Table of Contents**AMENDMENT****General**

On January 27, 2017, NEP announced its intention to structurally modify the IDR Fee payable to the Manager by amending the MSA. The Amendment was approved by NEP's general partner on January 26, 2016, and by an affiliate of NEP's general partner on January 30, 2017, pursuant to NEP's partnership agreement. The Amendment is expected to become effective 20 calendar days after the date this information statement is first sent or given to NEP unitholders.

Under the current IDR Fee structure, Adjusted Available Cash (as defined below) is allocated in the following manner:

	Total Quarterly Distribution per NEP OpCo Common Unit Target Amount	Marginal Percentage Interest in Adjusted Available Cash	
		NEP OpCo Unitholders	The Manager
Minimum Quarterly Distribution	\$0.1875	100%	0%
First Target Distribution	Above \$0.1875 up to \$0.215625	100%	0%
Second Target Distribution	Above \$0.215625 up to \$0.234375	85%	15%
Third Target Distribution	Above \$0.234375 up to \$0.281250	75%	25%
Thereafter	Above \$0.281250	50%	50%

The Amendment will change the IDR Fee structure so Adjusted Available Cash will be allocated 75% to holders of common units representing limited partnership interests in NEP OpCo (NEP OpCo common units and such holders, NEP OpCo unitholders) and 25% to the Manager for amounts over the current quarterly rate of \$0.3525 per NEP OpCo common unit (or an annualized rate of \$1.41). The IDR Fee structure under the Amendment for total quarterly distributions per NEP OpCo common unit target amount equal to or below \$0.3525 will be paid on the basis of the tier structure under the current MSA with the modifications described below under Amended IDR Fee Calculation to ensure that NEP OpCo unitholders are treated the same as under the current MSA in that event.

The reason for the Amendment is to reduce the growth rate of the IDR Fee payable to the Manager going forward compared to the growth rate of the IDR Fee currently provided in the MSA. NEP expects the Amendment to potentially increase the cash available for distribution to NEP unitholders when compared to the IDR Fee structure under the MSA. Further, as a result of the potential increase in available cash to NEP unitholders relative to the current IDR Fee structure, NEP expects future acquisitions to be more accretive to NEP unitholders. As a result, NEP expects to require fewer asset acquisitions to meet or exceed its distribution growth expectations, which NEP expects to extend its runway of distribution growth to its unitholders and require NEP to issue fewer common units than under the existing IDR Fee structure.

Amended Definition of Adjusted Available Cash

Under the Original Agreement, Adjusted Available Cash means in respect of any quarter, any remaining Available Cash (as defined in the NEP OpCo limited partnership agreement) that would be deemed to be Operating Surplus (as defined in the NEP OpCo limited partnership agreement) under Section 6.3 or Section 6.5 of the NEP OpCo limited partnership agreement before giving effect to the payment of the IDR Fee, after subtracting (a) any Aggregate Shortfall (as defined in the NEP OpCo limited partnership agreement) and (b) the aggregate amount that would be

required to be distributed to NEP OpCo unitholders to equal the product of the total NEP OpCo common units outstanding on the applicable record date for such quarter multiplied by the first target quarterly distribution (as defined below).

In order to implement the amendments described below under *Amended IDR Fee Calculation*, the definition of *Adjusted Available Cash* will be revised (referred to herein, as revised, as *Amended Adjusted Available Cash*) pursuant to the Amendment to mean, in respect of any quarter:

if NEP OpCo has *Adjusted Available Cash* equal to or greater than the base incentive amount (as defined below), any remaining *Available Cash* that would be deemed to be *Operating Surplus* under

Table of Contents

Section 6.3 or Section 6.5 of the NEP OpCo limited partnership agreement before giving effect to the payment of the IDR Fee, after subtracting any Aggregate Shortfall, or

if NEP OpCo has Adjusted Available Cash less than the base incentive amount, any remaining Available Cash that would be deemed to be Operating Surplus under Section 6.3 or Section 6.5 of the NEP OpCo limited partnership agreement before giving effect to the payment of the IDR Fee, after subtracting (a) any Aggregate Shortfall and (b) the aggregate amount that would be required to be distributed to NEP OpCo unitholders to equal the product of the base unit amount (as defined below) on the applicable record date for such quarter multiplied by the first target quarterly distribution.

