The Internet and telephone voting procedures have been set up for your convenience and have been designed to authenticate your identity, allow you to give voting instructions and confirm that those instructions have been recorded properly.

You may revoke your proxy at any time before it is exercised by sending a written notice (or other verifiable form of communication) notice of revocation to Lamson's Secretary, James J. Abel, prior to the Special Meeting, or by submitting a later-dated proxy to the Company.

Each Lamson common share is entitled to one vote. As of the record date, November 7, 2006, there were \_\_\_ common shares outstanding.

#### **Information Regarding Tabulation of the Vote**

Lamson's policy is that all proxies, ballots and votes tabulated at a meeting of the shareholders are confidential. Representatives of National City Bank will tabulate votes and act as Inspectors of Election at the Special Meeting.

#### **Quorum Requirement**

A quorum of shareholders is necessary to hold a valid meeting. Under the Regulations, holders of common shares entitled to exercise two-thirds of the voting power of the Company, present in person or by proxy, shall constitute a quorum. Abstentions and broker non-votes, if any, are counted as present for establishing a quorum.

The holders of a majority of the voting power represented at the Special Meeting, whether or not a quorum is present, may adjourn the meeting without notice other than by announcement at the meeting of the date, time and location at which the meeting will be reconvened.

#### **Information About Votes Necessary for Proposal to be Adopted**

Approval by holders of two-thirds of the outstanding common shares will be required to approve the amendment to increase in the authorized common shares from twenty million (20,000,000) to forty million (40,000,000). Abstentions and broker non-votes, if any, will be counted as votes against the amendment.

#### **Revocation of Proxies**

If you give a proxy (either by mailing your proxy card, by telephone or over the Internet), you may revoke it at any time before it is exercised by giving notice to Lamson's Secretary in writing or by means of other verifiable communication prior to the Special Meeting or by submitting a later-dated proxy to the Company.

#### **Dissenters or Appraisal Rights**

The Company's shareholders are not entitled to dissenter's or appraisal rights under Ohio law in connection with the amendment.

#### **Costs of Proxy Solicitation**

Lamson will pay all the costs of soliciting these proxies. In addition to solicitation by mail, proxies may be solicited personally, by telephone or personal interview by an officer or regular employee of the Company. Lamson will also ask banks, brokers and other institutions, nominees and fiduciaries to forward the proxy materials to their principals and to obtain authority to execute proxies, and reimburse them for expenses. In addition, Lamson has also retained Georgeson Shareholder Communications, Inc. to aid in the distribution and solicitation of proxies and has agreed to pay Georgeson a fee of approximately \$6,500, plus reasonable expenses.

**INFORMATION ABOUT LAMSON COMMON SHARE OWNERSHIP****Beneficial Ownership of Shares**

This information is based on reports filed with the SEC by each of the individuals or firms listed in the table below. If you wish, you may obtain these reports from the SEC by visiting the SEC's website at [www.sec.gov](http://www.sec.gov).

### PROPOSAL

The Board of Directors has approved, subject to shareholder approval, an amendment to the Company's Amended Articles of Incorporation to increase the number of authorized common shares from twenty million (20,000,000) to forty million (40,000,000). The Board of Directors has determined that this amendment is advisable and in the best interests of the Company and its shareholders.

At the Special Meeting, shareholders will be asked to consider and vote upon this amendment. The Board of Directors recommends that shareholders vote FOR the amendment.

#### Reasons for the Amendment

Currently, the Company is authorized to issue 20,000,000 common shares. Of the 20,000,000 common shares authorized, as of November 7, 2006, there were \_\_\_\_\_ shares issued and outstanding and \_\_\_\_\_ shares reserved for issuance upon the exercise of outstanding options, including, without limitation, the benefit plans of the Company. Consequently, the Company has approximately \_\_\_\_\_ common shares available for general corporate purposes. As a general matter, the Board of Directors does not believe this is an adequate number of shares to assure that there will be sufficient shares available for issuance in connection with possible future awards under employee benefit plans, stock dividends, stock splits, future acquisitions, equity and equity-based financings and other corporate purposes. Therefore, the Board of Directors has proposed the increase in authorized common shares as a means of providing it with the flexibility to act with respect to the issuance of common shares or securities exercisable for, or convertible into, common shares in circumstances which it believes will advance the interests of the Company and its shareholders without the delay of seeking an amendment to the Amended Articles of Incorporation at that time.

