstanding for any purpose, and all rights of the Holders of the shares so called for redemption shall cease and terminate, except the right of such Holders to receive the Optional Redemption Price or Mandatory Redemption Price, as the case may be, but without any interest or other additional amount, except as provided in Section 2(c) (i) and in Section 12. Upon surrender in accordance with the Notice of Redemption of the certificates for any shares so redeemed (properly endorsed or assigned for transfer, if the Board of Trustees shall so require and the Notice of Redemption shall so state), the Optional Redemption Price or Mandatory Redemption Price, as the case may be, shall be paid by the Auction Agent to the Holders of the APS subject to redemption. In the case that fewer than all of the shares represented by any such certificate are redeemed, a new certificate shall be issued, representing the unredeemed shares, without cost to the Holder

thereof. The Fund shall be entitled to receive from the Auction Agent, promptly after the date fixed for redemption, any cash deposited with the Auction Agent in excess of (i) the aggregate Optional Redemption Price of the APS called for redemption on such date and (ii) all other amounts to which Holders of the APS called for redemption may be entitled. Any funds so deposited that are unclaimed at the end of 90 days from such redemption date shall, to the extent permitted by law, be repaid to the Fund, after which time the Holders of the APS so called for redemption may look only to the Fund for payment of the Optional Redemption Price or Mandatory Redemption Price, as the case may be, and all other amounts to which they may be entitled. The Fund shall be entitled to receive, from time to time after the date fixed for redemption, any interest on the funds so deposited.

(e) To the extent that any redemption for which Notice of Redemption has been given is not made by reason of the absence of legally available funds therefor, such redemption shall be made as soon as practicable to the extent such funds become available. Failure to redeem the APS shall be deemed to exist at any time after the date specified for redemption in a Notice of Redemption when the Fund shall have failed, for any reason whatsoever, to deposit in trust with the Auction Agent the Redemption Price with respect to any shares for which such Notice of Redemption has been given. Notwithstanding the fact that the Fund may not have redeemed the APS for which a Notice of Redemption has been given, dividends may be declared and paid on the APS and shall include those APS for which a Notice of Redemption has been given.

(f) All moneys paid to the Auction Agent for payment of the Optional Redemption Price or Mandatory Redemption Price, as the case may be, of the APS called for

B-9

redemption shall be held in trust by the Auction Agent for the benefit of Holders of shares so to be redeemed.

(g) In effecting any redemption pursuant to this Section 3, the Fund shall use its best efforts to comply with all applicable procedural conditions precedent to effecting such redemption under the 1940 Act and Massachusetts law, but shall effect no redemption except in accordance with the 1940 Act and Massachusetts law.

(h) In the case of any redemption pursuant to this Section 3, only whole APS shall be redeemed, and in the event that any provision of the Declaration of Trust would require redemption of a fractional share, the Auction Agent shall be authorized to round up so that only whole shares are redeemed.

4. Designation of Special Dividend Periods. (a) The Fund, at its option, may designate any succeeding Subsequent Dividend Period of any series of APS as a Special Dividend Period; provided, however, that such designation shall be effective only if (A) notice thereof shall have been given in accordance with paragraph (b) and clause (i) of paragraph (c) of this Section 4, (B) any Failure to Deposit that shall have occurred with respect to shares of such series during any Dividend Period shall have been cured in accordance with the provisions of the third sentence of paragraph (c) (i) of Section 2 of this Part I, (C) Sufficient Clearing Bids (as defined in Section 1 of Part II hereof) for such series shall have existed in an Auction held on the Auction Date immediately preceding the first day of such proposed Special Dividend Period, (D) if any Notice of Redemption shall have been mailed by the Fund pursuant to paragraph (b) of Section 3 of this Part I with respect to any shares of such

series of APS, the Redemption Price with respect to such shares shall have been deposited with the Auction Agent and (E) in the event the Fund wishes to designate any succeeding Subsequent Dividend Period for such series as a Special Dividend Period consisting of more than 28 Rate Period Days, the Fund has received written confirmation from S&P (if S&P is then rating the APS) and Moody's (if Moody's is then rating the APS) that such designation would not affect the rating then assigned by S&P and Moody's to such series.

(b) If the Fund proposes to designate any succeeding Subsequent Dividend Period of any series of APS as a Special Dividend Period of more than 28 Rate Period Days pursuant to paragraph (a) of this Section 4, not less than 20 nor more than 30 days prior to the date the Fund proposes to designate as the first day of such Special Dividend Period (which shall be such day that would otherwise be the first day of a Minimum Dividend Period), notice shall be (i) published or caused to be published by the Fund in a newspaper of general circulation to the financial community in The City of New York, New York, which carries financial news, and (ii) communicated by the Fund by telephonic or other means to the Auction Agent and confirmed in writing promptly thereafter. Each such notice shall state (A) that the Fund may exercise its option to designate a succeeding Subsequent Dividend Period of such series of APS as a Special Dividend Period, specifying the first day thereof and (B) that the Fund will by 11:00 A.M., New York City time, on the second Business Day next preceding such date notify the Auction Agent of either (x) its determination, subject to certain conditions, to exercise such option, in which case the Fund shall specify the Special Dividend Period designated and the terms of the Specific Redemption Provisions, if any, or (y) its determination not to exercise such option.

B-10

(c) No later than 11:00 A.M., New York City time, on the second Business Day next preceding the first day of any proposed Special Dividend Period the Fund shall deliver to the Auction Agent either:

(i) a notice stating (A) that the Fund has determined to designate the next succeeding Dividend Period of such series as a Special Dividend Period, specifying the same and the first day thereof, (B) the Auction Date immediately prior to the first day of such Special Dividend Period, (C) the terms of the Specific Redemption Provisions, if any, for such series, (D) that such Special Dividend Period shall not commence if (1) on such Auction Date Sufficient Clearing Bids for such series shall not exist (in which case the succeeding Rate Period shall be a Minimum Dividend Period) or (2) a Failure to Deposit shall have occurred prior to the first day of such Special Dividend Period with respect to shares of such series and (E) the scheduled Dividend Payment Dates for such series of APS during such Special Dividend Period; provided that, if such Special Dividend Period consists of more than 28 Rate Period Days, such notice will be accompanied by an APS Basic Maintenance Report showing that, as of the third Business Day next preceding such proposed Special Dividend Period, (1) Moody's Eligible Assets, assuming for the purposes calculating Moody's Eligible Assets, in connection with an APS Basic Maintenance Report required to be prepared pursuant to this Section 4(c)(i), a Moody's Exposure Period of "eight weeks or less but greater than seven weeks" (if Moody's is then rating such series) and (2) S&P Eligible Assets (if S&P is then rating such series) each at least equal the APS Basic Maintenance Amount as of such Business Day (assuming for purposes of the foregoing calculation that the Maximum Rate is the Maximum Rate on such Business Day as if such Business Day were the

Auction Date for the proposed Special Dividend Period); or

(ii) a notice stating that the Fund has determined not to exercise its option to designate a Special Dividend Period for such series of APS and that the next succeeding Dividend Period of such series shall be a Minimum Dividend Period.

If the Fund fails to deliver either such notice with respect to any designation of any proposed Special Dividend Period to the Auction Agent by 11:00 A.M., New York City time, on the second Business Day next preceding the first day of such proposed Special Dividend Period, the Fund shall be deemed to have delivered a notice to the Auction Agent with respect to such Special Dividend Period to the effect set forth in clause (ii) of the preceding sentence.

5. Voting Rights. (a) Except as otherwise provided in the Declaration of Trust or as otherwise required by law, (i) each Holder of APS shall be entitled to one vote for each of the APS held on each matter submitted to a vote of shareholders of the Fund, and (ii) the holders of outstanding Preferred Shares, including APS, and of Common Shares shall vote together as a single class; provided that, at a meeting of the shareholders of the Fund held for the election of the trustees, the holders of outstanding Preferred Shares, including APS, represented in person or by proxy at said meeting, shall elect two trustees of the Fund, each Preferred Share, including

B-11

each of the APS, entitling the holder thereof to one vote. Subject to paragraph (b) of this Section 5, the holders of outstanding Common Shares shall elect the balance of the trustees.

