equal to five percent (5.0%) of such principal, interest or other sums due hereunder (other than the entire principal balance of the Loan due upon acceleration of the Loan or upon Maturity) or under any other Loan Document (or, in the case of a partial payment, the unpaid portion thereof), such late charge to be immediately due and payable without demand by Lender.

(e) Notwithstanding any provision to the contrary contained in this Agreement or the other Loan Documents, Borrower shall not be required to pay, and Lender shall not be permitted to collect, any amount of interest in excess of the maximum amount of interest permitted by law (Excess Interest). If any Excess Interest is provided for or determined by a court of competent jurisdiction to have been provided for in this Agreement or in any of the other Loan Documents, then in such event: (i) the provisions of this paragraph shall govern and control; (ii) Borrower shall not be obligated to pay any Excess Interest; (iii) any Excess Interest that Lender may have received hereunder shall be, at Lender's option; (A) applied as a credit against either or both of the Principal Indebtedness of the Loan (without requirement of payment of any Prepayment Consideration) or accrued and unpaid interest thereunder (not to exceed the maximum amount permitted by law); (B) refunded to the payor thereof; or (C) any combination of the foregoing; (iv) the interest rate(s) provided for herein shall be automatically reduced to the maximum lawful rate allowed from time to time under applicable law (the Maximum Rate), and this Agreement and the other Loan Documents shall be deemed to have been and shall be, reformed and modified to reflect such reduction; and (v) Borrower shall not have any action against Lender for any damages arising out of the payment or collection of any Excess Interest. Notwithstanding the foregoing, if for any period of time interest on any Indebtedness is calculated at the Maximum Rate rather than the applicable rate under this Agreement, and thereafter such applicable rate becomes less than the Maximum Rate, the rate of interest payable on such Indebtedness shall, to the extent permitted by law, remain at the Maximum Rate until Lender shall have received or accrued the amount of interest which Lender would have received or accrued during such period on Indebtedness had the rate of interest not been limited to the Maximum Rate during such period. If the Default Rate shall be finally determined to be unlawful, then the Maximum Rate shall be applicable during any time when the Default Rate would have been applicable hereunder, provided however that if the Maximum Rate is greater than the applicable interest rate, then the foregoing provisions of this paragraph shall apply.

Section 2.6. Prepayment.

(a) Limitation on Prepayment; Prepayment Consideration Due on Acceleration. Borrower shall have no right to prepay the Loan in whole or part at any time, except as expressly set forth in this Section 2.6(a). Commencing on and at any time after the First Open Prepayment Date, Borrower may prepay the Loan in whole, but not in part, without payment of Prepayment Consideration, provided that: (i) Borrower shall provide to Lender not less than thirty (30) days prior written notice of such prepayment; (ii) together with such prepayment Borrower also shall pay all accrued and unpaid interest and all other Obligations; and (iii) if such prepayment occurs on any day other than a Payment Date, then together therewith Borrower also shall pay to Lender the amount of interest that would have accrued on the amount being prepaid from and including the date of such prepayment to (but excluding) the Payment Date following such date of prepayment. Borrower shall not be required to pay any Prepayment Consideration with respect to an application of insurance proceeds or condemnation awards by Lender pursuant to this Agreement or the Mortgage in the absence of an Event of Default. In addition, in the event Lender elects to apply insurance proceeds or condemnation proceeds in excess of \$5,000,000 to

the payment of the Indebtedness pursuant to this Agreement, then, so long as an Event of Default has not occurred and is not continuing and the same occurs prior to the First Open Defeasance Date, then Borrower shall have the right to prepay the Loan in full and simultaneously obtain a release of the Mortgaged Property and all Collateral related thereto from the Lien of the Mortgage and the Loan Documents, provided that the Prepayment Consideration shall be payable on the prepaid amount in excess of the amount of the insurance proceeds or condemnation awards applied to the Indebtedness. The foregoing prepayment right is subject to the following conditions precedent: (A) on the date of such release, Borrower shall make the payments provided for in clauses (ii) and (iii) of this Section 2.6(a); and (B) Borrower shall only have the right to exercise its prepayment right under this Section 2.6(a) if: (1) Borrower shall have given Lender notice of its intent to do so within thirty (30) days following Lender's application of the insurance proceeds or condemnation awards; and (2) Borrower shall have satisfied all conditions precedent to such prepayment within ninety (90) days following Lender's application of the insurance proceeds or condemnation awards.

(b) Prepayment Consideration Due. If the Maturity Date shall be accelerated to a date prior to the Scheduled Maturity Date, or if any prepayment of all or any portion of the Principal Indebtedness hereunder occurs, whether in connection with Lender's acceleration of the unpaid Principal Indebtedness of the Loan or in any other circumstances whatsoever, or if the Mortgage is satisfied or released by foreclosure (whether by power of sale or judicial proceeding), deed in lieu of foreclosure or by any other means, then the Prepayment Consideration shall become immediately due and owing and Borrower shall forthwith pay the Prepayment Consideration to Lender. The foregoing shall not create any right of prepayment. Borrower shall have no right whatsoever to prepay all or any portion of the Principal Indebtedness of the Note, except as set forth in Section 2.6(a) above.

(c) Definitions. The following terms shall have the meanings indicated:

The Prepayment Consideration shall be the amount equal to the sum of: (i) an amount equal to the interest which would have accrued on the Principal Indebtedness for the period from and including: (A) the date (the Event Date) which is the earlier of: (x) the date of prepayment of the Loan; or (y) such earlier date upon which the entire remaining Principal Indebtedness shall become due and payable, whether as a result of acceleration of the maturity of the Loan or otherwise, to but excluding; (B) the next Payment Date following the Event Date; plus (ii) the sum of two percent of the Principal Indebtedness on the Event Date plus an amount equal to the Present Value Yield Differential, calculated as the excess, if any, of: (A) the amount of the monthly interest which would otherwise be payable on the principal balance of the Loan from: (1) the date (the Yield Determination Date) which is the Payment Date following the Event Date; through and including (2) the Scheduled Maturity Date; over (B) the amount of the monthly interest Lender would earn if an amount equal to the Principal Balance of the Loan as of the Event Date were invested for the period from the Yield Determination Date through the Scheduled Maturity Date at the Yield Rate (as hereinafter defined), such difference (the Yield Differential) to be discounted to present value at the Yield Rate using the following formula:

$$\text{Yield Differential} \times [1 - (1 + r)^{-n}]$$

Present Value Yield
Differential =

R

where:

r = Yield Rate, and

n = the remaining Weighted Average Life to Maturity (as defined below) from the
Yield Determination Date.

The Yield Rate shall be the annualized yield on securities issued by the United States Treasury having a maturity corresponding to the then remaining Weighted Average Life to Maturity (as defined below) of the Loan as determined by Lender, as quoted in Federal Reserve Statistical Release [H. 15(519)] under the heading U.S. Government Securities Treasury Constant Maturities for the Yield Rate Determination Date (as defined below), converted to a monthly equivalent yield. If yields for such securities of such maturity are not shown in such publication, then the Yield Rate shall be determined by Lender by linear interpolation between the yields of securities of the next longer and next shorter maturities. If said Federal Reserve Statistical Release or any other information necessary for determination of the Yield Rate in accordance with the foregoing is no longer published or is otherwise unavailable, then the Yield Rate shall be determined by Lender based on comparable data. The term Yield Rate Determination Date shall mean the date which is five (5) Business Days prior to the Yield Determination Date. The term Weighted Average Life to Maturity shall mean, at any date, the number of years (including fractional years, expressed as a decimal (e.g., three years and three months = 3.25 years)) obtained by dividing: (x) the outstanding Principal Indebtedness on the Event Date; into (y) the sum total of the Weighted Amortization Products (as defined below) for each Scheduled Principal Payment (as defined below). The Scheduled Principal Payment(s) shall mean each then remaining scheduled principal payment (assuming no prepayment or Loan acceleration), including payment of the outstanding principal balance of the Loan on the Scheduled Maturity Date, in respect of the Loan. The Weighted Amortization Product for each Scheduled Principal Payment shall mean the product of: (A) the amount of such Scheduled Principal Payment; multiplied by (B) the number of years (including fractional years, expressed as a decimal) which will elapse between the Yield Determination Date and the date on which such Scheduled Principal Payment is to be made under this Agreement.

Borrower agrees that the Prepayment Consideration required hereunder is reasonable. Borrower has given individual weight to the consideration in this transaction for this waiver and agreement.

(d) Prepayment Allocations. All proceeds of a prepayment made in accordance with this Section 2.6 shall be applied by Lender in the following order of priority, unless Lender elects an alternate priority of application in Lender's discretion:

(i) first, to the payment of all accrued and unpaid interest on the Loan; and

(ii) second, to the payment of the outstanding principal amount of the Loan until the full principal amount of the Loan is paid in full;

Section 2.7. Defeasance.

(a) Defeasance. Borrower shall have the right at any time after the First Open Defeasance Date and prior to the First Open Prepayment Date to obtain a release of the Lien of the Mortgage encumbering the Mortgaged Property (a Defeasance) upon satisfaction of the following conditions:

(i) Borrower shall provide Lender at least thirty (30) days prior written notice (or such shorter period of time if permitted by Lender) specifying a date (the Defeasance Date) on which Borrower shall have satisfied the conditions in this Section 2.7(a) and on which it shall effect the Defeasance (provided such notice may be revoked by Borrower, not more than twice during any three (3) year period during the term of the Loan, if: (A) such revocation is made in writing, within a reasonable period prior to such Defeasance Date; (B) such revocation is effected in accordance with any applicable servicing agreement; and (C) Borrower reimburses Lender's costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred as a result of such revocation);

(ii) Borrower shall pay to Lender: (A) all payments of interest due on the Loan to and including the Defeasance Date; and (B) all other sums, then due under the Note, this Loan Agreement, the Mortgage and the other Loan Documents;

(iii) Borrower shall irrevocably deposit the Defeasance Collateral into the Defeasance Collateral Account and otherwise comply with the provisions of this Section 2.7(a) and Sections 2.7(c) and (d) hereof;

(iv) Borrower shall execute and deliver to Lender a Security Agreement in respect of the Defeasance Collateral Account and the Defeasance Collateral;

(v) Borrower shall deliver to Lender an opinion of counsel for Borrower that is customary in commercial lending transactions and subject only to normal qualifications, assumptions and exceptions opining to any matter as then required by the Rating Agencies in connection with similar transactions and including, among other things, that: (A) Lender has a legal and valid perfected first priority security interest in the Defeasance Collateral Account and the Defeasance Collateral; and (B) if a Securitization has occurred, the REMIC Trust formed pursuant to such Securitization will not fail to maintain its status as a real estate mortgage investment conduit within the meaning of Section 860D of the Code as a result of the Defeasance pursuant to this Section 2.7(a);

(vi) If and to the extent required by the Rating Agencies, Borrower shall deliver to Lender a non-consolidation opinion with respect to the Successor Borrower;

(vii) Borrower shall deliver to Lender a confirmation in writing from the applicable Rating Agencies to the effect that the Defeasance Collateral complies with all applicable Rating Agency criteria so as to not result in a downgrading, withdrawal or qualification of the respective ratings in effect immediately prior to such defeasance for the Certificates issued in connection with the Securitization which are then outstanding;

(viii) Borrower shall deliver an officer's certificate certifying that the requirements set forth in this Section 2.7 have been satisfied;

(ix) Borrower shall deliver a certificate of a nationally recognized public accounting firm reasonably acceptable to Lender certifying that the Defeasance Collateral will generate monthly amounts equal to or greater than the Scheduled Defeasance Payments;

(x) Borrower shall deliver such other certificates, opinions, documents and instruments as Lender may reasonably request, provided the same do not materially increase Borrower's obligations or decrease Borrower's rights hereunder; and

(xi) Borrower shall pay all costs and expenses of Lender incurred in connection with the defeasance, including Lender's reasonable attorneys' fees and expenses and Rating Agency fees and expenses. If a Defeasance occurs and all of the requirements of this Section 2.7 have been satisfied, Lender shall execute any and all documents required to release the Mortgaged Property, all Account Collateral and all other Collateral from the Lien of the Mortgage and the Assignment of Rents and Leases, and to terminate the Local Collection Account Agreement, the Collection Account Agreement and all Direction Letters, and cause all Account Collateral held by or on behalf of Lender to be released to Borrower, and the Defeasance Collateral, pledged pursuant to the Security Agreement, shall be the sole source of collateral securing the Loan. In connection with any such release of the Lien, Borrower shall submit to Lender, not less than thirty (30) days prior to the Defeasance Date (or such shorter time as permitted by Lender), a release of Lien (and related Loan Documents) for execution by Lender. Such release shall be in a form appropriate in the jurisdiction in which the Mortgaged Property is located and contain standard provisions protecting the rights of a releasing lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release. Borrower shall pay all costs, taxes and expenses associated with the release of the Lien of the Mortgage and the Assignment of Rents and Leases, including Lender's reasonable attorneys' fees.

(b) Intentionally Omitted.

(c) Defeasance Collateral Account. On or before the date on which Borrower delivers the Defeasance Collateral, Borrower or Successor Borrower (as applicable) shall open at any Eligible Bank the defeasance collateral account (the Defeasance Collateral Account) which shall at all times be an Eligible Account. The Defeasance Collateral Account shall contain only: (i) Defeasance Collateral; and (ii) cash from interest and principal paid on the Defeasance Collateral. All cash from interest and principal payments paid on the Defeasance Collateral shall be paid over to Lender on each Payment Date and applied to the monthly installments of principal and interest on the Loan and, upon Maturity, to accrued interest and the Principal Balance of the Loan. Borrower shall cause the Eligible Bank at which the Defeasance Collateral is deposited to enter an agreement with Borrower and Lender, satisfactory to Lender, pursuant to which such Eligible Bank shall agree to hold and distribute the Defeasance Collateral in accordance with this Loan Agreement. Borrower (or Successor Borrower, as applicable) shall be the owner of the Defeasance Collateral Account and shall report all income accrued on Defeasance Collateral for federal, state and local income tax purposes in its income tax return. Borrower shall prepay all costs and expenses associated with opening and maintaining the Defeasance Collateral Account. Lender shall not in any way be liable by reason of any insufficiency in the Defeasance Collateral Account.

(d) Successor Borrower. In connection with a Defeasance under this Section 2.7, Borrower shall, if required by the Rating Agencies or if Borrower so elects or Lender requires, establish or designate a successor entity (the Successor Borrower) which shall be a single purpose bankruptcy remote entity and which shall be approved by the Rating Agencies. Any such Successor Borrower may, at Borrower's option, be an Affiliate of Borrower unless the

Rating Agencies or Lender shall require otherwise. Borrower shall transfer and assign all obligations, rights and duties under and to the Note, together with the Defeasance Collateral, to such Successor Borrower. Such Successor Borrower shall assume the obligations under the Note and the Security Agreement. Borrower shall pay \$1,000 to any such Successor Borrower as consideration for assuming the obligations under the Note and the Security Agreement. Borrower shall pay all reasonable costs and expenses incurred by Lender, including Lender's attorney's fees and expenses incurred in connection therewith, and all fees, expenses and other charges of the Rating Agencies.

Section 2.8. Application of Payments. In the absence of an Event of Default, each payment of principal and/or interest on the Loan shall be applied: first to accrued and unpaid interest and the balance to the payment of principal on the Loan. After the occurrence and during the continuance of an Event of Default, Borrower irrevocably waives the right to direct the application of any and all payments at any time hereafter received by Lender from or on behalf of Borrower, and Borrower irrevocably agrees that Lender shall have the continuing exclusive right to apply any and all such payments and any and all proceeds and recoveries from the Pledged Accounts, the Mortgaged Property or Borrower after the occurrence and during the continuance of an Event of Default, in Lender's discretion, to the Indebtedness and other amounts then outstanding under this Agreement in such order and manner as Lender may determine, including, without limitation, to reasonable out-of-pocket costs and expenses of Lender reimbursable pursuant to the terms of this Agreement arising as a result of such repayment, any accrued and unpaid interest then payable with respect to the Loan or the portion thereof being repaid, the Principal Indebtedness, any accrued and unpaid Prepayment Consideration in respect of any such Principal Indebtedness or the portion thereof being repaid, any other sums then due and payable to or for the benefit of Lender pursuant to this Agreement or any other Loan Document(s), or to Property Expenses and Capital Improvement Costs for the Mortgaged Property, or to fund Reserve Accounts.

Section 2.9. Method and Place of Payment. Except as otherwise specifically provided herein, all payments and prepayments under this Agreement and the Note shall be made to Lender not later than 2:00 p.m., Eastern time, on the date when due and shall be made in lawful money of the United States of America by wire transfer in federal or other immediately available funds to its account at such bank(s) as Lender may from time to time designate. Any funds received by Lender after such time shall, for all purposes hereof, be deemed to have been paid on the next succeeding Business Day. Lender shall notify Borrower in writing of any changes in the account to which payments are to be made. All payments made by Borrower hereunder, or by Borrower under the other Loan Documents, shall be made irrespective of, and without any deduction for, any defenses, set-offs or counterclaims. Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the payment may be made on the next succeeding Business Day.

Section 2.10. Taxes. All payments made by or on behalf of Borrower under the Note and this Agreement shall be made without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority.

Section 2.11. Water Treatment Plant Removal; Outparcel Release.

(a) Notwithstanding anything to the contrary contained in any of the Loan Documents, Borrower shall have the right to dismantle, demolish and remove the improvements, equipment and fixtures constituting the Water Treatment Plant from the Property (the Site Removal); provided that all of the following conditions precedent have been satisfied: (i) no Event of Default shall have occurred and be continuing (unless the same shall be cured as a result of the Site Removal); and (ii) Borrower shall have delivered evidence reasonably satisfactory to Lender that service for wastewater treatment shall be provided to the Mortgaged Property by the appropriate municipal authority, such service to be adequate for the Mortgaged Property and the operation of the Waterpark Resort located on the Property as reasonably determined by Lender. In connection therewith, the economic and other material terms and conditions of the wastewater treatment by the municipal authority (including, without limitation, any obligations of Borrower to such municipal authority with respect to the former Waste Treatment Site which may survive such removal) shall be subject to the prior approval of Lender, not to be unreasonably withheld.

(b) Notwithstanding anything to the contrary contained in any of the Loan Documents, Borrower shall have the right to have one or more of the real estate parcels described on Schedule 1 attached hereto (each, an Outparcel) released from the Lien of the Mortgage (the Outparcel Release) from time to time during the term of the Loan; provided that all of the following conditions precedent have been satisfied for each Outparcel Release: (i) no Event of Default shall have occurred and be continuing (unless the same will be cured as a result of the Outparcel Release); (ii) the Outparcel shall be transferred from Borrower to a Person other than Borrower (who may be an Affiliate of Borrower or Manager, but at no time shall Borrower have any ownership interest (direct or indirect) in the Person owning such Outparcel, or control such Person (nor shall Borrower control the Outparcel or the improvements or business constructed and conducted on such Outparcel); (iii) Borrower shall execute (and Guarantor will consent in writing thereto and reaffirm their obligations under the Loan Documents to which they are a party notwithstanding the Outparcel Release) and deliver all such amendments to the Loan Documents and other instruments or documents as may be required by Lender (using commercial standards customarily applied with respect to mortgage loans such as the Loan) in order to continue to fully protect Lender's lien and security interest in the remainder of the Mortgaged Property; (iv) Borrower shall deliver evidence reasonably satisfactory to Lender that: (A) the Outparcel consists of a separate real estate tax parcel and has been legally subdivided from the remainder of the Mortgaged Property; and (B) all easements, restrictions and other material agreements relating to the release of the Outparcel, shall be subject to the prior approval of Lender (not to be unreasonably withheld); (v) Borrower, at its sole cost and expense, shall obtain endorsements (to the extent legally obtainable) to Lender's loan policy of title insurance reasonably required by Lender and reasonably satisfactory in form and content to Lender, which endorsements shall insure that the lien created by the Loan Documents remains a valid first lien on the remainder of the Mortgaged Property; (vi) all easements and other similar agreements regarding access, utilities and other related real estate matters between the Mortgaged Property and the Outparcel shall be subject to the prior approval of Lender, not to be unreasonably withheld; (vii) any construction on the Outparcel shall not be reasonably expected to materially adversely affect the operations of the Mortgaged Property; (viii) all operating agreements, management agreements and other easements, restrictions and related documents and instruments required in connection with, and governing the operation and management of the property and business located on the Outparcel, but only insofar as the same relates to the Mortgaged Property (including, without limitation, any agreements with respect to the shared

usage of the Water Facilities located on the Mortgaged Property and any shared maintenance, management and other fees and expenses) shall be subject to the prior approval of Lender, not to be unreasonably withheld; (ix) Borrower shall provide evidence reasonably satisfactory to Lender that, except as approved by Lender pursuant to clause (viii) above, no obligations, liabilities, requirements, costs or expenses of Borrower, the Mortgaged Property or any successor to Borrower shall exist with respect to the Outparcel, in the event of a foreclosure of the Mortgage and a transfer of the Mortgaged Property to Lender or its successors or assigns; and (x) Borrower shall provide evidence reasonably satisfactory to Lender that, except as approved by Lender pursuant to clause (viii) above, in the event of a foreclosure of the Mortgage and a transfer of the Mortgaged Property to Lender or its successors or assigns, the Mortgaged Property may be operated independently from the improvements located on the Outparcel, and that no equipment, fixtures, utilities, parking or other facilities which are required for the ownership and operation of the Mortgaged Property in the manner in which it is currently operated (without decrease in the value of the Mortgaged Property) shall be located on the Outparcel, owned by any Person other than Borrower or required to be furnished by the owner of the Outparcel (or any of its affiliates, agents, contractors, employees or managers) for the benefit of the Mortgaged Property. Nothing contained in this Section 2.11(b) shall be deemed to permit an Additional Resort Event with respect to the Outparcel.

(c) Borrower shall pay Lender's reasonable costs and expenses in connection with the Site Removal and the Outparcel Release, including, without limitation, all costs and expenses incurred in the preparation, negotiation and review of any and all materials required to be provided in connection with the Site Removal and Outparcel Release, the costs and expenses of preparing and recording releases, UCC-3 releases, and any loan modification documents required by Lender (provided such modification documents do not increase Borrower's obligations or decrease Borrower's rights under the Loan Documents), Lender's reasonable attorneys' fees and costs, all survey charges and costs, all title premiums and costs, documentary stamps incurred in connection with the Outparcel Release in accordance with the requirements contained herein, and all other reasonable out-of-pocket costs, fees, and expenses incurred by Lender in connection with the requested Site Removal and Outparcel Release. Borrower shall pay or reimburse Lender for such costs and expenses upon Lender's demand regardless of whether a Site Removal or Outparcel Release occurs or is permitted to occur.

(d) If an Outparcel Release occurs and all of the requirements of this Section 2.11 have been satisfied, Lender shall execute any and all documents required to release the Outparcel from the Lien of the Mortgage and the Assignment of Rents and Leases. In connection with any such release of the Lien, Borrower shall submit to Lender, not less than thirty (30) days in advance, a release of Lien (and related Loan Documents) for execution by Lender. Such release shall be in a form appropriate in the jurisdiction in which the Water Treatment Plant is located and contain standard provisions protecting the rights of a releasing lender. In addition, Borrower shall provide all other documentation Lender reasonably requires to be delivered by Borrower in connection with such release. Borrower shall pay all costs, taxes and expenses associated with the release of the Lien of the Mortgage and the Assignment of Rents and Leases, including Lender's reasonable attorneys' fees.

Section 2.12. Central Cash Management.

(a) Local Collection Account; Collection Account; Deposits to and Withdrawals from the Collection Account.

