#### 5.03 AMENDMENTS TO ARTICLES OF INCORPORATION OR BYLAWS; CHANGE IN FISCAL YEAR.

On July 15, 2004, following the merger of Belden Inc. ("Belden") and Cable Design Technologies Corporation ("CDT"), Belden CDT Inc. (the "Company") amended its bylaws. The amended bylaws provided that, until the third anniversary of the merger, the Board would consist of ten members--five from the Belden side and five from the CDT side. For the three-year period, if any director designated by either Belden or CDT ceased to serve on the Board for any reason, or a director's term of office expired, the members of the Board designated by Belden or CDT, as appropriate, could appoint or nominate, as the case may be, the person to fill such directorship.

The amended bylaws also provided that, until the third anniversary of the merger, the CDT-designated directors would have the right to nominate the Chairman of the Board and the Belden-designated directors would have the right to nominate the Chief Executive. In addition, for the three-year period, the committees of the Board following the merger would be comprised of an equal number of CDT-designated directors and Belden-designated directors.

The bylaws were also amended upon completion of the merger to generally provide that, until the third anniversary of the merger, the affirmative vote of at least 70% of the entire Board ("Supermajority Vote Provision") would be required to (i) remove certain named officers; (ii) recommend to the shareholders the removal of any Board member; (iii) approve or recommend a merger or sale of all or substantially all of the assets; (iv) engage in certain acquisitions or series of acquisitions; (v) authorize for issuance or issue a certain level of equity securities; (vi) purchase, redeem or acquire any shares of Belden CDT's capital stock; (vii) declare or pay any dividends or make any distributions in respect of any shares of capital stock; (viii) incur indebtedness in excess of \$100 million or (ix) amend or modify a bylaw that is inconsistent with any of the foregoing provisions (including as summarized in the previous two paragraphs).

On December 1, 2005, the Board unanimously approved changes to the Company bylaws. A copy of the restated bylaws (the "Second Amended and Restated Bylaws") is attached as Exhibit 3.01. The Second Amended and Restated Bylaws, among other things, now provides for a Board of nine members. Vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors. The Board shall elect the Chairman of the Board, the Chief Executive Officer and members of each Board committee. The Supermajority Vote Provision has been eliminated. This summary of the bylaws is qualified in its entirety by the attached Second Amended and Restated Bylaws.
