QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

Q: What am I voting on?

A: You are being asked to vote to approve the Merger Agreement, pursuant to which United will merge with and into Old National. Old National would be the surviving entity in the Merger, and United would no longer be a separate company.

Additionally, you are being asked to vote to approve (1) the Merger-Related Compensation Proposal, and (2) the Adjournment Proposal.

Q: What will I receive in the Merger?

A: If the Merger is completed, each share of United common stock will be converted into the right to receive 0.70 shares of Old National common stock, subject to adjustment as summarized below, and \$2.66 in cash (collectively, the Merger Consideration). The Exchange Ratio is subject to adjustment as follows:

if, as of the end of the month prior to the effective time of the Merger, the United shareholders' equity (computed in accordance with the terms of the Merger Agreement) is less than \$80,000,000, the Exchange Ratio will be decreased as provided in the Merger Agreement;

if the after-tax environmental costs (computed in accordance with the terms of the Merger Agreement) are in excess of \$1,250,000, the Exchange Ratio will be decreased as provided in the Merger Agreement; and

if the average closing price of a share of Old National common stock (computed in accordance with the terms of the Merger Agreement) is less than \$12.02 per share and decreases by more than 20% in relation to the change in the NASDAQ Bank Index, United will have the right to terminate the Merger Agreement unless Old National elects to increase the Exchange Ratio.

Q: What risks should I consider before I vote on the Merger Agreement?

A: You should review Risk Factors beginning on page .

Q: Will Old National shareholders receive any shares or cash as a result of the Merger?

A: No. Old National shareholders will continue to own the same number of Old National shares they owned before the effective time of the Merger.

Q: When is the Merger expected to be completed?

A: We are working to complete the Merger as quickly as possible. We first must obtain the necessary regulatory approvals and the approval of the Merger Agreement by United shareholders at the special meeting. We currently expect to complete the Merger late in the second quarter of 2014.

Q: What are the tax consequences of the Merger to me?

A: We have structured the Merger so that Old National, United, and their respective shareholders will generally not recognize any gain or loss for federal income tax purposes on the exchange of United shares for Old National shares in the Merger. Some United shareholders, however, may have taxable gain with respect to the cash received in the Merger. As a condition to the closing, United and Old National must each receive an opinion of counsel confirming these tax consequences. See [Material Federal Income Tax Consequences](#) beginning on page .

Your tax consequences will depend on your personal situation. You should consult your own tax advisor for a full understanding of the tax consequences of the Merger to you.

Table of Contents

Q: What happens if I do not return a proxy or otherwise do not vote?

A: Because the required vote of United shareholders on the Merger Agreement is based upon the number of outstanding shares of United common stock entitled to vote rather than upon the number of shares actually voted, a failure to vote and abstentions will have the same practical effect as a vote AGAINST approval of the Merger Agreement.

The advisory vote on the Merger-Related Compensation Proposal and the vote on the Adjournment Proposal each require more votes to be cast in favor of these proposals than against. A failure to vote and abstentions will have no effect on these proposals.

If you properly complete and sign your proxy but do not indicate how your shares of United common stock should be voted on a proposal, the shares of United common stock represented by your proxy will be voted as the United board of directors recommends and therefore, FOR approval of the Merger Agreement, FOR approval of the Merger-Related Compensation Proposal and FOR approval of the Adjournment Proposal.

Q: Why am I being asked to cast a non-binding advisory vote on the Merger-Related Compensation Proposal?

A: The Securities and Exchange Commission, in accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, requires United to seek a non-binding advisory vote on the Merger-Related Compensation Proposal.

Q: What will happen if United shareholders do not approve the Merger-Related Compensation Proposal at the special meeting?

A: Approval of the Merger-Related Compensation Proposal is not a condition to completion of the Merger. The vote with respect to the Merger-Related Compensation Proposal is an advisory vote and will not be binding on United (or Old National following the Merger). Accordingly, as such compensation is contractual, such compensation may or will become payable if the Merger is completed regardless of the outcome of the advisory vote.

Q: Will I have dissenters' rights?

A: No. Because Old National's common stock is traded on a national securities exchange, United's shareholders are not entitled to dissenters' rights under the Michigan Business Corporation Act.

Q: What do I need to do now?

A: After reading this proxy statement and prospectus, you may vote in one of four ways: (1) by mail (by completing and signing the proxy that accompanies this prospectus and proxy statement); (2) by telephone; (3) by using the Internet; and (4) in person (by either delivering the completed proxy or by casting a ballot if attending the special meeting). In the event that you choose not to exercise your vote by telephone, internet or in person, you should mail your signed proxy in the accompanying pre-addressed, postage-paid envelope as soon as possible so that your shares can be voted at the , 2014, United special meeting.

The telephone and Internet voting procedures have been set up for your convenience and have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been properly recorded. If you would like to vote by telephone or by using the Internet, please refer to the specific instructions on the proxy. The deadline for voting by telephone or via the Internet is 11:59 p.m. Eastern Time on ,

2014.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: Yes. Your broker will vote your shares on the Merger Agreement, but only if you provide instructions on how to vote. You should contact your broker and ask what directions your broker will need from you. If you do not provide instructions to your broker on how to vote on the Merger Agreement, your broker will not be able to vote your shares, and this will have the effect of voting against the Merger Agreement.

Similarly, your broker will vote your shares on the Merger-Related Compensation Proposal and the Adjournment Proposal, but only if you provide instructions on how to vote. If you do not submit voting instructions to your broker, your shares will not be counted in determining the outcome of those proposals.

Q: How do I vote shares held in the United Bank & Trust Tax-Deferred Savings Plan?

A: The United Bank & Trust Tax-Deferred Savings Plan owns approximately 1.8% shares of United's common stock. Each participant must instruct the trustee (1st Source Bank) how to vote the shares of United common stock allocated to his or her account under the plan. If a participant properly executes the voting instruction card distributed by the trustee, the trustee will vote such participant's shares in accordance with the participant's instructions. Where properly executed voting instruction cards are returned to the trustee with no specific instruction as to how to vote at the special meeting, the trustee will vote the shares FOR approval of the Merger Agreement, FOR approval of the Merger-Related Compensation Proposal, and FOR approval of the Adjournment Proposal. The trustee will vote the shares of United common stock held in the plan but not allocated to any participant's account and shares as to which no voting instruction cards are received in the same proportion as the allocated shares in the plan are voted with respect to the items being presented to a shareholder vote.

Q: Can I change my vote after I have mailed my signed proxy?

A: Yes. You can change your vote at any time before your proxy is voted at the special meeting. You can do this in one of three ways. First, you can send a written notice stating that you revoke your proxy. Second, you can complete and submit a new proxy, dated at a date later than your most recent proxy. Third, you can attend the special meeting and vote in person. Your attendance at the special meeting will not, however, by itself revoke your proxy. If you hold your shares in street name and have instructed your broker how to vote your shares, you must follow directions received from your broker to change those instructions.

Q: What constitutes a quorum?

A: The holders of over 50% of the outstanding shares of common stock as of the record date must be present in person or by proxy at the special meeting to constitute a quorum. In determining whether a quorum is present, shareholders who abstain will be treated as present for determining the presence or absence of a quorum.

Q: Should I send in my stock certificates now?

A: No. As soon as practicable after the completion of the Merger, you will receive a letter of transmittal describing how you may exchange your certificated or book-entry shares for the Merger Consideration. At that time, you must send your completed letter of transmittal to Old National in order to receive the Merger Consideration. If you hold your shares in certificated form, you should not send your share certificate until you receive the letter of transmittal.

Q: Can I elect the form of payment that I prefer in the Merger?

A: No. The amount of cash and shares of Old National common stock to be issued in the Merger have been determined, subject to those adjustments summarized in this proxy statement and prospectus.

factors considered, the United board of directors did not believe it practicable, nor did it attempt, to quantify or otherwise assign relative weight to the specific factors it considered in reaching its decision.

The United Board also unanimously recommends that you vote **FOR** approval of the Merger-Related Compensation Proposal and **FOR** approval of the Adjournment Proposal.

No Dissenters' Rights (page)

Dissenters' rights are statutory rights that, if available under law, enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the extraordinary transaction. Dissenters' rights are not available in all circumstances, and exceptions to these rights are provided in the Michigan Business Corporation Act. Because shares of Old National common stock are listed on a national securities exchange, holders of United common stock will not have dissenters' rights in connection with the Merger.

Voting Agreements (page)

As of the record date, the directors of United beneficially owned shares of United common stock, including shares subject to options currently exercisable but not exercised. In connection with the execution of the Merger Agreement, all of the directors of United executed a voting agreement pursuant to which they agreed to vote their shares, and to use reasonable efforts to cause all shares owned by such director jointly with another person or by such director's spouse to be voted, for approval of the Merger Agreement.

Opinion of United's Financial Advisor (page)

In connection with the Merger, the United board of directors received an oral and a written opinion, dated January 6, 2014, from United's financial advisor, Sandler O'Neill & Partners, L.P. (Sandler O'Neill), to the effect that, as of the date of the opinion and based on and subject to the various considerations described in the opinion, the Merger Consideration described in the Merger Agreement is fair, from a financial point of view, to the holders of United common stock. The full text of Sandler O'Neill's written opinion, which sets forth, among other things, the assumptions made, procedures followed, matters considered, and limitations on the review undertaken by Sandler O'Neill in rendering its opinion, is attached to this document as Annex B. We encourage you to read the entire opinion carefully. The opinion of Sandler O'Neill is directed to the United board of directors and does not constitute a recommendation to any United shareholder as to how to vote at the United special meeting or any other matter relating to the proposed Merger.

Reasons for the Merger (page)

The United board of directors unanimously determined that the Merger, the Merger Agreement and the Merger Consideration are fair to United and the United shareholders and that entering into the Merger Agreement and completing the Merger and the other transactions contemplated by the Merger Agreement is in the best interest of United and the United shareholders. The United board of directors unanimously recommends that United shareholders vote **FOR** the proposal to approve the Merger Agreement.

In its deliberations and in making its determination, the United board of directors considered many factors including, but not limited to, the following:

the business strategy and strategic plan of United, its prospects for the future, and projected financial results.

a review of the risks and prospects of United remaining independent, including the challenges of the current financial and regulatory climate.

management's organic growth financial forecasts, which estimated a time frame of five to seven years to achieve, through organic growth, a comparable level of shareholder value that the Merger is expected to deliver.

management's assessment of the execution risk involved in attaining the performance levels assumed by the forecasts as considerable, and its belief that the execution risk involved in growth by acquisition being considerably higher than the risk inherent in organic growth.

the relatively low price of United common stock resulting in relatively weak currency for United to complete an acquisition.

conditions and activity in the M&A market providing a unique window of opportunity with respect to a merger of United and delivering accelerated and enhanced shareholder value, to United's shareholders as compared to organic growth.

For more information on the factors considered by the United board of directors in reaching its determination to recommend approval of the Merger Agreement, see Proposal 1 The Merger United's Reasons for the Merger and Recommendation of the Board of Directors beginning on page .

Old National's board of directors concluded that the Merger Agreement is in the best interests of Old National and its shareholders. In deciding to approve the Merger Agreement, Old National's board of directors considered a number of factors, including, but not limited to, the following:

United's community banking orientation in Southern Michigan and its perceived compatibility with Old National and its subsidiaries;

a review of the demographic, economic, and financial characteristics of the markets in which United operates, including existing and potential competition and the history of the market areas with respect to financial institutions; and

management's review of the business, management and personnel, operations, earnings, and financial condition, including capital levels and asset quality, of United and United Bank & Trust.

Regulatory Approvals (page)

Under the terms of the Merger Agreement, the Merger cannot be completed until Old National receives necessary regulatory approvals, which include the approval of the Office of the Comptroller of the Currency and the Board of Governors of the Federal Reserve System (the Federal Reserve Board). [Old National has filed applications with each regulatory authority to obtain the approvals]. Old National cannot be certain when such approvals will be obtained or

if they will be obtained.

the parties must have received the respective closing deliveries of the other party to the Merger Agreement;

Old National must have received a letter of tax advice, in a form satisfactory to Old National, from United's independent certified public accounting firm to the effect that any amounts that are paid by United before the effective time of the Merger, or required to be paid at or after the effective time, to persons who are disqualified individuals under Section 280G of the Internal Revenue Code with respect to United, United Bank & Trust or their successors, and that otherwise should be allowable as deductions for federal income tax purposes, should not be disallowed as deductions for such purposes by reason of Section 280G of the Code;

We cannot be certain when, or if, the conditions to the Merger will be satisfied or waived, or that the Merger will be completed.

Termination (page)

Old National or United may mutually agree at any time to terminate the Merger Agreement without completing the Merger, even if the United shareholders have approved it. Also, either party may decide, without the consent of the other party, to terminate the Merger Agreement under specified circumstances, including if the Merger is not consummated by October 31, 2014, if any governmental entity has issued a final and nonappealable order or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the Merger or if the United shareholders do not approve the Merger Agreement at the United special meeting. In addition, either party may terminate the Merger Agreement if there is a breach of the agreement by the other party.

that would cause the failure of conditions to the terminating party's obligation to close, unless the breach is capable of being cured and is cured within thirty business days of written notice of the breach.

United has the right to terminate the Merger Agreement to enter into a definitive agreement that constitutes a superior proposal and prior to or simultaneously with termination pays the termination fee described below.

Old National has the right to terminate the Merger Agreement if the United board of directors changes its recommendation or fails to reject a takeover proposal and reaffirm its recommendation within five business days of public announcement of such takeover proposal, if United enters into an agreement relating to a takeover proposal, or in the absence of a takeover proposal and only during the period which is ten days before the mailing date of the proxy statement and prospectus and the date of the United special meeting, the United board of directors fails to publicly reaffirm its recommendation within five business days of a written request by Old National.

Old National has the right to terminate the Merger Agreement if the after-tax cost of all remedial or other corrective actions and measures required by applicable law to be taken with respect to United's real property is estimated to exceed, in the aggregate, \$2,500,000, or if the cost of such actions and measures cannot be reasonably estimated. Old National's right to terminate exists for a period of ten business days following United's receipt of Old National's notice of the amount of after-tax cost.

United has the right to terminate the Merger Agreement if Old National's common stock average closing price for the five trading days ending on the sixth business day prior to the closing date of the Merger is below \$12.02 per share, and the decrease in Old National stock price from \$15.02 per share is more than 20% greater than the decrease in the NASDAQ Bank Index for the period from January 6, 2014 ending on the sixth business day prior to the closing date. Old National has the right to prevent United's termination by agreeing to United's request to increase the Exchange Ratio pursuant to a formula set forth in the Merger Agreement.

Termination Fee (page)

United is required to pay Old National a \$6,000,000 termination fee in the following circumstances:

if Old National terminates the Merger Agreement because the United board changes its recommendation or fails to reject a takeover proposal and reaffirm its recommendation within five business days of public announcement of such takeover proposal, if United enters into an agreement relating to a takeover proposal, or in the absence of a takeover proposal and only during the period which is ten days before the mailing date of the proxy statement and prospectus and the date of the United special meeting, the United board of directors fails to publicly reaffirm its recommendation within five business days of a written request by Old National;

if Old National terminates the Merger Agreement because United has breached the Merger Agreement, such that the conditions to Old National's obligations to complete the Merger are not satisfied, and which either (A) cannot be cured by October 31, 2014 or (B) if capable of being cured by October 31, 2014, have not been cured within thirty business days following receipt of written notice from Old National of such breach, provided that Old National is not then in breach of the Merger Agreement, such that the conditions to United's obligations to complete the Merger are not satisfied, and (1) any person has made (whether or not subsequently withdrawn) a takeover proposal to United on or after the date of the Merger Agreement but

prior to the date that the Merger Agreement is terminated, and (2) within twelve months after the date of termination, United consummates a takeover proposal or enters into a definitive agreement with respect to a takeover proposal within 12 months after the date of termination;

if (A) the Merger Agreement is terminated by Old National or United because the Merger does not occur on or before October 31, 2014 or the Merger Agreement is terminated by Old National or United

because the United shareholder meeting has concluded and been finally adjourned and the United shareholder approval has not been obtained; (B) any person has made (whether or not subsequently withdrawn) a takeover proposal to United on or after the date of the Merger Agreement but prior to (1) the date that the Merger Agreement is terminated, in the event the Merger Agreement is terminated by United because the Merger does not occur on or before October 31, 2014, or (2) the United shareholder meeting, in the case of a termination because the United shareholder meeting has concluded and been finally adjourned and the United shareholder approval has not been obtained; and (C) United consummates a takeover proposal or enters into a definitive agreement with respect to a takeover proposal within 12 months after the date of termination;

if United terminates the Merger Agreement, prior to receipt of the United shareholder approval, to enter into a definitive agreement that constitutes a superior proposal.

Old National is required to pay United a \$6,000,000 termination fee in the following circumstances:

if either party terminates the Merger Agreement because (A) any governmental entity has issued an order or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the Merger and such order or other action is final and nonappealable or (B) the Merger does not occur before October 31, 2014, except that the right to terminate the Merger Agreement shall not be available to United if its breach of the Merger Agreement causes the failure of the effective time of the Merger to occur on or before October 31, 2014; if at the time of such termination, the condition requiring receipt of regulatory approvals has not been satisfied for reasons substantially attributable to the anti-competitive effect of the Merger or Old National's failure to comply with its best efforts obligations to obtain regulatory approval.

Interests of Certain Directors and Executive Officers of United in the Merger That are Different From Yours
(page)

You should be aware that some of United's directors and executive officers may have interests in the Merger that are different from, or in addition to, their interests as shareholders. United's board of directors was aware of these interests and took them into account in adopting the Merger Agreement. For example, Old National will assume all obligations under the Employment Agreements for certain employees of United. Todd C. Clark, Executive Vice President of United and President of United Bank & Trust, accepted terms of employment with Old National following the effective time of the Merger and entered into a severance/change of control agreement with Old National effective at the effective time of the Merger, which shall supersede Mr. Clark's existing employment agreement with United.

Additionally, Old National is obligated under the Merger Agreement to provide continuing indemnification to the officers and directors of United and United Bank & Trust for a period of six years following the Merger and to provide such directors and officers with directors' and officers' liability insurance and fiduciary insurance for a period of six years following the Merger.

Accounting Treatment of the Merger (page)

The Merger will be accounted for as a purchase transaction in accordance with United States generally accepted accounting principles.

Rights of Shareholders After the Merger (page)

When the Merger is completed, United shareholders, whose rights are governed by United's articles of incorporation and bylaws, will become Old National shareholders, and their rights then will be governed by Old National's articles of incorporation and by-laws. Old National is organized under Indiana law and United is

organized under Michigan law. To review the differences in the rights of shareholders under each company's governing documents, see [Comparison of the Rights of Shareholders](#) beginning on page .

Material Federal Income Tax Consequences of the Merger (page)

Old National and United expect the Merger to qualify as a reorganization for U.S. federal income tax purposes. If the Merger qualifies as a reorganization, then, in general, United shareholders will not recognize any gain or loss for U.S. federal income tax purposes on the exchange of United shares for Old National shares in the Merger. With respect to cash received in the Merger, United shareholders will recognize gain (but not loss) in an amount equal to the lesser of (A) the amount of cash received in the Merger, and (B) the excess, if any, of (1) the sum of the amount of cash and the fair market value of the Old National common stock received in the Merger over (2) the United shareholder's aggregate tax basis in the United common stock surrendered in exchange for Old National common stock.

To review the tax consequences of the Merger to United shareholders in greater detail, please see the section [Material Federal Income Tax Consequences](#) beginning on page .

Comparative Per Share Data

The following table shows information about our book value per share, cash dividends per share, and diluted earnings (loss) per share, and similar information as if the Merger had occurred on the date indicated, all of which is referred to as pro forma information. In presenting the comparative pro forma information for certain time periods, we assumed that we had been merged throughout those periods and made certain other assumptions.

