Item 1.01 Entry into a Material Definitive Agreement.

On March 7, 2011, the United States Bankruptcy Court for the District of Kansas under Case No. 11-20140-11-rdb, approved an order (the “Order”) authorizing and approving the sale of substantially all the assets of ICOP Digital, Inc. (“ICOP”), as Debtor-in-Possession and seller to New ICOP, LLC (“New ICOP”), a Texas limited liability company and affiliate of Safety Vision, LLC, as buyer, pursuant to the terms of an asset purchase agreement (the “APA”), outside the ordinary court of business, free and clear of liens, claims, interests and encumbrances. A copy of the Order is attached hereto as Exhibit 99.1 and the APA is attached hereto as Exhibit 10.1, each of which are incorporated herein by reference.

ICOP and New ICOP executed, and simultaneously closed the sale under, the APA on March 11, 2011 (the “Sale”). Pursuant to the Sale, New ICOP purchased the following assets from ICOP: inventory, vehicles, personal property, intellectual property, websites and domain names, customer lists, books and records, goodwill, accounts receivable and certain computers. ICOP has not sold its cash and deposits, certain specified computers and accounting software, prepaid items, claims arising under the Bankruptcy Code, personnel files, D&O insurance, corporate records, real property and the ICOP entity shell.

Under the terms of the APA, ICOP received a purchase price of \$800,000 (the “Purchase Price”) for the assets (subject to reduction described below). ICOP will also receive 50% of any collected outstanding accounts receivable. The total value of outstanding accounts receivable is estimated at \$440,000, resulting in a potential future payment of up to \$220,00 to ICOP. The Purchase Price was reduced by certain expenses and debts, including the amount required to pay the balance due under the DIP Credit Agreement, the amount owed the Johnson County, Kansas Treasurer for 2010 personal property taxes and ICOP’s pro rata share of the amount owed the Johnson County, Kansas Treasurer for 2011 personal property taxes, payment of the factoring agreement with First Growth Capital, and other reductions described in Article 3 of the APA and incorporated herein by reference. This reduction resulted in net sales proceeds to ICOP of \$593,777. After payment of all obligations to existing creditors, ICOP does not anticipate any cash from the Purchase Price or future collections on account receivable will be available to distribute to shareholders as a dividend or as part of the bankruptcy.

In addition to customary representations, warranties and covenants, the APA contains an agreement by ICOP to not compete with New ICOP or solicit business for a period of three years. In connection with the Sale, David Owen, Director and Chief Executive Officer of ICOP and Laura Owen, Director, President and Chief Operating Officer of ICOP have entered into transition consulting agreements with New ICOP, as independent contractors on a month-to-month basis. Each consulting agreement pays a monthly salary of \$10,000 and has a maximum duration of three months.

Item 2.01 Completion of Acquisition or Disposition of Assets.

See the description of the Order, the APA, the Sale and related transactions provided under Item 1.01 and incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Because the name “ICOP” was an asset sold as part of the Sale, on March 14, 2011, ICOP amended Article I of its Articles of Incorporation to change its name to Digital Systems, Inc., by filing the Certificate of Amendment of Articles, attached hereto as Exhibit 3.1 and incorporated by reference herein, with the Colorado Secretary of State in accordance with the Order.

Item 9.01 Financial Statements and Exhibits

<u>10.1</u>	Asset Purchase Agreement, dated March 11, 2011, between ICOP Digital, Inc. as Seller and New ICOP, LLC as Buyer, including scheduled related thereto.
