**Item 1.01 Entry into a Material Definitive Agreement**

On April 24, 2015, Apollo Investment Corporation (the Company) amended and restated its senior secured, multi-currency, revolving credit facility (the Amended & Restated Facility). The Amended & Restated Facility increases the lenders' commitments to \$1,310,000,000 and extends the commitments through April 2019, and allows the Company to seek additional commitments from new and existing lenders in the future, up to an aggregate facility size not to exceed \$1,965,000,000. The final maturity date of the Amended & Restated Facility is April 24, 2020. Pricing for eurocurrency borrowings will be 175 or 200 basis points over Adjusted LIBO Rate, and pricing for Alternate Base Rate borrowings will be 75 or 100 basis points over an Alternate Base Rate, in each case determined based on the total amount of the Borrowing Base relative to the total commitments available under the Amended & Restated Facility plus the aggregate amount of certain other indebtedness minus the amount of fully cash collateralized letters of credit pursuant to the Amended & Restated Facility. Terms used in the foregoing sentence have the meanings set forth in the Amended & Restated Facility.

The description above is only a summary of the material provisions of the Amended & Restated Facility and does not purport to be complete and is qualified in its entirety by reference to the provisions in such Amended & Restated Facility, which is attached hereto as Exhibit 10.1.
