PACIFICNET INC. AND SUBSIDIARIES
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(AMOUNTS EXPRESSED IN UNITED STATES DOLLARS UNLESS OTHERWISE STATED)

1. BASIS OF PRESENTATION

INTERIM FINANCIAL STATEMENTS. The interim financial statements are prepared pursuant to the requirements for reporting on Form 10-QSB. In the opinion of management, the interim financial statements reflect all adjustments of a normal recurring nature necessary for a fair presentation of the results for the interim periods presented. The interim financial statements and notes thereto should be read in conjunction with the financial statements and notes included in the annual report of PacificNet Inc. (referred to herein as "PACT" or the "Company") on Form 10-KSB for the fiscal year ended December 31, 2001.

INVESTMENT IN A SUBSIDIARY COMPANY. In January 2002, the Company had acquired 60% of interest in PacificNet Solutions Ltd ("PacSo"), a Hong Kong based IT solution provider, which specializes in system integration, software application, and e-business solutions. The scope of products and services include smart card solutions, web based front-end applications and web based connection to backend enterprise planning systems. PacSo commenced its operations on November 13, 2001. The revenue and net profit of PacSo for the three months ended March 31, 2002 amounted to \$790,000 and \$193,000 respectively.

INVESTMENT IN A JOINT VENTURE. On July 31, 2001, the Company made a public announcement that it had entered into an agreement dated July 28, 2001 for the

Edgar Filing: PACIFICNET COM INC - Form 10QSB

sale and purchase of an equity interest in a Joint Venture in the People's Republic of China by Holley Group Co., Ltd. ("China Holley"). Under the agreement, the Company acquired a 51% ownership interest in China Holley's energy management, procurement and IT solutions operating unit ("HolleyE"). The management team of HolleyE is now working on business plans and strategic directions in capturing the IT solutions market in People's Republic of China.

INVESTMENTS IN AFFILIATED COMPANIES. The Company's investments in affiliated companies for which its ownership exceeds 20% (PacificNet-NTSC.com Sdn.Bhd and Xmedia Holdings Inc.), but are not majority-owned or controlled, are accounted for using the equity method. The Company's investment in affiliated company for which its ownership is less than 20% (ABCDEnet.com Limited), is accounted for using the cost method. Under the equity method, the Company's proportionate share of each affiliate's net income or loss and amortization of the Company's net excess investment over its equity in each affiliate's net assets is included in "equity in losses of affiliated companies". The Company assesses the need to record impairment losses on its investments when indicators of impairment are present. Indicators of value generally include revenue growth, operating results, cash flows and other measures. Management then determines whether there has been a permanent impairment of value based upon events and circumstances that have occurred since the acquisition of each investment. During the quarterly period ended March 31, 2002, a provision for impairment loss of \$8,000 related to the Company's investment in Xmedia Holdings Inc. has been made.

DISCONTINUATION OF CERTAIN OPERATIONS. LAPTIZEN.COM LIMITED - In September 2001, the Board of Directors of the Company approved a plan not to make further investment related to its subsidiary, Laptizen.com Limited ("Laptizen"). Laptizen is a Hong Kong based B2B computer system, e-commerce portal and value added reseller and service provider for computer systems. As of March 31, 2002, all activities related to Laptizen had ceased operation and Laptizen is under liquidation process.

OPERATING RESULTS FOR FUTURE PERIODS. These results are not necessarily indicative of the operating results that may be expected for the entire year ending December 31, 2002 and future periods.

Page 6

2. BUSINESS COMBINATIONS AND DISPOSITIONS

DISPOSITION OF CREATIVE MASTER BUSINESS. In September 2000, the Company's Board of Directors approved a plan to dispose of its die-cast replica manufacturing business ("the Creative Master business"). On October 2, 2000, the Company sold the Creative Master business to a management group led by Mr. Carl Tong, former Chief Executive Officer of the Company. As consideration for this business, the management group i) returned 895,765 shares of the Company's Common Stock with a quoted market value of approximately \$4.9 million, ii) assumed all indebtedness and obligations of the Company related to the Creative Master business and iii) relinquished any claim with respect to an intercompany balance of \$1.5 million payable by the Company.

