Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On August 11, 2005, the Registrant entered into a Lease Agreement dated as of December 1, 2004 (the "Lease Agreement") with the Moultrie-Colquitt County Development Authority (the "Authority") and a Bond Purchase Loan Agreement (the "Bond Purchase Loan Agreement") dated as of December 1, 2004 with the Authority. The Bond Purchase Loan Agreement relates to the purchase by the Registrant of an industrial development revenue bond issued by the Authority in the principal amount of \$80,000,000, the proceeds of which will be used by the Authority to finance the cost of construction of the Registrant's poultry complex in Colquitt County, Georgia. In connection with the Registrant's purchase of the bond, the Registrant transferred title to the complex to the Authority and will lease it back from the Authority under the Lease Agreement. The lease rental payments due from the Registrant will be equal to the debt service obligations of the Authority on the bond. Thus, the Registrant, as lessee, will provide the funds which enable the Authority to make the bond payments and, as the bond purchaser, will be the recipient of the bond payments made by the Authority. The Lease Agreement contains a bargain purchase option exercisable by the Registrant after all lease payments have been made. The purpose of the transaction is to effect an exemption from Georgia ad valorem property taxes which may only be obtained if title to the property is vested in the Authority.
