On November 4, 2003, FTI Consulting, Inc. (FTI) filed a report on Form 8-K with the Securities and Exchange Commission stating that on November 3, 2004 FTI had completed the acquisition of assets and certain liabilities of the domestic Dispute Advisory Services Business of KPMG LLP (the DAS Business) through its acquisition subsidiary, DAS Business LLC. On November 14, 2003, FTI filed its Form 8-K reporting financial statements and pro forma financial information would be filed within 60 days after the initial filing.

The DAS Business was not a separate reporting unit of KPMG. Accordingly, separate complete historical financial statements for the DAS Business are not available and, in FTI 's opinion, the preparation of complete separate financial statements for the DAS Business would include financial information and require arbitrary allocations of expenses that would not be meaningful to investors. Accordingly, FTI requested that the Commission 's Staff not object to the presentation of an audited statement of assets acquired and a statement of operating revenue and expenses directly related to the DAS Business for the year ended September 30, 2003 in satisfaction of Rule 3-05 of Regulation S-X, as required by Item 7(a) of Form 8-K. In a letter dated November 4, 2003 to Theodore I. Pincus, Executive Vice President and Chief Financial Officer of FTI, the Commission agreed not to object to this proposed financial statement presentation of the DAS Business in satisfaction of Rule 3-05 of Regulation S-X. This Form 8-K/A contains such financial statements and information and required pro forma financial information.