The 895,765 shares of Common Stock returned to the Company are held as treasury stock at September 30, 2001 and represented a 10.14% reduction in the total number of shares outstanding immediately before the return. The net liabilities and results of operations for the Creative Master business are reflected as discontinued operations in the accompanying financial statements.

PRIVATE PLACEMENT TRANSACTION WITH SINO MART MANAGEMENT LIMITED. As described in the Current Report on Form 8-K filed on March 28, 2002, at the

Edgar Filing: PACIFICNET COM INC - Form 10QSB

March 25, 2002 special stockholder meeting, the stockholders of the Company approved an issuance of 12,000,000 shares of the Company's common stock and a warrant to purchase up to 3,000,000 additional shares of the Company's common stock ("Warrant") in a private placement of the Company's common stock with Sino Mart Management Ltd., a Hong Kong domiciled private business development company ("Sino Mart").

In accordance with the terms and provisions of the December 9, 2001 subscription agreement, as amended ("Subscription Agreement"), by and between the Company and Sino Mart, the Company agreed to offer, to sell and to issue to Sino Mart, in a private placement in reliance upon the exemption from registration under Section 4(2) and/or of Rule 506 of Regulation D under the Securities Act of 1933, as amended, 12,000,000 common stock shares in consideration for \$3,480,000, (or \$0.29 per share), representing 56.9% of the number of shares of the Company's common stock outstanding after the private placement. However, upon the Company's issuance of the Warrant, Sino Mart may be deemed the beneficial owner of 15,000,000 shares of common stock of the company under the rules of attribution of beneficial ownership provided in Rule 13d-3 under the Securities Exchange Act of 1934, as amended, or of approximately 62% of the number of shares of the Company's common stock outstanding after the private placement, on a fully-diluted basis, making Sino Mart the largest shareholder of the Company and resulting in a change of control of the registrant.

The Company sought stockholder approval of the Sino Mart stock issuance in compliance with National Association of Securities Dealers, Inc. Marketplace Rules 4350(i)(1)(B) and 4350(i)(1)(D) ("NASD Rules"). NASD Rules provide that an issuer whose securities are listed on The Nasdaq Stock Market ("Nasdaq"), must seek approval of its stockholders, when, in connection with a transaction not involving a public offering, (1) the issuance or potential issuance of its common stock will result in a change of control of the issuer, or (2) the issuer issues common stock in excess of 20% of its common stock outstanding prior to the issuance, respectively. A failure to obtain stockholder approval may be deemed a violation of the Nasdaq corporate governance listing criteria, which, in turn, may result in de-listing of the issuer's common stock shares from Nasdaq.

Page 7

Under the terms of the Subscription Agreement, the Company agreed to prepare and to file a registration statement covering the common stock shares issuable to Sino Mart. The Company also agreed, as a condition to closing of the Subscription Agreement, upon closing, to pass a resolution to approve three (3) directors nominated by Sino Mart. As of the date of this filing, Sino Mart has nominated ShaoJian Wang, Max Tong and Richard Lo as the directors in the board of the Company. Sino Mart also reserved a right not to close its investment in the Company in the event that at the time of closing the Company is not in full compliance with The Nasdaq National Market ("National Market") continued listing criteria or has not filed with the Securities and Exchange Commission ("SEC") the registration statement. In accordance with the January 29, 2002, Nasdaq Listing Qualifications Panel's ("Panel") exception to the continued listing criteria, issued following the December 13, 2001 hearing held before the Panel, the listing of the Company's securities has been transferred from the National Market to the Nasdaq SmallCap Market ("SmallCap Market") effective as of January 30, 2002. Sino Mart agreed to revise certain existing terms of and to add certain new terms to the Subscription Agreement in consideration for its waiving the right not to close its investment in the Company. The revised terms, INTER ALIA, required that (1) the Company maintain the listing of its securities on the SmallCap Market, and (2) the entire subscription amount under the

Edgar Filing: PACIFICNET COM INC - Form 10QSB

Subscription Agreement be due and payable within seven (7) days of the receipt of the stockholder approval, but be fully refunded to Sino Mart in the event that, on or before April 30, 2002, the Company is not in full compliance with (i) the terms and conditions of the Panel's exception and (ii) with the SmallCap Market listing criteria.