The information listed as [Pro Forma Equivalent United Share](#) was obtained by multiplying the Pro Forma Combined amounts by a fixed Exchange Ratio of 0.70. We present this information to reflect the fact that United shareholders will receive shares of Old National common stock for each share of United common stock exchanged in the Merger. We also anticipate that the combined company will derive financial benefits from the Merger that include reduced operating expenses and the opportunity to earn more revenue. The pro forma information, while helpful in illustrating the financial characteristics of the merged company under one set of assumptions, does not reflect these benefits and, accordingly, does not attempt to predict or suggest future results. Further, the pro forma information below excludes one-time expenses related to the Merger. The pro forma information also does not necessarily reflect what the historical results of the combined company would have been had our companies been combined during these periods.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this proxy statement and prospectus (See [Where You Can Find More Information](#)), including the risk factors included in Old National's and United's respective Annual Report on Form 10-K for the year ended December 31, 2012, you should consider carefully the risk factors described below in deciding how to vote. You should keep these risk factors in mind when you read forward-looking statements in this document and in the documents incorporated by reference into this document. Please refer to the section of this proxy statement and prospectus titled [Caution About Forward-Looking Statements](#).

United shareholders cannot be certain of the value of the Merger Consideration they will receive, because the market price of Old National common stock will fluctuate and the Exchange Ratio is subject to adjustment.

Upon completion of the Merger, each share of United common stock will be converted into the Merger Consideration. The Exchange Ratio is subject to downward adjustment, as described in the Merger Agreement and in this proxy statement and prospectus in the event that United's consolidated shareholders' equity is less than \$80,000,000 as of the end of month prior to the effective time or after-tax environmental costs exceed \$1,250,000. See [The Merger Agreement - Merger Consideration](#) for a more complete discussion of the Merger Consideration to be paid in the Merger.

Additionally, the market value of the Merger Consideration may vary from the closing price of Old National common stock on the date the Merger was announced, on the date that this document was mailed to United shareholders, on the date of the special meeting of the United shareholders and on the date the Merger is completed and thereafter. Any change in the Exchange Ratio or the market price of Old National common stock prior to completion of the Merger will affect the amount of and the market value of the Merger Consideration that United shareholders will receive upon completion of the Merger. Accordingly, at the time of the special meeting, United shareholders will not know or be able to calculate with certainty the amount or the market value of the Merger Consideration they would receive upon completion of the Merger. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in business, operations and prospects, and regulatory considerations. Many of these factors are beyond Old National's or United's control. You should obtain current market quotations for shares of Old National common stock and for shares of United common stock before you vote.

Regulatory approvals may not be received, may take longer than expected or may impose conditions that are not presently anticipated or cannot be met.

Before the transactions contemplated in the Merger Agreement may be completed, various approvals must be obtained from the Federal Reserve Board and the Office of the Comptroller of the Currency. These governmental entities may impose conditions on the completion of the Merger or require changes to the terms of the Merger Agreement. Although Old National and United do not currently expect that any such conditions or changes would be imposed, there can be no assurance that they will not be, and such conditions or changes could have the effect of delaying completion of the transactions contemplated in the Merger Agreement or imposing additional costs on or limiting Old National's revenues, any of which might have a material adverse effect on Old National following the Merger. There can be no assurance as to whether the regulatory approvals will be received, the timing of those approvals, or whether any conditions will be imposed.

The Merger Agreement may be terminated in accordance with its terms and the Merger may not be completed, which could have a negative impact on United.

The Merger Agreement with Old National is subject to a number of conditions which must be fulfilled in order to close. Those conditions include: United shareholder approval, regulatory approvals, the continued accuracy of certain representations and warranties by both parties and the performance by both parties of certain covenants and agreements. In particular, Old National is not obligated to close the Merger transaction if United s

Table of Contents

consolidated shareholders' equity is less than \$75,000,000, subject to adjustments in the Merger Agreement, as of the end of the month prior to the effective time of the Merger or after-tax environmental costs exceed \$2,500,000.

In addition, certain circumstances exist where United may choose to terminate the Merger Agreement, including the acceptance of a superior proposal or the decline in Old National's share price to below certain thresholds set forth in the Merger Agreement. See "The Merger Agreement - Merger Consideration" for a more complete discussion of the Merger Consideration to be paid in the Merger and "Termination" for a more complete discussion of the circumstances under which the Merger Agreement could be terminated. There can be no assurance that the conditions to closing the Merger will be fulfilled or that the Merger will be completed.

If the Merger Agreement is terminated, there may be various consequences to United, including:

United's businesses may have been adversely impacted by the failure to pursue other beneficial opportunities due to the focus of management on the Merger, without realizing any of the anticipated benefits of completing the Merger;

United may have incurred substantial expenses in connection with the Merger, without realizing any of the anticipated benefits of completing the Merger; and

the market price of United common stock might decline to the extent that United's market price following announcement of the Merger reflects a market assumption that the Merger will be completed.

If the Merger Agreement is terminated and United's board of directors seeks another merger or business combination, under certain circumstances United may be required to pay Old National a \$6,000,000 termination fee. United shareholders cannot be certain that United would be able to find a party willing to pay an equivalent or more attractive price than the price Old National has agreed to pay in the Merger.

United shareholders will have a reduced ownership and voting interest after the Merger and will exercise less influence over management.

United's shareholders currently have the right to vote in the election of the United board of directors and on other matters affecting United. When the Merger occurs, each United shareholder will become a shareholder of Old National with a percentage ownership of the combined organization that is much smaller than the shareholder's percentage ownership of United. Because of this, United's shareholders will have less influence on the management and policies of Old National than they now have on the management and policies of United.

Old National may be unable to successfully integrate United Bank & Trust's operations and retain United Bank & Trust's employees.

United Bank & Trust will be merged with and into Old National Bank immediately following the closing of the Merger. The difficulties of merging the operations of United Bank & Trust with Old National Bank include:

integrating personnel with diverse business backgrounds;

combining different corporate cultures; and

retaining key employees.

The process of integrating operations could cause an interruption of, or loss of momentum in, the activities of Old National, Old National Bank or United Bank & Trust, and the loss of key personnel. The integration of United Bank & Trust with Old National Bank will require the experience and expertise of certain key employees of United Bank & Trust who are expected to be retained by Old National. However, there can be no assurances that Old National will be successful in retaining these employees for the time period necessary to successfully integrate United Bank & Trust into Old National Bank. The diversion of management's attention and any delays

Table of Contents

or difficulties encountered in connection with the merger and integration of United Bank & Trust into Old National Bank could have an adverse effect on the business and results of operations of Old National or Old National Bank.

The termination fee and the restrictions on solicitation contained in the Merger Agreement may discourage other companies from trying to acquire United.

Until the completion of the Merger, with some exceptions, United is prohibited from soliciting, initiating, encouraging, or participating in any discussion of, or otherwise considering, any inquiries or proposals that may lead to an acquisition proposal, such as a merger or other business combination transaction, with any person or entity other than Old National. In addition, United has agreed to pay a termination fee of \$6,000,000 to Old National if United terminates the Merger Agreement to enter into a definitive agreement for a superior proposal or Old National terminates the Merger Agreement because the United board changes its recommendation or fails to reject a takeover proposal and reaffirm its recommendation within five business days of public announcement of such takeover proposal, if United enters into an agreement relating to a takeover proposal, or in the absence of a takeover proposal and only during the period which is ten days before the mailing date of the proxy statement and prospectus and the date of the United special meeting, the United board of directors fails to publicly reaffirm its recommendation within five business days of a written request by Old National. These provisions could discourage other companies from trying to acquire United even though such other companies might be willing to offer greater value to United's shareholders than Old National has offered in the Merger Agreement. The payment of the termination fee also could have a material adverse effect on United's financial condition.

Certain of United's executive officers and directors have interests that are different from, or in addition to, the interests of United's shareholders generally.

Certain of United's executive officers and directors have interests in the Merger that are in addition to, or different from, the interests of United's shareholders. United's board of directors was aware of these conflicts of interest when it approved the Merger Agreement.

For a more detailed discussion of these interests, see [Interests of Certain Directors and Officers of United in the Merger](#).

The fairness opinion obtained by United will not reflect changes in the relative values of Old National and United between the time the opinion was obtained and the effective time of the Merger.

The fairness opinion of Sandler O'Neill was delivered as of January 6, 2014. United does not intend to obtain any further update of the Sandler O'Neill fairness opinion. Changes in the operations and prospects of Old National and United, general market and economic conditions, and other factors both within and outside of Old National's and United's control, on which the opinion of Sandler O'Neill is based, may alter the relative value of the companies. Therefore, the Sandler O'Neill opinion does not address the fairness of the Merger Consideration as of the date of this proxy statement and prospectus, the date of the special meeting or at the time the Merger will be completed.

The Merger may fail to qualify as a reorganization for federal tax purposes, resulting in your recognition of taxable gain or loss in respect of your United shares.

United intends the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Although the Internal Revenue Service will not provide a ruling on the matter, Old National and United will, as a condition to closing, each obtain an opinion from their respective legal counsel that the Merger will constitute a reorganization for federal tax purposes. These opinions do not bind the IRS or prevent the IRS from adopting a

contrary position. If the Merger fails to qualify as a reorganization, you generally would recognize gain or loss on each share of United common stock surrendered in an amount equal to

Table of Contents

the difference between your adjusted tax basis in that share and the fair market value of the Merger Consideration received in exchange for that share upon completion of the Merger.

The shares of Old National common stock to be received by United shareholders as a result of the Merger will have different rights from the shares of United common stock.

The rights associated with United common stock are different from the rights associated with Old National common stock. See the section of this proxy statement and prospectus entitled "Comparison of the Rights of Shareholders" for a discussion of the different rights associated with Old National common stock.

Each party is subject to business uncertainties and contractual restrictions while the Merger is pending, which could adversely affect each party's business and operations.

In connection with the pendency of the Merger, it is possible that some customers and other persons with whom Old National or United has a business relationship may delay or defer certain business decisions or might seek to terminate, change or renegotiate their relationships with Old National or United, as the case may be, as a result of the Merger, which could negatively affect Old National's or United's respective revenues, earnings and cash flows, as well as the market price of Old National's or United's common stock, regardless of whether the Merger is completed.

Under the terms of the Merger Agreement, United is subject to certain restrictions on the conduct of its business prior to completing the Merger, which may adversely affect its ability to execute certain of its business strategies, including the ability in certain cases to enter into or amend contracts, acquire or dispose of assets, incur indebtedness or incur capital expenditures. Such limitations could negatively affect United's businesses and operations prior to the completion of the Merger.

Litigation may be filed against United and its board of directors that could prevent or delay the completion of the Merger or result in the payment of damages following completion of the Merger.

In connection with the Merger, it is possible that United shareholders may file putative shareholder class action lawsuits against United and its board of directors. Among other remedies, the plaintiffs may seek to enjoin the Merger. The outcome of any such litigation is uncertain. If a dismissal is not granted or a settlement is not reached, such potential lawsuits could prevent or delay completion of the Merger and result in substantial costs to United, including any costs associated with indemnification. The defense or settlement of any lawsuit or claim that remains unresolved at the time the Merger is consummated may adversely affect Old National's business, financial condition, results of operations, cash flows and market price.

United does not expect any other items of business to be presented at the special meeting. If other matters do properly come before the special meeting, the accompanying proxy gives discretionary authority to the persons named in the proxy to vote on any other matters brought before the meeting. Those persons intend to vote the proxies in accordance with their judgment.

The special meeting will be held on , 2014, at , Eastern Time, at the Downing Center, United Bank & Trust, 209 E. Russell Road, Tecumseh, Michigan 49286.

Record Date, Voting Rights, Quorum, and Required Vote

United has set the close of business on , 2014, as the record date for determining the holders of United common stock entitled to notice of and to vote at the special meeting. Only United shareholders at the close of business on the record date are entitled to notice of and to vote at the special meeting. As of the record date, there were shares of United common stock outstanding and entitled to vote at the special meeting. Each share of United's common stock is entitled to one vote at the special meeting on all matters properly presented.

The holders of over 50% of the outstanding shares of United's common stock as of the record date must be present in person or by proxy at the special meeting to constitute a quorum. In determining whether a quorum is present, shareholders who abstain will be treated as present for determining the presence or absence of a quorum. There will be no broker non-votes at the special meeting because the only proposals are non-routine under NYSE Rule 452.

Approval of the Merger Agreement will require the affirmative vote of holders of at least a majority of United's outstanding shares entitled to vote. Abstentions from voting will have the same effect as a vote against the Merger Agreement. The directors and executive officers of United (and their affiliates), as a group, owned with power to vote shares of United common stock, representing approximately % of the outstanding shares of United common stock as of the record date, including shares subject to options currently exercisable but not exercised. In connection with the execution of the Merger Agreement, the directors of United each executed a voting agreement pursuant to which they agreed to vote their shares, and to use reasonable efforts to cause all shares owned by such director jointly with another person or by such director's spouse to be voted, for approval of the Merger Agreement.

The advisory vote on the Merger-Related Compensation Proposal and the vote on the Adjournment Proposal each require more votes cast in favor of the proposal than are cast against it. Abstentions will have no effect on these proposals.

Voting and Revocability of Proxies

You may vote in one of four ways: (1) by mail (by completing and signing the proxy that accompanies this prospectus and proxy statement); (2) by telephone; (3) by using the Internet; and (4) in person (by either delivering the completed proxy or by casting a ballot if attending the special meeting). To ensure your representation at the special meeting, we recommend you vote by proxy even if you plan to attend the special meeting. You may change your proxy vote at the special meeting.

United shareholders whose shares are held in street name by their broker, bank, or other nominee must follow the instructions provided by their broker, bank, or other nominee to vote their shares.

Table of Contents

Voting instructions are included on your proxy. If you properly complete and timely submit your proxy, your shares will be voted as you have directed. If you submit your proxy without specifying a voting instruction, your shares will be voted FOR approval of the Merger Agreement, FOR approval of the Merger-Related Compensation Proposal and FOR approval of the Adjournment Proposal.

You may revoke your proxy before it is voted by:

filing with the Secretary of United a duly executed revocation of proxy;

submitting a new proxy with a later date; or

voting in person at the special meeting.

Attendance at the special meeting will not, in and of itself, constitute a revocation of a proxy. All written notices of revocation and other communication with respect to the revocation of proxies should be addressed to: United Bancorp, Inc., 2723 South State Street, Ann Arbor, Michigan 48104, Attention: Randal J. Rabe, Executive Vice President, Chief Financial Officer and Secretary.

The telephone and Internet voting procedures have been set up for your convenience and have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been properly recorded. If you would like to vote by telephone or by using the Internet, please refer to the specific instructions on the proxy. The deadline for voting by telephone or via the Internet is 11:59 p.m. EDT on , 2014.

Voting of Shares Held in the United Bank & Trust Tax-Deferred Savings Plan

The United Bank & Trust Tax-Deferred Savings Plan owns approximately 1.8% of United's common stock. Each plan participant must instruct the trustee of the plan (1st Source Bank) how to vote the shares of United common stock allocated to his or her account under the plan. If a participant properly executes the voting instruction card distributed by the trustee, the trustee will vote such participant's shares in accordance with the participant's instructions. Where properly executed voting instruction cards are returned to the trustee with no specific instruction as to how to vote at the special meeting, the trustee will vote the shares FOR approval of the Merger Agreement, FOR approval of the Merger-Related Compensation Proposal and FOR approval of the Adjournment Proposal. The trustee will vote the shares of United common stock held in the plan but not allocated to any participant's account and shares as to which no voting instruction cards are received in the same proportion as the allocated shares in the plan are voted with respect to the items being presented to a shareholder vote.

Solicitation of Proxies

Old National will pay the costs of the distribution of this proxy statement and prospectus. In addition to soliciting proxies by mail, directors, officers, and employees of United may solicit proxies personally and by telephone. None of these persons will receive additional or special compensation for soliciting proxies. United will, upon request, reimburse brokers, banks and other nominees for their expenses in sending proxy materials to their customers who are beneficial owners and obtaining their voting instructions.

To help assure the presence in person or by proxy of the largest number of shareholders possible, United has engaged Georgeson Inc., a proxy solicitation firm, to solicit proxies on United's behalf, for a proxy solicitation fee of \$6,000, plus reasonable out-of-pocket costs and expenses.

interest of United and the United shareholders. The United board of directors unanimously recommends that United shareholders vote FOR approval of the Merger Agreement, FOR approval of the Merger-Related Compensation Proposal, and FOR approval of the Adjournment Proposal.

PROPOSAL 1 THE MERGER

Background of the Merger

United's board of directors regularly evaluates and assesses United's strategy and opportunities to strengthen its business and achieve profitable growth and value for its shareholders through various strategic initiatives, alternatives and transactions, giving consideration to the context of developments in the banking industry, including the regulatory environment, conditions in the geographic areas that United serves, competitive considerations and other factors. United's board of directors regularly reviews United's performance, risks, opportunities, stock valuation and strategy and discusses such matters at board meetings. On at least an annual basis for the last several years, United's board of directors has received a market update from its financial advisor, Sandler O'Neill providing, among other things, a banking industry update and overview and mergers and acquisitions (M&A) update and outlook.

In late 2011, the United board of directors established the External Growth Committee (the Committee) consisting of directors James D. Buhr (Vice Chairman of the Board), Kenneth W. Crawford, and Len M. Middleton. Chairman of the Board James C. Lawson was subsequently appointed a member of the Committee in 2013. The established purpose of the Committee is to develop and recommend to the full board of directors and management United's strategic growth plan and review and consider growth opportunities (both organic and through acquisition).

Beginning in January, 2013, the Committee met five times (January 30, 2013, February 20, 2013, March 18, 2013, June 4, 2013, and August 26, 2013). During these meetings, the Committee discussed, evaluated and considered various strategic growth opportunities for United, including organic growth, growth by acquisition, a merger of equals and selling or merging United to or with another party. A representative of Sandler O'Neill attended the January 30, 2013, February 20, 2013 and August 26, 2013 meetings of the Committee.

On March 12, 2013, the board of directors held a regular meeting at which a representative of United's legal counsel, Warner Norcross & Judd LLP (Warner Norcross), provided a review of the fiduciary and legal obligations applicable to directors when considering a sale or merger of a company and provided an overview of the process involved with selling or merging a company. A representative of Sandler O'Neill also attended this meeting.

On October 17, 2013, the Committee held a meeting at which a representative of Sandler O'Neill provided a presentation relating to a banking industry update and overview, M&A update and outlook, summary overview of United relative to peers, including bank valuation themes, United in the merger context, including potential advantages, disadvantages and risks associated with completing an acquisition of another company or being merged with another company, identifying potential merger partners, including affordability analysis and pro forma analysis, summary valuation analysis of United, comparable company analysis and precedent M&A transaction analysis. Based on conditions and activity in the M&A market, including several recently announced merger transactions, the Committee determined that a unique window of opportunity may exist with respect to exploring the potential merger of United and delivering enhanced shareholder value, as compared to organic growth, and requested Sandler O'Neill to attend and give the presentation at the October 24, 2013 meeting of the board of directors.

On October 24, 2013, the board of directors of United held a regular meeting at which a representative of Sandler O'Neill provided the presentation previously provided to the Committee on October 17, 2013. At the conclusion of its presentation, the board of directors authorized Sandler O'Neill to contact four identified potential merger partners, including Old National (each a Potential Merger Partner), affirm their expected interest and execute a non-disclosure agreement and share limited but appropriate information for the Potential Merger Partners to present non-binding indications of interest. The four Potential Merger Partners were chosen from a pool of potential merger partners and were chosen on the basis of, among other things, likelihood of

Table of Contents

interest in partnering with United, demonstrated ability to complete a merger transaction and financial ability and capacity to complete a merger transaction. Representatives of Warner Norcross provided a review of the fiduciary and legal obligations applicable to directors when considering a sale or merger of a company and provided an overview of the process involved with selling or merging a company. Management presented organic growth financial forecasts. These forecasts indicated an estimated time frame of five to seven years to achieve, through organic growth, a comparable level of shareholder value that a merger of United might deliver in the current M&A market. Management provided its assessment of the execution risk involved in attaining the performance levels assumed by the forecasts as considerable, and its belief that the execution risk involved in growth by acquisition was considerably higher than the risk inherent in organic growth. The United board of directors extensively discussed the Sandler O'Neill presentation, the pool of potential merger partners, including the Potential Merger Partners, United's organic growth plans and financial forecasts, its ability to grow earnings, its capacity to pay dividends to common shareholders and the Warner Norcross presentation. At the conclusion of the meeting, the board of directors authorized the commencement of a discovery process related to a potential merger of United.

On October 25, 2013, United, Sandler O'Neill and Warner Norcross commenced preparation of due diligence materials for the discovery process related to a potential merger of United.

During the weeks of October 27, 2013 and November 3, 2013, Sandler O'Neill contacted the four Potential Merger Partners to determine their level of interest in a possible strategic partnership with United. Each indicated an interest, and customary non-disclosure agreements were negotiated and executed with each Potential Merger Partner.