(i) On or before the date that is thirty (30) days after the Closing Date, Lender shall: (1) establish on behalf of Borrower and maintain with the Collection Account Bank a collection account for the Mortgaged Property (collectively, the Collection Account), which shall be an Eligible Account with a separate and unique identification number in the name of Lender, as secured party, or, at Lender's option, in the name of Borrower for the benefit of Lender, as secured party; and (2) cause the Collection Account Bank to deliver to Lender the Collection Account Agreement in form and substance reasonably acceptable to Lender acknowledging Lender's security interest in and control of Lender within the meaning of Sections 9-104 and 9-106 of the UCC over the Collection Account. Within thirty (30) days following the Closing Date, Borrower shall (or shall cause Manager to): (x) establish and maintain with one or more financial institutions acceptable to Lender in its sole reasonable discretion (individually each, and collectively, the Local Collection Account Bank), a local collection account for the Mortgaged Property (the Local Collection Account), which shall be an Eligible Account with a separate and unique identification number and entitled in the same name as the Collection Account; and (y) cause the Local Collection Account Bank to deliver to Lender a Local Collection Account Agreement in form and substance reasonably acceptable to Lender acknowledging Lender's security interest in and control of Lender within the meaning of Sections 9-104 and 9-106 of the UCC over the Local Collection Account and otherwise conforming with the provisions of this Agreement. Neither Borrower nor Manager shall have any right to withdraw Money from the Local Collection Account or the Collection Account, which shall be under the control of Lender within the meaning of Sections 9-104 and 9-106 of the UCC. Borrower shall be responsible for the payment of all costs and expenses in connection with establishing and maintaining the Collection Account, the Local Collection Account, the Manager's Operating Account and the Reserve Accounts (including, without limitation, Collection Account Bank's and Local Collection Account Bank's fees and charges) and shall reimburse Lender upon demand for any such costs or expenses incurred by Lender. Not later than thirty (30) days following the Closing Date, Borrower shall and shall cause Manager to:

(A) direct all tenants and subtenants under the Leases to pay all Rents thereunder directly into the Local Collection Account, and deliver irrevocable (without Lender's written consent) letters of direction to such effect to such tenants and subtenants in Lender's reasonable form;

(B) instruct each of the credit card banks, credit card companies or other credit card receipt intermediaries with which Borrower has entered into merchant, clearing or other agreements with respect to the Mortgaged Property, that all credit card receipts with respect to the Mortgaged Property cleared by such credit card banks, credit card companies or other intermediaries shall be transferred by such credit card banks, credit card companies or other intermediaries by wire transfer or the ACH system to the Local Collection Account, and deliver irrevocable (without Lender's prior written consent) instruction letters to such effect to such Persons (and obtain each such Person's acknowledgment and agreement thereto) in Lender's reasonable form;

(C) instruct all Persons that maintain open accounts with Borrower, or Manager or with whom Borrower or Manager does business on an accounts receivable basis with respect to the Mortgaged Property to deliver all payments due under such

accounts to the Local Collection Account, and deliver to such Persons irrevocable (without Lender's written consent) letters of instruction in Lender's reasonable form; and

(D) promptly deposit any and all other Receipts (including all payments under any of the Material Agreements) into the Local Collection Account, and in no event later than one Business Day after the same are paid to or for the benefit of Borrower or Manager.

Neither Borrower nor Manager shall: (x) terminate, amend, revoke or modify any tenant direction letter or instruction letter provided pursuant to clauses (A), (B) and (C) above to a credit card bank, credit card company or other intermediary or other Person (each a Direction Letter) in any manner whatsoever; or (y) direct or cause any Person receiving or bound by a Direction Letter, or purportedly or intended or required to receive or be bound or instructed by a Direction Letter, to pay any amount in any manner other than as provided in the related Direction Letter. To the extent that Borrower, Manager or any Person on Borrower's or Manager's behalf holds any Receipts or Advance Bookings Deposits, whether in accordance with this Agreement or otherwise: (1) such amounts shall be deemed to be Collateral and shall be held in trust for the benefit, and as the property, of Lender; and (2) such amounts shall not be commingled with any other funds or property of Manager.

(ii) Unless and until a Cash Management Period commences, the Local Collection Account Bank shall be directed by Lender pursuant to the Local Collection Account Agreement to transfer on each Business Day during the term of this Agreement funds deposited in and available for transfer from the Local Collection Account to an operating or concentration account of Borrower, established and maintained with the Local Collection Account Bank, and pledged to Lender (the Manager's Operating Account) and as to which Manager's Operating Account Borrower and Manager shall have the right to make withdrawals without the consent of Lender.

(iii) While a Cash Management Period exists, the Local Collection Account Bank shall be directed by Lender (which may deliver a notice to the Local Collection Account Bank of the occurrence of a Cash Management Period, and which shall promptly deliver a notice to the Local Collection Account Bank if and when such Cash Management Period no longer exists): (A) to transfer, so long as no Special Event of Default exists, on each Business Day during each Monthly Period, the funds then on deposit in and available for transfer from the Local Collection Account to the Manager's Operating Account unless and until the aggregate amount of the funds transferred during such Monthly Period to the Manager's Operating Account (either pursuant to this Section 2.12(a)(iii) or Section 2.12(a)(ii) above) shall equal the amount of the Monthly Property Expenses for the calendar month immediately following the month in which such Monthly Period ends; and (B) after the transfers for such Monthly Period provided for under the foregoing Section 2.12(a)(iii)(A) have been made (or without regard to the provisions of Section 2.12(a)(iii)(A) above if a Special Event of Default exists), to transfer to the Collection Account on each Business Day during each such Monthly Period all funds then on deposit in and available for transfer from the Local Collection Account.

(iv) Notwithstanding anything to the contrary contained in this Section 2.12(a), upon the occurrence of a Special Event of Default, and during the continuance thereof:

(A) all Receipts and Money received from Accounts or derived from the Mortgaged Property and all Proceeds thereof shall be payable to Lender or as otherwise directed by Lender;

(B) Lender shall make deposits, or cause deposits to be made, of such Receipts, Money and Proceeds directly to the Collection Account (it being agreed that no Moneys shall be transferred into the Manager's Operating Account thereafter from the Local Collection Account, during the continuance of the Special Event of Default), and Borrower shall cooperate (and shall cause Manager to cooperate) with Lender in the making of such deposits or causing such deposits to be made;

(C) Neither Borrower nor Manager shall have any right to make or direct any withdrawals from the Local Collection Account, the Collection Account or the Reserve Accounts without the prior written consent of Lender; and

(D) proceeds on deposit in the Collection Account and the Reserve Accounts may be applied by Lender for the payment of the Indebtedness pursuant to Section 2.8 of this Agreement.

For purposes hereof, a Special Event of Default shall be deemed to have occurred upon: (1) the occurrence of any or all of the Events of Default described in Sections 7.1(b), (e) or (f); (2) the occurrence of the Event of Default described in Section 7.1(a) and an election by Lender that a Special Event of Default shall be deemed to have occurred; or (3) an acceleration of the Loan following any Event of Default hereunder.

(b) Distribution of Cash in Collection Account. So long as a Special Event of Default has not occurred and is not continuing (and thereafter, during the continuance of a Special Event of Default, at Lender's option and discretion), on each Payment Date (or on the next succeeding Business Day if such Payment Date is not a Business Day) during a Cash Management Period, Lender shall, prior to the time required therefor under Section 2.9, apply funds on deposit in the Collection Account (to the extent of such funds in the Collection Account) as of such Payment Date (or on the next succeeding Business Day if such Payment Date is not a Business Day), with the exception of Loss Proceeds, which shall be applied as provided in Section 2.12(e) and Section 5.1(x) of this Agreement, as follows:

(i) first, to Lender in the amount of the Monthly Loan Debt Service Payment Amount then due and payable;

(ii) second, to the Real Estate Taxes Escrow Account and the Insurance Escrow Account, in that order, in the respective amounts required to be deposited therein as described in Section 2.13(b);

(iii) third, to the FF&E Costs Reserve Account in the amount (if any), but only if the same is required to be deposited therein, as described in Section 2.13(a);

(iv) fourth, during a Seasonality Reserve Period, for the Payment Dates in the Seasonality Reserve Deposit Months during such Seasonality Reserve Period, to the Seasonality Reserve Account in the amount of the Monthly Seasonality Reserve Amount, as described in Section 2.13(a);

(v) fifth, if the full amount of the Monthly Property Expenses for the calendar month during the month in which such Payment Date occurs have not, during the Monthly Period ending on such Payment Date (or on the next succeeding Business Day if such Payment

Date is not a Business Day), been deposited into the Manager's Operating Account pursuant to Section 2.12(a)(ii) above, then such deficiency shall be deposited in the Operating Expense Account;

(vi) sixth, to the payment to Lender of any expenses or other amounts (other than the Monthly Debt Service Payment due on the next Payment Date) then due and payable to Lender or its servicer(s) pursuant to this Agreement or the other Loan Documents, including to the payment of any outstanding indemnification payment to which an Indemnified Party is then entitled pursuant to Sections 5.1(i) and 5.1(j); and

(vii) seventh, to the Principal Reserve Account, in an amount equal to remaining available funds.

(c) Permitted Investments. So long as no Event of Default has occurred and is continuing, Borrower shall direct Lender in writing to invest and reinvest any balance in the Collection Account, from time to time in Permitted Investments (subject to the availability of such Permitted Investments with the Collection Account Bank); provided, however, that:

(i) the maturity of the Permitted Investments on deposit therein shall be at the discretion of Borrower, but in any event no later than the Business Day immediately preceding the date on which such funds are required to be withdrawn therefrom pursuant to Section 2.12(a) or 2.12(b) of this Agreement;

(ii) after an Event of Default has occurred and for so long as such Event of Default is continuing Borrower shall not have any right to direct investment of the balance in the Collection Account;

(iii) all such Permitted Investments shall be held in the name of Lender, as secured party, or at Lender's option in the name of Borrower for the benefit of Lender, as secured party or its servicer and shall be credited to the Collection Account; and

(iv) if no written investment direction is provided to Lender by Borrower, Lender may at Lender's option invest any balance in the Collection Account in such Permitted Investments as may be selected by Lender.

Lender shall have no liability for any loss in investments of funds in the Collection Account that are invested in Permitted Investments and no such loss shall affect Borrower's obligation to fund, or liability for funding, the Collection Account. All interest paid or other earnings on funds deposited into the Collection Account made hereunder shall be deposited into the Collection Account. Borrower shall include all earnings on the Collection Account as income of Borrower for federal and applicable state tax purposes.

(d) Intentionally Omitted.

(e) Loss Proceeds. In the event of a casualty or Taking with respect to the Mortgaged Property, all Loss Proceeds shall be paid directly to the Collection Account and, if notwithstanding the foregoing, Borrower or any of its or their Affiliates receive any Loss Proceeds, Borrower shall deposit or cause such Loss Proceeds to be deposited in the Collection Account upon such receipt. Subject to the provisions of Section 5.1(x) of this Agreement, whereby Loss Proceeds may in certain cases and upon satisfaction of the terms and conditions set forth in Section 5.1(x) be made available for Restoration, Loss Proceeds may, at Lender's option, be applied to the Indebtedness in accordance with the provisions of Section 2.6(a) above, and, upon payment in full of the Indebtedness or, if an Event of Default exists, in any manner

determined by Lender in accordance with Section 2.8 hereof. If the Loss Proceeds are to be made available for Restoration pursuant to Section 5.1(x) of this Agreement, such Loss Proceeds shall be held by Lender in a segregated interest-bearing Eligible Account in the name of Lender and under the control of Lender within the meaning of Sections 9-104 and 9-106 of the UCC to be opened (if not previously opened and maintained by the Collection Account Bank under the Collection Account Agreement by Lender) by Lender at a financial institution selected by Lender (the Loss Proceeds Account). Funds on deposit in the Loss Proceeds Account shall be invested in Permitted Investments (subject to the availability of such Permitted Investments with the Collection Account Bank) in the same manner and subject to the same restrictions as set forth in Section 2.12(c) with respect to the Collection Account (except that the maturity shall be not later than as necessary to satisfy any schedule of distributions for Restoration required or approved by Lender). If any Loss Proceeds are received by Borrower or Manager, such Loss Proceeds shall be received in trust for Lender, shall be segregated from other funds of Borrower or Manager, and shall be forthwith paid to Lender to the extent necessary to comply with this Agreement.

Section 2.13. Reserve Accounts.

(a) FF&E Costs Reserve Account; Seasonality Reserve Account; WWTP Reserve Account.

(i) On or before the Closing Date, Lender shall establish on behalf of Borrower and maintain with the Collection Account Bank two (2) separate accounts for FF&E Costs and as a Seasonality Reserve, each of which shall be an Eligible Account and shall have the same title as the Collection Account, for the benefit of Lender until the Loan is paid in full. The two (2) accounts shall be designated the FF&E Costs Reserve Account (the FF&E Costs Reserve Account) and the Seasonality Reserve Account (the Seasonality Reserve Account).

(ii) [Intentionally Omitted.]

(iii) On each Payment Date, Borrower shall deposit or cause to be deposited, or if the funds are being deposited into the Collection Account pursuant to the terms of Section 2.12(a), Lender or its servicer shall deposit from the Collection Account (and if the funds for such deposit are not sufficient to make such deposit, Borrower shall make an additional deposit of Borrower's funds in the amount of such deficiency sourced from equity capital contributions) into the FF&E Costs Reserve Account, an amount equal to the FF&E Percentage of Gross Revenues at the Mortgaged Property during the penultimate calendar month preceding the calendar month in which such Payment Date occurs (for example, the deposit required for the Payment Date in July would be based upon the Gross Revenues for May). Any and all Moneys remitted to the FF&E Costs Reserve Account, together with any Permitted Investments in which such Moneys are or will be invested or reinvested during the term of this Agreement, shall be held in the FF&E Costs Reserve Account to be withdrawn by Lender upon written request by Borrower made not more than once each month in an amount not less than \$10,000, and applied to pay directly, or reimburse Borrower for, FF&E Costs shown on the Operating Budget which are currently due to be paid, or which were paid and were not reimbursed; provided, that Borrower shall not (absent Lender's written consent) be entitled to reimbursement from the FF&E Costs Reserve Account for FF&E Costs incurred prior to the Closing Date, or for FF&E Costs incurred more than one hundred eighty (180) days prior to the date of Borrower's written

request for reimbursement. Not less than five (5) Business Days prior to the date Borrower desires a withdrawal of funds on deposit in the FF&E Costs Reserve Account, in whole or in part, Borrower shall provide Lender with written notice of such request (including therein a statement of the purpose for the withdrawal and in the case of a reimbursement of Borrower, evidence that the related costs have been paid (it being agreed that a cancelled check and a copy of the invoice paid with such check shall constitute satisfactory evidence that the same has been paid)).

(iv) During a Seasonality Reserve Period, Lender shall determine (using the most recent annual Operating Budget prepared for each calendar year (the Budgeted Calendar Year)), the projected Monthly Negative Amounts (as defined below) for any months during such Budgeted Calendar Year. Borrower covenants and agrees that each Operating Budget for each Budgeted Calendar Year shall include projections in order to aid in Lender's determination of the Seasonality Reserve Deposit Amount. The Seasonality Reserve Deposit Amount shall be an amount equal to one hundred ten percent (110%) of the aggregate projected Monthly Negative Amounts for such Budgeted Calendar Year. Lender shall also reasonably determine the months during the Seasonality Reserve Period when deposits into the Seasonality Reserve shall be required (the Seasonality Reserve Deposit Months) and the amount of each required deposit during each such Seasonality Deposit Month (the Monthly Seasonality Reserve Deposit Amount), such that the aggregate amount of all Monthly Seasonality Reserve Deposit Amounts during all Seasonality Reserve Deposit Months during a Budgeted Calendar Year shall be an amount equal to the Seasonality Reserve Deposit Amount. During a Seasonality Reserve Period, on each Payment Date during each of the Seasonality Reserve Deposit Months, Borrower shall, or if funds are then being deposited into the Collection Account pursuant to the terms of Section 2.12(a) and if no Special Event of Default then exists, Lender or its servicer shall, deposit the Monthly Seasonality Reserve Deposit Amount from the Collection Account, first from and to the extent of funds available for such deposit from the waterfall application of funds on such Payment Date (or the immediately succeeding Business Day if such Payment Date is not a Business Day) pursuant to Section 2.12(b)(iv), and then from and to the extent of funds available in the Principal Reserve Account; provided: (A) that if a Special Event of Default exists or the funds then available from the waterfall application of funds on such Payment Date (or the immediately succeeding Business Day if such Payment Date is not a Business Day) pursuant to Section 2.12(b)(iv) and in the Principal Reserve Account are not sufficient to make such deposit of the applicable Monthly Seasonality Reserve Deposit Amount during a Seasonality Reserve Period, Borrower shall on such Payment Date make an additional deposit of Borrower's funds in the amount of such deficiency sourced from equity capital contributions; and (B) that the applicable Monthly Seasonality Reserve Deposit Amount may be reduced by an amount up to an amount reasonably determined by Lender (the Working Capital Reduction Amount) if a Cash Management Period is not in effect on the applicable Payment Date upon which such Monthly Seasonality Reserve Deposit Amount is required to be deposited (regardless of whether a Cash Management Period later commences), and Borrower demonstrates to Lender's reasonable satisfaction that a working capital reserve in an amount at least equal to such Working Capital Reduction Amount (or a lesser amount reasonably determined by Lender to be a sufficient working capital reserve in which event the reduction in the Monthly Seasonality Reserve Deposit Amount shall be in the amount of such lesser

amount) is then being held in the Manager's Operating Account for use for working capital purposes. If such working capital reserve is used for purposes of reducing the applicable Monthly Seasonality Reserve Deposit Amount, Borrower covenants and agrees that such working capital reserve shall be used for such working capital purposes and shall not be used or distributed as an equity distribution or for any other purpose. The Monthly Negative Amount for any calendar month is the amount by which Gross Revenues projected for such month in the Operating Budget are less than the sum of all expenditures projected for such month, including without limitation monthly debt service on the Loan, projected monthly deposits into the Reserve Accounts, projected FF&E Costs and Capital Improvements Costs (to the extent not reasonably projected to be funded from, and qualified to be funded from, funds reasonably projected to be sufficient in the FF&E Costs Reserve Account), projected Basic Carrying Costs (to the extent not reasonably projected to be funded from, and qualified to be funded from, funds reasonably projected to be sufficient in the Real Estate Tax Escrow Account or, if applicable, the Insurance Escrow Account, as applicable) and Property Expenses (and any such actual deficiency (as opposed to the projected deficiency) in Gross Revenues for any calendar month is herein referred to as an Operating Deficiency for such month). Provided no Special Event of Default exists, funds in the Seasonality Reserve Account shall be made available to Borrower promptly on any Payment Date in a month in which there is an Operating Deficiency to fund such Operating Deficiency upon Borrower's written request made at least five (5) Business Days prior to such Payment Date, provided Borrower provides certifications and other evidence reasonably satisfactory to Lender that an Operating Deficiency exists for such calendar month, and such Operating Deficiency does not result from expenditures other than those contemplated under the approved Operating Budget for such calendar year. In the event there shall be an undisbursed balance in the Seasonality Reserve Account at the end of the Budgeted Calendar Year (with respect to a balance remaining from the prior deposits of the Monthly Seasonality Reserve Deposit Amounts), such balance shall be disbursed to Borrower, unless: (1) a Cash Management Period then exists, in which event such balance shall be transferred to the Principal Reserve Account; or (2) Lender reasonably determines that sufficient funds will not be available in the following Budgeted Calendar Year to make all required Monthly Seasonality Reserve Deposit Amounts reasonably anticipated to be made in such following Budgeted Calendar Year, in which event the portion of such balance reasonably determined by Lender to be required to fund such insufficiency shall remain on deposit in the Seasonality Reserve until the end of such following Budgeted Calendar Year.

(v) On or before the Closing Date, Lender shall establish on behalf of Borrower and maintain with the Collection Account Bank a reserve account designated the WWTP Reserve Account for the uses and purposes set forth herein. On the Closing Date, Lender shall deposit out of the Loan proceeds \$1,575,218.63 in the WWTP Reserve Account. Any and all Moneys remitted to the WWTP Reserve Account, together with any interest, earnings or income earned thereon, shall be held in the WWTP Reserve Account to be withdrawn by Lender and, provided no Event of Default is then continuing, disbursed to Borrower upon Borrower's delivery of evidence to Lender that it has resolved to the reasonable satisfaction of Lender the December 1, 2006 claim by the Department of Environmental Protection relating to alleged violations resulting from the Water Treatment Plant (the DEP Claim) and that the same will be used to pay the DEP Claim. The funds

contained in the WWTP Reserve Account shall be utilized by Borrower solely for payment of the DEP Claim. In the event the amount of funds required to pay the DEP Claim is less than the amount on deposit in the WWTP Reserve Account, then Borrower shall nonetheless be entitled to disbursement of the full amount on deposit. In the event the amount of funds required to pay the DEP Claim is more than the amount on deposit in the WWTP Reserve Account, then Borrower shall pay such deficiency with funds sourced from equity.

(b) Real Estate Taxes Escrow Account and Insurance Escrow Account. On or before the Closing Date, Lender shall on behalf of Borrower establish and maintain with the Collection Account Bank two (2) separate accounts for certain Basic Carrying Costs, each of which shall be an Eligible Account and shall have the same title as the Collection Account for the benefit of Lender until the Loan is paid in full. The two accounts shall be designated the Real Estate Taxes Escrow Account (the Real Estate Taxes Escrow Account) and the Insurance Escrow Account (the Insurance Escrow Account). On the Closing Date, Lender shall deposit out of the Loan proceeds \$71,666,67 in the Real Estate Taxes Escrow Account (i.e. the amount necessary to meet the first bill with credit for monthly escrow payments to be made prior to the applicable due date). On each Payment Date, Borrower shall deposit or cause to be deposited, or if the funds are being deposited into the Collection Account pursuant to the terms of Section 2.12(a), Lender or its servicer shall deposit from the Collection Account (and if the funds for such deposit are not sufficient to make such deposit, Borrower shall make an additional deposit of Borrower's funds in the amount of such deficiency sourced from equity capital contributions) into the Real Estate Taxes Escrow Account and Insurance Escrow Account;

(1) an amount equal to (1/12th) one-twelfth of the annual real estate taxes and any governmental real property assessments or other charges that if not paid in a timely manner will result in a Lien on the Mortgaged Property in the Real Estate Taxes Escrow Account; and

(2) an amount equal to one-twelfth (1/12th) of the annual insurance premiums for policies of insurance required to be maintained by Borrower with respect to the Mortgaged Property pursuant to this Agreement, and any additional insurance required under any of the other Loan Documents (other than coverage under blanket insurance policies which include the Mortgage Property), in the Insurance Escrow Account.

Any and all Moneys remitted to the Real Estate Taxes Escrow Account or Insurance Escrow Account shall be held in the Real Estate Taxes Escrow Account or Insurance Escrow Account to be withdrawn from the Real Estate Taxes Escrow Account or Insurance Escrow Account, as applicable, by Lender or its servicer upon written request of Borrower delivered to Lender and its servicer together with documentation and other evidence (including invoices and in the case of a reimbursement of Borrower, evidence that the related costs have been paid) with respect to the respective Basic Carrying Costs towards which such funds are to be applied, and applied to pay directly (or reimburse Borrower, in the case of insurance premiums only) for: (A) any real estate taxes and assessments (in the case of the Real Estate Taxes Escrow Account); or (B) any insurance premiums for policies of insurance required to be maintained by Borrower with respect to the Mortgaged Property pursuant to this Agreement, and any additional insurance required under any of the other Loan Documents (in the case of the Insurance Escrow Account). Borrower shall provide Lender or its servicer with bills and other documents necessary for payment of real estate taxes and assessments and insurance premiums at least ten (10) Business Days prior to the

due dates therefor. In the event the amount then on deposit in the Real Estate Taxes Escrow Account or the Insurance Escrow Account exceeds the amount due for real estate taxes and assessments by more than one-twelfth (1/12th) of the annual real estate taxes (in the case of the Real Estate Taxes Escrow Account) or the amount due for insurance premiums (in the case of the Insurance Escrow Account), respectively, Lender or its servicer shall, absent an Event of Default, credit such excess against future payment obligations to the Real Estate Taxes Escrow Account or the Insurance Escrow Account, as applicable.

Notwithstanding anything to the contrary contained in this Section 2.13(b), no deposits into the Insurance Escrow Account shall be required (by Borrower, or by Lender or its servicer) so long as Borrower maintains the insurance required by the terms hereof under blanket insurance policies satisfying the requirements of this Agreement. In the event blanket insurance policies are no longer carried by Borrower, Borrower (or Lender or its servicer) shall promptly commence making the deposits into the Insurance Escrow Account required hereunder (and Borrower shall make an initial deposit in an amount reasonably determined by Lender sufficient to meet the first bill for insurance premiums thereafter due and payable).

