Item 1.01. Entry into a Material Definitive Agreement.

On November 24, 2014, Platinum Underwriters Holdings, Ltd. (Platinum) announced that, on November 23, 2014, it had entered into an Agreement and Plan of Merger (the Merger Agreement) with RenaissanceRe Holdings Ltd., a Bermuda exempted company (RenaissanceRe), and Port Holdings Ltd., a Bermuda exempted company and wholly-owned subsidiary of RenaissanceRe (Acquisition Sub). The Merger Agreement provides that, upon the terms and subject to the conditions set forth therein, Acquisition Sub will be merged with and into Platinum (the Merger), with Platinum continuing as the surviving company (the Surviving Company) and as a wholly owned subsidiary of RenaissanceRe.

On November 24, 2014, Platinum issued a press release regarding its entry into the Merger Agreement. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

Pursuant to the terms of the Merger Agreement, as a result of the Merger, each common share of Platinum, par value \$0.01 per share (the Company Common Shares), issued and outstanding immediately prior to the effective time of the Merger (other than Company Common Shares owned by Platinum, RenaissanceRe or any of their respective subsidiaries and Company Common Shares held by holders who do not vote in favor of the Merger and comply with all of the provisions of the Companies Act 1981 of Bermuda concerning the rights of holders of Company Common Shares to require appraisal of their Company Common Shares pursuant to Bermuda law) will be cancelled and converted, at the election of the holder thereof in accordance with the procedures set forth in the Merger Agreement, into the right to receive (i) an amount of cash equal to \$66.00 (the Cash Election Consideration), (ii) 0.6504 common shares of RenaissanceRe, par value \$1.00 per share (the Parent Common Shares) (the Share Election Consideration) or (iii) 0.2960 Parent Common Shares (the Standard Exchange Ratio) and an amount of cash equal to \$35.96 (the Standard Cash Amount) (the Standard Election Consideration). The Cash Election Consideration is subject to proration if the un-prorated aggregate share consideration is less than 7,500,000 Parent Common Shares, and the Share Election Consideration is subject to proration if the un-prorated aggregate share consideration is greater than 7,500,000 Parent Common Shares. In addition, the Merger Agreement provides that, subject to applicable laws, following the date of approval and adoption of the Merger Agreement by the Platinum shareholders and prior to the effective time of the Merger, Platinum declare and pay a special dividend of \$10.00 per Company Common Share (the Special Dividend) to the holders of record of outstanding Company Common Shares as of a record date for the Special Dividend to be set by the board of directors of Platinum. Platinum will cause the Special Dividend to be paid prior to the effective time of the Merger.

Immediately prior to the earlier of the record date for the election form and the record date for the Special Dividend (the Option Exercise Date), each outstanding option to purchase Company Common Shares (the Company Share Options), whether vested or unvested, will be deemed exercised (on a net exercise basis) as of the Option Exercise Date, and the holders of such Company Share Options will be entitled, at their election, to receive the Cash Election Consideration (subject to proration), the Share Election Consideration (subject to proration) or the Standard Election Consideration, and to receive the Special Dividend, in each case, with respect to the net number of Company Common Shares deliverable to such holders upon such exercise. Any Company Share Options outstanding as of the effective time of the Merger will be automatically terminated and forfeited for no consideration.

At the effective time of the Merger, each then outstanding restricted Company Common Share (a Company Restricted Share Award) will become fully vested and non-forfeitable and will be converted into the right to receive, at the election of the holder thereof, the Cash Election Consideration (subject to proration), the Share Election Consideration (subject to proration) or the Standard Election Consideration. Each holder of a Company Restricted Share Award will be entitled to receive the Special Dividend with respect to the number of Company Common Shares underlying each such Company Restricted Share Award.

At the effective time of the Merger, each vested or unvested outstanding time-based restricted share unit (a Company Time-Based RSU) will be canceled and converted into the right to receive, at the election of the holder thereof, the

Cash Election Consideration (subject to proration), the Share Election Consideration (subject to proration) or the Standard Election Consideration with respect to the number of Company Common Shares underlying such Company Time-Based RSU. Each holder of a Company

Time-Based RSU will be credited with a dividend equivalent payment equal to the amount of the Special Dividend multiplied by the number of Company Common Shares underlying such Company Time-Based RSU, which dividend equivalent payment shall be paid on the day prior to the closing date.

At the effective time of the Merger, each outstanding vested or unvested market-based restricted share unit (a Company MSU) will be canceled and converted into the right to receive, at the election of the holder thereof, the Cash Election Consideration (subject to proration), the Share Election Consideration (subject to proration) or the Standard Election Consideration with respect to the MSU Achieved Shares , which will be the number of share units subject to such Company MSU immediately prior to the effective time of the Merger multiplied by the quotient of (A) the average of the closing prices of the Company Common Shares on the New York Stock Exchange for the twenty trading days ending on the date immediately preceding the effective time of the Merger, as adjusted by Platinum s compensation committee in accordance with the terms of Platinum s 2010 Share Incentive Plan and any applicable award agreements to reflect the Special Dividend, divided by (B) the average of the closing prices of the Company Common Shares on the New York Stock Exchange for the twenty trading days ending on the last day of the fiscal quarter immediately preceding the date of grant of the Company MSUs, subject to any maximum or minimum limitations set forth in the individual award agreement. Each holder of a Company MSU will be credited with a dividend equivalent payment equal to the amount of the Special Dividend multiplied by the number of MSU Achieved Shares underlying such Company MSU, which dividend equivalent payment will be paid on the day prior to the closing date.