Amended IDR Fee Calculation

Under the Original Agreement, the Manager is entitled to the IDR Fee, which is calculated based on the hypothetical amount of Adjusted Available Cash from Operating Surplus that NEP OpCo would be able to distribute to holders of NEP OpCo common units after the minimum quarterly and the target quarterly distribution levels described below have been achieved. The right to receive the IDR Fee is currently held by the Manager, but may be assigned. Although cash used to pay the IDR Fee will be an operating expenditure, the description below assumes that any IDR Fee will not reduce NEP OpCo's Operating Surplus and will be paid with Adjusted Available Cash from Operating Surplus. NEP uses this assumption in the description below for illustrative purposes to demonstrate that the calculation of IDR Fee payments for each quarter will be based on hypothetical amounts that would be available for distribution to holders of NEP OpCo common units if the IDR Fee was not an operating expense and the Manager held a class of equity interests in NEP OpCo entitled to such distributions based on the achievement of the target quarterly distribution levels. Once the amount of IDR Fee payments is determined, the amount will be classified as an operating expense and Operating Surplus will be reduced by a like amount before available cash is distributed by NEP OpCo to holders of NEP OpCo common units on a pro rata basis.

Under the Original Agreement, if for any quarter NEP OpCo has distributed Adjusted Available Cash from Operating Surplus to NEP OpCo unitholders in an amount equal to the minimum quarterly distribution (\$0.1875 per NEP OpCo common unit), then NEP OpCo calculates the IDR Fee using the hypothetical allocations of Adjusted Available Cash described below:

first, to distribute 100% to all NEP OpCo unitholders, pro rata, until each NEP OpCo unitholder receives \$0.215625 per NEP OpCo common unit (or a total of 115% of the minimum quarterly distribution) for that quarter (the first target quarterly distribution);

second, to distribute 85% to all NEP OpCo unitholders, pro rata, and to make a payment of 15% to the Manager in respect of the IDR Fee, until each NEP OpCo unitholder receives \$0.234375 per NEP OpCo common unit (or a total of 125% (including the first target quarterly distribution) of the minimum quarterly distribution) for that quarter (the second target quarterly distribution);

third, to distribute 75% to all NEP OpCo unitholders, pro rata, and to make a payment of 25% to the Manager in respect of the IDR Fee, until each NEP OpCo unitholder receives \$0.281250 per NEP OpCo common unit (or a total of 150% (including the second target quarterly distribution) of the minimum quarterly distribution) for that quarter (the third target quarterly distribution); and

thereafter, to distribute 50% to all NEP OpCo unitholders, pro rata, and to make a payment of 50% to the Manager in respect of the IDR Fee.

Table of Contents

The provisions of the MSA relating to the IDR Fee will be amended pursuant to the Amendment so that if NEP OpCo has Adjusted Available Cash equal to or greater than \$14,039,546.64 plus \$0.3525 per NEP OpCo common unit (together, the base incentive amount), NEP OpCo will calculate the IDR Fee using the hypothetical allocations of Amended Adjusted Available Cash described below:

first, to make a payment of \$14,039,546.64 to the Manager in respect of the IDR Fee and to distribute Amended Adjusted Available Cash to all NEP OpCo unitholders, pro rata, until the sum of fees paid to the Manager and distributions made to NEP OpCo unitholders is equal to the base incentive amount; and

thereafter, to distribute 75% to all NEP OpCo unitholders, pro rata, and to make a payment of 25% to the Manager in respect of the IDR Fee.