(b) During any period in which any one or more of the conditions described below shall exist (such period being referred to herein as a "Voting Period"), the number of trustees constituting the Board of Trustees shall be automatically increased by the smallest number that, when added to the two trustees elected exclusively by the holders of Preferred Shares, including APS, would constitute a majority of the Board of Trustees as so increased by such smallest number, and the holders of Preferred Shares, including APS, shall be entitled, voting as a class on a one-vote-per-share basis (to the exclusion of the holders of all other securities and class of capital shares of the Fund), to elect such smallest number of additional trustees, together with the two trustees that such holders are in any event entitled to elect. A Voting Period shall commence:

(i) if at the close of business on any Dividend Payment Date accumulated dividends (whether or not earned or declared) on any outstanding APS equal to at least two full years' dividends shall be due and unpaid and sufficient cash or specified securities shall not have been deposited with the Auction Agent for the payment of such accumulated dividends; or

(ii) if at any time holders of any other Preferred Shares are entitled under the 1940 Act to elect a majority of the trustees of the Fund.

Upon the termination of a Voting Period, the voting rights described in this paragraph (b) of Section 5 shall cease, subject always, however, to the reversion of such voting rights in the Holders upon the further occurrence of any of the events described in this paragraph (b) of Section 5.

(c) (i) As soon as practicable after the accrual of any right of the holders of Preferred Shares to elect additional trustees as described in paragraph (b) of this Section 5, the Fund shall notify the Auction Agent and the Auction Agent shall call a special meeting of such holders, by mailing a notice of such special meeting to such holders, such meeting to be held not less than 10 nor more than 20 days after the date of mailing of such notice. If the Fund fails to send such notice to the Auction Agent or if the Auction Agent does not call such a special meeting, it may be called by any such holder on like notice. The record date for determining the holders entitled to notice of and to vote at such special meeting shall be the close of business on the fifth Business Day preceding the day on which such notice is mailed. At any such special meeting and at each meeting of holders of Preferred Shares held during a Voting Period at which trustees are to be elected, such holders, voting together as a class (to the exclusion of the holders of all other securities and classes of capital shares of the Fund), shall be entitled to elect the number of trustees prescribed in paragraph (b) of this Section 5 on a one-vote-per-share basis.

(ii) For purposes of determining any rights of the Holders to vote on any matter, whether such right is created by this Certificate of Vote, by the other provisions of the Declaration of Trust, by statute or otherwise, no Holder shall be entitled to vote and no APS shall be deemed to be "outstanding" for the purpose of voting or determining the number of shares

B-12

required to constitute a quorum if, prior to or concurrently with the time of determination of shares entitled to vote or shares deemed outstanding for quorum purposes, as the case may be, the Redemption Price for the redemption of such shares has been deposited in trust with the Auction Agent for that purpose and the requisite Notice of Redemption with respect to such shares shall have been given as provided in Section 3 of this Part I. None of the APS held by the Fund or any affiliate of the Fund shall have any voting rights or be deemed to be outstanding for voting or other purposes.

(iii) The terms of office of all persons who are Trustees of the Fund at the time of a special meeting of Holders and holders of other Preferred Shares to elect trustees shall continue, notwithstanding the election at such meeting by the Holders and such other holders of the number of trustees that they are entitled to elect, and the persons so elected by the Holders and such other holders, together with the two incumbent trustees elected by the Holders and such other holders of Preferred Shares and the remaining incumbent trustees elected by the holders of the Common Shares, shall constitute the duly elected trustees of the Fund.

(iv) Simultaneously with the termination of a Voting Period, the terms of office of the additional trustees elected by the Holders and holders of other Preferred Shares pursuant to paragraph (b) of this Section 5 shall terminate, the remaining trustees shall constitute the trustees of the Fund and the voting rights of the Holders and such other holders to elect additional trustees pursuant to paragraph (b) of this Section 5 shall cease, subject to the provisions of the last sentence of paragraph (b) of this Section 5.

(d) (i) So long as any of the APS are outstanding,

the Fund shall not, without the affirmative vote of the Holders of the Outstanding APS determined with reference to a "majority of outstanding voting securities" as that term is defined in Section 2(a)(42) of the 1940 Act (voting separately as one class): (a) authorize, create or issue any class or series of shares of beneficial interest ranking prior to or on a parity with the APS with respect to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, or increase the authorized amount of any series of APS (except that, notwithstanding the foregoing, but subject to the provisions of Section 13, the Board of Trustees, without the vote or consent of the Holders of APS, may from time to time authorize and create, and the Fund may from time to time issue, classes or series of Preferred Shares, including APS, ranking on a parity with the APS with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, subject to continuing compliance by the Fund with 1940 Act APS Asset Coverage and APS Basic Maintenance Amount requirements, provided that the Fund obtains written confirmation from Moody's (if Moody's is then rating APS) and S&P (if S&P is then rating APS) that the issuance of such class or series would not impair the rating then assigned by such rating agency to the APS, (b) amend, alter or repeal the provisions of the Declaration of Trust, including this Certificate of Vote, whether by merger, consolidation or otherwise, so as to affect any preference, right or power of such APS or the Holders thereof; provided that (i) none of the actions permitted by the exception to (a) above will be deemed to affect such preferences, rights

B-13

or powers and (ii) the authorization, creation and issuance of classes or series of shares ranking junior to the APS with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, will be deemed to affect such preferences, rights or powers only if Moody's or S&P is then rating the APS and such issuance would, at the time thereof, cause the Fund not to satisfy the 1940 Act APS Asset Coverage or the APS Basic Maintenance Amount, or (c) file a voluntary application for relief under Federal bankruptcy law or any similar application under state law for so long as the Fund is solvent and does not foresee becoming insolvent.

(ii) The Board of Trustees, without the vote or consent of the Holders of APS, may from time to time amend, alter or repeal any or all of the definitions of the terms listed below, and any such amendment, alteration or repeal will not be deemed to affect the preferences, rights or powers of the APS or the Holders thereof, provided the Board of Trustees receives written confirmation from Moody's (such confirmation being required to be obtained only in the event Moody's is rating the APS and in no event being required to be obtained in the case of the definitions of Deposit Securities, Discounted Value and Receivables for Municipal Securities Sold as such terms apply to S&P Eligible Assets, Dividend Coverage Amount, Dividend Coverage Assets, Minimum Liquidity Level, S&P Discount Factor, S&P Eligible Assets, S&P Exposure Period and Valuation Date as such term applies to the definitions of Dividend Coverage Amount, Dividend Coverage Assets and Minimum Liquidity Level) and S&P (such confirmation being required to be obtained only in the event S&P is rating the APS and in no event being required to be obtained in the case of the definitions of Discounted Value and Receivables for Municipal Securities Sold as such terms apply to Moody's Eligible Assets, Moody's Discount Factor, Moody's Eligible Asset and Moody's Exposure Period) that any such amendment, alteration or repeal would not impair the ratings then assigned by Moody's or S&P, as the case may be, to the

(e) Unless otherwise required by law, the Holders of the APS shall not have any relative rights or preferences or other special rights other than those specifically set forth herein. The Holders of the APS shall have no preemptive rights or rights to cumulative voting. In the event that the Fund fails to pay any dividends on the APS, the exclusive remedy of the Holders shall be the right to vote for trustees pursuant to the provisions of this Section 5.

(f) Unless a higher percentage is provided for in the Declaration of Trust, the affirmative vote of the Holders of a majority of the outstanding APS, voting as a separate class, shall be required to approve any plan of reorganization (as such term is used in the 1940 Act) adversely affecting such shares or any action requiring a vote of security holders of the Fund under Section 13(a) of the 1940 Act. In the event a vote of Holders of APS is required pursuant to the provisions of Section 13(a) of the 1940 Act, the Fund shall, not later than ten Business Days prior to the date on which such vote is to be taken, notify Moody's (if Moody's is then rating the APS) and S&P (if S&P is then rating the APS) that such vote is to be taken and the nature of the action with respect to which such vote is to be taken. In addition, the Fund shall notify Moody's (if Moody's is then rating the APS) and S&P (if S&P is then rating the APS) of the results of any vote described in the proceeding sentence.