At the effective time of the Merger, each outstanding vested or unvested share unit award granted under Platinum s Amended and Restated Executive Incentive Plan (a Company EIP Award) will be canceled and converted into the right to receive an amount in cash equal to (A) the applicable number of EIP Achieved Shares (as defined below) multiplied by (B) the sum of (x) the Standard Cash Amount plus (y) the product of the Standard Exchange Ratio multiplied by the closing price of Parent Common Shares on the New York Stock Exchange as of the business day immediately prior to the closing date, which amount shall be adjusted as determined by Platinum s compensation committee in accordance with the terms of Platinum s Amended and Restated Executive Incentive Plan (the EIP) and any applicable award agreements, to take account of the Special Dividend. The EIP Achieved Shares will be the amount, subject to any maximum or minimum limitations set forth in applicable award agreements or the EIP, equal to the product of the total number of share units subject to such Company EIP Award immediately prior to the effective time of the Merger (1) multiplied by a fraction, the numerator of which is the number of days during the applicable performance period prior to the closing date and the denominator of which is the total number of days during the performance period, multiplied by (2) a performance factor determined as set forth in the applicable award agreement and the EIP.

Each of the boards of directors of Platinum and RenaissanceRe has unanimously determined that the Merger is advisable and fair to, and in the best interests of, Platinum, RenaissanceRe and Acquisition Sub, as the case may be, and approved the Merger Agreement and the statutory merger agreement attached to the Merger Agreement (the Statutory Merger Agreement) and the transactions contemplated thereby, including the Merger. Under the Merger Agreement, Platinum s board of directors authorized and approved an amendment to Platinum s bye-laws which would reduce the shareholder vote required to approve a merger with any other company from the affirmative vote of three-fourths of the votes cast at a general meeting of the shareholders to a simple majority (the Bye-Law Amendment), and recommended that Platinum s shareholders approve the Bye-Law Amendment at a special meeting of Platinum s shareholders to be called and held pursuant to the Merger Agreement to vote upon the approval and adoption of the Bye-Law Amendment, the Merger Agreement, the Statutory Merger Agreement and the Merger (the Company Shareholder Meeting). If the Bye-Law Amendment is approved by Platinum s shareholders by the affirmative vote of a majority of the votes cast at the Company Shareholder Meeting, then Platinum must obtain approval of at least a majority of the votes cast at the Company Shareholder Meeting to approve and adopt the Merger Agreement, the Statutory Merger Agreement and the Merger; if the Bye-Law Amendment is not approved by Platinum s shareholders, then Platinum must obtain approval of at least three-fourths of the votes cast at the Company

Shareholder Meeting to approve and adopt the Merger Agreement, the Statutory Merger Agreement and the Merger.

Each of the parties has made customary representations and warranties in the Merger Agreement and each of the parties has agreed to certain covenants and agreements, including to conduct its respective operations only in the ordinary course of business during the period between the execution of the Merger Agreement and the closing of the Merger. In addition, Platinum has agreed not to solicit alternate transactions, subject to a customary fiduciary out provision which allows Platinum under certain circumstances to provide information to and participate in discussions with third parties with respect to unsolicited alternative acquisition proposals that Platinum's board of directors has determined in good faith, after consultation with its financial advisor and outside legal counsel, constitutes or is reasonably likely to result in a superior proposal and that the failure to do so would violate its fiduciary duties under applicable laws.

The consummation of the Merger is conditioned, among other things, on: (i) the approval and adoption by the shareholders of Platinum of the Merger Agreement and the Statutory Merger Agreement, (ii) receipt of governmental approvals, including antitrust and insurance regulatory approvals, (iii) the absence of any law, order or injunction prohibiting the consummation of the Merger, (iv) effectiveness of the registration statement for the Parent Common Shares to be issued in the Merger, (v) approval, subject to official notice of issuance, of the Parent Common Shares to be issued in the Merger for listing on the New York Stock Exchange, (vi) the accuracy of each party's representations and warranties (subject to customary materiality qualifiers), (vii) each party's compliance with its covenants and agreements contained in the Merger Agreement and (viii) the absence of a Company Material Adverse Effect and a Parent Material Adverse Effect (in each case as defined in the Merger Agreement). In addition, RenaissanceRe's obligation to consummate the Merger is conditioned on the receipt of certain required regulatory approvals without the imposition of a Burdensome Condition (as defined in the Merger Agreement).

Consummation of the transactions contemplated by the Merger Agreement is not subject to any financing condition.

The Merger Agreement provides certain termination rights for both Platinum and RenaissanceRe, and further provides that upon termination of the Merger Agreement Platinum will, under certain circumstances, be required to pay RenaissanceRe a termination fee of \$60.0 million.

The Merger is expected to close in the first half of 2015, subject to the closing conditions described above and contained in the Merger Agreement.

The foregoing description of the transaction is not complete and is subject to, and qualified in its entirety by, the complete text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.
