PACIFICNET INC. AND SUBSIDIARIES  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
(Amounts expressed in United States dollars unless otherwise stated)

### 1. BASIS OF PRESENTATION

The accompanying unaudited consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and with the instructions to Form 10-QSB. Accordingly, they do not include all the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows for all periods presented have been made. Preparing financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue, and expenses. Examples include provisions for returns and impairment losses, accounting for income taxes, bad debts, and property, plant and equipment lives for depreciation purposes. Actual results may differ from these estimates. The results of operations for the three months and six months ended June 30, 2003 are not necessarily indicative of the operating results that may be expected for the entire year ending December 31,

## Edgar Filing: PACIFICNET INC - Form 10QSB

2003. These financial statements should be read in conjunction with the Management's Discussion and Analysis and financial statements and notes thereto included in the Company's financial statements and accompanying notes thereto as of and for the year ended December 31, 2002, filed with the Company's Annual Report on Form 10-KSB.

### 2. EARNINGS PER SHARE

Basic earnings (loss) per share are based on the weighted average number of shares of common stock outstanding. Diluted earnings or loss per share is based on the weighted average number of shares of common stock outstanding and dilutive common stock equivalents. All earnings per share amounts in these financial statements are basic earnings (loss) per share as defined by SFAS No. 128, "Earnings Per Share." Diluted weighted average shares outstanding exclude the potential issuances of common stock upon exercise of options and warrants because to do so would be antidilutive.

The computation of basic and diluted loss per share is as follows:

### 3. BUSINESS DISPOSITIONS

In March 2003, the Company decided not to further invest in the Customer Service Support Center in the U.S. As of June 30, 2003, all activities have significantly slowed down due to the economic slowdown in the U.S. During the six months ended June 30, 2003, the Company wrote off property and equipment of \$150,000. Revenues and net loss information related to Customer Service Support Center operations is as follows (in thousands):

	For the three months ended June 30, 2003 (unaudited) -----	For the three months ended June 30, 2002 (unaudited) -----	For the six months ended June 30, 2003 (unaudited) -----	For J

### 4. JOINT VENTURE OPERATIONS

## Edgar Filing: PACIFICNET INC - Form 10QSB

The Company entered into an Equity Joint Venture Contract dated December 20, 2002, between PacificNet Management Limited (PML), a British Virgin Islands company and a wholly owned subsidiary of the Company, and the stockholders of International Elite Limited (IEL), a Cayman Islands company. PML owns 50.1% of the joint venture while International Elite Limited (IEL) shareholders own 49.9%. The formation of the joint venture is intended to expand the Company's products and services in the Greater China Region. The terms of the equity joint venture contract are subject to stockholder approval. The business purpose of the joint venture will be to market the Company's existing services in the greater China region. The functional currency of the joint venture will be the Macao Pataca, which has a current exchange rate with the U.S. dollar of 1 U.S. dollar equals 8.28180 Macao Pataca (MOP).

The Company's accounting treatment for the investment in the joint venture is full consolidation in accordance with SFAS No. 94, "Consolidation of All Majority-Owned Subsidiaries," because the voting power authorizing all major operating and financing decisions for the joint venture rests with the board of directors. Further, the stockholders of IEL have agreed to grant the Company a proxy to vote its shares of the joint venture. Although formal stockholder approval will not be completed until the 2003 annual meeting of stockholders, the majority stockholder has preliminarily approved the transaction, therefore the results for the three months ended and for the six months ended June 30, 2003, of the Company include the operations of the joint venture. The Company does not have any reason to believe formal shareholder approval will not be obtained.

