This proxy statement is first being made available to shareholders on approximately March 16, 2017.

VOTING INFORMATION

Outstanding Securities and Voting Rights

The record date for determining shareholders entitled to notice of, and to vote at, the meeting is March 6, 2017. Only shareholders of record as of the record date will be entitled to notice of, and to vote at, the meeting.

On the record date 17,548,472 shares of Peapack-Gladstone's common stock, no par value, were outstanding and eligible to be voted at the meeting. Each share of Peapack-Gladstone's common stock is entitled to one vote.

Delivery of Proxy Materials

The 2017 notice of annual meeting of shareholders, this proxy statement, the Company’s 2016 annual report to shareholders and the proxy card or voting instruction form are referred to as our “proxy materials.” Pursuant to the rules of the Securities and Exchange Commission (the “SEC”), we are furnishing our proxy materials to certain shareholders over the Internet. Most shareholders are receiving by mail a Notice of Internet Availability of Proxy Materials (an “E-Proxy Notice”), which provides general information about the annual meeting, the matters to be voted on at the annual meeting, the website on which our proxy statement and annual report are available for review, downloading and printing, and instructions on how to submit proxy votes. The E-Proxy Notice also provides instructions on how to request a paper copy of the proxy materials and how to elect to receive either a paper copy or an electronic copy of the

proxy materials for future meetings.

Shareholders that have previously elected to receive proxy materials via electronic delivery will receive an e-mail with the proxy statement, annual report and instructions on how to vote. Shareholders who previously elected to receive paper copies of the proxy materials will receive the proxy statement, annual report and instructions on how to vote by mail.

Householding

When more than one holder of our common stock shares the same address, we may deliver only one E-Proxy Notice or set of proxy materials, as applicable, to that address unless we have received contrary instructions from one or more of those shareholders. Similarly, brokers and other intermediaries holding shares of our common stock in “street name” for more than one beneficial owner with the same address may deliver only one E-Proxy Notice or set of proxy materials, as applicable, to that address if they have received consent from the beneficial owners of the stock.

We will deliver promptly upon written demand or oral request a separate copy of the E-Proxy Notice or set of proxy materials, as applicable, to any shareholder or record at a shared address to which a single copy of those documents was delivered. To receive additional copies, you may write or call to Finn M.W. Caspersen, Jr., Corporate Secretary of Peapack-Gladstone, at 500 Hills Drive, Suite 300, PO Box 700, Bedminster, New Jersey 07921 or (908) 719-6559. If your shares are held in “street name”, you should contact the broker or other intermediary who holds the shares on your behalf to request an additional copy of the E-Proxy Notice or proxy materials.

If you are a shareholder of record and are either receiving multiple E-Proxy Notices or multiple paper copies of the proxy materials, as applicable, and wish to request future delivery of a single copy or are receiving a single E-Proxy Notice or copy of the proxy materials, as applicable, and wish to request future delivery of multiple copies, please contact Finn M.W. Caspersen, Jr.,

Corporate Secretary at the address or telephone number above. If your shares are held in “street name”, you should contact the broker or other intermediary who holds the shares on your behalf.

Required Vote

At the meeting, inspectors of election will tabulate both ballots cast by shareholders present and voting in person, and votes cast by proxy. Under applicable New Jersey law and Peapack-Gladstone's certificate of incorporation and by-laws, the presence, in person or by proxy, of the holders of a majority of the shares entitled to vote is necessary to constitute a quorum at the meeting. Abstentions and broker non-votes are counted for the purpose of establishing a quorum. A broker non-vote occurs when a broker holding shares for a beneficial holder does not vote on a particular proposal because the broker does not have discretionary power to vote with respect to that item and has not received voting instructions from the beneficial owner.

The election of directors requires the affirmative vote of a plurality of Peapack-Gladstone's common stock voted at the meeting, whether voted in person or by proxy. Abstentions and broker non-votes will have no impact on the election of directors.

The approval, on a non-binding basis, of the compensation of the Company's named executive officers as determined by the Compensation Committee requires the affirmative vote of a majority of the votes cast at the meeting, whether voted in person or by proxy. Abstentions and broker non-votes will have no impact on the approval of this advisory proposal.

For the proposal regarding the frequency of the advisory vote on executive compensation, the choice of every year, every two years or every three years receiving the highest number of votes cast by shareholders will be considered by the Board as the expressed preference of shareholders. Abstentions and broker non-votes will have no effect on the outcome of the vote.

The ratification of the appointment of Crowe Horwath LLP requires the affirmative vote of a majority of the votes cast at the meeting, whether voted in person or by proxy. Abstentions and broker non-votes will have no impact on the ratification of Crowe Horwath LLP's appointment.

All shares represented by valid proxies received pursuant to this solicitation will be voted as follows, unless the shareholder specifies a different choice by means of the proxy or revokes the proxy prior to the time it is exercised, as described below:

- Proposal 1 – FOR the election of the 11 nominees for director who are named in this proxy statement

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

Proposal 2 – FOR the approval, on a non-binding basis, of the compensation of the Company’s named executive officers as determined by the Compensation Committee

Proposal 3 – that future advisory votes on executive compensation be held EVERY YEAR

Proposal 4 – FOR the ratification of the appointment of Crowe Horwath LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2017

Should any other matter properly come before the meeting, the persons named as proxies will vote upon such matters according to their discretion.

We are offering you three alternative ways to vote your shares:

Internet. If you wish to vote using the Internet, you can access the webpage at www.envisionreports.com/PGC and follow the on-screen instructions or scan the QR code on your E-Proxy Notice or proxy card with your smartphone. Have your proxy card available when you access the webpage.

Telephone. If you wish to vote by telephone, call toll free 1-800-652-VOTE(8683) and follow the instructions. Have your proxy card available when you call.

Mail. If you wish to vote by mail, please sign your name exactly as it appears on your proxy card, date and mail your proxy card in the envelope provided as soon as possible.

In Person. The method by which you vote will not limit your right to vote in person at the meeting if you later decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy executed in your favor from the holder of record to be able to vote at the meeting. If you submit a proxy and then wish to change or vote in person at the meeting, you will need to revoke the proxy that you have submitted, as described below.

Revocability of Proxy

Any shareholder giving a proxy has the right to attend and to vote at the meeting in person. A proxy may be revoked prior to the meeting by filing a later-dated proxy or a written revocation if it is sent to the Corporate Secretary of Peapack-Gladstone, Finn M. W. Caspersen, Jr., at 500 Hills Drive, Suite 300, PO Box 700, Bedminster, New Jersey, 07921, and is received by Peapack-Gladstone in advance of the meeting. A proxy may be revoked at the meeting by filing a later-dated proxy or a written revocation with the Secretary of the meeting prior to the voting of such proxy or by voting in person at the meeting.

Solicitation of Proxies

This proxy solicitation is being made by the Board of Peapack-Gladstone and the costs of the solicitation will be borne by Peapack-Gladstone. In addition to the use of the mails, proxies may be solicited personally or by telephone, e-mail or facsimile transmission by directors, officers and employees of Peapack-Gladstone and its subsidiaries or Laurel Hill Advisory Group LLC. Directors, officers and employees will not be specially compensated for such solicitation activities. The amount Peapack-Gladstone will pay Laurel Hill Advisory Group LLC for its proxy solicitation services is \$6,000 plus certain out of pocket costs. Peapack-Gladstone will also make arrangements with brokers, dealers, nominees, custodians and fiduciaries to forward proxy soliciting materials to the beneficial owners of shares held of record by such persons, and Peapack-Gladstone will reimburse them for their reasonable expenses incurred in forwarding the materials.

Annual Meeting Attendance

Only shareholders or their proxy holders and Peapack-Gladstone guests may attend the annual meeting. Please bring your E-Proxy Notice to be admitted to the meeting.

If your shares are held in "street name", you must bring to the meeting evidence of your stock ownership indicating that you beneficially owned the shares on the record date for voting and a valid form of photo identification to be allowed access. If you wish to vote at the meeting, you must bring a proxy executed in your favor from the holder of record.

PROPOSAL 1

ELECTION OF DIRECTORS

DIRECTOR INFORMATION

Peapack-Gladstone's by-laws authorize a minimum of five and a maximum of 25 directors; currently, the Board has 11 members. Directors are elected annually by the shareholders for one-year terms. Peapack-Gladstone's Nominating Committee has recommended to the Board the 11 current directors for reelection for one-year terms expiring at Peapack-Gladstone's 2017 Annual Meeting of Shareholders or until their successors shall have been duly elected and qualified. If, for any reason, any of the nominees become unavailable for election, the proxy solicited by the Board will be voted for a substitute nominee selected by the Board. The Board has no reason to believe that any of the named nominees is unavailable for election or will not serve if elected.

Unless a shareholder indicates otherwise on the proxy, the proxy will be voted for the persons named in the table below to serve until the expiration of their terms, and thereafter until their successors have been duly elected and qualified.