On March 27, 2002, the Company closed the Sino Mart private placement transaction and confirmed receipt of the \$3,480,000 subscription amount from Sino Mart in cash. Subsequent to the closing of the Sino Mart private placement transaction, the Company filed a Current Report on Form 8-K dated March 28, 2002, disclosing the change in control transaction with Sino Mart. Also, in compliance with the terms and conditions of the Panel's exception, the Company included, on a pro forma basis, the evidence of the Company's compliance with the SmallCap Market net tangible/stockholders' equity continued listing requirement. The Company's pro forma balance sheet presentation reflecting the Sino Mart private placement transaction did not include all disclosures required by generally accepted accounting principles and was provided solely to demonstrate the Company's compliance with the second and last prong of the Panel's exception.

The foregoing is a summary description of the terms of the Sino Mart private placement transaction and related documents there under and by its nature is incomplete. It is qualified in the entirety by the text of the Subscription Agreement and the Amendment to the Subscription Agreement, which were filed as exhibits to the Current Report on Form 8-K filed as of March 28, 2002 and which are incorporated by reference.

This decrease in the Company's revenues is primarily attributable to discontinuation of Laptizen. For the three months period ended March 31, 2002, revenues consisted of \$318,000 derived from IT system solutions services rendered and \$466,000 from the sale of products through PacSo, \$561,000 from the sale of telecommunication products through PacComm and \$51,000 from web-site development services rendered by PacificNet Limited. COST OF REVENUES. Cost of revenues for the three months period ended March 31, 2002 was \$1,098,000, a decrease of \$754,000 from \$1,852,000 for the three months period ended March 31, 2001. This decrease was due to a corresponding decrease in revenues. Cost of revenues, as a percentage of revenues, was 43% for services

Edgar Filing: PACIFICNET COM INC - Form 10QSB

rendered and 92% for both sale of telecommunication products through PacComm and sale of products and IT system solutions services through PacSo for the three months period ended March 31, 2002.

Gross margin for the three months period ended March 31, 2002 was \$298,000, an increase of \$189,000 from \$109,000 for the three months period ended March 31, 2001. - Termination of 26 Hong Kong based employees representing approximately 81% of the Company's employees
- Sublease of certain areas within the Hong Kong operations facility
- Discontinuation of substantially all cash based marketing and advertising programs

As of March 31, 2002, the Company's estimated monthly cash requirement for operating expenses was approximately \$178,000; a decrease of approximately \$212,000 from the actual monthly cash requirement rate for the three months period ended March 31, 2001.

SHARE OF LOSSES OF AFFILIATED COMPANIES. There is no share of losses of affiliated companies for the three months ended March 31, 2002, as compared to \$(12,000) for the three months period ended March 31, 2001.

INTEREST INCOME. Interest income was \$22,000 for the three months ended March 31, 2002, as compared to \$77,000 for the three months ended March 31, 2001. The decrease is due to the lower net cash balances before funds raised through the private placement and lower interest rate in 2002 compared to 2001.

INCOME TAXES. No tax provision has been recorded for the three months period ended March 31, 2002 as a result of the cumulative operating loss generated by the Company. Interim income tax provisions are based upon management's estimate of taxable income and the resulting consolidated effective income tax rate for the full year. As a result, such interim estimates are subject to change as the year progresses and more information becomes available.

Page 10

Minority interests for the three months period ended March 31, 2002 totaled (\$84,000), compared to \$12,000 for the same period in the prior year and consisted of minority interest in the earnings of the PacSo and Laptizen consolidated subsidiary that commenced operations in December, 2001 and July, 2000 respectively.

LIQUIDITY AND CAPITAL RESOURCES

CASH. The Company's cash balance has increased by \$2,798,000 to \$4.1 million at March 31, 2002, as compared to \$1.3 million at December 31, 2001. This increase is primarily due to the Sino Mart cash infusion completed as of March 27, 2002. Operating activities used (\$970,000) of cash for continuing operations.