Results of operations for the Company assuming stockholder approval is not obtained are as follows (in thousands):

	For the three months ended June 30, 2003 -----	For the six months ended June 30, 2003 -----
Revenues	\$ 128	\$220

In March 2003, the Company announced that it completed the company registration and received government approval from the Macao Special Administrative Region of China, for the formation of the joint venture named "PacificNet Communications Limited -- Macao Commercial Offshore. Within 30 days of the formation of the joint venture, the Company is obligated to transfer to the joint venture 800,000 of its shares of common stock. However, the shares are to be returned to Company if the joint venture does not obtain the regulatory approval, fails to receive the approval of its stockholders to enter into this transaction, or the joint venture is otherwise rescinded as provided for in the joint venture agreement. On April 11, 2003, PACT issued 800,000 shares with a market value of \$480,000 for investing into an Equity Joint Venture, PacificNet Communications Limited - Macao Commercial Offshore. The 800,000 shares of common stock was accounted for as a separate reduction of stockholders' equity as the shares are escrowed pending shareholder and regulatory approval of the joint venture.

ITEM 2 - MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

THE FOLLOWING DISCUSSION SHOULD BE READ IN CONJUNCTION WITH THE INFORMATION CONTAINED IN THE FINANCIAL STATEMENTS OF THE COMPANY AND THE NOTES THERETO APPEARING ELSEWHERE HEREIN AND IN CONJUNCTION WITH THE MANAGEMENT'S DISCUSSION AND ANALYSIS SET FORTH IN THE COMPANY'S ANNUAL REPORT ON FORM 10-KSB FOR THE YEAR ENDED DECEMBER 31, 2002.

PRELIMINARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

The statements contained in this Form 10-QSB that are not purely historical are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These include statements about the Company's expectations, beliefs, intentions or strategies for the future, which are indicated by words or phrases such as "anticipate," "expect," "intend," "plan," "will," "the Company believes," "management believes" and similar words or phrases. The forward-looking statements are based on the Company's current expectations and are subject to certain risks, uncertainties and assumptions. The Company's actual results could differ materially from results anticipated in these forward-looking statements. All forward-looking statements included in this document are based on information available to the Company on the date hereof, and the Company assumes no obligation to update any such forward-looking statements.

CRITICAL ACCOUNTING POLICIES AND ESTIMATES

Our discussion and analysis is based upon our consolidated financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. On an on-going basis, we evaluate our estimates, including those related to accounts receivable reserves, provisions for impairment losses of affiliated companies and other intangible assets, income taxes and contingencies. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions or conditions.

We believe the following critical accounting policies reflect our more significant estimates and assumptions used in the preparation of our consolidated financial statements:

JOINT VENTURE OPERATIONS - The financial statements for the three months and six months ended June 30, 2003, include the consolidated results of operations for the joint venture company. Although formal stockholder approval will not be obtained until the 2003 annual meeting of stockholders, the majority stockholder has preliminarily approved the transaction, therefore the three months ended and the six months ended results for June 30, 2003, include the operations of the joint venture. We do not have any reason to believe formal stockholder approval will not be obtained. If for some reason the transaction was not consummated,

## Edgar Filing: PACIFICNET INC - Form 10QSB

our results of operations, financial condition and prospects would be materially affected. Actual results of operations excluding the consolidation of the transaction subject to stockholder approval would be an overstatement of revenues of \$1,160,000, understatement of net loss of \$368,000, and understatement of loss per share of \$0.06 per share for the three months ended June 30, 2003 and an overstatement of revenues of \$1,708,000, understatement of net loss of \$694,000, and understatement of loss per share of \$0.13 per share for the six months ended June 30, 2003.

8

**INCOME TAXES** - We record a valuation allowance to reduce our deferred tax assets to the amount that is more likely than not to be realized. We have considered future market growth, forecasted earnings, future taxable income, and prudent and feasible tax planning strategies in determining the need for a valuation allowance. We currently have recorded a full valuation allowance against net deferred tax assets as we currently believe it is more likely than not that the deferred tax assets will not be realized.

**CONTINGENCIES** - We may be subject to certain asserted and unasserted claims encountered in the normal course of business. It is our belief that the resolution of these matters will not have a material adverse effect on our financial position or results of operations.

However, we cannot provide assurance that damages that result in a material adverse effect on our financial position or results of operations will not be imposed in these matters. We account for contingent liabilities when it is probable that future expenditures will be made and such expenditures can be reasonably estimated.

