PROXY STATEMENT
FOR THE 2004 ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 26, 2004

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board of Directors" or the "Board") of First Community Bancorp, a California corporation (the "Company," "we" or "our"), to be used at our 2004 Annual Meeting of Shareholders (the "Meeting") and at any postponements or adjournments thereof. The Meeting is scheduled to be held as follows:

Date: Wednesday, May 26, 2004
Time: 10:00 a.m., Pacific time
Place: The Inn, 5951 Linea del Cielo,
Rancho Santa Fe, California 92067

This Proxy Statement and the accompanying form of proxy are first being sent to shareholders on or about April 23, 2004.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

1. *What is being voted on at the Meeting?*

The matters to be considered and voted upon at the Meeting are as follows:

1. **Election of Directors.** To elect eleven (11) members of the Board of Directors who shall hold office until the next annual meeting of shareholders and until their successors are duly elected and qualified.
2. **Amendment and Restatement of the 2003 Stock Incentive Plan (the "2003 Plan").**
3. **Other Business.** To consider and act upon such other business as may properly come before the Meeting or any postponements or adjournments thereof.

2. *Who is entitled to vote? How many votes am I entitled to?*

Only shareholders of record as of April 2, 2004 (the "Record Date") may vote at the Meeting. According to U.S. Stock Transfer Corporation, our transfer agent, there were 15,459,081 shares of common stock outstanding (excluding 469,000 shares of restricted and performance stock) held by approximately 1,370 shareholders as of the Record Date.

Each holder of the Company's common stock is entitled to one vote for each share recorded in their name on the books of the Company as of the Record Date on any matter submitted to the shareholders for a vote, except that shareholders may vote their shares cumulatively for the election of directors. Cumulative voting provides each shareholder with a number of votes equal to the number of directors to be elected multiplied by the number of shares held by such shareholder, which such shareholder can then vote in favor of one or more nominees. For example, if you held 100 shares as of the Record Date, you would be entitled to 1,100 votes which you could then distribute amongst one or more nominees as you see fit.

The election of directors requires a plurality of the votes cast for the election of directors. Accordingly, the eleven (11) directorships to be filled at the Meeting will be filled by the nominees receiving the highest number of votes. In the election of directors, votes may be cast in favor or withheld with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

The affirmative vote of the holders of a majority of the outstanding shares of common stock, voting in person or by proxy and entitled to vote at the Meeting, is required to approve the amendment and restatement of the 2003 Plan and any other matters properly brought before the Meeting. An abstention from voting will be treated as "present" for quorum purposes. However, since an abstention is not treated as a "vote" for or against the matter, it will not have any impact on the vote.

3.

Who pays the cost of soliciting proxies on behalf of the Company?

The Company will pay the cost of preparing, assembling and mailing the proxy materials and soliciting proxies for the Meeting. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers and employees of the Company or its subsidiaries telephonically, electronically or by other means of communication. Such directors, officers and employees will receive no additional compensation for their services. We will reimburse brokers and other nominees for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

4.

How does the Board of Directors recommend I vote?

The Board of Directors recommends a vote FOR each of the nominees for director.

5.

How many shares must be represented at the Meeting to constitute a "quorum"?

A majority of the outstanding shares must be present at the Meeting, either in person or by proxy, to constitute a quorum. There must be a quorum for the Meeting to be held. If you return a signed proxy card, you will be counted as being present, even if you abstain from voting. Broker non-votes (i.e., proxies from banks, brokers or other nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote as to a matter which such bank, broker or other nominee does not have discretionary power to vote) will also be counted as being present for purposes of determining a quorum.

6.

What do I have to do to vote?

You may vote by marking, signing and dating the enclosed proxy card and returning it in the enclosed postage paid envelope. If you mark the proxy card to show how you wish to vote, your shares will be voted as you direct. If you return a signed proxy card but do not mark the proxy card to show how you wish to vote, your shares will be voted FOR each of the Board of Directors' nominees for election as directors and otherwise in accordance with the judgment of the person or persons voting the

Edgar Filing: FIRST COMMUNITY BANCORP /CA/ - Form DEF 14A

proxy on any other matter properly brought before the Meeting. You may change or revoke your vote at any time before it is counted at the Meeting by:

notifying our Secretary at the address shown above in writing that you wish to revoke your proxy;

attending the Meeting and voting in person; or

submitting a later dated proxy card.

Attending the Meeting will not automatically revoke your prior proxy. You must comply with one of the methods indicated above in order to revoke your proxy.

7.

What do I have to do to vote my shares if they are held in "street name"?

If you hold your shares in "street name" (that is, through a bank, broker or other nominee), you should receive a proxy from your bank or brokerage firm asking you how you want to vote your shares. If you do not, you may contact such bank or brokerage firm in whose name your shares are registered and obtain a proxy from them.

8.

How will voting on any other business be conducted?

We do not know of any business to be considered at the Meeting other than the election of directors and amendment and restatement of the 2003 Plan. If any other business is properly presented at the Meeting, any of the persons named on the proxy card as your designated proxies may vote on such matter in their discretion. Any matter other than the election of directors must receive affirmative votes from at least a majority of the shares voting in order to be approved.

9.

Who can attend the Meeting?

Any shareholder entitled to vote at the Meeting may attend the Meeting and vote in person. If you hold shares in "street name" and would like to attend the Meeting and vote in person, you will need to bring a brokerage account statement or other acceptable evidence of ownership of common stock as of the Record Date. Alternatively, in order to vote, you may contact the person in whose name your shares are registered and obtain a proxy from that person and bring it to the Meeting.

10.

How do I get more information about the Company?

With this Proxy Statement, we are also sending you our Annual Report on Form 10-K for the year ended December 31, 2003, which includes our financial statements. If you did not receive the Annual Report, we will send it to you without charge. PROPOSAL 1: ELECTION OF DIRECTORS**Nominees**

The bylaws of the Company provide that the authorized number of directors shall not be less than seven (7) nor more than twelve (12) with the exact number of directors to be fixed from time to time by resolution of a majority of the Board of Directors or by resolution of the shareholders. On January 23, 2002 the number of directors was fixed at eleven (11). The Board is currently composed of ten (10) directors. Eleven directors were elected at the 2003 Annual Meeting of Shareholders held on May 28, 2003. On February 26, 2004, Leon Kassel, who had served on the Board since his initial election to the Board in May 2003, resigned from the Board in order to pursue other interests.

The persons named in the following table have been recommended by the Compensation, Nominating and Governance Committee of the Board and approved by the Board of Directors as nominees for election to serve as directors of the Company until the next annual meeting of shareholders and until their successors are duly elected and qualified. All director nominees, with the exception of Mr. Arnold Messer, are current directors. Mr. Messer's candidacy was suggested to the Compensation, Nominating and Governance Committee by Mr. Wagner and Mr. Eggemeyer. After conducting its candidate review process, the Compensation, Nominating and Governance Committee unanimously recommended Mr. Messer along with the other nominees to the Board for approval.

With respect to such election, absent any specific instruction in the proxies solicited by the Board, the proxies will be voted in the sole discretion of the proxy holders to effect the election of all eleven (11) of the Board's nominees, or as many thereof as possible under the rules of cumulative voting, if any persons are nominated other than by the Board of Directors. In the event that any of the Board's nominees are unable to serve as directors, it is intended that each proxy will be voted for the election of such substitute nominees, if any, as shall be designated by the Board of Directors. To the best of its knowledge, the Company has no reason to believe that any of the nominees will be unable to serve as directors.

CORPORATE GOVERNANCE AND BOARD COMMITTEES

The Company is committed to maintaining good corporate governance practices and adhering to the highest standards of ethical conduct. The Board has taken a number of steps to enhance its governance procedures and to ensure compliance with rapidly changing laws, rules and regulations that govern the Company's business. The Company's website at www.firstcommunitybancorp.com includes important information regarding Company policies and Board charters, including the Company's Corporate Governance Guidelines and its Code of Business Conduct and Ethics, as well as all of the Company's SEC filings and press releases. Furthermore, in December 2003, the Board enhanced its

oversight of nominating and corporate governance functions by adding such responsibilities to the Compensation Committee via a new charter and renaming it the Compensation, Nominating and Governance Committee.

During the fiscal year 2003, the Board of Directors of the Company met five times. At each regularly scheduled meeting of the Board, the independent directors also met in executive session. Mr. Timothy Matz, chair of the Audit Committee, presides at such meetings of the independent directors as the lead director. No director attended less than 75% of the Company's Board meetings or the Committee meetings on which he or she served during 2003. The Board's policy regarding director attendance at the Annual Meeting of Shareholders is that directors are welcome to attend, and that the Company will make all appropriate arrangements for directors that choose to attend. In 2003, four out of nine directors attended the 2003 Annual Meeting.

