Item 2.03 Creation of a Direct Financial Obligation

On November 9, 2011, the Company and certain of its subsidiaries entered into a USD \$700 million Amended and Restated Credit Agreement (the Agreement) with certain financial institutions, referred to as the Lenders, Barclays Bank PLC, as sole Administrative Agent and Collateral Agent, Royal Bank of Canada (RBC), as Documentary Credit Lender, and with Barclays Capital and RBC Capital Markets as Joint Lead Arrangers and Joint Bookrunners. The Agreement provides for a USD \$600 million term loan facility (the Term Loan) and a USD \$100 million committed revolving credit facility (the Revolver).

The Term Loan has a 5 year term and repayments made under the Term Loan are equal to 1.25% of the original principal amount at each quarter for the first 2 years, and subsequently increases thereafter pursuant to section 2.05 of the attached Agreement. The Revolver has a 5 year term with no fixed repayment date prior to the end of the term. On November 9, 2011 the Company borrowed USD \$600 million under the Term Loan.

The Agreement provides for customary events of default with corresponding grace periods, including, among other things, failure to pay any principal or interest when due, failure to pay material indebtedness or the acceleration thereof, failure to comply with covenants, certain insolvency or receivership events affecting the Company or its subsidiaries, and failure of any representation or warranty to be materially true when made or deemed made. Upon the occurrence and during the continuance of an event of default, the Administrative Agent may and shall, at the request of the requisite number of Lenders, declare all amounts owing under the Agreement immediately due and payable and terminate the Lenders commitments to make loans under the Agreement.

The Agreement also contains customary representations and warranties and affirmative and negative covenants including, among others, covenants relating to financial reporting, conduct of business, fundamental changes, incurrence of indebtedness, incurrence of encumbrances and maintenance of certain financial ratios. For full details of the Agreement please see the attached exhibit under Item 9.01 of this Form 8-K.

The Company used the proceeds from the Term Loan to repay all of its existing credit facility with RBC in the amount of USD \$332.8 million.