On November 4, 2013, the board of directors of United held a special meeting to answer any additional questions that directors had related to the authorization of the discovery process and review, in detail, with representatives of Warner Norcross the fiduciary and legal obligations applicable to directors when considering a sale or merger of a company. At this meeting, the board of directors unanimously approved an engagement letter with Sandler O'Neill for Sandler O'Neill to act as United's financial advisor in connection with the discovery process and the exploration of a potential merger of United.

On November 6, 2013, a virtual data room containing information about the Company was opened and access was granted to each Potential Merger Partner.

During the weeks of November 11, 2013 and November 18, 2013, Sandler O'Neill had ongoing conversations with each Potential Merger Partner emphasizing the uniqueness of opportunity and competitive nature of process. Sandler O'Neill reviewed the financial and non-financial assumptions of each Potential Merger Partner. Each Potential Merger Partner performed off-site due diligence, including multiple conference calls with Robert K. Chapman (Chief Executive Officer), Todd C. Clark (President) and Randal J. Rabe (Executive Vice President and Chief Financial Officer) and Sandler O'Neill.

On November 18, 2013, one of the Potential Merger Partners withdrew from the discovery process, stating that it was not the right strategic fit at this time. Also on this date, Messrs. Chapman and Clark had an in-person meeting with the Chief Executive Officer and an Executive Vice President of Potential Merger Partner #1.

On November 20, 2013, Messrs. Chapman and Clark had an in-person meeting with the Chief Executive Officer, Chief Financial Officer and an Executive Vice President of Potential Merger Partner #2.

On November 22, 2013, written, preliminary, non-binding indications of interest were received from each of the three remaining Potential Merger Partners. The indicated range of purchase price per share submitted by the Potential Merger Partners was \$11.00 to \$12.65.

On November 25, 2013, Potential Merger Partner #2 and Old National submitted enhanced indicated ranges of purchase price per share, resulting in the low end of the indicated range of purchase price per share submitted

by the Potential Merger Partners increasing from \$11.00 to \$11.25. Also on this date, the board of directors of United held a special meeting to review and consider, in detail, the preliminary, non-binding indications of interest received from the Potential Merger Partners and other matters related to a potential merger of United. Among other things, the following occurred at the meeting:

This discussion of the information and factors considered by United's board of directors in reaching its conclusions and recommendation includes the factors identified above, but is not intended to be exhaustive and may not include all of the factors considered by the United board of directors. In view of the wide variety of factors considered in connection with its evaluation of the Merger and the other transactions contemplated by the Merger agreement, and the complexity of these matters, the United board of directors did not find it useful and did not attempt to quantify, rank or assign any relative or specific weights to the various factors that it considered in reaching its determination to approve the Merger and the other transactions contemplated by the Merger Agreement, and to make its recommendation to United shareholders. Rather, the United board of directors viewed its decisions as being based on the totality of the information presented to it and the factors it considered, including its discussions with and questioning of members of United's management and outside legal and financial advisors. In addition, individual members of the United board of directors may have assigned different weights to different factors.

Certain of United's directors and executive officers have financial interests in the Merger that are different from, or in addition to, those of United's shareholders generally. The United board of directors was aware of and considered these potential interests, among other matters, in evaluating the Merger and in making its recommendation to United shareholders. For a discussion of these interests, see *Interests of Certain Directors and Officers of United in the Merger* beginning on page .

The United board of directors unanimously determined that the Merger, the Merger Agreement and the Merger Consideration are fair to United and the United shareholders and that entering into the Merger Agreement and completing the Merger and the other transactions contemplated by the Merger Agreement is in the best interest of United and the United shareholders. The United board of directors unanimously recommends that United shareholders vote FOR approval of the Merger Agreement.

Old National's Reasons For the Merger

Old National's board of directors concluded that the Merger Agreement is in the best interests of Old National and its shareholders. In deciding to approve the Merger Agreement, Old National's board of directors considered a number of factors, including, without limitation, the following:

United's community banking orientation in Southeastern Michigan and its perceived compatibility with Old National and its subsidiaries;

a review of the demographic, economic and financial characteristics of the markets in which United operates, including existing and potential competition and history of the market areas with respect to financial institutions; and

management's review of the business, operations, earnings, and financial condition, including capital levels and asset quality, of United and United Bank & Trust.

Effects of the Merger

The respective Boards of Directors of Old National and United believe that, over the long-term, the Merger will be beneficial to Old National shareholders, including the current shareholders of United who will become Old National shareholders if the Merger is completed. The Old National board of directors believes that one of

Table of Contents

the potential benefits of the Merger is the cost savings that may be realized by combining the two companies and integrating United Bank & Trust as a banking subsidiary of Old National, which savings are expected to enhance Old National's earnings.

Old National expects to reduce expenses by combining accounting, data processing, retail and lending support, and other administrative functions after completion of the Merger, which will enable Old National to achieve economies of scale in these areas. Promptly following the completion of the Merger, which is expected to occur late in the second quarter of 2014, Old National plans to begin the process of eliminating redundant functions, and eliminating duplicative expenses.

The amount of any cost savings Old National may realize in 2014 and beyond will depend upon how quickly and efficiently Old National is able to implement the processes outlined above.

Old National believes that it will achieve cost savings based on the assumption that it will be able to:

reduce data processing costs;

reduce staff;

achieve economies of scale in advertising and marketing budgets;

reduce legal and accounting fees; and

achieve other savings through reduction or elimination of miscellaneous items such as insurance premiums, travel and automobile expense, and investor relations expenses.

Old National has based these assumptions on its present assessment of where savings could be realized based upon the present independent operations of the two companies. Actual savings in some or all of these areas could be higher or lower than is currently expected.

Old National also believes that the Merger will be beneficial to the customers of United as a result of the additional products and services offered by Old National and its subsidiaries and because of the increased lending capability.

The following is a summary of the material analyses performed by Sandler O'Neill, but is not a complete description of all the analyses underlying Sandler O'Neill's opinion. The summary includes information presented in tabular format. In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses. The preparation of a fairness opinion is a complex process involving subjective judgments as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. In arriving at its opinion, Sandler O'Neill did not attribute any particular weight to any analysis or factor that it considered. Rather Sandler O'Neill made qualitative judgments as to the significance and relevance of each analysis and factor. Sandler O'Neill did not form an opinion as to whether any individual analysis or factor (positive or negative) considered in isolation supported or failed to support its opinion; rather Sandler O'Neill made its determination as to the fairness of the Merger Consideration on the basis of its experience and professional judgment after considering the results of all its analyses taken as a whole. The process,

therefore, is

not necessarily susceptible to a partial analysis or summary description. Sandler O'Neill believes that its analyses must be considered as a whole and that selecting portions of the factors and analyses to be considered without considering all factors and analyses, or attempting to ascribe relative weights to some or all such factors and analyses, could create an incomplete view of the evaluation process underlying its opinion. Also, no company included in Sandler O'Neill's comparative analyses described below is identical to United or Old National and no transaction is identical to the Merger. Accordingly, an analysis of comparable companies or transactions involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the public trading values or merger transaction values, as the case may be, of United or Old National and the companies to which they are being compared.

In performing its analyses, Sandler O'Neill also made numerous assumptions with respect to industry performance, business and economic conditions and various other matters, many of which cannot be predicted and are beyond the control of United, Old National and Sandler O'Neill. The analysis performed by Sandler O'Neill is not necessarily indicative of actual values or future results, both of which may be significantly more or less favorable than suggested by such analyses. Sandler O'Neill prepared its analyses solely for purposes of rendering its opinion and provided such analyses to the United board of directors at the January 6, 2014 meeting. Estimates on the values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold. Such estimates are inherently subject to uncertainty and actual values may be materially different. Accordingly, Sandler O'Neill's analyses do not necessarily reflect the value of United's common stock or the prices at which United's common stock may be sold at any time. The analysis and opinion of Sandler O'Neill was among a number of factors taken into consideration by the United board of directors in making its determination to adopt the Merger Agreement and the analyses described below should not be viewed as determinative of the decision of the United board of directors with respect to the fairness of the Merger.

At the January 6, 2014 meeting of the United board of directors, Sandler O'Neill presented certain financial analyses of the Merger. The summary below is not a complete description of the analyses underlying the opinions of Sandler O'Neill or the presentation made by Sandler O'Neill to the United board of directors, but is instead a summary of the material analyses performed and presented in connection with the opinion.

United Net Present Value Analysis

Sandler O Neill performed an analysis that estimated the net present value of United through December 31, 2017.

Sandler O Neill based the analysis on United's projected earnings stream as derived from the internal financial projections provided by United management for the years ending December 31, 2013 through 2017.

To approximate the terminal value of United's common stock at December 31, 2017, Sandler O Neill applied price to forward earnings multiples of 10.0x to 15.0x and multiples of tangible book value ranging from 100% to 175%. Sandler O Neill selected the price to forward earnings multiples of 10.0x to 15.0x based on the range of trades multiples of the comparable groups of United. The income streams and terminal values were then discounted to present values using different discount rates ranging from 10.0% to 16.0%, which were assumed deviations, both up and down, as selected by Sandler O Neill based on the United discount rate of 15.7% as determined by Sandler O Neill. The discount rate is determined by adding the 10-year Treasury Bond rate (3.02%), the published Ibbotson 60-year equity risk premium (5.70%), the published Ibbotson size premium (3.81%) and the published Ibbotson Industry Premium (3.20%).

Analysis of Selected Merger Transactions

Sandler O'Neill reviewed a comprehensive set of comparable mergers and acquisitions.

The set of mergers and acquisitions included 32 transactions announced from January 1, 2012 through January 3, 2014 where the seller met all of certain criteria as determined by Sandler O'Neill, including: assets at announcement greater than \$500 million, tangible common equity to tangible assets greater than 7.0%, non-performing assets to total assets of less than 3.0%, and a positive return on assets for the last twelve months. Sandler O'Neill deemed these transactions to be reflective of the proposed Merger. Sandler O'Neill reviewed the following multiples: transaction price to tangible book value, transaction price to last twelve months' earnings per share, transaction price to estimated earnings per share, core deposit premium and market premium. As illustrated in the following table, Sandler O'Neill compared the proposed Merger multiples to the median multiples of these comparable transactions.

Table of Contents***Pro Forma Merger Analysis***

Sandler O'Neill analyzed certain potential pro forma effects of the Merger, assuming the following: (1) the Merger is completed in the second quarter of 2014; (2) the deal value per share is equal to \$13.30 per United share, based on Old National's closing stock price of \$15.20 on January 3, 2014, and given an exchange ratio of 0.70 shares of Old National common stock plus \$2.66 in cash for each share of United common stock; (3) 30% cost savings of United projected operating expense, 25% phased in in 2014 and fully phased-in in 2015; (4) approximately \$18.0 million in pre-tax transaction costs and expenses; (5) United's performance was calculated in accordance with United management's prepared earnings projections; (6) Old National's performance was calculated in accordance with median publicly available analyst estimates for Old National's 2013-2017 projected earnings per share and long-term earnings growth rate for the year ended December 31, 2013 and the years thereafter; and (7) certain other assumptions pertaining to costs and expenses associated with the transaction, intangible amortization, opportunity cost of cash and other items. The analyses indicated that, for the full years 2014-2017, the Merger (excluding transaction expenses) would be accretive to Old National's projected earnings per share, while initially dilutive to tangible book value per share. The actual results achieved by the combined company may vary from projected results and the variations may be material.

Sandler O'Neill's Compensation and Other Relationships with United and Old National

Sandler O'Neill has acted as financial advisor to the United board of directors and senior management of United and its subsidiaries in connection with the Merger. The United board of directors and its subsidiaries agreed to pay Sandler O'Neill a transaction fee based on the closing price of the transaction, \$50,000 of which was paid upon execution of the engagement letter, \$100,000 of which was paid upon delivery of Sandler O'Neill's opinion, and \$200,000 of which was paid upon execution of the definitive Merger Agreement. The remainder of the fee due to Sandler O'Neill, which is contingent upon completion of the Merger, is currently estimated to be approximately \$1,625,000. United has also agreed to indemnify Sandler O'Neill against certain liabilities arising out of its engagement and to reimburse Sandler O'Neill for certain of its reasonable out-of-pocket expenses.

In the ordinary course of their respective broker and dealer businesses, Sandler O'Neill may purchase securities from and sell securities to United and Old National and their affiliates. Sandler O'Neill may also actively trade the debt and/or equity securities of United and Old National or their affiliates for their own accounts and for the accounts of their customers and, accordingly, may at any time hold a long or short position in such securities. In addition, in December 2010, Sandler O'Neill served as Sole Bookrunner in United's equity capital raise of approximately \$18,960,000 and was compensated approximately \$950,000 for capital raising services. Sandler O'Neill also assisted Old National in 2013 in connection with its pending acquisition of Tower Financial Corporation, as well as sales of various branches in 2012 and 2013. Sandler O'Neill was or will be compensated approximately \$850,000 in total for those advisory services.

THE MERGER AGREEMENT

Structure of the Merger

Subject to the terms and conditions of the Merger Agreement, at the completion of the Merger, United will merge with and into Old National, with Old National as the surviving corporation. The separate existence of United will terminate and United common stock will cease to be quoted on the OTCQB and will be cancelled as a consequence of the Merger. Old National common stock will continue to be listed on the NASDAQ Global Select Market under the symbol ONB . Immediately following the Merger, United Bank & Trust will be merged with and into Old National Bank, a wholly-owned subsidiary of Old National.

Under the Merger Agreement, the officers and directors of Old National serving at the effective time of the Merger will continue to serve as the officers and directors of Old National after the Merger is consummated.

Merger Consideration

If the Merger is completed, your shares of United common stock will be converted into the right to receive 0.70 shares of Old National common stock, subject to adjustment as summarized below and \$2.66 in cash.

The Exchange Ratio is subject to adjustment as follows:

Decrease for United's Consolidated Shareholders' Equity or Environmental Costs. If as of the end of the month prior to the effective time of the Merger the United consolidated shareholders' equity is less than \$80,000,000, or the after-tax environmental costs are in excess of \$1,250,000, the Exchange Ratio shall be decreased to a quotient determined by dividing the Adjusted Stock Purchase Price by the total number of shares of United common stock outstanding, and further dividing that number by the Average Old National Closing Price. For purposes of the computation, the Adjusted Stock Purchase Price shall be equal to (x) the Stock Purchase Price, less (y) the difference between \$80,000,000 and the United consolidated shareholders' equity as of the end of the month prior to the effective time of the Merger, and less (z) the difference between the after-tax environmental costs and \$1,250,000. The Stock Purchase Price shall be the Exchange Ratio in effect at the time of the adjustment multiplied by the Average Old National Closing Price multiplied by the total number of shares of United common stock outstanding at the effective time of the Merger. The Average Old National Closing Price shall be the average of the per share closing prices of a share of Old National common stock as quoted on The NASDAQ Global Select Market during the ten trading days preceding the fifth calendar day preceding the effective time.

The United consolidated shareholders' equity shall be the consolidated shareholder's equity of United excluding the net accumulated other comprehensive income/(loss), each as of the end of the month prior to the effective time of the Merger, determined in accordance with GAAP, and to which shall be added the following:

- i. any accruals, reserves or charges resulting from expenses of the Merger and other transactions contemplated by the Merger Agreement; and
- ii. any accruals, reserves or charges taken by United at the request of Old National.

Decrease in Market Price of Old National Common Stock. After the closing of the Merger is properly called under the Merger Agreement, United may terminate the Merger Agreement if both of the following conditions exist:

the average of the closing price of Old National common stock as reported on the NASDAQ Global Select Market for the five trading days ending on the sixth business day prior to the closing date (the Pricing Period) (the Final Purchaser Price) is less than \$12.02; and

the number determined by dividing the Final Purchaser Price by \$15.02 (the Initial Purchaser Price), is less than the number obtained by subtracting (1) .20 from (2) the quotient obtained by

Table of Contents

dividing the closing price of the NASDAQ Bank Index on the last day of the Pricing Period by the NASDAQ Bank Index on January 6, 2014.

If these conditions exist, United has the right to proceed with the Merger with no change to the Exchange Ratio, or request Old National to increase the Exchange Ratio to a ratio computed by multiplying the Exchange Ratio by a fraction that has at its numerator \$12.02 and that has as its denominator the Final Purchaser Price (the Adjusted Exchange Ratio). If United requests Old National to increase the Exchange Ratio, then Old National can either accept or decline the requested increase to the Exchange Ratio. If Old National accepts the requested increase, the Merger Agreement will remain in effect in accordance with its terms, except the Merger Consideration will be increased to reflect the Adjusted Exchange Ratio. If Old National declines the requested increase, the Merger will be abandoned, unless United elects to proceed with the Merger on the basis of the original Exchange Ratio.

Treatment of United's Stock-Based Awards

At the effective time of the Merger, each right of any kind to receive United common stock or benefits measured by the value of a number of shares of United common stock granted under the United stock plans will be converted into an award with respect to a number of shares of Old National common stock equal to the product of (1) the aggregate number of shares of United common stock subject to such award, multiplied by (2) the sum of (A) the Exchange Ratio and (B) \$2.66 divided by the average of the per share closing prices of a share of Old National common stock as quoted on the NASDAQ Global Select Market during the ten trading days preceding the fifth calendar day preceding the effective time (the Converted Stock-Based Award Ratio). Such converted awards shall otherwise continue to have, and be subject to, the same terms and conditions set forth in the applicable United stock plan (or any other agreement to which such converted award was subject immediately prior to the effective time of the merger). The exercise or strike price (if any) per share of Old National common stock applicable to any converted stock-based award shall be equal to (a) the per share exercise price of such award immediately prior to the effective time divided by (b) the Converted Stock-Based Award Ratio. All United stock-based awards will fully vest as of the effective time of the Merger.

Treatment of United's Deferred Compensation Plans

The Director Retainer Stock Plan and the Senior Management Bonus Deferral Stock Plan will be terminated and at the effective time of the Merger, each phantom share credited to a participant's account under each of these plans will be converted into the right to receive a number of Old National common shares equal to the Converted Stock-Based Award Ratio. Accrued benefits under such plans will be distributed following the effective time of the Merger. Old National will assume the Supplemental Executive Retirement Plan covering David S. Hickman and accrued benefits will continue to be paid pursuant to its terms.

Treatment of the United Bank & Trust Tax-Deferred Savings Plan

The United Bank & Trust Tax-Deferred Savings Plan will be terminated as of the day prior to the effective time of the Merger, and as soon as administratively feasible thereafter the individual account balances of all participants in the plan will be fully vested and distributed or transferred in accordance with the applicable plan termination provisions of the plan.

Exchange and Payment Procedures

At and after the effective time of the Merger, each certificate or book-entry representing shares of United common stock will represent only the right to receive the Merger Consideration in accordance with the terms of the Merger Agreement. Old National will reserve a sufficient number of shares of Old National common stock to be issued as a

part of the Merger Consideration. As soon as practicable after the effective time of the Merger, Old National will mail a letter of transmittal to each holder of United common stock that will include detailed

Table of Contents

instructions on how such holder may exchange such holder's United common shares for the Merger Consideration.

Old National will provide a written notice of ownership of uncertificated shares to each former United registered shareholder setting forth the number of shares of Old National common stock that each holder of United common stock has received in the Merger and a check in the amount of any cash that such holder has the right to receive to be delivered to such shareholder upon delivery to Old National of certificates or book-entry representing such shares of United common stock and a properly completed letter of transmittal. No interest will be paid on any Merger Consideration that any such holder shall be entitled to receive.

The stock transfer books of United will be closed immediately at the effective time of the Merger and after the effective time there will be no transfers on the stock transfer records of United of any shares of United common stock. Old National will be entitled to rely on United's stock transfer books to establish the identity of those persons entitled to receive the Merger Consideration. If any old certificate is lost, stolen, or destroyed, upon the making of an affidavit of that fact by the person claiming such old certificate to be lost, stolen, or destroyed and, if required by Old National, the posting by such person of a bond or other indemnity as Old National may reasonably direct as indemnity against any claim that may be made with respect to the old certificate, Old National will issue the Merger Consideration in exchange for such lost, stolen or destroyed certificate.

