Notice of Annual Meeting of Stockholders
To Be Held on June 27, 2007

To Our Stockholders:

What: Our 2007 Annual Meeting of Stockholders

When: June 27, 2007 at 1:00 p.m., local time

Where: Hilton Harrisburg
One North Second Street
Harrisburg, Pennsylvania 17101

Why: At this Annual Meeting, we plan to:

1. Elect four directors to hold office until the 2010 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified; provided, that if our acquisition of the Brooks and Eckerd drugstore chains from The Jean Coutu Group (PJC) Inc. has not been completed by the date of the Annual Meeting, then stockholders will vote to elect three directors to hold office until the 2010 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified; and
2. Transact such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

The close of business on May 8, 2007 has been fixed as the record date for determining those Rite Aid stockholders entitled to vote at the Annual Meeting. Accordingly, only stockholders of record at the close of business on that date will receive this notice of, and be eligible to vote at, the Annual Meeting and any adjournment or postponement of the Annual Meeting. The above items of business for the Annual Meeting are more fully described in the proxy statement accompanying this notice.

Your vote is important. Please read the proxy statement and the instructions on the enclosed proxy card and then, whether or not you plan to attend the Annual Meeting in person, and no matter how many shares you own, please submit your proxy promptly by telephone or via the Internet in accordance with the instructions on the enclosed proxy card, or by completing, dating and returning your proxy card in the envelope provided. This will not prevent you from voting in person at the Annual Meeting. It will, however, help to assure a quorum and to avoid added proxy solicitation costs.

Edgar Filing: RITE AID CORP - Form DEF 14A

You may revoke your proxy at any time before the vote is taken by delivering to the Secretary of Rite Aid a written revocation or a proxy with a later date (including a proxy by telephone or via the Internet) or by voting your shares in person at the Annual Meeting, in which case your prior proxy would be disregarded.

PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS
To Be Held on June 27, 2007

GENERAL INFORMATION

This proxy statement is being furnished to you by the Board of Directors of Rite Aid Corporation to solicit your proxy to vote your shares at our 2007 Annual Meeting of Stockholders. The Annual Meeting will be held on June 27, 2007 at 1:00 p.m., local time, at the Hilton Harrisburg, One North Second Street, Harrisburg, Pennsylvania 17101. This proxy statement, the foregoing notice and the accompanying proxy card are first being mailed on or about May 25, 2007 to all holders of our common stock, par value \$1.00 per share, and 7% Series G Cumulative Convertible Pay-in-Kind Preferred Stock and 6% Series H Cumulative Convertible Pay-in-Kind Preferred Stock, entitled to vote at the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Who is entitled to vote at the Annual Meeting?

Holders of Rite Aid common stock and shares of 7% Series G Cumulative Convertible Pay-in-Kind Preferred Stock and 6% Series H Cumulative Convertible Pay-in-Kind Preferred Stock, which are collectively referred to in this proxy statement as the LGP preferred stock, as of the close of business on the record date, May 8, 2007, will receive notice of, and be eligible to vote at, the Annual Meeting and any adjournment or postponement of the Annual Meeting. At the close of business on the record date, Rite Aid had outstanding and entitled to vote 539,402,608 shares of common stock and 2,614,864.3765 shares of LGP preferred stock (which, on an as-if-converted basis, are entitled to an aggregate of 47,542,989 votes). No other shares of Rite Aid capital stock are entitled to notice of and to vote at the Annual Meeting.

What matters will be voted on at the Annual Meeting?

There is one proposal that is scheduled to be considered and voted on at the Annual Meeting:

- Proposal No. 1: The election of four directors to hold office until the 2010 Annual Meeting of Stockholders; provided, that if our acquisition of the Brooks and Eckerd drugstore chains from The Jean Coutu Group (PJC) Inc. has not been completed by the date of the Annual Meeting, then stockholders will vote to elect three directors to hold office until the 2010 Annual Meeting of Stockholders.

Stockholders will also be asked to consider and vote at the Annual Meeting on any other matter that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. At this time, the Board of Directors is unaware of any matters, other than those set forth above, that may properly come before the Annual Meeting.

What are the Board's voting recommendations?

The Board recommends that you vote FOR the nominees of the Board in the election of directors.

How can I vote my shares before the Annual Meeting?

If you hold your shares in your own name, you may submit a proxy by telephone, via the Internet or by mail.

- ***Submitting a Proxy by Telephone:*** You can submit a proxy for your shares by telephone until 11:59 p.m. Eastern Daylight Time on June 26, 2007 by calling the toll-free telephone number on the enclosed proxy card, 1-800-PROXIES (1-800-776-9437). Telephone proxy submission is available 24 hours a day. Easy-to-follow voice prompts allow you to submit a proxy for your shares and confirm that your instructions have been properly recorded. Our telephone proxy submission procedures are designed to authenticate stockholders by using individual control numbers.
- ***Submitting a Proxy via the Internet:*** You can submit a proxy via the Internet until 11:59 p.m. Eastern Daylight Time on June 26, 2007 by accessing the web site listed on your proxy card, www.voteproxy.com, and following the instructions you will find on the web site. Internet proxy submission is available 24 hours a day. As with telephone proxy submission, you will be given the opportunity to confirm that your instructions have been properly recorded.
- ***Submitting a Proxy by Mail:*** If you choose to submit a proxy by mail, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided.

By casting your vote in any of the three ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions. You may also attend the Annual Meeting and vote in person.

If your shares are held in the name of a bank, broker or other nominee, you will receive instructions from the holder of record that you must follow for your shares to be voted. Please follow their instructions carefully. Also, please note that if the holder of record of your shares is a broker, bank or other nominee and you wish to vote in person at the Annual Meeting, you must request a legal proxy from your bank, broker or other nominee that holds your shares and present that proxy and proof of identification at the Annual Meeting.

If I am the beneficial owner of shares held in street name by my broker, will my broker automatically vote my shares for me?

New York Stock Exchange rules applicable to broker-dealers grant your broker discretionary authority to vote your shares without receiving your instructions on certain matters, which include the election of directors. However, your broker does not have discretionary authority to vote your shares for certain other types of matters.

How will my shares be voted if I give my proxy but do not specify how my shares should be voted?

If you provide specific voting instructions, your shares will be voted at the Annual Meeting in accordance with your instructions. If you hold shares in your name and sign and return a proxy card without giving specific voting instructions, your shares will be voted FOR the nominees of the Board in the election of directors.

How do I vote my shares held in one of the Rite Aid 401(k) plans? What happens if I do not vote my 401(k) plan shares?

If you are a participant in one of Rite Aid's 401(k) plans, the voter instruction card sent to you will serve as a voting instruction card to the trustee of the 401(k) plans for all shares of our common stock you own through the applicable 401(k) plan. You are entitled to instruct the plan trustee on how to vote your shares in the 401(k) plan by telephone, via the Internet or by mail as described above, except that, if you vote by mail, the card that you use will be a voting instruction card rather than a proxy card. The trustee will vote your shares held in the plans in accordance with your instructions. Your instructions will be kept confidential by the trustee and will not be disclosed to Rite Aid. Any shares held by a 401(k) plan participant for which timely instructions are not received by the trustee will be voted by the trustee in its sole discretion.

Could other matters be decided at the Annual Meeting?

At this time, we are unaware of any matters, other than as set forth above, that may properly come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Annual Meeting or any adjournment or postponement of the Annual Meeting, will be deemed authorized to vote or otherwise act on such matters in accordance with their judgment.

Can I vote in person at the Annual Meeting?

Yes. If you hold shares in your own name as a stockholder of record, you may come to the Annual Meeting and cast your vote at the meeting by properly completing and submitting a ballot. If you are the beneficial owner of shares held in the name of your broker, bank or other nominee, you must first obtain a legal proxy from your broker, bank or other nominee giving you the right to vote those shares and submit that proxy along with a properly completed ballot at the meeting.

How can I change my vote?

You may revoke your proxy at any time before it is exercised by:

- Delivering to the Secretary a written notice of revocation, dated later than the proxy, before the vote is taken at the Annual Meeting;
- Delivering to the Secretary an executed proxy bearing a later date, before the vote is taken at the Annual Meeting;
- Submitting a proxy on a later date by telephone or via the Internet (only your last telephone or Internet proxy will be counted), before 11:59 p.m. Eastern Daylight Time on June 26, 2007; or
- Attending the Annual Meeting and voting in person (your attendance at the Annual Meeting, in and of itself, will not revoke the proxy).

Any written notice of revocation, or later dated proxy, should be delivered to:

Rite Aid Corporation
30 Hunter Lane
Camp Hill, Pennsylvania 17011
Attention: Robert B. Sari, Secretary

Alternatively, you may hand deliver a written revocation notice, or a later dated proxy, to the Secretary at the Annual Meeting before we begin voting.

If your shares of Rite Aid common stock are held by a bank, broker or other nominee, you must follow the instructions provided by the bank, broker or other nominee if you wish to change your vote.

What is an abstention and how would it affect the vote?

An abstention occurs when a stockholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter (other than the election of directors for which the choice is limited to for or withhold). Abstentions are counted as present for purposes of determining a quorum. Abstentions will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors.

What is a broker non-vote and how would it affect the vote?

A broker non-vote occurs when a broker or other nominee who holds shares for another person does not vote on a particular proposal because that holder does not have discretionary voting power for the proposal and has not received voting instructions from the beneficial owner of the shares. Brokers will have discretionary voting power to vote shares for which no voting instructions have been provided by the beneficial owner with respect to the election of directors. Shares that are the subject of a broker non-vote are included for quorum purposes but will not affect the outcome of the vote on any of the matters scheduled for a vote at the Annual Meeting.

What are the quorum and voting requirements for the proposal to elect directors?

