TARO PROVIDES RESULTS FOR QUARTER ENDED JUNE 2016

Hawthorne, NY, August 10, 2016 - Taro Pharmaceutical Industries Ltd. (NYSE: TARO) (“Taro” or the “Company”) today provided unaudited financial results for the quarter ended June 30, 2016.

Quarter ended June 30, 2016 Highlights - compared to June 30, 2015

- Net sales of \$233.8 million, increased \$18.5 million or 8.6%, with slightly decreased volumes. The 2015 net sales were negatively impacted by a \$14 million provision for price protections.
- Gross profit of \$182.8 million, increased \$11.0 million
- Research and development (R&D) expenses increased 23.2% to \$17.9 million
- Selling, marketing, general and administrative expenses were slightly decreased
- Operating income increased \$8.2 million to \$142.6 million
- Tax expense of \$30.4 million remained relatively flat with the effective tax rate improving to 21.7% from 22.5%
- Net income attributable to Taro was \$109.9 million compared to \$103.6 million, a \$6.3 million increase, resulting in diluted earnings per share of \$2.59 compared to \$2.42.

Cash Flow and Balance Sheet Highlights

- Cash flow provided by operations was \$56.0 million compared to \$68.3 million for the three months ended June 30, 2015
- Cash, including short-term bank deposits and marketable securities, decreased \$253.7 million to \$974.9 million from March 31, 2016, principally the result of the \$132.5 million impact from the Company’s share repurchases, and a \$168.5 million increase in long-term bank deposits.

Mr. Kal Sundaram, Taro’s CEO stated, “Overall, we are pleased with our solid operating performance. Our increased R&D investment reflects our continuing focus on developing a strong product pipeline. Sales from new products are beginning to accelerate, however we continue to experience increased competitive intensity. Delivering strong financial results, developing our pipeline, and the investment under our share repurchase program demonstrates our commitment to increasing long-term shareholder value.”

FDA Approvals and Filings

The Company recently received approval from the U.S. Food and Drug Administration (“FDA”) for the Abbreviated New Drug Application (“ANDA”) Adapalene Gel, 0.3%. The Company has a total of thirty-four ANDAs awaiting FDA approval.

SAFE HARBOR STATEMENT

The unaudited consolidated financial statements have been prepared on the same basis as the annual consolidated financial statements and, in the opinion of management, reflect all adjustments necessary to present fairly the financial condition and results of operations of the Company. The unaudited consolidated financial statements should be read in conjunction with the Company's audited consolidated financial statements included in the Company's Annual Report on Form 20-F, as filed with the SEC.

Certain statements in this release are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, statements that do not describe historical facts or that refer or relate to events or circumstances the Company "estimates," "believes," or "expects" to happen or similar language, and statements with respect to the Company's financial performance, availability of financial information, and estimates of financial results and information for fiscal year 2017. Although the Company believes the expectations reflected in such forward-looking statements to be based on reasonable assumptions, it can give no assurances that its expectations will be attained. Factors that could cause actual results to differ include general domestic and international economic conditions, industry and market conditions, changes in the Company's financial position, litigation brought by any party in any court in Israel, the United States, or any country in which Taro operates, regulatory and legislative actions in the countries in which Taro operates, and other risks detailed from time to time in the Company's SEC reports, including its Annual Reports on Form 20-F. Forward-looking statements are applicable only as of the date on which they are made. The Company undertakes no obligations to update, change or revise any forward-looking statement, whether as a result of new information, additional or subsequent developments or otherwise.
