Item 1.01 Entry into a Material Definitive Agreement.

On October 14, 2016, Qualys, Inc. (the **Company**) and Hudson Metro Center, LLC (the **Landlord**) entered into a lease agreement (the **Lease**) with respect to approximately 75,275 rentable square feet of space located at 919 East Hillsdale Boulevard, Foster City, California (the **Premises**).

The term of the Lease (the **Term**) is one hundred twenty (120) full calendar months commencing on May 1, 2018. The Lease provides that the Company will be provided access to the Premises for the purpose of constructing its leasehold improvements and preparing the Premises for occupancy during the period beginning on February 1, 2017 and extending through November 30, 2017 (the **Construction Period**). The Lease provides that the Company will be permitted to conduct business in the Premises prior to the commencement of the Term during the period beginning on December 1, 2017 and extending through April 30, 2018 (the **Early Access Period**). The Company has an option to extend the Term of the Lease for an additional five year period at a fair market rental rate, subject to specified terms and conditions in the Lease, including time periods when the option must be exercised and procedures to determine the fair market rental rate. The Lease provides the Company with a right of first offer with respect to two additional suites in the building.

Under the Lease, the Company will pay rent on a monthly basis and the monthly base rent amounts will range from \$274,753.75 to \$358,491.33 during the Term. The Lease requires the Company to reimburse the Landlord for certain other amounts, including its proportionate share of certain operating expenses, real estate taxes and insurance costs for each calendar year during the Term. The Lease provides that no rent will be due with respect to the Premises during the Construction Period, unless the Company conducts business in the Premises, in which event only base rent will be abated. The Lease provides that no rent will be due during the Early Access Period. The Company has provided the Landlord with a \$1,200,000 letter of credit to secure the Company's obligations under the Lease. The Lease requires the Landlord to fund an allowance to reimburse the Company for the cost of the design and construction of its leasehold improvements in an amount not to exceed \$7,903,875.

The foregoing summary of the Lease does not purport to be complete and is qualified in its entirety by reference to the full text of the Lease, a copy of which is filed as Exhibit 10.1 hereto and incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