In deciding the proposal to elect directors that is scheduled for a vote at the Annual Meeting, each holder of common stock as of the record date is entitled to one vote per share of common stock and each holder of LGP preferred stock as of the record date is entitled to approximately 18.18 votes per share of LGP preferred stock (one vote per share of common stock issuable upon conversion of the LGP preferred stock). As of the record date, the LGP preferred stock was convertible into an aggregate of 47,542,989 shares of common stock. The holders of the common stock and LGP preferred stock vote together as a single class, except for those matters on which the holders of LGP preferred stock are entitled to vote as a separate class.

In order to take action on the proposal to elect directors, a quorum, consisting of the holders of 293,472,799 shares (a majority of the aggregate number of shares of Rite Aid common stock and LGP preferred stock (on an as-if-converted basis) issued and outstanding and entitled to vote as of the record date for the Annual Meeting), must be present in person or by proxy. This is referred to as a quorum. Proxies marked Abstain and broker non-votes, if any, will be treated as shares that are present for purposes of determining the presence of a quorum.

The vote required to approve the proposal to elect directors is set forth below:

Proposal No. 1 to elect the director nominees requires the affirmative vote of a majority of the total number of votes cast on the proposal (with Rite Aid common stock and LGP preferred stock voting together as a single class); provided that if our acquisition of the Brooks and Eckerd drugstore chains from The Jean Coutu Group (PJC) Inc. has not been completed by the date of the Annual Meeting, then the affirmative vote of a plurality of the total number of votes cast on the proposal would be required. Votes may be cast for or withheld with respect to all of the director nominees, or any of them. The election of directors by a plurality of the votes cast at the meeting means that the nominees receiving the greatest number of votes cast will be elected as directors up to the maximum number of directors to be elected at the meeting.

What happens if a quorum is not present at the meeting?

If the shares present in person or represented by proxy at the Annual Meeting are not sufficient to constitute a quorum, the stockholders by a vote of the holders of a majority of votes present in person or represented by proxy (which may be voted by the proxyholders), may, without further notice to any stockholder (unless a new record date is set), adjourn the meeting to a different time and place to permit further solicitations of proxies sufficient to constitute a quorum.

Who will count the votes?

Officers of Rite Aid will serve as proxy tabulator and count the votes. The results will be certified by the inspectors of election.

Who will conduct the proxy solicitation and how much will it cost?

We are soliciting proxies from stockholders on behalf of our Board and will pay for all costs incurred by it in connection with the solicitation. In addition to solicitation by mail, the directors, officers and employees of Rite Aid and its subsidiaries may solicit proxies from stockholders of Rite Aid in person or by telephone, facsimile or email without additional compensation other than reimbursement for their actual expenses.

We have retained The Altman Group, a proxy solicitation firm, to assist us in the solicitation of proxies for the Annual Meeting. Rite Aid will pay The Altman Group a fee of approximately \$6,000 and reimburse the firm for reasonable out-of-pocket expenses.

Arrangements also will be made with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held of record by such persons, and we will reimburse such custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in connection with the forwarding of solicitation materials to the beneficial owners of our stock.

If you have any questions about voting your shares or attending the Annual Meeting, please call our Investor Relations Department at (717) 730-7766.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

General

Our by-laws provide that the Board of Directors may be composed of up to 15 members, with the number to be fixed from time to time by the Board. The Board of Directors has fixed the number of directors at 14 effective upon completion of our acquisition of the Brooks and Eckerd drugstore chains from The Jean Coutu Group (PJC) Inc. (the Brooks/Eckerd Transaction), but will be reduced to 13 directors when Mr. Sloan resigns from the Board when his term expires at the 2007 Annual Meeting. As previously announced, we expect the Brooks/Eckerd Transaction to be completed by June 1, 2007, pending final regulatory approval by the Federal Trade Commission and satisfaction of customary closing conditions. Our Board of Directors is divided into three classes, with each class to be as nearly equal in number as possible. The Board of Directors currently consists of four directors whose terms expire this year, four directors whose terms expire in 2008 and four directors whose terms expire in 2009. Upon completion of the Brooks/Eckerd Transaction, Board of Directors will consist of five directors whose terms expire this year, four directors whose terms expire in 2008 and five directors whose terms expire in 2009. Generally, the term of one class of directors expires at each annual meeting of stockholders and each class serves a three-year term.

In connection with the Brooks/Eckerd Transaction, The Jean Coutu Group (PJC) Inc., or Jean Coutu Group, will become the owner of approximately 31.7% of Rite Aid common stock, which will represent approximately 29.9% of the voting power outstanding. The shares of Rite Aid common stock to be issued in connection with the Brooks/Eckerd Transaction will be issued following the record date and, accordingly, will not be entitled to vote at the Annual Meeting. As part of that Transaction, we entered into a stockholder agreement with Jean Coutu Group and certain members of the Coutu family. Pursuant to the terms of the stockholder agreement, upon closing the transaction, our Board will be expanded to 14 directors and, based on the recommendation of the Nominating and Governance Committee, will appoint the following four directors designated by Jean Coutu Group to the Board: André Belzile, François J. Coutu, Michel Coutu and Dennis Wood. These appointments will fill the vacancies on the Board created by the increase in the size of the board by two directors and the resignations, effective and contingent upon the completion of the transaction, of current Rite Aid directors John G. Danhaki and Alfred M. Gleason. The right of Jean Coutu Group to continue to designate a certain number of director nominees is subject to its maintenance of specified ownership thresholds of Rite Aid common stock as set forth in the stockholder agreement.

Director Nominees

The Board of Directors has nominated André Belzile, George G. Golleher, Mary F. Sammons and Philip G. Satre to be elected directors at the Annual Meeting. Each of the nominees for director to be elected at the Annual Meeting currently serves as a Rite Aid director, except for Mr. Belzile, who will be appointed by the Board to serve as a director upon and contingent on completion of the Brooks/Eckerd Transaction. In the event that the Brooks/Eckerd Transaction has not been completed prior to the date of the Annual Meeting, Mr. Belzile's nomination will be deemed to be withdrawn. Each director elected at the Annual Meeting will hold office until the 2010 Annual Meeting of Stockholders and until their successors are duly elected and qualified. The other directors will remain in office for the remainder of their respective terms, as indicated below.

If any nominee at the time of election is unable or unwilling to serve or is otherwise unavailable for election, and as a consequence thereof other nominees are designated, then the persons named in the proxy or their substitutes will have the discretion and authority to vote or to refrain from voting for other nominees in accordance with their judgment.

Corporate Governance

We recognize that good corporate governance is an important means of protecting the interests of our stockholders, associates, customers, and the community. The Board of Directors has closely monitored and implemented relevant legislative and regulatory corporate governance reforms, including provisions of the Sarbanes-Oxley Act of 2002, the rules of the Securities and Exchange Commission interpreting and implementing Sarbanes-Oxley, and the corporate governance listing standards of the New York Stock Exchange.

Website Access to Corporate Governance Materials. Our corporate governance information and materials, including our Certificate of Incorporation, By-Laws, Corporate Governance Guidelines, current charters for each of the Audit Committee, Compensation Committee and Nominating and Governance Committee, Code of Ethics for the Chief Executive Officer and Senior Financial Officers, Code of Ethics and Business Conduct, and our Related Person Transactions Approval Policy, are posted on our website at www.riteaid.com under the headings Our Company Corporate Governance and are available in print upon request to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Secretary. The Board regularly reviews corporate governance developments and will modify these materials and practices from time to time as warranted.

Codes of Ethics. The Board has adopted a Code of Ethics that is applicable to our Chief Executive Officer and senior financial officers. The Board has also adopted a Code of Ethics and Business Conduct that applies to all of our officers, directors and associates. Any amendment to either code or any waiver of either code for executive officers or directors will be disclosed promptly on our website at www.riteaid.com under the headings Our Company Corporate Governance Code of Ethics.

Director Independence. For a director to be considered independent under the New York Stock Exchange corporate governance listing standards, the Board of Directors must affirmatively determine that the director does not have any direct or indirect material relationship with the Company, including any of the relationships specifically proscribed by the NYSE independence standards. The Board considers all relevant facts and circumstances in making its independence determinations. Only independent directors may serve on our Audit Committee, Compensation Committee and Nominating and Governance Committee.

As a result of this review, the Board affirmatively determined that the following directors, including each director serving on the Audit Committee, the Compensation Committee and the Nominating and Governance Committee, satisfy the independence requirements of the NYSE listing standards: Joseph B.

Anderson, Jr., Michael A. Friedman, MD, Alfred M. Gleason, George G. Golleher, Robert A. Mariano, Philip G. Satre, Stuart M. Sloan and Marcy Syms. In addition, the Board affirmatively determined that each of the following directors to be appointed upon completion of the Brooks/Eckerd Transaction satisfied the independence requirements of the NYSE listing standards: André Belzile, François J. Coutu and Dennis Wood. The Board also determined that the members of the Audit Committee satisfy the additional independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934 and the NYSE requirements for audit committee members. In determining each individual's status as an independent director, the Board considered the following transactions, relationships and arrangements:

- Joseph B. Anderson serves as a director of Valassis Communications, Inc., which does business with Rite Aid. Because Mr. Anderson serves only as an outside director of, and is not an officer of or otherwise employed by, Valassis Communications, Inc., the Board determined that the relationship between Rite Aid and Valassis Communications, Inc. does not constitute a material relationship between Mr. Anderson and Rite Aid.
- Until March 2007, George G. Golleher served as director of General Nutrition Centers, which does business with Rite Aid. Because Mr. Golleher serves only as an outside director of, and is not an officer of or otherwise employed by, General Nutrition Centers, the Board determined that the relationship between Rite Aid and General Nutrition Centers does not constitute a material relationship between Mr. Golleher and Rite Aid.

There is no family relationship between any of the nominees, continuing directors and executive officers of Rite Aid, except that directors François Coutu and Michel Coutu are brothers.