Asset Liability Management ("ALM") Committee

The current members of the ALM Committee are Stephen M. Dunn (Chairman), John M. Eggemeyer, Charles H. Green, Susan E. Lester and Matthew P. Wagner. The ALM Committee monitors compliance by the Company and its subsidiaries with the Company's ALM policies and receives reports from the Company's executive management ALM committee which manages the Company's investment portfolio and asset/liability strategy on a day-to-day basis. The objective of the Company's ALM policies are to manage balance sheet and off-balance sheet assets and liabilities in order to maximize the spread between interest earned and interest paid, while ensuring that the Company has the ability to pay liabilities as they come due and to fund continued asset growth. The executive management members responsible for managing the Company's ALM activities generally meet monthly to discuss ALM activities. The ALM Committee reviews management reports, recommends the Company's ALM strategies on a going forward basis, and ensures the development, implementation and support of asset/liability pricing to support the overall strategic objectives of the Company, while at the same time maintaining acceptable levels of interest rate risk. During fiscal 2003, the ALM Committee met six times.

Audit Committee

The current members of the Audit Committee are Susan E. Lester, Timothy B. Matz (Chairman), Daniel B. Platt and Robert A. Stine. Each member of the Audit Committee is "independent" as defined by the rules of the Securities and Exchange Commission ("SEC"), the listing standards of the Nasdaq Stock Market, Inc. ("Nasdaq") and the Company's Corporate Governance Guidelines. The Board has determined that each member of the Audit Committee is financially literate and that each of Ms. Susan E. Lester and Mr. Daniel B. Platt is qualified as an audit committee financial expert and that each of them has accounting or relating financial management expertise, in each case in accordance with the rules of the SEC and the listing standards of Nasdaq. Information regarding the functions performed by the Audit Committee is set forth in the "Report of the Audit Committee" included in this Proxy Statement, as well as in the Audit Committee charter attached hereto as Annex A. The charter of the Audit Committee was last amended as of December 17, 2003. The charter also may be obtained on the Company's website, at www.firstcommunitybancorp.com under the section entitled "Corporate Governance." Mr. Leon Kassel, who resigned from the Board on February 26, 2004, was a member of the Audit Committee from his election in May 2003 until his resignation. Compensation, Nominating and Governance ("CNG") Committee

The current members of the CNG Committee are Barry C. Fitzpatrick (Chairman), Charles H. Green, Timothy B. Matz and David S. Williams. Each member of the CNG Committee is "independent" as defined by the rules of the SEC, the listing standards of Nasdaq and the Company's

Corporate Governance Guidelines. The CNG Committee reviews and makes recommendations to the Board of Directors on matters concerning the salaries and benefits, including equity compensation, of the Company's executive officers. During 2003, the CNG Committee, formerly the Compensation Committee, was delegated additional responsibilities by the Board for corporate governance and for identifying nominees for director and proposing to the full Board nominations for directors to serve on the Board. The CNG Committee will consider nominees for director nominated by the Company's shareholders in accordance with the Company's By-laws. The CNG Committee operates under a charter that was amended as of December 17, 2003, a copy of which may be obtained on the Company's website at www.firstcommunitybancorp.com under the section entitled "Corporate Governance." During fiscal 2003, the CNG Committee (including the meetings of the Compensation Committee before adoption of the new charter) met eight times.

In identifying and recommending nominees for positions on the Board of Directors, the CNG Committee places primary emphasis on the criteria set forth under "Selection of Directors" in our Corporate Governance Guidelines, namely: (1) personal qualities and characteristics, accomplishments and professional reputation; (2) current knowledge and contacts in the communities in which the Company does business and in the Company's industry or other industries relevant to the Company's business; (3) ability and willingness to commit adequate time to Board and committee matters; (4) the fit of the individual's skills and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of the Company; (5) diversity of viewpoints, backgrounds and experience; and (6) the ability and skill set required and other relevant experience.

The CNG Committee does not set specific, minimum qualifications that nominees must meet in order for the committee to recommend them to the Board of Directors, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of the Board of Directors. Members of the CNG Committee may seek input from other members of the Board in identifying possible candidates, and may, in its discretion, engage one or more search firms to assist in the recruitment of director candidates. The CNG Committee will consider candidates recommended by shareholders against the same criteria as nominees not proposed by shareholders. Shareholders who wish to submit nominees for director for consideration by the CNG Committee for election at our 2005 Annual Meeting should follow the process detailed under "Director Nominations" in the Section entitled "Other Business" on page 29 of this Proxy Statement.

COMPENSATION OF DIRECTORS

On December 17, 2002, the Board of Directors approved the following compensation to be granted to non-employee directors of the Company for service on the Board during fiscal year 2003:

Chairman of the Board	\$	60,000
Each other non-employee director	\$	30,000

On February 4, 2004, based on recommendations from the Compensation, Nominating and Governance Committee, the Board of Directors approved the following compensation to be granted to non-employee directors of the Company for service on the Board during fiscal year 2004.

Chairman of the Board	\$	84,000
Each other non-employee director	\$	42,000

The compensation paid to directors for service on the Board is paid quarterly. The Company does not pay a per Board meeting fee or a per committee meeting fee. The Company reimburses directors for their reasonable travel, lodging, food and other expenses incurred in connection with their service on the Board of Directors.

Directors' Deferred Compensation Plan

The Company has adopted a Directors Deferred Compensation Plan, or the Deferred Plan, that allows all directors of the Company and its subsidiaries, including employee directors of the Company and its subsidiaries, to elect by written notice to defer payment of all or a portion of their directors' fees, in the case of outside directors, or base salary, bonus or other compensation in the case of employee directors, for the next succeeding calendar year into the Deferred Plan. The Deferred Plan permits participants to elect to have deferred amounts invested in a money market account or common stock of the Company. The Deferred Plan has been designed to comply with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. Participation in the Deferred Plan is voluntary and participants may change their elections annually. Elections with respect to deferred amounts are to be made in writing by the participant prior to the latest to occur of the following: (i) the beginning of the calendar year for which the fees, salary, bonus or other compensation, as the case may be, are to be earned; (ii) the participant's first day of board service for the year; or (iii) the first day of the calendar month next following the date the participant first becomes eligible to participate.

The Company has established on its books a separate bookkeeping account for each of the participants in the Deferred Plan and has engaged a third party administrator to keep the records for the Deferred Plan. All deferred amounts are deemed invested in a money market fund or deemed invested in shares of common stock of the Company depending on the election made by the participant. The value of a participant's account is measured by the value of and income from Company common stock as well as by the value of interest received from funds invested in a money market account. Full power to construe, interpret and administer the Deferred Plan is vested with an administrative committee, which consists of all non-director executive officers of the Company and is chaired by the Chief Financial Officer of the Company (the "Administrative Committee"). The Board of Directors also approved and established a trust agreement which established a rabbi trust (the "Trust") for deferred amounts under the Deferred Plan. U.S. Bank, N.A. has been appointed trustee of the Trust and recordkeeper of the Deferred Plan.

The Deferred Plan allows amendments to be made by the Board from time to time, provided that no such amendment may (without a director's consent) alter rights to payments of amounts already credited or delay the time at which deferred amounts are scheduled to be paid. The Company intends to maintain the Deferred Plan and Trust in a manner that will allow ongoing availability of the exemption under SEC Rule 16b-3 (unless a ruling is received indicating that such exemption is not

necessary) and therefore currently intends to submit to shareholders for approval any amendments which would materially increase the benefits available or the number of shares of common stock which may be issued under the Deferred Plan, or which would materially modify the requirements for participation in the Deferred Plan.

The Company pays all administrative expenses of the Deferred Plan for its participants as well as the applicable portion of the trustee's and administrator's fees and expenses. Fees paid for administration of the Deferred Plan in fiscal 2003 were \$14,650.

Not later than the next regularly scheduled meeting of the Administrative Committee following a participant's termination of service, the Administrative Committee must direct the trustee to commence distribution of the amounts payable to such participant under the Deferred Plan and direct the trustee of the Trust (described below) as to the form of payment (whether in cash or in Company common stock). Amounts due under the Deferred Plan are paid in a lump sum or in annual installments, consistent with the method of payment selected by the participant at the time of his or her deferral election.

In the event of death, a participant's payment shall be made to the persons named in the last written instrument signed by the participant and received by the Administrative Committee prior to the participant's death, and in the event the participant fails to name any person, the amounts shall be paid to the estate or the appropriate distributee of such participant.

The Company established the Trust to aid in the accumulation of assets for the payment of amounts deferred. The Company may, in its discretion, contribute to the Trust the amounts deferred by the participants.