Edgar Filing: PACIFICNET COM INC - Form 10QSB

WORKING CAPITAL. The Company's working capital increased by \$4,489,000 at March 31, 2002, as compared to \$1,012,000 at December 31, 2001. When compared to balances at December 31, 2001, the increase in working capital at March 31, 2002 reflects higher levels of cash \$2,798,000, net account receivables \$648,000, increase in other current assets \$14,000 together with lower levels of current liabilities (\$17,000). The Company anticipates that as revenue and operating activity levels increase, working capital financing requirements will also increase.

PROPERTY AND EQUIPMENT ADDITIONS. For the three months ended March 31, 2002, there is no addition to property and equipment. The Company does not anticipate material expenditures for additions to property and equipment during the year 2002.

INVESTMENT IN A JOINT VENTURE. The Company acquired a 51% ownership interest in a Joint Venture for energy management, procurement and IT solutions operating unit ("HolleyE") in the People's Republic of China by Holley Group Co., Ltd ("China Holley") in the amount of \$255,000. For investment in HolleyE, the Company will investigate into the business plans and marketing proposals prepared by the management team and evaluate the utilization of resources invested into HolleyE. Resources will be utilized on a conservative basis.

INVESTMENTS IN AFFILIATED & SUBSIDIARY COMPANIES. As of March 31, 2002, investments in affiliated and subsidiary companies aggregated \$87,000 as compared to \$95,000 as of December 31, 2001. The decrease of \$8,000 comprised of a provision for impairment loss of affiliated companies of Xmedia Holdings Inc.

OTHER INVESTMENT. On January 7, 2002, PacComm, a wholly owned subsidiary of the Company, acquired 1,000,000 shares of Prism Communications International Limited, a British Virgin Islands company ("Prism"), which PacComm purchased at a cost of \$32,000 and accounted for as Other Investment. The company and Prism will jointly explore the network infrastructure and network communications business. Prism will assist the Company to establish and implement telecommunication business strategies in Hong Kong and the People's Republic of China.

GOODWILL. The Company's goodwill increased by \$21,000 due to the purchase of a subsidiary company ("PacSo") in January 2002.

COMMITMENTS FOR ADDITIONAL FUNDING OF REPRESENTATIVE OFFICE. The Company believes that representative office in the People's Republic of China will generate incremental service revenues and product sales for the Company in fiscal year 2002. Furthermore, the Company anticipates that it may enter into additional joint venture arrangements and other investment structures in the future to further promote the sale and marketing of the Company's products and services.

CASH NEEDS FOR THE FORESEEABLE FUTURE. As of March 31, 2002, the Company had approximately \$4.1 million of cash. The Company expects that its cash needs for the foreseeable future will arise primarily from working capital requirements, technology developments and capital expenditures. The Company expects that the principal sources of cash will be cash on hand and from future private placement activities of the Company's new shares. In the event that additional credit facilities are required, the Company believes that these additional credit facilities can be negotiated at market rates currently in effect. The Company believes that these sources will be adequate to meet anticipated cash requirements for the remainder of fiscal 2002.

INFLATION. Inflation does not have a material impact on the Company's business in recent years.

Edgar Filing: PACIFICNET COM INC - Form 10QSB

CURRENCY EXCHANGE FLUCTUATIONS. All of the Company's revenues are denominated either in United States dollars or Hong Kong dollars, while its expenses are denominated primarily in Hong Kong dollars and Renminbi, the official currency of the PRC ("RMB"). There is no assurance that the RMB-to-U.S. dollar rate will remain stable. Although a devaluation of the Hong Kong dollar or RMB relative to the U.S. dollar will reduce Company's expenses (as expressed in U.S. dollars), any material increase in the value of the Hong Kong dollar or RMB relative to the U.S. dollar will increase Company's expenses, and could have a material adverse effect on Company's business, financial condition and results of operations. The Company has never engaged in currency hedging operations and has no intention to do so in the foreseeable future.

SEASONALITY AND QUARTERLY FLUCTUATIONS. The Company has not experienced fluctuations in quarterly revenues from its e-commerce solutions business since inception. The Company believes that its business is not subject to seasonal and quarterly fluctuations; however, since the Company has only been in existence since July 1999, it does not have sufficient operating history to determine whether seasonal and quarterly fluctuations exist within its business lines.