Majority Voting Standard and Policy. In April 2007, the Board amended the Company's Amended and Restated By-Laws (the By-Laws), which will become effective upon the closing of the Brooks/Eckerd Transaction, to change the voting standard for the election of directors from a plurality to a majority voting standard in uncontested elections. Under the new majority voting standard, a nominee for director will be elected to the Board if the votes cast for such nominee's election exceed the votes cast against such nominee's election. Directors will continue to be elected by plurality vote at any meeting of stockholders for which (i) the Secretary of the Company receives a notice that a stockholder has nominated a person for election to the Board in compliance with the advance notice requirements for stockholder nominees for director set forth in the By-Laws and (ii) such nomination has not been withdrawn by such stockholder on or prior to the fourteenth day preceding the date the Company first mails its notice of meeting for such meeting to the stockholders.

In connection with the By-Law amendment concerning the majority vote standard for the election of directors, the Board of Directors adopted an amendment to the Company's Corporate Governance Guidelines (the Guidelines), which will become effective upon the closing of the Brooks/Eckerd Transaction. The amendment to the Guidelines provides that a director who fails to receive the required number of votes for re-election in accordance with the By-Laws will, within five days following certification of the stockholder vote, tender his or her written resignation to the Chairman of the Board for consideration by the Board, subject to the procedures set forth in the Guidelines. A copy of the policy is attached as Appendix A.

Committees of the Board of Directors

The Board of Directors has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Governance Committee and the Executive Committee. Current copies of the charters for each of these committees are available on our website at www.riteaid.com under the headings Our Company Corporate Governance Committee Charters.

Audit Committee. The Audit Committee, which held nine meetings during fiscal year 2007, currently consists of Alfred M. Gleason (Chairman), George G. Golleher, Robert A. Mariano, Philip G. Satre and Marcy Syms. Upon the completion of the Brooks/Eckerd Transaction, the Audit Committee will consist of Philip G. Satre (Chairman), André Belzile, Robert A. Mariano and Marcy Syms. The Board has determined that each of these individuals is an independent director under the NYSE listing standards and satisfies the additional independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934 and the additional requirements of the NYSE listing standards for audit committee members. See the section entitled *Corporate Governance Director Independence* above. The Board has determined that George G. Golleher qualifies, and upon the completion of the Brooks/Eckerd Transaction Mr. Satre will qualify, as an audit committee financial expert as that term is defined under applicable SEC rules.

The functions of the Audit Committee include the following:

- Appointing, compensating and overseeing our independent registered public accounting firm (independent auditors);
- Overseeing management s fulfillment of its responsibilities for financial reporting and internal control over financial reporting; and
- Overseeing the activities of the Company s internal audit function.

The independent auditors and internal auditors meet with the Audit Committee with and without the presence of management representatives. For additional information, see the section entitled *Audit Committee Report*.

Compensation Committee. The Compensation Committee, which met seven times during fiscal year 2007, currently consists of Philip G. Satre (Chairman), Michael A. Friedman, MD and Stuart M. Sloan. Upon the completion of the Brooks/Eckerd Transaction, the Compensation Committee will consist of George G. Golleher (Chairman), Michael A. Friedman, MD, Stuart M. Sloan and Dennis Wood. Stuart M. Sloan will not stand for reelection and thus will cease to be a director and a member of the Compensation Committee following the 2007 Annual Meeting. The Board has determined that each of these individuals is an independent director under the NYSE listing standards. See the section entitled *Corporate Governance Director Independence* above.

The functions of the Compensation Committee include the following:

- Administering Rite Aid s stock option and other equity incentive plans;
- Determining and approving the compensation levels for the Chief Executive Officer; and
- Reviewing and recommending to the Board of Directors other senior officers compensation levels.

The Compensation Committee reviews the performance of the Company s executive personnel and develops and makes recommendations to the Board of Directors with respect to executive compensation policies. The Compensation Committee is empowered by the Board of Directors to award to executive officers appropriate bonuses, stock options, stock appreciation rights (SARs) and stock-based awards. The details of the processes and procedures for the consideration and determination of executive and director compensation are described in the section entitled *Compensation Discussion and Analysis*.

The Compensation Committee also has access to independent compensation data and from time to time engages outside compensation consultants. In fiscal year 2007, the Compensation Committee considered the report of outside compensation consultants with respect to executive compensation and equity strategy.

The objectives of the Compensation Committee are to support the achievement of desired company performance, to provide compensation and benefits that will attract and retain superior talent and reward performance and to fix a portion of compensation to the outcome of the Company's performance.

Nominating and Governance Committee. The Nominating and Governance Committee, which held one meeting during fiscal year 2007, currently consists of Joseph B. Anderson, Jr. (Chairman), Michael A. Friedman, MD and George G. Golleher. Upon the completion of the Brooks/Eckerd Transaction, the Nominating and Governance Committee will consist of Joseph B. Anderson, Jr. (Chairman), François J. Coutu, Michael A. Friedman, MD and Robert A. Mariano. The Board has determined that each of these individuals is an independent director under the NYSE listing standards. See the section entitled "Corporate Governance - Director Independence" above.

The functions of the Nominating and Governance Committee include the following:

- Identifying and recommending to the Board individuals qualified to serve as Rite Aid directors;
- Recommending to the Board individual directors to serve on committees of the Board;
- Advising the Board with respect to matters of Board composition and procedures;
- Developing and recommending to the Board a set of corporate governance principles applicable to Rite Aid and overseeing corporate governance matters generally;
- Overseeing the annual evaluation of the Board and management; and
- Reviewing, evaluating and recommending for approval by the Board related person transactions of the Company.

Executive Committee. The members of the Executive Committee currently are Robert G. Miller, Mary F. Sammons, Jonathan D. Sokoloff and Stuart M. Sloan. Upon the completion of our acquisition of the Brooks/Eckerd Transaction, the Executive Committee will consist of Mary F. Sammons (Chairman), Michel Coutu (Co-Chairman), Robert G. Miller, Philip G. Satre and Stuart M. Sloan. Stuart M. Sloan will not stand for reelection and thus will cease to be a director and a member of the Executive Committee following the 2007 Annual Meeting. The Executive Committee did not meet during fiscal year 2007. However, on one occasion in fiscal year 2007, the Executive Committee acted by unanimous written consent. The Executive Committee, except as limited by Delaware law, is empowered to exercise all of the powers of the Board of Directors.

Nomination of Directors

The Nominating and Governance Committee will consider director candidates recommended by stockholders. In considering such recommendations, the Nominating and Governance Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating and Governance Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating and Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

- The name of the stockholder and evidence of the person's ownership of Rite Aid stock, including the number of shares owned and the length of time of ownership; and
- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Rite Aid director and the person's consent to be named as a director if selected by the Nominating and Governance Committee and nominated by the Board.

The stockholder recommendation and information described above must be sent to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Secretary. The Nominating and Governance Committee will accept recommendations of director candidates throughout the year; however, in order for a recommended director candidate to be considered for nomination to stand for election at an upcoming annual meeting of stockholders, the recommendation must be received by the Secretary not less than 120 days prior to the anniversary date of Rite Aid's most recent annual meeting of stockholders.

The Nominating and Governance Committee believes that the minimum qualifications for serving as a Rite Aid director are that a candidate demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of Rite Aid's business and affairs and have an impeccable record and reputation for honest and ethical conduct in his or her professional and personal activities. In addition, the Nominating and Governance Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company. The Nominating and Governance Committee also seeks to have the Board represent a diversity of backgrounds and experience.

The Nominating and Governance Committee identifies potential candidates by asking current directors and executive officers to notify the committee if they become aware of persons, meeting the criteria described above, who have had a change in circumstances that might make them available to serve on the Board—for example, retirement as a CEO or CFO of a public company or exiting government or military service. The Nominating and Governance Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the committee will also consider candidates recommended by stockholders.

Once a person has been identified by the Nominating and Governance Committee as a potential candidate, the committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating and Governance Committee determines that the candidate warrants further consideration, the Chairman or another member of the committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating and Governance Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conducts one or more interviews with the candidate. In certain instances, committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Executive Sessions of Non-Management Directors

In order to promote discussion among the non-management directors, regularly scheduled executive sessions (*i.e.*, meetings of non-management directors without management present) are held to review such topics as the non-management directors determine. As of the completion of the Brooks/Eckerd Transaction, these sessions will be presided over by the Non-Executive Co-Chairman of the Board of Directors. The non-management directors met in executive session four times during fiscal year 2007.

Communications with the Board of Directors

The Board has established a process to receive communications from stockholders and other interested parties. Stockholders and other interested parties may contact any member (or all members) of the Board, any Board committee or any chair of any such committee by mail or electronically. To

communicate with the Board of Directors, the non-management directors, any individual directors or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or committee of directors by either name or title. All such correspondence should be sent to Rite Aid Corporation, c/o Secretary, P.O. Box 3165, Harrisburg, Pennsylvania 17105. To communicate with any of the directors electronically, stockholders should go to our website at www.riteaid.com. Under the headings Our Company Corporate Governance Contact Our Board you will find an on-line form that may be used for writing an electronic message to the Board, the non-management directors, any individual directors, or any committee of directors. Please follow the instructions on the web site in order to send your message.

All communications received as set forth above will be opened by the Secretary for the purpose of determining whether the contents represent a message to the directors, and depending on the facts and circumstances outlined in the communication, will be distributed to the Board, the non-management directors, an individual director, or committee of directors, as appropriate. The Secretary will make sufficient copies of the contents to send to each director who is a member of the Board or of the committee to which the envelope or e-mail is addressed.

Directors Attendance at Board, Committee and Annual Meetings

The Board of Directors held four regular meetings, six special meetings and on one occasion acted by unanimous written consent during fiscal year 2007. Each incumbent director attended at least 75% of the aggregate of the meetings of the Board of Directors and meetings held by all committees on which such director served, during the period for which such director served.

It is our policy that directors are invited and encouraged to attend the annual meeting of stockholders. Ten of our directors were in attendance at the 2006 Annual Meeting of Stockholders.