If the Company becomes insolvent, the trustee is required to cease payments from the Trust and dispose of Trust assets pursuant to the direction of a court of competent jurisdiction.

Defined Benefit Plans

The Company has no tax-qualified defined benefit plan or actuarial plan for any of its employees.

Termination of Employment and Change-in-Control Arrangements

Retirement Agreements

Certain executives of the Company's wholly owned subsidiary First National Bank, Mr. Donald Schempp and Mr. Robert Sporrer, entered into non-qualified supplemental retirement agreements with Capital Bank of North County. These agreements were assumed by the Company when it acquired W.H.E.C., Inc., the parent of Capital Bank, in March 2002. Under the terms of the agreements, Mr. Schempp and Mr. Sporrer are entitled to annual payments of \$130,000 and \$100,000, respectively, beginning on the later of such executive's normal retirement date, age 64 in the case of Mr. Schempp and age 65 in the case of Mr. Sporrer, or termination date. Payments are to be made in monthly installments and continue for 20 years. The executives are also entitled to such benefits in the event of disability prior to such executive's normal retirement age.

Upon voluntary termination prior to the normal retirement age, the executives are entitled to an annual amount, paid monthly, for 20 years based on the vested benefit accrued at the time of such voluntary early termination. Voluntary early termination means that an executive voluntarily terminates his employment prior to his normal retirement age for any reason other than an approved leave of absence, disability, termination for cause or involuntary termination. Upon an involuntary termination, the executives are entitled to a lump sum benefit payment based on the vested benefit after 15 years. The vested benefit after 15 years is \$1,248,334 in the case of Mr. Schempp and \$960,257 in the case of Mr. Sporrer. Involuntary termination means that the Company terminates an executive, prior to such executive's normal retirement age, for any reason other than an approved leave of absence, disability, termination for cause or voluntary termination. In the event of termination for cause or because an executive materially misstates any information on an insurance application used to fund his retirement agreement, such executive is not entitled to any benefit payments.

Executive Severance Pay Plan

The Company has an Executive Severance Pay Plan (the "Severance Plan") pursuant to which certain executives of the Company and its subsidiaries, including the Named Executive Officers, will be entitled to receive a severance payment from the Company under certain circumstances. The eligible participants are entitled to a severance payment from the Company if, within twenty-four (24) months after a Change in Control (as defined in the Severance Plan), their employment with the Company or one of its subsidiaries terminates for any reason other than (i) death, (ii) disability, (iii) termination by the Company or one of its subsidiaries for Just Cause (as defined in the Severance Plan), (iv) retirement in accordance with the normal policy of the Company, (v) voluntary termination by such executive other than Good Reason (as defined in the Severance Plan) or (vi) the sale of the Company or the bank subsidiary which employed the executive if the executive has been offered employment with the purchaser on substantially the same terms and conditions under which such executive was employed prior to the sale. The amount of the severance payment under the Severance Plan will be equal to such executive's compensation (including base salary and target bonus) multiplied by a multiplier ranging from one (1) to three (3) depending on the executive's employee grade. In addition, if an executive becomes eligible for a severance payment, such executive will also be entitled to certain welfare benefits, as defined in the Severance Plan, for the applicable severance period set forth in the Severance Plan. In order to become eligible for severance payments under the Severance Plan, the executive must also execute and deliver a release in favor of the Company.

Under the Severance Plan, a Change in Control is defined as: (i) any person or group acquiring beneficial ownership of more than fifty percent (50%) of the aggregate voting securities of the Company or any successor to the Company; (ii) the individuals who, as of the most recent date of the Severance Plan, are members of the Board (the "Existing Directors"), cease, for any reason, to constitute more than fifty percent (50%) of the number of authorized directors of the Company as

determined in the manner prescribed by the Company's articles of incorporation and bylaws; *provided, however*, that if the election, or nomination for election, by the Company's stockholders of any new director was approved by a vote of at least fifty percent (50%) of the Existing Directors, such a new director shall be considered an Existing Director; *provided, further, however*, that no individual shall be considered an Existing Director if such individual initially assumed office as a result of either an actual or threatened "Election Contest" or other actual or threatened solicitation of proxies by or on behalf of anyone other than the Board (a "Proxy Contest"), including by reason of any agreement intended to avoid or settle any Election Contest or Proxy Contest; or (iii) the consummation of (x) a merger, consolidation or reorganization to which the Company is a party, whether or not the Company is the person surviving or resulting therefrom, or (y) a sale, assignment, lease, conveyance or other disposition of all or substantially all of the assets of the Company, in one transaction or a series of related transactions, to any individual or entity other than the Company, where any such transaction or series of related transactions as is referred to in clause (x) or clause (y) above in this subparagraph (iii) (a "Transaction") does not otherwise result in a Change in Control pursuant to subparagraph (i) of this definition of Change in Control; *provided, however*, that no such Transaction shall constitute a Change in Control under this subparagraph (iii) if the persons who were the shareholders of the Company immediately before the consummation of such Transaction are the beneficial owners, immediately following the consummation of such Transaction, of fifty percent (50%) or more of the aggregate voting securities of the entity surviving or resulting from any merger, consolidation or reorganization referred to in clause (x) above in this subparagraph (iii) or the entity to whom the assets of the Company are sold, assigned, leased, conveyed or disposed of in any transaction or series of related transactions referred in clause (y) above in this subparagraph (iii).

The Severance Plan was last amended and approved by the Compensation, Nominating and Governance Committee of the Board of Directors of the Company on February 4, 2004.

Equity Compensation Plan Information

On May 28, 2003, the Company's shareholders approved the 2003 Plan, which amended and restated the Company's 2000 Stock Incentive Plan. See "Proposal 2: Approval of Amendment and Restatement of the 2003 Plan" below for a description of the changes to be made to the 2003 Plan if the proposal is approved by the shareholders at the Meeting.

Employee Benefit Plans

Each of the Company's subsidiary banks has separate 401(k) plans, which include several 401(k) plans that were in place at banks and entities acquired by the Company. The Company is currently working towards creating a comprehensive 401(k) plan for all employees of the Company and its subsidiary banks and expects to consolidate the 401(k) plans during 2004.

Performance Graph

The Company's common stock trades on the Nasdaq National Market® under the symbol "FCBP." Prior to June 1, 2000, trading in the Company's common stock (as Rancho Santa Fe National Bank) occurred solely "over the counter" and was not extensive. Consequently, sales price information prior to that date consists largely of quotations by dealers making a market in the Company's common stock and may not represent actual transactions. As a result, the sales price information for the Company's common stock in the preceding graph for 1998 and 1999 reflects inter-dealer prices without any adjustments for mark-ups, mark-downs or commissions. In addition, trading in the Company's common stock prior to June 1, 2000 was limited in volume and may not be a reliable indication of its market value.

The preceding graph shows the yearly cumulative total return on the Company's common stock with a comparable return on the indicated index for the last five fiscal years. The total return on the Company's common stock is determined based on the change in the price of the Company's common stock and assumes reinvestment of all dividends and an original investment of \$100. The total return on the indicated index also assumes reinvestment of dividends and an original investment in the index of \$100.

**REPORT OF THE COMPENSATION, NOMINATING AND GOVERNANCE COMMITTEE
ON EXECUTIVE COMPENSATION**

The Compensation, Nominating and Governance Committee, or CNG Committee, of the Board of Directors during 2003 consisted of Barry C. Fitzpatrick (Chairman), Charles H. Green, Timothy B. Matz and David S. Williams. Each member of the Audit Committee is "independent" as defined by the rules of the SEC, the listing standards of Nasdaq and the Company's Corporate Governance Guidelines. Prior to December 2003, when the CNG Committee adopted its current charter, the CNG Committee was known as the Compensation Committee.

In addition to its responsibilities to make recommendations for nominees to the Company's Board and its committees and to oversee the governance and evaluation process of the Board and its committees, it is the duty of the CNG Committee to administer the Company's compensation system and various incentive plans, including the 2003 Plan and the Executive Incentive Plan. In addition, the CNG Committee reviews and approves compensation levels of members of executive management, evaluates the performance of the executive management team and considers executive management succession and related matters. With respect to the compensation of the CEO, the CNG Committee evaluates and recommends such compensation to the Board for approval. The CNG Committee reviews with the Board all material aspects of compensation for the Company's executive officers.

Compensation Philosophy. The primary goal of the Company's compensation philosophy is to link a substantial portion of executive compensation (including the compensation of the CEO) to the profitability of the Company. The CNG Committee achieves this goal by tying substantial grants of equity compensation and an annual bonus to what it believes is the most significant measure of profitability: earnings per share ("EPS"). The target goals for annual bonuses are generally based on substantial increases in Cash EPS performance (as defined in the Executive Incentive Plan).