Dividends and Distributions

Until United common stock certificates or book-entry shares are surrendered for exchange, any dividends or other distributions declared after the effective time of the Merger with respect to Old National common shares into which shares of United common stock may have been converted will accrue but will not be paid. When such certificates or book-entry shares have been duly surrendered, Old National will pay any unpaid dividends or other distributions, without interest.

each party, commencing on the date of the Merger Agreement through the effective time of the Merger, will permit the other party to have reasonable access to the officers and senior management, the premises, agents, books, records and contracts of or pertaining to the other party, as may reasonably be requested in writing;

each party will give prompt written notice to the other party of (i) any event that would reasonably be expected to give rise to a material adverse effect, (ii) any notice or other communication received by such party from any governmental entity or other person in connection with the Merger or from any person alleging that the consent of such person is or may be required in connection with the Merger and (iii) any

actions commenced or threatened against, relating to or involving or otherwise affecting such party which relate to the Merger Agreement or the Merger;

each party will hold and treat in confidence all documents and information concerning the other party and its subsidiaries furnished in connection with the Merger or Merger Agreement pursuant to the confidentiality agreement between Old National and United;

Old National will maintain a directors and officers liability insurance policy for six years after the effective time of the Merger to cover the present and former officers and directors of United and United Bank & Trust with respect to claims against such directors and officers arising from facts or events which occurred before the effective time, and for six years after the effective time, continue the

indemnification and exculpation rights of the present and former officers and directors of United and United Bank & Trust against all losses, expenses, claims, damages, or liabilities arising out of actions or omissions occurring on or prior to the effective time to the full extent then permitted under the articles of incorporation or by-laws of United or United Bank & Trust or any indemnification arrangement or agreement disclosed to Old National;

if any anti takeover laws of any governmental entity are or may become applicable to the Merger, the parties agree to use their respective commercially reasonable efforts to take such action as reasonably necessary so that the Merger may be consummated as promptly as practicable under the terms of the Merger Agreement or so as to eliminate or minimize the effects of any such law on the Merger;

each party will take all such steps as may be required to cause (a) any dispositions of United common stock (including derivative securities with respect to United common stock and awards) resulting from the Merger and the other transactions contemplated by the Merger Agreement, by each individual who will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to United immediately prior to the effective time of the Merger, to be exempt under Rule 16b-3 promulgated under the Exchange Act, and (b) any acquisitions or dispositions of Old National common stock (including derivative securities with respect to Old National common stock and converted stock based awards) resulting from the Merger and the other transactions contemplated by the Merger Agreement, by each individual who may become or is reasonably expected to become subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Old National immediately following the effective time of the Merger, to be exempt under Rule 16b-3 promulgated under the Exchange Act;

each party will keep the other party reasonably informed with respect to the defense or settlement of any securityholder action against it and its directors relating to the Merger, will give the other party opportunity to consult with it regarding the defense or settlement of any such securityholder action, and will not settle any such action without the other party's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed);

the parties agree that each party will not, and will not permit any of their respective subsidiaries to, take any action, or fail to take any action, that would reasonably be expected to jeopardize the qualification of the Merger as a reorganization under Section 368(a) of the Internal Revenue Code of 1986, and each party will use commercially reasonable efforts to cause the Merger to so qualify as a reorganization under Section 368(a) of the Internal Revenue Code of 1986;

United will, upon Old National's request, cooperate with Old National to prepare documentation and take such other steps as may be necessary to effect the consolidation of the parties' respective subsidiary banks at the effective time of the Merger;

United will use commercially reasonable efforts to deliver within seven business days of the date of the Merger Agreement the written fairness opinion of Sandler O'Neill that the Merger Consideration is fair to the shareholders of United from a financial point of view;

United will cooperate with an environmental consulting firm designated by Old National in the conduct by such firm of a phase one and/or phase two environmental investigation on all real property owned or leased by United or United Bank & Trust as of the date of the Merger Agreement, and any real property acquired or leased by United or United Bank & Trust after the date of the Merger Agreement;

Prior to the effective time, United shall and shall cause its subsidiaries to make, consistent with GAAP, the rules and regulations of the SEC and applicable banking laws and regulations, such appropriate accounting entries in its books and records and use commercially reasonable efforts to take such other actions as Old National may reasonably request and United and its subsidiaries shall deem to be appropriate or desirable in anticipation of the Merger including, without limitation, accruals or the creation of reserves for employee benefits and Merger-related expenses; and

Immediately prior to the effective time, United shall terminate its business loan agreement such that all outstanding amounts thereunder have been repaid and its subsidiary shares of stock shall be released

from any pledge or restrictions created under the business loan agreement. Old National shall, to the extent reasonably required, provide sufficient funds to United to enable United to terminate and repay amounts outstanding under the business loan agreement.

The Merger Agreement also contains certain additional covenants relating to employee benefits and other matters pertaining to officers and directors. See The Merger Agreement Employee Benefit Matters and Interests of Certain Directors and Officers of United in the Merger.

Acquisition Proposals by Third Parties

Except as described below, United has agreed that, from the time of the execution of the Merger Agreement until the earlier of the effective time of the Merger or the termination of the Merger Agreement in accordance with the terms of the Merger Agreement, it will not and will cause its subsidiaries and representatives to not:

solicit, initiate, encourage or knowingly facilitate (including by way of furnishing non public information) any inquiries regarding, or the making of any proposal or offer that constitutes or could reasonably be expected to lead to, a proposal that constitutes takeover proposal; or

engage or enter into, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any other party material nonpublic information in connection with any takeover proposal, or otherwise cooperate with or assist or participate in, or encourage or knowingly facilitate any such inquiries, proposals, discussions or negotiations or any effort or attempt to make a takeover proposal. United will, and will cause each of its subsidiaries and each of its and its subsidiaries representatives to, immediately upon execution of the Merger Agreement, cease any solicitation, encouragement, discussions or negotiations with any person that may be ongoing with respect to any takeover proposal.

Notwithstanding the restrictions described above, at any time prior to obtaining the United shareholder approval, if United receives a takeover proposal from a person, United and its representatives are permitted, subject to certain conditions, (a) to contact such person and its representatives to request that such person provide clarification of any term or condition of such takeover proposal that the United board of directors determines in good faith to be ambiguous or unclear, and (b) if the United board of directors determines in good faith, after consultation with its independent financial advisors and outside legal counsel, that such takeover proposal constitutes, or is reasonably expected to lead to, a superior proposal, and that failure to take such action would more likely than not to result in a breach of the United board of directors fiduciary duties, to furnish to such person information with respect to United and participate in discussions or negotiations with such person.

A takeover proposal means any inquiry, proposal or offer from any person (other than Old National and its subsidiaries) or group, within the meaning of Section 13(d) of the Exchange Act, relating to, in a single transaction or series of related transactions, any (1) acquisition of assets of United and its subsidiaries equal to more than 20% of United s consolidated assets or to which more than 20% of United s revenues or earnings on a consolidated basis are attributable, (2) acquisition of more than 20% of the outstanding United common stock or the capital stock of any subsidiary of United, (3) tender offer or exchange offer that if consummated would result in any person beneficially owning more than 20% of the outstanding United common stock, (4) merger, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving United or any of its subsidiaries or (5) any combination of the foregoing types of transactions if the sum of the percentage of consolidated assets, consolidated revenues or earnings and United common stock involved is more than 20%; in each case, other than the Merger.

A superior proposal means, any bona fide written takeover proposal that the United board of directors has determined in its good faith judgment, after consultation with its independent financial advisors and outside legal counsel, is reasonably likely to result in the consummation of a transaction more favorable to United's shareholders from a financial point of view than the Merger, taking into account (A) all relevant legal, regulatory and financial aspects of the proposal (including certainty of closing) and the person making the proposal, and

Table of Contents

(B) any changes to the terms of the Merger Agreement proposed by Old National in response to such proposal or otherwise, provided that for purposes of the definition of superior proposal, the references to 20% in the definition of takeover proposal above shall be deemed to be references to 50%.

The Merger Agreement requires that United fully inform Old National as to the status on a current basis of any takeover proposal, including any material developments, discussions or negotiations regarding any takeover proposal.

Changes in United Board Recommendation

The United board of directors has agreed, subject to certain exceptions summarized below, not to

fail to recommend the approval of the Merger Agreement,

change, qualify, withhold, withdraw or modify, or publicly propose to take such action, in a manner adverse to Old National, its recommendation to approve the Merger Agreement,

take any formal action or make any recommendation or public statement in connection with a tender offer of exchange offer other than a recommendation of rejection of such offer, taking no position with respect to such offer, or a temporary stop, look and listen communication pursuant to Rule 14d-9(f) of the Exchange Act, or

adopt, approve or recommend a takeover proposal.

Notwithstanding the restrictions described above, prior to obtaining the United shareholder approval, the United board of directors is permitted to make an adverse recommendation change if, the United board of directors, has determined in good faith, after consultation with its independent financial advisors and outside legal counsel, that a takeover proposal constitutes a superior proposal.

Prior to making an adverse recommendation change, the United board of directors must inform Old National in writing of its intention to make an adverse recommendation change and provide to Old National the material terms and conditions of the takeover proposal and identity of the person making the takeover proposal. During this notice period, United must negotiate with Old National (if it wishes to do so) to enable Old National to revise the terms of the Merger Agreement so that the superior proposal no longer constitutes a superior proposal. Following the notice period, the United board of directors must consider in good faith any changes to the Merger Agreement proposed by Old National and have determined that the superior proposal continues to constitute a superior proposal.

Conditions to the Merger

The obligations of Old National and United to consummate the Merger are subject to the satisfaction or waiver, on or before the completion of the Merger, of a number of conditions, including:

the approval of the Merger Agreement by holders of at least a majority of the outstanding shares of United common stock entitled to vote;

the receipt and effectiveness of all required regulatory approvals, which shall not contain any conditions, restrictions or requirements which Old National's board of directors reasonably determines in good faith would, following the effective time of the Merger, have a material adverse effect on Old National or United;

the absence of any law making illegal or otherwise preventing the consummation of the Merger;

the absence of any temporary, preliminary or permanent restraining order preventing the consummation of the Merger;

the absence of any order of a court or agency enjoining or prohibiting the consummation of the Merger;

the receipt by Old National of a certificate, dated as of the closing date, executed by the chief executive officer or chief financial officer of United certifying as to the satisfaction of the conditions described in the preceding two bullet points;

the receipt by Old National from Krieg DeVault LLP of a written opinion, dated as of the closing date, to the effect that the Merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code;

Old National must have received a letter of tax advice, in a form satisfactory to Old National, from United's outside, independent certified public accountants to the effect that any amounts that are paid by United or United Bank & Trust before the effective time of the Merger, or required under United's employee benefit

plans or the Merger Agreement to be paid at or after the effective time, to persons who are disqualified individuals under Section 280G of the Internal Revenue Code with respect to United, United Bank & Trust, or their successors, and that otherwise should be allowable as deductions for federal income tax purposes, should not be disallowed as deductions for such purposes by reason of Section 280G of the Code; and

United's consolidated shareholders' equity (computed in accordance with the Merger Agreement) shall not be less than \$75,000,000 as of the end of the month prior to the effective time of the Merger.

The obligations of United to effect the Merger are subject to satisfaction, or waiver, of the following additional conditions:

(1) the representations and warranties of Old National (other than certain representations related to Old National's organization and good standing, Old National's ownership of subsidiaries and good standing and organization of those subsidiaries, Old National's capitalization and Old National's authorization of the Merger Agreement) being true and correct as of the closing date as though made as of such date (or, if made

as of a specific date, as of such date), except where the failure of such representations and warranties to be so true and correct does not have, and would not reasonably be expected to have, a material adverse effect with respect to Old National, (2) certain representations and warranties related to Old National's organization and good standing, Old National's ownership of subsidiaries and good standing and organization of those subsidiaries and Old National's capitalization being true and correct in all but de minimus respects as of the closing date as though made as of the closing (or, if made as of a specific date, in all but de minimus respects as of such date), and (3) the representations and warranties of Old National related to Old National's authorization of the Merger Agreement being true and correct as of the closing date as though made as of such date (or, if made as of a specific date, as of such date) in all material respects;

Old National having performed in all material respects all of the covenants required to be performed by it under the Merger Agreement at or prior to the closing;

the receipt by United of a certificate, dated as of the closing date, executed by the chief executive officer or chief financial officer of Old National certifying as to the satisfaction of the conditions described in the preceding two bullet points;

the absence of any change, state of facts, event, development or effect since December 31, 2012, that has had or would reasonably be expected to have a material adverse effect with respect to Old National; and

the receipt by United from Warner Norcross & Judd LLP of a written opinion, dated as of the closing date, to the effect that the Merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code.

Under the Merger Agreement, a material adverse effect means with respect to United and Old National, any event, occurrence, fact, condition or change that (a) is materially adverse to the business, results of operations, financial condition, business, or assets of United or Old National and their respective subsidiaries, taken as a whole, or (b) prohibits or materially impairs the ability of United or Old National, to consummate the transactions contemplated by the Merger Agreement on a timely basis;

provided, however, that, for the purposes of clause (a), a material adverse effect shall not include events, occurrences, facts, conditions or changes arising out of, relating to or resulting from (either alone or in combination):

conditions or changes generally affecting the economy, financial or securities markets;

any outbreak or escalation of hostilities, war (whether or not declared) or military action or any act of terrorism, the occurrence of any natural disaster, or occurrence of any man-made disaster;

general conditions in or changes generally affecting the banking industry or geographic regions in which United or Old National and their respective subsidiaries operate;

compliance with the terms of, or the taking of any action required by, the Merger Agreement;

the announcement or pendency of the Merger or any other transaction contemplated by the Merger Agreement; and

acts or omissions of

United prior to the effective time of the Merger taken at the written request of Old National or with the prior written consent of Old National or

Old National prior to the effective time of the Merger taken at the written request of United or with the prior written consent of United, in each case, in connection with the transactions contemplated by the Merger Agreement or applicable law;

provided further that any event, occurrence, fact, condition or change referred to in the first five bullet points shall be taken into account in determining whether a material adverse effect has occurred or would reasonably be expected to occur to the extent that such event, change or effect has a disproportionate effect on United or Old National and their respective subsidiaries, taken as a whole, compared to other participants in the industries or geographic regions in which United or Old National and their respective subsidiaries conduct their businesses.

Expenses

Except as otherwise provided in the Merger Agreement, United and Old National will be responsible for their respective expenses incidental to the Merger.

Employee Benefit Matters

The Merger Agreement requires Old National to make available to the officers and employees of United and United Bank & Trust who continue as employees of Old National or any subsidiary substantially the same employee benefits, including severance, on substantially the same terms and conditions as Old National offers to similarly situated officers and employees. United and United Bank & Trust employees will receive full credit, after the Merger, for all prior service with United, United Bank & Trust, or their predecessors for purposes of any applicable eligibility and vesting service requirements under any of Old National's employee benefit plans. United and United Bank & Trust employees who become employees of Old National or any of its subsidiaries will become eligible to participate in Old National's employee benefit plans as soon as reasonably practicable after the effective time of the Merger, or if later, as of the termination of the corresponding United benefit plan.

Termination

The Merger Agreement may be terminated at any time prior to the effective time of the Merger, and, except as described below, whether before or after the receipt of the required United shareholder approval, under the following circumstances:

by mutual written consent of Old National and United;

by either Old National or United:

if any governmental entity has issued an order or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the Merger and such order or other action is final and nonappealable;

if the Merger does not occur before October 31, 2014, except that the right to terminate the Merger Agreement shall not be available to any party whose breach of any provision of the Merger Agreement causes the failure of the effective time of the Merger to occur on or before October 31, 2014; or

if the United shareholder meeting (including any postponements or adjournments thereof) has concluded and been finally adjourned and the United shareholder approval has not been obtained;

by United, if Old National has breached the Merger Agreement, such that the conditions to United's obligations to complete the Merger are not satisfied, and which either (A) cannot be cured by October 31, 2014 or (B) if capable of being cured by October 31, 2014, has not been cured within thirty business days following receipt of written notice from United of such breach, except in the event that United is then in breach of the Merger Agreement, such that the conditions to Old National's obligations to complete the Merger are not satisfied;

by Old National, if United has breached the Merger Agreement, such that the conditions to Old National's obligations to complete the Merger are not satisfied, and which either (A) cannot be cured by October 31, 2014, or (B) if capable of being cured by October 31, 2014, has not been cured within

thirty business days following receipt of written notice from Old National of such breach, except in the event that Old National is then in breach of the Merger Agreement, such that the conditions to United's obligations to complete the Merger are not satisfied;

by Old National prior to the receipt of the United shareholder approval if the United board of directors changes its recommendation or fails to reject a takeover proposal and reaffirm its recommendation within five business days of public announcement of such takeover proposal, if United enters into an agreement relating to a takeover proposal, or in the absence of a takeover proposal and only during the period which is ten days before the mailing date of the proxy statement and prospectus and the date of the United special meeting, the United board of directors fails to publicly reaffirm its recommendation within five business days of a written request by Old National;

by United prior to receipt of the United shareholder approval, in order to enter into a definitive agreement that constitutes a superior proposal, provided that (A) such agreement has not resulted from United's breach of its obligations with respect to acquisition proposals by third parties, and (B) United pays the termination fee described below prior to or simultaneously with such termination; or

by Old National if the after-tax cost of all remedial or other corrective actions and measures required by applicable law to be taken with respect to United's real property is estimated to exceed, in the aggregate, \$2,500,000, or if the cost of such actions and measures cannot be so reasonably estimated.

Termination Fee

United is required to pay Old National a \$6,000,000 termination fee if the Merger Agreement is terminated in the following circumstances:

if Old National terminates the Merger Agreement because, prior to the receipt of the United shareholder approval, the United board of directors changes its recommendation or fails to reject a takeover proposal and reaffirm its recommendation within five business days of public announcement of such takeover proposal, if United enters into an agreement relating to a takeover proposal, or in the absence of a takeover proposal and only during the period which is ten days before the mailing date of the proxy statement and prospectus and the date of the United special meeting, the United board of directors fails to publicly reaffirm its recommendation within five business days of a written request by Old National;

if Old National terminates the Merger Agreement because United has breached the Merger Agreement, such that the conditions to Old National's obligations to complete the Merger are not satisfied, and which either (A) cannot be cured by October 31, 2014 or (B) if capable of being cured by October 31, 2014, has not been cured within thirty business days following receipt of written notice from Old National of such breach, provided that Old National is not then in breach of the Merger Agreement, such that the conditions to United's obligations to complete the Merger are not satisfied, and (1) any person has made (whether or not subsequently withdrawn) a takeover proposal to United on or after the date of the Merger Agreement but prior to the date that the Merger Agreement is terminated, and (2) within twelve months after the date of termination, United consummates a takeover proposal or enters into a definitive agreement with respect to a

takeover proposal within twelve months after the date of termination (except that the references to more than 20% in the definition of takeover proposal will be deemed to be references to more than 50%);

if (A) the Merger Agreement is terminated by Old National or United because the Merger does not occur on or before October 31, 2014 or the Merger Agreement is terminated by Old National or United because the United shareholder meeting has concluded and been finally adjourned and the United shareholder approval has not been obtained; (B) any person has made (whether or not subsequently withdrawn) a takeover proposal to United on or after the date of the Merger Agreement but prior to (1) the date that the Merger Agreement is terminated, in the event the Merger Agreement is terminated by United because the Merger does not occur on or before October 31, 2014, or (2) the United shareholder meeting, in the case of a termination because the United shareholder meeting has concluded and been finally adjourned and

the United shareholder approval has not been obtained; and (C) United consummates a takeover proposal or enters into a definitive agreement with respect to a takeover proposal within twelve months after the date of termination (except that the references to more than 20% in the definition of takeover proposal will be deemed to be references to more than 50% ;

if United terminates the Merger Agreement prior to receipt of the United shareholder approval to enter into a definitive agreement that constitutes a superior proposal.

Old National is required to pay United a \$6,000,000 termination fee if the Merger Agreement is terminated in the following circumstances:

if either party terminates the Merger Agreement because (A) any governmental entity has issued an order or taken any other action permanently enjoining, restraining or otherwise prohibiting the consummation of the Merger and such order or other action is final and nonappealable or (B) the Merger does not occur before October 31, 2014, except that the right to terminate the Merger Agreement shall not be available to United if its breach of the Merger Agreement causes the failure of the effective time of the Merger to occur on or before October 31, 2014; if at the time of such termination, the condition requiring receipt of regulatory approvals has not been satisfied for reasons substantially attributable to the anti-competitive effect of the Merger or Old National's failure to comply with its best efforts obligations to obtain regulatory approval.