The following table sets forth the names and ages of the Board's nominees for election, the nominees' positions with Peapack-Gladstone (if any), the principal occupation or employment of each nominee for the past five years and the period during which each nominee has served as a director of Peapack-Gladstone. The nominee's prior service as a director includes prior service as a director of Peapack-Gladstone Bank (the "Bank") prior to the formation of the holding company. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE 'FOR' THE NOMINATED SLATE OF DIRECTORS INCLUDED IN PROPOSAL 1.

CORPORATE GOVERNANCE

General

The business and affairs of Peapack-Gladstone are managed under the direction of the Board of Directors. Members of the Board are kept informed of Peapack-Gladstone's business through discussions with our President and CEO and Peapack-Gladstone's other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. All members of the Board also served as directors of Peapack-Gladstone's subsidiary bank, Peapack-Gladstone Bank, during 2016. The Board of Directors of Peapack-Gladstone and Peapack-Gladstone Bank held 7 meetings during 2016. During 2016, each director of Peapack-Gladstone attended no fewer than 96% of the total number of meetings of Peapack-Gladstone's Board and meetings of committees on which such director served. It is Peapack-Gladstone's policy to encourage director attendance at the Annual Meeting absent a compelling reason such as illness. Last year, all but two directors attended the Annual Meeting.

The Board has adopted Corporate Governance Principles, which the Board and senior management believe promote this purpose. We periodically review these governance principles, the rules and listing standards of the NASDAQ Stock Market ("NASDAQ") and SEC regulations.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors is comprised of 11 directors, a majority of which are independent directors. F. Duffield Meyercord serves as our Chairman and Douglas L. Kennedy our Chief Executive Officer and is also a member of our Board of Directors. The board has three primary committees composed solely of independent directors – Audit, Compensation, and Nominating – under applicable NASDAQ rules, and each of the three committees has a separate independent chair. In addition to these three committees, the Company also has a Risk Committee, which, along with our Board of Directors, is responsible for overseeing the Company's risk management. Our full Board receives and reviews a company-wide risk assessment annually. While the Risk Committee and the full Board oversee the Company's risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is an appropriate approach for addressing the risks facing our Company at this time. Our independent directors conduct separate executive sessions to discuss Company affairs on a semi-annual basis. The Chairman of the Board, who is independent,

presides over these sessions. In the event that in the future our Board Chairman is not independent, our By-Laws provide for the appointment of an independent lead director.

We believe that having a separate chairman and CEO, independent chairs and membership for each of our Audit, Compensation and Nominating Committees and holding executive sessions of independent directors provides the right form of leadership for our Company. Separating the chairman and CEO positions allowed us to expand our management structure to position the Company for future growth, while our experienced independent director majority provides oversight of Company operations and provides different perspectives based on the directors' experience, oversight and expertise from outside our Company.

Director Independence

The Board has determined that a majority of the directors and all current members of the Nominating, Compensation, and Audit Committees are "independent" in accordance with NASDAQ rules and Peapack-Gladstone's internal independence standards provided in our Corporate Governance Principles. The Board has determined that the members of the Audit Committee are also "independent" for purposes of the heightened standards of independence under NASDAQ rules and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and members of the Compensation Committee are also "independent" for purposes of the heightened standard of independence under the NASDAQ rules. The Board based these determinations on a review by the Nominating Committee and on a review by management of the responses of the directors and executive officers to questions regarding employment and transaction history, affiliations and family and other relationships. The independent directors are Dr. Susan A. Cole, Anthony J. Consi, II, Richard Daingerfield, Edward A. Gramigna, Jr., James R. Lamb, F. Duffield Meyercord, Philip W. Smith, III and Beth Welsh. Finn M. W. Caspersen, Jr. and Douglas L. Kennedy are not independent because they are each employees of Peapack-Gladstone, and Mr. Kissel is not independent because his brother, Frank Kissel, was employed by the Company as an executive officer within the past four years.

To assist it in making determinations of independence, the Board has concluded that the following relationships are immaterial and that a director whose only relationships with Peapack-Gladstone fall within these categories is independent absent any other relationship which would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director:

A loan made by the Bank to a director, his or her immediate family member or an entity affiliated with a director or his or her immediate family member, or a loan personally guaranteed by such persons, if such loan (i) complies with state and federal regulations on insider loans, where applicable; and (ii) is not classified by the Bank's credit committee or by any bank regulatory agency which supervised the Bank as substandard, doubtful or loss.

A deposit, trust, insurance brokerage, securities brokerage or similar customer relationship between Peapack-Gladstone or its subsidiaries and a director, his or her immediate family member or an affiliate of his or her immediate family member if such relationship is on customary and usual market terms and conditions.

The employment by Peapack-Gladstone or its subsidiaries of any immediate family member of the director if the employee serves below the level of a senior vice president.

Annual contributions by Peapack-Gladstone or its subsidiaries to any charity or non-profit corporation with which a director is affiliated if the contributions do not exceed an aggregate of \$20,000 in any calendar year and the contribution is made in the name of Peapack-Gladstone.

Purchases of goods or services by Peapack-Gladstone or any of its subsidiaries from a business in which a director or his or her immediate family member is a partner, shareholder or officer, if the director or his or her immediate family member owns five percent or less of the equity interests of that business and does not serve as an executive officer of the business.

Purchases of goods or services by Peapack-Gladstone, or any of its subsidiaries, from a director or a business in which the director or his or her immediate family member is a partner, shareholder or officer if the annual aggregate purchases of goods or services from the director, his or her immediate family member or such business in the last calendar year does not exceed the greater of \$60,000 or two percent of the gross revenues of the business.

Fixed retirement benefits paid or payable to a director either currently or on retirement.

The following categories or types of transactions, relationships or arrangements were considered by the Board in determining that each listed director is independent in accordance with the NASDAQ rules and Peapack-Gladstone's Corporate Governance Principles.

Executive Sessions of Independent Directors

Our Corporate Governance Principles require that executive sessions including only independent directors be held at least semi-annually. The Chairman of the Board, who is independent, presides over these independent director sessions.

Shareholder Communication with Directors

The Board of Directors has established the following procedures for shareholder communications with the Board of Directors:

Shareholders wishing to communicate with the Board of Directors should send any communication to the Board of Directors, Peapack-Gladstone Financial Corporation, c/o Corporate Secretary of Peapack-Gladstone, Finn M. W. Caspersen, Jr. at 500 Hills Drive, Suite 300, PO Box 700, Bedminster, New Jersey, 07921. Any such communication

should state the number of shares owned by the shareholder.

The Corporate Secretary will forward such communication to the Board of Directors or as appropriate to the particular Committee Chairman, unless the communication is a personal or similar grievance, an abusive or inappropriate communication, or a communication not related to the duties or responsibilities of the Board of Directors, in which case the Corporate Secretary has the authority to disregard the communication. All such communications will be kept confidential to the extent possible.

The Corporate Secretary will maintain a log of, and copies of, all communications, for inspection and review by any Board member, and shall regularly review all such communications with the Board or the appropriate Committee Chairman.

The Board of Directors has also established the following procedures for shareholder communications with the Chairman, who presides over the independent director sessions:

Shareholders wishing to communicate with the Chairman should send any communication to the Presiding Director of Independent Director Sessions, Peapack-Gladstone Financial Corporation, c/o Corporate Secretary of Peapack-Gladstone, Finn M. W. Caspersen, Jr, at 500 Hills Drive, Suite 300, P.O. Box 700, Bedminster, New Jersey, 07921. Any such communication should state the number of shares owned by the shareholder.

The Corporate Secretary will forward such communication to the Chairman, unless the communication is a personal or similar grievance, an abusive or inappropriate communication, or a communication not related to the duties or

7

responsibilities of the non-management directors, in which case the Corporate Secretary has the authority to disregard the communication. All such communications will be kept confidential to the extent possible. The Corporate Secretary will maintain a log of, and copies of, all communications, for inspection and review by the Chairman, and shall regularly review all such communications with the Chairman at the next meeting.

Committees of the Board of Directors

In 2016, the Board of Directors maintained an Audit Committee, a Compensation Committee, a Nominating Committee, a Risk Committee, and a Executive Committee. The Audit Committee, Compensation Committee and Nominating Committee are each solely comprised of independent directors; a description of each of these three committees follows.

Audit Committee

Peapack-Gladstone's Audit Committee currently consists of Messrs. Consi (Chair), Daingerfield, Gramigna and Lamb and Ms. Welsh. The Audit Committee met eight times during 2016.

The Board of Directors has determined that at least one member of the Audit Committee, Mr. Consi, meets the NASDAQ standard of being financially sophisticated. The Board of Directors has also determined that Mr. Consi meets the SEC criteria of an "audit committee financial expert."