### RECENT ACCOUNTING PRONOUNCEMENTS

In January 2003, the Financial Accounting Standards Board issued Interpretation No. 46 "Consolidation of Variable Interest Entities, an Interpretation of ARB No. 51" (FIN 46). FIN 46 requires certain variable interest entities to be consolidated by the primary beneficiary of the entity if the equity investors in the entity do not have the characteristics of a controlling financial interest or do not have sufficient equity at risk for the entity to finance its activities without additional subordinated financial support from other parties. FIN 46 is effective for all new variable interest entities created or acquired after January 31, 2003. For variable interest entities created or acquired prior to February 1, 2003, the provisions of FIN 46 must be applied for the first interim or annual period beginning after June 15, 2003. Management does not anticipate that FIN 46 will have any effect on the Company.

In April 2003, FASB issued SFAS No.149, "Amendment of Statement 133 on Derivative Instruments and Hedging Activities," which amends and clarifies financial accounting and reporting for derivative instruments, including certain derivative instruments embedded in other contracts (collectively referred to as derivatives ) and for hedging activities under SFAS No. 133, "Accounting for Derivative Instruments and Hedging Activities." SFAS No. 149 is effective prospectively for contracts entered into or modified after June 30, 2003, and for hedging relationships designated after June 30, 2003. The expectation to these requirements are the provisions of SFAS No. 149 related to SFAS No. 133 implementation issues that have been effective for fiscal quarters that began prior to June 15, 2003 should continue to be applied in accordance with their respective effective dates. In addition, paragraphs 7(a) and 23 (a), which relate to forward purchases or sales of when-issued securities or other securities that do not yet exist, should be applied to both existing contracts

## Edgar Filing: PACIFICNET INC - Form 10QSB

and new contracts entered into after June 30, 2003. Management does not anticipate that SFAS No. 149 will have any effect on the Company.

In May 2003, the Financial Accounting Standards Board issued Interpretation No. 150, "Accounting for Certain Instruments with Characteristics of Both Liabilities and Equity", which establishes standards for how an issuer classifies and measures certain financial instruments with characteristics of both liabilities and equity. SFAS No. 150 requires that an issuer classify a financial instrument that is within its scope, which may have previously been reported as equity, as a liability or an asset in some circumstances. SFAS No. 150 is effective for financial instruments entered into or modified after May 31, 2003, and otherwise is effective at the beginning of the first interim period beginning after June 15, 2003. We do not expect a material impact on our results of operations or financial condition as a result of the adoption of SFAS No. 150.

### NATURE OF THE OPERATIONS OF THE COMPANY

#### NATURE OF BUSINESS.

PacificNet Inc. (referred to herein as "PacificNet" or the "Company") is a leading technology investment and management company that invests in systems integration, network communications, customer relationship management (CRM) solutions, information technology solutions, and telecommunications in Asia. The Company intends to continue to grow by acquiring and managing growing technology and network communications businesses with established products and customers in Asia.

The Company also engages in telecommunications, performs voice and data network communications and value-added telecommunication products and services. The Company's business strategy is to take a leading role into a rapidly expanding business sector, namely the IT solution provision and network communication businesses, in Asia and the greater PRC region. The business of PacificNet can be classified into four main operating units:

- PacificNet Limited (referred to herein as "PacSo") is a subsidiary of PacificNet Inc. based in Hong Kong with operations in ShenZhen, Guangzhou, and Beijing, China. PLTD specializes in the development of internet and mobile communications software and solutions for the Greater China market. PLTD's internet and mobile software applications include: the eMerchant2000 software product line, e-commerce and m-commerce systems, CRM software solutions, software applications and games based on short message service (SMS) and multi-media message service (MMS) , outsourced software development and localization services for the China market, business process outsourcing (BPO), software localization and translation services, and systems integration services. PLTD's clients includes Sony, So-net, Swire Travel, Chinachem Ltd, Chevalier, HSBC, McDonald's, Li & Fung, CTM, and others..
- PacificNet Solutions Ltd. (referred to herein as "PacSo") - PacSo is a subsidiary of PacificNet that specializes in systems integration, software application, and e-business solutions services in Hong Kong and Greater China. The scope of products and services include smart card solutions, web based front-end applications and web based connections to backend enterprise planning systems.
- PacificNet Communications Ltd. (referred to herein as "PacComm") - PacComm is a subsidiary of PacificNet Inc. PacComm is engaged in telecommunication

## Edgar Filing: PACIFICNET INC - Form 10QSB

product distributions, which includes the resale of telecommunication, networking, and computer equipment such as PABX telephone systems, basic switches and router equipments and mobile phone accessories targeted for retail customers.