Upon the termination of the Merger Agreement in accordance with its terms and payment of a termination fee, if applicable, neither United nor Old National will have any continuing liability to the other, except for damages arising from a willful or intentional breach of the Merger Agreement.

In the event that a termination fee is in fact paid to the other party when and as required by the Merger Agreement, such payment will be the sole and exclusive remedy of the receiving party against the paying party for any loss relating to the Merger Agreement, except that neither party will be relieved from any liability or damages arising from fraud.

Management and Operations After the Merger

Old National's officers and directors serving at the effective time of the Merger shall continue to serve as Old National's officers and directors until such time as their successors have been duly elected and qualified or until their earlier resignation, death, or removal from office. Old National's Articles of Incorporation and By-laws in existence as of the effective time of the Merger shall remain Old National's Articles of Incorporation and By-laws following the effective time, until such Articles of Incorporation and By-laws are further amended as provided by applicable law.

Environmental Inspections

Under the Merger Agreement, Old National has the right to terminate the Merger Agreement and not consummate the transaction if any of the real estate owned by United or United Bank & Trust is determined, after proper investigation, to be contaminated and the after tax cost to remediate such contamination would be estimated in good faith to exceed \$2.5 million or cannot reasonably be estimated.

Effective Time of Merger

Unless otherwise mutually agreed to by the parties, the effective time of the Merger is expected to occur on the last business day of the month in which the closing of the Merger occurs. The parties currently anticipate closing the Merger late in the second quarter of 2014.

Regulatory Approvals for the Merger

Under the terms of the Merger Agreement, the Merger cannot be completed until Old National receives necessary regulatory approvals, which include the approval of the Office of the Comptroller of the Currency and

Table of Contents

the Federal Reserve Board. [Old National has filed applications with each regulatory authority to obtain the approvals]. Old National cannot be certain when such approvals will be obtained or if they will be obtained.

Voting Agreements

As of the record date, the directors of United beneficially owned shares or approximately % of the outstanding shares of United common stock, excluding shares subject to options currently exercisable but not exercised. In connection with the execution of the Merger Agreement, the directors of United each executed a voting agreement pursuant to which the directors agreed to vote their shares, and to use reasonable efforts to cause all shares owned by such director jointly with another person or by such director s spouse to be voted, in favor of the Merger.

Accounting Treatment of the Merger

Old National will account for the Merger under the acquisition method of accounting in accordance with United States generally accepted accounting principles. Using the purchase method of accounting, the assets (including identified intangible assets) and liabilities of United will be recorded by Old National at their respective fair values at the time of the completion of the Merger. The excess of Old National s purchase price over the net fair value of the tangible and identified intangible assets acquired less liabilities assumed, will be recorded as goodwill.

NASDAQ Global Select Market Listing

Old National common stock currently is listed on the NASDAQ Global Select Market under the symbol ONB. The shares to be issued to the United shareholders in the Merger will be eligible for trading on the NASDAQ Global Select Market.

No Dissenters Rights

Dissenters rights are statutory rights that, if available under law, enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the extraordinary transaction. Dissenters rights are not available in all circumstances, and exceptions to these rights are provided in the Michigan Business Corporation Act. Because shares of Old National common stock are listed on a national securities exchange, holders of United common stock will not have dissenters rights in connection with the Merger.

INTERESTS OF CERTAIN DIRECTORS AND EXECUTIVE OFFICERS OF UNITED IN THE MERGER

When considering the recommendation of the United board of directors, you should be aware that some of the executive officers and directors of United and United Bank & Trust have interests that are different from, or in conflict with, your interests. The board of directors was aware of these interests when it adopted the Merger Agreement. Except as described below, to the knowledge of United, the executive officers and directors of United do not have any material interest in the Merger apart from their interests as shareholders of United.

Treatment of United's Stock-Based Awards

At the effective time of the Merger, each right of any kind to receive United common stock or benefits measured by the value of a number of shares of United common stock granted under the United stock plans will be converted into an award with respect to a number of shares of Old National common stock equal to the product of (1) the aggregate number of shares of United common stock subject to such award, multiplied by (2) the sum of (A) the Exchange Ratio and (B) \$2.66 divided by the average of the per share closing prices of a share of Old National common stock as quoted on the NASDAQ Global Select Market during the ten trading days preceding the fifth calendar day preceding the effective time (the **Converted Stock-Based Award Ratio**). Such converted awards shall otherwise continue to have, and be subject to, the same terms and conditions set forth in the applicable United stock plan (or any other agreement to which such converted award was subject immediately prior to the effective time of the merger). The exercise or strike price (if any) per share of Old National common stock applicable to any converted stock-based award shall be equal to (a) the per share exercise price of such award immediately prior to the effective time divided by (b) the **Converted Stock-Based Award Ratio**. All United stock awards will fully vest as of the effective time of the Merger.

Deferred Compensation Plans

The Director Retainer Stock Plan and the Senior Management Bonus Deferral Stock Plan will be terminated and at the effective time of the Merger, each phantom share credited to a participant's account under each of these plans will be converted into the right to receive a number of Old National common shares equal to the **Converted Stock-Based Award Ratio**. Accrued benefits under such plans will be distributed following the effective time of the Merger.

Old National will assume the Supplemental Executive Retirement Plan covering David S. Hickman and accrued benefits will continue to be paid pursuant to its terms.

Existing Employment Agreements with United Executive Officers

United has entered into employment agreements with the following executive officers: Robert K. Chapman, Randal J. Rabe, Todd C. Clark, Raymond J. Webb, Gary D. Haapala and Joseph R. Williams. Pursuant to the Merger Agreement, at the effective time of the Merger, Old National will assume all obligations under the employment agreements with these executives, except Mr. Clark's agreement will be superseded by the terms of the offer of employment and severance/change of control agreement with Old National described below. United has agreed to amend the employment agreements of Messrs. Webb, Haapala and Williams to provide that following the effective time, (1) the term shall end three years from the effective time (rather than on March 31, 2014 with one-year automatic renewals), (2) the definition of **change in control** shall only include completion of the Merger, and (3) completion of the Merger shall constitute **good reason**.

Following the completion of the Merger, Messrs. Chapman and Rabe will be entitled to receive a lump sum severance payment equal to two years of salary and 24 months of healthcare continuation payments if, within 12 months after

the effective time, his employment is terminated other than for cause (as defined in the employment agreement) or he resigns for good reason (as defined in the employment agreement). Messrs. Webb, Haapala and

Table of Contents

Williams will be entitled to receive a lump sum severance payment equal to one year of salary and 12 months of healthcare continuation payments if, within 12 months after the effective time, his employment is terminated other than for cause (as defined in the employment agreement) or he resigns for good reason (as defined in the employment agreement) within 120 days after the effective time.

In all cases, the amount of the lump sum severance payment is subject to reduction to the maximum amount that may be paid under Section 280G of the Code without triggering excise taxes, if applicable. In addition, payment of the severance benefits is conditioned on the executive's compliance with certain covenants, including the following: execution of a general release; responsibilities to cooperate; confidentiality obligations; and for 24 months (in the case of Messrs. Chapman and Rabe) or 12 months (in the case of Messrs. Webb, Haapala and Williams) following termination, non-solicitation of employees and customers and non-competition.

Retention Bonuses to Certain Executive Officers

Messrs. Webb, Haapala and Williams will be entitled to receive cash retention bonuses in the amount of \$27,000 each, \$9,000 of which is payable as soon as administratively feasible following the closing date of the Merger and \$18,000 of which is payable following the first anniversary of the closing date of the Merger if each executive remains employed on such payment dates. An executive will not be entitled to receive any unpaid portion of the retention bonus if he terminates his employment voluntarily or his employment is terminated by United or Old National for cause prior to the applicable payment date. A termination of the executive's employment for any other reason will result in the unpaid bonus amounts being included with any other compensation owed to the executive upon his termination of employment.

Offer of Employment and Severance/Change of Control Agreement

On January 6, 2014, Old National presented a written offer of employment to Todd C. Clark, which Mr. Clark accepted. Pursuant to the offer of employment, Mr. Clark will be employed by Old National Bank following the effective time of the Merger as Regional President for the region encompassing the market area currently served by United and will receive an annual base salary of \$234,000. Mr. Clark also will be paid a \$75,000 cash retention bonus, \$25,000 of which is payable following the closing of the Merger and \$50,000 one year later. In addition, Mr. Clark will be granted 4,500 shares of Old National restricted common stock following the closing of the Merger that will vest over a three-year period. Mr. Clark will be eligible for a merit increase in 2014 and eligible to participate in a regional cash incentive plan with an annual target of 30% of annual salary and to participate in the Old National Bancorp Executive Deferred Compensation Plan. Mr. Clark also will be eligible to receive equity award grants comparable to those awarded to other similarly situated executives as approved by the Old National board of directors.

Old National and Mr. Clark have also entered into a severance/change of control agreement effective at the effective time of the Merger which shall supersede Mr. Clark's existing employment agreement with United. As a result, Mr. Clark will not be entitled to any severance payments under his existing employment agreement with United upon completion of the Merger. The severance/change of control agreement has a one year term beginning on the effective time of the Merger and is automatically renewable for additional one year terms unless either party provides 60 days notice before the end of the term of the intent not to renew the agreement.

Pursuant to the severance/change of control agreement, upon the termination of Mr. Clark's employment for any reason (including by Mr. Clark for good reason, as defined in the agreement), Mr. Clark shall be entitled to receive (1) any earned but unpaid base salary through his termination date plus any accrued vacation pay due, (2) any reimbursements to which he is entitled under Old National's established reimbursement procedures (to the extent

Mr. Clark applies for reimbursement in accordance with such procedures), and (3) benefits (other than severance) payable to Mr. Clark under Old National's incentive compensation or employee benefit plans or programs. To the extent Mr. Clark resigns for good reason or is terminated without cause before payment in full of his \$75,000 cash retention bonus provided under his written offer of employment, Mr. Clark shall be paid the unpaid balance of that cash retention bonus.

Table of Contents

In the event Mr. Clark's employment is terminated prior to a change of control (as defined in the agreement) by Old National for any reason other than unacceptable performance, disability or death (as such terms are defined in the agreement), or by Mr. Clark for good reason, Old National shall pay Mr. Clark a lump sum severance payment equal to his weekly pay (base salary plus targeted cash incentive) multiplied by the greater of (1) 52 during a renewal term or 104 during the initial term, or (2) two times the number of years Mr. Clark has worked for Old National. In addition, in the event of such termination, Old National shall pay the cost of continuation of group medical premiums for twelve months (if during the renewal term) or provide group medical coverage for 24 months (if during the initial term) and pay life insurance premiums and provide outplacement services (limited to \$15,000) for twelve months.

In the event Mr. Clark's employment is terminated concurrent with or within two years after a change of control for any reason other than unacceptable performance, disability or death or by Mr. Clark for good reason, Mr. Clark shall be paid a lump sum severance payment equal to two times the sum of (1) his annual base salary plus (2) the greater of his target bonus for the year of the change of control or the prior year. In addition, in the event of such termination, Mr. Clark shall receive group medical coverage and life insurance premiums for 24 months and outplacement services (limited to \$15,000) for twelve months. All outstanding Old National stock options, to the extent not previously vested and exercisable, shall become vested and exercisable upon termination of employment.

However, if Mr. Clark's employment is terminated for unacceptable performance, disability, or death, Mr. Clark will not be entitled to any severance benefits or payments under the severance/change of control agreement.

For purposes of Section 280G of the Code and the related excise tax imposed on change of control payments that are excess parachute payments, the severance/change of control agreement includes a best after-tax provision whereby Mr. Clark may receive the full payments with the responsibility for any excise tax, or his payments would be reduced to a safe harbor amount, whichever will provide Mr. Clark the largest total after-tax benefit.

Mr. Clark is subject to confidentiality provisions and, during the term of the severance/change of control agreement and for a period of two years following the termination of his employment, Mr. Clark is subject to restrictions on the solicitation of customers and employees and noncompetition covenants.

Cash Incentive Payments and Profit Sharing Contributions

In connection with the completion of the Merger, cash payments will be made to Messrs. Chapman, Clark, Rabe, Webb, Haapala and Williams under the Management Committee Incentive Compensation Plan on a pro-rated basis on the portion of the plan year completed before the effective time of the Merger, assuming any individual performance goals are satisfied and the company performance goals are satisfied at the target level of performance. In addition, discretionary profit-sharing contributions to the United Bank & Trust Tax-Deferred Savings Plan (including the accounts of Messrs. Chapman, Clark, Rabe, Webb, Haapala and Williams) will be made on the basis of pro-rating company performance for the portion of the plan year completed before the effective time of the merger and excluding Merger-related expenses.

Indemnification and Insurance of Directors and Officers

Old National has agreed that all rights to indemnification and exculpation from liabilities for acts or omissions occurring prior to the effective time of the Merger existing in favor of current or former directors and officers of United and United Bank & Trust as provided in the articles of incorporation or bylaws of United and United Bank & Trust and any existing indemnification agreements or arrangements disclosed to Old National shall survive the Merger and shall continue in full force and effect in accordance with their terms to the extent permitted by law, and shall not be amended, repealed or otherwise modified for a period of six years after the

effective time of the Merger in any manner that would adversely affect the rights thereunder of such individuals for acts or omissions occurring or alleged to occur at or prior to the effective time of the Merger.

In addition, Old National has agreed to cause United's and United Bank & Trust's directors and officers to be covered for a period of six years after the effective time of the Merger by United's existing directors' and officers' liability insurance policy and fiduciary liability policy (or a substitute policy obtained by Old National having the same coverages and amounts and terms and conditions that are not less advantageous to such directors and officers) with respect to acts or omissions occurring before the effective time of the Merger; provided that Old National shall not be required to spend more than 300% of the last annual premium paid by United for such insurance. If the cost of insurance exceeds such limit, Old National will use its reasonable efforts to obtain as much comparable coverage as possible.

Golden Parachute Compensation

The following table sets forth the estimated aggregate dollar value of the various elements of the compensation that may be paid or become payable to the named executive officers of United that is based on or otherwise relates to completion of the Merger based on multiple assumptions that may or may not actually occur or be accurate on the relevant date including the following:

shares of United common stock are valued at \$12.27 per share, the average closing price of United's shares of common stock over the first five business days following the public announcement of the Merger.

As a result of the foregoing assumptions, the actual amounts to be received by a named executive officer may materially differ from the amounts set forth below. The amounts set forth below do not include amounts payable by Old National to Mr. Clark pursuant to the terms of the offer of employment and severance/change of control agreement with Old National effective at the effective time of the Merger, which shall supersede Mr. Clark's existing employment agreement with United upon the completion of the Merger.

Chapman and Rabe, their employment agreements provide that payment of the foregoing amounts is conditioned on the executive's compliance with certain covenants, including the following: execution of a general release; responsibilities to cooperate; confidentiality obligations; and for 24 months following termination, non-solicitation of employees and customers and non-competition. Any such payments to Messrs. Chapman and Rabe shall be made within 15 days of the effective date of the general release. the board of directors, and as are not stated in the United Articles or any amendments thereto.

Number, Classification and Qualifications of Directors

The Old National By-Laws provide that the board of directors shall be comprised of twelve (12) members. All directors of Old National are elected for terms expiring at the next annual meeting of the shareholders and until their respective successors have been duly elected and qualified or such director's earlier resignation, death or removal. Any vacancy occurring on the board of directors, whether resulting from an increase in the number of directors or otherwise, may be filled by the affirmative vote of not less than a majority of the remaining directors then in office, even though such directors remaining in office may constitute less than a quorum of the board of directors.

The Old National Articles provide that directors need not be shareholders of Old National. The Old National By-Laws provide that a director shall not qualify to serve as such effective as of the end of the term during which he or she becomes 72 years of age. The Old National By-Laws further provide that the board of directors may establish other qualifications for directors in its Corporate Governance Guidelines in effect from time to time.

The United Articles provide that the board of directors shall be comprised of not less than five (5) nor more than twenty (20) directors, the exact number of directors to be determined from time to time by resolution adopted by the affirmative vote of a majority of the entire board of directors. United's board of directors currently consists of nine (9) members. The United Articles further provide that United's board of directors shall be divided into three classes, with directors in each class elected to staggered three-year terms. Holders of common stock are entitled to elect one class of directors constituting approximately one-third of the board of directors for a three-year term at each annual meeting of shareholders. Consequently, it could take two annual elections to replace a majority of United's board of directors. Any vacancy occurring on the board of directors, whether resulting from an increase in the number of directors or otherwise, may be filled by a majority vote of the directors then in office, although less than a quorum, or by a sole remaining director. This provision of the United Articles may only be amended by the affirmative vote of at least 75% of the holders of all shares of common stock entitled to vote; provided, however, that this increased voting requirement is not applicable if the proposed amendment, change or repeal is recommended to shareholders by the affirmative vote of not less than three-fourths (3/4) of the members of United's board of directors.

Election of Directors

Old National's directors are elected by a plurality of the votes cast by the shares entitled to vote at a meeting at which a quorum is present. Old National's board of directors has adopted a corporate governance policy regarding director elections that is contained in Old National's Corporate Governance Guidelines. The policy provides that in any uncontested election, any nominee for director who receives a greater number of votes withheld for his or her election than votes for such election will tender his or her resignation as a director promptly following the certification

Governance and Nominating Committee of its board of

her resignation, will consider the resignation offer and recommend to the board of directors whether to accept it. The board of directors, without participation by any director so tendering his or her resignation, will act on the Corporate Governance and Nominating Committee's recommendation no later than 90 days following the date of the annual meeting of shareholders at which the election occurred. If the board of directors decides to accept the director's resignation, the Corporate Governance and Nominating Committee will recommend to the board of directors whether to fill the resulting vacancy or to reduce the size of the board. Old National will promptly disclose the decision of its board of directors and the reasons for the decision in a broadly disseminated press release that will also be filed with the SEC on a Form 8-K.

Removal of Directors

Under the IBCL, directors may be removed in any manner provided in the corporation's articles of incorporation. In addition, the shareholders or directors may remove one or more directors with or without cause, unless the articles of incorporation provide otherwise. The Old National By-Laws provide that any director or the entire board of directors (exclusive of directors who may be elected by the holders of one or more series of preferred stock) may be removed, with or without cause, only by (i) the affirmative vote of the holders of not less than two-thirds (2/3) of the outstanding shares of Old National common stock at a meeting of shareholders called expressly for the purpose of removing one or more directors, or (ii) the affirmative vote of not less than two-thirds (2/3) of the actual number of directors elected and qualified and then in office.

Under the United Articles, subject to the rights of any series of preferred stock then outstanding, any director may be removed only for cause and only upon the affirmative vote of the holders of not less than 75% of the outstanding shares of capital stock entitled to vote, voting together as a single class. This provision of the United Articles may only be amended by the affirmative vote of at least 75% of the holders of all shares of common stock entitled to vote; provided, however, that this increased voting requirement is not applicable if the proposed amendment, change or repeal is recommended to shareholders by the affirmative vote of not less than three-fourths (3/4) of the members of United's board of directors.

Transactions Involving Directors

The Old National Articles allow directors to have an interest in a contract or transaction with Old National, if the interest is disclosed to or known by the board of directors, and the board authorizes, approves or ratifies the contract or transaction by a majority vote of those present, with the interested director to be counted in determining the existence of a quorum, but not in calculating a majority to approve the transaction. In addition, the IBCL allows a director to have a direct or indirect interest in a transaction with Old National if any of the following circumstances have been established: (i) the transaction was fair to Old

The MBCA allows a director to have a direct or indirect interest in a transaction with United if any of the following circumstances have been established: (i) the transaction was fair to United at the time it was entered into; (ii) the material facts of the transaction and the director's interest were disclosed or known to the board of directors, a committee of the board or the independent director or directors, and the board of directors, committee or independent director or directors authorized, approved or ratified the transaction; or (iii) the material facts of the transaction

A transaction is authorized, approved or ratified under clause (ii) above if it received the affirmative vote of the majority of the directors on the board or the committee who had no interest in the transaction, but a transaction may not be authorized, approved or ratified by a single director. For purposes of the shareholder vote to authorize, approve or ratify a transaction under clause (iii) above, shares owned by or voted under the control of the interested director may be counted in the vote.

transaction is authorized, approved or ratified under clause (ii) above if it received the affirmative vote of the majority of the directors on the board or the committee who had no interest in the transaction, though less than a quorum, or all independent directors who had no interest in the transaction. A transaction is authorized, approved or ratified under clause (iii) above if it received the majority of votes cast by the holders of shares who did not have an interest in the transaction.