The Audit Committee operates pursuant to a charter. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The charter gives the Audit Committee the authority and responsibility for the appointment, retention, compensation and oversight of our independent auditors, including pre-approval of all audit and non-audit services to be performed by our independent auditors. Other responsibilities of the Audit Committee pursuant to the charter include: reviewing the scope and results of the audit with our independent auditors; reviewing with management and our independent auditors Peapack-Gladstone's interim and year-end operating results including earnings releases; considering the appropriateness of the internal accounting and auditing procedures of Peapack-Gladstone; considering our outside auditors' independence; reviewing examination reports by bank regulatory agencies; reviewing audit reports prepared by the Internal Audit Department of Peapack-Gladstone; reviewing audit reports prepared by any outside firm which may conduct some internal audit functions for Peapack-Gladstone; and reviewing the response of management to those reports. The Audit Committee reports to the full Board pertinent matters coming before it.

Compensation Committee

Peapack-Gladstone's Compensation Committee currently consists of Messrs. Meyercord (Chair), Consi and Smith. During 2016, the Compensation Committee met four times.

The Compensation Committee operates under a written charter setting out the functions and responsibilities of this committee. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The Compensation Committee recommends to the independent members of the Board the CEO's compensation, sets specific compensation for executive officers (other than the CEO) and ratifies general compensation levels for all other officers and employees. It also administers our long-term stock incentive plans and makes awards under those plans. The Board has approved its charter, which delegates to the Compensation Committee the responsibility to recommend Board compensation. Included in this process is a thorough analysis and consideration of overall Company performance, individual job performance, the overall need of the Company to attract, retain and incent executive talent, and the total cost of the compensation programs.

The Compensation Committee has the authority to hire, fire, and seek the services of compensation consulting and advisory firms as it deems appropriate to its role. In 2016, the Compensation Committee engaged the services of McLagan, an Aon Hewitt Company ("McLagan"), an independent compensation consulting firm specializing in executive compensation. Services were related to providing an updated competitive market analysis. McLagan reports directly to the Compensation Committee and carries out its responsibilities to the Compensation Committee in coordination with the Human Resources Department as requested by the Compensation Committee. As a matter of policy the Compensation Committee does not prohibit its advisors from providing services to management, but any such engagement must be requested or approved by the Compensation Committee.

Nominating Committee

Peapack-Gladstone's Nominating Committee currently consists of Messrs. Gramigna (Chair), Smith, Meyercord and Ms. Cole. The Nominating Committee met twice during 2016.

The Nominating Committee operates under a written charter setting out the functions and responsibilities of this committee. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The Nominating Committee reviews qualifications of and recommends to the Board candidates for election as director of Peapack-Gladstone and the Bank, considers the composition of the Board, recommends committee assignments, and discusses management succession for the Chairman and the CEO positions. The Nominating Committee is also charged with reviewing the Board's adherence to the Corporate Governance Principles and the Code of Business Conduct and Ethics. The Nominating Committee reviews recommendations from shareholders regarding corporate governance and director candidates. The procedure for submitting recommendations of director candidates is set forth below under the caption "Nomination of Directors."

Nomination of Directors

Nominations for director may be made only by the Board of Directors or a committee of the Board or by a shareholder of record entitled to vote. The Board of Directors has established minimum criteria for members of the Board.

These include:

- Directors shall maintain stock ownership in compliance with the Company's stock ownership guidelines. Directors shall be experienced in business, shall be financially literate and shall be respected members of their communities.
 - Directors shall be of high ethical and moral standards and have sound personal finances.
- A Director may not serve on the board of directors of any other bank that serves the same market area as Peapack-Gladstone.

The Nominating Committee has not adopted a formal diversity policy with regard to the selection of director nominees. The Nominating Committee considers diversity of experience, both of the individual under consideration and of the Board as a whole, as a factor in identifying nominees for director. In accordance with the Company's Corporate Governance Principles, in assessing candidates for nomination, the Nominating Committee considers, among other factors, the candidate's independence, diversity, skills and experience in the context of the needs of the Board.

The Nominating Committee has adopted a policy regarding consideration of director candidates recommended by shareholders. The Nominating Committee will consider recommendation of director candidates made by shareholders. Shareholders wishing to submit a director candidate for consideration by the Committee must submit such director candidate recommendations to the Committee, c/o the Corporate Secretary, 500 Hills Drive, Bedminster, NJ 07921, in writing, not less than 120 nor more than 150 days prior to the first anniversary date of the prior year's annual meeting. In order to ensure that a shareholder wishing to propose a candidate for consideration by the Committee has a significant stake in the Company, to qualify for consideration by the Committee, the shareholder submitting the candidate must demonstrate that he or she has been the beneficial owner of at least 1% of the Company's outstanding shares for a minimum of one year prior to the submission of the request. In addition, the Committee has the right to require any additional background or other information from any director candidate or the recommending shareholder as it may deem appropriate. For our annual meeting in the year 2018, we must receive this notice on or after November 27, 2017, and on or before December 27, 2017. Shareholders who wish to nominate a director must follow the requirements in our By-laws. For information regarding shareholder nominations of director candidates, see "Shareholder Proposals" below.

The following factors, at a minimum, are considered by the Nominating Committee as part of its review of all director candidates and in recommending potential director candidates to the Board:

- appropriate mix of educational background, professional background and business experience to make a significant contribution to the overall composition of the Board;
- if the Committee deems it applicable, whether the candidate would be able to read and understand fundamental financial statements and considered to be financially sophisticated as described in the NASDAQ rules, or considered to be an audit committee financial expert as defined pursuant to the Sarbanes-Oxley Act of 2002;

9

if the Committee deems it applicable, whether the candidate would be considered independent under the NASDAQ rules and the Board's additional independence guidelines set forth in Peapack-Gladstone's Corporate Governance Principles;

demonstrated character and reputation, both personal and professional, consistent with that required for a bank director;

- willingness to apply sound and independent business judgment;
- ability to work productively with the other members of the Board;
- availability for the substantial duties and responsibilities of a Peapack-Gladstone director; and
- meets the additional criteria set forth in the Peapack-Gladstone's Corporate Governance Principles.

You can obtain a copy of the full text of our policy regarding shareholder recommendations for director candidates by writing to Finn M. W. Caspersen, Jr., Corporate Secretary, Peapack-Gladstone Financial Corporation, 500 Hills Drive, Suite 300, P.O. Box 700, Bedminster, New Jersey 07921.

Caspersen, Jr. Corporate Secretary, Peapack-Gladstone Financial Corporation, 500 Hills Drive, Suite 300, P.O. Box 700, Bedminster, New Jersey, 07921. As noted above, we have also adopted Corporate Governance Principles, which are intended to provide guidelines for the governance of Peapack-Gladstone by the Board and its committees. stock to non-employee directors. The plans provide that grants are made based upon recommendations from the Compensation Committee to the Board.

Under each of the plans, the exercise price for the option shares may not be less than the fair market value of the common stock on the date of grant of the option. The options granted under these plans are, in general, exercisable not earlier than one year after the date of grant, at a price equal to the fair market value of the common stock on the date of grant, and expire not more than ten years after the date of grant. Shares awarded vest in three equal annual installments commencing with the first anniversary of the grant date.

- Peapack-Gladstone has a retirement plan for eligible non-employee directors of Peapack-Gladstone and/or its subsidiaries. The amended plan provides five years of annual benefits to directors with ten or more years of service, which commence after a director has retired from the Board. No director was credited with more than ten years of service when the plan became

If a director with ten years of service ceases to be a director as a result of death or disability, or a director with five years of service ceases to be a director following a change in control, the director will be credited with a total of 15 years of service for plan purposes. In the event that the director dies prior to receipt of all benefits, the payments continue to the director's beneficiary or estate.
- (4) The amount in this column represents the change in pension value. There were no above-market, nonqualified deferred compensation earnings.

Stock Ownership Guidelines

In 2016, the Board of Directors updated the Company's Stock Ownership Guidelines. The Stock Ownership Guidelines apply to the Board of Directors, the Chief Executive Officer and the executive officers of the Company and impose the following requirements:

All new members elected to the Board must own a minimum of \$10,000 in Company stock at the time of his or her appointment;

- Directors must maintain five times the amount of the Company annual equity award for service on the Board;
 - The Chief Executive Officer must maintain three times his or her base salary in Company stock; and
 - Executive officers must maintain one time his or her base salary in Company stock.

Individuals can count shares owned in a Company benefit plan towards the stock ownership requirement. There is no set compliance period to meet the guidelines, with the exception of the minimum ownership requirement applicable to new Board members which must be met at the time of a new Board member's appointment. However, until the guidelines are achieved, individuals will be required to retain 100% of any net shares received through a Company grant under the 2012 Long Term Incentive Plan.

PROPOSAL 2

ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

We believe that our compensation policies and procedures are competitive, are focused on pay-for-performance principles and are strongly aligned with the long-term interests of our shareholders. We also believe that both the Company and our shareholders benefit from responsive corporate governance policies and constructive and consistent dialogue. The proposal described below, commonly known as a “Say on Pay” proposal, gives you, as shareholder of Peapack-Gladstone the opportunity to endorse or not endorse the compensation for our named executive officers by voting to approve or not approve such compensation as described in this proxy statement. We currently hold our “Say on Pay” vote on an annual basis but will be voting on the frequency of future “Say on Pay” votes at the annual meeting.