(c) Operating Expense Account and Principal Reserve Account. On or before the Closing Date, Lender shall on behalf of Borrower establish and maintain with the Collection Account Bank two (2) separate accounts for the remittance of certain funds by Lender or its servicer during a Cash Management Period, each of which shall be an Eligible Account and shall have the same title as the Collection Account for the benefit of Lender, as secured party until the Loan is paid in full. The two (2) accounts shall be designated the Operating Expense Account (the Operating Expense Account) and the Principal Reserve Account (the Principal Reserve Account). Any and all Moneys remitted to the Operating Expense Account or the Principal Reserve Account pursuant to Section 2.12(b) shall be held in the Operating Expense Account or Principal Reserve Account, as applicable, and applied as follows:

(i) with respect to the Operating Expense Account, to pay Monthly Property Expenses up to 110% of those provided for in the then applicable Operating Budget (taking into account funds on deposit in the Manager's Operating Account in excess of necessary working capital (as demonstrated to Lender in Lender's reasonable discretion)), as directed in writing by Borrower, and/or for other Property Expenses approved by Lender, upon Borrower's written request for disbursement therefor from time to time (but no more frequently than once every two (2) weeks without Lender's consent) as follows. Upon written application of Borrower (which may be done by electronic mail or e-mail), Borrower shall be entitled to obtain disbursements by Lender from the Operating Expense Account, provided that: (A) no Special Event of Default has occurred and is continuing; and (B) Borrower shall provide to Lender (including by electronic mail or e-mail) such documentation and certifications as Lender may reasonably request to substantiate the requirement for and entitlement to such disbursement.

(ii) with respect to the Principal Reserve Account, so long as no Special Event of Default exists, funds shall be made available from such Principal Reserve Account: (A) to make deposits into the Seasonality Reserve Account during a Seasonality Reserve Period as set forth in Section 2.13(a)(iv); (B) to the extent not funded from the Seasonality Reserve Account, disbursed to Borrower on any Payment Date in a month in which there is an Operating Deficiency and the balance in the Seasonality Reserve Account is (or has been reduced to) zero, to fund such Operating Deficiency upon Borrower's written request made

at least five (5) Business Days prior to such Payment Date; provided Borrower provides certifications and other evidence reasonably satisfactory to Lender that an Operating Deficiency exists for such calendar month, and such Operating Deficiency does not result from expenditures in excess of 110% of those provided for in the approved Operating Budget for such calendar year; and (C) as may otherwise be approved by Lender in Lender's sole and absolute discretion.

(d) End of Cash Management Period. If and when a Cash Management Period occurs and then ends, then so long as no Event of Default exists and is continuing Lender shall, promptly upon Borrower's written request, release any and all amounts on deposit in the Operating Expense Account and the Principal Reserve Account to Borrower free and clear of Lender's Lien and security interest.

(e) Investment of Funds. All or a portion of any Moneys in the Reserve Accounts shall, so long as no Event of Default has occurred and is continuing, be invested and reinvested by Lender in accordance with written instructions delivered by Borrower, or after an Event of Default has occurred and is continuing, by Lender, in one or more Permitted Investments (subject to the availability of such Permitted Investments with the Collection Account Bank). If no written investment direction is provided to Lender by Borrower, Lender may at its option invest such Moneys in a Permitted Investment selected by Lender. All interest paid or other earnings on funds deposited into the Reserve Accounts made hereunder shall be deposited into the Reserve Accounts. Lender shall have no liability for any loss in investments of funds in any Reserve Account that are invested in Permitted Investments and no such loss shall affect Borrower's obligation to fund, or liability for funding, the Reserve Accounts. Unless and until title to the funds therein shall have vested in any Person other than Borrower, Borrower shall include all such income or gain earned with respect to any Reserve Account which bears interest (or is invested) for the benefit of Borrower, as income of Borrower for federal and applicable state tax purposes.

(f) Special Event of Default. After a Special Event of Default has occurred and is continuing, Lender may liquidate any Permitted Investments of the amount on deposit in such account, withdraw and use such amount on deposit in the Pledged Accounts to make payments on account of the Indebtedness or otherwise as provided in Section 2.8. Without in any way limiting the foregoing or Lender's rights and remedies upon an Event of Default, and subject to Lender's direction otherwise from time to time, in whole or in part, in Lender's discretion, after and during the continuance of a Special Event of Default Lender may direct the Collection Account Bank or the Local Collection Account Bank to disburse to Lender or allocate all available funds on deposit in the Pledged Accounts to: (i) any debt service or other Indebtedness due under this Loan Agreement or the other Loan Documents; (ii) any Reserve Account established under this Loan Agreement; (iii) otherwise as a reserve for Property Expenses, Capital Improvement Costs, Impositions and other expenditures relating to the use, management, operation or leasing of the Mortgaged Property; and/or (iv) any costs and expenses incurred by Lender in connection with such Event of Default, or expended by Lender to protect or preserve the value of the Mortgaged Property.

Section 2.14. Additional Provisions Relating to the Pledged Accounts.

(a) Borrower covenants and agrees that: (i) all securities or other property underlying any financial assets credited to any Pledged Account shall be registered in the name of Lender, indorsed to Lender or indorsed in blank or credited to another securities account maintained in

the name of Lender as secured party under this Agreement and in no case will any financial asset credited to any Pledged Account be registered in the name of Borrower, payable to the order of Borrower or specially indorsed to Borrower except to the extent the foregoing have been specially indorsed to Lender or in blank; and (ii) all Permitted Investments and all other property delivered to Lender pursuant to this Agreement will be promptly credited to one of the Pledged Accounts.

(b) Borrower hereby agrees that each item of property (whether investment property, financial asset, security, instrument, cash or otherwise) credited to any Pledged Account shall be treated as a financial asset within the meaning of Section 8-102(a)(9) of the UCC.

(c) Borrower acknowledges and agrees that the Collection Account Bank and Local Collection Account Bank shall comply with all entitlement orders (i.e. an order directing transfer or redemption of any financial asset relating to a Pledged Account, and any entitlement order as defined in Section 8-102(a)(8) of the UCC) and instructions (including any instruction within the meaning of Section 9-104 of the UCC) originated by Lender without further action or consent by Borrower, Manager or any other Person.

(d) Regardless of any provision in any other agreement, for purposes of the UCC, with respect to each Pledged Account, New York shall be deemed to be the bank's jurisdiction (within the meaning of Section 9-304 of the UCC) and the securities intermediary's jurisdiction (within the meaning of Section 8-110 of the UCC). The Pledged Accounts shall be governed by the laws of the State of New York.

(e) Except for the claims and interest of Lender and of Borrower in the Pledged Accounts, Borrower represents and warrants that it does not know of any Lien on or claim to, or interest in, any Pledged Account or in any financial asset (as defined in Section 8-102(a) of the UCC) credited thereto. If any Person asserts any Lien, encumbrance or adverse claim (including any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Pledged Accounts or in any financial asset carried therein, Borrower will promptly notify Lender thereof and shall indemnify, defend and hold Lender and each of the Indemnified Parties harmless from and against any such Lien, encumbrance or claim.

Section 2.15. Security Agreement.

(a) Pledge of Pledged Accounts. To secure the full and punctual payment and performance of all of the Indebtedness, Borrower hereby assigns, conveys, pledges and transfers to Lender, as secured party, and grants Lender a first priority and continuing security interest in and to, the following property, whether now owned or existing or hereafter acquired or arising and regardless of where located (collectively, the Account Collateral):

(i) all of Borrower's right, title and interest in the Pledged Accounts and all Money and Permitted Investments, if any, from time to time deposited or held in the Pledged Accounts or purchased with funds or assets on deposit in the Pledged Accounts;

(ii) all of Borrower's right, title and interest in interest, dividends, Money, Instruments and other property from time to time received, receivable or otherwise payable in respect of, or in exchange for, any of the foregoing until such time as such items are disbursed from the Pledged Accounts; and

(iii) to the extent not covered by clause (i) or (ii) above, all Proceeds of any or all of the foregoing until such time as such items are disbursed from the Pledged Accounts.

Lender and Collection Account Bank and Local Collection Account Bank, each as agent for Lender, shall have with respect to the foregoing collateral, in addition to the rights and remedies herein set forth, all of the rights and remedies available to a secured party under the UCC, as if such rights and remedies were fully set forth herein.

(b) Covenants: Control. Except as set forth in this Agreement, neither Borrower nor Manager shall have any right to withdraw Money from the Pledged Accounts. Borrower acknowledges and agrees that the Pledged Accounts are and shall at all times continue to be subject to and under the control of Lender within the meaning of Sections 9-104 and 9-106 of the UCC. Except as expressly permitted herein, neither Borrower nor Manager nor any other person or entity, through or under Borrower, shall have any control over the use of, or any right to withdraw any amount from, any Pledged Accounts, and Borrower acknowledges that the Collection Account Bank and the Local Collection Account Bank shall comply with all instructions originated by Lender without further consent by Borrower. Borrower acknowledges and agrees that the Collection Account Bank and Local Collection Account Bank shall be entitled to comply with the instructions of Lender with respect to the Pledged Accounts without the further consent of Borrower or Manager. The Account Collateral shall be subject to such applicable laws, and such applicable regulations of the Board of Governors of the Federal Reserve System and of any other banking authority or Governmental Authority, as may now or hereafter be in effect, and to the rules, regulations and procedures of the financial institution where the Account Collateral is maintained relating to demand deposit accounts generally from time to time in effect.

(c) Financing Statements; Further Assurances. Borrower hereby irrevocably authorizes Lender at any time and from time to time to file any financing statements or continuation statements, and amendments to financing statements, in any jurisdictions and with any filing offices as Lender may determine, in its discretion, are necessary or advisable to perfect the security interests granted to Lender in connection herewith. Such financing statements may describe the collateral in the same manner as described in any security agreement or pledge agreement entered into by the parties in connection herewith or may contain an indication or description of collateral that describes such property in any other manner as Lender may determine, in its discretion, is necessary, advisable or prudent to ensure the perfection of the security interest in the collateral granted to Lender in connection herewith whether now owned or hereafter acquired. From time to time, at the expense of Borrower, Borrower shall promptly execute and deliver all further instruments, and take all further action, that Lender may reasonably request, in order to continue the perfection and protection of the pledge and security interest granted or purported to be granted hereby.

(d) Transfers and Other Liens. Borrower shall not sell or otherwise dispose of any of the Account Collateral other than pursuant to the terms of this Agreement and the other Loan Documents, or create or permit to exist any Lien upon or with respect to all or any of the Account Collateral, except for the Lien granted to Lender under or as contemplated by this Agreement.

(e) No Waiver. Every right and remedy granted to Lender under this Agreement or by law may be exercised by Lender at any time and from time to time, and as often as Lender may deem it expedient. Any and all of Lender's rights with respect to the pledge of and security interest in the Account Collateral granted hereunder shall continue unimpaired, and to the extent permitted by law, Borrower shall be and remain obligated in accordance with the terms hereof,

notwithstanding: (i) any proceeding of Borrower under the Bankruptcy Code or any bankruptcy, insolvency or reorganization laws or statutes of any state; (ii) the release or substitution of Account Collateral at any time, or of any rights or interests therein; or (iii) any delay, extension of time, renewal, compromise or other indulgence granted by Lender in the event of any Default with respect to the Account Collateral or otherwise hereunder. No delay or extension of time by Lender in exercising any power of sale, option or other right or remedy hereunder, and no notice or demand which may be given to or made upon Borrower by Lender, shall constitute a waiver thereof, or limit, impair or prejudice Lender's right, without notice or demand, to take any action against Borrower or to exercise any other power of sale, option or any other right or remedy.

(f) Lender Appointed Attorney-In-Fact. Borrower hereby irrevocably constitutes and appoints Lender as Borrower's true and lawful attorney-in-fact, with full power of substitution, at any time after the occurrence and during the continuation of an Event of Default, to execute, acknowledge and deliver any instruments and to exercise and enforce every right, power, remedy, option and privilege of Borrower with respect to the Account Collateral, and do in the name, place and stead of Borrower, all such acts, things and deeds for and on behalf of and in the name of Borrower with respect to the Account Collateral, which Borrower could or might do or which Lender may deem necessary or desirable to more fully vest in Lender the rights and remedies provided for herein with respect to the Account Collateral and to accomplish the purposes of this Agreement. The foregoing powers of attorney are irrevocable and coupled with an interest and shall terminate upon: (i) repayment of the Indebtedness in full; or (ii) the occurrence of a Defeasance.

(g) Continuing Security Interest; Termination. This Section 2.15 shall create a continuing pledge of and security interest in the Account Collateral and shall remain in full force and effect until payment in full (or Defeasance) by Borrower of the Indebtedness. Upon payment in full (or Defeasance) by Borrower of the Indebtedness, Lender shall return to Borrower such of the Account Collateral as shall not have been applied pursuant to the terms hereof, and shall execute such instruments and documents as may be reasonably requested by Borrower to evidence such termination and the release of the pledge and lien hereof.

Section 2.16. Mortgage Recording Taxes; Release of Liens.

(a) The Lien to be created by the Mortgage is intended to encumber the Mortgaged Property to the full extent of the Indebtedness. On the Closing Date, Borrower shall have paid all state, county and municipal recording and all other taxes imposed upon the execution and recordation of the Mortgage, if any.

(b) Upon repayment of the Loan and all other amounts due hereunder and under the Loan Documents in full (or upon a Defeasance) in accordance with the terms hereof and thereof, Lender shall, promptly after such payment, release or cause to be released all Liens with respect to all Account Collateral and Collateral (including, without limitation, terminating the Local Collection Account Agreements, the Collection Account Agreement, the tenant direction letters and other Direction Letters delivered pursuant to Section 2.12(a)) or, to the extent necessary to facilitate future savings of mortgage tax in states that impose mortgage taxes, assign such Liens to Borrower's new lender(s), provided that any such assignments shall be without recourse, representation, or warranty of any kind, except that Lender shall represent and warrant: (i) the then outstanding amount of the Principal Indebtedness; and (ii) that such Liens have not been previously assigned by Lender.

**ARTICLE IV.
REPRESENTATIONS AND WARRANTIES**

Section 4.1. Representations and Warranties as to Borrower. Borrower represents and warrants that, as of the Closing Date:

(a) Organization. Borrower: (i) is a duly organized and validly existing limited liability company in good standing under the laws of the State of Delaware; (ii) has the requisite power and authority to own its property (including, without limitation, the Mortgaged Property) and to carry on its business as now being conducted and is qualified to do business in the jurisdiction in which the Mortgaged Property is located; and (iii) has the requisite power to execute and deliver, and perform its obligations under, this Agreement, the Note and all of the other Loan Documents to which it is a party.

(b) Authorization; No Conflict; Consents and Approvals. The execution and delivery by Borrower of this Agreement, the Note and each of the other Loan Documents to which it is a party, Borrower's performance of its obligations hereunder and under the other Loan Documents and the creation of the security interests and liens provided for in this Agreement and the other Loan Documents to which they are parties: (i) have been duly authorized by all requisite action; (ii) will not violate any provision of any Legal Requirements, any order of any court or other Governmental Authority, the Organizational Agreement or any indenture or, except for any violations which would not reasonably be expected to have a Material Adverse Effect; and (iii) will not be in conflict with, result in a breach of, or constitute (with due notice or lapse of time or both) a default under, or result in the creation or imposition of any Lien of any nature whatsoever upon the Mortgaged Property pursuant to, any such indenture or agreement or material instrument other than the Loan Documents. Other than those obtained or filed on or prior to the Closing Date, and those to be obtained or filed in the ordinary course and conduct of Borrower's business at the Mortgaged Property, Borrower is not required to obtain any consent, approval or authorization from, or to file any declaration or statement with, any Governmental Authority or other agency in connection with or as a condition to the execution, delivery or performance of this Agreement, the Note or the other Loan Documents executed and delivered by it.

(c) Enforceability. This Agreement, the Note and each other Loan Document (including, without limitation, any Collateral Security Instrument), is the legal, valid and binding obligation of Borrower, enforceable against it in accordance with its terms, subject to bankruptcy, insolvency, and other limitations on creditors' rights generally and to equitable principles. This Agreement, the Note and such other Loan Documents are not subject to any right of rescission, set-off, counterclaim or defense by Borrower (including the defense of usury), and Borrower has not asserted any right of rescission, set-off, counterclaim or defense with respect thereto.

(d) Litigation. Except as set forth on Schedule 3, there are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending and served or, to the Actual Knowledge of Borrower, threatened against Borrower or

(e) Agreements. Borrower is not in default in the performance, observance or fulfillment of any of the material obligations, covenants or conditions contained in any agreement or instrument to which it is a party, or by which Borrower or any Collateral is bound, which default is reasonably likely to have a Material Adverse Effect. The fair market value of Borrower's assets is and will, immediately following the making of the Loan, be greater than Borrower's probable liabilities (including the maximum amount of its contingent liabilities on its debts as such debts become absolute and matured). Borrower's assets do not and, immediately following the making of the Loan will not, constitute unreasonably small capital to carry out its business as conducted or as proposed to be conducted. Borrower does not intend to, and does not believe that it will, incur debts and liabilities (including, without limitation, contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of Borrower).

To the Actual Knowledge of Borrower, no financial statements or any other document, certificate or written statement furnished to Lender by Borrower or Guarantor, or by any third party on behalf of Borrower or Guarantor, for use in connection with the Loan contains any untrue representation, warranty or statement of a fact, and none omits or will omit to state a fact necessary in order to make the statements contained herein or therein not misleading in any material respect. To the Actual Knowledge of Borrower, there is no fact that has not been disclosed to Lender that is reasonably likely to result in a Material Adverse Effect.

(j) Financial Information. All financial statements and other data concerning Borrower, Guarantor and the Mortgaged Property that have been delivered by or on behalf of Borrower or

Guarantor to Lender are true, complete and correct in all material respects as of the respective dates thereof and, except as disclosed on Schedule 3 attached hereto, have been prepared in accordance with GAAP. Since the delivery of such data, except as otherwise disclosed in writing to Lender, there has been no change in the financial position of Borrower, Guarantor or the Mortgaged Property, or in the results of operations of Borrower or Guarantor, which change results or is reasonably likely to result in a Material Adverse Effect. Neither Borrower nor Guarantor has incurred any obligation or liability, contingent or otherwise, not reflected in such financial data, which is likely to have a Material Adverse Effect upon its business operations or the Mortgaged Property.

(k) Investment Company Act; Public Utility Holding Company Act. Borrower is not: (i) an investment company or a company controlled by an investment company, within the meaning of the Investment Company Act of 1940, as amended; (ii) a holding company or a subsidiary company of a holding company or an affiliate of either a holding company or a subsidiary company within the meaning of the Public Utility Holding Company Act of 1935, as amended; or (iii) subject to any other federal or state law or regulation which purports to restrict or regulate its ability to borrow money in accordance with this Agreement.

(l) Compliance. Borrower is in compliance with all applicable Legal Requirements, except for noncompliance that is not reasonably likely to have a Material Adverse Effect. Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority except for defaults or violations which are not reasonably likely to have a Material Adverse Effect.

(m) Use of Proceeds; Margin Regulations. Borrower will use the proceeds of the Loan for the purposes described in Section 2.2. No part of the proceeds of the Loan will be used for the purpose of purchasing or acquiring any margin stock within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or for any other purpose which would be inconsistent with such Regulation U or any other Regulations of such Board of Governors, or for any purposes prohibited by Legal Requirements.

(n) Organizational Chart. The organizational chart set forth as Schedule 2 accurately sets forth the direct and indirect ownership structure of Borrower.

(o) No Defaults. No Event of Default or, to the Actual Knowledge of Borrower, Default, exists under or with respect to any Loan Document.

(p) Plans and Welfare Plans. The assets of Borrower are not treated as plan assets under regulations currently promulgated under ERISA. Except to the extent it would not have a Material Adverse Effect, neither Borrower nor any ERISA Affiliate sponsors, maintains, contributes to or is required to contribute to any Plan or Multiemployer Plan nor has Borrower or any ERISA Affiliate sponsored, maintained, contributed to or been required to contribute to any Plan or Multiemployer Plan within the past six years. Except to the extent it would not have a Material Adverse Effect: (i) there are no pending issues or claims before the Internal Revenue Service, the United States Department of Labor or any court of competent jurisdiction related to any Plan or Welfare Plan; (ii) no event has occurred, and there exists no condition or set of circumstances, in connection with any Plan or Welfare Plan which will subject Borrower directly or indirectly (through an indemnification agreement or otherwise), to any liability under Section 409 or 502(i) of ERISA or Section 4975 of the Code; and (iii) no Welfare Plan provides or will provide benefits, including, without limitation, death or medical benefits (whether or not

insured) with respect to any current or former employee of Borrower beyond his or her retirement or other termination of service other than: (A) coverage mandated by applicable law; (B) death or disability benefits that have been fully provided for by fully paid up insurance; or (C) severance benefits.

(q) Additional Borrower UCC Information. Borrower's organizational identification number is 3723422, and the full legal name of Borrower is as set forth on the signature pages hereof, and Borrower has not done in the last five (5) years, and does not do, business under any other name (including any trade-name or fictitious business name).

(r) Not Foreign Person. Borrower is not a foreign person within the meaning of § 1445(f)(3) of the Code.

(s) Labor Matters. Borrower is not a party to any collective bargaining agreements.

(t) Pre-Closing Date Activities. Borrower has not conducted any business or other activity on or prior to the Closing Date, other than in connection with the acquisition, development, management and ownership of the Mortgaged Property.

(u) No Bankruptcies or Criminal Proceedings Involving Borrower or Related Parties. No bankruptcy, insolvency, reorganization or comparable proceedings have ever been instituted by or against Borrower, Guarantor, Manager, any Affiliate of Borrower, Manager or Guarantor, or any individual or entity owning, with his, her or its family members, twenty percent (20%) or more of the direct, or indirect beneficial ownership interests in Borrower or Manager (Guarantor, individual, or entity being herein referred to as a Principal), and no such proceeding is now pending or, to the Actual Knowledge of Borrower, contemplated. None of Borrower, Manager or any Principal have been charged, indicted or convicted, or are currently under the threat of charge, indictment or conviction, for: (i) any felony; or (ii) any crime which involves fraud or which involves any act that is reasonably likely to have a Material Adverse Effect on the business operations or condition (financial or otherwise) of Borrower Manager, or the value of the Mortgaged Property.

(v) No Prohibited Persons. Neither Borrower, Manager, Guarantor nor any of their respective officers, directors, members or Affiliates is or will be an entity or person: (i) that is listed in the Annex to, or is otherwise subject to the provisions of Executive Order 13224 issued on September 24, 2001 (EO13224); (ii) whose name appears on the United States Treasury Department's Office of Foreign Assets Control (OFAC) most current list of Specifically Designated National and Blocked Persons (which list may be published from time to time in various mediums including, but not limited to, the OFAC website, <http://www.treas.gov/ofac/t11sdn.pdf>) (the OFAC List); (iii) who commits, threatens to commit or supports terrorism, as that term is defined in EO 13224; or (iv) who is otherwise affiliated with any entity or person listed above (any and all parties or persons described in clauses (i) through (iv) above are herein referred to as a Prohibited Person). To the Actual Knowledge of Borrower, no tenant at the Mortgaged Property currently is identified on the OFAC List or otherwise qualifies as a Prohibited Person and no tenant at the Mortgaged Property is owned by or an Affiliate of a Prohibited Person. Borrower, Manager and Guarantor have implemented and will continue to follow procedures to ensure that no tenant at the Mortgaged Property is a Prohibited Person or owned by or an Affiliate of a Prohibited Person.