(2) On February 13, 2002, the Company issued 75,000 shares of common stock to eCapital Advisors LLC, which subleased its office space from the Company, as a final and conclusive compensation for the Company's early termination of the master lease on April 30, 2002 and subsequently the sublease. The stock issuance was valued at the fair market value of the underlying shares on the date of issuance, was made pursuant to the Deed of Settlement, dated January 31, 2002, by and among the Company, eCapital Advisors LLC and Charles W. Mueller, the former CFO, Secretary, and Director of the Company ("Settlement"), and was in reliance upon the exemption from registration under Section 4(2) of the Securities Act. The Settlement also terminated Mr. Mueller's employment agreement with the Company. During the transition, Mr. Mueller has been consulting the Company on various matters through eCapital Advisors LLC at a reasonable rate.

(4) On December 9, 2001 the Company's Board of Directors approved two private placements of the Company's common stock shares with Sino Mart Management Ltd., a Hong Kong domiciled private business development company (the "Sino Mart Placement") and an individual investor (the "Shu-Jen Placement"), respectively, both of which investors qualify as "accredited investors" as the term is defined under Rule 501 of Regulation D as promulgated by the U.S. Securities and Exchange Commission under the Securities Act of 1933, as amended (the "Securities Act"). The Sino Mart Placement involved a private placement of 12,000,000 shares of restricted common stock of the Company in consideration for \$3,480,000, payable in cash (or \$0.29 per share). The Shu-Jen Placement involved a private placement of 1,625,000 shares of restricted common stock of the Company in consideration for \$520,000, payable in cash (or \$0.32 per share). Both of the foregoing private placements of the Company's common stock with these investors was made in reliance upon the exemption from registration under Section 4(2) and/or of Rule 506 of Regulation D under the Securities Act. The Company did not use underwriters in either of the foregoing private placements. This cash infusion will allow the Company to maintain its focus in systems integration, network communications, telecommunications and information technology solutions in Asia.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

On March 25, 2002, the Company held a special meeting of its stockholders. The Company stockholders considered and approved the following proposals:

(1) Approval of a proposed issuance of PacificNet.com, Inc. common stock in a private placement that will result in the issuance of 12,000,000 shares of PacificNet.com, Inc. common stock and a warrant to purchase up to 3,000,000 shares of common stock of PacificNet.com, Inc., representing approximately 62.1% of the number of shares of PacificNet.com, Inc.'s common stock outstanding after the private placement, and which issuance may be deemed to result in a change of control of PacificNet.com, Inc.

Under the revised terms and conditions of the December 9, 2001 subscription agreement between the Company and Sino Mart, the Company agreed to offer, to sell and to issue to Sino Mart, in a private placement in reliance upon the exemption from registration under Section 4(2) and/or of Rule 506 of Regulation D under the Securities Act, \$3,480,000 of its common stock shares at \$0.29 per share, payable in cash. The aggregate number of the Company's common stock shares issuable under the Sino Mart subscription agreement was 12,000,000 shares. The Company was required to seek the stockholder approval in connection with the proposed stock issuances in accordance with National Association of Securities Dealers, Inc. Marketplace Rules 4350(i)(1)(B) and 4350(i)(1)(D) since

the foregoing transactions, involved (1) a change in control of the Company, and (2) an issuance in excess of 20% of the Company's common stock outstanding. A failure to obtain stockholder approval may have been deemed a violation of the Nasdaq corporate governance listing criteria, which, in turn, may have resulted in de-listing of the issuer's common stock shares from Nasdaq SmallCap Market.

The vote for this proposal was 6,280,138 for, 4,422 against and 101 abstained.

(2) Approval of a reverse split of PacificNet.com, Inc.'s common stock, to be implemented in the discretion of the board of directors, if and to the extent that the Board of Directors deems appropriate to maintain compliance with the minimum bid price requirement of the Nasdaq SmallCap Market in order to maintain the listing of PacificNet.com, Inc.'s common stock on the Nasdaq SmallCap Market.