The second goal of the compensation philosophy is to attract and retain highly competent executives. The CNG Committee achieves this objective by setting base compensation and incentives at competitive levels and by awarding substantial stock based awards. Annually, the CNG Committee reviews executive compensation levels paid by competitors of a similar asset size to the Company, based on available data. The CNG Committee intends to pay at the highest end of the compensation scale, but only if the Company achieves financial performance at the high end of the peer group.

Components of Compensation. The Company compensates its executive officers (including the CEO) in three ways: base compensation, cash bonus and stock-based awards.

Base Compensation The CNG Committee of the Board reviews the base compensation of the CEO and of the executive officers reporting to him. The CNG Committee makes compensation recommendations for the CEO to the full Board. Based on recommendations from the CEO, the CNG Committee evaluates and determines compensation levels for the other members of the Company's executive management team. The CNG Committee may request an opinion from outside compensation consultants and /or banking related salary survey data before it makes any significant adjustment to overall base compensation. The CNG Committee does not tie its base compensation decisions to any particular formulas, measurements or criteria, but members take into account the Company's performance and compensation levels paid by comparable competitors.

Annual Cash Bonus Annual cash bonuses are paid to executives based on the achievement of certain Cash EPS goals. The following are the bonus percentages applicable to Cash EPS targets that were approved for the Company's executives for 2003:

Achievement Level Award Opportunities	90% of Cash EPS Target	100% of Cash EPS Target	Over 100% of Cash EPS Target
CEO (Grade 1)	60% of Base Salary	100% of Base Salary	Board Discretion
Other Executive Officers (Grades 2,3,A)	50% of Base Salary	80% of Base Salary	CEO/Board Discretion

Not all eligible executive officers will necessarily receive a bonus and not all eligible executive officers will necessarily receive the same bonus. Additional amounts may be paid as bonuses to members of the Company's executive management team who are deemed by the CNG Committee to have achieved superior performance during the fiscal year. The Company partially met its 2003 bonus threshold and partial bonuses were paid in February 2004.

Stock-Based Awards Recommendations of executive management for the grant of stock-based awards to officers of the Company under the Company's 2003 Plan are generally submitted to the CNG Committee during the third quarter of each fiscal year, though equity awards may be granted at other times at the discretion of the CNG Committee upon recommendation from executive management. In considering whether to recommend the grant of an equity award and the size of the grant to be awarded, executive management considers, with respect to the officer, the salary level, the contributions expected toward the growth and profitability of the Company and survey data indicating grants made to similarly situated officers at comparable financial institutions. The CNG Committee decides whether to approve the grant of equity awards, and the terms of such grant, after discussion with executive management presenting the grant proposals.

During 2003, the CNG Committee made grants of restricted and performance stock to a number of members of senior management, including all of the Company's executive officers. The performance stock grants vest over a seven year period, in whole or in part, based upon the achievement of certain financial targets. The restricted stock grants generally vest in full over four years, with one-third vesting 2 years following the date of grant, an additional one-third vesting after 3 years and the remainder vesting after 4 years with the Company following the date of grant. Prior to vesting, recipients of restricted stock and performance stock grants are entitled to receive dividends on the shares underlying the grants at the same rate paid to shareholders generally. Recipients of restricted and performance stock grants are not entitled to vote the underlying shares prior to vesting. The CNG Committee made these grants as additional incentives to the Company's senior officers to improve performance, enhance retention, and ultimately increase shareholder value.

2003 Compensation. The CNG Committee reviewed the compensation of Matthew P. Wagner, the CEO, and each of the other nine highest paid executive officers for fiscal 2003. It reported to the Board that in the CNG Committee's opinion, the compensation paid to those officers for 2003 was reasonable in view of the Company's consolidated performance and the contribution of those officers to that performance. In doing so, the CNG Committee also took into account how the compensation compared to that paid by competing companies as well as economic conditions in the Company's service area.

Statement Regarding Deductibility. Under Internal Revenue Code Section 162(m), the Company's tax deduction may be limited to the extent total compensation paid to the Company's chief executive officer or to any of the four other highest-paid executive officers exceeds \$1 million in any one tax year. The deduction limit does not apply to payments which qualify as "performance-based" provided certain requirements are met, including receipt of shareholder approval. Regulations under Section 162(m) also permit stock options to be excluded from compensation if certain conditions are

met, but restricted stock and restricted stock awards (other than performance stock and performance stock awards) may not be exempt if the aggregate compensation of the executive officer would exceed the limit. The CNG Committee believes that all options and performance stock granted under the 2003 Plan, including under the 2000 Stock Incentive Plan (as predecessor to the 2003 Plan), meet these conditions. It is the intent of the CNG Committee to structure the Company's cash and stock-based compensation programs so that all compensation payments and stock-based awards are tax deductible. However, the CNG Committee reserves the discretion to make payments or stock-based awards which are not tax deductible.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Until February 5, 2003, John M. Eggemeyer, Chairman of the Board, served as a member of the Compensation Committee, which became the Compensation, Nominating and Governance Committee in December 2003. Mr. Eggemeyer is Chief Executive Officer of Castle Creek Financial, LLC, which acts as the Company's exclusive financial advisor as described below under "Certain Relationships and Related Transactions."

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist Board oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors and the Company's internal audit function. The Board has determined that each member of the Committee is financially literate and that each of Ms. Susan E. Lester and Mr. Daniel B. Platt is qualified as an audit committee financial expert and that each of them has accounting or relating financial management expertise, in each case in accordance with the rules of the SEC and the listing standards of Nasdaq. During fiscal 2003, the Committee performed all of its duties and responsibilities under the then applicable Audit Committee charter. That charter was amended and restated by the Committee and approved by the Board most recently on December 17, 2003, and is attached hereto as Annex A. As set forth in such charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements, the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's consolidated financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

During the course of the last fiscal year, the Committee discussed with management of the Company and the independent auditors the financial and other information contained in earnings releases and in the Company's quarterly reports on Form 10-Q and annual report on Form 10-K prior to such reports being filed by the Company with the SEC. The Committee discussed the results of internal audit examinations with the Company's internal auditors, and discussed independent credit review analysis with the Company's external credit examiners. The Committee met with the independent auditors, internal auditors and external credit examiners both with and without management being present. The Committee also pre-approved, on a case by case basis, certain permissible non-audit services to be performed by the Company's independent auditors. In pre-approving any non-audit services, the Committee considered such fees and services to be compatible with maintaining the independent auditors' independence.

The Committee has reviewed and discussed the audited consolidated financial statements as of and for the year ended December 31, 2003 with management and the independent auditors. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. Finally, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, and has discussed with the independent auditors the independent auditors' independence.

Based upon the reports and discussions described above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee's charter, the Committee recommended to the Board that the audited consolidated financial statements of the Company for fiscal 2003 be included in its Annual Report on Form 10-K for such fiscal year for filing with the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

John M. Eggemeyer was appointed to the Board of Rancho Santa Fe National Bank on February 27, 1995 and was appointed Chairman of the Board on that date. Mr. Eggemeyer became Chairman of the Board of the Company on May 31, 2000. The Company has assumed a contract with Belle Plaine Partners, Inc., of which Mr. Eggemeyer is Chief Executive Officer, retaining Belle Plaine or its affiliate Castle Creek Financial (of which Mr. Eggemeyer is also Chief Executive Officer) as the Company's exclusive financial advisor (the "Castle Creek Contract"). The Castle Creek Contract may be cancelled by either party upon thirty (30) days notice. For strategic and financial advice, the Castle Creek Contract provides for the payment of the following fees upon the consummation of certain transactions: (a) 2% of the aggregate consideration paid in the event the Company is sold; and (b) in the event of an acquisition of another financial institution by the Company: 1.5% of the aggregate value of the transaction if the aggregate value is \$20 million or less; if the aggregate value is over \$20 million, \$300,000 plus 1.0% of the amount of the transaction in excess of \$20 million. Castle Creek is also entitled to reimbursement of its reasonable expenses incurred on behalf of the Company. Castle Creek and its affiliates received approximately \$1.3 million of aggregate fees and expenses from the Company in fiscal 2003 for financial advice related to the acquisitions of Bank of Coronado and Verdugo Banking Company. Castle Creek also received other advisory fees and expenses incurred on behalf of the Company of approximately \$59,000 for fiscal 2003 under the Castle Creek Contract.

The Castle Creek Contract is reviewed annually by independent members of the Board of Directors. In approving the Castle Creek Contract, the Board concluded that the contract was in the best interests of the Company and its shareholders and was on terms comparable to those prevailing for similar transactions with other persons not having any relationship with the Company.