If NEP OpCo has Adjusted Available Cash less than the base incentive amount, NEP OpCo will calculate the IDR Fee using the hypothetical allocations of Amended Adjusted Available Cash described below, provided that the hypothetical distributions to holders of NEP OpCo common units set forth below will be calculated as though total NEP OpCo common units outstanding is equal to the base unit amount (as defined below):

first, to distribute 100% to all NEP OpCo unitholders, pro rata, until each NEP OpCo unitholder receives the first target quarterly distribution for that quarter;

second, to distribute 85% to all NEP OpCo unitholders, pro rata, and to make a payment of 15% to the Manager in respect of the IDR Fee, until each NEP OpCo unitholder receives the second target quarterly distribution for that quarter;

third, to distribute 75% to all NEP OpCo unitholders, pro rata, and to make a payment of 25% to the Manager in respect of the IDR Fee, until each NEP OpCo unitholder receives the third target quarterly distribution for that quarter; and

thereafter, to distribute 50% to all NEP OpCo unitholders, pro rata, and to make a payment of 50% to the Manager in respect of the IDR Fee;

provided that, in each case, the IDR Fee will be paid until (x) the aggregate deemed per NEP OpCo common unit distribution to NEP OpCo unitholders equals (y) the per NEP OpCo common unit distribution declared by NEP OpCo to NEP OpCo unitholders in accordance with the NEP OpCo limited partnership agreement for the applicable quarter. Further, if NEP OpCo has Adjusted Available Cash less than the base incentive amount for any quarter, the aggregate IDR Fee for such quarter will not exceed \$14,039,546.64.

As used in this information statement, base unit amount means 155,676,955 NEP OpCo common units, subject to proportional adjustment in the event of any distribution, combination or subdivision (whether effected by a distribution payable in units or otherwise) of in accordance with the NEP OpCo limited partnership agreement or in any redemption, repurchase, acquisition or similar transaction by NEP OpCo of NEP OpCo common units.

The foregoing summary of the Amendment is subject to, and qualified in its entirety by reference to the text of the Amendment, which is reflected in the form of the Amended and Restated Management Services Agreement attached as Exhibit A to this information statement. NEP expects to enter into the Amended and Restated Management Services Agreement, in substantially the form attached to this information statement as Exhibit A, 20 calendar days after the date this information statement is first sent or given to NEP unitholders.

The relevant provisions of the MSA may be amended with the consent of a majority of outstanding NEP common units and special voting units, voting together as a single class. NEP's general partner has determined that the Amendment is not adverse in any material respect to NEP unitholders.

**INTEREST OF CERTAIN PERSONS IN OR
OPPOSITION TO MATTERS TO BE ACTED UPON**

The general partner has conflicts of interest with respect to the Amendment. As of the Record Date, affiliates of NextEra Energy, Inc. (NEE) owned 100% of the interests in NEP's general partner, 66.03% of the voting interest in NEP (which includes both its ownership of 100% of NEP's special voting units and 2.5% of NEP common units), 66.1% of the outstanding common units of NEP OpCo, and 100% of the Class B limited partnership interests in NEP OpCo. NEE indirectly owns and controls NEP's general partner and has the ability to appoint all of NEP's general partner's officers and directors. All of NEP's general partner's executive officers and a majority of NEP's general partner's current directors also are officers of NEE. Conflicts of interest exist and may arise as a result of the relationships between NEP's general partner and its affiliates, including, without limitation, NEE, on the one hand, and NEP and NEP's limited partners, on the other hand. Although NEP's general partner has a duty to manage NEP in a manner beneficial to NEP and its limited partners, NEP's general partner directors and officers have fiduciary duties to manage NEP GP in a manner beneficial to its owner, NEE. In addition, the Manager, an affiliate of NEP's general partner, or certain of the Manager's affiliates provide or arrange for certain services to be provided to NEP, including, without limitation, with respect to carrying out NEP's day-to-day management and providing individuals to act as NEP's general partner's executive officers. These same executive officers may help NEP's general partner's board of directors evaluate potential acquisition opportunities presented by NEE's affiliates under the Right of First Offer Agreement, dated July 1, 2014, among NEP, NEP OpCo and NextEra Energy Resources, LLC.