Director Liability

Pursuant to the IBCL, an Old National director will not be liable to Old National shareholders for any action or failure to act in his or her capacity as director, unless the director has breached or failed to perform his or her duties as a director in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances and in a manner the director reasonably believes to be in the best interests of the corporation, and the breach or failure to perform these duties constitutes willful misconduct or recklessness.

The MBCA provides that a corporation's articles of incorporation may provide that a director will not be personally liable to the corporation or its shareholders for any action taken or any failure to take any action as a director, with the exception of liability for certain actions. In addition, the MBCA sets forth circumstances under which directors, officers, employees or agents of a corporation may be indemnified or insured against any liabilities that they incur in such capacities.

United's articles of incorporation provide that a director of United will not be personally liable to United or its shareholders for monetary damages for a breach of the director's fiduciary duty, except in the event of any of the following:

A breach of the director's duty of loyalty to United or its shareholders;

Acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;

Certain declarations or distributions in violation of the articles of incorporation or the MBCA;

A transaction from which the director derived an improper personal benefit; or

Acts or omissions occurring before the date that the United Articles containing this provision became effective.

Table of Contents**Old National****United****Indemnification of Directors, Officers and Employees**

Under the IBCL, an Indiana corporation may indemnify an individual made a party to a proceeding because the individual is or was a director against liability incurred in the proceeding if (i) the individual's conduct was in good faith, (ii) the individual reasonably believed, in the case of conduct in the individual's official capacity with the corporation, that the individual's conduct was in the best interests of the corporation, and in all other cases, that the individual's conduct was at least not opposed to the corporation's best interests, and (iii) in the case of any criminal proceeding, the individual either had reasonable cause to believe that the individual's conduct was lawful, or the individual had no reasonable cause to believe that the individual's conduct was unlawful.

Unless limited by its articles of incorporation, a corporation must indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because the director is or was a director of the corporation against reasonable expenses incurred by the director in defense of the proceeding. In addition, unless limited by its articles of incorporation, an officer of a corporation, whether or not a director, is entitled to mandatory indemnification to the same extent as a director, and a corporation may also indemnify and advance expenses to an officer, employee or agent to the same extent as to a director.

The Old National Articles and Old National By-Laws provide that every person who is or was a director, officer or employee of Old National or any other corporation for which he or she is or was serving in any capacity at the request of Old National shall be indemnified by Old National against any and all liability and expense that may be incurred by him or her in connection with, resulting from, or arising out of any claim, action, suit or proceeding, provided that the person is wholly successful with respect to the claim, action, suit or proceeding, or acted in good faith in what he reasonably believed to be in or not opposed to the best interests of Old National or any other corporation

The United Bylaws require it to indemnify any director or officer of United and any director or officer of any bank subsidiary of United, and permit United to indemnify any employee, agent or other person, who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding (other than an action by or in the right of United), whether civil, criminal, administrative, or investigative, and whether formal or informal, by reason of the fact that the person is or was a director, officer, employee, or agent of United or any bank subsidiary of United or is or was serving at the request of United as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not for profit, against expenses (including attorneys' fees), judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit, or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of United or its shareholders or any bank subsidiary of United, as applicable, and, with respect to a criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

The United Bylaws require United to indemnify any director or officer of United and any director or officer of any bank subsidiary of United, and permit United to indemnify any employee, agent or other person, who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of United to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee, or agent of United or any bank subsidiary of United or is or was serving at the request of United as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not for profit, against expenses (including attorneys' fees) and amounts paid

for which he or she is or was serving in any capacity at the request of Old National. Old National will also indemnify each director, officer and employee acting in such capacity in connection with criminal proceedings provided the director, officer or employee had no reasonable cause to believe that his or her conduct was unlawful. The indemnification by Old National extends

in settlement actually and reasonably incurred by the person in connection with the action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of United or its shareholders or any

to attorney fees, disbursements, judgments, fines, penalties or settlements. Old National may also advance expenses or undertake the defense of a director, officer or employee upon receipt of an undertaking by such person to repay such expenses if it should ultimately be determined that he or she is not entitled to indemnification.

In order for a director, officer or employee to be entitled to indemnification, the person must be wholly successful with respect to such claim or either the board of directors of Old National acting by a quorum consisting of directors who are not parties to, or who have been wholly successful with respect to such claim, action, suit or proceeding, or independent legal counsel must determine that the director, officer or employee has met the standards of conduct required by the Old National Articles.

The IBCL permits Old National to purchase insurance on behalf of its directors, officers, employees and agents against liabilities arising out of their positions with Old National, whether or not such liabilities would be within the above indemnification provisions. Pursuant to this authority, Old National maintains such insurance for the directors, officers and employees of Old National and any subsidiary of Old National.

United

bank subsidiary of United, as applicable. However, indemnification is not permitted for any such claim, issue, or matter in which the person has been found liable to United or any bank subsidiary of United, as applicable, except to the extent authorized by statute.

In addition, United's ability to indemnify its directors and officers or other persons is determined, to an extent, by the MBCA. The following is a summary of the applicable provisions of the MBCA.

Sections 561 through 571 of the MBCA contain provisions governing the indemnification of directors and officers by Michigan corporations. The MBCA provides that a corporation has the power to indemnify a person who was or is a party or is threatened to be made a party to a threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether formal or informal (other than an action by or in the right of the corporation) by reason of the fact that he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, whether for profit or not, against expenses, including attorneys' fees, judgments, penalties, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with the action, suit or proceeding, if the person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders, and with respect to a criminal action or proceeding, if the person had no reasonable cause to believe his or her conduct was unlawful. The termination of an action, suit or proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best

interests of the corporation or its shareholders, and, with respect to a criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

Indemnification of expenses (including attorneys' fees) and amounts paid in settlement is permitted in actions by or in the right of the corporation, except that indemnification is not allowed for any claim, issue or matter in which such person has been found

liable to the corporation unless and to the extent that a court decides indemnification is proper. To the extent that a director or officer has been successful on the merits or otherwise in defense of an action, suit or proceeding, or in defense of a claim, issue or matter in the action, suit or proceeding, the corporation shall indemnify him or her against actual and reasonable expenses (including attorneys' fees) incurred by him or her in connection with the action, suit or proceeding, and an action, suit or proceeding brought to enforce the mandatory indemnification provided under the MBCA. The MBCA permits partial indemnification for a portion of expenses (including reasonable attorneys' fees), judgments, penalties, fines and amounts paid in settlement to the extent the person is entitled to indemnification for less than the total amount.

A determination that the person to be indemnified meets the applicable standard of conduct and an evaluation of the reasonableness of the expenses incurred and amounts paid in settlement shall be made: (i) by a majority vote of a quorum of the board of directors who were not parties or threatened to be made parties to the action, suit or proceeding; (ii) if a quorum cannot be so obtained, by a majority vote of a committee of not less than two disinterested directors; (iii) by independent legal counsel; (iv) by all independent directors not parties or threatened to be made parties to the action, suit or proceeding; or (v) by the shareholders (excluding shares held by interested directors, officers, employees or agents). An authorization for payment of indemnification may be made in any of the following ways: (a) if there are 2 or more directors who are not parties or threatened to be made parties to the action, suit, or proceeding, by a majority vote of all directors who are not parties or threatened to be made parties, a majority of whom shall constitute a quorum for this purpose; (b) by a majority of the members of a committee of 2 or more directors who are not parties or threatened to be made parties to the action, suit, or proceeding; (c) if the corporation has 1 or more independent directors who are not parties or threatened to be made parties to the action, suit, or proceeding, by a majority vote of all independent

directors who are not parties or are threatened to be made parties, a majority of whom shall constitute a quorum for this purpose; (d) if there are no independent directors and less than 2 directors who are not parties or threatened to be made parties to the action, suit, or proceeding, by the vote

necessary for action by the board in accordance with Section 523 of the MBCA, in which authorization all directors may participate; or (e) by the shareholders, but shares held by directors, officers, employees, or agents who are parties or threatened to be made parties to the action, suit, or proceeding may not be voted on the authorization. Under the MBCA, a corporation may indemnify a director without a determination that the director has met the applicable standard of conduct unless the director received a financial benefit to which he or she was not entitled, intentionally inflicted harm on the corporation or its shareholders, violated Section 551 of the MBCA (which prohibits certain dividends, distributions and loans to insiders of the corporation), or intentionally committed a criminal act. A director may file for a court determination of the propriety of indemnification in any of the situations set forth in the preceding sentence.

In certain circumstances, the MBCA further permits advances to cover such expenses before a final disposition of the proceeding, upon receipt of an undertaking, which need not be secured and which may be accepted without reference to the financial ability of the person to make repayment, by or on behalf of the director, officer, employee or agent to repay such amounts if it shall ultimately be determined that he or she has not met the applicable standard of conduct. If a provision in the articles of incorporation or by-laws, a resolution of the board or shareholders, or an agreement makes indemnification mandatory, then the advancement of expenses is also mandatory, unless the provision, resolution or agreement specifically provides otherwise.

The indemnification provisions of the MBCA are not exclusive of the rights to indemnification under a corporation's articles of incorporation or by-laws or by agreement. However, the total amount of expenses advanced or indemnified from all sources combined may not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement

of expenses. The indemnification provided for under the MBCA continues as to a person who ceases to be a director, officer, employee or agent.

The MBCA permits United to purchase insurance on behalf of its directors, officers, employees and agents against liabilities arising out of their positions with United, whether or not such liabilities would be

within the above indemnification provisions. Pursuant to this authority, United maintains such insurance for the directors, officers, employees, and agents of United and any bank subsidiary of United.

Advance Notice Requirements for Presentation of Business and Nominations of Directors at Annual Meetings of Shareholders

The Old National By-Laws provide that nominations for the election of directors may be made only by the board of directors following the recommendation of the Old National Corporate Governance and Nominating Committee. The Committee will consider candidates for election suggested by shareholders, subject to the suggestions having been made in compliance with the requirements set forth in Article IV, Section 9 of the Old National By-Laws.

Shareholder proposals and shareholder nominations of directors must be submitted by a shareholder of record who must give timely, written notice of the proposal or nomination to United. The notice must include certain information. The timing and content requirements of the required notice for shareholder proposals are detailed in Article I, Section 10(b) of the United Bylaws. Shareholders may also submit proposals for business to be considered at United's annual meeting of shareholders, and include those proposals in Old National's proxy statement and form of proxy delivered to shareholders, in accordance with the requirements of Rule 14a-8 of Regulation 14A promulgated under the Securities Exchange Act of 1934. The timing and content requirements of the required notice for shareholder nominations of directors are detailed in Article III, Section 7(c) of the United Bylaws. A failure to comply with the timing and content requirements of the required notice will result in a shareholder's proposal or nomination for director not being considered at the relevant meeting of shareholders.

Additionally, shareholders may submit proposals for business to be considered at Old National's annual meeting of shareholders, and include those proposals in Old National's proxy statement and form of proxy delivered to shareholders, in accordance with the requirements of Rule 14a-8 of Regulation 14A promulgated under the Securities Exchange Act of 1934.

Special Meetings of Shareholders

The Old National By-Laws provide that special meetings of shareholders may be called by the board of directors, the Chairman of the Board, the Chief Executive Officer or the President of Old National, and shall be called by the Chairman of the Board, the Chief Executive Officer, the President or the Secretary at the written request of a majority of the members of the board of directors or upon delivery to Old National's Secretary of a signed and dated written demand for a special meeting from the holders of at least 25% of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting.

The United Bylaws provide that special meetings of shareholders may be called only by the Chairman of the Board, the President or by a majority of the board of directors. Shareholders have no ability to call a special meeting of shareholders.

Amendment of Articles of Incorporation and By-laws

The IBCL generally requires the approval of at least a majority of a quorum of shareholders present at a shareholders meeting (and, in certain cases, a majority of all shares held by any voting group entitled to vote) for amendments to an Indiana corporation's articles of incorporation. However, the IBCL permits a corporation in its articles of incorporation to specify a higher shareholder vote requirement for certain amendments. Certain provisions of the Old National Articles may only be altered, amended or repealed by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, upon a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National. These provisions include Article VIII, Section 11 (relating to the approval of certain business combinations), Article VIII, Section 12 (relating to the board's consideration of certain non-financial factors in the evaluation of business combinations) and Article VIII, Section 13 (relating to limitations on further purchases of shares by shareholders who own 15% or more of Old National's outstanding shares).

Amendments to the United Articles generally must be approved by a majority vote of the outstanding shares of United's voting stock entitled to vote on the matter. Certain provisions of the United Articles may only be amended by the affirmative vote of at least 75% of the holders of all shares of common stock entitled to vote. These provisions include Article VI (relating to the classification of United's board of directors and removal of directors), Article VII (relating to shareholder proposed amendments to the United Bylaws) and Article VIII (relating to certain transactions with a related person; with the additional requirement of the affirmative vote of a majority of the outstanding shares of capital stock of United entitled to vote of which the related person is not a beneficial owner). These increased voting requirements are not applicable if the proposed amendment, change or repeal is recommended to shareholders by the affirmative vote of not less than three-fourths (3/4) of the members of United's board of directors.

The Old National Articles and the Old National By-Laws provide that the Old National By-Laws may only be altered, amended or repealed by a majority vote of the total number of directors of Old National.

The United Bylaws may be amended or new by-laws may be adopted by United's board of directors. Shareholder-proposed amendments to the United Bylaws may only be approved by the affirmative vote of at least 75% of the holders of all shares of common stock entitled to vote on the matter.

Business Combination Restrictions and Other Shareholder Limitations

Business Combinations

The Old National Articles require the affirmative vote of not less than 80% of the outstanding shares of Old National common stock to approve certain business combinations, including a merger or consolidation of Old National with or into any other corporation, which are not approved and

All other business combinations require the affirmative vote of a majority of the outstanding shares of Old National common stock. This provision of the Old National Articles may not be altered, amended or repealed except by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of

shareholders duly called for that purpose, upon a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National.

In taking or declining to take any action or in making any recommendation to a corporation's shareholders with respect to any matter, the IBCL provides that directors of Indiana corporations, in their discretion, may consider both the short-term and long-term interests of the corporation, taking into account and weighing, as the directors deem appropriate, the effects of such action or inaction on the corporation's shareholders and other constituencies as well as certain interests described in the IBCL and any other factors the directors consider relevant. The Old National Articles require the board of directors, in connection with exercising its business judgment in determining what is in the best interests of Old National and its shareholders when evaluating a business combination or a tender or exchange offer, consider factors in addition to the adequacy of the financial consideration, such as the following factors and any other factors it deems relevant: the social and economic effects of the transaction on Old National and its subsidiaries, depositors, loan and other customers, creditors and other elements of the communities in which Old National and its subsidiaries operate or are located; the business and financial condition and earning prospects of the acquiring person or entity, including, but not limited to, debt service and other existing or likely financial obligations of the acquiring person or entity, and the possible effect of such conditions upon Old National and its subsidiaries and the other elements of the communities in which Old National and its subsidiaries operate or are located; and the competence, experience and integrity of the acquiring person or entity and its management. This provision of the Old National Articles may not be altered, amended or repealed except by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, on a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National.

United

Articles requires the affirmative vote of at least 75% of the then outstanding shares of capital stock of United entitled to vote and a majority of the outstanding shares of capital stock of United entitled to vote of which the related person is not a beneficial owner; provided, however, that this increased voting requirement is not applicable if the proposed amendment, change or repeal is recommended to shareholders by the affirmative vote of not less than three-fourths (3/4) of the continuing directors (as defined in Article VIII of the United Articles).

Michigan Fair Price Act

Michigan's Fair Price Act applies to United. The Fair Price Act requires a vote of the holders of 90% of outstanding shares and a vote of the holders of at least two-thirds of disinterested shares to approve a business combination. The Fair Price Act defines a business combination to include any merger, consolidation, share exchange, sale of assets, stock issue, liquidation or reclassification of securities involving an interested shareholder or certain affiliates. An interested shareholder is generally any person who owns 10% or more of the outstanding voting shares of the corporation. An affiliate is a person who directly or indirectly controls, is controlled by, or is under the common control of a specified person.

The supermajority vote required by the Fair Price Act does not apply to business combinations that satisfy certain conditions. These conditions include, among others:

the purchase price to be paid for the shares of the corporation in the business combination must be at least equal to the highest of either (1) the market value of the shares or (2) the highest per share price paid by

The inclusion of the foregoing requirement in the Old National Articles, as well as the flexibility provided to directors under the IBCL to consider non-financial factors and other interests in connection with the evaluation of a business combination transaction, may

an interested shareholder within the preceding two-year period or in the transaction in which the shareholder became an interested shareholder, whichever is higher; and

once becoming an interested shareholder, the person may not become the beneficial owner of any additional shares of the corporation except as part of the transaction that resulted in the interested shareholder becoming an interested shareholder or by virtue of proportionate stock splits or stock dividends.

Table of Contents**Old National**

place the Old National board of directors in a stronger position to oppose a business combination transaction if the board concludes that the transaction would not be in the best interests of Old National and its shareholders, even if the price offered in connection with the proposed business combination is significantly greater than the then market price of Old National's common stock. Accordingly, it may be more difficult for an acquirer to gain control of Old National in a transaction not approved by its boards of directors.

Under the business combinations provision of the IBCL, any shareholder who acquires a 10%-or-greater ownership position in an Indiana corporation with a class of voting shares registered under Section 12 of the Securities Exchange Act of 1934 (and that has not opted-out of this provision) is prohibited for a period of five years from completing a business combination (generally a merger, significant asset sale or disposition or significant issuance of additional shares) with the corporation unless, prior to the acquisition of such 10% interest, the board of directors of the corporation approved either the acquisition of such interest or the proposed business combination. If such board approval is not obtained, then five years after a 10% shareholder has become such, a business combination with the 10% shareholder is permitted if all provisions of the articles of incorporation of the corporation are complied with and either a majority of disinterested shareholders approves the transaction or all shareholders receive a price per share determined in accordance with the fair price criteria of the business combinations provision of the IBCL. An Indiana corporation may elect to remove itself from the protection provided by the Indiana business combinations provision, but such an election remains ineffective for 18 months and does not apply to a combination with a shareholder who acquired a 10% ownership position prior to the election. Old National has not elected to remove itself from the protections of this provision.

*Control Share Acquisitions***United**

The requirements of the Fair Price Act do not apply to business combinations with an interested shareholder that the board of directors has approved or exempted from the requirements of the Fair Price Act by resolution adopted before the interested shareholders first became an interested shareholder.

The IBCL includes a control share acquisition provision. Under the control share acquisition provision, unless otherwise provided in the corporation's articles of incorporation or by-laws, if a shareholder acquires shares of the corporation's voting stock (referred to as control shares) within one of several specified ranges (one-fifth or more but less than one-third, one-third or more but less than a majority, or a majority or more), approval of a majority of the disinterested shareholders

Table of Contents**Old National****United**

must be obtained before the acquiring shareholder may vote the control shares. Under certain circumstances, including in the event that shareholder approval is not obtained, the shares held by the acquirer may be redeemed by the corporation at the fair value of the shares as determined by the control share acquisition provision. Old National is subject to the control share acquisition provision. The control share acquisition provision does not apply to a plan of merger or share exchange, if the corporation complies with the applicable merger provisions and is a party to the plan of merger or plan of share exchange.

Limitations on Significant Shareholders

The Old National Articles provide that shareholders who acquire 15% of the outstanding Old National common stock and who seek to acquire, directly or indirectly, additional shares of common stock in connection with a tender or exchange offer, open market purchase or business combination must offer and pay for such additional shares a consideration that is at least equal to the highest percent over market value paid to acquire Old National common stock then held by such person. Any purchases of shares in violation of this provision are null and void. This provision of the Old National Articles may not be altered, amended or repealed except by the affirmative vote of the holders of not less than 80% of the outstanding shares of Old National common stock, given at a meeting of shareholders duly called for that purpose, upon a proposal adopted and recommended by the vote of two-thirds (2/3) of the entire board of directors of Old National.