As part of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), Congress adopted Section 14A of the Exchange Act, pursuant to which the Board is giving our shareholders this opportunity to approve on an advisory, or non-binding basis, the compensation of our named executive officers as disclosed pursuant to Item 402 of Regulation S-K. Accordingly, we are asking you to approve the compensation of Peapack-Gladstone’s named executive officers as described under “Compensation Discussion and Analysis” and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this proxy statement. Your vote is advisory and will not be binding upon the Board. However,

the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

RECOMMENDATION ON PROPOSAL 2

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE NON-BINDING APPROVAL OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS DETERMINED BY THE COMPENSATION COMMITTEE AS DISCLOSED IN THE COMPENSATION DISCUSSION AND ANALYSIS AND TABULAR AND RELATED NARRATIVE DISCLOSURE INCLUDED IN THIS PROXY STATEMENT.

PROPOSAL 3

ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

We are providing shareholders with the opportunity to cast an advisory vote regarding the frequency of future advisory votes on executive compensation, commonly known as a “Say on Frequency” vote. Under the Dodd-Frank Act and as required by Section 14A(a)(2) of the Exchange Act, our shareholders are entitled to vote on an advisory basis at the annual meeting regarding whether Peapack-Gladstone should hold the shareholder vote to approve the compensation of our named executive officers every one, two or three years.

Because your vote is advisory, it will not be binding upon the Board. However, the Board values the opinions expressed by shareholders in these votes and will take into account the outcome of the vote when determining how frequently it will submit for shareholder vote a proposal seeking advisory approval of the compensation of our named executive officers.

Although we recognize the potential benefits of having less frequent Say on Pay votes, including allowing Peapack-Gladstone additional time to conduct a more detailed review of its pay practices in response to the outcome of shareholder advisory votes, we recognize that the widely adopted standard is to hold Say on Pay votes annually. We also acknowledge current shareholder expectations regarding having the opportunity to express their views on the compensation of Peapack-Gladstone’s executive officers on an annual basis.

In light of prevailing market practice and investor expectations, the Board believes for purposes of this vote that an advisory shareholder vote to approve the compensation of our named executive officers should be held every year. However, it is important to note for purposes of this proposal that you are being asked to vote on one of four choices (every year, every two years, every three years or abstain) and that you are not voting to approve or disapprove the Board’s recommendation.

Pursuant to the Dodd-Frank Act, we are required to submit this proposal to our shareholders at least once every six years. In the future, the Board may in its discretion decide to hold an advisory vote on the frequency of holding a Say on Pay vote more often than once every six years.

RECOMMENDATION ON PROPOSAL 3

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE ON A NON-BINDING BASIS TO HOLD THE ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS EVERY YEAR.

COMPENSATION DISCUSSION AND ANALYSIS

The following is a discussion and analysis of our compensation programs as they apply to our Chief Executive Officer (“CEO”), our Chief Financial Officer (“CFO”) and the three other most highly compensated individuals who were serving as executive officers at the end of fiscal 2016 (collectively, the “named executive officers”).

Executive Summary

2016 Financial Highlights and Company Performance

The Compensation Committee of the Board of Directors (“Committee”) believes that the Company, under the leadership and guidance of its CEO and other named executive officers, has been successful in executing its Strategic Plan – “Expanding Our Reach.”

In particular, the Committee noted the following factors, which it believes demonstrated the success of the Company and of the CEO and other named executive officers individually in 2016:

For the year ended December 31, 2016, the Company reflected year over year improvement in earnings, revenue, and returns, as shown in the table below:

(Dollars in millions, except EPS)	2016	2015 As Reported	2015 as considered for compensation determination (A)		Improvement 2016 vs 2015 as considered for compensation determination	
Pretax income	\$42.74	\$ 32.14	\$ 34.64	\$ 8.10	23	%
Net income	\$26.48	\$ 19.97	\$ 21.53	\$ 4.95	23	%
Diluted earnings per share (EPS)	\$1.60	\$ 1.29	\$ 1.39	\$ 0.21	15	%
Total revenue	\$125.35	\$ 108.17	\$ 108.17	\$ 17.18	16	%
Return on average assets	0.72	% 0.64	% 0.69	% 0.03		
Return on average equity	8.92	% 7.71	% 8.31	% 0.61		
Nonperforming assets as a percent of total assets	0.30	% 0.22	% 0.22	% 0.08		

“2015 as considered for compensation determination” excludes \$2.5 million of charges related to the closure of two (A) branch offices. Exclusion of these charges increases pretax income by \$2.5 million, net income by \$1.6 million, earnings per share by \$0.10 per share, ROAA by 0.05%, and ROAE by 0.60%. (2016 included no such charges)

At December 31, 2016, the market value of assets under administration (AUA) at the Private Wealth Management Division of Peapack-Gladstone Bank (the “Bank”) increased to \$3.7 billion from \$3.3 billion at the end of 2015, reflecting growth of 11 percent.

Loans at December 31, 2016, including multifamily loans held for sale, totaled \$3.31 billion. This reflected net growth of \$317 million (11 percent) when compared to the \$3.00 billion at December 31, 2015.

Total “customer” deposit balances (defined as deposits excluding brokered CDs and brokered “overnight” interest-bearing demand deposits) totaled \$3.14 billion at December 31, 2016. This reflected net growth of \$496 million (19 percent) when compared to the \$2.64 billion at December 31, 2015.

Asset quality metrics continued to be strong at December 31, 2016. Nonperforming assets at December 31, 2016 were just \$11.8 million, or 0.30 percent of total assets. Total loans past due 30 through 89 days and still accruing were \$1.4 million or 0.04 percent of total loans at December 31, 2016.

The Company’s capital ratio (total shareholder’s equity to total assets) of 8.36 percent reflected improvement when compared to 8.19 percent at December 31, 2015.

2016 Executive Performance Plan Results

For 2016, overall results were better than our budget/plan for 2016 (“2016 Budget”) as shown in the table below.

(Dollars in millions, except EPS)	2016	Budget	Achievement	
			2016 Actual	vs 2016 Budget
Pretax income	\$42.74	\$32.14	\$10.60	33%
Net income	\$26.48	\$19.93	\$6.55	33%

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

Diluted earnings per share (EPS)	\$ 1.60	\$ 1.20	\$ 0.40	33 %
Total revenue	\$ 125.35	\$ 119.48	\$ 5.87	5 %
Return on average assets	0.72 %	0.55 %	0.17	
Return on average equity	8.92 %	6.84 %	2.08	

For purposes of the Company's Executive Performance Plan, Company Performance was measured as follows:

- Threshold – 85% to 99.99% of “2016 Budget” achievement;
- Target – 100% to 109.99% of “2015 as considered for compensation determination” achievement;
- Maximum – 110% and above of “2015 as considered for compensation determination” achievement.

“2015 as considered for compensation determination” (as opposed to “2016 Budget”) was utilized for Target and Maximum performance levels for this year since these earnings were greater than the 2016 budgeted earnings, thus making performance levels more difficult to achieve.

2016 Budget achievement and 2015 as considered for compensation determination achievement are based on pretax income and net income, with consideration given to earnings per share (EPS), return on average assets (ROAA), return on average equity (ROAE), revenue growth, and overall level of nonperforming assets as a percentage of total assets.

After consideration of 2016’s results to budget and to “2015 as considered for compensation determination”, we considered Company’s performance to be rated at maximum under the Executive Performance Plan.

Compensation Philosophy and Program Objectives

The fundamental objective of the Company’s executive compensation program, the elements of which are summarized in the table below, is to fairly compensate our named executive officers at levels appropriate in our market and grant equity compensation to align the interests of our named executive officers with those of our shareholders. Our compensation program is designed to retain and attract qualified executives and motivate such executives to achieve short-term and long-term strategic and operational goals that strengthen our franchise value and ultimately deliver shareholder value. We believe in a pay-for-performance philosophy that appropriately aligns our executives’ total compensation with the performance and value of their contributions and the Company’s ultimate success. In 2016, the Committee continued the Executive Performance Plan (EPP) that was adopted in 2013, which links the named executive officers’ short-term and long-term incentive compensation directly to Company and individual performance. The Executive Performance Plan is the performance-based portion of our compensation package and includes the annual cash bonus, annual equity award, and the Strategic Plan Award (SPA).

2016 CEO Compensation Decisions

Mr. Kennedy joined the Company in October 2012 at a base salary of \$500,000. He did not receive a base salary increase in 2013, 2014, 2015, or 2016.

Mr. Kennedy received a short-term incentive award (cash) under the EPP of \$450,000 for 2016. This award was based on 2016 Company performance (75% weighting) and 2016 individual performance (25% weighting). As described above, Company performance for 2016 was achieved at maximum. Individual performance for 2016 was also rated at maximum. The following includes the significant objectives considered in determining Mr. Kennedy's individual performance, all of which were met or exceeded: continue to expand our wealth business; continue to expand our C&I lending business; continue to enhance the client experience; continue to drive risk management excellence; continue migration to a private banking model; continue to focus on expanding fee based revenue; continue to enhance communications with shareholders; deliver financial results.