NEP UNITHOLDER PROPOSALS

7.3 IDR Fee

NEE Operating LP, on behalf of the Service Recipients, hereby agrees to pay to the Manager or its permitted transferees, until the dissolution of NEE Operating LP in accordance with the Partnership Agreement, the IDR Fee as computed under Section 7.4. 7.4.3 If the Minimum Quarterly Distribution is adjusted in accordance with Section 6.6 of the Partnership Agreement, the Base Target Quarterly Distribution, the First Target Quarterly Distribution, the Second Target Quarterly Distribution and the Third Target Quarterly Distribution will each be adjusted correspondingly in the same proportion as the amount by which the Minimum Quarterly Distribution is so adjusted relative to the Minimum Quarterly Distribution prior to such adjustment.

For the purposes of any IDR Fee payable pursuant to this Section 7.4.4 and in accordance with Section 7.4.2.3 as described in the immediately preceding sentence, the final two provisos of Section 7.4.2 shall not apply to the calculation of such IDR Fee.

ARTICLE 11

GENERAL PROVISIONS

11.1 Amendment

Except as expressly provided in this Agreement, no amendment of, supplement to or waiver of this Agreement will be binding unless the amendment, supplement or waiver is executed in writing by each party to be bound thereby, *provided, however*, that NEE Operating LP may not, without the prior approval of the Conflicts Committee, agree to any amendment of, supplement to or waiver of this Agreement that, in the determination of general partner of NEE Partners, would be adverse in any material respect to the holders of its common units representing limited partner interests.

11.2 Waiver

No waiver of any provision of this Agreement will constitute a waiver of any other provision, and no waiver of any provision of this Agreement will constitute a continuing waiver unless otherwise expressly provided. A party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a party from any other or further exercise of that right or the exercise of any other right.

11.3 Assignment

11.3.1 This Agreement shall not be assigned by the Manager without the prior written consent of the general partner of NEE Partners (which shall not be unreasonably withheld), except (a) pursuant to Section 2.3 hereof, (b) in the case of assignment to a Person that is the Manager's successor by merger, consolidation or purchase of assets, in which case the successor shall be bound under this Agreement and by the terms of the assignment in the same manner as the Manager is bound under this Agreement or (c) to an Affiliate of the Manager or a Person that, in the reasonable and good faith determination of the NEE Partners GP's board of directors and the conflicts committee thereof, is an experienced and reputable manager, in which case the Affiliate or assignee shall be bound under this Agreement and by the terms of the assignment in the same manner as the Manager is bound under this Agreement. Notwithstanding the foregoing, nothing contained in this Agreement shall preclude (i) any pledge, hypothecation or other transfer or assignment of the Manager's rights, title and interest under this Agreement, including any amounts payable to the Manager under this Agreement, to a *bona fide* Financing Party as security for debt financing to the Manager or any other member of the Manager Group, or (ii) the assignment of such rights, title and interest under this Agreement upon exercise of remedies by a Financing Party following a default by the Manager or any other member of the Manager Group under financing agreements entered into with the Financing Parties.

11.3.2 This Agreement shall not be assigned by any of the Service Recipients without the prior written consent of the Manager, except in the case of assignment by any such Service Recipient to a Person that is its successor by merger, consolidation or purchase

of assets, in which case the successor shall be bound under this Agreement and by the terms of the assignment in the same manner as such Service Recipient is bound under this Agreement. Notwithstanding the foregoing, nothing contained in this Agreement shall preclude (i) any pledge, hypothecation or other transfer or assignment of any NEP Party's rights, title and interest under this Agreement, including any amounts payable to such NEP Party or any other member of the NEP Group under this Agreement, to a *bona fide* Financing Party as security for debt financing to such NEP Party or any other member of the NEP Group, or (ii) the assignment of such rights, title and interest under this Agreement upon exercise of remedies by a Financing Party following a default by such NEP Party or any other member of the NEP Group under financing agreements entered into with the Financing Parties.

11.3.3 Notwithstanding the provisions in [Section 11.3.1](#) and [Section 11.3.2](#), the Manager may assign its right to receive the IDR Fee hereunder, in whole or in part, to any person without the consent of any other party hereto.

11.3.4 Any purported assignment of this Agreement in violation of this [Article 11](#) shall be null and void.

11.4 Failure to Pay When Due

Any amount payable by any NEP Party to any member of the Manager Group hereunder that is not remitted when so due will remain due (whether on demand or otherwise), and interest will accrue on such overdue amounts (both before and after judgment) at a rate per annum equal to the Interest Rate.