Directors Compensation

Except for Robert G. Miller, whose compensation arrangements are discussed in the section below entitled Agreement with Mr. Miller, and except as noted below under the director compensation plan, each non-employee director other than Mr. Sokoloff (who is affiliated with Leonard Green & Partners L.P., an entity that provides services to Rite Aid, as discussed under Certain Relationships and Related Transactions) receives an annual payment of \$50,000 in cash, payable quarterly in arrears, except that the annual payment to each non-employee director who is a member of the Audit Committee is \$60,000 and the annual payment to Michel Coutu in his capacity as Non-Executive Co-Chairman will be \$500,000. In addition, the chair of the Audit Committee receives an additional annual payment of \$15,000. Each non-employee director who chairs a committee of the Board other than the Audit Committee receives an additional annual payment of \$7,500. Directors who are officers and full-time Rite Aid employees and Mr. Sokoloff receive no separate compensation for service as directors or committee members. Directors are reimbursed for travel and lodging expenses associated with attending Board of Directors meetings.

Each person who was first elected or appointed as a director after January 1, 2002 and who is eligible to receive compensation for serving as a director shall, on the date first elected or appointed, receive non-qualified stock options to purchase 100,000 shares of common stock . In addition, non-employee directors other than Messrs. Danhagl and Sokoloff are entitled to annually receive non-qualified stock options to purchase 50,000 shares of common stock . All of the options received by the directors vest ratably over a three-year period beginning on the first anniversary of the date they were granted. None of such options vests after the non-employee director ceases to be a director, except in the case of a director whose service terminates after he or she reaches age 72, in which case such options will vest immediately upon termination. All of the options vest immediately upon a change in control. In accordance with the foregoing, the following number of options to purchase shares of common stock were issued under Rite

Aid's 2001 Stock Option Plan to the following directors: on June 21, 2006, Ms. Syms and Messrs. Anderson, Friedman, Gleason, Golleher, Mariano, Miller, Satre and Sloan each received options to purchase 50,000 shares, with an exercise price of \$4.55 per share; and on the date of the closing of the Brooks/Eckerd Transaction, André Belzile, François J. Coutu, Michel Coutu and Dennis Wood will be appointed to the Board of Directors and each of them will receive non-qualified stock options to purchase 100,000 shares with an exercise price equal to the market price of the Company's common stock as of the close of business on the date of grant. In fiscal year 2007, Rite Aid's non-employee directors also received \$1,000 for each Board of Directors and committee meeting attended or \$1,500 for each meeting attended at which such non-employee director served as the chairman of a committee, except that John G. Danhagl and Jonathan D. Sokoloff received no such compensation.

Mr. Miller became Chairman in December 1999 and will continue to serve as Chairman until he steps down upon the closing of the Brooks/Eckerd Transaction, and Mr. Miller will continue to serve as a director until June 30, 2008 or the date of Rite Aid's 2008 Annual Meeting of Stockholders, whichever is earlier (the Employment Period), subject to the other terms and conditions of the agreement.

Salary and Incentive Bonus. Mr. Miller receives annual base pay of \$350,000 and is entitled to continued benefits, in their entirety, including participation in Rite Aid's fringe benefit and perquisite programs and savings plans, and continued deferred compensation as provided under the December 5, 1999 employment agreement. However, he is not entitled to participate in any incentive compensation or bonus plans.

Restricted Stock and Options. During the Employment Period, Mr. Miller is eligible to receive option and restricted stock awards in accordance with Rite Aid's policy for members of the Board of Directors as in effect from time to time. Mr. Miller's existing stock options and shares of restricted stock continue to vest and be fully exercisable for the remainder of their stated terms.

Termination of Employment and Change-in-Control Arrangements. The termination provisions of the April 9, 2003 employment agreement became effective immediately and remain in effect until the agreement expires. The termination provisions and change-in-control arrangements of the April 9, 2003 employment agreement are substantially similar to those in the December 5, 1999 employment agreement. Pursuant to the April 28, 2005 amendment to the April 9, 2003 agreement, if Mr. Miller is not re-elected as Chairman, he can be terminated and receive one year base salary (as compared to three years provided under the December 5, 1999 agreement for termination without cause). Mr. Miller has waived any right he would have pursuant to his employment agreement upon his ceasing to serve as Chairman or a change in control triggered by the transaction to acquire the Brooks and Eckerd drugstore chains.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

Rite Aid Corporation (the Company or Rite Aid) is the third largest retail drugstore chain in the United States based on revenues and number of stores, operating approximately 3,300 stores in 27 states and the District of Columbia. The Company faces a wide range of competitive challenges including, but not limited to, national non-drugstore retailers, other retail drugstore chains, independently owned drugstores, supermarkets, mass merchandisers, discount stores, dollar stores and mail order pharmacies. A primary component of the Company's human resource strategy is to attract, motivate, and retain highly talented individuals at all levels of the organization who are committed to the Company's core values of excellence, integrity, and respect for people and have the ability to execute the Company's strategic and operational priorities.

Objectives of Executive Compensation

All executive compensation and benefits programs are within the purview of the Compensation Committee, which bases these programs on the same objectives that guide the Company in establishing all of its compensation programs, outlined below. The Compensation Committee also administers the Company's equity incentive compensation plans. In establishing or approving the compensation of our executive officers in any given year, the Compensation Committee is generally guided by the following objectives:

Compensation should be based on the level of job responsibility, individual performance, and company performance, and should foster the long-term focus required for success in the retail drugstore industry. As associates progress to higher levels in the organization, an increasing proportion of their pay should be linked to company performance and shareholder returns and to longer-term performance because they are in a position to have greater influence on longer-term results.

Compensation should reflect the value of the job in the marketplace. To attract and retain a highly skilled work force, we must remain competitive with the pay of other employers who compete with us for talent.

Compensation should reward performance. Our programs should deliver compensation in relationship to company performance. Where company performance falls short of expectations, the programs should deliver lower-tier compensation. In addition, the objectives of pay-for-performance and retention must be balanced. Even in periods of temporary downturns in company performance,

the programs should continue to ensure that successful, high-achieving employees will remain motivated and committed to the Company to support the stability and future performance needs of the Company.

To be effective, performance-based compensation programs should enable associates to easily understand how their efforts can affect their pay, both directly through individual performance accomplishments and indirectly through contributing to the Company's achievement of its strategic and operational goals.

Compensation and benefit programs should be set across consistent measures and goals at all levels of the organization. While the programs and individual pay levels will always reflect differences in job responsibilities, geographies, and marketplace considerations, the overall structure of compensation and benefit programs should be broadly similar across the organization.

Compensation and benefit programs should attract associates who are interested in a career at Rite Aid.

The Committee's Processes

The Compensation Committee has established a number of processes to assist it in ensuring that the Company's executive compensation program is achieving its objectives. Among those are:

Assessment of Company Performance. The Compensation Committee uses company performance measures in two ways. First, in establishing total compensation ranges, the Compensation Committee considers various measures of company and industry performance, including, but not limited to, comparable store sales growth, Adjusted EBITDA, earnings growth, return on sales, return on average invested capital and assets, and total shareholder return. The Compensation Committee does not apply a formula or assign these performance measures relative weights. Instead, it makes a subjective determination after considering such measures collectively. Second, as described in more detail below, the Compensation Committee has established specific company target incentive/award levels and performance measures that determine the size of payouts under the Company's two formula-based incentive programs - the cash incentive bonus program and the equity program.

Assessment of Individual Performance. Individual performance has a strong impact on the compensation of all employees, including the CEO and the other executive officers. With respect to the CEO, the independent directors meet with the CEO in executive session annually at the beginning of the year to agree upon the CEO's performance objectives (both individual and company objectives) for the year. At the end of the year, the independent directors meet in executive session to conduct a performance review of the CEO based on his or her achievement of the agreed-upon objectives, contribution to the Company's performance, and other leadership accomplishments. This evaluation is shared with the CEO and is provided to the Compensation Committee for its consideration in setting the CEO's compensation.

For the other named executive officers, the Compensation Committee receives a performance assessment and compensation recommendation from the CEO and also exercises its judgment based on the board's interactions with the executive officer. As with the CEO, the performance evaluation of these executives is based on achievement of pre-agreed objectives by the executive and his or her organization, his or her contribution to the Company's performance, and other leadership accomplishments.

Benchmarking. The Compensation Committee benchmarks the Company's programs with a peer group of retail organizations via external survey and compensation recommendations from Mercer Human Resources Consulting a qualified, independent compensation consultant that reports

its findings directly to the Compensation Committee. For the Company's 2007 fiscal year, this peer group consisted of the following companies: Albertson's Inc.; BJ's Wholesale; Costco; CVS; Dollar General; Family Dollar Stores; Great Atlantic & Pacific Tea Co.; Home Depot; Longs Drug Store; Lowe's Companies; Safeway, Inc.; Target Corp. and Walgreen Co. The Compensation Committee compares the companies' executive compensation programs as a whole, and also compares the pay of individual executives if the jobs are sufficiently similar to make the comparison meaningful. The Compensation Committee uses the peer group data primarily to ensure that the executive compensation program as a whole is competitive, meaning generally within the broad middle range of comparative pay of the peer group companies when the Company achieves the targeted performance levels.

Total Compensation Review. The Compensation Committee reviews each executive's base pay, bonus, and equity incentives annually with the guidance of the Compensation Committee's independent consultant. Following the fiscal year 2007 review, the Compensation Committee determined that these elements of compensation were reasonable in the aggregate.

Components of Executive Compensation for Fiscal Year 2007

For Fiscal Year 2007, the compensation of executives consisted of four primary components: base salary, a cash incentive bonus award under the Company Bonus Plan, equity grants of stock options, restricted stock, performance units and a benefits package. The Compensation Committee believes that this program balances both the mix of cash and equity compensation, the mix of currently-paid and longer-term compensation, and the security of base benefits in a way that furthers the compensation objectives discussed above. Following is a discussion of the Compensation Committee's considerations in establishing each of the components for the executive officers.