In March 2016, Mr. Kennedy was granted a long-term incentive award (restricted stock) under the EPP of \$350,614. This award was based on 2015 Company performance (75% weighting) and 2015 individual performance (25% weighting). Company performance for 2015 was set at the maximum level as results were in excess of 10 percent above the 2015 Budget/Plan. Individual performance for 2015 was set at the target level. See the discussion in our Compensation Discussion and Analysis under "2015 Financial Highlights and Company Performance" and "2015 CEO Compensation Decisions" included in our proxy statement filed on March 17, 2016 for information regarding Company and individual performance for 2015. The calculated amount (\$412,500) was then discounted 15% in the discretion of the compensation committee, to arrive at the \$350,614. This grant vests in equal increments over three years.

Summary of Key Compensation Compliance Policies

Policy	Description
Stock Ownership	Our directors and NEOs have ownership guidelines.
Clawback	All awards made under the EPP are subject to clawback based on inaccurate financial statements.
No Excise Tax Gross-Ups	During 2013, we eliminated 280G tax gross-up provisions from our executive's agreements.
Double Trigger CIC Severance	Cash severance is not automatically triggered upon a change-in-control without a corresponding termination.
Double Trigger Equity in CIC	Beginning in 2017, the Committee intends to grant equity which will require a change-in-control along with a corresponding termination in order to trigger an acceleration of equity in the case of a change-in-control.
Anti-Hedging Policy	During 2016, the Committee adopted a prospective policy prohibiting our executives and directors in the future from hedging Peapack shares, including buying or selling puts or calls, short sales, or engaging in any other transaction designed to hedge or

Anti-Pledging Policy

offset any decrease in the market value of Peapack's stock. During 2016, the Committee adopted a prospective policy prohibiting our executives and directors in the future from holding Peapack shares in a margin account as collateral for a margin loan or otherwise pledging Peapack shares as collateral for a loan.

Roles and Decision Process

The Compensation Committee is responsible for establishing and overseeing policies governing annual and long-term compensation programs for our executives, and for determining executive compensation levels in line with our philosophy. Details of the Committee's functions are more fully described in its charter, which has been approved by the Board of Directors and is available on our website. The Chair of the Committee regularly reports on Committee actions at the Company's Board of Directors meetings.

The Committee reviews all compensation components for the Company's CEO and other named executive officers, including base salary, annual cash and equity incentives, benefits and contracts/arrangements.

Although the Committee makes independent determinations on all matters related to compensation of the named executive officers, certain members of management may be requested to attend or provide input to the Committee. The CEO provides advice to the Committee relative to the compensation of the other named executive officers. The CEO is not present for the discussion by the Committee of his compensation. Other senior officers, such as the Head of Human Capital, General Counsel, and/or the CFO may

provide information and perspective to the Committee as appropriate and/or as requested. The Committee's independent compensation consultant (McLagan) also provides benchmarking information and advice as appropriate. The Committee makes all of its determinations based on its holistic assessment of the Company's performance and individual performance and on data provided by management and its independent compensation consultant.

The Committee has the sole authority to retain, terminate, obtain advice from, oversee and compensate its outside advisors, including its independent compensation consultant. The Committee has determined that it has the funding it needs to retain the advisors necessary to carry out its duties effectively. In 2013, the Committee first retained McLagan, an Aon Hewitt ("AON") Company, as an independent outside compensation consultant. McLagan was retained again for 2016. McLagan's 2013, 2014, 2015, and 2016 services included peer group development and market benchmarking studies, assisting with the design and subsequent review of the incentive program, and providing insight and best practices with respect to the compensation of our named executive officers as well as the Employment Agreement and Change in Control Agreement for Mr. Kennedy and the Amended Change in Control Agreements for other Executive Officers.

While the Committee seeks independent external perspective, the Committee makes all decisions regarding the compensation of Peapack-Gladstone's named executive officers.

The Committee reviewed its relationship with McLagan and considered McLagan's independence in light of all relevant factors, including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Securities Exchange Act of 1934 and under the applicable Nasdaq listing rules. The Compensation Committee received a report from McLagan addressing its independence, including the following factors: (1) there were no services provided to the Company, other than compensation related consulting by McLagan; (2) fees paid by the Company as a percentage of Aon's total revenue; (3) policies or procedures maintained by McLagan that are designed to prevent a conflict of interest; (4) any business or personal relationships between the senior advisors and a member of the Compensation Committee; (5) any Company stock owned by the senior advisors; and (6) any business or personal relationships between the executives and the senior advisors. The Compensation Committee discussed these considerations and concluded that the work performed by McLagan and McLagan's senior advisors involved in the engagements did not raise any conflict of interest.

Compensation Review

Understanding the competitive landscape is a key element the Committee considers in making compensation decisions. Each year, the Committee commissions a compensation review by its independent compensation consultant. The purpose of this review is to provide an independent and objective analysis of our total compensation relative to a peer group and industry practices. The Committee utilizes the benchmarking data and best practices information for ongoing monitoring of executive pay relative to market practices and to determine executive compensation.

The foundation for the review is data from a peer group of banks. In late 2015, the committee reviewed benchmarking information provided by McLagan which the Committee used to set 2016 compensation. The peer group for this study was selected by the Committee after considering recommendations from McLagan. The peer group used for executive compensation comparisons consisted of 16 commercial banks. The selection criteria generally included: eastern U.S. commercial banks in metro areas; total assets \$1.5 billion to \$4.5 billion; non-interest income to total revenue greater than 12.5% or trust and investment revenue greater than \$2 million; and nonperforming assets to total assets of less than or equal to 2%. This peer group of 16 banks had median total assets of \$2.9 billion (comparable to the Company's \$3.4 billion at December 31, 2015), and median revenue of \$108 million (comparable to the Company's \$108 million for 2015).

The peer group consisted of the following 16 banks:

- American National Bankshares
- Arrow Financial Corp.
- Bridge Bancorp Inc.
- Bryn Mawr Bank Corp.
- Cardinal Financial Corp.
- Century Bancorp Inc.
- Chemung Financial Corp.
- Enterprise Bancorp Inc.
- Hudson Valley Holding Corp
- Lakeland Bancorp
- Merchants Bancshares Inc.
- Metro Bancorp Inc.
- Sandy Spring Bancorp Inc.
- Suffolk Bancorp
- Uninvest Corp. of Pennsylvania
- Washington Trust Bancorp Inc.

We utilized the 2015 study to set 2016 target compensation for our NEOs. The following salary and estimated total compensation (at target) comparisons were considered by the Committee in determining salaries and total compensation for the named executive officers:

The 2015 salaries for the Company's five named executive officers were 3.7% above the 50th percentile and 8.1% below the 75th percentile of the peer group.

The salaries for the CEO, COO, CFO and EVP, Commercial Banking were 0.4% below the 50th percentile and 14.1% below the 75th percentile of the peer group. The salary for the President of Private Wealth Management was 20.2% above the 50th percentile and 15.7% above the 75th percentile of the peer group.

The 2015 estimated total compensation at target for the Company's five named executive officers were 2.8% above the 50th percentile and 16.8% below the 75th percentile of the peer group.

The estimated total compensation at target for the CEO, COO, CFO and EVP, Commercial Banking were 4.4% above the 50th percentile and 17.1% below the 75th percentile of the peer group. The estimated total compensation at target for the President of Private Wealth Management was 3.4% below the 50th percentile and 15.6% below the 75th percentile of the peer group.

The salary for the President of Private Wealth Management is generally above peer group levels as he joined the Company in 2014 with significant experience with much larger financial institutions and the Committee set his salary at levels commensurate with this experience and competitive with the larger institutions.

Say on Pay Consideration

The Committee also considers feedback from our shareholders in making compensation determinations. At the 2016 Annual Meeting, over 72% of votes cast were in favor of the say-on-pay proposal. We view this as a positive endorsement of pay practice. Even in light of this strong support, we continue to monitor our pay alignment and seek ways to improve our compensation program, such as the addition of double trigger, anti-hedging, and anti-pledging policies in 2016.

Elements of Compensation and Decisions

We target our total compensation in a way that is fair and appropriate considering market conditions, peer group comparisons, Company performance, individual performance, as well as our long-term strategic goals. We believe our compensation policies and practices appropriately balance risk against our desire to award competitive compensation and are unlikely to have an adverse effect on our Company. The elements of our compensation include base salary and short-term incentive awards, long-term incentive awards and long-term strategic plan awards under our EPP as highlighted below.

Base Salary

Our named executive officers' base salaries are set to reflect a combination of factors, including but not limited to, level of responsibility, competitive market, experience, skill-set, and individual performance, as well as the Company's compensation philosophy and overall performance. We design our base salaries in significant part to retain and attract talented executives who can help drive long-term shareholder value. We believe we must keep our base salaries competitive, within the context of our conservative compensation culture, or risk losing executive talent because the markets in which we operate present current and potential executives with higher-paying alternatives.

