**Stock Repurchase Program**

On November 15, 2017, PacWest Bancorp's Board of Directors amended its existing stock repurchase program to reduce the authorized repurchase amount and extend the program maturity to December 31, 2018. The amended authorized repurchase amount of \$150 million reflects the effect of shares repurchased between October 2016 and November 2017 and the cash consideration for PacWest Bancorp's acquisition of CU Bancorp that was completed on October 20, 2017.

PacWest Bancorp (the Company) commenced its share repurchase program in October 2016 with an authorized repurchase amount not to exceed \$400 million and an expiration date of December 31, 2017. Since the program inception through November 14, 2017, the Company repurchased 1,974,759 shares at an aggregate cost of \$90.2 million.

The common stock repurchases may be effected through open market purchases or in privately negotiated transactions, and may utilize any derivative or similar instrument to effect share repurchase transactions (including without limitation, accelerated share repurchase contracts, equity forward transactions, equity option transactions, equity swap transactions, cap transactions, collar transactions, floor transactions or other similar transactions or any combination of the foregoing transactions). The amount and exact timing of any repurchases will depend upon market conditions and other factors. There are no assurances the Company will repurchase any shares during the period and the stock repurchase program may be suspended or discontinued at any time.

**SIGNATURES**