Section 4.2. Representations and Warranties as to the Mortgaged Property. Borrower hereby represents and warrants to Lender that, as to the Mortgaged Property and the Mortgage, as of the Closing Date:

The Mortgaged Property is zoned for its current use or subject to a special use permit which permits its current use, which zoning designation or, subject to the terms thereof, special use permit, is unconditional, in full force and effect, and is beyond all applicable appeal periods. In the event that all or any part of the Improvements located on the Mortgaged Property are destroyed or damaged, said Improvements can be legally reconstructed to their condition prior to such damage or destruction, and thereafter exist for the same use without violating (after taking into account the effect of any special use permit) any zoning or other ordinances applicable thereto and without the necessity of obtaining any variances or special permits (other than any special use permits now in effect), other than customary demolition, building and other construction related permits. No legal proceedings are pending or, to the Actual Knowledge of Borrower, threatened with respect to the zoning of the Mortgaged Property. Except as set forth in the Permitted Encumbrances and/or any permit for a planned unit development affecting the Mortgaged Property, neither the zoning nor any other right to construct, use or operate the Mortgaged Property is in any way dependent upon or related to any real estate other than the Mortgaged Property. (ii) There is no material Environmental Claim pending or, to the Actual Knowledge of Borrower, threatened, and no unpaid, material penalties arising under Environmental Laws have been assessed against Borrower, the Manager or the Mortgaged Property or, to the Actual Knowledge of Borrower, against any Person whose liability for any material Environmental Claim Borrower or Manager has retained or assumed either contractually or, to the Actual Knowledge of Borrower, by operation of law. To the Actual Knowledge of Borrower, no material investigation or review is pending or threatened by any Governmental Authority, citizens group, employee or other Person with respect to any alleged failure by Borrower or Manager or the Mortgaged Property to have any material permit, license or other authorization required under, or to otherwise comply with, any applicable Environmental Law or with respect to any alleged material liability of Borrower or Manager for any Use or Release of any Hazardous Substances.

(iii) To the Actual Knowledge of Borrower, there are no present and there have been no past material Releases of any Hazardous Substances that are reasonably likely to form the basis of any material Environmental Claim against Borrower, the Manager, the Mortgaged Property or against any Person whose liability for any material Environmental Claim Borrower or the Manager has retained or assumed either contractually or to the Actual Knowledge of Borrower, by operation of law (other than Hazardous Substances present or otherwise being used in amounts that are customary for properties such as the Mortgaged Property and for purposes that are typical for properties such as the Mortgaged Property and in all cases are utilized in compliance with applicable Environmental Law in all material respects).

(iv) Without limiting the generality of the foregoing, to the Actual Knowledge of Borrower, there is not present at, on, in or under the Mortgaged Property, any Hazardous Substances (including, without limitation, PCB-containing (at least 50 parts per million) equipment, friable asbestos or friable asbestos containing materials, underground storage tanks or surface impoundments for Hazardous Substances, lead based paint or, to the extent reasonably likely to result in a Materially Adverse Effect, lead in drinking water) (other than Hazardous Substances present or otherwise being used in amounts that are customary for properties such as the Mortgaged Property and for purposes that are typical for properties such as the Mortgaged Property and in all cases are utilized in compliance with applicable Environmental Law in all material respects) or any fungus, mold, mildew or biological agent, except, for the purposes of this Section 4.2(e)(iv) in amounts which are not, and under circumstances which are not, reasonably likely to materially adversely affect the value or utility of such Mortgaged Property.

(v) No liens are presently recorded with the appropriate land records under or pursuant to any applicable Environmental Law with respect to the Mortgaged Property and to the Actual Knowledge of Borrower, no Governmental Authority has been taking or, is in the process of taking any action that could subject the Mortgaged Property to Liens under any applicable Environmental Law.

(vi) There have been no potentially material reports of environmental investigations, studies, audits, reviews or other analyses conducted by or that are in the possession of

Borrower (or any Affiliate of Borrower, or to Borrower's knowledge, Manager or any Affiliate of Manager) in relation to the Mortgaged Property which have not been made available to Lender.

(f) Mortgage and Other Liens. To the Actual Knowledge of Borrower, the Mortgage creates a valid and enforceable first priority Lien on the Mortgaged Property described therein, as security for the repayment of the Indebtedness, subject only to the Permitted Encumbrances, subject to bankruptcy, insolvency, and other limitations on creditors' rights generally and to equitable principles. To the Actual Knowledge of Borrower, this Agreement and the other Loan Documents create a valid and enforceable first priority Lien on all Collateral and Account Collateral, subject to bankruptcy, insolvency, and other limitations on creditors' rights generally and to equitable principles. To the Actual Knowledge of Borrower, each Collateral Security Instrument establishes and creates a valid, subsisting and enforceable Lien on and a security interest in, or claim to, the rights and property described therein, subject to bankruptcy, insolvency, and other limitations on creditors' rights generally and to equitable principles. To the Actual Knowledge of Borrower, all property covered by any Collateral Security Instrument in which a security interest can be perfected by the filing of a financing statement is subject to a UCC financing statement filed and/or recorded, as appropriate (or irrevocably delivered to an agent for such recordation or filing) in all places necessary to perfect a valid first priority Lien with respect to the rights and property that are the subject of such Collateral Security Instrument to the extent governed by the UCC.

(g) Assessments. Except as contemplated under the Permitted Encumbrances, there are no pending or, to the Actual Knowledge of Borrower, proposed special or other assessments for public improvements or otherwise affecting the Mortgaged Property, nor, except as set forth on Schedule 3, are there any contemplated improvements to the Mortgaged Property that may result in such special or other assessments.

(h) No Joint Assessment; Separate Lots. Borrower has not suffered, permitted or initiated the joint assessment of the Land and Improvements with any other real property constituting a separate tax lot. The Land and Improvements are comprised of one or more parcels, each of which constitutes a separate tax lot or lots and none of which constitutes a portion of any other tax lot.

(i) No Prior Assignment. Lender is the collateral assignee of all of Borrower's interests pledged under the applicable Contract Assignments, and there are no prior assignments of the collateral pledged thereunder which are presently effective.

(j) Permits; Certificate of Occupancy. Borrower has obtained all Permits necessary to the use and operation of the Mortgaged Property, except for noncompliance which is not reasonably expected to result in a Material Adverse Effect. The use being made of the Mortgaged Property is in conformity with the certificate of occupancy and/or such Permits for such Mortgaged Property and any other restrictions, covenants or conditions affecting such Mortgaged Property, except for noncompliance which is not reasonably likely to result in a Material Adverse Effect.

(k) Flood Zone. Except as shown on the Survey, neither the Mortgaged Property nor any portion thereof is located in a flood hazard area as defined by the Federal Insurance Administration.

(l) Physical Condition. Except as set forth in the Property Condition Assessment, to the Actual Knowledge of Borrower, the Mortgaged Property is free of structural defects which would reasonably be expected to have a Material Adverse Effect and all Improvements, including the building systems contained therein are in good working order subject to ordinary wear and tear.

Borrower and the Manager are in compliance in all material respects with all Legal Requirements relating to all Advance Bookings Deposits with respect to the Mortgaged Property, except for non-compliance which is not reasonably expected to have a Material Adverse Effect on Borrower or the Mortgaged Property.

(n) Intellectual Property. Attached hereto as Schedule 5 is a true, correct and complete listing of all material Intellectual Property. All material Intellectual Property is in good standing and uncontested. Other than those conferred under the Management and License Agreement, there is no Intellectual Property necessary to the business of Borrower as presently conducted or as Borrower contemplates conducting its business which Borrower does not have. Except as set forth on Schedule 3, Borrower has not infringed, is not infringing, and has not received notice of infringement with respect to asserted Intellectual Property of others. To the Actual Knowledge of Borrower, there is no infringement by others of material Intellectual Property of Borrower.

Section 5.1. Affirmative Covenants. Borrower covenants and agrees that, from the date hereof and until payment in full of the Indebtedness:

(a) Existence; Compliance with Legal Requirements; Insurance. Borrower shall do or cause to be done all things necessary to preserve, renew and keep in full force and effect its existence as a limited partnership, and any rights, licenses, permits and franchises necessary for the conduct of its business, except those not reasonably likely to cause a Material Adverse Effect, and will comply, except for noncompliance not reasonably likely to cause a Material Adverse Effect, with all Legal Requirements and Insurance Requirements applicable to it and to the Mortgaged Property. Borrower shall at all times maintain, preserve and protect all franchises and trade names and preserve all the remainder of its property necessary for the continued conduct of its business and keep the Mortgaged Property in good repair, working order and condition, except for reasonable wear and use (and except for casualty losses as to which other provisions hereof shall govern), and from time to time make, or cause to be made, all reasonably necessary repairs, renewals, replacements, betterments and improvements thereto.

(b) Basic Carrying Costs and Other Claims; Contest.

(i) Subject to Borrower's contest rights set forth in Section 5.1(b)(ii) below, Borrower will pay (or cause to be paid) when due: (A) all Basic Carrying Costs with respect to Borrower and the Mortgaged Property; (B) all claims (including claims for labor, services, materials and supplies) for sums that have become due and payable and that by law have or may become a Lien upon any of the Mortgaged Property or its other properties or assets (hereinafter referred to as the Lien Claims); and (C) all federal, state and local income taxes, sales taxes, excise taxes and all other taxes and assessments of Borrower on its

business, income or assets; in each instance before any penalty or fine is incurred with respect thereto. Borrower's obligation to pay Basic Carrying Costs pursuant to this Agreement shall include, to the extent permitted by applicable law, Impositions resulting from future changes in law which impose upon Lender an obligation to pay any property taxes on the Mortgaged Property or other Impositions.

(ii) Borrower shall not be required to pay, discharge or remove any Imposition or Lien Claim, so long as Borrower contests in good faith such Imposition or Lien Claim or the validity, applicability or amount thereof by an appropriate legal proceeding which operates to prevent the collection of such amounts and the sale of the Mortgaged Property or any portion thereof, so long as:

(A) the Indebtedness shall not have been accelerated, if an Event of Default shall have occurred and be continuing;

(B) prior to the date on which such Imposition or Lien Claim would otherwise have become delinquent, Borrower shall have given Lender prior written notice of its intent to contest said Imposition or Lien Claim and either: (1) if permitted by applicable Legal Requirements, bonded over the same to the reasonable satisfaction of Lender; or (2) deposited with Lender (or with a court of competent jurisdiction or other appropriate body approved by Lender) such additional amounts as are necessary to keep on deposit at all times (taking into account any funds on deposit in the Operating Expense Account), an amount equal to at least one hundred twenty five percent (125%) (or such higher amount as may be required by applicable law) of the total of: (x) the balance of such Imposition or Lien Claim then remaining unpaid; and (y) all interest, penalties, costs and charges accrued or accumulated thereon, together with such other security as may be required in the proceeding, or as may be required by Lender, to insure the payment of any such Imposition or Lien Claim and all interest and penalties thereon; provided, that notwithstanding the foregoing, with respect to Impositions or Lien Claims in an amount not in excess of \$200,000, Borrower shall not be required to deposit such amounts with Lender, so long as Borrower demonstrates to the reasonable satisfaction of Lender that Borrower has otherwise reserved such funds or such funds are otherwise available to Borrower;

(C) no risk of sale, forfeiture or loss of any interest in the Mortgaged Property or any part thereof arises, in Lender's judgment, during the pendency of such contest;

(D) such contest does not, in Lender's determination, have a Material Adverse Effect;

(E) such contest is based on *bona fide*, material, and reasonable claims or defenses;

(F) such proceeding shall be permitted under and be conducted in accordance with the provisions of any other instrument to which Borrower is subject and shall not constitute a default thereunder and such proceeding shall be conducted in accordance with all applicable statutes, laws and ordinances; and

(G) Borrower shall have obtained such endorsements to the Title Insurance Policy with respect to such Imposition or Lien Claim as Lender may reasonably require (or escrowed with a title insurance company funds sufficient to obtain such endorsements pursuant to escrow arrangements reasonably satisfactory to Lender).

Any such contest shall be prosecuted with due diligence, and Borrower shall promptly pay the amount of such Imposition or Lien Claim as finally determined, together with all interest and penalties payable in connection therewith. Lender shall have full power and authority, but no obligation, to apply any amount deposited with Lender under this subsection to the payment of any unpaid Imposition or Lien Claim to prevent the sale or forfeiture of the Mortgaged Property for non-payment thereof, if Lender reasonably believes that such sale or forfeiture is threatened. Any surplus retained by Lender after payment of the Imposition or Lien Claim for which a deposit was made shall be promptly repaid to Borrower unless an Event of Default shall have occurred, in which case said surplus may be retained by Lender to be applied as Lender, in its discretion, may elect.

(c) Litigation. Borrower shall give prompt written notice to Lender of any material litigation or governmental proceedings pending or, upon gaining knowledge thereof, threatened (in writing) against Borrower or the Mortgaged Property, other than personal injury or other litigation which is covered by insurance, eviction matters with respect to tenants or occupants (in which no counterclaims for material damages or liabilities are made against Borrower), and matters related to enforcement of building or zoning codes (as long as the Mortgaged Property is in material compliance with such building and zoning codes).

(d) Environmental Remediation: DEP Claim.

(i) If any investigation, site monitoring, cleanup, removal, restoration or other remedial work of any kind or nature is required pursuant to an order or directive of any Governmental Authority or under any applicable Environmental Law, because of or in connection with the current or future presence, suspected presence, Release or suspected Release of a Hazardous Substance on, under or from the Mortgaged Property or any portion thereof, including, without limitation, the facts resulting in the DEP Claim (collectively, the Remedial Work), Borrower shall promptly commence and diligently prosecute to completion all such Remedial Work, and shall conduct such Remedial Work in accordance with all applicable Environmental Laws that impose legally binding obligations governing such Remedial Work, including without limitation the National Contingency Plan promulgated under the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq. (CERCLA), if applicable. In all events, such Remedial Work shall be commenced within such period of time as required under any applicable Environmental Law. If any fungus, mold, mildew or other biological agent is present at the Mortgaged Property in a manner or at a level that is reasonably likely to materially adversely affect the value or utility of the Mortgaged Property or that poses a significant adverse health risk to an average person, Borrower shall promptly commence and diligently prosecute to completion the remediation of such condition so as to eliminate the reasonable likelihood of a material adverse effect or a significant adverse health risk to an average person to the reasonable satisfaction of Lender or its servicer, which shall also constitute Remedial Work. In all events, such Remedial Work shall be commenced within such period of time as required under any applicable Environmental Law; provided, however, that Borrower shall not be required to commence such Remedial Work within the above specified time periods: (A) if prevented from doing so by any Governmental Authority; (B) if commencing such Remedial Work within such time periods would result in Borrower or such Remedial Work violating any applicable Environmental Law; or (C) if Borrower, at its expense and after prior notice to Lender, is contesting by appropriate legal,

administrative or other proceedings conducted in good faith and with due diligence the need to perform Remedial Work, the scope of any Remedial Work, or any other legally contestable aspect of any Remedial Work, as long as: (1) Borrower is permitted by the applicable Environmental Laws to delay performance of the Remedial Work pending such proceedings; (2) neither the Mortgaged Property nor any part thereof or interest therein shall be sold, forfeited or lost during such delay if Borrower does not perform the Remedial Work being contested; and Borrower would have the opportunity to do so, in the event of Borrower's failure to prevail in the contest; (3) Lender would not, by virtue of such permitted contest, be exposed to any risk of any civil liability for which Borrower has not furnished additional security as provided in clause (4) below, or to any risk of criminal liability, and neither the Mortgaged Property nor any interest therein would be subject to the imposition of any lien for which Borrower has not furnished additional security as provided in clause (4) below, as a result of the failure to perform such Remedial Work; and (4) Borrower shall have furnished to Lender additional security in respect of the Remedial Work being contested and the loss or damage that may result from Borrower's failure to prevail in such contest in such amount as may be reasonably requested by Lender.

(ii) Except for immediate response situations described in clause (iii) below, if requested by Lender, all Remedial Work under clause (i) above shall be performed by contractors, and under the supervision of a consulting Engineer, each approved in advance by Lender which approval shall not be unreasonably withheld or delayed. Borrower shall pay all costs and expenses reasonably incurred in connection with such Remedial Work. If Borrower does not timely commence and diligently prosecute to completion the Remedial Work as provided in clause (i) above, Lender may (but shall not be obligated to), upon thirty (30) days prior written notice to Borrower of its intention to do so, cause such Remedial Work to be performed. Borrower shall pay or reimburse Lender on demand for all reasonable expenses (including reasonable attorneys' fees and disbursements, but excluding internal overhead, administrative and similar costs of Lender) reasonably relating to and incurred by Lender in connection with monitoring, reviewing or performing any Remedial Work in accordance herewith.

(iii) Borrower shall not commence any Remedial Work under clause (i) above, nor enter into any settlement agreement, consent decree or other legally binding obligation to resolve a material adverse claim or the DEP Claim without providing notice to Lender as provided in Section 5.1(f). Notwithstanding the foregoing, if the presence or threatened presence of Hazardous Substances on, under, about or emanating from the Mortgaged Property poses an immediate threat to the health, safety or welfare of any Person or the environment, or is of such a nature that an immediate response is necessary or required under applicable Environmental Law, Borrower may initiate and perform such activities without providing advance notice to Lender and complete all necessary Remedial Work. In such events, Borrower shall notify Lender as soon as practicable and, in any event, within three (3) Business Days, of any action taken.

(iv) In the event the Environmental Report recommends the development of any operation and maintenance program(s) for any recognized environmental condition at the Mortgaged Property (including, without limitation, mold abatement and preventative maintenance and measures, underground storage tanks asbestos and asbestos containing materials, lead-based paints and lead in water supplies) (each individually, and collectively,

the O & M Program), Borrower shall develop each such O & M Program, as reasonably approved by Lender, and shall, during the term of the Loan, comply in all material respects with the terms and conditions of each such O & M Program.

(v) Borrower shall promptly resolve the DEP Claim; provided, however, Borrower may negotiate the amount of the DEP Claim or may, at its expense and after prior notice to Lender, contest the DEP Claim by appropriate legal, administrative or other proceedings conducted in good faith and with due diligence, as long as: (A) such contest and negotiation is conducted in accordance with Section 5.1(b); (B) Lender would not, by virtue of such permitted contest, be exposed to any risk of any civil or criminal liability; and (C) except as may be permitted pursuant to Section 5.1(b), neither the Mortgaged Property nor any interest therein would be subject to the imposition of any Lien as a result of the contest of the DEP Claim. Lender agrees that funds on deposit in the WWTP Reserve Account may be disbursed to Borrower to be used to bond over the DEP Claim (to the extent the same is permitted under applicable Pennsylvania law); provided, however, that Lender shall have determined, in Lender's reasonable discretion that such funds will be held by a Governmental Authority under an agreement satisfactory to Lender which shall provide, among other things reasonably required by Lender, that: (1) following the conclusion of such contest, such funds will only be used to satisfy the DEP Claim (with any excess paid to Borrower); and (2) upon the occurrence and during the continuance of an Event of Default, Lender shall have the right to direct that such funds on deposit with the Governmental Authority may be used to satisfy the DEP Claim in full. Within ten (10) Business Days after the Closing Date, Borrower shall submit to Lender in a form reasonably acceptable to Lender a plan to resolve the DEP Claim and to ensure future compliance with the permits and Environmental Laws relating to the Water Treatment Plant (the Action Plan). Borrower shall comply with the Action Plan. Borrower shall promptly provide to Lender any verbal or written updates or other documentation reasonably requested by Lender relating to the Action Plan, the DEP Claim or the Water Treatment Plant's operations.

(e) Environmental Matters: Inspection.

(i) Borrower shall not cause, and Borrower shall use commercially reasonable measures to prevent any other Person from causing, any Hazardous Substances to be present on or under or to emanate from the Mortgaged Property, except under conditions permitted by applicable Environmental Laws (such as cleaning and operating materials, fuels and lubricants, and other items used in the ordinary course of business at the Mortgaged Property in material compliance with and in amounts not in excess of that permitted under applicable Environmental Laws) and, in the event that such prohibited Hazardous Substances are present on, under or emanate from the Mortgaged Property, or migrate onto or into the Mortgaged Property, Borrower shall to the extent required by applicable Environmental Law cause the removal or remediation of such Hazardous Substances, in accordance with this Agreement and as required by applicable Environmental Laws, either on its own behalf or by causing a tenant or other party legally responsible therefor to perform such removal and remediation. Borrower shall use commercially reasonable efforts to prevent, and to seek the remediation of, any migration of Hazardous Substances onto or into the Mortgaged Property from any adjoining property.

(ii) Upon reasonable prior written notice identifying the time, place and scope of a proposed inspection, Lender shall have the right at all reasonable times during normal

business hours to enter upon and inspect environmental conditions with respect to all or any portion of the Mortgaged Property, provided that such inspections shall not unreasonably interfere with the operation or the tenants, customers, residents, occupants or other authorized users of the Mortgaged Property and shall be appropriate in scope and location to the proposed inspection. If Lender has reasonable grounds to suspect that Remedial Work may be required, Lender shall notify Borrower and, thereafter, may select a consulting Engineer to conduct and prepare reports of such inspections (with reasonable prior written notice to Borrower of the scope and location of such inspection prior to the commencement of such inspection). Borrower shall be given a reasonable opportunity to review any reports, data and other documents or materials reviewed or prepared by the Engineer, and to submit comments and suggested revisions or rebuttals to same before they are issued in final form. The inspection rights granted to Lender in this Section 5.1(e) shall be in addition to, and not in limitation of, any other inspection rights granted to Lender in this Agreement, and shall expressly include the right (if Lender reasonably suspects that Remedial Work may be required) to conduct soil borings, establish ground water monitoring wells and conduct other customary environmental tests, assessments and audits to the extent such activities are reasonably related to the scope of the suspected Remedial Work.

(iii) Borrower agrees to bear and shall pay or reimburse Lender on demand for all sums reasonably advanced and reasonable expenses incurred (including reasonable attorneys' fees and disbursements, but excluding internal overhead, administrative and similar costs of Lender) reasonably relating to and incurred by Lender in connection with, the inspections and reports described in this Section 5.1(e) (to the extent such inspections and reports relate to the Mortgaged Property) in the following situations:

(x) If Lender has reasonable grounds to believe, at the time any such inspection is ordered, that there exists an occurrence or condition that could reasonably be expected to lead to a material Environmental Claim;

(y) If any such inspection reveals an occurrence or condition that is reasonably likely to lead to a material Environmental Claim with respect to the Mortgaged Property; or

(z) If an Event of Default with respect to the Mortgaged Property exists at the time any such inspection is ordered, and such Event of Default relates to any representation, covenant or other obligation pertaining to Hazardous Substances, Environmental Laws or any other environmental matter.

(f) Environmental Notices. To the extent Borrower has actual notice of any of the following, Borrower shall promptly provide notice to Lender of:

(i) a material Environmental Claim asserted by any Governmental Authority against Borrower or any Affiliate of Borrower, or with respect to the Mortgaged Property with respect to any Hazardous Substance on, in, under or emanating from the Mortgaged Property;

(ii) any proceeding, investigation or inquiry commenced or threatened in writing by any Governmental Authority, against Borrower, any Affiliate of Borrower, or with respect to the Mortgaged Property concerning the presence, suspected presence, Release or threatened Release of Hazardous Substances from or onto, in or under any property not owned by Borrower (including, without limitation, proceedings under the CERCLA);

(iii) a material Environmental Claim asserted or threatened against Borrower, against any other party occupying the Mortgaged Property or any portion thereof which become known to Borrower or against the Mortgaged Property;

(iv) the discovery by Borrower of a material occurrence or condition involving Hazardous Substances and on the Mortgaged Property or on any real property adjoining or in the vicinity of the Mortgaged Property giving rise to an obligation of Borrower to Lender hereunder; and

(v) the commencement or completion of any Remedial Work required pursuant to clause (d) above.

(g) Copies of Notices. Borrower shall transmit to Lender copies of any citations, orders, notices or other material written communications received by Borrower or Manager (with respect to the Mortgaged Property) from any Person and any notices, reports or other written communications submitted to any Governmental Authority with respect to the matters described in Section 5.1(f).