B-15

(g) Right to Vote with Respect to Certain Other Matters. The affirmative vote of the holders of a majority (unless a higher percentage vote is required under the Declaration of Trust or under this Certificate of Vote) of the outstanding shares of each series of APS, each voting as a separate class, is required with respect to any matter that materially affects the series in a manner different from that of other series of classes of the Fund's shares, including without limitation any proposal to do the following: (1) increase or decrease the aggregate number of authorized shares of the series; (2) effect an exchange, reclassification, or cancellation of all or part of the shares of the series; (3) effect an exchange, or create a right of exchange, of all or any part of the shares of the series; (4) change the rights or preferences of the shares of the series; (5) change the shares of the series, whether with or without par value, into the same or a different number of shares, either with or without par value, of the same or another class or series; (6) create a new class or series of shares having rights and preferences prior and superior to the shares of the series, or increase the rights and preferences or the number of authorized shares of a series having rights and preferences prior or superior to the shares of the series; or (7) cancel or otherwise affect distributions on the shares of the series that have accrued but have not been declared. To the extent that the interests of a series of APS affected by a matter are substantially identical to the interests of another series of APS affected by such matter (e.g., a vote of shareholders required under Section 13(a) of the 1940 Act), each such series shall vote together collectively as one class. The vote of holders of APS described above will in each case be in addition to a separate vote of the requisite percentage of Common Shares and APS necessary to authorize the action in question.

6. Liquidation Rights. (a) Upon the dissolution, liquidation or winding up of the affairs of the Fund, whether voluntary or involuntary, the Holders of the APS then outstanding shall be entitled to receive and to be paid out of the assets of the Fund available for distribution to its shareholders, before any payment or distribution shall be made on the Common Shares or on any other class of shares of the Fund ranking junior to the APS upon dissolution, liquidation or winding up, an amount equal to the liquidation preference with respect to such shares. The liquidation preference for the APS shall be \$50,000 per share, plus an amount equal to all dividends thereon (whether or not earned or declared) accumulated but unpaid to the date of final distribution in same-day funds, together with any payments required to be made pursuant to Section 12 in connection with the liquidation of the Fund.

(b) Neither the sale of all or substantially all the property or business of the Fund, nor the merger or consolidation of the Fund into or with any other corporation nor the merger or consolidation of any other corporation into or with the Fund shall be a dissolution, liquidation or winding up, whether voluntary or involuntary, for the purposes of this Section 6.

(c) After the payment to the Holders of the APS of the full preferential amounts provided for in this Section 6, the Holders of the APS as such shall have no right or claim to any of the remaining assets of the Fund.

(d) In the event the assets of the Fund available for distribution to the Holders of the APS upon any dissolution, liquidation or winding up of the affairs of the Fund, whether voluntary or involuntary, shall be insufficient to pay in full all amounts to which such Holders are entitled pursuant to paragraph (a) of this Section 6, no such distribution shall be made on account of any shares of any other class or series of Preferred Shares ranking on a parity

B-16

with the APS with respect to the distribution of assets upon such dissolution, liquidation or winding up unless proportionate distributive amounts shall be paid on account of the APS, ratably, in proportion to the full distributable amounts for which holders of all such parity shares are respectively entitled upon such dissolution, liquidation or winding up.

(e) Subject to the rights of the holders of shares of any series or class or classes of shares ranking on a parity with the APS with respect to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund, after payment shall have been made in full to the Holders of the APS as provided in paragraph (a) of this Section 6, but not prior thereto, any other series or class or classes of shares ranking junior to the APS with respect to the distribution of assets upon dissolution, liquidation or winding up of the affairs of the Fund shall, subject to the respective terms and provisions (if any) applying thereto, be entitled to receive any and all assets remaining to be paid or distributed, and the Holders of the APS shall not be entitled to share therein.

7. Auction Agent. For so long as any of the APS is outstanding, the Auction Agent, duly appointed by the Fund to so act, shall be in each case a commercial bank, trust company or other financial institution independent of the Fund and its affiliates (which, however, may engage or have engaged in business transactions with the Fund or its affiliates) and at no time shall the Fund or any of its affiliates act as the Auction Agent in connection with the Auction Procedures. If the Auction Agent resigns or for any reason its appointment is terminated during any period that any of the APS is outstanding, the Board of Trustees shall use its best efforts promptly thereafter to appoint another qualified commercial bank, trust company or financial institution to act as the Auction Agent.

8. 1940 Act APS Asset Coverage. The Fund shall maintain, as of the last Business Day of each month in which any of the APS is outstanding, the 1940 Act APS Asset Coverage.

9. APS Basic Maintenance Amount. (a) So long as APS are Outstanding, the Fund shall maintain, on each Valuation Date, and shall verify to its satisfaction that it is maintaining on such Valuation Date, (i) S&P Eligible Assets having an aggregate Discounted Value equal to or greater than the APS Basic Maintenance Amount (if S&P is then rating the APS) and (ii) Moody's Eligible Assets having an aggregate Discounted Value equal to or greater than the APS Basic Maintenance Amount (if Moody's is then rating the APS).

(b) On or before 5:00 P.M., New York City time, on the third Business Day after a Valuation Date on which the Fund fails to satisfy the APS Basic Maintenance Amount, and on the third Business Day after the APS Basic Maintenance Cure Date with respect to such Valuation Date, the Fund shall complete and deliver to S&P (if S&P is then rating the APS), Moody's (if Moody's is then rating the APS) and the Auction Agent (if either S&P or Moody's is then rating the APS) an APS Basic Maintenance Report as of the date of such failure or such APS Basic Maintenance Cure Date, as the case may be, which will be deemed to have been delivered to the Auction Agent if the Auction Agent receives a copy or telecopy, telex or other electronic transcription thereof and on the same day the Fund mails to the Auction Agent for delivery on the next Business Day the full APS Basic Maintenance Report. The Fund shall also deliver an APS Basic Maintenance Report to S&P (if S&P is then rating the APS), and the

B-17

Auction Agent (if S&P is then rating the APS) as of (i) the fifteenth day of each month (or, if such day is not a Business Day, the next succeeding Business Day) and (ii) the last Business Day of each month, in each case on or before the third Business Day after such day. The Fund will also deliver an APS Basic Maintenance Report to Moody's on any Valuation Date that (i) the Discounted Value of Moody's Eligible Assets is greater than the APS Basic Maintenance Amount by 5% or less or (ii) on any date which the Fund redeems Common Shares. A failure by the Fund to deliver an APS Basic Maintenance Report under subparagraph (b) of this Section 9 shall be deemed to be delivery of an APS Basic Maintenance Report indicating the Discounted Value for all assets of the Fund is less than the APS Basic Maintenance Amount, as of the relevant Valuation Date.

(c) Within ten Business Days after the date of delivery of an APS Basic Maintenance Report in accordance with paragraph (b) of this Section 9 relating to a Quarterly Valuation Date, the Fund shall cause the Independent Accountant to confirm in writing to S&P (if S&P is then rating the APS), Moody's (if Moody's is then rating the APS) and the Auction Agent (if either S&P or Moody's is then rating the APS) (i) the mathematical accuracy of the calculations reflected in such Report (and in any other APS Basic Maintenance Report, randomly selected by the Independent Accountant, that was delivered by the Fund during the quarter ending on such Quarterly Valuation Date) and (ii) that, in such Report (and in such randomly selected Report), the Fund determined in accordance with this Certificate of Vote whether the Fund had, at such Quarterly Valuation Date (and at the Valuation Date addressed in such randomly-selected Report), S&P Eligible Assets (if S&P is then rating the APS) of an aggregate Discounted Value at least equal to the APS Basic Maintenance Amount and Moody's Eligible Assets (if Moody's is then rating the APS) of an aggregate Discounted Value at least equal to the APS Basic Maintenance Amount (such confirmation being herein called the "Accountant's Confirmation").

(d) Within ten Business Days after the date of delivery of an APS Basic Maintenance Report in accordance with paragraph (b) of this Section 9 relating to any Valuation Date on which the Fund failed to satisfy the APS Basic Maintenance Amount, and relating to the APS Basic Maintenance Cure Date with respect to such failure to satisfy the APS Basic Maintenance Amount, the Fund shall cause the Independent Accountant to provide to S&P (if S&P is then rating the APS), Moody's (if Moody's is then rating the APS) and the Auction Agent (if either S&P or Moody's is then rating the APS) an Accountant's Confirmation as to such APS Basic Maintenance Report.

(e) If any Accountant's Confirmation delivered pursuant to subparagraph (c) or (d) of this Section 9 shows that an error was made in the APS Basic Maintenance Report for a particular Valuation Date for which such Accountant's Confirmation was required to be delivered, or shows that a lower aggregate Discounted Value for the aggregate of all S&P Eligible Assets (if S&P is then rating the APS) or Moody's Eligible Assets (if Moody's is then rating the APS), as the case may be, of the Fund was determined by the Independent Accountant, the calculation or determination made by such Independent Accountant shall be final and conclusive and shall be binding on the Fund, and the Fund shall accordingly amend and deliver the APS Basic Maintenance Report to S&P (if S&P is then rating the APS), Moody's (if Moody's is then rating the APS) and the Auction Agent (if either S&P or Moody's is then rating the APS) promptly following receipt by the Fund of such Accountant's Confirmation.

