- (2) Pursuant to Rule 416 under the Securities Act, this registration statement also covers such additional Common Shares which may be issued or become issuable under the terms of the registrant's 2000 Stock Option Plan for Outside Directors (the "Directors Plan") and the registrant's 2000 Stock Incentive Plan, as amended (the "Incentive Plan"), in order to prevent dilution resulting from any stock split, stock dividend or similar transaction.

Until the occurrence of certain prescribed events, the Rights are not exercisable, are evidenced by the certificates for the Common Shares and will be transferred with and only with such Common Shares. Because no separate consideration is paid for the Rights, the registration fee therefor is included in the fee for the Common Shares. The terms of the Rights are described in the registrant's Registration Statement on Form 8-A, File No. 0-05734, as the same may be amended or supplemented from time to time.

Section 1701.13(E) of the Ohio Revised Code sets forth the conditions and limitations governing the indemnification of officers, directors and other persons. Section 1701.13(E) provides that a corporation shall have the power to indemnify any person who was or is a party or threatened to be made a party to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation in a similar capacity with another corporation or other entity, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement incurred in connection therewith if he or she acted in good faith and in a manner that he or she reasonably believed to be in the best interests of the corporation and, with respect to a criminal proceeding, had no reasonable cause to believe that his or her conduct was unlawful. With respect to a suit by or in the right of the corporation, indemnity may be provided to the foregoing persons under Section 1701.13(E) on a basis similar to that set forth above, except that no indemnity may be provided in respect of any claim, issue or matter as to which such person has been adjudged to be liable to the corporation unless and to the extent that the Court of Common Pleas or the court in which such action, suit or proceeding was brought determines that despite the adjudication of liability but in view of all the circumstances of the case such person is entitled to indemnity for such expenses as the court deems proper. Moreover, Section 1701.13(E) provides for mandatory indemnification of a director, officer, employee or agent of the corporation to the extent that such person has been successful in defense of any such action, suit or proceeding and provides that a corporation shall pay the expenses of an officer or director in defending an action, suit or proceeding upon receipt of an undertaking to repay such amounts if it is ultimately determined that such

Edgar Filing: PIONEER STANDARD ELECTRONICS INC - Form S-8

person is not entitled to be indemnified. Section 1701.13(E) establishes provisions for determining whether a given person is entitled to indemnification, and also provides that the indemnification provided by or granted under Section 1701.13(E) is not exclusive of any rights to indemnity or advancement of expenses to which such person may be entitled under any by-law, agreement, vote of shareholders or disinterested directors or otherwise.

Under certain circumstances provided in Article VIII of the registrant's Code of Regulations, as amended, and subject to Section 1701.13(E) of the Ohio Revised Code (which sets forth the conditions and limitations governing the indemnification of officers, directors and other persons), the registrant will indemnify any director or officer or any former director or officer of the registrant against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement, actually and reasonably incurred by him or her by reason of the fact that he or she is or was such director or officer in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

The registrant has entered into indemnification agreements (the "Indemnification Agreements") with the current directors and executive officers of the registrant and expects to enter into similar agreements with any director or executive officer elected or appointed in the future at the time of their election or appointment. Pursuant to the Indemnification Agreements, the registrant will indemnify a director or executive officer of the registrant (the "Indemnatee") if the Indemnatee is a party to or otherwise involved in any legal proceeding by reason of the fact that the Indemnatee is or was a director or executive officer of the registrant, or is or was serving at the request of the registrant in certain capacities with another entity, against all expenses, judgments, settlements, fines and penalties, actually and reasonably incurred by the Indemnatee, in connection with the defense or settlement of such proceeding. Indemnification is only available if the Indemnatee acted in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, the best interests of the registrant. The same coverage is provided whether or not the suit or proceeding is a derivative action. Derivative actions may be defined as actions brought by one or more shareholders of a corporation to enforce a corporate right or to prevent or remedy a wrong to the corporation in cases where the corporation, because it is controlled by the wrongdoers or for other reasons, fails or refuses to take appropriate action for its own protection. The Indemnification Agreements mandate advancement of expenses to the Indemnatee if the Indemnatee provides the registrant with a written promise to repay the advanced amounts in the event that it is determined that the conduct of the Indemnatee has not met the applicable standard of conduct. In addition, the Indemnification Agreements provide various procedures and presumptions in favor of the Indemnatee's right to receive indemnification under the Indemnity Agreement.

ITEM 9. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, unless the information required to be included in such post-effective amendment is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 and incorporated herein by reference.
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the

Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: PIONEER STANDARD ELECTRONICS INC - Form S-8

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted against the registrant by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