The following summarizes the 2015 and 2016 salaries for the Company's named executive officers:

Named Executive Officer	2015 Base Salary Rate	2016 Base Salary Rate	% Increase
Douglas L. Kennedy President and Chief Executive Officer	\$ 500,000	\$ 500,000	0%
Jeffrey J. Carfora Senior EVP and Chief Financial Officer	\$ 281,376	\$ 281,376	0%
Finn M.W. Caspersen, Jr. Senior EVP, COO and General Counsel (1)	\$ 320,000	\$ 320,000	0%
John P. Babcock Senior EVP, President- Private Wealth Management	\$ 500,000	\$ 500,000	0%
Eric H. Waser EVP, Head of Commercial Banking	\$ 290,000	\$ 290,000	0%

(1) Mr. Caspersen was named Senior EVP, Chief Strategy Officer and General Counsel, effective March 2017. For purposes of the CD&A he is shown as COO throughout the CD&A section.

Executive Performance Plans

As noted earlier, in 2016 the Committee continued the EPP which was put in place in 2013. The EPP consists of the following three components, as previously described:

Short term incentive awards ("STI Awards") that provide an annual cash incentive opportunity based on achievement of pre-defined Company and individual performance goals;

Long term incentive awards ("LTI Awards") that provide annual restricted stock awards, with three year vesting, based on achievement of pre-defined Company and individual performance goals; and

Long term Strategic Plan Award grants ("SPA Grants") provide restricted stock awards, with five year vesting, that are intended to motivate executives to focus on the achievement of the Company's high performing long-term strategic planning goals.

The amount of STI Awards, LTI Awards and SPA Grants earned by each named executive officer is dependent on the achievement of both Company goals and individual goals. The following chart depicts the potential for awards granted to each named executive officer under the EPP. The percentages referenced in the chart with respect to the STI Awards (Cash), LTI Awards (Restricted Stock) and the SPA Grants (Restricted Stock) refer to percentages of base salary. The SPA Grants in 2013 for the CEO, CFO and COO and, in 2014 for the President of Private Wealth Management were one-time, intended to cover multiple periods of up to and including the year ended December 31, 2017, as discussed later in this document under “SPA grants”. The EVP, Commercial Banking is eligible to receive an annual SPA Grant, in the set percentage noted below; such grant vests equally over a five year period.

	<u>Goals & Objectives</u>		<u>STI Awards (Cash)</u>		<u>LTI Awards (Stock)</u>		<u>SPA Grants</u>	
	Company	Individual	Threshold	Target	Max	Threshold	Target	Max (Stock)
Douglas L. Kennedy President and Chief Executive Officer	75%	25%	45%	60%	90%	45%	60%	90%

Eric H. Waser EVP, Commercial Banking	50%	50%	23%	30%	45%	23%	30%	45%
								30%

In formulating the EPP, the Committee also considered internal policies and relevant guidance from bank regulatory authorities which direct the Committee to ensure that compensation incentive programs do not jeopardize the safety and soundness of the Company or the Bank. To that end, the Committee believes that the EPP and the Company’s other incentive compensation policies:

- appropriately balance risk and reward;
- are compatible with effective controls and procedures; and
- are supported by strong corporate governance, including active oversight by the Committee.

While the Committee adopted the EPP in 2013, it uses the EPP as a general guideline and is not required to award compensation based strictly on the terms of the EPP. Accordingly, the Committee has the absolute discretion to make awards that are less than or greater than awards contemplated by the EPP. The Committee also may change, modify or discontinue the EPP at any time, including during the course of a particular year. The Committee may take into account the following factors:

- the safety and soundness of the Company;
- unexpected events that occur during the year;
- the Company's performance relative to its peer group;
- regulatory changes; and
- extraordinary efforts in achieving non-financial but important strategic goals.

EPP Company Performance

The following table shows the income targets at various levels compared to the actual performance (as adjusted) of the Company and the corresponding Company performance achievement as it relates to payouts for the annual STI (cash) awards in the EPP.

	Threshold (85% of Budget)	Target		2016 Actual	Company Performance	
		2016 Budget	Max (110% of 2015 as considered for compensation determination)		Company Performance 2016 as a % of 2015 as considered for compensation determination	2016 as a % of Budget
Pretax Net Income	27.32	32.14	38.10	42.74	133%	123%
Net Income	16.94	19.93	23.68	26.48	133%	123%
				Average	133%	123%

The Committee also reviewed the Company's earnings per share ("EPS"), return on average assets ("ROAA"), return on average equity ("ROAE"), revenue growth and overall level of nonperforming assets as a percentage of total assets. After reviewing these measures, the Committee concluded Company performance was achieved at maximum for 2016, as calculated.

Short Term Incentive Awards (Cash)

We paid short term incentive awards (cash) to our named executive officers based on 2016 Company performance and 2016 individual performance. As fully described previously, Company performance for 2016 was rated at maximum. Individual 2016 performance was rated at maximum for the CEO and at maximum or target for each of the other four NEOs. The individual performance of the other four NEOs was determined by the CEO and agreed to by the Compensation Committee. Among other things, the CEO considered performance relative to: specifics relative to each individual's responsibilities as included in the budget, wherever applicable; specifics relative to each individual's responsibilities as included in prior year results, wherever applicable; and various goals and targets previously set by the CEO and the individual at the beginning of the fiscal year. The Committee awarded the short term incentives (cash) detailed below.

Named Executive Officer	Short Term Incentive Award (Cash) Paid in 2017	% of Base Salary
Douglas L. Kennedy President and Chief Executive Officer	\$ 450,000	90%

Edgar Filing: PEAPACK GLADSTONE FINANCIAL CORP - Form DEF 14A

Jeffrey J. Carfora Senior EVP and Chief Financial Officer	\$	168,826	60%
Finn M.W. Caspersen, Jr. Senior EVP, COO and General Counsel	\$	176,000	55%
John P. Babcock President of Private Wealth Management	\$	250,000	50%
Eric H. Waser EVP, Commercial Banking	\$	108,750	38%

Long Term Incentive Awards (Restricted Stock)

Our long term incentive awards (restricted stock) are designed to focus our executives on long-term performance and shareholder value. We granted long term incentive awards (restricted stock) to Messrs. Kennedy, Carfora, Caspersen, Babcock, and Waser in March 2016. These awards were based on 2015 Company performance and 2015 individual performance. Company performance for 2015 was at maximum. Individual performance was at the target level See the discussion in our Compensation Discussion and Analysis under “2015 Financial Highlights and Company Performance” and “2015 CEO Compensation Decisions” included in our proxy statement filed on March 17, 2016 for information regarding Company and individual performance for 2015. This grant vests in equal increments over three years. Messrs. Kennedy, Carfora, and Caspersen’s LTI (stock) awards were calculated at \$412,500, \$154,757, and \$176,000, respectively. These calculated amounts were then discounted by 15% at the discretion of the Compensation Committee, to arrive at the amounts shown in the table below.

The following table sets forth the awards of restricted stock granted in March 2016 based on 2015 performance to our named executive officers.

Named Executive Officer	Long Term Incentive Award (Restricted Stock) Granted		Long Term Incentive Award (Restricted Stock) Granted		% of Base Salary
	March 2016 (in Dollars) (1)	(2)	March 2016 (in Shares) (1)	(2)	
Douglas L. Kennedy (1) President and Chief Executive Officer	\$	350,614	20,673		70%
Jeffrey J. Carfora (1) Senior EVP and Chief Financial Officer	\$	131,541	7,756		47%
Finn M.W. Caspersen, Jr. (1) Senior EVP, COO and General Counsel	\$	149,587	8,820		47%
John P. Babcock President of Private Wealth Management	\$	249,990	14,740		50%
Eric H. Waser (2) EVP, Commercial Banking	\$	195,735	11,541		38%

Messrs. Kennedy, Carfora, and Caspersen’s LTI (stock) awards were calculated at \$412,500, \$154,757, and (1) \$176,000, respectively. These calculated amounts were then discounted by 15% at the discretion of the Compensation Committee, to arrive at the amounts shown.

(2) Mr. Waser’s restricted stock grant includes a LTI stock award of \$108,747 (6,412 shares) and a Strategic Plan Award (SPA) of \$86,988 (5,129 shares).

SPA Grants

As described previously, SPA Grants of restricted stock are intended to motivate executives to focus on the achievement of the Company's high performing long-term strategic planning goals. For the CEO, CFO, COO, and President of Private Wealth Management the grant is not an annual grant and is expected to cover multiple years up to and including the year ended December 31, 2017: The CEO, COO and CFO received these grants in 2013. The President of Private Wealth Management received his grant in 2014 when he joined the Company. These SPA grants are subject to vesting as follows: 50% of the grant vests in equal increments over a five year period and the remaining 50% vests only if four of five pre-determined high performing annual targets are met for an annual period of time. If the high performing targets are not met by year end 2017, the stock is forfeited. The high performing targets are as follows:

- ROAA of one percent;
- ROAE of 12 percent;
- revenue growth of 15 percent;
- EPS growth of 15 percent: and
- nonperforming assets to total assets of less than 1.5 percent of assets.