Base Salary

Base salary is the guaranteed element of an executive's annual cash compensation during employment. The value of base salary reflects the employee's long-term performance, skill set and the market value of that skill set. In setting base salaries for fiscal year 2007, the Compensation Committee considered the following factors:

The median of comparable companies. The Compensation Committee generally attempts to provide base compensation approximating the median of the selected group of peer companies listed above.

Internal relativity, meaning the relative pay differences for different job levels.

Individual performance. Except for increases associated with promotions or increased responsibility, increases in base salary for executives from year to year are generally limited to minimal adjustments to reflect individual performance.

Peer group data specific to the executive's position, where applicable. As noted above, we used the peer group data to test for reasonableness and competitiveness of base salaries, but we also exercised subjective judgment in view of our compensation objectives.

Consideration of the mix of overall compensation. Consistent with our compensation objectives, as executives progress to higher levels in the organization, a greater proportion of overall compensation is directly linked to Company performance and shareholder returns. Thus, for example, Ms. Sammons' overall compensation is more heavily weighted toward incentive compensation and equity compensation than that of the other executive officers.

In establishing Ms. Sammons' base salary for fiscal year 2007, the Compensation Committee applied the principles described above under "The Committee's Processes." In an executive session including all independent directors, the Compensation Committee assessed Ms. Sammons' fiscal year 2006 performance. They considered the Company's and Ms. Sammons' accomplishment of objectives that had been established at the beginning of the year and its own subjective assessment of her performance. They noted that under Ms. Sammons' leadership, in fiscal year 2006 the Company continued to develop and execute against its strategic plan and improve its competitive positioning. Although the Company did not achieve its overall financial goals for fiscal year 2006, the Company's capital structure was improved, its new store development program continued to increase our presence in key strategic markets and customer satisfaction ratings in both the front end and pharmacy improved. In recognition of her continued strong leadership in fiscal year 2006, the Compensation Committee set Ms. Sammons' base salary for fiscal year 2007 at \$1,000,000, the same level that it was for fiscal years 2004 through 2006.

The Compensation Committee reviewed similar considerations for each of the other named executives. With regard to Mr. Panzer's performance, the Compensation Committee considered his new role as Chief Marketing Officer and increased his annual salary by two percent in fiscal year 2007. The Compensation Committee had increased Mr. Twomey's annual salary by three percent in fiscal year 2007 based upon his performance as Chief Financial Officer. The Compensation Committee also increased Mr. deBruin's annual salary by three percent in fiscal year 2007 based upon his performance as Executive Vice President, Pharmacy. No adjustment was made to Mr. Mastrian's annual salary in fiscal year 2007.

Cash Incentive Bonuses

The Company has established an annual cash bonus program in order to incentivize associates to meet the Company's Adjusted EBITDA (earnings before interest, taxes, depreciation, amortization and certain other adjustments) and customer satisfaction targets for the fiscal year 2007. Named executive officers, other executive officers and key managers of the Company participate in the cash bonus program. The bonuses paid for fiscal year 2007 appear in the Summary Compensation Table under the "Non-Equity Incentive Plan Compensation" column. Under the program, bonus target amounts, expressed as a percentage of base salary, are established for participants at the beginning of each fiscal year. Bonus payouts for the year are then determined by the Company's financial and customer satisfaction results for the year relative to predetermined performance measures. The Compensation Committee considered the following when establishing the awards for fiscal year 2007:

Bonus Targets. Bonus targets for each individual were based on job responsibilities, internal relativity, and peer group data. Our objective was to set bonus targets such that total annual cash compensation was within the broad middle range of peer group companies and a substantial portion of that compensation was linked to company performance. Consistent with our executive compensation policy, individuals with greater job responsibilities had a greater proportion of their total cash compensation tied to company performance through the bonus plan. Thus, the Compensation Committee established the following bonus targets for fiscal year 2007 (expressed as a percentage of base salary): Ms. Sammons, 150 percent; Mr. Mastrian, 110 percent; Mr. Panzer, 100 percent; Mr. Twomey, 60 percent; and Mr. deBruin, 60 percent.

Company performance measures. For all participants in the corporate plan, including the named executive officers, the Compensation Committee established fiscal year 2007 company performance measures between the minimum (\$650 million) and the maximum (\$740 million) Adjusted EBITDA targets and the minimum (70%) and maximum (85%) of overall customer satisfaction survey targets. The measures were determined in April 2006. The Compensation Committee believes that this mix of performance measures encourages associates to focus appropriately on improving both operating

results and customer service. The measures are also effective motivators because they are easy to track and clearly understood by associates. Under the plan formula, payouts can range from zero to 200 percent of target depending on company performance. In establishing the target for Adjusted EBITDA and customer satisfaction, the Compensation Committee considered the expected 2007 performance of these measures. The bonuses paid to executive officers for fiscal year 2007 correlated to the achievement of 102.91 percent of the combined Adjusted EBITDA and customer satisfaction results targets.

Equity Incentive Program

In fiscal year 2007, we employed three forms of equity incentives granted under the Company's Stock Option and Stock Award Plans: stock options, performance awards and restricted stock. For the executive officers, stock option grants comprised 60 percent, performance awards comprised 30 percent and restricted stock comprised 10 percent of the total long-term equity incentive level established by the Compensation Committee. These incentives foster the long-term perspective necessary for continued success in our business. They also ensure that our leaders are properly focused on shareholder value. Stock options and restricted stock have traditionally been granted broadly and deeply within the organization, with approximately 10,000 management, field and store associates now participating in our equity incentive program. In determining the value of grants for executives, the Compensation Committee's overall objective was to set combined grant values of stock options, restricted stock and performance awards that were competitive within the broad middle range of peer company long-term incentive grant amounts. The Compensation Committee approves grant values prior to the pre-established grant date. The Compensation Committee's process for setting grant dates is discussed below. Then, on the grant date those values are converted to the equivalent number of shares based on the closing price of the Company's common stock on the date of grant for restricted shares and performance units, and using the Black-Scholes valuation method for stock options.

Grant Timing and Price. The Compensation Committee's procedure for timing of equity grants (performance awards, restricted stock and stock options) provides assurance that grant timing is not being manipulated to result in a price that is favorable to associates. The annual equity grant date for all eligible employees, including executive officers (more than 10,000 associates), is in late-June. This date is established by the Compensation Committee well in advance of the date of grant typically at the Compensation Committee's September or December meeting. The late-June grant date timing is driven by several considerations:

- It follows the Company's assessment of prior year goals and objectives, establishment of the current fiscal year's goals and objectives and assessment of management's performance, allowing supervisors to deliver the equity awards close in time to performance appraisals.
- It follows the filing of the financial statements for the prior fiscal year, so that the stock price at that time can reasonably be expected to fairly represent the market's collective view of our then-current results and prospects.

For fiscal year 2007, the Compensation Committee maintained the same total grant values as in the prior fiscal year. In making this determination, the Compensation Committee reviewed available peer group data and found that the design of the long-term equity incentive program is reasonably aligned with those of the general retail industry market practice. Grant values for individual executive officers were determined by individual performance and internal relativity. Consistent with the Company's compensation philosophy, executive officers at higher levels received a greater proportion of total pay in the form of equity incentives.

Equity Incentives Stock Options

Stock options align associate incentives with shareholders because options have value only if the stock price increases over time. The Company's ten-year options, granted at the market price on the date of grant, help focus employees on long-term growth. In addition, options are intended to help retain key associates because they vest over a four-year period, which also helps keep employees focused on long-term performance. The Company does not reprice options; likewise, if the stock price declines after the grant date, we do not replace options.

The Compensation Committee considered the following in establishing the fiscal year 2007 option grants to executive officers:

Grant size. As noted above under Equity Incentive Program, stock option grants were 60 percent of the total equity grant values (measured in accordance with SFAS No. 123(R)) established by the Compensation Committee. The total equity grant values were unchanged from fiscal year 2006.

Equity Incentives Performance Awards

Performance awards provide the named executive officers and other executives with units, payable in cash or shares of Rite Aid stock if certain company performance goals are achieved, aligning executives with shareholder interests and providing an ownership stake in the Company. The awards, normally granted annually, are structured as a targeted number of units based on the Company's achievement of specific Adjusted EBITDA levels over a specified time period of three years. We granted performance awards for fiscal year 2007 to executive officers with possible payouts ranging from zero to 200 percent of the target amount, depending on Adjusted EBITDA as compared to target for fiscal years 2007, 2008 and 2009. No dividends are paid on the awards during the performance period. The awards are paid in cash or in stock, at the Company's election, at the end of the three year performance period.

The Compensation Committee approved the terms of the fiscal year 2007 performance awards in June 2006, and took into consideration the following:

Target grant size. As noted above under Equity Incentive Program, performance awards were 30 percent of the total equity grant values (measured in accordance with SFAS No. 123(R)) established by the Compensation Committee. The Compensation Committee decided to maintain the same grant values in fiscal year 2007 as in the prior fiscal year.

Company performance measure. As in previous years, the Compensation Committee established the performance measure as Adjusted EBITDA for each fiscal year over a three-year period. The Compensation Committee believes Adjusted EBITDA is an effective motivator because it is closely linked to shareholder value and has the greater ability to be impacted by the executives. In setting the target Adjusted EBITDA for fiscal year 2007, the Compensation Committee considered the expected earnings performance of the Company. There was no performance award payout in fiscal year 2007 in respect of previous years' award cycles.

Longer-term focus and retention considerations. To enhance the performance awards' incentives for longer-term focus and retention, the awards to executive officers for fiscal year 2007 are payable in cash or restricted stock that is subject to forfeiture if the executive leaves the Company prior to February 2009 or such later date that Adjusted EBITDA performance for the period is determined, except by reason of death, disability, retirement, or by consent of the Compensation Committee.

