ITEM 4. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT.

The Audit Committee of the Board of Directors of Delta Air Lines, Inc. annually considers and recommends to the Board the selection of Delta's independent public accountants. As recommended by Delta's Audit Committee,

## Edgar Filing: DELTA AIR LINES INC /DE/ - Form 8-K

Delta's Board of Directors on March 6, 2002 decided to no longer engage Arthur Andersen LLP ("Andersen") as Delta's independent public accountants and engaged Deloitte & Touche LLP to serve as Delta's independent public accountants for 2002. The appointment of Deloitte & Touche is subject to ratification by Delta's shareowners at the 2002 annual meeting scheduled for April 26, 2002.

Andersen's reports on Delta's consolidated financial statements for the past two years did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. Andersen's report on Delta's consolidated financial statements for 2001 has not yet been issued, but is expected to be issued on an unqualified basis later this month in conjunction with the publication of Delta's Annual Report to Shareowners and the filing of Delta's Annual Report on Form 10-K.

During Delta's two most recent fiscal years and through the date of this Form 8-K, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused them to make reference to the subject matter in connection with their report on Delta's consolidated financial statements for such years; and there were no reportable events, as listed in Item 304(a)(1)(v) of Regulation S-K.

Delta provided Andersen with a copy of the foregoing disclosures. Attached as Exhibit 16 is a copy of Andersen's letter, dated March 7, 2002, stating its agreement with such statements.

During Delta's two most recent fiscal years and through the date of this Form 8-K, Delta did not consult Deloitte & Touche with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Delta's consolidated financial statements, or any other matters or reportable events listed in Items 304(a)(2)(i) and (ii) of Regulation S-K.