B-18

(f) On or before 5:00 p.m., New York City time, on the first Business Day after the Date of Original Issue of the APS, the Fund shall complete and deliver to S&P (if S&P is then rating the APS) and to Moody's (if Moody's is then rating the APS), an APS Basic Maintenance Report as of the close of business on such Date of Original Issue. Within five Business Days of such Date of Original Issue, the Fund shall cause the Independent Accountant to confirm in writing to S&P (if S&P is then rating the APS) and to Moody's (if Moody's is then rating the APS) (i) the mathematical accuracy of the calculations reflected in such Report and (ii) that the amount of S&P Eligible Assets reflected thereon equals or exceeds the APS Basic Maintenance Amount reflected thereon.

10. Minimum Liquidity Level. So long as S&P is rating the APS, the Fund shall have, as of each Valuation Date, Dividend Coverage Assets, with respect to each then Outstanding share of each series of APS, having a value not less than the Dividend Coverage Amount with respect to such share (the "Minimum Liquidity Level"). If, as of each Valuation Date, the Fund does not have the required Dividend Coverage Assets, the Fund shall, as soon as practicable, adjust its portfolio in order to meet the Minimum Liquidity Level, but only so long as S&P is rating the APS. So long as S&P is rating the APS, the Fund shall notify S&P on any Valuation Date which the Fund does not have the required Dividend Coverage Assets and does not adjust its portfolio as described in the immediately preceding sentence.

11. Restrictions on Certain Distributions. For so long as any of the APS is Outstanding, and except as set forth in Sections 2(e) and 6(d) of this Part I, (A) the Fund shall not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or options, warrants or rights to subscribe for or purchase, Common Shares or other shares, if any, ranking junior to the APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up) in respect of the Common Shares or any other shares of the Fund ranking junior to or on a parity with the APS as to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up, or call for redemption, redeem, purchase or otherwise acquire for consideration any Common Shares or any other such junior shares (except by conversion into or exchange for shares of the Fund ranking junior to the APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up), or any such parity shares (except by conversion into or exchange for shares of the Fund ranking junior to or on a parity with APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up), unless (i) full cumulative dividends on shares of each series of APS through its most recently ended Dividend Period shall have been paid or shall have been declared and sufficient funds for the payment thereof deposited with the Auction Agent and (ii) the Fund has redeemed the full number of shares of each series of APS required to be redeemed by any provision for mandatory redemption pertaining thereto, and (B) if either Moody's or S&P is rating the APS, the Fund shall not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or options, warrants or rights to subscribe for or purchase, Common Shares or other shares, if any, ranking junior to the APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up) in respect of Common Shares or any other shares of the Fund ranking junior to the APS as to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up, or call for redemption, redeem, purchase or otherwise acquire for consideration any shares of Common Shares or any other such junior shares (except by conversion into or exchange for shares

of the Fund ranking

B-19

junior to the APS as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up), unless immediately after such transaction the Discounted Value of Moody's Eligible Assets and S&P Eligible Assets would each at least equal the APS Basic Maintenance Amount.

12. Additional Dividends. If the Fund retroactively allocates any net capital gains or other income taxable for federal income tax purposes to the APS without having given advance notice thereof to the Auction Agent as provided in Section 6 of Part II by reason of the fact that such allocation is made as a result of (i) the realization of net capital gains or other income taxable for federal income tax purposes, (ii) the redemption of all or a portion of the outstanding APS or (iii) the liquidation of the Fund (such allocation being referred to herein as a "Retroactive Taxable Allocation"), the Fund will simultaneously, if practicable, with such allocation but in no event later than 270 days after the end of the Fund's taxable year in which a Retroactive Taxable Allocation is made, provide notice thereof to the Auction Agent and to each Holder of such shares during such taxable year at such Holder's address as the same appears or last appeared on the share books of the Fund. Such Holders of such shares shall be entitled to receive, when, as and if declared by the Board of Trustees, out of funds legally available therefor, dividends in an amount equal to the aggregate Additional Dividends with respect to all Retroactive Taxable Allocations made to such shares during the taxable year in question, such dividends to be payable by the Fund to the Auction Agent, for distribution to such Holders, within 30 days after the notice described above is given to the Auction Agent.

13. Certain Other Restrictions. (a) For so long as any of the APS is outstanding and Moody's is then rating such shares, the Fund will not, unless it has received written confirmation from Moody's that any such action would not impair the ratings then assigned by Moody's to the APS, engage in any one or more of the following transactions:

(i) transactions in options on securities, futures contracts or options on futures contracts except that in connection with Moody's Hedging Transactions: (A) the Fund may buy call or put option contracts on securities; (B) the Fund may write covered call options on securities; (C) the Fund may write put options on securities; (D) the Fund may enter into positions in futures contracts based on the Municipal Index provided that the Fund shall not engage in any such transaction which would cause the Fund at the time of such transaction to own or have sold (1) outstanding futures contracts based on the Municipal Index exceeding in number 10% of the rolling average number of daily traded futures contracts based on the Municipal Index in the 30 calendar days prior to the time of effecting such transaction as reported by The Wall Street Journal or (2) outstanding futures contracts based on the Municipal Index and options on such futures contracts having an aggregate fair market value (taking into account the fair market value of futures contracts based on Treasury Bonds) exceeding the fair market value of Moody's Eligible Assets owned by the Fund; (E) the Fund may enter into futures contracts on Treasury Bonds provided that the Fund shall not engage in any such transaction which would cause the Fund at the time of such transaction to own or have sold (1) outstanding futures contracts based on Treasury Bonds and options on such futures contracts having an aggregate fair market value (taking into account the fair market value of futures

B-20

contracts based on the Municipal Index) exceeding 40% of the aggregate fair market value of Moody's Eligible Assets owned by the Fund and rated Aa by Moody's (or, if not rated by Moody's but rated by S&P, rated AAA by S&P) or (2) outstanding futures contracts based on Treasury Bonds and options on such futures contracts having an aggregate fair market value (taking into account the fair market value of futures contracts based on the Municipal Index) exceeding 80% of the aggregate fair market value of Moody's Eligible Assets owned by the Fund and rated Baa or A by Moody's (or, if not rated by Moody's but rated by S&P, rated A or AA by S&P); for purposes of the foregoing clauses (D) and (E), the Fund shall be deemed to own the number of futures contracts that underlie any outstanding option written by the Fund; and (F) the Fund may buy call or put options on futures contracts on the Municipal Index or Treasury Bonds, may write put options on such futures contracts (provided, that if the contract would require delivery of a security, that security must be held by the Fund) and may write call options on such futures if it owns the futures contract subject to the option. For so long as the APS are rated by Moody's, the Fund will engage in Closing Transactions to close out any outstanding futures contract based on the Municipal Index if the open interest with respect to such futures contracts based on the Municipal Index as reported by The Wall Street Journal is less than 5,000. For so long as the APS are rated by Moody's, the Fund will engage in a Closing Transaction to close out any outstanding futures contract by no later than the fifth Business Day of the month in which such contract expires and will engage in a Closing Transaction to close out any outstanding option on a futures contract by no later than the first Business Day of the month in which such option expires. For so long as the APS are rated by Moody's, the Fund will engage in transactions with respect to futures contracts or options thereon having only the next settlement date or the settlement date immediately thereafter. For purposes of valuation of Moody's Eligible Assets: (A) if the Fund writes a call option, the underlying asset will be valued as follows: (1) if the option is exchange-traded and may be offset readily or if the option expires before the earliest possible redemption of the APS, at the Discounted Value of the underlying security of the option or (2) otherwise, it has no value; (B) if the Fund writes a put option, the underlying asset will be valued as follows: the lesser of (1) exercise price and (2) the Discounted Value of the underlying security; (C) if the Fund is a seller under a futures contract, the underlying security will be valued at the lower of (1) settlement price and (2) the Discounted Value of the underlying security; if a contract matures within the Moody's Exposure Period, the security may be valued at the settlement price; (D) if the Fund is the buyer under a futures contract, the underlying security will be valued at the lower of (1) the settlement price and (2) the Discounted Value of the underlying security; if the contract matures within the Moody's Exposure Period, the security may be valued at its Discounted Value and (E) call or put option contracts which the Fund buys have no value. For so long as APS are rated by Moody's: (A) the Fund will not engage in options and futures transactions for leveraging or speculative purposes; (B) the Fund will not write or sell any anticipatory contracts pursuant to which the Fund hedges the anticipated purchase of an asset prior to completion of such purchase; (C) the Fund will not

