(Attach extra sheets if needed.)

On June 24, 2002, the Registrant dismissed Arthur Andersen LLP as its independent auditor and appointed KPMG LLP as its new independent auditor. As of the date of this filing, KPMG LLP has not completed the required SAS 71 review procedures related to the Registrant's financial statements as of and for the three and nine-month periods ended September 30, 2002. Accordingly, the Registrant is unable to file its Quarterly Report on Form 10-Q for the Quarterly Period ended September 30, 2002. Based on discussions with KPMG LLP, the Registrant believes that the required procedures will be completed within the five-day extension period provided under Rule 12b-25 of the Securities Exchange Act of 1934, as amended. A letter from KPMG LLP concurring with this narrative is attached as an exhibit to this filing.

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Due primarily to a significant increase in revenue passenger miles, principally as a result of the delivery of additional Canadair Regional Jets over the past twelve months, and further development of the Registrant's code-sharing relationships with United Airlines and Delta Air Lines, the Registrant anticipates that its results of operations for the three and nine-month periods ended September 30, 2002 will reflect significant increases in passenger revenues and net income, compared to the comparable periods of the fiscal year ended December 31, 2001. The improvement in the Registrant's operating results also reflects the Registrant's recovery from the service disruption experienced by the Company and other air carriers following the September 11, 2001 terrorist attacks.
