**Item 6. Indemnification of Directors and Officers.**

The Pennsylvania Business Corporation Law variously empowers or requires Sunoco, Inc. under specified circumstances, to indemnify officers, directors and other persons against expenses incurred in connection with any action, suit or proceeding, civil or criminal, to which such person is a party or is threatened to be made a party.

Article VII of Sunoco's Bylaws provides as follows:

Article VII: Indemnification

General

Section 1. The Corporation shall pay on behalf of any individual who is or was a Director, officer, employee or agent of the Corporation, or who is or was serving at the request of the Corporation as Director, officer, trustee, fiduciary, employee or agent of any other domestic or foreign corporation or partnership, joint venture, sole proprietorship, trust or other enterprise, or who is or was serving as a fiduciary with respect to any employee benefit plan as a result of his employment by, or service as a Director of, the Corporation ( "Indemnified Person" ) all expenses, including attorneys' fees and disbursements, incurred by such person in the defense or settlement of any civil, criminal, administrative or arbitral proceeding pending, threatened or completed against such person by reason of his being or having been such Indemnified Person, and shall indemnify such person against amounts paid or incurred by him in satisfaction of settlements, judgments, fines, and penalties in connection with any such proceeding, including any proceeding by or in the right of the Corporation, except where such indemnification is expressly prohibited by applicable law or where the acts or failures to act of the Indemnified Person constitute willful misconduct, self-dealing or recklessness. For purposes hereof, and with respect to claims which arise from events occurring after March 7, 2002, no person who is serving as an officer, employee or agent of any subsidiary of the Corporation which is a general partner of a limited partnership which has partnership interests which are publicly traded, or of any subsidiary of such a general partner, shall be an Indemnified Person and any such person shall not be deemed as serving at the request of the Corporation, unless by resolution of the Board of Directors of the Corporation such person is specifically designated as an Indemnified Person who is serving at the request of the Corporation. The foregoing right to payment and to indemnification shall not be exclusive of other rights to which such person may be entitled as a matter of law or otherwise.

Agreements for Indemnification and Funding

Section 2. The Corporation is authorized, but not required, to enter into agreements for indemnification with any Indemnified Person, however, failure to enter into such agreements shall not in any way limit the rights of such Indemnified Persons hereunder. The Corporation may, in addition to the foregoing, create a fund of any nature, which may, but need not be, under the control of a trustee, or otherwise secure or insure in any manner its indemnification obligations.

Expenses

Section 3. Expenses incurred by an Indemnified Person in defending a civil or criminal action, suit or proceeding shall be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Corporation.

Disputes

Section 4. Any dispute related to the right to indemnification of or advancement of expenses to Indemnified Persons as provided under this Article, except with respect to indemnification for liabilities arising under the Securities Act of 1933 which the Corporation has undertaken to submit to a court for adjudication, shall be decided only by arbitration in accordance with the commercial arbitration rules then in effect of the American Arbitration Association.

The Registrant hereby undertakes that it will submit or has submitted the Plan and any amendments thereto to the Internal Revenue Service in a timely manner and has made or will make all changes required by the Internal Revenue Service in order to qualify such Plan under Section 401 of the Internal Revenue Code of 1986, as amended.

**Item 9. Undertakings.**

1. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference herein.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will

be considered to offer or sell such securities to such purchaser:

- (1) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
  - (2) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
  - (3) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
  - (4) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
3. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