- PacificNet Communications Limited - Macao Commercial Offshore (referred to herein as "PacComm MOC"), PacComm MOC is a subsidiary of PacificNet Inc. and a provider of value-added telecom services including call center, customer relationship management (CRM), telemarketing, and data-mining services, and mobile data services such as short message service (SMS), multi-media message service (MMS), unified messaging service (UMS), location-based service (LBS), WAP, and BREW-based CDMA applications, mobile commerce, roaming, paging, wireless internet, virtual private network (VPN) and voice over internet protocol (VoIP) services in the Greater China Region.

In June 2001, the Company's management, with Board of Director approval, decided to expand its business strategy to the Greater China Region. Subsequently, in February 2002, the Company established a subsidiary office (registered as a Wholly Owned Foreign Enterprise, "WOFE") in Shenzhen, the People's Republic of China ("PRC"), to expand its research, development, marketing and distribution in the PRC.

In March 2003, the Company announced that it completed the company registration and received government approval from the Macao Special Administrative Region of China, for the formation of the joint venture named "PacificNet Communications Limited -- Macao Commercial Offshore." The Company's wholly owned subsidiary PML owns 50.1% of the joint venture while International Elite Limited (IEL) shareholders own 49.9%. The formation of the joint venture is intended to expand the Company's products and services in the Greater China Region. The terms of the equity joint venture contract are subject to stockholder approval. Although formal stockholder approval will not be completed until the 2003 annual meeting of stockholders, the majority stockholder has preliminary approved the transaction.

### RESULTS OF OPERATIONS

#### THREE MONTHS ENDED JUNE 30, 2003 COMPARED TO THREE MONTHS ENDED JUNE 30, 2002

REVENUES. Revenues for the three months ended June 30, 2003 were \$1,287,000, an increase of \$583,000 from \$704,000 for the three months ended June 30, 2002. For the three months ended June 30, 2003, revenues mainly consisted of \$1,160,000 and \$113,000 derived from services rendered through its PacComm MOC subsidiary and PacSo subsidiary, respectively. The increase in revenues is due to the revenues associated with the operations of PacComm MOC, which generated revenue of \$1,160,000 for the three months ended June 30, 2003. The significant decrease in revenues from PacSo is due to consistent economic slowdown in Hong Kong. During the three months ended June 30, 2003, PacificNet's services revenue was generated from customers in Greater China and Hong Kong. One of the customers has accounted for 85.4% of total revenue generated during this quarter and, consequently, the Company has become dependent on this customer. The above mentioned customer is an independent third party of the Company and is under contract until late 2004.

COST OF REVENUES. Cost of revenues for the three months ended June 30, 2003 was \$477,000, an increase of \$10,000 from \$467,000 for the three months ended June 30, 2002. This increase was due to providing higher margin value-added telecom services from PacComm MOC. Cost of revenues, as a percentage of revenues, represented 40% of the services rendered through value-added telecom services in

## Edgar Filing: PACIFICNET INC - Form 10QSB

the PacComm MOC joint venture for the three months ended June 30, 2003.

**GROSS MARGIN.** Gross margin for the three months ended June 30, 2003 was \$810,000, an increase of \$573,000 from \$237,000 for the three months ended June 30, 2002 due to an increase in revenues and profit margins associated with value-added telecom services rendered.

**OPERATING EXPENSES.** Operating expenses totaled \$333,000 for the three months ended June 30, 2003, a decrease of \$127,000, from \$460,000 for the three months ended June 30, 2002, primarily representing decrease in depreciation and amortization of approximately \$72,000 a decrease in staff costs of approximately \$20,000 and a decrease in premises costs of approximately \$50,000.

