## Edgar Filing: RCG COMPANIES INC - Form 8-K

### ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On February 10, 2005, RCG Companies Incorporated (the "Registrant") entered into an Agreement and Plan of Merger with Terra Networks Asociadas , S.I., Amadeus Americas, Inc and Avanti Management, Inc. (collectively, the "Shareholders") and OneTravel, Inc. ("OneTravel"), for the acquisition of the 100% of the outstanding capital stock of OneTravel.

The terms of the acquisition provide for a total purchase price of \$25.5 million, plus or minus the amount of net working capital (current assets over current liabilities) of OneTravel as of the closing. \$2.5 million of the total consideration was paid by the Registrant as a deposit upon signing. \$10.5 million of the total consideration, plus or minus the working capital adjustment, will be paid in cash at closing, and the remaining \$12.5 million will be paid at closing by the issuance of a six-month, interest-free, convertible promissory note. The note is convertible into common stock of the Registrant at the option of the note-holder. The Registrant is not obligated to issue shares of common stock upon conversion in excess of that number which is permitted under the rules or regulations of the American Stock Exchange or other principal market upon which the Registrant's common stock is traded, subject to shareholder approval. The conversion price per share of common stock of the Registrant will equal the lesser of (a) \$2.25, or (b) the price per share of common stock of the Registrant sold, or issuable upon conversion of the debt or preferred equity securities issued by the Registrant, if any, in connection with its financing of the cash payable at the closing of the acquisition, plus twenty-five percent. The Registrant has the right to extend the maturity of the convertible note by up to six months (or five months if the closing of the acquisition is extended by one thirty-day period upon the payment by the Registrant of a \$100,000 extension fee) upon payment of an extension fee to the note-holders of \$125,000 per each one month extension. The closing of the acquisition is subject to the satisfaction of customary conditions, and is expected to occur within thirty to sixty days.