(h) Environmental Claims. Lender may join and participate in, as a party with separate counsel, any legal or administrative proceeding or action concerning the Mortgaged Property or any portion thereof under any applicable Environmental Law, if, in Lender's reasonable judgment, such action or proceeding would expose Lender to a material liability and a conflict of interest exists which makes representation by counsel chosen by Borrower not advisable; provided, however, that Lender shall not participate in day-to-day decision making with respect to environmental compliance. Borrower shall pay or reimburse Lender on demand for all reasonable sums advanced and reasonable expenses incurred (including reasonable attorneys' fees and disbursements, but excluding internal overhead, administrative and similar costs of Lender) by Lender in connection with any such action or proceeding.

(i) Environmental Indemnification. Borrower shall indemnify, reimburse, defend, and hold harmless Lender, and each of its respective parents, subsidiaries, Affiliates, shareholders, directors, officers, employees, representatives, agents, successors, assigns and attorneys (collectively, the Indemnified Parties) for, from, and against all demands, claims, actions or causes of action, assessments, losses, damages, liabilities, costs and expenses (including, without limitation, interest, penalties, reasonable attorneys' fees, disbursements and expenses, and reasonable consultants' fees, disbursements and expenses (but excluding internal overhead, administrative, lost opportunity and similar costs of Lender)), asserted against, resulting to, imposed on, or incurred by any Indemnified Party, directly or indirectly, in connection with any of the following (except to the extent same are directly and solely caused by the gross negligence or willful misconduct of any Indemnified Party and except that any Indemnified Party shall not be indemnified against claims resulting from actions taken or events occurring with respect to the Mortgaged Property after Lender forecloses its Lien or security interest upon the Mortgaged Property or accepts a deed in lieu of foreclosure or is a so-called mortgagee-in-possession unless and to the extent such indemnification relates to any of the following which occurred while Borrower owned the Mortgaged Property):

(i) events, circumstances, or conditions which form the reasonable basis for an Environmental Claim (including, without limitation, the DEP Claim);

(ii) any pollution or threat to human health or the environment involving Hazardous Substances that is related in any way to Borrower's, Manager's or any previous owner's or

operator's management, use, control, ownership or operation of the Mortgaged Property, and whether occurring, existing or arising prior to or from and after the date hereof, and whether or not the pollution or threat to human health or the environment involving Hazardous Substances is described in the Environmental Reports;

(iii) any Environmental Claim against any Person whose liability for such Environmental Claim Borrower has assumed or retained either contractually or by operation of law; or

(iv) the breach of any representation, warranty or covenant set forth in Section 4.2(e) and Sections 5.1(d) through 5.1(i), inclusive.

The provisions of and undertakings and indemnification set forth in this Section 5.1(i) shall survive the satisfaction and payment of the Indebtedness and termination of this Agreement.

(j) General Indemnity.

(i) Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties for, from and against any and all claims, suits, liabilities (including, without limitation, strict liabilities), administrative and judicial actions and proceedings, obligations, debts, damages, losses, costs, expenses, fines, penalties, charges, fees, expenses, judgments, awards, amounts paid in settlement, and litigation costs, of whatever kind or nature and whether or not incurred in connection with any judicial or administrative proceedings (including, but not limited to, reasonable attorneys' fees and other reasonable costs of defense) (the Losses) imposed upon or incurred by or asserted against any Indemnified Parties (except as to any Indemnified Party to the extent same are directly and solely caused by the gross negligence or willful misconduct of such Indemnified Party) and directly or indirectly arising out of or in any way relating to any one or more of the following:

(A) any breach by Borrower of obligations under, or material misrepresentation contained in, this Agreement, the Note or any of the other Loan Documents;

(B) any and all claims and demands whatsoever which may be asserted against Lender by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants, or agreements contained in the Management and License Agreement, or any Material Agreement prior to entry on the Mortgaged Property by Lender after an Event of Default;

(C) any and all lawful action that may be taken and is taken by Lender in connection with the enforcement of the provisions of this Agreement, the Note or any of the other Loan Documents, whether or not suit is filed in connection with same, or in connection with Borrower, Manager or any Affiliate of Borrower becoming a party to a voluntary or involuntary federal or state bankruptcy, insolvency or similar proceeding;

(D) any accident, injury to or death of persons or loss of or damage to property occurring in, on or about the Mortgaged Property or any part thereof or on the adjoining sidewalks, curbs, adjacent property or adjacent parking areas, streets or ways;

(E) any use, nonuse or condition in, on or about the Mortgaged Property or any part thereof or on the adjoining sidewalks, curbs, adjacent property or adjacent parking areas, streets or ways;

(F) any failure of the Mortgaged Property to be in compliance with any Legal Requirement;

(G) performance of any labor or services or the furnishing of any materials or other property in respect of the Mortgaged Property or any part thereof pursuant to provisions of this Agreement; and

(H) the failure of Borrower to file timely with the Internal Revenue Service an accurate Form 1099-B, Statement for Recipients of Proceeds from Real Estate, Broker and Barter Exchange Transactions, which may be required in connection with this Agreement.

Any amounts payable to an Indemnified Party by reason of the application of this Section 5.1(j)(i) shall become due and payable ten (10) days after written demand and shall bear interest at the Default Rate from the tenth (10th) day after demand until paid.

(ii) Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties from and against any and all Losses imposed upon or incurred by or asserted against any of the Indemnified Parties and directly or indirectly arising out of or in any way relating to any tax on the making and/or recording of this Agreement, the Note or any of the other Loan Documents.

(iii) Borrower shall, at its sole cost and expense, protect, defend, indemnify, release and hold harmless the Indemnified Parties from and against any and all Losses (including, without limitation, reasonable attorneys' fees and costs) that the Indemnified Parties may incur, directly or indirectly, as a result of a default under Borrower's covenants with respect to ERISA and employee benefits plans contained herein, including, without limitation, any costs or expenses incurred in the investigation, defense, and settlement of Losses incurred in correcting any prohibited transaction or in the sale of a prohibited loan, and in obtaining any individual prohibited transaction exemption under ERISA that may be required, in Lender's reasonable discretion).

(iv) Promptly after receipt by an Indemnified Party under this Section 5.1(j) of notice of the making of any claim or the commencement of any action, such Indemnified Party shall, if a claim in respect thereof is to be made by such Indemnified Party against Borrower under this Section 5.1(j), notify Borrower in writing. In case any such claim is made or action is brought against any Indemnified Party and such Indemnified Party seeks or intends to seek indemnity from Borrower, Borrower will be entitled to participate in, and, to the extent that it may wish, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party; and, upon receipt of notice from Borrower to such Indemnified Party of its election so to assume the defense of such claim or action and only upon approval by the Indemnified Party of such counsel (such approval not to be unreasonably withheld or delayed), Borrower will not be liable to such Indemnified Party under this Section 5.1(j) for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defense thereof. Notwithstanding the preceding sentence, each Indemnified Party will be entitled to employ counsel separate from such counsel for Borrower and from any other party in such action if such Indemnified Party reasonably

determines that a conflict of interest exists which makes representation by counsel chosen by Borrower not advisable. In such event, Borrower shall pay the reasonable fees and disbursements of such separate counsel. Borrower shall not, without the prior written consent of an Indemnified Party, which consent shall not be unreasonably withheld or delayed, voluntarily settle or consent to the entry of any judgment or otherwise enter into any legally binding obligation to resolve a material adverse claim with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not such Indemnified Party is an actual or potential party to such claim or action) unless such settlement or consent includes an unconditional release of each Indemnified Party from all liability arising out of such claim, action, suit or proceeding. Each Indemnified Party shall not enter into a settlement of or consent to the entry of any judgment with respect to any action, claim, suit or proceeding as to which an Indemnified Party would be entitled to indemnification hereunder without the prior written consent of Borrower.

The provisions of and undertakings and indemnification set forth in this Section 5.1(j) shall survive the satisfaction and payment of the Indebtedness and termination of this Agreement.

(k) Access to Mortgaged Property. Borrower shall permit agents, representatives and employees of Lender to inspect the Mortgaged Property or any part thereof at such reasonable times as may be requested by Lender upon reasonable advance written notice (except during an Event of Default), subject, however, to the rights of Borrower, of the tenants and of other authorized users of the Mortgaged Property.

(l) Notice of Default. Borrower shall promptly advise Lender in writing of any change in Borrower's condition, financial or otherwise, of which Borrower is aware, that is reasonably likely to have a Material Adverse Effect, or of the occurrence of any Default or Event of Default.

(m) Cooperate in Legal Proceedings. Except with respect to any claim by Borrower or Guarantor against Lender, Borrower shall reasonably cooperate with Lender with respect to any proceedings before any Governmental Authority that are reasonably likely to in any way materially affect the rights of Lender hereunder or any rights obtained by Lender under any of the Loan Documents and, in connection therewith, shall not prohibit Lender, at its election, from participating in any such proceedings.

(n) Perform Loan Documents. Borrower shall observe, perform and satisfy all the terms, provisions, covenants and conditions required to be observed, performed or satisfied by it, and shall pay when due all costs, fees and expenses required to be paid by it, under the Loan Documents.

(o) Insurance Benefits. Borrower shall reasonably cooperate with Lender in obtaining for Lender the benefits of any Insurance Proceeds lawfully or equitably payable to Borrower or Lender in connection with the Mortgaged Property. Lender shall be reimbursed for any expenses reasonably incurred in connection therewith (including reasonable attorneys' fees and disbursements, but excluding internal overhead, administrative and similar costs of Lender) out of such Insurance Proceeds, all as more specifically provided in this Agreement.

(p) Further Assurances. Borrower shall, at Borrower's sole cost and expense:

(i) upon Lender's reasonable request therefor given from time to time, pay for: (A) reports of UCC, tax lien, judgment and litigation searches with respect to Borrower; and (B)

(iv) do and execute all and such further lawful and reasonable acts, conveyances and assurances for the better and more effective carrying out of the intents and purposes of this Agreement and the other Loan Documents, as Lender shall reasonably require from time to time.

(q) Management of Mortgaged Property.

(i) The Mortgaged Property shall be managed at all times by the current Manager or another manager reasonably satisfactory to Lender, pursuant to a Management and License Agreement reasonably approved in writing by Lender. Manager may be an Affiliate of Borrower, provided that: (A) the terms and conditions of such Manager's engagement are at arm's length, reasonable, competitive and customary in the applicable marketplace; and (B) Lender has approved such Manager and such terms and the related Management and License Agreement. Both the Manager and the Management and License Agreement with respect to the Mortgaged Property, between Borrower and the Manager are approved by Lender. Borrower shall cause the Manager of the Mortgaged Property to agree that such Manager's Management and License Agreement (and any related central reservation services agreement) is subject and subordinate in all respects to the Indebtedness and to the Lien of the Mortgage as and to the extent set forth in the Manager's Subordination for the Mortgaged Property. A Management and License Agreement may be terminated or assigned: (1) by Borrower at any time in accordance with the provisions of such Management and License Agreement or otherwise so long as a successor or assignee Manager approved by Lender shall have been appointed and such successor Manager has: (aa) entered into (or assumed) a Management and License Agreement in form and substance approved by Lender; and (bb) has executed and delivered a Manager's Subordination to Lender; and (2) with respect to a termination only, by Lender upon thirty (30) days' prior written notice to Borrower and the Manager upon the commencement of the exercise of Lender's remedies under the Loan Documents following the occurrence and continuation of an Event of Default and the acceleration of the Loan (in which event all agreements constituting the Management and License Agreement, as well as the Central Reservation Services Agreement shall all be terminated concurrently). Notwithstanding the foregoing, any successor manager selected hereunder by Lender or Borrower to manage the Mortgaged Property shall be a reputable management company having substantial experience in the

management of real property of a similar type, size and quality in the state in which the Mortgaged Property is located. Borrower acknowledges and agrees that any consent or approval requested of Lender under this Section may be conditioned by Lender, at Lender's discretion, upon Borrower first obtaining a Rating Confirmation with respect to such change in management, and Lender shall not be deemed to be acting unreasonably in requiring such a Rating Confirmation. Borrower further covenants and agrees that any manager of Mortgaged Property shall at all times while any Indebtedness is outstanding maintain worker's compensation insurance as required by Governmental Authorities.

(ii) Borrower further covenants and agrees that the Mortgaged Property shall be operated pursuant to the Management and License Agreement and Central Reservation Services Agreement, and that Borrower shall:

(A) promptly perform and/or observe all of the material covenants and agreements required to be performed and observed by it under the Management and License Agreement and Central Reservation Services Agreement and do all things reasonably necessary to preserve and to keep unimpaired its material rights thereunder; (B) promptly notify Lender of any material default under the Management and License Agreement or Central Reservation Services Agreement of which it is aware; (C) promptly deliver to Lender a copy of each financial statement, business plan, capital expenditures plan, notice and report received by it under the Management and License Agreement and Central Reservation Services Agreement, including, but not limited to, financial statements; and (D) promptly enforce the performance and observance of the material covenants and agreements required to be performed and/or observed by the Manager under the Management and License Agreement and Central Reservation Services Agreement.

(r) Financial Reporting.

(i) Borrower shall keep and maintain or shall cause to be kept and maintained on a Fiscal Year basis in accordance with GAAP consistently applied, books, records and accounts reflecting in reasonable detail all of the financial affairs of Borrower and all items of income and expense in connection with the operation of the Mortgaged Property and ownership and leasing of the Mortgaged Property and in connection with any services, equipment or furnishings provided in connection with the operation of the Mortgaged Property (or under the Management and License Agreement), whether such income or expense may be realized by Borrower or by any other Person whatsoever. Lender shall have the right from time to time at all times during normal business hours upon reasonable prior written notice to Borrower to examine such books, records and accounts at the office of Borrower or other Person maintaining such books, records and accounts and to make such copies or extracts thereof as Lender shall desire. Borrower shall pay any reasonable costs and expenses incurred by Lender to examine Borrower's accounting records, as Lender shall reasonably determine to be necessary or appropriate in the protection of Lender's interest.

(ii) Borrower shall furnish to Lender annually, within one hundred twenty (120) days following the end of each Fiscal Year, a complete copy of Borrower's and Guarantor's financial statements, which for Borrower shall be audited by a Big Four accounting firm or such other Independent certified public accountant acceptable to Lender in accordance with GAAP consistently applied covering Borrower's and Guarantor's respective financial position and results of operations, for such Fiscal Year and containing a statement of

revenues and expenses, a balance sheet and a statement of Borrower's or Guarantor's (as applicable) equity, all of which shall be in form and substance reasonably acceptable to Lender. Lender shall have the right from time to time to review and consult with respect to the auditing procedures used in the preparation of Borrower's annual financial statements. Together with Borrower's and Guarantor's annual financial statements, Borrower shall furnish, and cause Guarantor to furnish, to Lender an Officer's Certificate certifying as of the date thereof: (A) to Borrower's Actual Knowledge, that the annual financial statements present fairly in all material respects the results of operations and financial condition of Borrower or Guarantor, as applicable, all in accordance with GAAP consistently applied; and (B) whether there exists an Event of Default or Default, and if such Event of Default or Default exists, the nature thereof, the period of time it has existed and the action then being taken to remedy same. Lender acknowledges that Great Wolf may file financial statements on a consolidated basis.

(iii) Borrower shall furnish to Lender, within forty-five (45) days following the end of each Fiscal Year quarter true, complete and correct copies of quarterly unaudited financial statements (including statements of cash flow) prepared in accordance with GAAP with respect to Borrower, for the portion of the Fiscal Year then ended.

(iv) No later than forty-five (45) days following the end of each calendar month, Borrower shall prepare and deliver to Lender and its servicer a statement (each a Monthly Statement) in form and substance reasonably satisfactory to Lender, setting forth with respect to the Mortgaged Property:

(A) a cash flow report detailing Gross Revenues, Operating Revenues and the Operating Expenses, in each case on a trailing twelve month basis;

(B) revenue reports, an occupancy report including the occupancy percentage, an average daily room rate, and RevPar for the applicable month and an advance booking report, and, in all cases, any other information as is reasonably required by Lender; and

(C) monthly and year-to-date operating statements prepared for such calendar month, each of which shall include an itemization of actual (not pro forma) capital expenditures and FF&E Costs during the applicable period, and a comparison on a year-to-date basis to budget and prior year, for the Mortgaged Property and Borrower.

(v) No later than forty-five (45) days following the end of each of the months of December, March, June, and September, Borrower shall prepare and deliver to Lender and its servicer a statement (each a Quarterly Statement) in form and substance reasonably satisfactory to Lender, setting forth with respect to the Mortgaged Property:

(A) a property balance sheet for such month;

(B) quarterly and year-to-date operating statements, each of which shall include an itemization of budgeted and actual (not pro forma) capital expenditures and FF&E Costs during the applicable period; and

(C) a quarterly and year-to-date comparison of the budgeted income and expenses with the actual income and expenses for such quarter and year to date, together with if requested by Lender, a detailed explanation of any variances between budgeted and actual amounts that are in excess of five percent (5%) for each line item therein.

(vi) Borrower shall furnish to Lender, within fifteen (15) Business Days after request, such further reasonably available information with respect to the operation of the Mortgaged Property and the financial affairs of Borrower as may be reasonably requested by Lender, including all business plans prepared for Borrower.

(vii) Borrower shall furnish to Lender, within ten (10) Business Days after request, such further information regarding any Plan or Multiemployer Plan and any reports or other information required to be filed under ERISA as may be reasonably requested by Lender.

(viii) No later than fifteen (15) days before the beginning of each of Borrower's Fiscal Years, Borrower shall submit or cause to be submitted to Lender an Operating Budget for Gross Revenues, Property Expenses, Capital Improvement Costs and FF&E Costs for the next Fiscal Year for the Mortgaged Property. Such Operating Budget shall contain a month-by-month breakdown of projected Gross Revenues, Operating Expenses, projected debt service and reserve deposits. If at the time such Operating Budget is submitted to Lender a Cash Management Period is in effect, such Operating Budget shall be subject to Lender's approval, such approval not to be unreasonably withheld or delayed. Such Operating Budget may allow for a five percent (5%) line item variance. If Lender has the right to approve a proposed Operating Budget as described above, then until so approved by Lender for the subsequent Fiscal Year, the Operating Budget approved by Lender for the preceding Fiscal Year shall remain in effect for purposes of Section 2.12 and Section 2.13; provided, that for so long as such prior Operating Budget remains in effect, amounts set forth in the prior Operating Budget with respect to Property Expenses shall be deemed increased with respect to actual increases in Basic Carrying Costs and non-discretionary utility expenditures and shall be deemed increased with regard to discretionary items on a percentage basis by an amount equal to the greater of: (A) actual increases then known to Borrower; and (B) the increase in the Consumer Price Index (expressed as percentage) as measured over the calendar year that the prior Operating Budget was in effect.

(ix) Together with the financial statements, operating statements and other documents and information provided to Lender by or on behalf of Borrower under this Section, Borrower also shall deliver to Lender a certification in form and substance reasonably satisfactory to Lender, executed on behalf of Borrower by its chief executive officer or chief financial officer or treasurer (provided that all non-monthly financial statements shall be executed by Borrower's chief executive officer or chief financial officer) stating that, to such officer's knowledge, such financial statements, operating statements and other documents and information are true and complete in all material respects.

(s) Operation of Mortgaged Property. Borrower shall cause the operation of the Mortgaged Property to be conducted at all times in a manner consistent with at least the level of operation of such Mortgaged Property as of the Closing Date, including, without limitation, the following:

(i) to maintain or cause to be maintained the standard of the Mortgaged Property at all times at a level not lower than that maintained by prudent owners of similar facilities or land in the region where the Mortgaged Property is located;

(ii) to operate or cause to be operated the Mortgaged Property in a prudent manner in compliance, other than compliance which is not reasonably likely to result in a Material Adverse Effect, with applicable Legal Requirements and Insurance Requirements relating

thereto and, except to the extent failure to maintain the same is not reasonably likely to result in a Material Adverse Effect, maintain or cause to be maintained all licenses, Permits and any other agreements necessary for the continued use and operation of the Mortgaged Property (other than liquor permits, which Manager (and not Borrower) shall be obligated to maintain); and

(iii) to maintain or cause to be maintained sufficient Inventory and Equipment of types and quantities at the Mortgaged Property to enable Borrower to operate the Mortgaged Property.

(t) Material Agreements. Except as otherwise permitted in Section 5.1(q), Borrower shall not enter into or become obligated under, any Material Agreement pertaining to the Mortgaged Property, without the prior written consent of Lender, which consent shall not be unreasonably withheld or delayed. Except as otherwise permitted in Section 5.1(q), Borrower shall not amend or modify in any material respect or terminate, or cause or permit to be amended or modified in any material respect or terminated, any Material Agreement, without the prior written consent of Lender, which consent shall not be unreasonably withheld or delayed. Except as otherwise permitted in Section 5.1(q), Borrower shall comply with the terms of (in all material respects) and keep and maintain all Material Agreements in full force and effect, and enforce or cause to be enforced the obligations of the other parties under the other Material Agreements, to the end that Borrower, and Lender as its assignee, may enjoy all the rights granted under such Material Agreements.

(u) ERISA. Borrower shall deliver to Lender as soon as possible, and in any event within ten days after Borrower knows or has reason to know that any of the events or conditions specified below with respect to any Plan or Multiemployer Plan has occurred or exists, an Officer's Certificate setting forth details respecting such event or condition and the action, if any, that Borrower or its ERISA Affiliate proposes to take with respect thereto (and a copy of any report or notice required to be filed with or given to PBGC by Borrower or an ERISA Affiliate with respect to such event or condition):

(i) any reportable event, as defined in Section 4043(b) of ERISA and the regulations issued thereunder, with respect to a Plan, as to which PBGC has not by regulation waived the requirement of Section 4043(a) of ERISA that it be notified within thirty (30) days of the occurrence of such event (provided that a failure to meet the minimum funding standard of Section 412 of the Code or Section 302 of ERISA, including, without limitation, the failure to make on or before its due date a required installment under Section 412(m) of the Code or Section 302(e) of ERISA, shall be a reportable event regardless of the issuance of any waivers in accordance with Section 412(d) of the Code); and any request for a waiver under Section 412(d) of the Code for any Plan;

(ii) the distribution under Section 4041(c) of ERISA of a notice of intent to terminate any Plan;

(iv) the complete or partial withdrawal from a Multiemployer Plan by Borrower or any ERISA Affiliate of Borrower that results in material liability under Section 4201 or 4204 of

ERISA (including the obligation to satisfy secondary liability as a result of a purchaser default) or the receipt by Borrower or any ERISA Affiliate of Borrower of notice from a Multiemployer Plan that it is in reorganization or insolvency pursuant to Section 4241 or 4245 of ERISA or that it intends to terminate or has terminated under Section 4041A of ERISA;

(v) the institution of a proceeding by a fiduciary of any Multiemployer Plan against Borrower or any ERISA Affiliate of Borrower to enforce Section 515 of ERISA, which proceeding is not dismissed within thirty (30) days;

(vi) the adoption of an amendment to any Plan that, pursuant to Section 401(a)(29) of the Code or Section 307 of ERISA, would result in the loss of tax-exempt status of the trust of which such Plan is a part if Borrower or an ERISA Affiliate of Borrower fails to timely provide security to the Plan in accordance with the provisions of said Sections; and

(vii) the imposition of a lien or a security interest on Borrower in connection with a Plan.

(v) Construction of Parking Spaces. Borrower shall, within six (6) months following the Closing Date, construct and designate the two (2) handicapped parking spaces (one for a van, one for a automobile) in accordance with the recommendations of that certain Property Condition Report, EBI Project No. 11065780, dated November 1, 2006.