Certain directors and executive officers, entities associated with them and members of their immediate families were customers of and had banking transactions, including loans, with the Company's subsidiary banks in the ordinary course of business during fiscal 2003. Such loans were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons. These loans did not involve more than the normal risk of collection or present other unfavorable features. The Company expects its subsidiary banks to have banking transactions with such persons in the future.

Since July 2001, the Company has engaged Martin J. Wolff & Co., Inc. as its insurance broker to help the Company evaluate and obtain certain insurance products for the Company and its subsidiaries, including its group health insurance coverage, life and disability insurance and other insurance benefit products. Martin J. Wolff, the chairman of Martin J. Wolff & Co., Inc., is the father of Jared M. Wolff, the Company's Executive Vice President, General Counsel and Secretary who joined the Company in October 2002. Jared Wolff was previously associated with the law firm of Sullivan & Cromwell LLP, which firm has been outside counsel to the Company since its formation in 2000. During fiscal 2003, the Company purchased comprehensive group insurance, disability insurance, executive life insurance and other insurance products from Martin J. Wolff & Co., Inc. totaling approximately \$2.7 million in premiums. To the best knowledge of the Company, Martin J. Wolff & Co., Inc. received approximately \$168,000 in commissions from such purchases. Jared Wolff is not involved in the analysis, negotiation or acquisition of group health, disability or executive life insurance products purchased by the Company. In the opinion of the Company's management, the transactions are in the best interests of the Company and its shareholders and have occurred on terms comparable to those available from other providers of similar products who have no relationship with the Company.

**PROPOSAL 2: APPROVAL OF AMENDMENT AND RESTATEMENT OF
THE 2003 STOCK INCENTIVE PLAN**

Introduction

On April 21, 2004, the Board of Directors approved a proposal to amend and restate the 2003 Plan, subject to the approval of the Company's shareholders. The Company has decided to amend and restate the 2003 Plan to promote the success of the Company by revising the performance criteria pursuant to which the Company may grant performance stock awards in order to more closely align the performance criteria with the measures commonly used by the Company and its peers, as well as to increase the flexibility of the CNG Committee, as Administrator, to set goals and interpret the performance criteria under the 2003 Plan. The Board of Directors believes that the listed performance criteria and the added flexibility to establish goals and interpret the performance criteria will be a valuable tool for attracting, motivating and retaining key employees, non-employee directors and consultants and therefore recommends adoption of the proposal.

The material features of the amendments to the 2003 Plan are described below. However, this summary is subject to, and qualified in its entirety by, the full text of the 2003 Plan, a copy of which is attached hereto as Annex B.

Revised Performance Criteria

Under the 2003 Plan, the Administrator may grant performance stock awards, in addition to other stock-based awards as described in the 2003 Plan. Performance stock awards are granted subject to a risk of forfeiture which lapses as the participant vests in the stock granted. The participant vests in the common stock underlying such performance stock award, in whole or in part, if certain goals established by the Administrator are achieved over a designated period of time, but in no event more than 10 years. If the performance goals are not satisfied within the designated period of time, the performance stock will automatically be forfeited and immediately returned to the Company. In contrast to restricted stock awards, there is no waiting period for vesting upon attainment of the performance goals. Prior to amendment and restatement, the plan permitted any of the following business criteria to establish the performance goals for a performance stock award: net income; return on average assets ("ROA"); business unit ROA; cash return on average assets ("Cash ROA"); business unit Cash ROA; return on average equity ("ROE"); business unit ROE; cash ROE; business unit cash ROE; earnings per share ("EPS"); or cash EPS. As amended and restated, the 2003 Plan changes the business criteria that may be used to establish the performance goals for a performance stock award as follows: net income; return on average assets ("ROA"); cash ROA; return on average equity ("ROE"); cash ROE; earnings per share ("EPS"); cash EPS; stock price; and efficiency ratio.

Under the 2003 Plan as proposed to be amended and restated, at the discretion of the CNG Committee, as Administrator, the performance goals may be based upon the attainment of one or more of the foregoing business criteria (determined either in absolute terms or relative to the performance of one or more similarly situated companies or a published index covering the performance of a number of companies). When establishing performance goals for a performance stock award, the Administrator may exclude any or all "extraordinary items" as determined under U.S. generally accepted accounting principles including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, other unusual or non-recurring items, and the cumulative effects of accounting changes. The Administrator may also adjust the performance goals for any performance cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Administrator may determine. The Administrator may also grant performance stock awards that vest over the passage of time, but for which vesting is accelerated upon the attainment of specified performance goals.

Necessary Approval

The proposed amendment and restatement of the 2003 Plan to reflect the changes described above must be approved by the affirmative vote of the holders of a majority of the outstanding shares of common stock, voting in person or by proxy and entitled to vote at the Meeting. Each shareholder is entitled to one vote for each share held and, although they will be counted for purposes of determining whether there is a quorum, abstentions and broker non-votes will not be counted in favor of approval. Proxies received by the Company with no specification with respect to this proposal and not revoked prior to or at the Meeting will be voted FOR this proposal.

Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR Proposal 2 to amend and restate the 2003 Plan.

INDEPENDENT AUDITORS

The Audit Committee has reappointed the firm of KPMG LLP as independent auditors to audit the financial statements of the Company for the current fiscal year. Representatives from KPMG LLP are expected to be present at the Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Independent Auditor Fees

The following is a description of fees billed to the Company by KPMG LLP during the last two fiscal years:

Audit Fees: Audit fees include fees for the annual audit of the Company's consolidated financial statements, review of interim financial statements included in the Company's quarterly reports on Form 10-Q, review of registration statements filed with the Securities and Exchange Commission, and the issuance of consents and comfort letters. The aggregate audit fees billed to the Company by KPMG LLP for the years ended December 31, 2003 and 2002 totaled approximately \$379,830 and \$614,275, respectively.

Audit-Related Fees: Audit-related fees billed to the Company by KPMG LLP consisted primarily of certain due diligence services related to acquisition and analysis conducted by KPMG in connection with such due diligence. The aggregate audit-related fees billed to the Company by KPMG LLP for the years ended December 31, 2003 and 2002 totaled approximately \$170,616 and \$226,325, respectively.

Tax Fees: Tax fees include corporate tax compliance, planning and advisory services. The aggregate tax fees billed to the Company by KPMG LLP for the years ended December 31, 2003 and 2002 totaled approximately \$240,509 and \$100,734, respectively.

All Other Fees: Other fees of \$23,184 billed to the Company by KPMG LLP for the year ended December 31, 2003 related to the completion of our permitted internal audit outsourcing contract. All other fees billed to the Company by KPMG LLP for the year ended December 31, 2002 totaled approximately \$322,845 and related to the Company's internal audit outsourcing contract.

Pre-Approval Policies and Procedures: The Audit Committee has adopted a policy that requires advance approval by the Audit Committee of all audit, audit-related, tax services and all other services performed by the independent auditor. During fiscal 2003, the Audit Committee pre-approved all audit services, audit-related services and tax services performed for the Company by KPMG LLP. In approving any non-audit services, the Audit Committee considered whether the provision of the services would be compatible the maintaining of KPMG LLP's independence.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership of, and transactions in, the Company's equity securities with the SEC. Such directors, executive officers and 10% shareholders are also required to furnish the Company with copies of all Section 16(a) reports that they file. Based solely on a review of the copies of such reports received by the Company, and on written representations from certain reporting persons, the Company believes that all Section 16(a) filing requirements applicable to its directors, executive officers and 10% shareholders were complied with during 2003, except that Leon Kassel, who resigned from the Board on February 26, 2004, filed one late Form 4 during 2003.

FIRST COMMUNITY BANCORP
CHARTER OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS

DECEMBER 17, 2003

Purposes of the Audit Committee

The purposes of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of First Community Bancorp (the "Company") are to assist the Board in its oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors and the Company's internal audit function. The Committee shall also prepare the report required to be prepared by the Committee pursuant to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in the Company's annual proxy statement.

The function of the Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements and the effectiveness of internal control over financial reporting. Management, in consultation with the Company's internal auditors, is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements, reviewing the Company's quarterly financial statements prior to the filing of each quarterly report on Form 10-Q, annually reporting on management's assessment of the effectiveness of internal control over financial reporting (commencing in the fiscal year ending December 31, 2004) and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Committee are not full-time employees of the Company and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards.

The independent auditors for the Company are accountable to the Board and the Committee, as representatives of the shareholders. The Committee is directly responsible for the appointment, compensation and oversight of the work of the independent auditors (including resolving disagreements between management and the auditors regarding financial reporting). The Committee has the authority and responsibility to appoint, retain and terminate the Company's independent auditors (subject, if applicable, to shareholder ratification). The independent auditors shall report directly to the Committee.