The closing bid price per share of the Company's common stock on January 14, 2002 and May 14, 2002, was \$0.30 and \$0.38, respectively. The Board of Directors considered, approved and recommended the reverse stock split of the Company's common stock for the stockholder approval in order to arm the Board of Directors with the tools with which it could address the Nasdaq SmallCap Market

Page 13

minimum bid price listing deficiency if the bid price per share continued to languish below \$1.00. If the Company's common stock price does not increase to greater than \$1.00 per share as required by the Nasdaq SmallCap Market minimum bid price continued listing requirement, the Company's common stock could cease to be listed on the Nasdaq SmallCap Market.

The vote for this proposal was 6,562,721 for, 299,757 against and 83 abstained.

(3) Approve an amendment of PacificNet.com, Inc.'s Certificate of Incorporation to change PacificNet.com, Inc.'s name to PacificNet Inc.

In fiscal year 2000, the Company discontinued its business-to-business electronic commerce initiatives to focus on information technology consulting services. The Board of Directors of the Company believed that the name change would better reflect the Company's business model going forward.

The vote for this proposal was 6,860,805 for, 1,641 against and 15 abstained.

ITEM 5. OTHER INFORMATION

COMPLIANCE WITH NASDAQ SMALLCAP MARKET CONTINUED LISTING REQUIREMENTS. The Company's common stock is listed on the Nasdaq SmallCap Market under the symbol "PACT". On August 13, 2001, the Company received a notice from Nasdaq Listing Qualifications Staff ("Staff") that the Company's common stock had failed to maintain the Nasdaq National Market minimum \$4,000,000 net tangible assets/minimum \$10,000,000 stockholders' equity continued listing requirement and that this failure had continued beyond the ninety (90) day probationary period allowed under the NASD Rules. The letter specified that, as a result of the Company's failure to maintain the continued listing requirement, the Company's common stock would be de-listed from the National Market at the close of business on November 13, 2001. However, the Company appealed that decision, and the de-listing was stayed pending a hearing before the Panel on December 13,

Edgar Filing: PACIFICNET COM INC - Form 10QSB

2001. In its December 13, 2001 Hearing Memorandum, the Staff further noted that, in addition to the net tangible assets/stockholders' equity continued listing criterion, the Company also failed to comply with the minimum bid price and market value of public float listing requirements. The Staff noted that notwithstanding the Company's failure to comply with these listing requirements, the Company was required to rectify the net tangible assets/stockholders' equity deficiency only. This is so because on September 27, 2001, Nasdaq implemented an emergency moratorium on the enforcement of minimum bid price and market value of public float continued listing requirements. Nasdaq implemented the enforcement moratorium in response to extraordinary market conditions following the tragedy of September 11, 2001. Under the terms of the moratorium, enforcement of the minimum bid price and market value of public float listing requirements was suspended until January 2, 2002, at which time the respective thirty (30) and ninety (90) day probationary periods provided by NASD Rules would start anew. On December 12, 2001, Nasdaq also reinstated its net tangible assets/stockholders' equity continued listing requirements. The listing criteria reinstatement took effect without adjustment. At the December 13, 2001 oral hearing before the Panel, the Company's executive management presented the Company's plan to regain compliance with the National Market continued listing criterion, and requested that the Panel grant the Company adequate time to implement the compliance plan. On January 29, 2002 the Panel granted the Company's request for an exception from the National Market continued listing criteria (the "Exception"). Specifically, the Panel notified the Company that the listing of the Company's securities would be transferred from the National Market to the SmallCap Market effective as of January 30, 2002. Further, under the terms and conditions of the Panel's Exception, the Company was required to, on or before April 1, 2002, make a public filing with the SEC and Nasdaq evidencing net tangible assets of at least \$5,000,000 and/or shareholders' equity of at least \$5,500,000. The public filing must contain a balance sheet no older than 45 days including pro forma adjustments for any significant events or transactions occurring on or before the filing date.

