Item 1.01. Entry into a Material Definitive Agreement.

On July 23, 2018, Mimecast Limited (the Company) entered into a Credit Agreement (the Credit Agreement), dated as of July 23, 2018, by and among the Company, certain of the Company's subsidiaries party thereto, as guarantors, certain financial institutions party thereto from time to time, as lenders, and JPMorgan Chase Bank, N.A., as administrative agent (the Administrative Agent). The Credit Agreement provides the Company with a \$100,000,000 senior secured term loan, and a \$50,000,000 senior secured revolving credit facility (collectively, the Credit Facility), which shall be available to fund working capital and for other corporate purposes, including to finance permitted acquisitions and investments. Interest under the Credit Facility accrues at a rate between LIBOR plus 1.375% and LIBOR plus 1.875%, based on the Company's ratio of indebtedness to earnings before interest, taxes, depreciation, amortization and certain other adjustments (Consolidated EBITDA). Based on this ratio, the current interest rate under the Credit Facility is LIBOR plus 1.625%. The term of the Credit Facility is five years, maturing on July 23, 2023. There is no existing debt being replaced by the Credit Facility.

The Credit Facility has financial covenants that require the Company to maintain a Consolidated Secured Leverage Ratio, commencing on September 30, 2018, of not more than 3.00 to 1.00 for the four consecutive fiscal quarter period ending on the last day of each fiscal quarter (the Reference Period), with a step-up to 3.50 to 1.00 for any four-quarter period in which the Company consummates a permitted acquisition having an aggregate purchase price in excess of \$25,000,000. The Company must also maintain a Consolidated Interest Expense Ratio of 3.00 to 1.00 commencing on September 30, 2018 and for each Reference Period thereafter. For purposes of the covenants,

Consolidated Secured Leverage Ratio generally refers to the ratio of Consolidated Funded Debt that is secured by a lien on assets of the Company or its subsidiaries to Consolidated EBITDA. Consolidated Funded Debt generally refers to borrowed money, debt instruments, capital leases, deferred purchase price of property or services (excluding accounts payable in the ordinary course of business), and earn outs that are due and payable. Consolidated Interest Expense Ratio generally refers to the ratio of Consolidated EBITDA to cash interest expense with respect to indebtedness, with certain exclusions.

The Credit Agreement contains customary affirmative covenants for transactions of this type and other affirmative covenants agreed to by the parties, including, among others, the provision of annual and quarterly financial statements and compliance certificates, maintenance of property, insurance, compliance with laws and environmental matters. The Credit Agreement contains customary negative covenants, including, among others, restrictions on the incurrence of certain indebtedness, granting of liens, making investments and acquisitions, merger and consolidations, paying dividends, entering into affiliate transactions and asset sales. The Credit Agreement also provides for a number of customary events of default, including, among others, payment, bankruptcy, covenant, representation and warranty, change of control and judgment defaults.

All obligations under the Credit Agreement are unconditionally guaranteed by all of the Company's material direct and indirect subsidiaries organized under the laws of the United States, the United Kingdom, the Bailiwick of Jersey, and other jurisdictions agreed to by the Company and the Administrative Agent, with certain exceptions. These guarantees are secured by substantially all of the present and future property and assets of the guarantors, with certain exclusions.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the JPM Credit Agreement and the related agreements, which are filed as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5, 10.6, 10.7, 10.8 and 10.9 to this Current Report on Form 8-K incorporated herein by reference.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.