The independent auditors shall submit to the Committee annually a formal written statement (the "Auditors' Statement") describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the independent auditors and the Company, including each non-audit service provided to the Company and at least the matters set forth in Independence Standards Board Statement No. 1.

The independent auditors shall submit to the Committee annually a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditors: (i) the audit of the Company's annual financial statements for the most recent fiscal year and the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Company's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iv) all other products and services rendered by the independent auditors, in the aggregate and by each service.

Committee Membership

The Committee shall be comprised of at least three directors each of whom is (i) "independent" under the rules of the Nasdaq Stock Market, Inc., except as permitted by Nasdaq Rule 4350(d) and the Sarbanes-Oxley Act of 2002, and the rules promulgated thereunder, (ii) does not accept any consulting, advisory or other compensatory fee from the Company or its subsidiaries other than in his or her capacity as a member of the Board or any committee of the Board, and (iii) is not an "affiliate" of the Company or any subsidiary of the Company, as such term is defined in Rule 10A-3 under the Securities Exchange Act of 1934, as amended. All members of the Committee must be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement, and the Committee shall have at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background which results in the member's financial sophistication and qualifies as an "audit committee financial expert" as such term is defined in Item 401(h)(2) of Regulation S-K under the Securities Act of 1933.

No director may serve as a member of the Committee if such director serves on the audit committees of more than two other public companies unless the Board of Directors determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee, and discloses this determination in the Company's annual proxy statement.

Members shall be appointed by the Board based on nominations recommended by the Company's Compensation, Nominating and Governance Committee, and shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

Committee Structure and Operations

The Board shall designate one member of the Committee as its chairperson. The Committee shall meet once every fiscal quarter, or more frequently if circumstances dictate, to discuss with management the annual audited financial statements and quarterly financial statements, as applicable. The Committee should periodically meet separately with management, the senior representative from the entity performing the Company's Internal Audit function, the senior representative from the entity performing independent loan review and the independent auditors to discuss any matters that the Committee or any of these persons or firms believe should be discussed privately. The Committee may request any other director, officer or employee of the Company, any consultant of the Company, or the Company's outside counsel or independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. (iii) The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator and may consist entirely of (A) cash, (B) check, (C) Mature Shares, (D) Qualified Note, or (e) any combination of the foregoing methods of payment. The Administrator may also permit Optionees, either on a selective or aggregate basis, to simultaneously exercise Options and sell the shares of Common Stock thereby acquired, pursuant to a brokerage or similar arrangement, approved in advance by the Administrator, and use the proceeds from such sale as payment of part or all of the exercise price of such shares. Notwithstanding the foregoing, a method of payment may not be used if it causes the Company to: (i) recognize compensation expense for financial reporting purposes; (ii) violate Section 402 of the Sarbanes-Oxley Act of 2002 or any regulations adopted pursuant thereto; or (iii) violate Regulation O, promulgated by the Board of Governors of the Federal Reserve System, as determined by the Administrator in its sole discretion.

(c) *Term of Options.* No Option shall have a term in excess of 10 years measured from the Date of Grant of such Option.

(d) *Procedure for Exercise.* An Option shall be deemed to be exercised when written notice of such exercise has been given to the Administrator in accordance with the terms of the Option Agreement by the person entitled to exercise the Option and full payment of the applicable Exercise Price for the Share being exercised has been received by the Administrator. Full payment may, as authorized by the Administrator, consist of any consideration and method of payment allowable under Subsection (a)(iii) above. In the event of a cashless exercise, the broker shall not be deemed to be an agent of the Administrator.

(e) *Effect of Termination of Service.*

(i) *Termination of Service.* Upon termination of an Optionee's Service, other than due to death, Disability, or Cause, the Optionee may exercise his/her Option, but only on or prior to the date that is three months following the Optionee's Termination Date, and only to the extent that the Optionee was entitled to exercise such Option on the Termination Date (but in no event later than the expiration of the term of such Option, as set forth in the Notice of Stock Option Grant to the Option Agreement). If, on the Termination Date, the Optionee is not entitled to exercise the Optionee's entire Option, the Shares covered by the unexercisable portion of the Option shall revert to the Plan. If, after termination of Service, the Optionee does not exercise his/her Option within the time specified herein, the Option shall terminate, and the Optioned Stock shall revert to the Plan.

To the extent the Optionee is not entitled to exercise the Option on the Termination Date, or if the Optionee does not exercise the Option to the extent so entitled within the time specified herein, the Option shall terminate, and the Optioned Stock shall revert to the Plan.

(iii) *Death of Optionee.* In the event that an Optionee should die while in Service, the Optionee's Option may be exercised by the Optionee's estate or by a person who has acquired the right to exercise the Option by bequest or inheritance, but only on or prior to the date that is twelve months following the date of death, and only to the extent that the Optionee was entitled to exercise the Option at the date of death (but in no event later than the expiration date of the term of his/her Option, as set forth in the Notice of Stock Option Grant to the Option Agreement). If, at the time of death, the Optionee was not entitled to exercise his/her entire Option, the Shares covered by the unexercisable portion of the Option shall immediately revert to the Plan. If after death, the Optionee's estate or a person who acquires the right to exercise the Option by bequest or inheritance does not exercise the Option within the time specified herein, the Option shall terminate, and the Optioned Stock shall revert to the Plan.

(iv) *Cause.* In the event of termination of an Optionee's Service due to Cause, the Optionee's Options shall terminate on the Termination Date.

(v) To the extent that the Company does not violate Section 402 of the Sarbanes-Oxley Act of 2002 or any regulations adopted pursuant thereto or Regulation O, promulgated by the Board of Governors of the Federal Reserve System (as determined by the Administrator in its sole discretion), the Administrator shall have complete discretion, exercisable either at the time an Option or SAR is granted or at any time while the Option or SAR remains outstanding, to:

(A) extend the period of time for which the Option or SAR is to remain exercisable following the Optionee's cessation of Service from the limited exercise period otherwise in effect for that Option or SAR to such greater period of time as the Administrator shall deem appropriate, but in no event beyond the expiration of the Option or SAR term; and/or

(B) permit the Option or SAR to be exercised, during the applicable post-Service exercise period, not only with respect to the number of vested Shares for which such Option or SAR is exercisable at the time of the Optionee's cessation of Service but also with respect to one or more additional installments in which the Optionee would have vested had the Optionee continued in Service.

(f) *Shareholder Rights.* Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such certificate promptly upon exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 11 below.

(g) *Non-transferability of Options.* Options may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. Notwithstanding the immediately preceding sentence, the Administrator may permit an Optionee to transfer any Award which is not an Incentive Stock Option to one or more of the Optionee's immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "immediate family" shall mean the Optionee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Optionee to make such a transfer shall have adverse consequences to the Company or the Optionee by reason of Section 162(m) of the Code.

7. *Incentive Stock Options.* The terms specified below shall be applicable to all Incentive Stock Options, and these terms shall, as to such Incentive Stock Options, supercede any conflicting terms in Section 6 above. Options which are specifically designated as Non-Statutory Stock Options when issued under the Plan shall *not* be subject to the terms of this Section.

(a) *Eligibility.* Incentive Stock Options may only be granted to Employees.

(b) *Exercise Price.* The Exercise Price of an Incentive Stock Option shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant of such Option, except as otherwise provided for in Subsection (d) below.

(c) *Dollar Limitation.* In the case of an Incentive Stock Option, the aggregate Fair Market Value of the Optioned Stock (determined as of the Date of Grant of each Option) with respect to Options granted to any Employee under the Plan (or any other option plan of the Company or any Affiliate) that may for the first time become exercisable as Incentive Stock Options during any one calendar year shall not exceed the sum of \$100,000. To the extent the Employee holds two or more such Options which become exercisable for the first time in the same calendar year, the foregoing limitation on the exercisability of such Options as Incentive Stock Options shall be applied on the basis of the order in which such Options are granted. Any Options in excess of such limitation shall automatically be treated as Non-Statutory Stock Options.

(d) *10% Shareholder.* If any Employee to whom an Incentive Stock Option is granted is a 10% Shareholder, then the Exercise Price shall not be less than 110% of the Fair Market Value of a Share on the Date of Grant of such Option, and the Option term shall not exceed five years measured from the Date of Grant of such Option.

(e) *Change in Status.* In the event of an Optionee's change of status from Employee to Consultant or to Non-Employee Director, an Incentive Stock Option held by the Optionee shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Non-Statutory Stock Option three months and one day following such change of status.

(f) *Approved Leave of Absence.* If an Optionee is on an approved leave of absence, and the Optionee's reemployment upon expiration of such leave is not guaranteed by statute or contract, including Company policies, then on the 91st day of such leave any Incentive Stock Option held by the Optionee shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Non-Statutory Stock Option.