While we have attained the revenue growth target, EPS growth target, and nonperforming asset target, current projections indicate, we will not be able to generate a one percent ROAA or a 12 percent ROAE by 2017, thus only attaining three of the five high

performance targets (vs. four required for performance based vesting). In December 2015, we reversed the accumulated restricted stock expense that had been amortized since grant date.

The EVP, Commercial Banking is eligible to receive an annual SPA grant with a value of 30 percent of his base salary. Such grant time vests equally over a five year period.

Benefits/Other Compensation

The Company provides bank-sponsored insurance and retirement benefit plans to our named executive officers. The benefit packages are designed to assist named executive officers in providing for their financial security.

The Company provides retirement benefits to named executive officers through a combination of plans that are qualified and nonqualified under the Internal Revenue Code of 1986, as amended (the "Code"). The Company has established a qualified defined contribution plan under Section 401(k) of the Code, covering substantially all salaried employees over the age of twenty-one with at least twelve months of service and whose participation is not prohibited by the 401(k) plan. Under the savings portion of the 401(k) plan, employees may contribute up to 15% of their base pay (up to a maximum of \$18,000 in 2016) to their elective account via payroll withholding. Annually, the Company makes a matching contribution equal to 50% of the first 6% of an employee's salary, plus up to an additional 3% employer contribution for all employees, on a discretionary basis. The Committee believes that employees require 401(k) plans, and that to attract and retain able employees the Company must offer these benefits to its employees, including its named executive officers.

The named executive officers receive the same insurance package covering all employees, which includes health, dental, vision, disability and basic group life insurance.

The Company has also purchased bank owned life insurance and entered into a split-dollar plan with the named executive officers and certain other employees to provide current and post-employment life insurance in an amount which ranges from \$25,000 to 2.5 times the participant's annual base salary. A life insurance benefit of 2.5 times a named executive officer's annual base salary vests if prior to the termination of employment there is a change in control or the named executive officer becomes disabled. A benefit of 2.5 times the named executive officer's salary is paid if the participant dies while employed by the Company. Named executive officers are also entitled to a vested post-employment life insurance benefit based on years of service and age as of the date of termination of employment. This vested benefit ranges from a minimum of 1.0 times base annual salary at age 50 to a maximum of 2.5 times annual base salary at age 60, in each case after completion of 15 years of service. There is a minimum benefit of \$25,000 if the participant does not reach the vesting levels. Bank owned life insurance assists the Company in offsetting the rising costs of employee benefits by providing the Company with current income prior to the death of an insured, and a lump-sum payment upon the death of an insured. The Company owns the cash surrender value of the policies and records the increases in the cash surrender value as income. Upon the death of an insured the Company

will receive cash equal to the cash surrender value of the policy and excess life insurance over the amount paid to the insured's beneficiary. The Committee believes that bank owned life insurance is primarily a good investment for the Company, and secondarily a supplementary life insurance benefit for many of our officers, including our named executive officers.

Change in Control Agreements

In December 2013 we entered into a change in control agreement with Mr. Kennedy, and amended change in control agreements with Mr. Caspersen, and Mr. Carfora. In 2014 we entered into a change in control agreement with Mr. Babcock. Upon his hire in February 2015, we entered into a change in control agreement with Mr. Waser. With the exception of Mr. Waser's agreement, the terms of each of these agreements are substantially the same among the named executive officers. The agreements each provide for the employment of the named executive officer for a period of three years commencing on the day prior to a change in control (as defined in the agreement). During the three year period in which the agreement is in effect, the executives will each be provided with (i) the same base salary that existed prior to the change in control, (ii) an opportunity for a bonus equal to at least the bonus opportunity in effect immediately prior to the change in control, and (iii) benefits and perquisites at levels generally available to the executive prior to the change in control. If, during such three-year period, the executive resigns for good reason (as defined in the agreement) or is terminated other than for cause (as defined in the agreement) he will be entitled to a lump-sum payment equal to three times his then base salary and the greater of his average bonus amount for the three preceding fiscal years and the bonus paid during the most recent fiscal year. For Mr. Waser, upon a resignation for good reason or a termination for other than cause, he will be entitled to a lump-sum payment equal to two times his then base salary and the greater of his average bonus amount for the three preceding fiscal years and the bonus paid during the most recent fiscal year. Each named executive officer will also be entitled to receive payments from the Company equal to the costs of COBRA continuation life insurance coverage for 18 months following termination of employment. In the event that the total payments following a change in control would require the executive to pay an excise tax under Section 4999 of the Internal Revenue Code, as amended, then the total payments paid to the executive will be the greater of (i) a payment equal to the amount which

would not result in the payment of an excise tax by the executive under Section 4999, and (ii) a payment equal to the greatest after tax amount payable to the executive after taking into account any excise tax imposed under Section 4999. The agreements also prohibit the executives from competing against the Company and soliciting the Company's customers and employees for a one year period following termination of employment. The Committee feels these agreements are necessary to encourage our named executive officers to approach an advantageous merger or acquisition transaction without regard to immediate loss of salary and benefits. The Committee also believes that, given the high degree of consolidation within the banking business, these agreements are necessary to retain and attract talented named executive officers.

Employment Contracts

We are also a party to employment agreements that give the named executive officers certain benefits. These agreements provide, among other things, for eligibility for (i) participation during the employment term in all compensation and employee benefits plans for which any salaried employees of the Company are eligible, (ii) an annual base salary and (iii) bonus payments with respect to each calendar year within the Committee's discretion. Under these agreements, if a named executive officer's employment is terminated without cause (at any time preceding the date prior to a change in control), the Company shall pay the executive's base salary for a period equal to two years from the effective date of such termination. In the event that the Company terminates a named executive officer's employment for cause or in the event of the named executive officer's retirement, permanent disability or death, the Company shall pay the named executive officer any earned but unpaid base salary as of the date of termination of employment. The employment agreements also include certain non-compete and non-solicitation provisions. The Committee believes the employment agreements, which are customary in the Company's competitive market, are important in order to retain and attract talented senior executives.

Income Tax Considerations

Our federal income tax deduction for non-performance based compensation paid to certain of our named executive officers is limited by Section 162(m) of the Code to \$1 million annually. Compensation paid to any of them exceeding \$1 million is non-deductible for federal income tax purposes unless it is "performance based," as defined in Section 162(m), meaning generally, that the compensation is based on the executive's achieving pre-established objective performance goals and paid under a plan pre-approved by our shareholders.

The Committee monitors, and will continue to monitor, the effect of Section 162(m) on the deductibility of the Company's compensation. The Committee weighs the benefits of full deductibility with the other objectives of the executive compensation program and, accordingly, may pay compensation subject to the deductibility limitations of Section 162(m).

COMPENSATION COMMITTEE REPORT

The Committee has reviewed and discussed with management the Compensation Discussion and Analysis and based on such review and discussions the Committee has recommended to the Board that the Compensation Discussion and Analysis be included in Peapack-Gladstone's Annual Report on Form 10-K and the Proxy Statement.

Performance-based restricted stock which will cliff vest in March following the fiscal year in which the Company meets four out of five performance measures as described under “Strategic Plan Award (SPA) Grants” in the Compensation Discussion and Analysis. Upon termination of employment by reason of death, disability or upon a

Potential Payments Upon Termination or Change in Control

Peapack-Gladstone and the Bank have entered into employment agreements with the named executive officers, which set forth the terms of employment of the officers and provide for benefits in the event of termination without “cause.” Peapack-Gladstone and the Bank have also entered into change in control agreements with the named executive officers, each of which provide for benefits in the event a termination without “cause” or for “good reason” during a specified period following a merger or acquisition of Peapack-Gladstone. A detailed description of the employment agreements and change-in-control agreements may be found in the Compensation Discussion and Analysis section of this proxy under “Employment Contracts” and “Change In Control Agreements.”

Potential Payments upon Termination or Change in Control

The following table shows the potential payments under each named executive officer's change-in-control or employment agreement if he had terminated employment with the Company effective December 31, 2016, under each of the following retirement or termination circumstances: (i) death or disability; (ii) voluntary resignation or dismissal for cause; (iii) retirement; (iv) dismissal without cause; and (v) dismissal without cause or resignation for good reason following a change-in-control of Peapack-Gladstone on December 31, 2016. These payments are considered estimates as of specific dates as they contain some assumptions regarding stock price, life expectancy, salary and non-incentive compensation amounts and income tax rates and laws.

(1) The term “cause” generally means (i) willful and continued failure by a named executive officer to perform the officer’s duties, (ii) willful misconduct by the named executive officer which causes material injury to the Company or its successor or (iii) the conviction of a crime, other than a traffic violation, drunkenness, drug abuse, or excessive absenteeism other than for illness.

(2) The term “good reason” generally means a change in job description, location, compensation or benefits.