**INTEREST INCOME.** Interest income was \$9,000 for the three months ended June 30, 2003, as compared to \$21,000 for the three months ended June 30, 2002. The significant decrease is due to lower interest rates in 2003 than 2002.

**INCOME TAXES.** No tax provision has been recorded for the three months ended June 30, 2003, as the result of the cumulative operating loss generated by the Company. Interim income tax provisions are based upon management's estimate of taxable income and the resulting consolidated effective income tax rate for the full year. As a result, such interim estimates are subject to change as the year progresses and more information becomes available.

**MINORITY INTERESTS.** Minority interests for the three months ended June 30, 2003 totaled \$350,000, compared with \$49,000 for the same period in the prior year, and consisted of minority interests in the earnings of PacComm MOC and PacSo consolidated subsidiaries that commenced operations in January 2003 and December 2001, respectively.

### SIX MONTHS ENDED JUNE 30, 2003 COMPARED TO SIX MONTHS ENDED JUNE 30, 2002

**REVENUES.** Revenues for the six months ended June 30, 2003 were \$2,554,000, an increase of \$465,000 from \$2,089,000 for the six months ended June 30, 2002. For the six months ended June 30, 2003, revenues mainly consisted of \$2,334,000 and \$132,000 derived from services rendered through its PacComm MOC subsidiary and PacSo subsidiary, respectively. The increase in revenues is due to the revenues associated with the operations of PacComm MOC, which generated revenue of \$2,334,000 for the six months ended June 30, 2003. The significant decrease in revenues from PacSo is due to consistent economic slowdown in Hong Kong. During the six months ended June 30, 2003, PacificNet's services revenue was generated from customers in Greater China and Hong Kong. One of the customers has accounted for 85.6% of total revenue generated during these six months and consequently, the Company has become economic dependent on this customer. The above mentioned customer is an independent third party of PacificNet and is under contract until late 2004.

11

**COST OF REVENUES.** Cost of revenues for the six months ended June 30, 2003 was \$949,000, a decrease of \$616,000 from \$1,565,000 for the six months ended June 30, 2002. This decrease was due to providing higher margin value-added telecom services from PacComm MOC. Cost of revenues, as a percentage of revenues, represented 37% of the services rendered through value-added telecom services in the PacComm MOC joint venture for the six months ended June 30, 2003.

**GROSS MARGIN.** Gross margin for the six months ended June 30, 2003 was \$1,605,000, an increase of \$1,081,000 from \$524,000 for the six months ended June 30, 2002 due to an increase in revenues and profit margins associated with

value-added telecom services rendered.

OPERATING EXPENSES. Operating expenses totaled \$901,000 for the six months ended June 30, 2003, a decrease of \$52,000, from \$953,000 for the six months ended June 30, 2002, primarily representing a decrease in staffing costs of approximately \$100,000, a decrease in amortization of development costs of approximately \$64,000, a decrease in premises costs of approximately \$106,000 offset by an increase in provision for fixed assets written off of \$91,000 and professional fees of \$127,000.

INTEREST INCOME. Interest income was \$16,000 for the six months ended June 30, 2003, as compared to \$43,000 for the six months ended June 30, 2002. The significant decrease is due to lower interest rates in 2003 than 2002.

INCOME TAXES. No tax provision has been recorded for the three months ended June 30, 2003, as the result of the cumulative operating loss generated by the Company. Interim income tax provisions are based upon management's estimate of taxable income and the resulting consolidated effective income tax rate for the full year. As a result, such interim estimates are subject to change as the year progresses and more information becomes available.

MINORITY INTERESTS. Minority interests for the six months ended June 30, 2003 totaled \$687,000, compared with \$133,000 for the same period in the prior year, and consisted of minority interests in the earnings of PacComm MOC and PacSo consolidated subsidiaries that commenced operations in January 2003 and December 2001, respectively.

### LIQUIDITY AND CAPITAL RESOURCES

As of June 30, 2003, the Company had cash, cash equivalents and investments of \$4,124,000 and working capital of \$4,054,000 as compared to \$3,694,000 and \$3,081,000, respectively, at December 31, 2002.