8. *Restricted Stock Award.* Each Restricted Stock Award shall be evidenced by a Stock Award Agreement, in the form approved by the Administrator and may contain such provisions as the Administrator deems appropriate; provided, however, such Stock Award Agreement shall comply with the terms specified below.

(a) *Risk of Forfeiture.*

(i) *General Rule.* Shares issued pursuant to a Restricted Stock Award shall initially be subject to a Risk of Forfeiture. The Risk of Forfeiture shall be set forth in the Stock Award Agreement, and shall comply with the terms specified below.

(ii) *Lapse of Risk of Forfeiture.* The Risk of Forfeiture shall lapse as the Grantee vests in the Granted Stock. The Grantee shall vest in the Granted Stock at such times and under such conditions as determined by the Administrator and set forth in the Stock Award Agreement. Notwithstanding the foregoing, upon the occurrence of a Vesting Event, the Grantee shall become 100% vested in those shares of Granted Stock that are outstanding on the date of the Vesting Event.

(iii) *Forfeiture of Granted Stock.* Except as otherwise determined by the Administrator in its discretion, the Granted Stock that is subject to a Risk of Forfeiture shall automatically be forfeited and immediately returned to the Company on the Grantee's Termination Date or the date on which the Administrator determines that any other conditions to the vesting of the Restricted Stock were not satisfied during the designated period of time.

(b) *Rights as a Stockholder.* Upon the vesting of any portion of a Restricted Stock Award, the Grantee shall have the voting rights of a shareholder with respect to any vested shares of Granted Stock, subject to the conditions contained in the Stock Award Agreement.

(c) *Dividends.* The Stock Award Agreement may require or permit the immediate payment, waiver, deferral or investment of dividends paid on the Granted Stock.

(d) *Non-transferability of Restricted Stock Award.* Except as otherwise provided for in Section 12 of the Plan, Restricted Stock Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee. Notwithstanding the immediately preceding sentence, the Administrator may permit a Grantee to transfer any Award which is not an Incentive Stock Option to one or more of the Grantee's immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Grantee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Grantee to make such a transfer shall have adverse consequences to the Company or the Grantee by reason of Section 162(m) of the Code.

9. *Performance Stock Award.* Each Performance Stock Award shall be evidenced by a Stock Award Agreement, in the form approved by the Administrator, and may contain such provisions as the Administrator deems appropriate; provided, however, such Stock Award Agreement shall comply with the terms specified below.

(a) *Risk of Forfeiture.*

(i) *General Rule.* Shares issued pursuant to a Performance Stock Award shall initially be subject to a Risk of Forfeiture. The Risk of Forfeiture shall be set forth in the Stock Award Agreement, and shall comply with the terms specified below.

(ii) *Lapse of Risk of Forfeiture.* The Risk of Forfeiture shall lapse as the Grantee vests in the Granted Stock. The Grantee shall vest in or accelerate vesting in the Granted Stock, in whole or in part, if certain goals established by the Administrator are achieved over a designated period of time, but not in any event more than 10 years. At the discretion of the Administrator, the goals may be based upon the attainment of one or more of the following business criteria (determined either in absolute terms or relative to the performance of one or more similarly situated companies or a published index covering the performance of a number of companies): net income; return on average assets ("ROA"); cash ROA; cash ROA; return on average equity ("ROE"); cash ROE; earnings per share ("EPS"); cash EPS; stock price; and efficiency ratio. Performance goals may be established on a Company-wide basis or with respect to one or more business units or divisions. When establishing performance goals, the Administrator may exclude any or all "extraordinary items" as determined under U.S. generally accepted accounting principles including, without limitation, the charges or costs associated with restructurings of the Company, discontinued operations, other unusual or non-recurring items, and the cumulative effects of accounting changes. The Administrator may also adjust the performance goals for any performance cycle as it deems equitable in recognition of unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles, or such other factors as the Administrator deems appropriate. Notwithstanding the foregoing, upon the occurrence of a Vesting Event, the Grantee shall become 100% vested in those shares of Granted Stock that are outstanding on the date of the Vesting Event.

(iii) *Forfeiture of Granted Stock.* The Granted Stock that is subject to a Risk of Forfeiture shall automatically be forfeited and immediately returned to the Company on the Grantee's Termination Date or the date on which the Administrator determines that any other

conditions to the vesting of the Performance Stock Award, including performance goals, were not satisfied during the designated period of time.

(b) *Rights as a Stockholder.* Upon the vesting of any portion of a Performance Stock Award, the Grantee shall have the voting rights of a shareholder with respect to any vested shares of Granted Stock, subject to the conditions contained in the Stock Award Agreement.

(c) *Dividends.* The Stock Award Agreement may require or permit the immediate payment, waiver, deferral or investment of dividends paid on Granted Stock.

(d) *Non-transferability of Performance Stock Award.* Except as otherwise provided for in Section 12 of the Plan, Performance Stock Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Grantee, only by the Grantee. Notwithstanding the immediately preceding sentence, the Administrator may permit a Grantee to transfer any Award which is not an Incentive Stock Option to one or more of the Grantee's immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Grantee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Grantee and/or one or more of such immediate family members" shall be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Grantee to make such a transfer shall have adverse consequences to the Company or the Grantee by reason of Section 162(m) of the Code.

10. *Stock Appreciation Rights.* Each SAR shall be evidenced by a SAR Agreement, in the form approved by the Administrator and may contain such provisions as the Administrator deems appropriate; provided, however, that each SAR Agreement shall comply with the terms specified below. No person may be granted (in any calendar year) SARs that pertain to more than 250,000 Shares, subject to the adjustments provided for in Section 11 of the Plan.

(a) *Exercise Price.* The Exercise Price of a SAR shall be determined by the Administrator but shall not be less than 100% of the Fair Market Value of a Share on the Date of Grant of such SAR.

(b) *Vesting.* Any SAR granted hereunder shall be exercisable and shall vest at such times and under such conditions as determined by the Administrator and set forth in the SAR Agreement. Notwithstanding anything herein to the contrary, upon the occurrence of a Vesting Event, all SARs that are outstanding on the date of the Vesting Event shall become exercisable on such date (whether or not previously vested).

(c) *Term of SARs.* No SAR shall have a term in excess of 10 years measured from the Date of Grant of such SAR.

(d) *Non-transferability of SARs.* SARs may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent and distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. Notwithstanding the immediately preceding sentence, the Administrator may permit an Optionee to transfer any Award which is not an Incentive Stock Option to one or more of the Optionee's immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members. For purposes of the Plan, (i) the term "*immediate family*" shall mean the Optionee's spouse and issue (including adopted and step children) and (ii) the phrase "immediate family members or to trusts established in whole or in part for the benefit of the Optionee and/or one or more of such immediate family members" shall

be further limited, if necessary, so that neither the transfer of an Award other than an Incentive Stock Option to such immediate family member or trust, nor the ability of a Optionee to make such a transfer shall have adverse consequences to the Company or the Optionee by reason of Section 162(m) of the Code.

(e) *Procedure for Exercise.* A SAR shall be deemed to be exercised when written notice of such exercise has been given to the Administrator in accordance with the terms of the SAR Agreement by the person entitled to exercise the SAR. Upon exercise of a SAR, the Optionee (or any person having the right to exercise the SAR after his or her death) shall receive an amount equal to the amount by which the Fair Market Value (on the date of surrender) of a Share exceeds the Exercise Price of such SAR. The Company shall pay this amount in the form of: (i) Common Stock; (ii) cash; or (iii) a combination of Common Stock and cash, as determined by the Administrator.

(f) *Effect of Termination of Service.*

(i) *Termination of Service.* Upon termination of an Optionee's Service, other than due to death, Disability, or Cause, the Optionee may exercise his/her SARs, but only on or prior to the date that is three months following the Optionee's Termination Date, and only to the extent that the Optionee was entitled to exercise such SARs on the Termination Date (but in no event later than the expiration of the term of such SAR, as set forth in the Notice of Stock Appreciation Rights Grant to the SAR Agreement). If, on the Termination Date, the Optionee is not entitled to exercise all of the Optionee's SARs, then the Shares that pertain to the unexercisable SARs shall revert to the Plan. If, after termination of Service, the Optionee does not exercise his/her SARs within the time specified herein, the SARs shall terminate, and the Shares that pertain to the SARs shall revert to the Plan.