Equity Incentives Restricted Stock

Restricted stock grants are intended to help retain key associates because they generally vest over a three-year period, which also helps keep employees focused on long-term performance. Combined grants

(restricted stock, performance awards and stock options) provide a better balance for executive officers between risk and potential reward as compared to a grant of only stock options.

The Compensation Committee considered the following in establishing the fiscal year 2007 restricted stock grants to executive officers:

Grant size. As noted above under Equity Incentive Program, restricted stock grants were 10 percent of the total equity grant values (measured in accordance with SFAS No. 123(R)) established by the Compensation Committee. The total equity grant values were unchanged from fiscal year 2006.

Post-Retirement Benefits

Supplemental Executive Retirement Plans. Rite Aid established a defined contribution supplemental executive retirement plan for the benefit of our CEO, Ms. Sammons, and Mr. Miller, our current Chairman of the Board. Each month, \$20,000 is invested for Mr. Miller and \$20,000 is invested for Ms. Sammons. Under the defined contribution supplemental executive retirement plan, the participants are able to direct the investment of the amounts by selecting one or more investment vehicles from a group of deemed investments offered pursuant to the defined contribution supplemental executive retirement plan. The investments are made each month during the term of the participants service with Rite Aid. Each of Mr. Miller and Ms. Sammons is fully vested in the plan at all times.

Messrs. Mastrian, Panzer, deBruin and Twomey receive benefits under a defined contribution supplemental executive retirement plan (Plan), which is different from the retirement plan maintained for Ms. Sammons noted above. Under the Plan, Rite Aid credits a specific sum to an individual account established for Messrs. Mastrian, Panzer, deBruin and Twomey, and other participating executive officers, on a monthly basis. The amount credited is equal to 2% of the executive officer's annual base compensation, up to a maximum of \$15,000 per month. The participants are able to select among a choice of earnings indexes, and their accounts are credited with earnings which mirror the investment results of such indexes. Annually Rite Aid makes investments for all participants in the Plan. Participants vest in their accounts at the rate of 20% per year for each full year of participation in the Plan at a five-year rolling rate, provided that the entire account balance for each participant shall vest upon a change in control of the Company, as defined in the Plan. Participants will receive their vested account balance upon the earlier to occur of: (i) their retirement at age 60 or greater, with at least five years of participation in the Plan; (ii) termination of employment with the Company (including due to death or disability); (iii) a hardship withdrawal pursuant to the terms of the Plan; and (iv) a withdrawal election pursuant to the terms of the Plan.

Other Post-Employment and Change in Control Benefits

On December 5, 1999, Rite Aid entered into an employment agreement with Mary F. Sammons. On November 18, 2000, Rite Aid entered into an employment agreement, effective as of September 27, 2000, with James P. Mastrian; on June 27, 2001, Rite Aid entered into an employment agreement with Mark C. Panzer; on February 3, 2003, Rite Aid entered into an employment agreement with Jerry Mark deBruin; and on September 1, 2003, Rite Aid entered into an employment agreement with Kevin Twomey (referred to herein as the Named Executive Officers). The terms of the employment agreements are described in more detail under the caption Employment Agreements. Severance and change in control benefits provided under the employment agreements are described under the caption Potential Payments Upon Termination or Change in Control. In connection with the Brooks/Eckerd Transaction, the Compensation Committee revisited the terms of the employment agreements and the change in control provisions in particular. Upon the advice of its independent compensation consultant, the Compensation Committee determined that the existing employment agreements did not need to be revised in light of the

relatively limited change in control benefits provided. Under Ms. Sammons's employment agreement, any termination of employment by Ms. Sammons within the six month period commencing on the date of a change in control of Rite Aid will be treated as a termination of employment by the Executive for good reason, as defined in the agreement. Ms. Sammons has waived any right she would have pursuant to her employment agreement upon a change in control triggered by the Brooks/Eckerd Transaction.

Deductibility Cap on Executive Compensation

The Compensation Committee is aware that Section 162(m) of the Internal Revenue Code of 1986, as amended, treats certain elements of executive compensation in excess of \$1,000,000 a year as an expense not deductible by the Company for federal income tax purposes. However, certain payments made to the Named Executive Officers will not qualify as performance-based compensation under Section 162(m). The Compensation Committee reserves the right to pay compensation that may be non-deductible to the Company if it determines that it would be in the best interests of the Company.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors has reviewed and discussed the foregoing Compensation Discussion and Analysis with management and, based on that review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As discussed above under the caption "Employment Agreements", the Company has entered into employment agreements with each of the Named Executive Officers. Upon written notice, the employment agreement of each of the Named Executive Officers is terminable by either Rite Aid or the individual officer seeking termination.

If Ms. Sammons is terminated by Rite Aid "without cause" or if she terminates her employment for "good reason" (as such terms are defined in Ms. Sammons' employment agreement), then:

- Ms. Sammons will be paid an amount equal to three times the sum of the annual base salary and target bonus plus any accrued but unpaid salary and bonus, with the maximum bonus that she is eligible to earn being pro-rated through the date of termination; and
- Ms. Sammons will be paid the deferred compensation amounts that would otherwise have been credited to her pursuant to the supplemental executive retirement plan (discussed in the Compensation Discussion and Analysis) had she continued employment with Rite Aid through the end of the then-remaining Employment Period and she will continue to receive medical benefits for life.

With respect to Ms. Sammons' stock options, if Ms. Sammons:

- terminates her employment for "good reason", all of the stock options will immediately vest and be exercisable for the remainder of their stated terms, the restrictions on the restricted common stock will immediately lapse and any performance or other conditions applicable to any other equity incentive awards will be considered to have been satisfied; or
- terminates her employment other than for "good reason", all of the stock options awarded pursuant to her employment agreement will remain vested and exercisable throughout the remainder of their stated terms and any other outstanding stock option that has vested and become exercisable prior to the date of termination shall remain vested and exercisable for the remainder of their stated term.

Upon termination of employment for any reason other than "cause" (as defined in her employment agreement), Ms. Sammons is entitled to receive an annual payment following termination and continuing for life (and the life of her spouse) equal to the cost of purchasing medical coverage comparable to the coverage provided to our senior executives immediately prior to such termination, excepting payments for periods that the Company provides such coverage described above.

Pursuant to their employment agreements with the Company, if any of Messrs. Mastrian, Panzer, Twomey or deBruin is terminated by Rite Aid "without cause" or if such officer's employment is terminated by the officer for "good reason" (as such terms are defined in the employment agreement), then the officer will be entitled to receive:

- an amount equal to two times the sum of his annual base salary and target bonus plus any accrued but unpaid salary and bonus, with the maximum bonus that the Executive is eligible to earn being pro-rated through the date of termination; and
- all of his stock options will immediately vest and be exercisable, generally, for a period of 90 days following the termination of employment and the restrictions on the restricted common stock will immediately lapse to the extent his options would have vested and restrictions would have lapsed had he remained employed by Rite Aid for two years following the termination.

If Rite Aid terminates any of the Named Executive Officers for cause, or any of the Named Executive Officers terminates his or her employment without good reason (with the exception of Ms. Sammons, whose termination provision is described above):

- Rite Aid shall pay him or her all accrued but unpaid salary and benefits;
- any portion of any then-outstanding stock option grant that was not exercised prior to the date of termination shall immediately terminate; and
- any portion of any restricted stock award, or other equity incentive award, as to which the restrictions have not lapsed or as to which any other conditions were not satisfied prior to the date of termination shall be forfeited.

Change-in-Control Arrangements. Under Ms. Sammons's December 5, 1999 employment agreement, any termination of employment by the Executive within the six month period commencing on the date of a change in control of Rite Aid will be treated as a termination of employment by the Executive for good reason. Ms. Sammons has waived any right she would have pursuant to her employment agreement upon a change in control triggered by the Brooks/Eckerd Transaction.

Under Mr. Mastrian's employment agreement, upon a change in control, all of his stock options will immediately vest and be exercisable and any restrictions on restricted stock will immediately lapse. Under Mr. deBruin's employment agreement, upon a change in control, any restrictions on restricted stock will immediately lapse.

A change in control of the Company has no effect under Messrs. Panzer's and Twomey's employment agreements.

Each employment agreement provides that the Named Executive Officer will receive an additional payment to reimburse the officer for any excise taxes imposed pursuant to Section 4999 of the Internal Revenue Code, together with reimbursement for any additional taxes incurred by reason of such payments.

The invested account balance of the Supplemental Executive Retirement Plan in which Messrs. Mastrian, Panzer, Twomey and deBruin participate will vest upon a change in control of the Company as defined in said plan.

(1) Upon a change of control (as defined in his employment agreement), Mr. Mastrian would become fully vested in certain outstanding stock option and restricted stock grants that were not yet vested on the date of the change of control. The value of stock options shown is based on the excess of \$5.81, the closing price of a share of Rite Aid common stock on March 3, 2007 over the excise price of such options, multiplied by the number of unvested stock options held by the officer. The value of restricted stock shown is determined by multiplying the number of shares of restricted stock that would vest as of March 3, 2007 and \$5.81, the closing price of a share of Rite Aid common stock on March 3, 2007.

(2) Upon a change of control (as defined in his employment agreement), Mr. deBruin would become fully vested in certain outstanding restricted stock grants that were not yet vested on the date of the change of control. The value of restricted stock shown is determined by multiplying the number of shares of restricted stock that would vest as of March 3, 2007 and \$5.81, the closing price of a share of Rite Aid common stock on March 3, 2007.

AUDIT COMMITTEE REPORT

The Board of Directors has adopted a written charter of the Audit Committee which further describes the role of the Audit Committee. The Audit Committee, among other things, appoints and engages our independent registered public accounting firm and oversees our financial reporting and internal control over financial reporting processes on behalf of the Board. Management has the primary responsibility for our financial statements, our accounting principles and our internal control over financial reporting. Our independent registered public accounting firm is responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States. Our independent registered public accounting firm also is responsible for expressing an opinion on management's assessment of the effectiveness of our internal control over financial reporting and an opinion on the effectiveness of our internal control over financial reporting.