11.5 Invalidity of Provisions

Each of the provisions contained in this Agreement is distinct and severable and a declaration of invalidity or unenforceability of any such provision or part thereof by a court of competent jurisdiction will not affect the validity or enforceability of any other provision hereof. To the extent permitted by applicable law, the parties waive any provision of law that renders any provision of this Agreement invalid or unenforceable in any respect. The parties will engage in good faith negotiations to replace any provision that is declared invalid or unenforceable with a valid and enforceable provision, the economic effect of which comes as close as possible to that of the invalid or unenforceable provision that it replaces.

11.6 Entire Agreement

This Agreement constitutes the entire agreement among the parties pertaining to the subject matter of this Agreement. There are no warranties, conditions, or representations (including any that may be implied by statute), and there are no agreements in connection with such subject matter, except as specifically set forth or referred to in this Agreement. No reliance is placed on any warranty, representation, opinion, advice or assertion of fact made prior to, contemporaneously with, or after entering into, this Agreement by any party to this Agreement or its directors, officers, employees or agents, to any other party to this Agreement or its directors, officers, employees or agents, except to the extent that the same has been

reduced to writing and included as a term of this Agreement, and none of the parties to this Agreement has been induced to enter into this Agreement by reason of any such warranty, representation, opinion, advice or assertion of fact. Accordingly, there will be no liability, either in tort or in contract, assessed in relation to any such warranty, representation, opinion, advice or assertion of fact, except to the extent contemplated above.

For the avoidance of doubt, nothing in this Agreement should be construed or interpreted as an amendment, modification or termination of, or conflict with, any of the Operating and Administrative Agreements. Each such agreement, and all its terms, including payments to be made thereunder, shall survive the entry into this Agreement and shall terminate in accordance with its terms.

11.7 Mutual Waiver of Jury Trial

AS A SPECIFICALLY BARGAINED FOR INDUCEMENT FOR EACH OF THE PARTIES HERETO TO ENTER INTO THIS AGREEMENT (AFTER HAVING THE OPPORTUNITY TO CONSULT WITH COUNSEL), EACH PARTY HERETO EXPRESSLY WAIVES THE RIGHT TO TRIAL BY JURY IN ANY LAWSUIT OR PROCEEDING RELATING TO OR ARISING IN ANY WAY FROM THIS AGREEMENT OR THE MATTERS CONTEMPLATED HEREBY.

11.8 Consent to Jurisdiction and Service of Process

EACH OF THE PARTIES IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE FEDERAL COURTS OF THE UNITED STATES OF AMERICA LOCATED IN THE CITY AND COUNTY OF NEW YORK, BOROUGH OF MANHATTAN, FOR THE PURPOSES OF ANY SUIT, ACTION OR OTHER PROCEEDING ARISING OUT OF THIS AGREEMENT, ANY RELATED AGREEMENT OR ANY TRANSACTION CONTEMPLATED HEREBY OR THEREBY. EACH OF THE PARTIES HERETO FURTHER AGREES THAT SERVICE OF ANY PROCESS, SUMMONS, NOTICE OR DOCUMENT BY U.S. REGISTERED MAIL TO SUCH PARTY'S RESPECTIVE ADDRESS SET FORTH BELOW SHALL BE EFFECTIVE SERVICE OF PROCESS FOR ANY ACTION, SUIT OR PROCEEDING WITH RESPECT TO ANY MATTERS TO WHICH IT HAS SUBMITTED TO JURISDICTION IN THIS PARAGRAPH. EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY OBJECTION TO THE LAYING OF VENUE OF ANY ACTION, SUIT OR PROCEEDING ARISING OUT OF THIS AGREEMENT, ANY RELATED DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF DELAWARE, AND HEREBY AND THEREBY FURTHER IRREVOCABLY AND UNCONDITIONALLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION, SUIT OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

11.9 Governing Law

The internal law of the State of New York will govern and be used to construe this Agreement without giving effect to applicable principles of conflicts of law to the extent that the application of the laws of another jurisdiction would be required thereby.

This Agreement will enure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.

11.11 Notices