B-21

enter into an option or futures transaction unless, after giving effect thereto, the Fund would continue to have Moody's Eligible Assets with an aggregate Discounted Value equal to or greater than the APS Basic Maintenance Amount; (D) the Fund will not enter into an option or futures transaction unless after giving effect to such transaction the Fund would continue to be in compliance with the provisions relating to the APS Basic Maintenance Amount; (E) for purposes of the APS Basic Maintenance Amount (1) assets in margin accounts are not Moody's Eligible Assets, (2) 10% of the settlement price of assets sold under a futures contract, the settlement price of assets purchased under a futures contract, the settlement price of an underlying futures contract if the Fund writes put options on futures contracts will constitute liabilities of the Fund and (3) if the Fund writes call options on futures contracts and does not own the underlying futures contract, 105% of the Market Value of the underlying futures contract will constitute a liability of the Fund; (F) the Fund shall enter into only exchange-traded futures and shall write only exchange-traded options on exchanges approved by Moody's; (G) where delivery may be made to the Fund with any of a class of securities, the Fund shall assume for purposes of the APS Basic Maintenance Amount that it takes delivery of that security which yields it the least value; (H) the Fund will not engage in forward contracts; (I) the Fund will enter into futures contracts as seller only if it owns the underlying security; and (J) there shall be a quarterly audit made of the Fund's futures and options transactions by the Fund's independent accountants to confirm that the Fund is in compliance with these standards; or

(ii) incur any indebtedness, without prior written approval of Moody's that such indebtedness would not adversely affect the then current rating by Moody's of the APS except that the Fund may, without obtaining the written confirmation described above, incur indebtedness for the purpose of clearing securities transactions if the APS Basic Maintenance Amount would continue to be satisfied after giving effect to such indebtedness; or

(iii) issue any class or series of shares ranking prior to or on a parity with the APS with respect to the payment of dividends or the distribution of assets upon dissolution, liquidation or winding up of the Fund, or reissue any APS previously purchased or redeemed by the Fund; or

(b) For so long as any of the APS is Outstanding and S&P is rating such shares, the Fund will not, unless the Fund has received written confirmation from S&P that any such action would not impair the rating then assigned by such rating agency to the APS, engage in any one or more of the following transactions:

(i) transactions in any reverse repurchase agreements; or

(ii) lend portfolio securities; or

B-22

(iii) borrow money, except that the Fund

may, without obtaining the written confirmation described above, borrow money for the purposes of clearing securities transactions if the APS Basic Maintenance Amount would continue to be satisfied after giving effect to such borrowing; or

(v) engage in repurchase agreement transactions in which the term of such repurchase obligation is longer than 90 days, in which the underlying security is a security other than United States treasury securities (not inclusive of zero-coupon securities), demand deposits, certificates of deposits or bankers acceptance in which the counter-party or its affiliates have securities rated A1+ by S&P with respect to such underlying security; or

(vi) engage in short sale transactions;

or

(vii) purchase or sell futures contracts or options thereon or write uncovered put or uncovered call options on portfolio securities except that (A) the Fund may engage in any S&P Hedging Transactions based on the Municipal Index, provided that the Fund shall not engage in any S&P Hedging Transaction based on the Municipal Index (other than Closing Transactions) which would cause the Fund at the time of such transaction to own or have sold the least of (1) more than 1,000 outstanding futures contracts based on the Municipal Index, (2) outstanding futures contracts based on the Municipal Index and on the Treasury Bonds exceeding in number 25% of the quotient of the fair market value of the Fund's total assets divided by 100,000 or (3) outstanding futures contract based on the Municipal Index exceeding in number 10% of the average number of daily traded futures contracts based on the Municipal Index in the month prior to the time of effecting such transaction as reported by The Wall Street Journal and (B) the Fund may engage in S&P Hedging Transactions based on Treasury Bonds, provided that the Fund shall not engage in any S&P Hedging Transaction based on Treasury Bonds (other than Closing Transactions) which would cause the Fund at the time of such transaction to own or have sold the lesser of (1) outstanding futures contracts based on Treasury Bonds and on the Municipal Index exceeding in number 25% of the quotient of the fair market value of the Fund's total assets divided by 100,000 or (2) outstanding futures contracts based on Treasury Bonds exceeding in number 10% of the average number of daily traded futures contracts based on Treasury Bonds in the month prior to the time of effecting such transaction as reported by The Wall Street Journal. For purposes of determining S&P Eligible Assets to determine compliance with the APS Basic Maintenance Amount, no amounts on deposit with the Fund's custodian or broker representing Initial Margin or Variation Margin shall constitute S&P Eligible Assets. For so long as the APS are rated by S&P, when the Fund writes a futures contract or option thereon, it will maintain an amount of cash, cash equivalents or short-term, money market securities in a segregated account with the Fund's custodian, so that the amount so segregated plus the amount of Initial Margin and Variation Margin held in the account of the Fund's broker equals the fair market value of the futures contract, except that in the event the Fund writes a futures contract or option thereon which requires delivery of an underlying security, the Fund shall hold such underlying security.

(d) If any Existing Holder submits through a Broker-Dealer to the Auction Agent one or more Orders covering in the aggregate more than the number of Outstanding shares of any series of APS subject to an Auction held by such Existing Holder, such Orders shall be considered valid in the following order of priority:

(i) all Hold Orders for shares of such series of APS shall be considered valid, but only up to and including in the aggregate the number of Outstanding shares of such series of APS held by such Existing Holder, and if the number of shares of such series of APS subject to such Hold Orders exceeds the number of Outstanding shares of such series of APS held by such Existing Holder, the number of shares subject to each such Hold Order shall be reduced pro rata to cover the number of Outstanding shares of such series of APS held by such Existing Holder;

(ii) (A) any Bid for shares of such series of APS shall be considered valid up to and including the excess of the number of Outstanding shares of such series of APS held by such Existing Holder over the number of shares of such series of APS subject to any Hold Orders referred to in clause (i) above;

(B) subject to subclause (A), if more than one Bid for shares of such series of APS with the same rate is submitted on behalf of such Existing Holder and the number of

Outstanding shares of such series of APS subject to such Bids is greater than such excess, such Bids shall be considered valid up to and including the amount of such excess, and the number of shares of such series of APS subject to each Bid with the same rate shall be reduced pro rata to cover the number of shares of such series of APS equal to such excess;

(C) subject to subclauses (A) and (B), if more than one Bid for shares of such series of APS with different rates is submitted on behalf of such Existing Holder, such Bids shall be considered valid in the ascending order of their respective rates up to and including the amount of such excess; and

B-41

(D) in any such event, the number, if any, of such Outstanding shares of such series of APS subject to any portion of Bids considered not valid in whole or in part under the clause (ii) shall be treated as the subject of a Bid for shares of such series of APS by a Potential Holder at the rate therein specified; and

(iii) all Sell Orders for shares of such series of APS shall be considered valid up to and including the excess of the number of Outstanding shares of such series of APS held by such Existing Holder over the sum of the APS subject to valid Hold Orders referred to in clause (i) above and valid Bids by such Existing Holder referred to in clause (ii) above.

(e) If more than one Bid for one or more shares of any series of APS is submitted on behalf of any Potential Holder, each such Bid submitted shall be a separate Bid with the rate and number of shares therein specified.

(f) An Order submitted by a Broker-Dealer to the Auction Agent prior to the Submission Deadline on any Auction Date shall be irrevocable.