On March 28, 2002, the Company made a public filing evidencing net tangible assets of at least \$5,000,000 and shareholders' equity of at least \$5,500,000. In compliance with the terms of the Exception, the Company submitted additional material to the Panel including confirmation of the \$3,480,000 deposit of Subscription Agreement proceeds from Sino Mart, a copy of the Certificate of Action evidencing receipt of stockholder approval of the

Page 14

proposals at the March 25, 2002 special stockholder meeting and a copy of the Current Report on Form 8-K containing balance sheet information with pro forma adjustments evidencing net tangible assets of at least \$5,000,000 and shareholders' equity of at least \$5,500,000. On April 3, 2002, the Company received a letter from the Staff confirming the Company's compliance with the exception granted by the Panel for continued listing on the SmallCap Market. However, the Company is currently not in compliance with the SmallCap Market continued listing requirement for minimum bid price of \$1.00 per share. Presently, the Company is within the 180-day grace period allowed by the NASD Marketplace Rules which grace period expires on August 22, 2002. On or before that date, the Company must demonstrate a closing bid price of at least \$1.00 per share for at least 10 consecutive trading days. In the event the Company does not comply with the SmallCap Market minimum bid price requirement, the Company's securities will be de-listed from the SmallCap Market without a prior notice.

The closing bid price per share of our common stock on May 14, 2002 was \$0.38 per share. At the March 25, 2002 special stockholder meeting, the

Edgar Filing: PACIFICNET COM INC - Form 10QSB

stockholders of the Company approved a reverse stock split of the Company's common stock, to be implemented in the discretion of the Company's Board of Directors, if and to the extent that the Board of Directors deems appropriate to maintain compliance with the minimum bid price requirement of the SmallCap Market in order to maintain the listing of the Company's common stock on the SmallCap Market. In the event that the board of directors effects the approved reverse stock split and/or the stock price does not otherwise increase and remain at the greater than \$1.00 per share level for at least ten (10) consecutive trading days so as to meet the SmallCap Market minimum bid price continued listing requirement, the Company's common stock could cease to be listed on the SmallCap Market. In that circumstance the Company would seek to have its securities listed on the OTC-Bulletin Board. There is no assurance that it will be successful in obtaining the listing of its securities on the OTC-Bulletin Board. If the Company is unable to successfully maintain its listing on the SmallCap Market, the Company's ability to attract additional capital in support of its business strategies could be adversely affected.

RESIGNATIONS AND APPOINTMENT OF DIRECTORS AND OFFICERS. On April 30, 2002, the Board of Directors of the Company held a special meeting of its directors from the Company's Hong Kong offices (the "Special Meeting"). As of March 1, 2002, the Board consisted of a total of eight seats including six members and two vacancies, including Tony Tong, David Bussmann, Victor Tong, Charles W. Mueller, Michael B. Gaard and Chih Cheung. On March 27, 2002, Chih Cheung resigned as a director of the Company. On April 17, 2002 Michael B. Gaard and Charles W. Mueller resigned as directors of the Company. Michael B. Thus, prior to the Special Meeting, (i) the Board of Directors consisted of three members and five vacancies and included Tony Tong, David Bussmann, and Victor Tong, and (ii) the Board of Directors' Audit Committee and Compensation Committees' respective compositions were identical and consisted of David Bussmann and four vacancies on each committee.

(iii) effected the changes to the following standing committees of the Board of Directors: (1) Audit Committee - the Board of Directors appointed Patrick Ko, Richard Lo, Max Tong and Shu Wang (as a result, the Audit Committee consists of five members: David Bussmann, Patrick Ko, Richard Lo, Max Tong, and Shu Wang); (2) Compensation Committee - the Board of Directors appointed Patrick Ko, Richard Lo, Max Tong and Shu Wang (as a result, the Compensation Committee consists of five members: David Bussmann, Patrick Ko, Richard Lo, Max Tong and Shu Wang); and

(iv) appointed Tony Tong as President, Victor Tong as Vice-President and Secretary, and Clarence Chan as Chief Financial Officer and Treasurer of the Company.

As a result of the foregoing appointments and resignations, the Board of Directors currently consists of eight (8) members: Tony Tong, Victor Tong, David Bussmann, ShaoJian (Sean) Wang, Patrick Ko, Richard Lo, Max Tong, and Shu Wang. Attached as Exhibit 99.6 hereto is the biographical information of all of the current members of the Board of Directors of the Company.