In fulfilling its oversight responsibilities, the Audit Committee met nine times during fiscal year 2007.

During those meetings the Audit Committee:

- Met with our internal auditors and independent registered public accounting firm, with and without management present, to discuss the overall scope and plans for their respective audits, the results of their examinations, their evaluations of management's assessment of the effectiveness of our internal control over financial reporting and the overall quality of our financial reporting.
- Reviewed and discussed with management and our independent registered public accounting firm, for their respective purposes, the audited financial statements included in our Annual Report on Form 10-K. The discussions included the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements and the Annual Report on Form 10-K.
- Reviewed the Audit Committee charter.
- Reviewed and discussed with our independent registered public accounting firm those matters required to be communicated by the standards of the Public Company Accounting Oversight Board. Also reviewed and discussed critical accounting policies and practices, alternative accounting treatments, and other material written communications between management and our independent registered public accounting firm, as required by Rule 2-07 of Regulation S-X under the Securities Exchange Act of 1934.
- Discussed with our independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.
- Discussed with our independent registered public accounting firm matters relating to their independence and received the written disclosures and the letter from our independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) as adopted by the Public Company Accounting Oversight Board in Rule 3600T. The Audit Committee has considered whether the level of non-audit related services provided by our independent registered public accounting firm is consistent with maintaining their independence.
- Pre-approved audit, other audit-related and tax services performed by our independent registered public accounting firm.

In addition to pre-approving the audit, other audit-related and tax services performed by our independent registered public accounting firm, the Audit Committee requests fee estimates associated with each proposed service. Providing a fee estimate for a service incorporates appropriate oversight and

control of the independent registered public accounting firm relationship. On a quarterly basis, the Audit Committee reviews the status of services and fees incurred year-to-date against pre-approved services and fee estimates.

As outlined in the table below, we incurred the following fees, including expenses billed to the Company for the fiscal years ended March 3, 2007 and March 4, 2006 by our independent registered public accounting firm, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates.

Description of Fees	Year Ended	
	March 3, 2007	March 4, 2006
	(Amounts in millions)	
Audit Fees , including audit of annual financial statements and reviews of interim financial statements, registration statement filings and comfort letters related to various refinancing activities	\$ 2.6	\$ 3.0
Audit-Related Fees:		
Acquisition due diligence fees and audits of employee benefit plans financial statements	0.8	0.2
Tax Fees , tax compliance advice and planning	0.1	0.2

In reliance on the meetings and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended March 3, 2007 for filing with the SEC.

Relationship with Leonard Green & Partners L.P.

Rite Aid has entered into a one-year agreement with Leonard Green & Partners L.P., or Leonard Green, effective January 1, 2006, whereby Rite Aid has agreed to pay Leonard Green a fee of \$300,000 per year for its consulting services. The consulting agreement was extended effective January 1, 2007 on a month-to-month basis, which also provides for the reimbursement of out-of-pocket expenses incurred by Leonard Green. This agreement is an extension of Rite Aid's existing consulting agreement with Leonard Green. Pursuant to the consulting agreement, Rite Aid may engage Leonard Green to provide financial advisory and investment banking services in connection with major financial transactions that it undertakes in the future. During fiscal year 2007, Rite Aid paid Leonard Green a consulting fee of \$275,000. This transaction was reviewed and ratified by our Board in April 2007 under our related person transactions approval policy described above. Jonathan D. Sokoloff, a director of Rite Aid, is an equity owner of Leonard Green.

Agreements with Jean Coutu Group

In connection with Rite Aid's acquisition of the Brooks and Eckerd drugstore chains from Jean Coutu Group, Rite Aid and Jean Coutu Group became a party to a series of agreements which are described below. Upon the closing of the Brooks/Eckerd Transaction, which is expected to close by June 1, 2007 pending final regulatory approval by the Federal Trade Commission and satisfaction of customary closing conditions, Jean Coutu Group will become a related person of Rite Aid.

Stock Purchase Agreement

Rite Aid entered into a stock purchase agreement with Jean Coutu Group to acquire all of the capital stock of The Jean Coutu Group (PJC) USA, Inc., or Jean Coutu USA, which was a wholly-owned subsidiary of Jean Coutu Group and the holding company for the Brooks and Eckerd drugstore chains. Pursuant to the stock purchase agreement, certain of the provisions extend beyond the closing of the Brooks/Eckerd Transaction.

Working Capital Adjustment. The stock purchase agreement contains a closing working capital adjustment mechanism designed to ensure that Jean Coutu USA will have a specified level of working capital upon completion of the transaction. Under the working capital adjustment, Rite Aid may be required to pay Jean Coutu Group additional cash consideration in the event the closing working capital of Jean Coutu USA is above a specified level. Similarly, Jean Coutu Group may be required to repay to Rite Aid some of the cash consideration in the event the closing working capital of Jean Coutu USA is below a specified level.

Non-Competition Covenant. Jean Coutu Group has agreed that for five years after the closing of the Brooks/Eckerd Transaction it will not (other than as a stockholder of Rite Aid and through its designees on Rite Aid's Board of Directors) engage in the retail pharmacy business in the United States or the pharmacy benefits management business in the United States. In a related agreement, Michel Coutu, our Non-Executive Co-Chairman, has agreed that for three years after the closing of the Brooks/Eckerd Transaction, he will not (other than as a stockholder of Rite Aid and in his capacity as a Rite Aid director), engage in the retail pharmacy business in the United States or the pharmacy benefits management business in the United States.

Indemnification. The stock purchase agreement provides for indemnification for losses arising from breaches of representations and warranties, breaches of covenants and certain actions relating to the conduct of the business of Jean Coutu Group (other than Jean Coutu USA). Each party's indemnification obligation for breaches of representations and warranties is subject to a \$35 million deductible and each party's indemnification obligation for breaches of representations and warranties and for breaches of covenants is subject to an aggregate cap of \$450 million. The deductible and cap do not apply to losses arising from or relating to the conduct of the business of Jean Coutu Group. No claim for a breach of a representation and warranty may be brought by either party or included in the aggregate losses for purposes of satisfying the deductible unless it exceeds a minimum threshold of \$10,000.

Jean Coutu Group also has agreed to indemnify Rite Aid for losses arising from pre-closing taxes of Jean Coutu USA, any breaches of tax representations and warranties or breaches of tax covenants and for half of any transfer taxes resulting from the transaction. The deductible and cap do not apply to losses arising from tax matters.

Stockholder Agreement

Concurrently with entering into the stock purchase agreement, Rite Aid, Jean Coutu Group and certain Coutu family members entered into a stockholder agreement. The stockholder agreement contains provisions relating to board and board committee composition, corporate governance, stock ownership, stock purchase rights, transfer restrictions, voting arrangements and other matters.

Board and Board Committee Representation. The stockholder agreement provides that the Jean Coutu Group initially will have the right to designate four members of Rite Aid's Board of Directors. Thereafter, Jean Coutu Group will have the right to designate a certain number of director nominees for election to our Board, taking into account Jean Coutu Group designees then serving in a class or classes of directors whose terms are not yet expiring, subject to Jean Coutu Group's maintenance of specified percentage thresholds of Rite Aid total voting power.

Percentage of Total Voting Power	Number of Directors/Director Nominees
25% and above	4
17.9% - 24.9%	3
10.7% - 17.8%	2
5% - 10.6%	1

For so long as Jean Coutu Group is entitled to designate at least two directors and subject to NYSE independence requirements for directors, Jean Coutu Group will have the right to designate one of its designees to each of the Audit, Compensation and Nominating and Governance Committees of the Rite Aid Board. In the event that only one of Jean Coutu Group's designees qualifies as an independent director of Rite Aid, that designee will be appointed to one of the three committees and other Jean Coutu Group designees will be provided observer status to attend committee meetings (subject to the committees meeting in executive session) of the other two committees.

Voting Arrangements. The stockholder agreement provides that for a period of five years after the closing of the Brooks/Eckerd Transaction, Jean Coutu Group agrees to vote its shares for each Rite Aid director nominee recommended by the Board. Thereafter, Jean Coutu Group will vote its shares for each Rite Aid director nominee it designated and, in its discretion, either for each other Rite Aid director nominee recommended by the Board or for each other Rite Aid director nominee recommended by the Board and for nominees recommended by other persons in the same proportion as votes cast by all other Rite Aid stockholders for those nominees.

Right to Purchase Securities. For so long as Jean Coutu Group owns at least 20% of the total Rite Aid voting power, Jean Coutu Group will have the right to purchase securities in future issuances of Rite Aid voting securities (other than in certain types of issuances described below) to permit Jean Coutu Group to maintain the same percentage of total voting power it held prior to the issuance. These purchase rights will not apply to issuances of Rite Aid stock in connection with conversions of convertible preferred stock, equity compensation plan awards, acquisitions by Rite Aid, equity-for-debt exchanges and certain other types of issuances. Subject to certain conditions, under circumstances in which Jean Coutu Group is not permitted to purchase voting securities in a Rite Aid issuance of voting securities, Jean Coutu Group will be permitted to make open market purchases of Rite Aid common stock in order to maintain the same percentage of total voting power it held prior to the issuance.

Standstill Restrictions. For so long as Jean Coutu Group (or any Coutu family stockholder or group of Coutu family stockholders) owns at least 5% of the total voting power of Rite Aid and for nine months thereafter, Jean Coutu Group or such Coutu family stockholders or group of Coutu family stockholders will be subject to restrictions on the acquisition of additional Rite Aid voting securities, other than with Rite Aid's consent or through the stock purchase rights discussed above, as well as restrictions on taking certain actions relating to Rite Aid.