(w) Secondary Market Transaction. Borrower acknowledges that Lender and its successors and assigns may:

Borrower shall cooperate with Lender in attempting to effect or effecting any such Secondary Market Transaction and shall cooperate in attempting to implement or implementing all requirements imposed by any Rating Agency involved in any Secondary Market Transaction, including but not limited to:

(i) providing Lender an estoppel certificate and such information, legal opinions and documents (including updated non-consolidation opinions) relating to Borrower, Manager, Guarantor, the Mortgaged Property and any tenants of the Mortgaged Property as Lender or the Rating Agencies or other Interested Parties (as defined below), may reasonably request in connection with such Secondary Market Transaction, including, without limitation, updated financial information, appraisals, market studies, environmental reviews (Phase I s and, if appropriate, Phase II s), Mortgaged Property condition reports and other due diligence investigations together with appropriate verification of such updated information and reports through letters of auditors and consultants, as of the closing date of the Secondary Market Transaction;

(ii) amending the Loan Documents and Organizational Agreement of Borrower, updating and/or restating officer s certificates, title insurance and other closing items, and providing updated certificates, representations and warranties in Loan Documents and such additional representations and warranties as may be required by Lender or the Rating Agencies (provided, however, that Borrower shall only be required to provide such updated

(iii) participating in bank, investors and Rating Agencies meetings if requested by Lender;

(iv) upon Lender's request, amending the Loan Documents (and updating and/or restating officer's certificates (to the extent the same are then true and correct), title insurance and other closing items in connection therewith) to divide the Loan into a first and a second mortgage loan, or into a one or more loans secured by mortgages and by ownership interests in Borrower in whatever proportion Lender determines, which separated loans may have different interest rates and amortization schedules (but with aggregated financial terms which are equivalent to that of the Loan prior to such separation) and thereafter to engage in separate Secondary Market Transactions with respect to all or any part of the indebtedness and loan documentation; and

(v) reviewing the offering documents relating to any Secondary Market Transaction to ensure that all information concerning Borrower, Guarantor, the Mortgaged Property, and the Loan is correct, and certifying to the accuracy thereof.

Lender shall be permitted to share all such information with the investment banking firms, Rating Agencies, accounting firms, law firms and other third-party advisory firms and trustees, purchasers, transferees, assignees, trustees, servicers and actual or potential investors involved with the Loan and the Loan Documents or the applicable Secondary Market Transaction (collectively, Interested Parties), subject to customary confidentiality obligations of such Interested Parties. Lender and all of the aforesaid Interested Parties shall be entitled to rely on the information supplied by, or on behalf of, Borrower. Lender may publicize the existence of the Loan in connection with its marketing for a Secondary Market Transaction or otherwise as part of its business development. Borrower shall provide such reasonable access to the Mortgaged Property and personnel of the Manager and of Borrower's constituent partners and members and the business and operations of all of the foregoing as Lender or other Interested Parties may request in connection with any such Secondary Market Transaction, provided that such access shall not unreasonably interfere with the operation or the tenants, customers, residents, occupants or other authorized users of the Mortgaged Property. Borrower understands that any such information may be incorporated into any offering circular, prospectus, prospectus supplement, private placement memorandum or other offering documents for any Secondary Market Transaction. Without limiting the foregoing, Borrower and Guarantor shall provide in connection with each of: (i) a preliminary and a final private placement memorandum; or (ii) a preliminary and final prospectus or prospectus supplement, as applicable (the documents referred to in the foregoing clauses (i) and (ii), collectively, the Disclosure Documents), an agreement certifying that Borrower and Guarantor have examined such Disclosure Documents specified by Lender and that each such Disclosure Document, as it relates to Borrower, Guarantor, any Affiliates, the Mortgaged Property and Manager, does not, to the knowledge of Borrower and Guarantor, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading in any material respect (a Disclosure Certificate), provided, that Borrower and Guarantor shall be given a five (5) Business Day period to review and comment on each Disclosure Document prior to the delivery of any such Disclosure Certificate. Borrower and Guarantor shall indemnify, defend, protect and hold harmless Lender, its Affiliates, directors,

employees, agents and each Person, if any, who controls Lender or any such Affiliate within the meaning of Section 15 of the Securities Act of 1933 or Section 20 of the Securities Exchange Act of 1934, and any other placement agent or underwriter with respect to any Securitization or Secondary Market Transaction from and against any losses, claims, damages, liabilities, costs and expenses (including, without limitation, reasonable attorneys' fees and disbursements) that arise out of or are based upon any untrue statement of any material fact contained in any Disclosure Certificate or other information or documents so furnished by Borrower, Manager, Guarantor or their Affiliates or in any representation or warranty of Borrower, Manager or Guarantor contained herein or in the other Loan Documents or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated in such information or necessary in order to make the statements in such information not materially misleading; provided Borrower, Manager, Guarantor or their Affiliates had Actual Knowledge of such untrue statement or omission. In any Secondary Market Transaction, Lender may transfer its obligations under this Loan Agreement and under the other Loan Documents (or may transfer the portion thereof corresponding to the transferred portion of the Indebtedness), and thereafter Lender shall be relieved of any obligations hereunder and under the other Loan Documents arising after the date of said transfer with respect to the transferred interest. Each transferee investor shall become a Lender hereunder. The holders from time to time of the Loan and/or any other interest of the Lender under this Loan Agreement and the other Loan Documents may from time to time enter into one or more co-lender or similar agreements in their discretion. Borrower acknowledges and agrees that such agreements, as the same may from time to time be amended, modified or restated, may govern the exercise of the powers and discretionary authority of Lender hereunder and under the other Loan Documents, but Borrower shall be entitled to rely upon any actions taken by Lender or the designated servicer(s) or agent(s) for Lender, whether or not within the scope of its power and authority under such other agreements.

All costs and expenses in connection with any Secondary Market Transaction shall be borne by Lender, including without limitation any costs and expenses incurred by Borrower or Guarantor in cooperating with Lender in connection with any Secondary Market Transaction or performing any of their respective undertakings and covenants (other than any indemnification obligation) under this Agreement or any other Loan Document in connection with any Secondary Market Transaction. No agreement or other document required from Borrower in connection with any Secondary Market Transaction shall serve to materially increase Borrower's obligations under this Agreement or any other Loan Document or materially reduce Borrower's rights under this Agreement or any other Loan Document; provided, however, that Borrower shall pay the costs and expenses of Borrower's counsel in the event Borrower engages counsel in connection with any Secondary Market Transaction or in responding to Lender's requests for cooperation hereunder.

Notwithstanding any provision of this Agreement to the contrary, Borrower shall not be obligated to agree to any modification of a Loan Document or any Borrower Organizational Agreements that would materially and adversely affect Borrower or Guarantor or that would increase the interest rate or interest payments (including any changes in the calculation of yield maintenance premiums or instances in which such yield maintenance premiums are payable), increase the rate of amortization, shorten the Maturity Date, increase the amounts of escrows and reserves, increase the defeasance amounts, alter in any material way the transfer restrictions relating to direct or indirect interests in Borrower or the Mortgaged Property or affect the limitations on recourse against Borrower, Guarantor or their Affiliates set forth in this

Agreement or the other Loan Documents, change the outstanding principal balance of the Loan (provided the Loan may be divided into components as set forth in this Agreement), modify the frequency of deposits into or distributions from any reserves or escrows, expand the scope of authority of any independent directors or managers of Borrower or any of its Affiliates, or alter Borrower's rights to make distributions to its partners or members, materially alter Borrower's rights with respect to prepayments or defeasance of the Notes, confer additional rights on Lender in respect of management and license agreements or otherwise result in a material adverse change to Borrower or Guarantor in the terms of the transaction.

(x) Insurance.

(i) Borrower, at its sole cost and expense, shall keep the Improvements and Equipment insured (including, but not limited to, any period of renovation, alteration and/or construction) during the term of the Loan with the coverage and in the amounts required under this Agreement for the mutual benefit of Borrower and Lender against loss or damage by fire, lightning, wind and such other perils as are customarily included in a standard all-risk or special cause of loss form and against loss or damage by other risks and hazards covered by a standard extended coverage insurance policy (including, without limitation, fire, lightning, hail, hurricane, windstorm, tidal wave, explosion, acts of terrorism, riot and civil commotion, vandalism, malicious mischief, strike, water damage, sprinkler leakage, collapse, burglary, theft, coverage arising as a result of covered perils under the standard all risk policy and such other coverages as may be reasonably required by Lender on the special form (formerly known as an all risk form)). The policies of insurance carried in accordance with this Section 5.1(x) shall be paid on or prior to the due date thereof and shall contain the Replacement Cost Endorsement with a waiver of depreciation. If terrorism coverage is excluded on an all-risk basis, then Borrower shall obtain coverage for terrorism and similar acts in the stand alone terrorism market.

Upon demand therefor, Borrower shall reimburse Lender for all of Lender's or its designee's reasonable costs and expenses incurred in obtaining any or all of the Policies or otherwise causing the compliance with the terms and provisions of this Section 5.1(x), including (without limitation) obtaining updated flood hazard certificates and replacement of any so-called "forced placed" insurance coverages to the extent Borrower was required to obtain and maintain any such Policy or Policies hereunder and failed to do so. If Borrower does not furnish such evidence and receipts at least ten (10) days prior to the expiration of any expiring Policy, then Lender may procure, but shall not be obligated to procure, such insurance and pay the Insurance Premiums therefor, and Borrower agrees to reimburse Lender for the cost of such Insurance Premiums promptly on demand. Within thirty (30) days after request by Lender, Borrower shall obtain such increases in the amounts of coverage required hereunder as may be reasonably requested by Lender, based on then industry-standard amounts of coverage then being obtained by prudent owners of properties similar to the Mortgaged Property in the same applicable market region as the Mortgaged Property. Borrower shall give Lender prompt written notice if Borrower or Manager (or any Affiliate) receives from any insurer any written notification or threat of any actions or proceedings regarding the non-compliance or non-conformity of the Mortgaged Property with any insurance requirements.

(iv) If the Mortgaged Property shall be damaged or destroyed, in whole or in part, by fire or other casualty, Borrower shall give prompt notice thereof to Lender.

(A) In case of loss covered by Policies, Lender may either: (1) jointly with Borrower settle and adjust any claim and agree with the insurance company or companies on the amount to be paid on the loss; or (2) allow Borrower to agree with the insurance company or companies on the amount to be paid upon the loss; provided, that Borrower may settle and adjust losses without participation by Lender aggregating not in excess of \$750,000, agree with the insurance company or companies on the amount to be paid upon the loss and collect and receive any such Insurance Proceeds; provided, further, that if at the time of the settlement of such claim an Event of Default has occurred and is continuing, then Lender shall settle and adjust such claim without the consent of Borrower, and for such purpose is hereby irrevocably appointed as Borrower's attorney-in-fact coupled with an interest from, after and during the

continuance of an Event of Default. Lender shall use commercially reasonable efforts to respond promptly to any request from Borrower for approval of an insurance settlement. In such case Lender shall and is hereby authorized to collect and receipt for any such Insurance Proceeds subject to and to the extent provided for in this Agreement. The reasonable out-of-pocket expenses incurred by Lender in the adjustment and collection of Insurance Proceeds shall become part of the Indebtedness and be secured by the Mortgage and shall be reimbursed by Borrower to Lender upon demand therefor.

(B) In the event of any insured damage to or destruction of the Mortgaged Property or any part thereof (herein called an Insured Casualty) where: (1) the aggregate amount of the loss, as reasonably determined by an Independent insurance adjuster, is less than thirty percent (30%) of Lender's reasonable estimate of the fair market value of the Mortgaged Property affected by the damage or destruction; (2) in the reasonable judgment of Lender, the Mortgaged Property can be restored, replaced and/or rebuilt (collectively, the Restoration) by not later than the first to occur of: (aa) twelve (12) months after the date of casualty; and (bb) the expiration of the business interruption insurance and, in any case, not later than six (6) months prior to the Maturity Date to an economic unit in substantially the condition it was in immediately prior to the Insured Casualty and in compliance with all zoning, building and other applicable Legal Requirements (the Pre-Existing Condition) not less materially valuable and not less useful than the same was prior to the Insured Casualty; and (3) Lender reasonably determines that the income of the Mortgaged Property, after the Restoration thereof to the Pre-Existing Condition, will be sufficient to meet all Operating Expenses, payments for Reserves and payments of principal and interest under the Loan and satisfy a Debt Service Coverage Ratio of 2.0 to 1.0, or if Lender otherwise elects to allow Borrower to restore the Mortgaged Property, then, if no Event of Default shall have occurred and be continuing, the Insurance Proceeds (after reimbursement of any reasonable out-of-pocket expenses incurred by Lender in connection with the collection of any applicable Insurance Proceeds) shall be made available to reimburse Borrower for the cost of restoring, repairing, replacing or rebuilding the Mortgaged Property or part thereof subject to the Insured Casualty, as provided for below. Borrower hereby covenants and agrees to commence and diligently to prosecute such Restoration of the Mortgaged Property as nearly as possible to the Pre-Existing Condition. Borrower shall pay all out-of-pocket costs (and if required by Lender, Borrower shall deposit the total thereof with Lender in advance) of such Restoration in excess of the Insurance Proceeds made available pursuant to the terms hereof.

(C) Except as provided above, the Insurance Proceeds collected upon any Insured Casualty shall, at the option of Lender in its discretion, be applied to the payment of the Indebtedness, subject to the provisions of Section 2.6(a), or applied to the cost of Restoration of the Mortgaged Property or part thereof subject to the Insured Casualty, in the manner set forth below.

(D) Regardless of whether Insurance Proceeds, if any, are sufficient or are made available to Borrower for the Restoration of any portion of the Mortgaged Property, Borrower covenants to complete such Restoration of the Mortgaged Property to be of

at least comparable value as prior to such damage or destruction, all to be effected in accordance with Legal Requirements and plans and specifications approved in advance by Lender, such approval not to be unreasonably withheld or delayed.

(E) In the event Borrower is entitled to reimbursement out of Insurance Proceeds, such proceeds shall be held by Lender in the Loss Proceeds Account and disbursed from time to time as the Restoration progresses upon Lender being furnished with: (1) evidence reasonably satisfactory to it (which evidence may include inspection(s) of the work performed) that the Restoration covered by the disbursement has been completed in accordance with plans and specifications approved by Lender; (2) evidence reasonably satisfactory to it of the estimated cost of completion of the Restoration; (3) funds, or, at Lender's option, assurances reasonably satisfactory to Lender that such funds are available and sufficient in addition to the Insurance Proceeds to complete the proposed Restoration; and (4) such architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, bonds and other evidences of cost, payment and performance of the foregoing Restoration as Lender may reasonably require and approve. Lender may, in any event, require that all plans and specifications for such Restoration be submitted to and reasonably approved by Lender prior to commencement of work. Lender may retain a construction consultant to inspect such work and review Borrower's request for payments and Borrower shall, on demand by Lender, reimburse Lender for the reasonable fees and disbursements of such consultant. No payment made prior to the final completion of the Restoration shall exceed ninety percent (90%) of the hard construction costs value of the work performed for the first half of such work, and one hundred percent (100%) for the remainder of such work (except for restoration work on a trade by trade basis or on an hourly basis for professional services in which event, payment may be made in full upon the completion of such work). No funds other than Insurance Proceeds shall be disbursed prior to disbursement of such proceeds; and, at all times, the undisbursed balance of such Insurance Proceeds remaining in the Loss Proceeds Account, together with funds deposited therein to pay the costs of the Restoration by or on behalf of Borrower, shall be at least sufficient in the reasonable judgment of Lender to pay for the cost of completion of the Restoration free and clear of all liens or claims for lien, except for Permitted Encumbrances. Any surplus which may remain out of Insurance Proceeds held by Lender after payment of such costs of restoration, repair, replacement or rebuilding shall, at the option of Lender in its discretion, be applied to the payment of the Indebtedness or be paid to Borrower so long as no Event of Default has occurred and is continuing.

(v) Borrower shall not carry separate insurance, concurrent in kind or form or contributing in the event of loss, with any insurance required under this Agreement that would be considered co-insurance or adversely affect the ability to collect under a policy of insurance required hereunder.

(y) Condemnation.

(i) Borrower shall promptly give Lender written notice of the actual or threatened commencement of any proceeding for a Taking and shall deliver to Lender copies of any and all papers served in connection with such proceedings. Lender is hereby irrevocably appointed, effective upon the occurrence and during the continuance of an Event of Default,

as Borrower's attorney-in-fact, coupled with an interest, with exclusive power to collect, receive and retain any Condemnation Proceeds for said Taking. With respect to any compromise or settlement in connection with such proceeding, Lender shall jointly with Borrower compromise and reach settlement unless at the time of such Taking an Event of Default has occurred and is continuing and the Indebtedness has been accelerated, in which event Lender shall compromise and reach settlement without the consent of Borrower. Notwithstanding the foregoing provisions of this Section 5.1(y), Borrower is authorized to negotiate, compromise and settle, without participation by Lender, Condemnation Proceeds of up to \$750,000 in connection with any Taking. Notwithstanding any Taking, Borrower shall continue to pay the Indebtedness at the time and in the manner provided for in this Agreement and the other Loan Documents and the Indebtedness shall not be reduced except in accordance herewith.

(ii) Borrower shall cause the Condemnation Proceeds to be paid directly to Lender. Lender may, in its discretion but subject to the provisions of Section 2.6(a), apply any such Condemnation Proceeds not designated and approved for the reconstruction of improvements affected by such Taking as provided below, to the reduction or discharge of the Indebtedness (whether or not then due and payable). Condemnation Proceeds received on account of a temporary Taking shall be deposited by Lender into the Collection Account and treated as Operating Revenues.

(iii) With respect to a Taking in part, which shall mean any Taking which does not render the Mortgaged Property physically or economically unsuitable in the reasonable judgment of Lender for the use to which it was devoted prior to the Taking, Borrower shall cause the Condemnation Proceeds to be paid to Lender as described above, and if Lender does not elect to apply the same to the Indebtedness as provided in Section 5.1(y)(ii) above, Lender shall deposit such Condemnation Proceeds in the Loss Proceeds Account and the same shall be made available for application to the cost of Restoration of the Mortgaged Property and disbursed from time to time as the Restoration progresses upon Lender being furnished with: (A) evidence reasonably satisfactory to it (which evidence may include inspection(s) of the work performed) that the Restoration covered by the disbursement has been completed in accordance with plans and specifications approved by Lender; (B) evidence reasonably satisfactory to it of the estimated cost of completion of the Restoration; (C) funds, or, at Lender's option, assurances satisfactory to Lender that such funds are available and sufficient in addition to the Condemnation Proceeds to complete the proposed Restoration; and (D) such architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, bonds and other evidences of cost, payment and performance of the foregoing repair, restoration, replacement or rebuilding as Lender may reasonably require and approve.

(iv) Regardless of whether Condemnation Proceeds are sufficient or made available for such purpose, Borrower hereby covenants to complete the Restoration of the Mortgaged Property as nearly as possible to the Pre-Existing Condition and to be of at least comparable value and, to the extent commercially practicable, of substantially the same character as prior to the Taking, all to be effected in accordance with applicable law and plans and specifications reasonably approved in advance by Lender. Borrower shall pay all costs (and if required by Lender, Borrower shall deposit the total thereof with Lender in advance) of such Restoration in excess of the Condemnation Proceeds made available pursuant to the

terms hereof. Lender may, in any event, require that all plans and specifications for such Restoration be submitted to and reasonably approved by Lender prior to commencement of work. Lender may retain a construction consultant to inspect such work and review any request by Borrower for payments and Borrower shall, on demand by Lender, reimburse Lender for the reasonable fees and disbursements of such consultant. No payment made prior to the final completion of the Restoration shall exceed ninety percent (90%) of the hard construction costs value of the work performed for the first half of such work, and one hundred percent (100%) for the remainder of such work (except for restoration work on a trade by trade basis or on an hourly basis for professional services in which event, payment may be made in full upon the completion of such work); funds other than Condemnation Proceeds shall be disbursed prior to disbursement of such proceeds; and at all times, the undisbursed balance of such proceeds remaining in the hands of Lender, together with funds deposited for that purpose or irrevocably committed to the repayment of Lender by or on behalf of Borrower for that purpose, shall be at least sufficient in the reasonable judgment of Lender to pay for the cost of completion of the restoration, repair, replacement or rebuilding, free and clear of all liens or claims for lien. Any surplus which may remain out of Condemnation Proceeds held by Lender after payment of such costs of restoration, repair, replacement or rebuilding shall, at the option of Lender in its discretion, be applied to the payment of the Indebtedness or be paid to Borrower so long as no Event of Default has occurred and is continuing.

(v) If the Mortgaged Property is sold, through foreclosure or otherwise, prior to the receipt by Lender of any such Condemnation Proceeds to which it is entitled hereunder, Lender shall have the right, whether or not a deficiency judgment on the Note shall have been sought, recovered or denied, to have reserved in any foreclosure decree a right to receive said award or payment, or a portion thereof sufficient to pay the Indebtedness. In no case shall any such application reduce or postpone any payments otherwise required pursuant to this Agreement, other than the final payment on the Note.

(z) Leases and Receipts.

(i) Borrower absolutely and unconditionally assigns to Lender, Borrower's right, title and interest in all current and future Leases and Receipts as collateral for the Loan, it being intended by Borrower that this assignment constitutes a present, absolute assignment and not an assignment for additional security only. Such assignment to Lender shall not be construed to bind Lender to the performance of any of the covenants, conditions or provisions contained in any such Lease or otherwise impose any obligation upon Lender. Borrower shall execute and deliver to Lender such additional instruments, in form and substance reasonably satisfactory to Lender, as may hereafter be reasonably requested in writing by Lender to further evidence and confirm such assignment. Nevertheless, subject to the terms of this Section 5.1(z), Lender grants to Borrower a license to maintain, operate and manage the Mortgaged Property and to collect, use and apply the Receipts in accordance with the terms hereof, which license shall be deemed automatically revoked upon the occurrence and during the continuance of an Event of Default under this Agreement. Any portion of the Receipts held by Borrower in breach of the provisions hereof shall be held in trust for the benefit of Lender for use in the payment of the Indebtedness. Upon the occurrence of an Event of Default and during the continuance thereof, the license granted to Borrower herein shall automatically be revoked, and Lender

shall immediately be entitled to possession of all Receipts, whether or not Lender enters upon or takes control of the Mortgaged Property. Lender is hereby granted and assigned by Borrower the right, at its option, upon revocation of the license granted herein, to enter upon the Mortgaged Property in person, by agent or by court-appointed receiver to collect the Receipts. Any Receipts collected after the revocation of the license may be applied toward payment of the Indebtedness as set forth in Section 2.8 hereof.

(ii) All Leases entered into by Borrower shall provide for rental rates comparable to then-existing local market rates and terms and conditions commercially reasonable and consistent with then-prevailing local market terms and conditions for similar type properties. With respect to any Lease for space at the Mortgaged Property over 5,000 square feet, or for an annual rental payment in excess of \$500,000, Borrower shall not enter into such Lease, without the prior written consent of Lender not to be unreasonably withheld. Borrower shall furnish Lender with: (1) detailed term sheets in advance in the case of any Leases, modifications, amendments or renewals for which Lender's consent is required; and (2) in the case of any other Leases, executed copies of such Leases upon written request. All renewals or amendments or modifications of Leases that do not satisfy the requirements of the first sentence of this Section 5.1(z)(ii) shall be subject to the prior approval of Lender. All Leases executed after the date hereof shall provide that they are subordinate to the Mortgage, and that the lessee agrees to attorn to Lender. If Borrower enters into any Leases, Borrower:

(A) shall observe and perform all of the material obligations imposed upon the lessor under the Leases and shall not do or permit to be done anything to materially impair the value of the Leases as security for the Indebtedness;

(B) shall promptly send copies to Lender of all written notices of default which Borrower shall send or receive thereunder;

(C) shall enforce all of the material terms, covenants and conditions contained in the Leases upon the part of the lessee thereunder to be observed or performed and shall effect a termination or diminution of the obligations of tenants under leases, only in a manner that a prudent owner of a similar property to the Mortgaged Property would enforce such terms covenants and conditions or effect such termination or diminution in the ordinary course of business;

(D) shall not collect any of the Rents more than one (1) month in advance;

(E) shall not execute any other assignment of lessor's interest in Leases or Rents; and

(F) shall not convey or transfer or suffer or permit a conveyance or transfer of the Mortgaged Property or of any interest therein so as to effect a merger of the estates and rights of, or a termination or diminution of the obligations of, lessees thereunder.