MATERIAL FEDERAL INCOME TAX CONSEQUENCES

General. The following is a summary of the material anticipated United States federal income tax consequences generally applicable to a U.S. Holder (as defined below) of United common stock with respect to the exchange of United common stock for Old National common stock and cash pursuant to the Merger. This discussion assumes that U.S. Holders hold their United common stock as capital assets within the meaning of section 1221 of the Internal Revenue Code of 1986, as amended (Code). This summary is based on the Code, Treasury Regulations, judicial decisions and administrative pronouncements, each as in effect as of the date of this proxy statement and prospectus. All of the foregoing are subject to change at any time, possibly with retroactive effect, and all are subject to differing interpretation. No advance ruling has been sought or obtained from the Internal Revenue Service regarding the United States federal income tax consequences of the Merger. As a result, no assurance can be given that the Internal Revenue Service would not assert, or that a court would not sustain, a position contrary to any of the tax consequences set forth below.

This summary does not address any tax consequences arising under United States federal tax laws other than United States federal income tax laws, nor does it address the laws of any state, local, foreign or other taxing jurisdiction, nor does it address any aspect of income tax that may be applicable to non-U.S. Holders of United common stock. In addition, this summary does not address all aspects of United States federal income taxation that may apply to U.S. Holders of United common stock in light of their particular circumstances or U.S. Holders that are subject to special rules under the Code, such as holders of United common stock that are partnerships or other pass-through entities (and persons holding their United common stock through a partnership or other pass-through entity), persons who acquired shares of United common stock as a result of the exercise of employee stock options or otherwise as compensation or through a tax-qualified retirement plan, persons subject to the alternative minimum tax, tax-exempt organizations, financial institutions, broker-dealers, traders in securities that have elected to apply a mark to market method of accounting, insurance companies, persons having a functional currency other than the U.S. dollar and persons holding their United common stock as part of a straddle, hedging, constructive sale or conversion transaction.

For purposes of this summary, a U.S. Holder is a beneficial owner of United common stock that is for United States federal income tax purposes:

a United States citizen or resident alien;

a corporation, or other entity taxable as a corporation for United States federal income tax purposes, created or organized under the laws of the United States or any state therein or the District of Columbia;

a trust if (1) it is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust, or (2) it was in existence on August 20, 1996 and has a valid election in effect under applicable Treasury Regulations to be treated as a United States person; and

an estate, the income of which is subject to United States federal income taxation regardless of its source. If a partnership (including an entity treated as a partnership for United States federal income tax purposes) holds United common stock, the tax treatment of a partner in the partnership will generally depend on the status of such

partner and the activities of the partnership.

Old National and United have structured the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code. The obligations of Old National and United to consummate the Merger are conditioned upon the receipt of an opinion from Krieg DeVault LLP for its client, Old National, and an opinion from Warner Norcross & Judd LLP for its client, United, to the effect that the Merger will for federal income tax purposes qualify as a reorganization based upon customary representations made by Old National and United.

Table of Contents

Old National and United have not requested and do not intend to request any ruling from the Internal Revenue Service. Old National urges each United shareholder to consult such shareholder's own tax advisors as to the specific tax consequences resulting from the Merger, including tax return reporting requirements, the applicability and effect of federal, state, local and other applicable tax laws and the effect of any proposed changes in the tax laws. The Merger will constitute a reorganization within the meaning of Section 368(a) of the Code and therefore, the material United States federal income tax consequences of the Merger are as follows:

no gain or loss will be recognized by Old National, its subsidiaries or United or United Bank & Trust by reason of the Merger;

you will not recognize gain if you exchange your United common stock for Old National common stock, except to the extent of any cash received (see discussion below);

you will not recognize any loss if you exchange your United common stock for Old National common stock, even if you might otherwise recognize a loss in a sale to a third party;

your aggregate tax basis in the Old National common stock that you receive in the Merger will equal your aggregate tax basis in the United common stock you surrendered, decreased by the amount of cash received and increased by the amount of any gain recognized; and

your holding period for the Old National common stock that you receive in the Merger will include your holding period for the shares of United common stock that you surrender in the Merger.

Exchange of United Common Stock for Cash and Old National Common Stock. United shareholders will exchange all of their United common stock for a combination of Old National common stock and cash in the Merger. Accordingly, shareholders will recognize gain (but not loss) in an amount equal to the lesser of (i) the amount of cash received in the Merger; and (ii) the excess, if any, of (a) the sum of the amount of cash and the fair market value of the Old National common stock received in the Merger over (b) the United shareholder's aggregate tax basis in its United common stock surrendered in exchange therefor.

The gain recognized upon receipt of a combination of stock and cash will be capital gain unless the United shareholder's receipt of cash has the effect of a distribution of a dividend, in which case the gain will be treated as ordinary income to the extent of the holder's ratable share of United's accumulated earnings and profits, as calculated for U.S. federal income tax purposes. For purposes of determining whether a United shareholder's receipt of cash has the effect of a distribution of a dividend, the United shareholder will be treated as if he, she or it first exchanged all of his, her or its United common stock solely in exchange for Old National common stock and then Old National immediately redeemed a portion of that stock for the cash that the holder actually received in the Merger (referred to herein as the "deemed redemption"). Receipt of cash will generally not have the effect of a dividend to the United shareholder if such receipt is, with respect to the United shareholder, not essentially equivalent to a dividend or substantially disproportionate, each within the meaning of Section 302(b) of the Code. In order for the deemed redemption to be not essentially equivalent to a dividend, the deemed redemption must result in a meaningful reduction in the shareholder's deemed percentage stock ownership of Old National following the Merger. The determination generally requires a comparison of the percentage of the outstanding stock of Old National the

shareholder is considered to have owned immediately before the deemed redemption to the percentage of the outstanding stock of Old National the shareholder owns immediately after the deemed redemption. The Internal Revenue Service has indicated in rulings that any reduction in the interest of a minority shareholder that owns a small number of shares in a publicly and widely held corporation and that exercises no control over corporate affairs would result in capital gain (as opposed to dividend) treatment.

For purposes of applying the foregoing tests, a shareholder will be deemed to own the stock the shareholder actually owns and the stock the shareholder constructively owns under the attribution rules of Section 318 of the Code. Under Section 318 of the Code, a shareholder will be deemed to own the shares of stock owned by certain family members, by certain estates and trusts of which the shareholder is a beneficiary, and by certain affiliated entities, as well as shares of stock subject to an option actually or constructively owned by the shareholder or

Table of Contents

such other persons. If, after applying these tests, the deemed redemption results in a capital gain, the capital gain will be long-term if the United shareholder's holding period for its United common stock is more than one year as of the date of the exchange. If, after applying these tests, the deemed redemption results in the gain recognized by a United shareholder being classified as a dividend, such dividend will be treated as either ordinary income or qualified dividend income.

Any gain treated as qualified dividend income will be taxable to individual United shareholders at the long-term capital gains rate, provided that the shareholder held the shares giving rise to such income for more than 60 days during the 121 day period beginning 60 days before the closing date. The determination as to whether a United shareholder will recognize a capital gain or dividend income as a result of its exchange of United common stock for a combination of Old National common stock and cash in the Merger is complex and is determined on a shareholder-by-shareholder basis. Accordingly, each United shareholder is urged to consult such shareholder's own tax advisor with respect to this determination.

A United shareholder's aggregate tax basis in the Old National common stock received in the Merger will be equal to the shareholder's aggregate tax basis in such shareholder's United common stock surrendered, decreased by the amount of any cash received and increased by the amount of any gain recognized. A United shareholder's holding period for Old National common stock received in the Merger will include the holding period of the United common stock surrendered in the Merger.

Backup Withholding and Information Reporting. Payments of cash to a holder of United common stock may, under certain circumstances, be subject to information reporting and backup withholding at a rate of 28% of the cash payable to the holder, unless the holder provides proof of an applicable exemption or furnishes his, her or its taxpayer identification number, and otherwise complies with all applicable requirements of the backup withholding rules. Any amounts withheld from payments to a holder under the backup withholding rules are not additional tax and will be allowed as a refund or credit against the holder's U.S. federal income tax liability, provided the required information is furnished to the Internal Revenue Service.

The preceding discussion is intended only as a summary of material United States federal income tax consequences of the Merger. It is not a complete analysis or discussion of all potential tax effects that may be important to you. Thus, United urges United shareholders to consult their own tax advisors as to the specific tax consequences to them resulting from the Merger, including tax return reporting requirements, the applicability and effect of federal, state, local, and other applicable tax laws and the effect of any proposed changes in the tax laws.

PROPOSAL 2 NON-BINDING ADVISORY VOTE ON MERGER-RELATED COMPENSATION

As required by Section 14A of the Exchange Act and Rule 14a-21(c) promulgated thereunder, which were enacted pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, United is required to submit a proposal to its shareholders for a non-binding advisory vote to approve the compensation that may be paid or become payable to the named executive officers of United that is based on or otherwise relates to completion of the Merger (the Merger-Related Compensation).

The Merger-Related Compensation is disclosed in the table entitled Golden Parachute Compensation, along with a narrative description of such compensation, in Interests of Certain Directors and Officers of United in the Merger, beginning on page .

Table of Contents

As required by Rule 14a-21(c) of the Exchange Act, United is asking its shareholders to adopt the following resolution:

RESOLVED, that the compensation that may be paid or become payable to the named executive officers of United Bancorp, Inc. that is based on or otherwise relates to completion of the merger of United Bancorp, Inc. with and into Old National Bancorp, and the agreements and understandings concerning such compensation, as disclosed pursuant to Item 402(t) of Regulation S-K, are hereby APPROVED.

Because this proposal is advisory in nature only, a vote for or against approval will not be binding on either United or Old National. Accordingly, as the Merger-Related Compensation is contractual, regardless of the outcome of the vote on this proposal, such compensation will be payable, subject only to the conditions applicable thereto, if the Merger is completed.

The United board of directors unanimously recommends that United shareholders vote FOR approval of the Merger-Related Compensation Proposal.

PROPOSAL 3 ADJOURNMENT OF THE SPECIAL MEETING

The shareholders of United are being asked to approve a proposal to adjourn or postpone the special meeting to permit further solicitation of proxies in the event that an insufficient number of shares is present in person or by proxy to approve the Merger Agreement.

Under the Michigan Business Corporation Act (the "MBCA") and the Articles of Incorporation of United, the holders of at least a majority of the outstanding shares of common stock of United entitled to vote are required to approve the Merger Agreement. It is rare for a company to achieve 100% (or even 90%) shareholder participation at an annual or special meeting of shareholders, and only a majority of the holders of the outstanding shares of common stock of United are required to be represented at the special meeting, in person or by proxy, for a quorum to be present. In the event that shareholder participation at the special meeting is lower than expected, United would like the flexibility to postpone or adjourn the meeting in order to attempt to secure broader shareholder participation. If United desires to adjourn the special meeting, United will request a motion that the special meeting be adjourned, and delay the vote on the proposal to approve the Merger Agreement until the special meeting is reconvened. If United adjourns the special meeting for 30 days or less, United will not set a new record date nor will it announce prior to adjournment the date, time and location at which the special meeting will be reconvened; no other notice will be provided.

Any adjournment will permit United to solicit additional proxies and will permit a greater expression of the views of United shareholders with respect to the Merger. Such an adjournment would be disadvantageous to shareholders who are against the proposal to approve the Merger Agreement because an adjournment will give United additional time to solicit favorable votes and increase the chances of approving that proposal. United has no reason to believe that an adjournment of the special meeting will be necessary at this time.

The United board of directors unanimously recommends that United shareholders vote FOR approval of the Adjournment Proposal.

SHAREHOLDER PROPOSALS FOR NEXT YEAR

Old National

If the Merger is completed, United shareholders will become shareholders of Old National following Old National's 2014 annual meeting. To be included in Old National's proxy statement and voted on at Old National's regularly scheduled 2015 annual meeting of shareholders, shareholder proposals must have been submitted in writing by February 11, 2015, to Old National's Secretary, P.O. Box 718, Evansville, Indiana 47705-0718, which date is 120 calendar days before the date of the release of Old National's proxy statement for 2015. If notice of any other shareholder proposal intended to be presented at the annual meeting is not received by Old National on or before February 11, 2015, the proxy solicited by the Old National board of directors for use in connection with that meeting may confer authority on the proxies to vote in their discretion on such proposal, without any discussion in the Old National proxy statement for that meeting of either the proposal or how such proxies intend to exercise their voting discretion. Any such proposals will be subject to the requirements of the proxy rules and regulations adopted under the Exchange Act. If the date of the 2015 annual meeting is changed, the dates set forth above may change.

Pursuant to Old National's By-laws, any shareholder wishing to nominate a candidate for director or propose other business at an annual meeting must give Old National written notice not less 120 days before the meeting, and the notice must provide certain other information as described in the By-laws. Copies of the By-laws are available to shareholders free of charge upon request to Old National's Secretary.

United

If the Merger occurs, there will be no United annual meeting of shareholders for 2014. In that case, shareholder proposals must be submitted to Old National in accordance with the procedures described above.

AGREEMENT AND PLAN OF MERGER

This Agreement and Plan of Merger (this *Plan of Merger*) is made as of January 7, 2014, by and between Old National Bancorp, an Indiana corporation (*Purchaser*), and United Bancorp, Inc., a Michigan corporation (*Company*).

PRELIMINARY STATEMENT

1. The respective Boards of Directors of each of Company and Purchaser have determined that it is in the best interests of their respective corporations and shareholders that Company and Purchaser engage in a merger of Company with and into Purchaser (the *Merger*) in accordance with the terms of this Plan of Merger, the Indiana Business Corporation Law (the *IBCL*) and the Michigan Business Corporation Act (the *MBCA*), as applicable, and any other applicable Law; and
2. The Company Board of Directors has, in light of and subject to the terms and conditions set forth in this Plan of Merger, resolved to adopt this Plan of Merger, to authorize the Merger and the other transactions contemplated by it and to recommend approval by the Company Shareholders of this Plan of Merger; and
3. The Purchaser Board of Directors has, in light of and subject to the terms and conditions set forth in this Plan of Merger, resolved to adopt this Plan of Merger and to authorize the Merger and the other transactions contemplated by it; and
4. For federal income tax purposes, it is intended that the Merger shall qualify as a reorganization under the provisions of Section 368(a)(1)(A) of the Internal Revenue Code of 1986, as amended (the *Code*), and this Plan of Merger is intended to be and is adopted as a Plan of Reorganization for the purposes of Sections 354 and 361 of the Code.
5. All of the members of the Company Board of Directors have executed and delivered to Purchaser a voting agreement substantially in the form attached hereto as **Exhibit A**.

In consideration of the representations, warranties, mutual covenants and agreements contained in this Plan of Merger, Company and Purchaser agree as follows:

ARTICLE I

THE MERGER

1.1 *Merger*. Subject to the terms and conditions of this Plan of Merger, at the Effective Time, Company shall be merged with and into Purchaser and the separate corporate existence of Company shall cease. Company and Purchaser are each sometimes referred to as a *Constituent Corporation* prior to the Merger. At the Effective Time, the Constituent Corporations shall become a single corporation, which corporation shall be Purchaser (the *Surviving Corporation*). The effect of the Merger upon each of the Constituent Corporations and the Surviving Corporation shall be as provided in the IBCL and the MBCA, as applicable, with respect to the merger of corporations. Without limiting the generality of the foregoing, and subject to the IBCL and the MBCA, as applicable, at the Effective Time: (a) all the rights, privileges, powers, franchises, licenses, and interests in and to every type of property (whether real, personal, or mixed) of Company and Purchaser, shall vest in the Surviving Corporation, (b) all choses in action of Company and Purchaser shall continue unaffected and uninterrupted by the Merger and shall accrue to the Surviving Corporation, and (c) all debts, liabilities and duties of Company and Purchaser shall become the debts, liabilities and duties of the Surviving Corporation.

1.2 *The Closing*. Company and Purchaser shall consummate the Merger (the ***Closing***) (a) at the offices of Krieg DeVault LLP, at 10:00 a.m., local time, on a date to be agreed upon by Company and Purchaser,

A-1

Table of Contents

which will be no later than two Business Days following satisfaction or waiver of the last of the conditions to Closing contained in *Article VI* (other than any conditions that by their nature are to be satisfied at the Closing) or (b) at such other place and time or on such other date as Company and Purchaser may mutually determine (the date on which the Closing actually occurs is referred to as the ***Closing Date***).

1.3 *Effective Time of Merger*. Upon completion of the Closing, Company and Purchaser shall each promptly execute and file a certificate of merger as required by the MBCA and the IBCL to effect the Merger (collectively, the ***Certificates of Merger*** , and individually, a ***Certificate of Merger***). No party shall take any action to revoke a Certificate of Merger after its filing without the written consent of the other party. The ***Effective Time*** of the Merger shall be the time and date when the Merger becomes effective as set forth in the Certificates of Merger, which may be the last day of the month in which the Closing occurs.

1.4 *Additional Actions*. At any time after the Effective Time, the Surviving Corporation may determine that deeds, assignments, or assurances or any other acts are necessary or desirable to vest, perfect, or confirm, of record or otherwise, in the Surviving Corporation its rights, title, or interest in, to, or under any of the rights, properties, or assets of Company and Purchaser acquired or to be acquired by the Surviving Corporation as a result of, or in connection with, the Merger, or to otherwise carry out the purposes of this Plan of Merger. Company and Purchaser grant to the Surviving Corporation an irrevocable power of attorney to execute and deliver all such deeds, assignments, and assurances and to do all acts necessary, proper, or convenient to accomplish this purpose. This irrevocable power of attorney shall only be operative following the Effective Time and at such time the officers and directors of the Surviving Corporation shall be fully authorized in the name of Company and Purchaser to take any and all such actions contemplated by this Plan of Merger.

1.5 *Surviving Corporation*. At the Effective Time, the Surviving Corporation shall have the following attributes until they are subsequently changed in the manner provided by Law:

1.5.1 *Name*. The name of the Surviving Corporation shall be Old National Bancorp.

1.5.2 *Articles of Incorporation*. The articles of incorporation of the Surviving Corporation shall be the articles of incorporation of Purchaser as in effect immediately prior to the Effective Time, without change.

1.5.3 *Bylaws*. The bylaws of the Surviving Corporation shall be the bylaws of Purchaser as in effect immediately prior to the Effective Time, without change.

1.5.4 *Officers*. The officers of the Surviving Corporation shall be the officers of Purchaser immediately before the effective time.

1.5.5 *Directors*. The directors of the Surviving Corporation shall be the directors of Purchaser immediately before the effective time.

1.6 *Reservation of Right to Revise Structure*. At Purchaser's election, the Merger may alternatively be structured so that (a) Company is merged with and into any other direct or indirect wholly-owned subsidiary of Purchaser or (b) any direct or indirect wholly-owned subsidiary of Purchaser is merged with and into Company; *provided, however*, that no such change shall (i) alter or change the amount or kind of the Merger Consideration or the treatment of the holders of Company Common Stock or Company Share-Based Awards, (ii) prevent the parties from obtaining the opinions of counsel referred to in *Sections 6.2.5* and *6.3.5* or otherwise cause the transaction to fail to qualify for the Intended Tax Treatment, or (iii) materially impede or delay consummation of the transactions contemplated by this Plan of Merger. In the event of such an election, the parties agree to execute an appropriate amendment to this Plan of Merger (to the

extent such amendment only changes the method of effecting the business combination and does not substantively affect this Plan of Merger or the rights and obligations of the parties or their respective shareholders) in order to reflect such election.

ARTICLE II

EFFECT OF MERGER ON CAPITAL STOCK

2.1 *Conversion of Securities.* At the Effective Time, by virtue of the Merger and without any action on the part of Company, Purchaser or any other Person:

2.1.1 *Cancellation of Excluded Shares.* Each share of Company Common Stock that is owned by Company (or by any of its wholly-owned Subsidiaries) or Purchaser (or by any of its wholly-owned Subsidiaries) (collectively, the **Excluded Shares**) immediately before the Effective Time will automatically be canceled and cease to exist without delivery of any consideration in exchange for or in respect of any Excluded Share.

2.1.2 *Conversion of Common Stock.* Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than the Excluded Shares) shall be converted into the right to receive (i) \$2.66 cash (the **Cash Consideration**), and (ii) 0.7 (the **Exchange Ratio**) fully paid and nonassessable shares of Purchaser Common Stock (collectively, the **Merger Consideration**), whereupon such shares of Company Common Stock will no longer be outstanding and all rights with respect to such shares of Company Common Stock will cease to exist, except the right to receive the Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4*, upon surrender of Certificates or Book-Entry Shares, in accordance with *Section 2.3*. No interest shall be paid or will accrue on any payment to holders of Certificates or Book-Entry Shares pursuant to the provisions of this *Article II*.

