Notes to Interim Consolidated Financial Statements
As at April 30, 2003 and January 31, 2003

(Amounts Expressed in United States Dollars)

1. Summary of significant accounting policies

a) Basis of Consolidated Financial Statements Presentation

These consolidated financial statements include the accounts of Dectron Internationale Inc., Dectron Inc. Consolidated and Circul-aire Group.

Dectron Inc. Consolidated is comprised of Dectron Inc. and of its wholly-owned subsidiaries, Refplus Inc., Thermoplus Air Inc., Dectron U.S.A. Inc., and IPAC 2000 Inc.

Circul-aire Group is comprised of Cascade Technologies Inc., and of its wholly-owned subsidiaries, Purafil Canada Inc. and Circul-aire Inc. and its wholly-owned subsidiary Tranzmetal Inc.

All inter-company profits, transactions and account balances have been eliminated.

b) Foreign Currency Translation

The company maintains its books and records in Canadian dollars. The operation of the company's subsidiary in the United States is an integrated corporation. As a result, monetary assets and liabilities in foreign currency are translated into Canadian dollars at exchange rates in effect at the balance sheet date, whereas non-monetary assets and liabilities are translated at the average exchange rates in effect at transaction dates. Income and expenses in foreign currency are translated at the average rate effective during the year with the exception of depreciation and amortization, which is translated at the historical rate. Gains and losses resulting from the translation of foreign currency transactions are included in earnings.

The translation of the financial statements from Canadian dollars into United States dollars is performed for the convenience of the reader. Balance sheet accounts are translated using closing exchange rates in effect at the balance sheet date and income and expense accounts are translated using an average exchange rate prevailing during each reporting period. No representation is made that the Canadian dollar amounts could have been, or could be, converted into United States dollars at the rates on the respective dates and or at any other certain rates. Adjustments resulting from the translation are included in the accumulated other comprehensive income in stockholder's equity.

ITEM 3. CONTROLS AND PROCEDURES

Immediately following the signature page of this report is the Certification that is required under Section 302 of the Sarbanes-Oxley Act of 2002. This section of the report contains information concerning the controls evaluation referred to in the Section 302 Certifications and the information contained herein should be read in conjunction with the Certification.

Internal controls are designed with the objective of ensuring that assets are safeguarded, transactions are authorized, and financial reports are prepared on a timely basis in accordance with generally accepted accounting principles in the United States. The disclosure procedures are designed to comply with the regulations established by the Securities and Exchange Commission.

Internal controls, no matter how designed, have limitations. It is the Company's intent that the internal controls be conceived to provide adequate, but not absolute, assurance that the objectives of the controls are met on a consistent basis. Management plans to continue its review of internal controls and disclosure procedures on an ongoing basis.

The Company's principal executive officer and principal financial officer, after supervising and participating in an evaluation of the effectiveness of the Company's internal and disclosure controls and procedures as of April 30, 2003 (the "Evaluation Date"), have concluded that as of the Evaluation Date, the Company's internal and disclosure controls and procedures were effective.

There were no significant changes in the Company's internal and disclosure controls or in other factors that could significantly affect such internal and disclosure controls subsequent to the date of their evaluation.