(aa) Maintenance of Mortgaged Property. Borrower shall cause the Mortgaged Property to be maintained in a good and safe condition and repair, subject to wear and tear and damage caused by casualty or condemnation. The Improvements and the Equipment shall not be removed, demolished or altered without the consent of Lender (which consent shall not be unreasonably withheld or delayed), except for: (i) normal replacement of the Equipment; (ii) improvements and replacement of the Equipment contemplated in an Operating Budget; or (iii) removals, demolition or alterations of Equipment that do not cost more than \$1,000,000 with

respect to the threshold value of the related Equipment, all of which activities in clauses (i), (ii) and (iii) may be performed without Lender's consent. Notwithstanding anything set forth herein or in the other Loan Documents to the contrary, Borrower may make such additions, substitutions and/or replacements to the Water Amenities and associated Improvements as Borrower shall determine from time to time, pursuant to the terms of Section 5.1(dd) hereof. Except with respect to an Insured Casualty which shall be governed by the terms and conditions provided herein, Borrower shall promptly repair, replace or rebuild any part of the Mortgaged Property that becomes damaged, worn or dilapidated. Borrower shall complete and pay for any structure at any time in the process of construction or repair on the Land. Borrower shall not initiate, voluntarily join in, or voluntarily consent to any change in any private restrictive covenant, zoning law or other public or private restriction, limiting in any material respect the uses which may be made of the Mortgaged Property or any part thereof, except to the extent Borrower is obligated to do so pursuant to law or any Permitted Encumbrance, without the written consent of Lender. If under applicable zoning provisions the use of all or any portion of the Mortgaged Property is or shall become a nonconforming use, Borrower will not cause or permit such nonconforming use to be discontinued or abandoned if such discontinuance of abandonment would cause such nonconforming use to no longer be permitted without the express written consent of Lender, which consent shall not be unreasonably withheld or delayed. Borrower shall not: (A) change the over-all use of any of the Land or Improvements in any material respect; (B) permit or suffer to occur any physical waste on or to the Mortgaged Property or to any portion thereof; or (C) take any steps whatsoever to convert the Mortgaged Property, or any portion thereof, to a condominium or cooperative form of management.

(bb) Prohibited Persons. Borrower covenants and agrees to deliver (from time to time) to Lender any certification or other evidence as may be requested by Lender in its discretion, confirming that: (i) neither Borrower, Guarantor nor their respective officers, directors, partners, members or majority-owned Affiliates is a Prohibited Person; and (ii) neither Borrower nor Guarantor nor their respective officers, directors, partners, members or majority-owned Affiliates has engaged in any business, transaction or dealings with a Person known to Borrower to be a Prohibited Person, including, but not limited to, the making or receiving of any contribution of funds, goods, or services, to or for the benefit of a Person known to Borrower to be a Prohibited Person.

(cc) Taxes on Security. Borrower shall pay all taxes, charges, filing, registration and recording fees, excises and levies payable with respect to the Note or the Lien created or secured by the Loan Documents, other than income, franchise and doing business taxes imposed on Lender. If there shall be enacted any law: (i) deducting the Loan from the value of the Collateral for the purpose of taxation; (ii) affecting Lender's Lien on the Collateral; or (iii) changing existing laws of taxation of mortgages, deeds of trust, security deeds, or debts secured by realty, or changing the manner of collecting any such taxes, Borrower shall promptly pay to Lender, on demand, all taxes, costs and charges for which Lender is or may be liable as a result thereof in excess of those for which Lender would otherwise have been liable had such law not been enacted; provided, however, if such payment would be prohibited by law or would render the Loan usurious, then instead of collecting such payment, Lender may declare all amounts owing under the Loan Documents to be immediately due and payable.

(dd) Water Amenities; Expansion. Nothing contained herein shall prohibit Borrower from making such additions, substitutions and/or replacements to the Water Amenities and

associated Improvements located on the Mortgaged Property as Borrower shall determine from time to time; provided the same either: (A) are provided for in an Operating Budget; or (B) constitute: (1) the improvement of, or the removal and replacement of, existing Water Amenities; or (2) the installation of new Water Amenities, which in any event does not require alterations to the Improvements which would adversely affect the then current operations of the Mortgaged Property, and in any event does not diminish the over-all value of the Mortgaged Property.

Notwithstanding the foregoing, Borrower has represented to Lender that it may wish to construct an expansion and enlargement of the Improvements (including the hotel portions and/or the Water Amenities) and other portions of the Mortgaged Property (any such substantial expansion, the cost of which is greater than \$1,000,000 being an Expansion) on the Land, which Expansion, if constructed, shall be a first-class construction project architecturally harmonious with, of at least equal quality of construction with the Improvements on the Mortgaged Property. Borrower shall have the right to construct the Expansion subject to the prior reasonable consent of Lender, which consent may be conditioned upon satisfaction of such conditions as Lender may reasonably determine, including, without limitation, that:

(i) No Event of Default shall then exist;

(ii) All restrictions and other similar agreements regarding access, utilities and other related real estate matters with respect to the Expansion shall be subject to Lender's reasonable consent;

(iii) all operating agreements, management agreements and other restrictions and related documents and instruments required in connection with, and governing the operation and management of the Expansion (including, without limitation, any agreements with respect to the shared usage of the Water Facilities located on the Mortgaged Property and any shared maintenance, management and other fees and expenses) shall be subject to the prior approval of Lender, not to be unreasonably withheld;

(iv) The operations of the Mortgaged Property shall not be materially adversely affected by the construction of the Expansion;

(v) The Expansion shall be constructed solely with funds sourced by Borrower from equity, and not from any future Operating Revenues. Borrower shall provide evidence as Lender may reasonably require from time to time that such funds available to Borrower shall be sufficient to pay all of the costs of the construction of the Expansion and to complete the same free and clear of all Liens or claims for Lien, except for Permitted Encumbrances;

(vi) If required by Lender in Lender's reasonable discretion, Borrower shall either deliver a guaranty of payment from Guarantor or another Person reasonably satisfactory to Lender, in form and substance reasonably satisfactory to Lender, or deposit the funds required for the construction of the Expansion into an escrow account under the control of Lender, to be disbursed by Lender subject to customary construction disbursement terms and conditions (or Borrower shall have entered into such other similar arrangements with a title company or other Person as Lender shall reasonably require). Such disbursement conditions may include, without limitation: (A) the right of Lender to inspect the Expansion to confirm that the work has been completed in accordance with plans and specifications approved by Lender; and (B) the delivery of such architect's certificates, waivers of lien, contractor's sworn statements, title insurance endorsements, bonds and other evidences of

cost, payment and performance of the Expansion as Lender may reasonably require and approve;

(vii) No Liens shall encumber the Mortgaged Property or any interest therein (or any interest in any direct or indirect owner of Borrower except as provided in Section 5.1(ee)), other than for the Permitted Encumbrances;

(viii) No Other Borrowings shall be incurred by Borrower in connection with the Expansion;

(ix) Borrower shall deliver such endorsements to the title policy as Lender shall reasonably require at the commencement of, during the construction of, and following completion of, the Expansion;

(x) The plans and specifications, budget and schedule for the Expansion (and any material modifications to any of the foregoing) shall be subject to Lender's reasonable approval;

(xi) Borrower shall provide reasonable evidence and assurances that the Expansion shall be shall be constructed in accordance with all Legal Requirements, including all applicable zoning laws and any special use permits governing the Mortgaged Property;

(xii) Borrower shall deliver evidence of insurance coverage with respect to the construction and operation of the Expansion as Lender shall reasonably require;

(xiii) All operating agreements, management agreements and other easements, restrictions and related documents and instruments required in connection with the construction and operation of the Expansion shall be subject to the prior approval of Lender, not to be unreasonably withheld;

(xiv) Borrower shall furnish to Lender, at Borrower's sole expense, an updated as-built survey of the Mortgaged Property following the completion of the Expansion;

(xv) Borrower shall execute such other customary documents and instruments as Lender shall reasonably require in connection with the Expansion (and Guarantor shall consent in writing thereto and reaffirm its obligations under the Loan Documents to which it is a party); and

(xvi) Borrower shall pay for the costs of preparing and recording the applicable mortgage documents, any other Loan modification documents reasonably required by Lender, all survey charges and costs, all environmental audits and reports, soil reports and environmental reports, all title premiums and costs, construction escrow costs, mortgage taxes (if applicable), and all reasonable out-of-pocket costs, fees, and expenses incurred by Lender in connection with the Expansion, including, but not limited to, in connection with the preparation, negotiation and review of any and all documents, instruments and materials required hereby, together with Lender's reasonable attorneys' fees and expenses.

(ee) Permitted Future Mezzanine Loan. After the date which is forty-five (45) days after the Securitization of the Mortgage Loan in a Secondary Market Transaction, Lender agrees to permit the direct and indirect owners of Borrower (the Mezzanine Borrower) to obtain a mezzanine loan (the Mezzanine Loan) and to pledge the direct and indirect ownership interests in Borrower in connection therewith, subject to satisfaction of the following conditions:

(i) no Event of Default shall exist;

(ii) the Mezzanine Loan shall be incurred only in connection with the construction of an Expansion on the Mortgaged Property;

(iii) Borrower shall provide Lender with an updated non-consolidation opinion in form and substance reasonably satisfactory to Lender and approved, as part of a Rating Confirmation, by each applicable Rating Agency;

(iv) the Mezzanine Loan shall be evidenced by a loan agreement and promissory note and secured by a pledge agreement encumbering the Mezzanine Borrower's ownership interest in Borrower (but in no event shall the Mezzanine Loan be secured by a Lien on the Mortgaged Property or any other Collateral for the Loan), and each of such documents evidencing and securing the Mezzanine Loan shall be in form and substance reasonably acceptable to Lender (such documents together with any and all other documents and agreements evidencing and securing the Mezzanine Loan, as amended, the Mezzanine Loan Documents). In no event shall Borrower have any liability for the Mezzanine Loan or any liabilities or obligations under the Mezzanine Loan Documents;

(v) Borrower shall have obtained (and delivered to Lender) a Rating Confirmation with respect to the proposed Mezzanine Loan;

(vi) the maturity date the Mezzanine Loan shall be earlier than the Scheduled Maturity Date of the Loan;

(vii) the Mezzanine Loan lender (the Mezzanine Lender) shall either be an Affiliate of Borrower or be a Qualified Institutional Lender, and shall in either case, as part of a Rating Confirmation, be approved by each applicable Rating Agency;

(viii) the Mezzanine Lender shall execute a subordination and standstill intercreditor agreement (the Intercreditor Agreement) satisfactory to Lender, in Lender's reasonable discretion, and the Intercreditor Agreement shall, as part of a Rating Confirmation, be approved by each applicable Rating Agency;

(ix) Borrower, Manager and Guarantor shall enter into such modifications and ratifications of the Loan Documents as Lender shall reasonable request to confirm and maintain the priority of the Lien of the Mortgage and to evidence the agreements with respect to the Mezzanine Loan as set forth herein;

(x) On the date of the closing of the Mezzanine Loan, the ratio of Underwritten Net Cash Flow for the most recently ended twelve (12) month period divided by the sum of the Assumed Loan Debt Service plus the debt service on the Mezzanine Loan for the following twelve (12) month period (with a minimum market constant of 0.725), shall be at least 2.0 to 1.0;

(xi) the sum of the Loan Amount plus the principal amount of the Mezzanine Loan shall not be greater than:
(A) seventy percent (70%) of the as-is value of the Mortgaged Property (prior to construction of the Expansion); or
(B) fifty-nine percent (59%) of the as-stabilized value of the Mortgaged Property (following completion of the Expansion), as each value is set forth in an Appraisal (dated not more than six (6) months prior to the date of Borrower's request for consent to the Mezzanine Loan); and

(xii) Borrower shall pay for all costs and expenses related Lender's consent to the Mezzanine Loan, including, but not limited to, in connection with the preparation,

negotiation and review of any and all documents, instruments and materials required hereby, together with Lender's reasonable attorneys' fees and expenses.

(p) Transfer of Mortgaged Property or Ownership Interests. Permit any Transfer to occur, other than a Permitted Transfer. Notwithstanding the foregoing, Lender shall not unreasonably withhold its consent to a transfer, assignment or sale (but not a pledge, mortgage, assignment, encumbrance or other transfer as security for an obligation) and that is not otherwise

a Permitted Transfer; provided, Borrower satisfies each of the conditions set forth in Sections (b) and (c) of the definition of Permitted Transfer and further provided that Lender reserves the right to condition such consent upon: (i) delivery of a modification of the terms hereof, the Note, the Mortgage or the other Loan Documents; (ii) an assumption of this Agreement, the Note, the Mortgage and the other Loan Documents as so modified by the proposed transferee, in form reasonably acceptable to Lender; (iii) payment of all of fees and expenses incurred in connection with such Transfer including the cost of any third party reports, legal fees and expenses, Rating Agency fees and expenses or required legal opinions; (iv) the payment of an assumption fee equal to one-half of one percent (0.5%) of the outstanding principal balance of the Loan; (v) evidence reasonably satisfactory to Lender of the proposed transferee's continued compliance with the representations and covenants set forth in this Agreement and the other; (vi) the delivery of evidence satisfactory to Lender that the single purpose nature and bankruptcy remoteness of Borrower and such transferee, and their shareholders, partners or members, as the case may be, following such transfers are in accordance with the then current standards of Lender and the Rating Agencies; (vii) confirmation in writing from the Rating Agencies to the effect that such transfer will not result in a re-qualification, reduction or withdrawal of the then current ratings assigned to any securities in a Securitization; (viii) the delivery of evidence satisfactory to Lender that the transferee is a Qualified Transferee; (ix) the substitution of indemnitors and guarantors under the Guaranty of Nonrecourse Obligations and Environmental Indemnity Agreement acceptable to Lender in Lender's sole and absolute discretion and, if acceptable to Lender in Lender's sole and absolute discretion, the release of Guarantor in respect of any liabilities thereunder accruing subsequent to such substitution; and (x) such other conditions as Lender shall determine in its reasonable discretion to be necessary to verify the creditworthiness, reputation and qualifications of the transferee and guarantors with respect to the Loan and the Mortgaged Property.

(q) Equipment and Inventory. Except pursuant to the Management and License Agreement or as otherwise permitted under Section 5.1(aa), permit any Equipment owned by Borrower or any of its Affiliates to be removed at any time from the Mortgaged Property unless the removed item is consumed or sold in the usual and customary course of business, removed temporarily for maintenance and repair or, if removed permanently, replaced by an article of equivalent suitability and not materially less value, owned by Borrower free and clear of any Lien (other than Permitted Encumbrances).

(r) Management Fees and License Fees. Pay Borrower or any Affiliate of Borrower any management fees, license fees or reservation fees with respect to the Mortgaged Property, except for management fees, license fees and reservation fees paid to Manager under the Management and License Agreement and Central Reservation Services Agreement.

(s) Prohibited Persons. With respect to Borrower, Guarantor and any of their respective officers, directors, partners, members or majority-owned Affiliates: (i) conduct any business, or engage in any transaction or dealing, with any Prohibited Person, including, but not limited to, the making or receiving of any contribution of funds, goods, or services, to or for the benefit of a Prohibited Person; or (ii) engage in or conspire to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in EO13224.

(t) Name; Non-Competition. (i) Change the name under which the Mortgaged Property is operated from Great Wolf Lodge or another name consistent with the names then currently

utilized by Great Wolf in its family of other lodges (except Lender shall not unreasonably withhold or delay its approval of a name change which Manager deems necessary or desirable for the continued operation of the Mortgaged Property and Great Wolf's business); or (ii) make, suffer or permit any change in franchise of flag or brand or other affiliation of the Mortgaged Property without the prior written approval of Lender (in its sole and absolute discretion) and, if a new Management and License Agreement is to be executed, approval thereof by the Rating Agencies (and delivery of a Rating Confirmation, if applicable); or (iii) suffer or permit, by its Affiliates, Manager or Guarantor or any of their respective Affiliates, under any license, franchise, concession or permission of any kind granted by any of its Affiliates, Manager or Guarantor or any of their respective Affiliates, an Additional Resort Event to occur.

ARTICLE VII.

EVENT OF DEFAULT

Section 7.1. Event of Default. The occurrence of one or more of the following events shall be an Event of Default hereunder:

(a) if on any Payment Date Borrower fails to pay any Monthly Debt Service Payment due and payable on such Payment Date, or if Borrower fails to make any scheduled deposits into the Reserve Accounts when due and payable in accordance with the provisions hereof;

(b) if Borrower fails to pay the outstanding Indebtedness on the Maturity Date;

(c) if Borrower fails to pay or deposit any other amount payable or required to be deposited pursuant to this Agreement or any other Loan Document when due and payable in accordance with the provisions hereof or thereof, as the case may be, and such failure continues for ten (10) days after Lender delivers written notice thereof to Borrower;

(d) if any representation or warranty made herein or in any other Loan Document, or in any report, certificate, financial statement or other Instrument, agreement or document furnished by Borrower, Manager or Guarantor in connection with this Agreement, the Note or any other Loan Document executed and delivered by Borrower, Manager or Guarantor shall be materially false or materially misleading as of the date such representation or warranty was made (or if such representation or warranty relates to an earlier date, then as of such earlier date);

(e) if Borrower or Guarantor makes a general assignment for the benefit of creditors;

(f) if a receiver, liquidator or trustee shall be appointed for Borrower or Guarantor or if Borrower or Guarantor shall be adjudicated a bankrupt or insolvent, or if any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, shall be filed by or against, consented to, or acquiesced in by Borrower or Guarantor, or if any proceeding for the dissolution or liquidation of Borrower or Guarantor shall be instituted; provided, however, that if such appointment, adjudication, petition or proceeding was involuntary and not consented to by Borrower or Guarantor, upon the same not being discharged, stayed or dismissed within ninety (90) days, or if Borrower or Guarantor shall generally not be paying its debts as they become due;

(g) if: (i) Borrower defaults beyond any applicable notice and cure period under the Management and License Agreement or any Material Agreement to the extent such default is reasonably likely to result in a Material Adverse Effect; or (ii) without Lender's prior written consent: (A) there is any material change in or amendment to the Management and License Agreement or any other Material Agreement, without the prior written consent of Lender; or

(B) there is a cancellation, expiration, surrender or termination, for any reason, of the Management and License Agreement or any Material Agreement;

(h) if Borrower ceases to operate a hotel and water park resort on the Mortgaged Property or terminates such business for any reason whatsoever (other than cessation in connection with any casualty or any renovations to the Mortgaged Property or restoration of the Mortgaged Property after fire or other casualty, or force majeure causes, or taking by a governmental authority having jurisdiction over the Mortgaged Property);

(i) If: (i) Borrower fails to provide Lender (to the extent not previously provided to Lender) with written evidence of receipt of all material required permits and licenses (including, without limitation, food and other beverage licenses) in connection with Borrower's ownership and operation of the Mortgaged Property within thirty (30) days after Lender's written request therefor; or (ii) any material required permit(s) and licenses (other than any liquor licenses) for the operation of the Mortgaged Property as a full service first class hotel and water park resort shall be revoked or terminated or expire, or food can no longer be legally sold at the Mortgaged Property, in any such case, for a period of longer than sixty (60) days; or

(j) if Borrower attempts to delegate its obligations or assign its rights under this Agreement, any of the other Loan Documents or any interest herein or therein, or if any Transfer occurs, other than a Permitted Transfer or otherwise in accordance with or as permitted under this Agreement;

(k) if any provision of the Organizational Agreement affecting the purpose for which Borrower is formed is amended or modified in any material respect which is reasonably likely to adversely affect Lender, or if Borrower fails to perform or enforce the provisions of the Organizational Agreement and such failure has a Material Adverse Effect or attempts to dissolve Borrower without Lender's consent;

(l) if an Event of Default as defined or described in the Note or any other Loan Document occurs, whether as to Borrower or the Mortgaged Property or any portion thereof;

(m) if any of the assumptions made with respect to Borrower, Manager and their Affiliates in that certain substantive non-consolidation opinion letter dated as of (or on or about) the Closing Date and delivered in connection with the Loan is not true and correct in all material respects;

(n) if Borrower fails to maintain any insurance required to be maintained pursuant to Section 5.1(x) hereof; and

(o) if Borrower shall fail to perform any of the terms, covenants or conditions of this Agreement, the Note, the Mortgage or the other Loan Documents, other than as specifically otherwise referred to above in this definition of

Event of Default, for ten (10) days after notice to Borrower from Lender or its successors or assigns, in the case of any Default which can be cured by the payment of a sum of money (other than Events of Default pursuant to Sections 7.1(a) and 7.1(b) above, as to which the grace period, if any, set forth therein is applicable), or for thirty (30) days after notice from Lender or its successors or assigns, in the case of any other Default (unless a longer notice period is otherwise provided herein or in such other Loan Document); provided, however, that if such non-monetary Default is susceptible of cure but cannot reasonably be cured within such thirty (30) day period and Borrower shall have commenced to cure such Default within such thirty (30) day period and thereafter diligently and

expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for an additional sixty (60) days;

then, upon the occurrence of any such Event of Default and at any time thereafter, Lender or its successors or assigns, may, in addition to any other rights or remedies available to it pursuant to this Agreement and the other Loan Documents, or at law or in equity, take such action, without further notice or demand, as Lender or its successors or assigns, deems advisable to protect and enforce its rights against Borrower and in and to all or any portion of the Collateral, and may enforce or avail itself of any or all rights or remedies provided in the Loan Documents against Borrower and/or the Collateral (including, without limitation, all rights or remedies available at law or in equity). In addition to and without limiting the foregoing, upon the occurrence of any Event of Default described in any of Sections 7.1(e) or (f), the unpaid principal amount of and accrued interest and fees on the Loan and all other Indebtedness shall automatically become immediately due and payable, without presentment, demand, protest, notice of intent to accelerate, notice of acceleration or other requirements of any kind, all of which are hereby expressly waived by Borrower. Upon and at any time after the occurrence of any other Event of Default, at the option of Lender, which may be exercised without notice or demand to anyone, all or any portion of the Loan and other Indebtedness shall immediately become due and payable.

Section 7.2. Remedies.

(a) Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, other remedies available to Lender against Borrower under this Agreement or any of the other Loan Documents executed by or with respect to Borrower, or at law or in equity may be exercised by Lender at any time and from time to time, whether or not all or any portion of the Indebtedness shall be declared due and payable, and whether or not Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Loan Documents with respect to all or any portion of the Collateral. Any such actions taken by Lender shall be cumulative and concurrent and may be pursued independently, singly, successively, together or otherwise, at such time and in such order as Lender may determine in its discretion, to the fullest extent permitted by law, without impairing or otherwise affecting the other rights and remedies of Lender permitted by law, equity or contract or as set forth herein or in the other Loan Documents.

(b) In the event of the foreclosure or other action by Lender to enforce Lender's remedies in connection with all or any portion of the Collateral, Lender shall apply all Net Proceeds received to repay the Indebtedness in accordance with Section 2.8, the Indebtedness (as selected by Lender in its discretion) shall be reduced to the extent of such Net Proceeds and the remaining portion of the Indebtedness shall remain outstanding and secured by the Loan Documents, it being understood and agreed by Borrower that Borrower is liable for the repayment of all the Indebtedness; provided, however, that the Loan shall be deemed to have been repaid only to the extent of the Net Proceeds actually received by Lender with respect to the Collateral and applied in reduction of the Indebtedness evidenced by the Note in accordance with the provisions of this Agreement after payment by Borrower of all Transaction Costs and costs of enforcement.

(c) Upon and during the continuation of an Event of Default, Lender shall have the right, but not the obligation, with respect to any and all bankruptcy proceedings that are now or hereafter commenced in connection with the Mortgaged Property, to: (i) vote to accept or reject any plans of reorganization; (ii) vote in any election of a trustee; (iii) elect the treatment of

secured claims as specified in Section 1111(b) of the Bankruptcy Code; and (iv) make any other decisions requested of holders of claims or interests that Borrower would have had the right to do in such bankruptcy proceedings in the absence of an Event of Default.

(d) Upon the request of Lender (or its nominees and successors and assigns) in connection with a foreclosure, deed in lieu of foreclosure or other acquisition of the Mortgaged Property or any part thereof resulting from an Event of Default, Borrower shall, and shall cause Manager to, cooperate with Lender (and its nominees and successors and assigns) in: (i) the transfer to Lender (or such nominee, successor or assign) of any licenses and permits (including, without limitation, but only to the extent permitted by law, liquor licenses and subject to the provisions of the Manager's Subordination, the licenses under the Management and License Agreement necessary or appropriate for the operation of the Mortgaged Property; (ii) the obtaining by Lender (or such nominee, successor or assign) of any licenses and permits (including without limitation liquor licenses and licenses under the Management and License Agreement) necessary or appropriate for the operation of the Mortgaged Property; and (iii) the continuation by Borrower and Manager, as applicable, of any existing licenses and permits (including without limitation liquor licenses) and/or arrangements for liquor sales and service to be conducted by third party vendors, under catering licenses or otherwise, until new licenses and permits are obtained.