(3) The term “change in control” generally means (i) the acquisition of the Company’s securities representing 30% or more of the voting power of all its securities, (ii) the first purchase of the Company’s common stock pursuant to a tender or exchange offer, (iii) the shareholder approval of (a) a merger or consolidation of the Company into another corporation wherein the other corporation exercises control over the Company, (b) a sale or disposition of all or substantially all of the Company’s assets or (c) a plan of liquidation or dissolution of the Company, (iv) a change in board membership such that over a two year period the directors constituting the Board at the beginning of such period do not constitute two thirds of the Board of the Company or a successor corporation at the end of such period, or (v) a sale of (a) the common stock of the Company following which a person or entity other than the Company or its affiliates owns a majority thereof or (b) all or substantially all of the Company’s assets.

(4) In 2016, our 2012 Long-Term Stock Incentive Plan was amended to provide for double trigger vesting of equity vesting (the “Amended 2012 Plan”). The Amended 2012 Plan provides that equity awards assumed by any acquiror will vest only upon specified termination events following a change in control. If awards are not assumed by the acquiror, then outstanding awards will vest upon the change in control. With respect to awards assumed by the surviving entity in connection with a change in control, if the grantee’s employment is terminated without cause or, in certain cases, if the grantee resigns for good reason, within two years after the effective date of the change in control, then the grantee’s outstanding options become fully vested; time-based vesting restrictions on outstanding awards lapse; and unless otherwise provided in the agreement, outstanding performance-based will be deemed to have been earned at target, or at a level in excess of target in the Committee’s discretion, and paid on a pro rated basis based upon the length of time the grantee was employed during the performance period. Awards not assumed by the surviving entity will vest in generally the same manner upon the occurrence of the change in control. Under Peapack-Gladstone’s prior equity plans, unvested stock options and restricted stock would immediately vest in the event of a change in control. The value of equity acceleration reported here relates to outstanding awards granted under our prior equity plans and is based on the market price of \$30.88 as of December 31, 2016. Named executive officers would have three years from the date of termination following a change in control to exercise the vested options.

(5) In the event any payments to the named executive officers would exceed the amount that could be received without the imposition of an excise tax under Section 4999 of Code, the payments will be reduced to the extent necessary to ensure that such payments will be limited to the greater of (i) the dollar amount which can be paid to the named executive officers without triggering an excise tax under Section 4999 of the Code, or (ii) the greatest after-tax amount payable to the executive after taking into account any excise tax imposed under Section 4999 of the Code on the total payments.

The greatest after-tax amount payable to the executive after taking into account any excise tax imposed under Section 4999 of the Code on the total payments to Messrs. Kennedy, Carfora, and Caspersen is greater than the dollar amount which can be paid to Messrs. Kennedy, Carfora, Caspersen, and Waser without triggering an excise tax under Section

4999 of the Code. Accordingly, the payments to Messrs. Kennedy, Carfora, Caspersen, and Waser in connection with a termination following a change in control on December 31, 2016 are not subject to a reduction.

The dollar amount which can be paid to Mr. Babcock without triggering an excise tax under Section 4999 of the Code is greater than the greatest after-tax amount payable to the executive after taking into account any excise tax imposed under Section 4999 of the Code on the total payments to Mr. Babcock. Accordingly, the payments to Mr. Babcock in connection with a termination following a change in control on December 31, 2016 are subject to a reduction.

Peapack-Gladstone has purchased bank owned life insurance and entered into a split-dollar plan with certain named executive officers and certain other employees to provide current and post-employment life insurance in an amount which ranges from \$25,000 to 2.5 times the executive's annual base salary. A life insurance benefit of 2.5 (6) times the executive's annual base salary vests if the executive becomes disabled prior to the termination of employment. A benefit of 2.5 times the executive's salary is paid if the executive dies while employed by Peapack-Gladstone.

The life insurance benefit at dismissal without cause or resignation for good reason following a change in control represents the imputed income from December 2016 through the end of the executive's plan participation year (7) (calculated on an actuarial basis) under Peapack-Gladstone's Split-Dollar Plan. Upon a change in control, the executive would vest in the benefit of 2.5 times the executive's annual base salary.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that Peapack-Gladstone's executive officers, directors and persons who own more than ten percent of a registered class of Peapack-Gladstone's common stock, file reports of ownership and changes in ownership with the SEC. Based upon copies of reports furnished by these insiders of Peapack-Gladstone, all Section 16(a) reporting requirements applicable to insiders during 2016 were satisfied on a timely basis except for one Form 4 (representing six transactions) which was filed late on behalf of Finn M. W. Caspersen, Jr., one Form 4 (representing one transaction) which was filed late on behalf of Richard Daingerfield, one Form 3 and one Form 4 (representing one transaction) which were filed late on behalf of Lisa Chalkan, two Forms 4 (representing three transactions) which were filed late on behalf of Eric Waser and one Form 4 (representing one transaction) which was filed late on behalf of Beth Welsh.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Board of Directors has established a Compensation Committee, which has been charged with overseeing executive compensation practices at Peapack-Gladstone. Members of the Board who served on the Compensation Committee during 2016 were Messrs. Meyercord (Chair), Consi, and Smith. No other relationships besides the one noted above are required to be reported under the rules promulgated by the Securities and Exchange Commission regarding compensation interlocks exist with respect to members of Peapack-Gladstone's Compensation Committee. All members of the Compensation Committee, or their affiliates, have engaged in loan, deposit or trust transactions with the Bank, as discussed below, in "Transactions with Related Person, Promoters and Certain Control Persons" and under "Director Independence" above.

TRANSACTIONS WITH RELATED PERSONS, PROMOTERS AND CERTAIN CONTROL PERSONS

Peapack-Gladstone uses the same policies and procedures for the review, approval and ratification of related persons transactions as described above under the caption "Director Independence." In addition to the matters discussed above under the captions "Director Independence" and "Compensation Committee Interlocks and Insider Participation," directors and officers and their associates were customers of and had transactions with the Bank during the year ended December 31, 2016, and it is expected that such persons will continue to have such transactions in the future. All deposit accounts, loans, and commitments comprising such transactions were made in the ordinary course of business of the Bank on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons not related to Peapack-Gladstone, and, in the opinion of management of Peapack-Gladstone, did not involve more than normal risks of collectability or present other unfavorable features.

REPORT OF THE AUDIT COMMITTEE

To the Board of Directors of Peapack-Gladstone Financial Corporation:

PROPOSAL 4

RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors appointed Crowe Horwath LLP as independent registered public accounting firm to examine Peapack-Gladstone’s consolidated financial statements for the fiscal year ending December 31, 2017 and to render other professional services as required. Representatives from Crowe Horwath LLP are expected to be present at the annual meeting to answer questions and they will have the opportunity to speak if desired. The Audit Committee will consider the outcome of our shareholders’ vote in connection with the selection of Crowe Horwath LLP, but is not bound by the vote. If the appointment is not ratified, the Audit Committee will consider whether a different independent registered public accounting firm should be selected.

Aggregate fees for the fiscal years ending December 31, 2016 and December 31, 2015, billed by the Company’s independent registered public accounting firm, Crowe Horwath LLP were as follows:

Type of Service	2016	2015

Audit-Related Fees (2)	156,750	181,600
Total	\$506,750	\$471,600

These amounts include fees for professional services rendered by Crowe Horwath LLP in connection with the audit of Peapack-Gladstone’s consolidated financial statements and internal control over financial reporting included in (1) Peapack-Gladstone’s Annual Reports on Form 10-K and reviews of the consolidated financial statements included in Peapack-Gladstone’s Quarterly Reports of Form 10-Q.

(2) Includes fees for procedures related to the offering of subordinated debt and consents for registration statements for 2016 and for Peapack-Gladstone’s commons stock offering and consents for registration statements for 2015.

RECOMMENDATION ON PROPOSAL 4

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF CROWE HORWARTH AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017.

AUDIT COMMITTEE PRE-APPROVAL PROCEDURES

The Audit Committee has adopted a formal policy concerning the pre-approval of audit and non-audit services to be provided by the independent registered public accounting firm to Peapack-Gladstone. The policy requires that all services to be performed by Crowe Horwath LLP, Peapack-Gladstone's independent registered public accounting firm, including audit services, audit-related services and permitted non-audit services, be pre-approved by the Audit Committee. Specific services being provided by the independent registered public accounting firm are regularly reviewed in accordance with the pre-approval policy. At subsequent Audit Committee meetings, the Audit Committee receives updates on the services actually provided by the independent registered public accounting firm, and management may present additional services for approval. All services rendered by Crowe Horwath LLP are permissible under applicable laws and regulations. Each new engagement of Crowe Horwath LLP in 2016 was approved in advance by the Audit Committee.

New Jersey corporate law requires that the notice of shareholders' meeting (for either a regular or special meeting) specify the purpose or purposes of such meeting. Thus, any substantive proposals, including shareholder proposals, must be referred to in Peapack-Gladstone's notice of shareholders' meeting for such proposal to be properly considered at a meeting of Peapack-Gladstone.

If Peapack-Gladstone changes the date of its 2018 Annual Meeting in a manner that alters the deadline, Peapack-Gladstone will so state under Item 5 of the first quarterly report on Form 10-Q it files with the SEC after the date change or notify its shareholders by another reasonable means.