Net cash provided by operating activities was \$2,000 for the six months ended June 30, 2003 as compared to net cash used in operating activities of \$1,450,000 for the six months ended June 30, 2002. Net cash provided by operating activities in the six months ended June 30, 2003 was primarily due to a net loss of \$152,000 increased by non-cash expenses such as stock based compensation in lieu of cash payment of \$28,000, provision for write off of fixed assets of \$241,000, depreciation and amortization of \$37,000, minority interest of \$694,000, and offset by an increase in accounts receivable of \$778,000, an increase in other current assets of \$64,000, a decrease in accounts payable and accrued expenses of \$19,000. Net cash used in operating activities for the same period in 2002 was primarily due to a net loss of \$741,000 increased by non-cash expenses such as depreciation and amortization of \$134,000 and minority interest of \$125,000, and offset by an increase in accounts receivable of \$935,000 and other assets of \$157,000 and an increase in accounts payable and accrued expenses of \$5,000.

Net cash flows used in investing activities was \$1,000 for the six months ended June 30, 2003 versus \$307,000 for the same period in 2002 primarily representing cash paid for the acquisition of investments in other company's interests.

Net cash provided by financing activities for the six months ended June 30, 2003 was \$318,000 representing advances under the company's bank line of credit and proceeds from the exercise of stock options of \$111,000. Net cash provided by financing activities for the six months ended June 30, 2002 was \$4,000,000 received in connection with the completion of two private placements of 2,725,000 shares of the Company's common stock.

CASH. The Company's cash balance increased by \$430,000 to \$4,124,000 at June 30, 2003, as compared to \$3,694,000 at December 31, 2002. The Company believes it has sufficient cash, cash equivalents and investments for the next twelve months of operations.

WORKING CAPITAL. The Company's working capital increased to \$4,054,000 at June 30, 2003, as compared to \$3,081,000 at December 31, 2002. When compared to balances at December 31, 2002, the increase in working capital at March 31, 2003 reflects mainly on higher levels of net accounts receivable \$778,000 and higher levels of other assets of \$64,000 offset by higher levels of Bank Line of Credit of \$318,000 and lower levels of accounts payable and accrued expenses of \$19,000. The Company anticipates that as revenue and operating activity levels increase, working capital financing requirements will also increase.

PROPERTY AND EQUIPMENT ADDITIONS. The Company does not anticipate material expenditures for additions to property and equipment during fiscal year 2003.

CURRENCY EXCHANGE FLUCTUATIONS. All of the Company's revenues are denominated either in United States dollars or Hong Kong dollars, while its expenses are denominated primarily in Hong Kong dollars and Renminbi ("RMB"), the currency of the People's Republic of China. There can be no assurance that RMB-to-United States dollar or Hong Kong dollar-to-United States dollar exchange rates will remain stable. Although a devaluation of the Hong Kong dollar or RMB relative to the United States dollar would likely reduce the Company's expenses (as expressed in United States dollars), any material increase in the value of the Hong Kong dollar or RMB relative to the United States dollar would increase the Company's expenses, and could have a material adverse effect on the Company's business, financial condition and results of operations. The Company has never engaged in currency hedging operations and has no present intention to do so.

### ITEM 3. CONTROLS AND PROCEDURES

#### a. Evaluation of Disclosure Controls and Procedures:

Disclosure controls and procedures are designed to ensure that information required to be disclosed in the reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported, within the time period specified in the SEC's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed in the reports filed under the Exchange Act is accumulated and communicated to management, including the Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. Within the 90 days prior to the filing of this report, the Company carried out an evaluation, under the supervision and with the participation of the Company's management, including the Company's Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of the Company's disclosure controls and procedures. Based upon and as of the date of that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the Company's disclosure controls and procedures are effective to ensure that information required to be disclosed in the reports the Company files and submits under the Exchange Act is recorded, processed, summarized and reported as and when required.

#### b. Changes in Internal Controls:

There were no changes in the Company's internal controls or in other factors that could have significantly affected those controls subsequent to the date of the evaluation referred to in the previous paragraph, including any correction action with regard to significant deficiencies and material weakness.