Section 7.3. Remedies Cumulative. The rights, powers and remedies of Lender under this Agreement shall be cumulative and not exclusive of any other right, power or remedy which Lender may have against Borrower pursuant to this Agreement or the other Loan Documents executed by or with respect to Borrower, or existing at law or in equity or otherwise. Lender's rights, powers and remedies may be pursued singly, concurrently or otherwise, at such time and in such order as Lender may determine. No delay or omission to exercise any remedy, right or power accruing upon an Event of Default shall impair any such remedy, right or power or shall be construed as a waiver thereof, but any such remedy, right or power may be exercised from time to time and as often as may be deemed expedient. A waiver of any Default or Event of Default shall not be construed to be a waiver of any subsequent Default or Event of Default or to impair any remedy, right or power consequent thereon. Subject to Section 9.24, Lender reserves the right to seek a deficiency judgment or preserve a deficiency claim, in connection with the foreclosure of the Mortgage on the Mortgaged Property, to the extent necessary to foreclose on other parts of the Collateral.

Section 7.4. Intentionally Omitted.

Section 7.5. Curative Advances. If any Event of Default occurs, then Lender may expend such sums it shall reasonably deem appropriate in connection with the matters giving rise to such Event of Default. Borrower shall immediately repay all such sums so advanced, which sums shall immediately become part of the Indebtedness, bear interest at the Default Rate from the date advanced until the date repaid, and be secured by all Collateral.

ARTICLE VIII.

Mortgaged Property, and customarily paid by Borrower within sixty (60) days of incurrence and in fact not more than sixty (60) days outstanding; and (iii) equipment financing leases and purchase money debt for equipment, in each case incurred in the ordinary course of business in connection with the use, financing or purchase of equipment used on the Mortgaged Property, the payments upon which are made currently and in any event prior to delinquency, provided, that: (A) the aggregate capitalized amount of all such permitted financing leases plus the aggregate amount of all such permitted purchase money debt shall not exceed \$100,000 at any time or require payments aggregating in excess of \$300,000 (except such amounts may be increased to reflect the increases in the Consumer Price Index (expressed as percentage) as measured over the calendar year that the Loan closed); and (B) the aggregate outstanding amount of: (1) all trade payables described in clause (ii) above; plus (2) the aggregate capitalized amount of all permitted financing leases plus the aggregate amount of all permitted purchase money debt described in clause (iii) above, shall not at any time be in excess of four percent (4%) of the Principal Indebtedness.

(vi) Borrower shall cause reputable Delaware counsel reasonably acceptable to Lender (the Delaware Law Firm) to deliver to Lender an opinion letter reasonably satisfactory to Lender whereby the Delaware Law Firm opines (which opinion may be subject to standard assumptions, qualifications, limitations and exceptions reasonably acceptable to Lender), among other requirements of Lender, that: (A) the unanimous consent of the single member of Borrower (the SPC Single Member) and the Independent Directors are required in order for Borrower to file a voluntary bankruptcy petition; (B) the provision in Borrower's Organizational Documents that requires unanimous consent as a condition to filing a voluntary bankruptcy petition is enforceable against Borrower; (C) the bankruptcy of the SPC Single Member will not cause Borrower to be dissolved; (D) no creditor of SPC Single Member shall have the right to obtain possession of, or otherwise exercise legal or equitable remedies with respect to, Borrower's property; and (E) Delaware law, not federal law, governs the determination of what persons or entities have the authority to file a voluntary bankruptcy petition on behalf of Borrower;

**ARTICLE IX.
MISCELLANEOUS**

Section 9.1. Survival. This Agreement and all covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the execution and delivery of this Agreement, the making of the Loan hereunder and the execution and delivery to Lender of the Loan Documents, and shall continue in full force and effect so long as any portion of the Indebtedness is outstanding and unpaid. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party. All covenants, promises and agreements in this Agreement contained, by or on behalf of Borrower, shall inure to the benefit of the respective successors and assigns of Lender. Nothing in this Agreement or in any other Loan Document, express or implied, shall give to any Person other than the parties and the holder of the Note and the other Loan Documents, and their legal representatives, successors and assigns, any benefit or any legal or equitable right, remedy or claim hereunder.

Section 9.2. Lender's Discretion. Whenever pursuant to this Agreement, Lender is entitled to permit, approve or disapprove any action or matter, or any action or matter is to be satisfactory to Lender, or any action or matter is subject to Lender's determination, option or discretion, the decision of Lender to permit, approve or disapprove, and any such determination by Lender or exercise by Lender of any discretion or option with respect to any action or matter, or to decide whether any action or matter is satisfactory or not satisfactory shall (except as is otherwise specifically herein provided) be in the sole discretion of Lender and shall be final and conclusive.

Section 9.3. Governing Law.

(a) This Agreement was negotiated in New York and made by Lender and accepted by Borrower in the State of New York, and the proceeds of the Note delivered pursuant hereto were disbursed from New York, which State the parties agree has a substantial relationship to the

parties and to the underlying transaction embodied hereby, and in all respects (including, without limitation, matters of construction, validity, performance, and maximum permissible rates of interest), this Agreement and the obligations arising hereunder shall be governed by, and construed in accordance with, the laws of the State of New York applicable to contracts made and performed in such State and any applicable law of the United States of America, except that at all times the provisions for the creation, perfection and enforcement of the liens and security interests created pursuant to the Mortgage and Assignment of Rents and Leases shall be governed by the laws of the State where the Mortgaged Property is located, except that the security interests in Account Collateral shall be governed by the laws of the State of New York or the State where the Account Collateral is held, at the option of Lender.

(b) Borrower hereby consents to the jurisdiction of any federal court or state court in New York, New York or within the county and state in which the Mortgaged Property is located and irrevocably agrees that, subject to Lender's election, any legal suit, action or proceeding against Lender or Borrower arising out of or relating to this Agreement or the other Loan Documents may be instituted and litigated in such courts. Borrower hereby: (i) irrevocably waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum; and (ii) irrevocably submits to the jurisdiction of any such court in any such suit, action or proceeding. Borrower does hereby designate and appoint Corporation Service Company, with an address at 1133 Avenue of the Americas, Suite 3100, New York, NY 10036-6710, as its authorized agent to accept and acknowledge on its behalf service of any and all process which may be served in any such suit, action or proceeding in any federal or state court in New York, New York, and agrees that service of process upon said agent at said address (or at such other office in New York, New York as may be designated by Borrower from time to time in accordance with the terms hereof) with a copy to Borrower at its principal executive offices, and written notice of said service of Borrower mailed or delivered to Borrower in the manner provided herein shall be deemed in every respect effective service of process upon Borrower, in any such suit, action or proceeding in the State of New York. Borrower: (A) shall give prompt notice to Lender of any change in address of its authorized agent hereunder; (B) may at any time and from time to time designate a substitute authorized agent with an office in New York, New York (which office shall be designated as the address for service of process); and (C) shall promptly designate such a substitute if its authorized agent ceases to have an office in New York, New York or is dissolved without leaving a successor.

Section 9.4. Modification, Waiver in Writing. No modification, amendment, extension, discharge, termination or waiver of any provision of this Agreement or any other Loan Document, or consent or waiver referred to in any Loan Document or consent to any departure by Borrower therefrom, shall in any event be effective unless the same shall be in a writing signed by the party against whom enforcement is sought, and then such waiver or consent shall be effective only in the specific instance, and for the purpose, for which given. Except as otherwise expressly provided herein, no notice to or demand on Borrower shall entitle Borrower to any other or future notice or demand in the same, similar or other circumstances.

Section 9.5. Delay Not a Waiver. Neither any failure nor any delay on the part of Lender in insisting upon strict performance of any term, condition, covenant or agreement, or exercising any right, power, remedy or privilege hereunder, or under any other Loan Document,

or any other instrument given as security therefor, shall operate as or constitute a waiver thereof, nor shall a single or partial exercise thereof preclude any other future exercise, or the exercise of any other right, power, remedy or privilege. In particular, and not by way of limitation, by accepting payment after the due date of any amount payable under this Agreement, the Note or any other Loan Document, Lender shall not be deemed to have waived any right either to require prompt payment when due of all other amounts due under this Agreement, the Note or the other Loan Documents, or to declare a default for failure to effect prompt payment of any such other amount.

Section 9.6. Notices. All notices, consents, approvals and requests required or permitted hereunder or under any other Loan Document shall be given in writing and shall be effective for all purposes if delivered or sent by: (a) hand delivery; (b) certified or registered United States mail, postage prepaid; (c) nationally recognized overnight delivery service; (d) by facsimile transmission, addressed if to Lender or to Borrower at its applicable address set forth on Schedule 4 hereto, or at such other address and Person as shall be designated from time to time by any party hereto, as the case may be, in a written notice to the other parties hereto in the manner provided for in this Section 9.6; or (e) other than with respect to an amendment or modification, an electronic medium. A notice shall be deemed to have been given: in the case of hand delivery, at the time of delivery; in the case of registered or certified mail, when delivered or three Business Days after mailing; in the case of overnight delivery and facsimile transmission, on the Business Day after the same was sent; or in the case of electronic medium, when confirmed by e-mail. A party receiving a notice which does not comply with the technical requirements for notice under this Section 9.6 may elect to waive any deficiencies and treat the notice as having been properly given. Delivery by telecopier of an executed counterpart of any amendment or waiver of any provision of this Agreement or the Notes or of any Exhibit hereto to be executed and delivered hereunder shall be effective as delivery of an original executed counterpart thereof.

Section 9.7. TRIAL BY JURY. BORROWER, TO THE FULLEST EXTENT THAT IT MAY LAWFULLY DO SO, WAIVES TRIAL BY JURY IN ANY ACTION OR PROCEEDING, INCLUDING, WITHOUT LIMITATION, ANY TORT ACTION, BROUGHT BY ANY PARTY HERETO WITH RESPECT TO THIS AGREEMENT, THE NOTE OR THE OTHER LOAN DOCUMENTS.

Section 9.8. Headings. The Article and Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 9.9. Assignment.

(a) Borrower may not sell, assign or transfer any interest in the Loan Documents, or any portion of the foregoing (including, without limitation, Borrower's rights, title, interests, remedies, powers and duties hereunder and thereunder) without Lender's prior written consent; provided, however, that a Permitted Transfer shall not be deemed a breach of this provision.

(b) Lender shall have the right to assign or participate this Agreement and/or its interest in any of the other Loan Documents and the obligations hereunder to any Person, subject to the other applicable provisions of this Agreement. In the event of an assignment by Lender, the assignee shall have, to the extent of such assignment, the same rights, benefits and obligations as it would have if it were an original Lender hereunder. The holders from time to

time of the Loan and/or any other interest of the Lender under this Agreement and the other Loan Documents may from time to time enter into one or more co-lender or similar agreements in their discretion. Borrower acknowledges and agrees that such agreements, as the same may from time to time be amended, modified or restated, may govern the exercise of the powers and discretionary authority of Lender hereunder and under the other Loan Documents. Liens granted and created in favor of the Lender under this Agreement, the Mortgage and the other Loan Documents shall be held, and shall be deemed for all purposes under this Agreement, the Mortgage and the other Loan Documents to be held, by the designated Lender as collateral agent for itself as a Lender and as collateral agent for each and every other Lender hereunder and under the other Loan Documents. Without limiting the foregoing, Liens granted and created in favor of Citigroup Global Markets Realty Corp. under the Loan Documents shall be held, and be deemed for all purposes under the Loan Documents to be held by Citigroup Global Markets Realty Corp., and its successors and assigns, as collateral agent for itself as a Lender and for each and every other Lender hereunder and under the Loan Documents.

(c) Lender may from time to time elect to enter into a servicing agreement with a servicer, pursuant to which the servicer shall be appointed to service and administer the Loan and the Account Collateral in accordance with the terms hereof and to exercise any and all other rights of Lender with respect to the Loan as set forth in such servicing agreement. Lender shall promptly notify Borrower if Lender shall elect to appoint or change the servicer, and all notices and other communications from Borrower to Lender shall be delivered to the servicer with a copy concurrently delivered to Lender, and any notice, direction or other communication from the servicer to Borrower shall have the same force and effect as a notice, direction or communication from Lender. The servicer shall be entitled to be reimbursed for any reasonable cost, expense or liability which is incurred by the servicer pursuant to such servicing and administrative duties and which would otherwise be reimbursable to Lender under this Agreement or any other Loan Document in the same manner and to the same extent as if Lender incurred such cost, expense or liability in the first place. The parties hereto acknowledge and agree that the servicer shall be a third party beneficiary to this Agreement and the other Loan Documents.

Section 9.10. Severability. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

Section 9.11. Preferences. Lender shall have no obligation to marshal any assets in favor of Borrower or any other party or against or in payment of any or all of the obligations of Borrower pursuant to this Agreement, the Note or any other Loan Document. Lender shall have the continuing and exclusive right to apply or reverse and reapply any and all payments by Borrower to any portion of the obligations of Borrower hereunder, provided that such application or reapplication is performed by Lender in accordance with the terms of this Agreement or any other applicable Loan Document. To the extent Borrower makes a payment or payments to Lender for Borrower's benefit, which payment or proceeds or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or proceeds received, the obligations

hereunder or part thereof intended to be satisfied shall be revived and continue in full force and effect, as if such payment or proceeds had not been received by Lender.

Section 9.12. Waiver of Notice. Borrower shall not be entitled to any notices of any nature whatsoever from Lender except with respect to matters for which this Agreement or another Loan Document specifically and expressly provides for the giving of notice by Lender to Borrower and except with respect to matters for which Borrower is not, pursuant to applicable Legal Requirements, permitted to waive the giving of notice. Borrower hereby expressly waives the right to receive any notice from Lender with respect to any matter for which this Agreement or the other Loan Documents does not specifically and expressly provide for the giving of notice by Lender to Borrower.

Section 9.13. Consents. In all cases Lender shall conclusively be deemed to be acting reasonably when implementing any applicable appropriate standard or requirement imposed by any applicable Rating Agency in connection with a Securitization, or in refusing or delaying any consent due to the existence of any Event of Default. In no event shall references herein or in the other Loan Documents to the existence or continuance of an Event of Default imply that any Event of Default, or any Default, once maturing into an Event of Default due to the expiration of any applicable cure period or by operation of this Agreement in the event no cure period is provided hereunder, shall be further susceptible of cure by Borrower or otherwise cease to be an Event of Default in the absence of a written waiver of such Event of Default by Lender. In the event that a claim or adjudication is made that Lender or its agents have acted unreasonably or unreasonably delayed acting in any case where, by law or under this Agreement or the other Loan Documents, Lender or such agent, as the case may be, has an obligation to act reasonably or promptly, neither Lender nor its agents shall be liable for any monetary damages, it being intended that Borrower's sole remedy shall be to bring an action for an injunction or specific performance.

Section 9.14. Schedules Incorporated. The information set forth on the cover, heading and recitals hereof, and the Schedules attached hereto, are hereby incorporated herein as a part of this Agreement with the same effect as if set forth in the body hereof.

Section 9.15. Offsets, Counterclaims and Defenses. Any assignee of any of Lender's interest in and to this Agreement and the other Loan Documents shall take the same free and clear of all offsets, counterclaims or defenses which are unrelated to this Agreement and the other Loan Documents which Borrower may otherwise have against any assignor or this Agreement and the other Loan Documents. No such unrelated counterclaim or defense shall be interposed or asserted by Borrower in any action or proceeding brought by any such assignee upon this Agreement or upon any other Loan Document. Any such right to interpose or assert any such unrelated offset, counterclaim or defense in any such action or proceeding is hereby expressly waived by Borrower.

Section 9.16. No Joint Venture or Partnership. Borrower and Lender intend that the relationship created hereunder be solely that of borrower and lender. Nothing herein is intended to create a joint venture, partnership, tenancy-in-common, or joint tenancy relationship between Borrower (or Manager or any Affiliate of Borrower) and Lender nor to grant Lender any interest in the Collateral other than that of secured party, mortgagee or lender.

Section 9.17. Waiver of Marshalling of Assets Defense. To the fullest extent Borrower may legally do so, Borrower waives all rights to a marshalling of the assets of Borrower, and

others with interests in Borrower, and of the Collateral, or to a sale in inverse order of alienation in the event of foreclosure of the interests hereby created, and agrees not to assert any right under any laws pertaining to the marshalling of assets, the sale in inverse order of alienation, homestead exemption, the administration of estates of decedents, or any other matters whatsoever to defeat, reduce or affect the right of Lender under the Loan Documents to a sale of any Collateral for the collection of the Indebtedness without any prior or different resort for collection, or the right of Lender to the payment of the Indebtedness out of the Net Proceeds of the Collateral in preference to every other claimant whatsoever.

Section 9.18. Waiver of Counterclaim. To the extent permitted by applicable law, Borrower hereby waives the right to assert a counterclaim, other than compulsory counterclaim, in any action or proceeding brought against it by Lender or its agents.

Section 9.19. Conflict: Construction of Documents. In the event of any conflict between the provisions of this Agreement and the provisions of any of the other Loan Documents, the provisions of this Agreement shall prevail. The parties hereto acknowledge that they were represented by counsel in connection with the negotiation and drafting of the Loan Documents and that the Loan Documents shall not be subject to the principle of construing their meaning against the party that drafted same.

Section 9.20. Brokers and Financial Advisors. Borrower hereby represents that it has dealt with no financial advisors, brokers, underwriters, placement agents, agents or finders in connection with the transactions contemplated by this Agreement. Borrower hereby agrees to indemnify and hold Lender harmless from and against any and all claims, liabilities, costs and expenses of any kind in any way relating to or arising from a claim by any Person that such Person acted on behalf of Borrower in connection with the transactions contemplated herein. The provisions of this Section 9.20 shall survive the expiration and termination of this Agreement and the repayment of the Indebtedness.

Section 9.21. Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

Section 9.22. Estoppel Certificates. Borrower and Lender hereby agree at any time and from time to time (but not more than four times per year) upon not less than fifteen (15) days prior written notice by Borrower or Lender to execute, acknowledge and deliver to the party specified in such notice, a statement, in writing, certifying that this Agreement is unmodified and in full force and effect (or if there have been modifications, that the same, as modified, is in full force and effect and stating the modifications hereto), and stating whether or not, to the knowledge of such certifying party, any Default or Event of Default has occurred and is then continuing, and, if so, specifying each such Default or Event of Default; provided, however, that it shall be a condition precedent to Lender's obligation to deliver the statement pursuant to this Section 9.22, that Lender shall have received, together with Borrower's request for such statement, an Officer's Certificate stating that, to the knowledge of Borrower, no Default or Event of Default exists as of the date of such certificate (or specifying such Default or Event of Default).

Section 9.23. Payment of Expenses. Borrower shall pay all Transaction Costs, which shall include, without limitation: (a) reasonable out-of-pocket costs and expenses of Lender in connection with: (i) the negotiation, preparation, execution and delivery of the Loan Documents

and the documents and instruments referred to therein; (ii) the creation, perfection or protection of Lender's Liens in the Collateral (including, without limitation, fees and expenses for title and lien searches or amended or replacement Mortgage, UCC financing statements or Collateral Security Instruments, title insurance premiums and filing and recording fees, third party due diligence expenses for the Mortgaged Property plus reasonable travel expenses, accounting firm fees, costs of the Appraisal, Environmental Reports (and an environmental consultant), and the Property Condition Assessments and earthquake maximum probable loss report and costs and fees incurred in connection with arranging, setting up, servicing and maintaining the Account Collateral); (iii) response to any requests by Borrower or Manager (or any Affiliates of the foregoing) for Lender consent or approval of any matter; (iv) except as set forth in this Agreement with respect to any Secondary Market Transaction, the negotiation, preparation, execution and delivery of any amendment, waiver, restructuring or consent relating to any of the Loan Documents; and (v) the preservation of rights under and enforcement of the Loan Documents and the documents and instruments referred to therein, including any communications or discussions relating to any action that Borrower shall from time to time request Lender to take, as well as any restructuring or rescheduling of the Indebtedness; (b) the reasonable fees, expenses and other charges of counsel to Lender or its servicer in connection with all of the foregoing; and (c) Lender's reasonable out-of-pocket travel expenses in connection with site visits to the Mortgaged Property.

Section 9.24. Non-Recourse. Anything contained herein, in the Note or in any other Loan Document to the contrary notwithstanding, but subject in all respects to provisions set forth below, Lender shall not enforce the liability and obligation of Borrower to perform and observe any of its obligations that may be contained in the Note, this Agreement, the Mortgage or any other Loan Document by any action or proceeding wherein a money judgment shall be sought against Borrower, except that Lender may bring a foreclosure action, an action for specific performance or any other appropriate action or proceeding to enable Lender to enforce and realize upon its interest under the Note, this Agreement, the Mortgage and the other Loan Documents, or in the Mortgaged Property, or any other Collateral pursuant to the Loan Documents; provided, however, that, except as specifically provided herein, any judgment in any such action or proceeding shall be enforceable against Borrower only to the extent of Borrower's interest in the Mortgaged Property and in any other Collateral. **NOTWITHSTANDING ANYTHING TO THE CONTRARY ABOVE OR ELSEWHERE IN THIS AGREEMENT, THE MORTGAGE OR ANY OF THE LOAN DOCUMENTS, HOWEVER:**

(a) the provisions of this Section 9.24 and the other provisions of the Loan Documents shall not: (i) constitute a waiver of any right which Lender may have under Sections 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Indebtedness or to require that all Collateral shall continue to secure all of the Indebtedness owing to Lender in accordance with the Loan Documents; (ii) constitute a waiver, release or impairment of any obligation evidenced or secured by any of the Loan Documents; (iii) impair the right of Lender to name Borrower as a party defendant in any action or suit for foreclosure and sale under the Mortgage or other Loan Documents; (iv) impair the right of Lender to obtain the appointment of a receiver; (v) impair the enforcement of the Assignment of Rents and Leases; (vi) constitute a prohibition against Lender to seek a deficiency judgment against Borrower (but only to the extent such deficiency judgment is required) in order to fully realize the security granted by the Mortgage and other Loan Documents or to commence any other appropriate action or

proceeding in order for Lender to exercise its remedies against the Mortgaged Property or any other Collateral (provided that any such deficiency judgment shall only be enforceable against Borrower to the extent of Borrower's interest in the Mortgaged Property and other Collateral); (vii) have any applicability whatsoever to or limit the liability of Borrower, Guarantor or other parties under the Guaranty of Non-Recourse Obligations or the Environmental Indemnity Agreement; or (viii) constitute a waiver, release or discharge of any Indebtedness or obligation evidenced by the Note or this Agreement or secured by the Loan Documents, and the same shall continue until paid or discharged in full; and

(b) the provisions of this Section 9.24 and the other provisions of the Loan Documents shall not:

(A) prevent recourse to Borrower and Guarantor, jointly and severally, and their respective assets for repayment of the Indebtedness, and Lender's agreement not to pursue personal liability of Borrower as set forth above SHALL BECOME NULL AND VOID and shall be of no further force or effect, and the Indebtedness shall be fully recourse not only to Borrower but also to Guarantor, in the event: (1) Borrower shall file or commence any voluntary bankruptcy, insolvency or similar proceeding, including any petition for bankruptcy, reorganization or arrangement pursuant to federal bankruptcy law, or any similar federal or state law, or Borrower shall make an assignment for the benefit of creditors or institute receivership proceedings or similar proceedings with respect to the Mortgaged Property, Borrower or Borrower's assets; or (2) any such proceedings or petition shall be filed or commenced against Borrower by Guarantor or Guarantor's or Borrower's Affiliates or agents; or (3) Borrower, Guarantor or their respective Affiliates aid, solicit, support or otherwise cooperate or collude to bring about the filing or commencement of any such proceedings or petition against Borrower or acquiesce in or fail to contest, any such proceedings or petition;