2.2 *Stock Plans.*

2.2.1 Company and Purchaser shall take all requisite action so that, as of the Effective Time, each right of any kind, contingent or accrued, to receive Company Common Stock or benefits measured in whole or in part by the value of a number of shares of Company Common Stock under the Company Stock Plans (each, an **Award**), whether vested or unvested, that is outstanding immediately prior to the Effective Time shall cease to represent an Award with respect to Company Common Stock, and shall be converted by virtue of the Merger and without any action on the part of the holder of that Award, into an award (as converted, a **Converted Stock-Based Award**) with respect to a number of shares of Purchaser Common Stock equal to the product of (a) the aggregate number of shares of Company Common Stock subject to such Award, multiplied by (b) the sum of (i) the Exchange Ratio and (ii) \$2.66 divided by the Average Purchaser Closing Price (the **Converted Stock-Based Award Ratio**). As of the Effective Time, Purchaser will assume each of the Company Stock Plans.

2.2.2 All Converted Stock-Based Awards shall continue to have, and be subject to, the same terms and conditions set forth in the applicable Company Stock Plan (or any other agreement to which such Converted Stock-Based Award was subject immediately prior to the Effective Time), except as otherwise provided in this Plan of Merger. The exercise or strike price (if any) per share of Purchaser Common Stock applicable to any Converted Stock-Based Award shall be equal to (a) the per share exercise price of such Award immediately prior to the Effective Time divided by (b) the Converted Stock-Based Award Ratio. Prior to the Effective Time, Company shall make such amendments and take such other actions with respect to the Company Stock Plans as shall be necessary to effect the adjustment referred to in this *Section 2.2*, including notifying all participants in the Company Stock Plans of such adjustment.

2.2.3 Purchaser shall take all corporate action necessary to reserve for issuance a sufficient number of shares of Purchaser Common Stock for delivery upon exercise or settlement of the Converted Stock-Based Awards in accordance with this *Section 2.2*. As soon as reasonably practicable after the Effective Time, if and to the extent necessary to cause a sufficient number of shares of Purchaser Common Stock to be registered and issuable under

Converted Stock-Based Awards, Purchaser shall file a post-effective amendment to the Registration Statement or one or more registration statements on Form S-8 (or any successor or other appropriate form) with respect to the shares of Purchaser Common Stock subject to Converted Stock-Based Awards and shall

A-3

Table of Contents

use its commercially reasonable efforts to maintain the effectiveness of such registration statement or registration statements (and maintain the current status of the prospectus or prospectuses contained therein) for so long as such Converted Stock-Based Awards remain outstanding.

2.2.4 As of the Effective Time, each phantom share credited to a participant's account under the Company Deferred Compensation Plans that is outstanding as of immediately prior to the Effective Time, shall automatically be converted into the right to receive a number of shares of Purchaser Common Stock equal to the Converted Stock-Based Award Ratio, but shall otherwise remain outstanding following the Effective Time and be distributed pursuant to the terms of the Company Deferred Compensation Plan. Prior to the Effective Time, Company or its Board of Directors or applicable committee thereof shall make such amendments and take such other actions with respect to the Company Deferred Compensation Plans as shall be necessary to effect the treatment referred to in this *Section 2.2.4*.

2.3 *Exchange Procedure*. As soon as reasonably practicable after the Effective Time, Purchaser shall mail to each holder of record of shares of Company Common Stock (other than the Excluded Shares), as of the Effective Time, a form of letter of transmittal (which shall be in customary form and reasonably acceptable to Company and shall specify that delivery will be effected, and risk of loss and title to Certificates or Book-Entry Shares will pass, only upon proper delivery of such Certificates or Book-Entry Shares to Purchaser upon adherence to the procedures set forth in the letter of transmittal) and instructions for use in effecting the surrender of Certificates or Book-Entry Shares in exchange for the Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4*.

Upon surrender of a Certificate or of Book-Entry Shares for cancellation to Purchaser, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may reasonably be required by Purchaser and reasonably acceptable to Company, each holder of a Certificate or of Book-Entry Shares shall be entitled to receive in exchange therefor (a) book-entry shares representing the number of shares of Purchaser Common Stock and cash in the amount of the Cash Consideration to which such holder is entitled pursuant to *Section 2.1.2* and (b) any dividends or distributions payable pursuant to *Section 2.4*, and such Certificates and Book-Entry Shares so surrendered shall forthwith be canceled. Purchaser shall mail, or cause to be mailed, a statement of ownership relating to the shares of Purchaser Common Stock and a check for payment of the Cash Consideration within seven days after such a surrender of a Certificate or of Book-Entry Shares.

In the event of a transfer of ownership of Company Common Stock that is not registered in the transfer records of Company, payment of the Merger Consideration may be made to a Person other than the Person in whose name the Certificates or Book-Entry Shares so surrendered are registered if properly endorsed or otherwise in proper form for transfer and the Person requesting such payment shall pay any transfer or other Taxes required by reason of the transfer or establish, to the reasonable satisfaction of Purchaser, that such Taxes have been paid or are not applicable. Until surrendered as contemplated by this *Section 2.3*, each Certificate and Book-Entry Share shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4*.

2.4 *Distributions with Respect to Unexchanged Shares*. No dividends or other distributions with respect to Purchaser Common Stock with a record date on or after the Effective Time shall be paid to the holder of any unsurrendered Certificate or Book-Entry Share with respect to the shares of Purchaser Common Stock that the holder of such unsurrendered Certificate or Book-Entry Share has the right to receive upon the surrender of such unsurrendered Certificate or Book-Entry Share until the holder of such Certificate or Book-Entry Share shall have surrendered such Certificate or Book-Entry Share in accordance with this *Article II*. Subject to escheat or other applicable Law, following the surrender of any Certificate or Book-Entry Share, there shall be paid to the record holder of shares of

Purchaser Common Stock issued in exchange therefor, without interest, with respect to such shares of Purchaser Common Stock (a) at the time of such surrender, the amount of dividends or other

A-4

Table of Contents

distributions with a record date and a payment date on or after the Effective Time and on or prior to the date of such surrender and (b) at the appropriate payment date, the amount of dividends or other distributions with a record date on or after the Effective Time but prior to such surrender and a payment date subsequent to such surrender payable with respect to such shares of Purchaser Common Stock.

2.5 No Further Ownership Rights in Company Common Stock. The Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4* upon the surrender of Certificates or Book-Entry Shares in accordance with the terms of this *Article II* shall be deemed to have been in full satisfaction of all rights pertaining to the Company Common Stock formerly represented by such Certificates or Book-Entry Shares. At the close of business on the Closing Date, the share transfer books of Company shall be closed, and there shall be no further registration of transfers on the share transfer books of Company of shares of Company Common Stock that were outstanding immediately prior to the Effective Time. From and after the Effective Time, the holders of Certificates or Book-Entry Shares shall cease to have any rights with respect to shares of Company Common Stock, except as otherwise provided in this Plan of Merger or by applicable Law.

2.6 No Liability. To the fullest extent permitted by applicable Law, none of Company, Purchaser, or the Surviving Corporation will be liable to any Company Shareholder or any other Person in respect of any cash properly delivered to a Governmental Entity pursuant to any applicable abandoned property, escheat or similar Laws.

2.7 Lost, Stolen or Destroyed Certificates. In the event that any Certificate has been lost, stolen or destroyed, Purchaser will, upon the receipt of an affidavit of that fact by the holder of such Certificate in form and substance reasonably satisfactory to Purchaser, pay in exchange for such lost, stolen or destroyed Certificate, the Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4* payable in respect of the shares of Company Common Stock previously evidenced by such lost, stolen or destroyed Certificate. Purchaser, in its discretion and as a condition precedent to the payment of the Merger Consideration and any dividends or other distributions payable pursuant to *Section 2.4*, may require the owner of such lost, stolen or destroyed Certificate to deliver a bond in such amount as Purchaser may reasonably direct (which amount shall be consistent with Purchaser's customary procedure for Purchaser's existing shareholders) as indemnity against any claim that may be made against Purchaser with respect to such Certificate.

2.8 Withholding Rights. Purchaser shall be entitled to deduct and withhold, or cause to be deducted or withheld, from the consideration otherwise payable pursuant to this Plan of Merger such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code, or any provision of state, local or foreign tax law. To the extent that amounts are so withheld or paid over to or deposited with the relevant Governmental Entity by Purchaser, such withheld amounts shall be treated for all purposes of this Plan of Merger as having been paid to the Person in respect of which such deduction and withholding was made by Purchaser.

2.9 Adjustments. 2.10.3 If the Upset Condition occurs and Purchaser receives an Increase Notice, Purchaser shall either accept or decline the Adjusted Exchange Ratio by delivering written notice of its decision to Company at or before 5:00 p.m., Eastern Time on the second Business Day after receipt of the Increase Notice (the **Acceptance Period**). If Purchaser accepts the Adjusted Exchange Ratio within the Acceptance Period, this Plan of Merger shall remain in effect in accordance with its terms except the Exchange Ratio shall be equal to the Adjusted Exchange Ratio. If Purchaser declines the Adjusted Exchange Ratio or fails to deliver written notice of its decision to accept or decline the Adjusted Exchange Ratio within the Acceptance Period, the Merger shall be abandoned and this Plan of Merger shall thereupon terminate without further action by Company or Purchaser effective as of 5:00 p.m., Eastern Time on the Business Day following the expiration of the Acceptance Period; *provided* that if Purchaser so declines the Adjusted Exchange Ratio or fails to deliver written notice of its decision to accept or decline the Adjusted Exchange Ratio within the Acceptance Period, Company may, by written notice delivered to Purchaser at or before 5:00 pm, Eastern Time on the Business Day following the expiration of the Acceptance Period, elect to proceed with the Merger on the basis of the Exchange Ratio set forth in *Section 2.1.2*, subject to applicable adjustment as provided in *Section 2.9* and *2.11*, and, upon such election, no abandonment of the Merger or termination of the Plan of Merger shall be deemed to have occurred, this Plan of Merger shall remain in effect in accordance with its terms, and the Closing shall thereafter occur, in accordance with the terms of this Plan of Merger.

5.3.6 Provided that Company and the Company Board of Directors comply with their applicable obligations under *Section 5.3.5*, nothing in this *Section 5.3* shall prohibit the Company Board of Directors from (a) taking and disclosing to the Company Shareholders a position contemplated by Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act, (b) making any stop-look-and-listen communications to Company Shareholders pursuant to Section 14d-9(f) promulgated under the Exchange Act (or any similar communications to the Company Shareholders), or (c) making any disclosure to the Company Shareholders if the Company Board of Directors determines in good faith, after consultation with its outside legal counsel, that failure to take such action would more likely than not result in a breach of the Company Board of Directors' fiduciary duties; *provided, however*, that the taking of any action pursuant to any of the preceding clauses (a), (b) or (c) shall in no way limit or modify the effect of this Plan of Merger with respect to any such action taken.

5.3.8 As used in this Plan of Merger, **Company Superior Proposal** shall mean any bona fide written Company Takeover Proposal that the Company Board of Directors has determined in its good faith judgment, after consultation with its independent financial advisors and outside legal counsel, is reasonably likely to be consummated in accordance with its terms and that is reasonably likely to result in the consummation of a transaction more favorable to the Company Shareholders from a financial point of view than the Merger, taking into account (a) all legal, regulatory and financial aspects of the proposal (including availability of financing and certainty of closing) and the Person making the proposal; and (b) any changes to the terms of this Plan of Merger proposed by Purchaser in response to such proposal or otherwise. For purposes of the definition of **Company Superior Proposal**, the references to 20% in the definition of **Company Takeover Proposal** shall be deemed to be references to 50%.

[LETTERHEAD OF SANDLER O NEILL & PARTNERS, L.P.]

January 6, 2014

Board of Directors

United Bancorp, Inc.

2723 South State Street

Ann Arbor, MI 48104

Ladies and Gentlemen:

United Bancorp, Inc. (United) and Old National Bancorp (ONB) intend to enter into an agreement and plan of merger (the Agreement) pursuant to which United will merge with and into ONB (the Merger). Pursuant to the terms of the Agreement, upon the effective date of the Merger, each share of United common stock issued and outstanding immediately before the Effective Time, except those shares described in the Agreement, will be converted into the right to receive (i) \$2.66 in cash (the Cash Consideration) and (ii) 0.7 of a share of ONB common stock (the Exchange Ratio and together with the Cash Consideration, the Merger Consideration). The exchange ratio is also subject to adjustment under certain circumstances as provided in the merger agreement. The other terms and conditions of the Merger are more fully set forth in the Agreement, and capitalized terms used herein without definition shall have the meanings assigned to them in the Agreement. You have requested our opinion as to the fairness, from a financial point of view, of the Merger Consideration to the holders of United common stock.

Sandler O Neill & Partners, L.P., as part of its investment banking business, is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. In connection with this opinion, we have reviewed, among other things: (i) a draft of the Agreement as circulated on January 4, 2014; (ii) certain financial statements and other historical financial information of United that we deemed relevant; (iii) certain financial statements and other historical financial information of ONB that we deemed relevant; (iv) internal financial projections for United for the years ending December 31, 2013 through December 31, 2016 as provided by and discussed with senior management of United; (v) median publicly available analyst earnings estimates for ONB for the years ending December 31, 2014 through December 31, 2016 and a median estimated long-term growth rate for the years thereafter and in each case as discussed with senior management of ONB; (vi) the pro forma financial impact of the Merger on ONB based on assumptions relating to transaction expenses, purchase accounting adjustments, cost savings and other synergies as determined by the senior management of ONB; (vii) a comparison of certain financial and other information for United and ONB, including relevant stock trading information, with similar publicly available information for certain other commercial banks, the securities of which are publicly traded; (viii) the terms and structures of other recent mergers and acquisition transactions in the commercial banking sector; (ix) the current market environment generally and in the commercial banking sector in particular; and (x) such other information, financial studies, analyses and investigations and financial, economic and market criteria as we considered relevant. We also discussed with certain members of senior management of United the business, financial condition, results of operations and prospects of United and held similar discussions with the senior management of ONB regarding the business, financial condition, results of operations and prospects of ONB.

In performing our review, we have relied upon the accuracy and completeness of all of the financial and other information that was available to us from public sources, that was provided to us by United and ONB or that was otherwise reviewed by us and have assumed such accuracy and completeness for purposes of preparing this letter. We have further relied on the assurances of the management of United and ONB that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading in any material respect. We did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of United or ONB or any of their respective

Table of Contents

subsidiaries. We did not make an independent evaluation of the adequacy of the allowance for loan losses of United, ONB or the combined entity after the Merger and we have not reviewed any individual credit files relating to United or ONB. We have assumed, with your consent, that the respective allowances for loan losses for both United and ONB are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity.

In preparing its analyses, Sandler O'Neill used internal financial projections for United as provided by senior management of United as discussed with the senior management of United. For ONB, Sandler O'Neill used median publicly available analyst earnings estimates and a long-term growth rate as discussed with the senior management of ONB. Sandler O'Neill also received and used in its analyses certain projections of transaction costs, purchase accounting adjustments, expected cost savings and other synergies which were prepared by and/or reviewed with the senior management of ONB. With respect to those projections, estimates and judgments, the respective managements of United and ONB confirmed to us that those projections, estimates and judgments reflected the best currently available estimates and judgments of those respective managements of the future financial performance of United and ONB, respectively, and we assumed that such performance would be achieved. We express no opinion as to such estimates or the assumptions on which they are based. We have assumed that there has been no material change in the respective assets, financial condition, results of operations, business or prospects of United and ONB since the date of the most recent financial data made available to us. We have also assumed in all respects material to our analysis that United and ONB would remain as a going concern for all periods relevant to our analyses. We express no opinion as to any of the legal, accounting and tax matters relating to the Merger and any other transactions contemplated in connection therewith. We assumed the draft of the Agreement we reviewed will be similar in all material respects to the draft we reviewed on January 6, 2014.

Our analyses and opinion are necessarily based on financial, economic, regulatory, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof could materially affect our views. We have not undertaken to update, revise, reaffirm or withdraw this letter or otherwise comment upon events occurring after the date hereof. We are expressing no opinion herein as to the prices at which the common stock of United and ONB may trade at any time.

We have acted as United's financial advisor in connection with the Merger and a significant portion of our fees are contingent upon the closing of the Merger. We also will receive a fee from United for providing this opinion. United has also agreed to indemnify us against certain liabilities arising out of our engagement. In the ordinary course of our business as a broker-dealer, we may purchase securities from and sell securities to United and ONB and their affiliates. We may also actively trade the debt securities of United and ONB or their affiliates for our own account and for the accounts of our customers. We render no opinion as to the value of ONB's common stock when such stock is actually received by shareholders of United.

This letter is directed to the Board of Directors of United in connection with its consideration of the Merger and does not constitute a recommendation to any shareholder of United as to how such shareholder should vote at any meeting of shareholders called to consider and vote upon the Merger. Our opinion is directed only to the fairness, from a financial point of view, of the Merger Consideration to holders of United common stock and does not address the underlying business decision of United to engage in the Merger, the relative merits of the Merger as compared to any other alternative business strategies that might exist for United or the effect of any other transaction in which United might engage. This opinion shall not be reproduced or used for any other purposes without Sandler O'Neill's prior written consent, provided, however, Sandler O'Neill has provided its consent for the opinion, and any descriptions of this opinion, to be included in any required regulatory filing or mailings to shareholders, to be completed in connection with the Merger. This Opinion has been approved by Sandler O'Neill's fairness opinion committee. We do not express any opinion as to the fairness of the amount or nature of the compensation to be received in the Merger by United's officers, directors, or employees, or class of such persons, relative to the compensation to be received in the

Merger by any other shareholders of United.

Table of Contents

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration is fair to the holders of United common stock from a financial point of view.

Very truly yours,

/s/ Sandler O'Neill & Partners, L.P.

Table of Contents**PART II****INFORMATION NOT REQUIRED IN PROSPECTUS****Item 20. Indemnification of Directors and Officers.**

Old National Bancorp (Old National) is an Indiana corporation. Old National s officers and directors are and will be indemnified under Indiana law, the Third Amended and Restated Articles of Incorporation and the Amended and Restated By-laws of Old National against certain liabilities. Chapter 37 of the Indiana Business Corporation Law (the IBCL) requires a corporation, unless limited by its articles of incorporation, to indemnify a director or an officer of the corporation who is wholly successful, on the merits or otherwise, in the defense of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, against reasonable expenses, including counsel fees, incurred in connection with the proceeding. Old National s Third Amended and Restated Articles of Incorporation do not contain any provision limiting such indemnification.

The IBCL also permits a corporation to indemnify a director, officer, employee, or agent who is made a party to a proceeding because the person was a director, officer, employee, or agent of the corporation against liability incurred in the proceeding if (i) the individual s conduct was in good faith, and (ii) the individual reasonably believed (A) in the case of conduct in the individual s official capacity with the corporation, that the conduct was in the corporation s best interests, and (B) in all other cases, that the individual s conduct was at least not opposed to the corporation s best interests, and (iii) in the case of a criminal proceeding, the individual either (A) had reasonable cause to believe the individual s conduct was lawful, or (B) had no reasonable cause to believe the individual s conduct was unlawful. The IBCL also permits a corporation to pay for or reimburse reasonable expenses incurred before the final disposition of the proceeding and permits a court of competent jurisdiction to order a corporation to indemnify a director or officer if the court determines that the person is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the person met the standards for indemnification otherwise provided in the IBCL.

Old National s Third Amended and Restated Articles of Incorporation require it to provide indemnification to its officers and directors to the fullest extent authorized by the IBCL and to pay for or reimburse reasonable expenses incurred before the final disposition of the proceeding as authorized by the IBCL. Old National s Third Amended and Restated Articles of Incorporation also authorize it to maintain insurance at its expense to protect itself and any of its directors, officers, employees or agents or those of another corporation, partnership, joint venture, trust, or other entity against expense, liability or loss, whether or not Old National would have the power to indemnify such person against such expense, liability or loss under the IBCL. Old National currently maintains officer and director liability insurance.

Old National s By-laws contain indemnification provisions to substantially the same effect as in the Third Amended Restated Articles of Incorporation.

Item 22. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) The undersigned registrant hereby undertakes as follows: That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.

(2) The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph (h)(1) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for the purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(e) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.