Transfer Restrictions. For so long as Jean Coutu Group owns 5% or more of the voting power of Rite Aid's securities and for nine months thereafter, Rite Aid voting securities owned by Jean Coutu Group will be subject to restrictions on transfer included in the stockholder agreement, other than transfers in accordance with Rule 144, in a registered public offering, in connection with a pro rata dividend, spinoff or distribution to Jean Coutu Group stockholders and certain other permitted transfers.

In addition, subject to the foregoing, Jean Coutu Group may not transfer shares to someone who, as a result of the transfer, would own more than 5% of the outstanding shares of Rite Aid common stock.

Supermajority Board Approval. For so long as Jean Coutu Group owns at least 25% of the total voting power of Rite Aid, certain matters will require the approval of two-thirds of all of the Rite Aid Board of Directors, including increases in the number of authorized shares, significant issuances of Rite Aid equity securities, mergers, reorganizations, consolidations or similar business combinations involving Rite Aid, significant asset sales and certain other actions specified in the stockholder agreement.

Registration Rights Agreement

Concurrently with entering into the stock purchase agreement, Rite Aid, Jean Coutu Group and certain Coutu family members entered into a registration rights agreement. Pursuant to the registration rights agreement, subject to certain conditions, Jean Coutu Group has the right, on six occasions, to demand that Rite Aid register shares of Rite Aid common stock held by Jean Coutu Group for resale in an underwritten public offering, provided that the anticipated aggregate offering price would exceed \$100 million or the registration is for at least 25% of the Rite Aid common stock held by Jean Coutu Group. Jean Coutu Group also may request that Rite Aid include those shares in certain registration statements that Rite Aid may file in the future in connection with underwritten offerings.

Transition Services Agreement

Effective upon the closing of the Brooks/Eckerd Transaction, Rite Aid and Jean Coutu Group will enter into a transition services agreement consistent with certain principles set forth in the stock purchase agreement. Pursuant to the transition services agreement, Jean Coutu Group will provide for a period of up to nine months following the closing date, subject to up to three, three-month extensions, certain transition services, including information technology, network and support services, to Jean Coutu USA to facilitate the transition of the businesses to Rite Aid.

The transactions with Jean Coutu Group were reviewed by our Board in connection with the closing of the Brooks/Eckerd Transaction and ratified under our related person transactions approval policy described above.

**STOCKHOLDER PROPOSALS FOR
THE 2008 ANNUAL MEETING OF STOCKHOLDERS**

Any stockholder desiring to present a proposal for inclusion in Rite Aid's proxy statement for the 2008 Annual Meeting of Stockholders must deliver the proposal to the Secretary not later than January 26, 2008. Only those proposals that comply with the requirements of Rule 14a-8 will be included in Rite Aid's proxy statement for the 2008 Annual Meeting.

Stockholders may present proposals that are proper subjects for consideration at an annual meeting, even if the proposal is not submitted by the deadline for inclusion in the proxy statement. To do so, the stockholder must comply with the procedures specified in Rite Aid's by-laws. The by-laws, which are available on Rite Aid's website at www.riteaid.com under "Our Company Corporate Governance By-Laws" and in print upon request from the Secretary, require all stockholders who intend to make proposals at an annual meeting of stockholders to submit their proposals to the Secretary not fewer than 90 and not more than 120 days before the anniversary date of the previous year's annual meeting of stockholders. The by-laws also provide that nominations for director may only be made by the Board of Directors (or an authorized Board committee) or by a stockholder of record entitled to vote who sends notice to the Secretary not fewer than 90 nor more than 120 days before the anniversary date of the previous year's annual meeting of stockholders. Any nomination by a stockholder must comply with the procedures specified in Rite Aid's by-laws. To be eligible for consideration at the 2008 Annual Meeting,

proposals which have not been submitted by the deadline for inclusion in the proxy statement and any nominations for director must be received by the Secretary between February 28, 2008 and March 29, 2008. This advance notice period is intended to allow all stockholders an opportunity to consider all business and nominees expected to be considered at the meeting. All submissions to, or requests from, the Secretary should be made to:

INCORPORATION BY REFERENCE

In accordance with SEC rules, notwithstanding anything to the contrary set forth in any of our previous or future filings under the Securities Act of 1933, as amended, or the Exchange Act, that might incorporate this proxy statement or future filings made by Rite Aid under those statutes, the information included under the caption "Compensation Committee Report" and those portions of the information included under the caption "Audit Committee Report" required by the SEC's rules to be included therein, shall not be deemed to be soliciting material or filed with the SEC and shall not be deemed incorporated by reference into any of those prior filings or into any future filings made by Rite Aid under those statutes, except to the extent we specifically incorporate these items by reference.

OTHER MATTERS

The Board of Directors knows of no other matters that have been submitted for consideration at this Annual Meeting. If any other matters come before stockholders at this Annual Meeting, the persons named on the enclosed proxy intend to vote the shares they represent in accordance with their best judgment.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Deloitte & Touche LLP served as Rite Aid's independent registered public accounting firm for fiscal year 2007 and Rite Aid's Audit Committee is in the process of negotiating with Deloitte & Touche LLP the terms of an arrangement to audit the consolidated financial statements of the Company and its subsidiaries for fiscal year 2008. A representative of Deloitte & Touche LLP is expected to be present at the Annual Meeting, and the representative will have the opportunity to make a statement and will be available to respond to appropriate questions.

IMPORTANT NOTICE REGARDING DELIVERY OF STOCKHOLDER DOCUMENTS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy proxy material delivery requirements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is referred to as "householding," potentially provides extra convenience for stockholders and reduces printing and postage costs for companies.

Rite Aid and some brokers utilize the householding process for proxy materials. In accordance with a notice sent to certain stockholders who share a single address, only one copy of this proxy statement is being sent to that address, unless we received contrary instructions from any stockholder at that address. Stockholders who participate in householding will continue to receive separate proxy cards. Householding will continue until you are notified otherwise or until one or more stockholders at your address revokes consent. If you revoke consent, you will be removed from the householding program within 30 days of

receipt of the revocation. If you hold your Rite Aid stock in street name, additional information regarding householding of proxy materials should be forwarded to you by your broker.

However, if you wish to receive a separate copy of this proxy statement, or would like to receive separate proxy statements and annual reports of Rite Aid in the future, or if you are receiving multiple copies of annual reports and proxy statements at an address shared with another stockholder and would like to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Rite Aid Corporation, 30 Hunter Lane, Camp Hill, Pennsylvania 17011, Attention: Robert B. Sari, Secretary, or by calling the Secretary at (717) 761-2633.

ANNUAL REPORT

A copy of Rite Aid's Annual Report on Form 10-K for fiscal year 2007 is being mailed together with this proxy statement to all stockholders entitled to notice of and to vote at the Annual Meeting.

**RITE AID CORPORATION
POLICY ON MAJORITY VOTING****(To become effective upon the completion of the Brooks/Eckerd Transaction)**

A Director who fails to receive the required number of votes for re-election in accordance with the Amended and Restated By-Laws will, within five days following the certification of the stockholder vote, tender his or her written resignation to the Chairman of the Board for consideration by the Nominating and Governance Committee (Committee).

The Committee will consider such tendered resignation and, within 45 days following the date of the stockholders meeting at which the election occurred, will make a recommendation to the Board concerning the acceptance or rejection of such resignation. In determining its recommendation to the Board, the Committee will consider all factors deemed relevant by the members of the Committee including, without limitation, the stated reason or reasons why stockholders voted against such Director's re-election, the qualifications of the Director (including, for example, whether the Director serves on the audit committee of the Board as an audit committee financial expert and whether there are one or more other Directors qualified, eligible and available to serve on the audit committee in such capacity), and whether the Director's resignation from the Board would be in the best interests of the Company and its stockholders.

The Committee also will consider a range of possible alternatives concerning the Director's tendered resignation as the members of the Committee deem appropriate, including, without limitation, acceptance of the resignation, rejection of the resignation, or rejection of the resignation coupled with a commitment to seek to address and cure the underlying reasons reasonably believed by the Committee to have substantially resulted in such Director failing to receive the required number of votes for re-election.

The Board will take formal action on the Committee's recommendation no later than 75 days following the date of the stockholders meeting at which the election occurred. In considering the Committee's recommendation, the Board will consider the information, factors and alternatives considered by the Committee and such additional information, factors and alternatives as the Board deems relevant.

Following the Board's decision on the Committee's recommendation, the Company, within four business days after such decision is made, will publicly disclose, in a Form 8-K filed with the Securities and Exchange Commission, the Board's decision, together with a full explanation of the process by which the decision was made and, if applicable, the Board's reason or reasons for rejecting the tendered resignation.

No Director who, in accordance with this Policy, is required to tender his or her resignation, shall participate in the Committee's deliberations or recommendation, or in the Board's deliberations or determination, with respect to accepting or rejecting his or her resignation as a Director. If a majority of the members of the Committee fail to receive the required number of votes for re-election, then the independent Directors then serving on the Board who were elected at the stockholders meeting at which the election occurred, and the independent Directors, if any, who were not standing for election at such stockholders meeting, will appoint an ad hoc Board committee from amongst themselves (the Ad Hoc Committee), consisting of such number of Directors as they may determine to be appropriate, solely for the purpose of considering and making a recommendation to the Board with respect to the tendered resignations. The Ad Hoc Committee shall serve in place of the Committee and perform the Committee's duties for purposes of this Policy. Notwithstanding the foregoing, if an Ad Hoc Committee would have been created but fewer than three Directors would be eligible to serve on it, the entire Board (other than the individual Director whose resignation is being considered) will make the determination to accept or

reject the tendered resignation without any recommendation from the Committee and without the creation of an Ad Hoc Committee.

This Policy, as it may from time to time be amended, will be summarized or included in the Corporate Governance section of the Company's website and the Company's proxy statement for each meeting of stockholders (annual or special) at which directors are to be elected.