4. Determination of Sufficient Clearing Bids, Winning Bid Rate and Applicable Rate. (a) Not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all valid Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order" and collectively as "Submitted Hold Orders," "Submitted Bids" or "Submitted Sell Orders," as the case may be, or as "Submitted Orders" and shall for each series of APS for which an Auction is being held determine:

(i) the excess of the number of Outstanding shares of such series of APS over the number of Outstanding shares of such series of APS subject to Submitted Hold Orders (such excess being hereinafter referred to as the "Available APS" of such series);

(ii) from the Submitted Orders for such series whether:

(A) the number of Outstanding shares of such series of APS subject to Submitted Bids by Potential Holders

specifying one or more rates equal to or lower than the Maximum Rate for such series

exceeds or is equal to the sum of

(B) the number of Outstanding shares of such series of APS subject to Submitted Bids by Existing Holders specifying one or more rates higher than the Maximum Rate for such series; and

(C) the number of Outstanding shares of such series of APS subject to Submitted Sell Orders

B-42

(in the event such excess or such equality exists (other than because the number of shares of such series of APS in subclauses (B) and (C) above is zero because all of the Outstanding shares of such series of APS are subject to Submitted Hold Orders), such Submitted Bids in subclause (A) above being hereinafter referred to collectively as "Sufficient Clearing Bids" for such series); and

(iii) if Sufficient Clearing Bids for such series exist, the lowest rate specified in such Submitted Bids (the "Winning Bid Rate" for such series) which if:

(A) (I) each such Submitted Bid from Existing Holders specifying such lowest rate and (II) all other such Submitted Bids from Existing Holders specifying lower rates were rejected, thus entitling such Existing Holders to continue to hold the shares of such series of APS that are subject to such Submitted Bids; and

(B) (I) each such Submitted Bid from Potential Holders specifying such lowest rate and (II) all other such Submitted Bids from Potential Holders specifying lower rates were accepted;

would result in such Existing Holders described in subclause (A) above continuing to hold an aggregate number of Outstanding shares of such series of APS which, when added to the number of Outstanding shares of such series of APS to be purchased by such Potential Holders described in subclause (B) above, would equal not less than the Available APS of such series.

(b) Promptly after the Auction Agent has made the determinations pursuant to paragraph (a) of this Section 4, the Auction Agent shall advise the Fund of the Maximum Rate for each series of APS for which an Auction is being held on the Auction Date and, based on such determination, the Applicable Rate for each such series for the next succeeding Rate Period thereof as follows:

(i) if Sufficient Clearing Bids for such series exist, that the Applicable Rate for such series for the next succeeding Rate Period thereof shall be equal to the Winning Bid Rate for such series to determined;

(ii) if Sufficient Clearing Bids for such series do not exist (other than because all of the Outstanding shares of such series of APS are subject to Submitted Hold Orders), that the Applicable Rate for such series for the next succeeding Rate

Period, which shall be a Minimum Dividend Period, thereof shall be equal to the Maximum Rate for such series; or

(iii) if all of the Outstanding shares of such series of APS are subject to Submitted Hold Orders, that the Applicable Rate for such series for the next succeeding Rate Period thereof shall be equal to the product of (A) (I) the "AA" Composite Commercial Paper Rate on such Auction Date for such Rate Period, if such Rate Period consists of less than four Dividend Periods or (II) the Treasury Rate on such Auction Date for such Rate Period, if such Rate Period consists of four or more Dividend Periods and (B) 1 minus the maximum marginal regular federal individual income tax rate applicable to ordinary income

B-43

or the maximum marginal regular federal corporate income tax rate, whichever is greater; provided, however, that if the Fund has notified the Auction Agent of its intent to allocate to the APS in such Rate Period any net capital gains or other income taxable for Federal income tax purposes, the Applicable Rate in respect of that portion of the dividend on the APS for such Rate Period that represents the allocation of net capital gains or other income taxable for Federal income tax purposes shall be the rate described in the preceding clause (A) (I) or (II), as applicable, without being multiplied by the factor set forth in the preceding clause (B).

5. Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Shares. Existing Holders shall continue to hold the APS that are subject to Submitted Hold Orders, and, based on the determinations made pursuant to paragraph (a) of Section 4 of this Part II, the Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other action as set forth below:

(a) If Sufficient Clearing Bids for any series of APS have been made, all Submitted Sell Orders shall be accepted and, subject to the provisions of paragraphs (d) and (e) of this Section 5, Submitted Bids shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids for such series shall be rejected:

(i) Existing Holders' Submitted Bids for shares of such series of APS specifying any rate that is higher than the Winning Bid Rate for such series shall be accepted, thus requiring each such Existing Holder to sell the APS subject to such Submitted Bids;

(ii) Existing Holders' Submitted Bids for shares of such series of APS specifying any rate that is lower than the Winning Bid Rate for such series shall be rejected, thus entitling each such Existing Holder to continue to hold the APS subject to such Submitted Bids;

(iii) Potential Holders' Submitted Bids for shares of such series of APS specifying any rate that is lower than the Winning Bid Rate shall be accepted;

(iv) each Existing Holder's Submitted Bid for shares of such series of APS specifying a rate that is equal to the Winning Bid Rate for such series shall be rejected, thus entitling

such Existing Holder to continue to hold the APS subject to such Submitted Bid, unless the number of Outstanding shares of such series of APS subject to all such Submitted Bids shall be greater than the number of shares of such series of APS ("remaining shares") in the excess of the Available APS of such series over the number of the APS subject to Submitted Bids described in clauses (ii) and (iii) of this paragraph (a), in which event such Submitted Bid of such Existing Holder shall be rejected in part, and such Existing Holder shall be entitled to continue to hold the APS subject to such Submitted Bid, but only in an amount equal to the number of shares of such series of APS obtained by multiplying the number of remaining shares by a fraction, the numerator of which shall be the number of Outstanding shares of such series of APS held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the aggregate number of Outstanding shares of such series of APS subject to such Submitted Bids made by all such Existing Holders that specified a rate equal to the Winning Bid Rate for such series; and

(v) each Potential Holder's Submitted Bid for shares of such series of APS specifying a rate that is equal to the Winning Bid Rate for such series shall be accepted but only in an amount equal to the number of shares of such series of APS obtained by multiplying the number of shares in the excess of the Available APS of such series over the number of the APS subject to Submitted Bids described in clauses (ii) through (iv) of this paragraph (a) by a fraction, the

B-44

numerator of which shall be the number of Outstanding shares of such series of APS subject to such Submitted Bid and the denominator of which shall be the aggregate number of Outstanding shares of such series of APS subject to such Submitted Bids made by all such Potential Holders that specified a rate equal to the Winning Bid Rate for such series; and

(b) If Sufficient Clearing Bids for any series of APS have not been made (other than because all of the Outstanding shares of such series of APS are subject to Submitted Hold Orders), subject to the provisions of paragraph (d) of this Section 5, Submitted Orders for such series shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids for such series shall be rejected:

(i) Existing Holders' Submitted Bids for shares of such series of APS specifying any rate that is equal to or lower than the Maximum Rate for such series shall be rejected, thus entitling such Existing Holders to continue to hold the APS subject to such Submitted Bids;

(ii) Potential Holders' Submitted Bids for shares of such series of APS specifying any rate that is equal to or lower than the Maximum Rate for such series shall be accepted; and

(iii) Each Existing Holder's Submitted Bid for shares of such series of APS specifying any rate that is higher than the Maximum Rate of such series and the Submitted Sell Orders for shares of such series of APS of each Existing Holder shall be accepted, thus entitling each Existing Holder that submitted any such Submitted Bid or Submitted Sell Order to sell the shares of such series of APS

subject to such Submitted Bid or Submitted Sell Order, but in both cases only in an amount equal to the number of shares of such series of APS obtained by multiplying the number of shares of such series of APS subject to Submitted Bids described in clause (ii) of this paragraph (b) by a fraction, the numerator of which shall be the number of Outstanding shares of such series of APS held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the aggregate number of Outstanding shares of such series of APS subject to all such Submitted Bids and Submitted Sell Orders.

B-45

(c) If all of the Outstanding shares of any series of APS are subject to Submitted Hold Orders, all Submitted Bids for such series shall be rejected.

(d) If, as a result of the procedures described in clause (iv) or (v) of paragraph (a) or clause (iii) of paragraph (b) of this Section 5, any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a fraction of a share of APS of any series on any Auction Date, the Auction Agent shall, in such manner as it shall determine in its sole discretion, round up or down the number of shares of such series of APS to be purchased or sold by any Existing Holder or Potential Holder on such Auction Date as a result of such procedures so that the number of shares of such series so purchased or sold by each Existing Holder or Potential Holder on such Auction Date shall be whole shares of APS.

(e) If, as a result of the procedures described in clause (v) of paragraph (a) of this Section 5, any Potential Holder would be entitled or required to purchase less than a whole share of any series of APS on any Auction Date, the Auction Agent shall, in such manner as it shall determine in its sole discretion, allocate shares of such series of APS for purchase among Potential Holders so that only whole shares of such series of APS are purchased on such Auction Date as a result of such procedures by any Potential Holder, even if such allocation results in one or more Potential Holders not purchasing the APS on such Auction Date.

