Item 8.01. Other Events.

On July 14, 2011, Kratos Defense & Security Solutions, Inc. (Kratos) issued a press release announcing that it intends, subject to market and other conditions, to offer \$80.0 million aggregate principal amount of its 10% Senior Secured Notes due 2017 (the Notes), in a private offering that is exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act). The net proceeds from the offering will be used to finance, in part, the cash portion of the purchase price for the acquisition (the Acquisition) of Integral Systems, Inc., a Maryland corporation (Integral Systems), to refinance existing indebtedness of Integral Systems and its subsidiaries, to pay certain severance payments in connection with the Acquisition and to pay related fees and expenses. The issuance of the Notes will be conditioned upon the consummation of, among other things, the Acquisition. The Notes would constitute an additional issuance of Kratos 10% Senior Secured Notes due 2017 under its existing Indenture dated as of May 19, 2010. It is anticipated that the Notes will be issued at a premium, subject to market and other conditions.

The Notes may not be offered or sold without registration unless pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Notes in any state or foreign jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or foreign jurisdiction. A copy of the press release related to the offering of the Notes is filed herewith as Exhibit 99.1 and is incorporated by reference herein.

Additional Information and Where to Find It

Kratos has filed a Registration Statement on Form S-4, a definitive joint proxy statement/prospectus and other documents concerning the proposed Acquisition with the Securities and Exchange Commission (the SEC), and each of Kratos and Integral Systems has mailed to its stockholders a definitive joint proxy statement/prospectus in connection with the transaction. Investors are urged to read the joint proxy statement/prospectus and any amendments thereto and other relevant documents filed with the SEC in their entirety because they contain important information about Kratos, Integral Systems and the proposed merger. Security holders may obtain a free copy of the definitive joint proxy statement/prospectus and any amendments thereto as well as any other documents filed by Kratos and Integral Systems with the SEC at the SEC s website at www.sec.gov.