(ii) *Disability of Optionee.* In the event of termination of an Optionee's Service due to his/her Disability, the Optionee may exercise his/her SARs, but only on or prior to the date that is twelve months following the Termination Date, and only to the extent that the Optionee was entitled to exercise such SARs on the Termination Date (but in no event later than the expiration date of the term of his/her SAR, as set forth in the Notice of Stock Appreciation Rights Grant to the SAR Agreement). To the extent the Optionee is not entitled to exercise the SARs on the Termination Date, or if the Optionee does not exercise the SARs to the extent so entitled within the time specified herein, the SARs shall terminate, and the Shares that pertain to the SARs shall revert to the Plan.

(iii) *Death of Optionee.* In the event that an Optionee should die while in Service, the Optionee's SARs may be exercised by the Optionee's estate or by a person who has acquired the right to exercise the SARs by bequest or inheritance, but only on or prior to the date that is twelve months following the date of death, and only to the extent that the Optionee was entitled to exercise the SARs at the date of death (but in no event later than the expiration date of the term of his/her SAR, as set forth in the Notice of Stock Appreciation Rights Grant to the SAR Agreement). If, at the time of death, the Optionee was not entitled to exercise all of his/her SARs, the Shares that pertain to the unexercisable SARs shall immediately revert to the Plan. If after death, the Optionee's estate or a person who acquires the right to exercise the SARs by bequest or inheritance does not exercise the SARs to the extent so entitled within the time specified herein, the SARs shall terminate, and the Shares that pertain to the SARs shall revert to the Plan.

(iv) *Cause.* In the event of termination of an Optionee's Service due to Cause, the Optionee's SARs shall terminate on the Termination Date.

11. *Adjustments Upon Changes in Capitalization.*

(a) *Changes in Capitalization.* The limitations set forth in Sections 4, 6, and 10 of the Plan, the number of Shares that pertain to each outstanding Award, and the Exercise Price of each Option and SAR shall be proportionately adjusted for any increase or decrease in the number of issued and outstanding Shares resulting from a stock split, reverse stock split, stock dividend, recapitalization, combination or reclassification of the Common Stock, or any other increase or decrease in the number of issued and outstanding Shares, effected without the receipt of consideration by the Company. Such adjustment shall be made by the Administrator, to the extent possible, so that the adjustment shall not result in an accounting consequence under APB 25 and FASB Interpretation No. 44, as amended, and so that the adjustment shall not result in any taxes to the Company or the Participant. The Administrator's determination with respect to the adjustment shall be final, binding, and conclusive.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. In such event, the Administrator, in its discretion, may provide for a Participant to fully vest in his/her Option and SAR, and the Right of Forfeiture to lapse on his/her Granted Stock. To the extent it has not been previously exercised, an Award will terminate upon termination or liquidation of the Company.

12. *Deferral of Stock Awards and SARs.* The Administrator, in its sole discretion, may permit a Grantee to defer his/her Stock Awards, and an Optionee to defer his/her SARs pursuant to the terms and conditions provided for in the First Community Bancorp Directors Deferred Compensation Plan.

13. *Cancellation and Regrant of Awards.* The Administrator shall have the authority to effect, at any time and from time to time, with the consent of the affected Optionee, the cancellation of any or all outstanding Options or SARs and to grant in substitution new Options or SARs covering the same or a different number of Shares but with an Exercise Price per Share based on the Fair Market Value per Share on the new Date of Grant of the Option or SAR. The Administrator shall also have the authority to effect, at any time and from time to time, with the consent of the affected Grantee, the cancellation of any or all outstanding Stock Awards and to grant in substitution new Stock Awards covering the same or a different number of Shares. The Administrator may also, in its sole discretion and at any time, take any action, including any action that may be considered a "repricing" under any applicable accounting, stock exchange or other rule or regulation, to effect an offer to exchange outstanding Awards for cash or any other type of Award permitted hereunder. For purposes of Section 4 hereof, Shares underlying any Award cancelled by the Company in such exchange shall be available for issuance under the Plan; furthermore, except with respect to a Participant subject to Section 162(m) of the Code, a grant of any Award to a Participant pursuant to such exchange shall be disregarded for purposes of determining whether such Participant has exceeded any limitations hereunder limiting the amount of any type of Award or aggregate amount of Awards that may be granted to a Participant (except to the extent the number of Shares underlying such Awards exceeds the number of Shares underlying the Participant's cancelled Awards).

14. *Share Escrow/Legends.* Unvested Shares issued under the Plan may, in the Administrator's discretion, be held in escrow by the Company until the Participant's interest in such Shares vests or may be issued directly to the Participant with restrictive legends on the certificates evidencing those unvested Shares.

15. *Tax Withholding.*

(a) For corporate purposes, the Company's obligation to deliver Shares upon the exercise of Options, deliver Shares or cash upon the exercise of SARs, or deliver Shares or remove any

Edgar Filing: FIRST COMMUNITY BANCORP /CA/ - Form DEF 14A

restrictive legends upon vesting of such Shares under the Plan shall be subject to the satisfaction of all applicable federal, state and local income and employment tax withholding requirements.

(b) To the extent permitted under Section 402 of the Sarbanes-Oxley Act of 2002 and the regulations adopted pursuant thereto, the Administrator may, in its discretion, provide any or all holders of Non-Statutory Stock Options or SARS, or unvested Shares under the Plan with the right to use previously vested Shares in satisfaction of all or part of the Taxes incurred by such holders in connection with the exercise of their Non-Statutory Stock Options or SARS, or the vesting of their Shares; provided, however, that this form of payment shall be limited to the withholding amount calculated using the minimum statutory rates. Such right may be provided to any such holder in either or both of the following formats:

(i) *Stock Withholding:* The election to have the Company withhold, from the Shares otherwise issuable upon the exercise of such Non-Statutory Stock Option or SAR, or the vesting of such Shares, a portion of those Shares with an aggregate Fair Market Value equal to the Taxes calculated using the minimum statutory withholding rates interpreted in accordance with APB 25 and FASB Interpretation No. 44.

(ii) *Stock Delivery:* The election to deliver to the Company, at the time the Non-Statutory Stock Option or SAR is exercised or the Shares vest, one or more Shares previously acquired by such holder (other than in connection with the Option or SAR exercise, or Share vesting triggering the Taxes) with an aggregate Fair Market Value equal to the Taxes calculated using the minimum statutory rates interpreted in accordance with APB 25 and FASB Interpretation No. 44.

16. *Effective Date and Term of the Plan.* The Plan, as an amendment and restatement of the 2003 Plan, was adopted by the Board on April 21, 2004, and shall become effective on the date of its approval by the Company's shareholders. Unless sooner terminated by the Administrator, the Plan shall continue until April 17, 2010. When the Plan terminates, no Awards shall be granted under the Plan thereafter. The termination of the Plan shall not affect any Shares previously issued or any Award previously granted under the Plan.

17. *Time of Granting Awards.* The Date of Grant of an Award shall, for all purposes, be the date on which the Administrator makes the determination to grant such Award, or such other date as determined by the Administrator; provided, however, that any Award granted prior to the date on which the Plan is approved by the Company's shareholders shall be subject to the shareholder's approval of the Plan. Notice of the determination shall be given to each Service Provider to whom an Award is so granted within a reasonable period of time after the date of such grant.

18. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter, suspend, or discontinue the Plan, but no amendment, alteration, suspension, or discontinuation shall be made which would impair the rights of any Participant under any grant theretofore made without his/her consent. In addition, to the extent necessary and desirable to comply with Section 422 of the Code (or any other applicable law or regulation, including the requirements of any stock exchange or national market system upon which the Common Stock is then listed), the Company shall obtain shareholder approval of any Plan amendment in such a manner and to such a degree as required.

(b) *Effect of Amendment and Termination.* Any such amendment or termination of the Plan shall not affect Awards already granted, and such Awards shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Participant and the Board, which agreement must be in writing and signed by the Participant and the Company.

19. *Regulatory Approvals.*

(a) The implementation of the Plan, the granting of any Awards and the issuance of any Shares upon the exercise of any granted Awards shall be subject to the Company's procurement of all approvals and permits required by regulatory authorities having jurisdiction over the Plan, the Awards granted under it, and the Shares issued pursuant to it.

(b) No Shares or other assets shall be issued or delivered under the Plan unless and until there shall have been compliance with all applicable requirements of federal and state securities laws, including the filing and effectiveness of the Form S-8 registration statement (if required) for the Shares issuable under the Plan, and all applicable listing requirements of any stock exchange (or the Nasdaq National Market, if applicable) on which the Common Stock is then listed for trading (if any).

20. *No Employment/Service Rights.* Nothing in the Plan shall confer upon the Participant any right to continue in Service for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Company (or any Affiliate employing or retaining such person) or of the Participant, which rights are hereby expressly reserved by each, to terminate such person's Service at any time for any reason, with or without cause.

21. *Governing Law.* This Plan shall be governed by California law, applied without regard to conflict of laws principles.