(f) Based on the results of each Auction for a series of APS, the Auction Agent shall determine the aggregate number of shares of such series of APS to be purchased and the aggregate number of shares of such series of APS to be sold by Potential Holders and Existing Holders on whose behalf each Broker-Dealer submitted Bids or Sell Orders and, with respect to each Broker-Dealer, to the extent that such aggregate number of shares to be purchased and such aggregate number of shares to be sold differ, determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers of shares of such series of APS such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers of shares of such series of APS such Broker-Dealer shall receive, as the case may be, shares of such series of APS.

6. Notification of Allocations. In normal circumstances, whenever the Fund intends to include any net capital gains or other income taxable for Federal income tax purposes in any dividend on the APS, the Fund will notify the Auction Agent of the amount to be so included 15 days prior to the Auction Date on which the Applicable Rate for such dividend is to be established. Whenever the Auction Agent receives such notice from the Fund, it will in turn notify each Broker-Dealer, who, on or prior to such Auction Date, in accordance with its Broker-Dealer Agreement, will notify its Existing Holders

Edgar Filing: VAN KAMPEN TRUST FOR INVESTMENT GRADE MUNICIPALS - Form N-14 8C

and Potential Holders believed by it to be interested in submitting an Order in the Auction to be held on such Auction Date.

7. Miscellaneous. (a) To the extent permitted by applicable law, the Board of Trustees may interpret or adjust the provisions of this Certificate of Vote to resolve any inconsistency or ambiguity or to remedy any formal defect, and may amend this Certificate of Vote with respect to any series of APS prior to the issuance of such series.

B-46

(b) An Existing Holder may sell, transfer or otherwise dispose of the APS only in whole shares and only pursuant to a Bid or Sell Order in accordance with the procedures described in this Part II or to or through a Broker-Dealer or to a Person that has delivered a signed copy of a Master Purchaser's Letter to the Auction Agent; provided, that in the case of all transfers other than pursuant to Auctions, such Existing Holder, its Broker-Dealer or its Agent Member advises the Auction Agent of such transfer.

(c) All of the shares of each series of APS outstanding from time to time shall be represented by one global certificate registered in the name of the Securities Depository or its nominee.

(d) Neither the Fund nor any affiliate thereof may submit an Order in any Auction, except that any Broker-Dealer that is an affiliate of the Fund may submit Orders in an Auction, but only if such Orders are not for its own account.

IN WITNESS WHEREOF, the undersigned has caused this Certificate of Vote to be executed as of March , 1992.

If the Fund has more than one series of APS outstanding, the affirmative vote of the holders of a majority (unless a higher percentage vote is required under the Declaration of Trust or under this Certificate of Vote) of the outstanding shares of each series of APS, each voting as a separate class, is required with respect to any matter that materially affects the series in a manner different from that of other series of classes of the Fund's shares, including without limitation any proposal to do the following: (1) increase or decrease the aggregate number of authorized shares of the series; (2) effect any exchange, reclassification, or cancellation of all

or part of the shares of the series; (3) effect an exchange, or create a right of exchange, of all or any part of the shares of the series; (4) change the rights or preferences of the shares of the series; (5) change the shares of the series, whether with or without par value, of the same or another class or series; (6) create a new class or series of shares having rights and preferences prior and superior to the shares of the series, or increase the rights and preferences or the number of authorized shares of a series having rights and preferences prior or superior to the shares of the series; or (7) cancel or otherwise affect distributions on the shares of the series that have accrued but have not been declared. To the extent that the interest of a series of APS affected by a matter are substantially identical to the interests of another series of APS affected by such matter (e.g., a vote of shareholders required under Section 13(a) of the 1940 Act), each such series shall vote together collectively as one class. The vote of holders of each series of APS described above will in each case be in addition to a separate vote of the requisite percentage of Common Shares and APS necessary to authorize the action in question.

For purposes of the APS Basic Maintenance Amount in connection with S&P's ratings of the APS, with respect to any transactions by the Fund in futures contracts, the Fund shall include as liabilities (i) 30% of the aggregate settlement value, as marked to market, of any outstanding futures contracts based on the Municipal Index which are owned by the Fund plus (ii) 25% of the aggregate settlement value, as marked to market, of any outstanding futures contracts based on Treasury Bonds which contracts are owned by the Fund. Section 15 (ii) of Part I of the Certificate of Vote is hereby amended to replace such section with the following:

MORGAN STANLEY INVESTMENT MANAGEMENT
PROXY VOTING POLICY AND PROCEDURES

IV. POLICY STATEMENT

Introduction -- Morgan Stanley Investment Management's ("MSIM") policy and procedures for voting proxies ("Proxy Voting Policy and Procedures") with respect to securities held in the accounts of clients apply to those MSIM entities that provide discretionary investment management services and for which a MSIM entity has authority to vote proxies. The policies and procedures and general guidelines in this section will be reviewed and updated, as necessary, to address new or revised proxy voting issues. The MSIM entities covered by these policies and procedures currently include the following: Morgan Stanley Investment Advisors Inc., Morgan Stanley AIP GP LP, Morgan Stanley Investment Management Inc., Morgan Stanley Investment Management Limited, Morgan Stanley Investment Management Company, Morgan Stanley Asset & Investment Trust Management Co., Limited, Morgan Stanley Investment Management Private Limited, Morgan Stanley Hedge Fund Partners GP LP, Morgan Stanley Hedge Fund Partners LP, Van Kampen Asset Management, and Van Kampen Advisors Inc. (each a "MSIM Affiliate" and collectively referred to as the "MSIM Affiliates").

Each MSIM Affiliate will use its best efforts to vote proxies as part of its authority to manage, acquire and dispose of account assets. With respect to the MSIM registered management investment companies (Van Kampen, Institutional and Advisor Funds) (collectively referred to as the "MSIM Funds"), each MSIM Affiliate will vote proxies pursuant to authority granted under its applicable investment advisory agreement or, in the absence of such authority, as authorized by the Boards of Directors or Trustees of the MSIM Funds. A MSIM Affiliate will not vote proxies if the "named fiduciary" for an ERISA account has reserved the authority for itself, or in the case of an account not governed by ERISA, the Investment Management or Investment Advisory Agreement does not authorize the MSIM Affiliate to vote proxies. MSIM Affiliates will, in a prudent and diligent manner, vote proxies in the best interests of clients, including beneficiaries of and participants in a client's benefit plan(s) for which the MSIM Affiliates manage assets, consistent with the objective of maximizing long-term investment returns ("Client Proxy Standard"). In certain situations, a client or its fiduciary may provide a MSIM Affiliate with a proxy voting policy. In these situations, the MSIM Affiliate will comply with the client's policy

unless to do so would be inconsistent with applicable laws or regulations or the MSIM Affiliate's fiduciary responsibility.

Proxy Research Services -- To assist the MSIM Affiliates in their responsibility for voting proxies and the overall global proxy voting process, Institutional Shareholder Services ("ISS") and the Investor Responsibility Research Center ("IRRC") have been retained as experts in the proxy voting and corporate governance area. ISS and IRRC are independent advisers that specialize in providing a variety of fiduciary-level proxy-related services to institutional investment managers, plan sponsors, custodians, consultants, and other institutional investors. The services provided to MSIM Affiliates include in-depth research, global issuer analysis, and voting recommendations. While the MSIM Affiliates may review and utilize the ISS and IRRC recommendations in making proxy voting decisions, they are in no way obligated to follow the ISS and IRRC recommendations. In addition to research, ISS provides vote execution, reporting, and recordkeeping. MSIM's Proxy Review Committee (see Section IV.A. below) will carefully monitor and supervise the services provided by the proxy research services.

F-1

Voting Proxies for Certain Non-US Companies -- While the proxy voting process is well established in the United States and other developed markets with a number of tools and services available to assist an investment manager, voting proxies of non-US companies located in certain jurisdictions, particularly emerging markets, may involve a number of problems that may restrict or prevent a MSIM Affiliate's ability to vote such proxies. These problems include, but are not limited to: (i) proxy statements and ballots being written in a language other than English; (ii) untimely and/or inadequate notice of shareholder meetings; (iii) restrictions on the ability of holders outside the issuer's jurisdiction of organization to exercise votes; (iv) requirements to vote proxies in person, (v) the imposition of restrictions on the sale of the securities for a period of time in proximity to the shareholder meeting; and (vi) requirements to provide local agents with power of attorney to facilitate the MSIM Affiliate's voting instructions. As a result, clients' non-U.S. proxies will be voted on a best efforts basis only, after weighing the costs and benefits of voting such proxies, consistent with the Client Proxy Standard. ISS has been retained to provide assistance to the MSIM Affiliates in connection with voting their clients' non-US proxies.