The Board of Directors has no current specific plans to authorize the issuance of additional common shares, except in connection with possible future awards under employee benefit plans. However, the Company is considering, and will continue to consider, various financing alternatives, including potential capital market transactions. In connection with the Company's overall financing initiatives, from time to time, the Board of Directors has considered and will continue to consider the issuance of common shares or securities convertible into common shares. If shareholders approve the amendment to the Amended Articles of Incorporation, then the Board of Directors would have more flexibility to pursue opportunities to engage in possible future capital markets transactions involving common shares or securities convertible into common shares, including, without limitation, public offerings or private placements of such common shares or securities convertible into common shares.

#### Ability of the Board to Issue Shares; Certain Issuances Requiring Shareholder Approval

If the amendment is approved by the shareholders, the additional common shares authorized by the amendment may be issued from time to time upon authorization by the Board of Directors, without further approval by the shareholders unless required by applicable law, rule or regulation, including, without limitation, rules of the New

York Stock Exchange. Shares may be issued for such consideration as the Board of Directors may determine and as may be permitted by applicable law.

### **Certain Effects of the Amendment**

The increase in authorized common shares is not being proposed as a means of preventing or dissuading a change in control or takeover of the Company. However, use of these shares for such a purpose is possible. Authorized but unissued or unreserved common shares and preferred stock, for example, could be issued in an effort to dilute the stock ownership and voting power of persons seeking to obtain control of the Company or could be issued to purchasers who would support the Board of Directors in opposing a takeover proposal. In addition, the increase in authorized common shares, if approved, may have the effect of discouraging a challenge for control or make it less likely that such a challenge, if attempted, would be successful. The Board of Directors and executive officers of the Company have no knowledge of any current effort to obtain control of the Company or to accumulate large amounts of common shares.

The holders of common shares are not entitled to preemptive rights with respect to the issuance of additional common shares or securities convertible into or exercisable for common shares. Accordingly, the issuance of additional common shares or such other securities might dilute the ownership and voting rights of shareholders.

The proposed amendment to the Amended Articles of Incorporation does not change the terms of the common shares. The additional common shares for which authorization is sought will have the same voting rights, the same rights to dividends and distributions and will be identical in all other respects to the common shares now authorized.

The Company could also use the additional common shares for potential strategic transactions, including, among other things, acquisitions, spin-offs, strategic partnerships, joint ventures, restructurings, divestitures, business combinations and investments, although the Company has no present plans to do so. The Company cannot provide assurances that any such transactions will be consummated on favorable terms or at all, that they will enhance shareholder value or that they will not adversely affect the Company's business or the trading price of the common shares. Any such transaction may require the Company to incur non-recurring or other charges and may pose significant integration challenges and/or management and business disruptions, any of which could materially and adversely affect the Company's business and financial results.

If approved by shareholders, it is anticipated that the amendment to the Amended Articles of Incorporation will become effective upon the filing of a certificate of amendment with the Secretary of State for the State of Ohio, which filing is expected to occur as soon as practicable after the Special Meeting.

**The Board of Directors recommends a vote FOR the proposal to amend the Amended Articles of Incorporation to increase the number of authorized common shares.**

### **SHAREHOLDER PROPOSALS FOR 2007 ANNUAL MEETING OF SHAREHOLDERS**

Any shareholder proposal intended to be presented at the Annual Meeting of Shareholders to be held in 2007 must be received by the Company's Secretary at its principal office in Cleveland, Ohio, not later than November 30, 2006 for inclusion in the Company's Proxy Statement and Form of Proxy relating to the Annual Meeting of Shareholders in 2007. Each proposal submitted should be accompanied by the name and address of the shareholder submitting the proposal and the number of common shares owned. If the proponent is not a shareholder of record, proof of beneficial ownership should also be submitted. All proposals must be a proper subject for consideration and comply with the proxy rules of the SEC.

If a shareholder intends to present a proposal at the Company's 2007 Annual Meeting without inclusion of the proposal in the Company's proxy materials and written notice of the proposal is not received by the Company on or before February 13, 2007, proxies solicited by the Board of Directors will confer discretionary authority to vote on the proposal if presented at the meeting.

**OTHER MATTERS**

Pursuant to Article I, Section 2 of our Regulations, only business specified in the notice of the Special Meeting may be considered at the Special Meeting. Accordingly, no business will be considered at the Special Meeting, or any adjournment or postponement thereof, other than the proposed amendment to the Amended Articles of Incorporation to increase the number of authorized common shares.

By Order of the Board of Directors.