III. GENERAL PROXY VOTING GUIDELINES

To ensure consistency in voting proxies on behalf of its clients, MSIM Affiliates will follow (subject to any exception set forth herein) these Proxy Voting Policies and Procedures, including the guidelines set forth below. These guidelines address a broad range of issues, including board size and composition, executive compensation, anti-takeover proposals, capital structure proposals and social responsibility issues and are meant to be general voting parameters on issues that arise most frequently. The MSIM Affiliates, however, may, pursuant to the procedures set forth in Section IV. below, vote in a manner that is not in accordance with the following general guidelines, provided the vote is approved by the Proxy Review Committee and is consistent with the Client Proxy Standard.

VI. GUIDELINES

A. MANAGEMENT PROPOSALS

1. When voting on routine ballot items, unless otherwise determined by the Proxy Review Committee, the following proposals will be voted in support of management.
 - o Selection or ratification of auditors.
 - o Approval of financial statements, director and auditor reports.
 - o General updating/corrective amendments to the charter.
 - o Approval of the payment of a dividend.
 - o Proposals to limit Directors' liability and/or broaden indemnification of Directors.

2. Election of Directors. In situations where no conflict exists, and where no specific governance deficiency has been noted, unless otherwise determined by the Proxy Review Committee, will be voted in support of nominees of management.

Unless otherwise determined by the Proxy Review Committee, a withhold vote will be made where:

- (i) A nominee has, or any time during the previous three years had, a relationship with the issuer (e.g., investment banker, counsel or other professional service provider, or familial relationship with a senior officer of the issuer) that may impair his or her independence;
- (ii) A direct conflict exists between the interests of the nominee and the public shareholders; or

(iii) Where the nominees standing for election have not taken action to implement generally accepted governance practices for which there is a "bright line" test. These would include elimination of dead hand or slow hand poison pills, requiring Audit, Compensation or Nominating Committees to be composed of independent directors and requiring a majority independent board.

3. The following non-routine proposals, which potentially may have a substantive financial or best interest impact on a shareholder, unless otherwise determined by the Proxy Review Committee, will be voted in support of management.

CAPITALIZATION CHANGES

- o Proposals relating to capitalization changes that eliminate other classes of stock and voting rights.
- o Proposals to increase the authorization of existing classes of common stock (or securities convertible into common stock) if. (i) a clear and legitimate business purpose is stated; (ii) the number of shares requested

- o Proposals to reduce the number of authorized shares of common or preferred stock, or to eliminate classes of preferred stock.
- o Proposals to effect stock splits.

- o Proposals relating to Director fees, provided the

amounts are not excessive relative to other companies in the country or industry.

- o Proposals for employee stock purchase plans that permit discounts up to 15%, but only for grants that are part of a broad based employee plan, including all non-executive employees.

impact on an issuer, will be voted as determined by the Proxy Review Committee.

CORPORATE TRANSACTIONS

- o Proposals relating to mergers, acquisitions and other special corporate transactions (i.e., takeovers, spin-offs, sales of assets, reorganizations, restructurings and recapitalizations) will be examined on a case-by-case basis. In all cases, ISS and IRRC research and analysis will be used along with MSIM Affiliates' research and analysis, including, among other things, MSM internal company-specific knowledge.
- o Proposals relating to change-in-control provisions in non-salary compensation plans, employment contracts, and severance agreements that benefit management and would be costly to shareholders if triggered.
- o Proposals relating to shareholders rights plans that allow appropriate offers to shareholders to be blocked by the board or trigger provisions that prevent legitimate offers from proceeding.

VII. ADMINISTRATION OF PROXY POLICIES AND PROCEDURES

A. PROXY REVIEW COMMITTEE

1. The MSIM Proxy Review Committee ("Committee") is responsible for creating and implementing MSIM's Proxy Voting Policy and Procedures and, in this regard, has expressly adopted them.
 - (a) The Committee, which is appointed by MSIM's Chief Investment Officer ("CIO"), consists of senior investment professionals who represent the different investment disciplines and geographic locations of the firm. The Committee is responsible for establishing MSIM's proxy voting policy and guidelines and determining how MSIM will vote proxies on an ongoing basis.
 - (b) The Committee will periodically review and have the authority to amend, as necessary, these Proxy Voting Policy and Procedures and establish and direct voting positions consistent with the Client Proxy Standard.
 - (c) The Committee will meet at least monthly to (among other matters): (1) address any outstanding issues relating to MSIM's Proxy Voting Policy and Procedures; and (2) review proposals at upcoming shareholder meetings of MSIM portfolio companies in accordance with this Policy including, as appropriate, the voting results of prior shareholder meetings of the same issuer where a similar

proposal was presented to shareholders. The Committee, or its designee, will timely communicate to ISS MSIM's Proxy Voting Policy and Procedures (and any amendments to them and/or any additional guidelines or procedures it may adopt).

- (d) The Committee will meet on an ad hoc basis to (among other matters): (1) authorize "split voting" (i.e., allowing certain shares of the same issuer that are the subject of the same proxy solicitation and held by one or more MSIM portfolios to be voted differently than other shares) and/or "override voting" (i.e., voting all MSIM portfolio shares in a manner contrary to the Proxy Voting Policy and Procedures); (2) review and approve upcoming votes, as appropriate, for matters for which specific direction has been provided in these Policy and Procedures; and (3) determine how to vote matters for which specific direction has not been provided in these Policy and Procedures. Split votes will generally not be approved within a single Global Investor Group team. The Committee may take into account ISS and IRRC recommendations and the research as well as any other relevant information they may request or receive.
- (e) In addition to the procedures discussed above, if the Committee determines that an issue raises a potential material conflict of interest, or gives rise to the appearance of a potential material conflict of interest, the Committee will request a special committee to review, and recommend a course of action with respect to, the conflict(s) in question ("Special Committee"). The Special Committee shall be comprised of the Chairman of the Proxy Review Committee, the Compliance Director for the area of the firm involved or his/her designee, a senior portfolio manager (if practicable, one who is a member of the Proxy Review Committee) designated by the Proxy Review Committee and MSIM's Chief Investment Officer or his/her designee. The Special Committee may request the assistance of MSIM's General Counsel or his/her designee and will have sole discretion to cast a vote. In addition to the research provided by ISS and IRRC, the Special Committee may request analysis from MSIM Affiliate investment professionals and outside sources to the extent it deems appropriate.
- (f) The Committee and the Special Committee, or their designee(s), will document in writing all of their decisions and actions, which documentation will be maintained by the Committee and the Special Committee, or their designee(s), for a period of at least 6 years. To the

F-8

extent these decisions relate to a security held by a MSIM U.S. registered investment company, the Committee and Special Committee, or their designee(s), will report their decisions to each applicable Board of Trustees/Directors of those investment companies at each Board's

next regularly scheduled Board meeting. The report will contain information concerning decisions made by the Committee and Special Committee during the most recently ended calendar quarter immediately preceding the Board meeting.

- (g) The Committee and Special Committee, or their designee(s), will timely communicate to applicable portfolio managers, the Compliance Departments and, as necessary, ISS, decisions of the Committee and Special Committee so that, among other things, ISS will vote proxies consistent with their decisions.

B. IDENTIFICATION OF MATERIAL CONFLICTS OF INTEREST

1. If there is a possibility that a vote may involve a material conflict of interest, the vote must be decided by the Special Committee in consultation with MSIM's General Counsel or his/her designee.
2. A material conflict of interest could exist in the following situations, among others:
 - (a) The issuer soliciting the vote is a client of MSIM or an affiliate of MSIM and the vote is on a material matter affecting the issuer;
 - (b) The proxy relates to Morgan Stanley common stock or any other security issued by Morgan Stanley or its affiliates; or
 - (c) Morgan Stanley has a material pecuniary interest in the matter submitted for a vote (e.g., acting as a financial advisor to a merger or acquisition for which Morgan Stanley will be paid a success fee if completed).

C. PROXY VOTING REPORTS

1. MSIM will promptly provide a copy of these Policy and Procedures to any client requesting it. MSIM will also, upon client request, promptly provide a report indicating how each proxy was voted with respect to securities held in that client's account.
2. MSIM's legal department is responsible for filing an annual Form N-PX on behalf of each registered management investment company for which such filing is required, indicating how all proxies were voted with respect to such investment company's holdings.
