Dear Fellow Stockholders:

You are cordially invited to attend the 2009 Annual Meeting of Stockholders of Camelot Entertainment Group, Inc. which will be held at the principal office of the Company, 8001 Irvine Center Drive, Suite 400, Irvine, California at 1:00 p.m., local time, on Wednesday, May 13, 2009. The meeting will take place in the main conference room, located just off the lobby as you exit the elevator on the fourth floor. During the meeting, we will conduct the business described in the Notice of Annual Meeting of Stockholders and Proxy Statement, plus any new business that is properly brought before the stockholders. We will be updating stockholders on all aspects of the company's operations and what our plans are for 2009 and beyond. I hope you will be able to attend.

In addition to mailing copies of the proxy materials to stockholders of record, this year we are also following Securities and Exchange Commission rules which enable us to provide proxy materials for the 2009 Annual Meeting on the Internet. This allows us to provide our stockholders with the information they need, while eventually lowering the cost of the delivery of the materials and reducing the environmental impact of printing and mailing hard copies. Stockholders of record will receive a notice with instructions on how to access those documents over the Internet and request a paper copy of our proxy materials, including this proxy statement, our 2008 Annual Report and a form of proxy card. Stockholders whose shares are held in a brokerage account will receive this information and voting instructions from their broker. In subsequent years, we plan to provide proxy materials only through internet requests.

The purpose of the meeting is to elect two (2) members of the Company's Board of Directors; to ratify the selection of the independent registered public accounting firm for the fiscal year ending December 31, 2009, and to transact such other business as may properly come before the meeting or any adjournment thereof. Our Board of Directors has fixed the close of business on March 30, 2009 as the record date for the determination of shareholders entitled to notice of and to vote at the meeting or any adjournment thereof.

Whether or not you plan to attend the Annual Meeting, it is important that you vote by promptly completing, dating, signing and returning your proxy card by mail or fax or following the voting instructions provided by your broker. If you attend the Annual Meeting and decide to vote in person, you may revoke your proxy.

In this unprecedented time of economic turmoil and uncertainty, it is important for stockholders to be fully informed. By attending the annual stockholders meeting, stockholders will have the opportunity to ask questions and receive the latest updates from Camelot's management team. There have been a lot of changes and exciting developments during the past year. We encourage every stockholder to attend the meeting.

On behalf of the directors, officers and employees of Camelot Entertainment Group, Inc., I thank you for your continued support.

On March 30, 2009, there were 7,056,334,758 shares of common stock outstanding. Each such share of common stock is entitled to one vote on each of the matters to be presented at the Annual Meeting. The holders of a majority of the voting rights outstanding represented by shares of common stock present in person or by proxy and entitled to vote, will constitute a quorum at the Annual Meeting.

Proxies marked “withheld” as to any director nominee or “abstain” or “against” as to a particular proposal and broker non-votes will be counted for purposes of determining the presence or absence of a quorum.

“Broker non-votes” are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. The effect of proxies marked “withheld” as to any director nominee or “abstain” or “against” as to a particular proposal and broker non-votes on each Proposal is discussed under each respective Proposal.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

Two (2) directors will be elected at the Annual Meeting to hold office until the 2014 annual meeting and until their successors are elected and have qualified. Unless otherwise instructed, the proxy holders named in the enclosed proxy will vote the proxies received by them for the six nominees named below.

Each nominee has indicated that he is willing and able to serve as director if elected. If any nominee becomes unavailable for any reason before the election, proxies will be voted for the election of such substitute nominee or nominees, if any, as shall be designated by the Corporate Governance and Nominating Committee of the Board of Directors. The Corporate Governance and Nominating Committee has no reason to believe that any of the nominees will be unavailable to serve.

Vote Required

The two nominees who receive the highest number of affirmative votes of the shares present in person or represented by proxy and entitled to vote, a quorum being present, shall be elected as directors. Only votes cast "FOR" a nominee will be counted, except that the accompanying proxy will be voted for all nominees in the absence of instructions to the contrary. Broker non-votes and proxies marked "withheld" as to one or more nominees will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES NAMED BELOW.

Nominees of the Board of Directors

The following sets forth certain information about the nominees of the Board of Directors for election as directors at the Annual Meeting. Each of the nominees has been recommended for election by the Corporate Governance and Nominating Committee. All of the nominees have served as directors since the last annual meeting.

Mr. Atwell is also the majority stockholder of two pink sheet companies, Sky440, Inc. and Emaji, Inc. Mr. Atwell recently took over control of those two companies to implement a restructuring of their operations and to install new management teams. Mr. Atwell's private companies specialize in taking small companies public, securing and implementing assignments for a variety of agencies and corporations including general business consulting, corporate restructuring, mergers and acquisitions, corporate investigations and securities administration. Mr. Atwell has been involved in all aspects of motion picture industry, including business affairs, development, production, distribution, finance, sales and marketing. From 2000 to present he has developed more fitness centers in Asia and been a director to several fitness companies. Mr. Jackson graduated from the University of Southern California with a B.S. in Accounting in 1982.

Director Nominee Independence

The Board of Directors discussed and reviewed whether each nominee is independent within the Company's corporate governance guidelines which are consistent with the director independence standards established by the NASDAQ Stock Market. In determining independence, the Board reviews and seeks to determine whether directors have any material relationship with the Company, direct or indirect, which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board reviews business, professional, charitable and familial relationships of the independent directors in determining independence. The Board determined that Robert Atwell and George Jackson are not independent, due in part to their executive positions with the Company. The Company is currently searching for nominee's to fill vacancies on the Board that would be classified independent directors. Although the Company currently trades on the Over the Counter Bulletin Board ("OTCBB"), management is working toward meeting the listing standards of the NASDAQ Stock Market.

Information about the Nominating Process

The Company's Board of Directors has a Corporate Governance and Nominating Committee that undertakes the activities of identifying, evaluating and recommending nominees to serve as Directors. The members of the Corporate Governance and Nominating Committee are Robert P. Atwell (Chairman) and George Jackson. Our Board of Directors determined that Messrs. Atwell (Chairman) and Jackson are not considered independent as defined in the listing standards of the NASDAQ Stock Market.

Nomination of Director Candidates by Stockholders

The policy of the Corporate Governance and Nominating Committee is to consider nominations of candidates for membership on the Board of Directors that are submitted by stockholders. Any such recommendations should include nominee's name and qualifications for Board membership and a consent signed by such candidate to serve as a director if elected and should be directed to Mr. George Jackson, Corporate Secretary, Camelot Entertainment Group, Inc., 8001 Irvine Center Drive, Suite 400, Irvine, California 92618.

Stockholders who comply with the requirements of our Bylaws with respect to advance written notice of stockholder director nominations at the Annual Meeting, including certain information that must be provided concerning the stockholder and each nominee, may nominate candidates for election as directors at the Annual Meeting by attending the meeting and offering the candidates into nomination at the time of the election of Directors. THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE SELECTION OF THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2009.

Audit Committee’s Pre-Approval Policies

The Audit Committee’s policy is to pre-approve all audit services and all permitted non-audit services (including the fees and terms thereof) to be provided by the Company’s independent registered public accounting firm; provided, however, pre-approval requirements for non-audit services are not required if all such services (1) do not aggregate to more than five percent of total revenues paid by the Company to its independent registered public accounting firm in the fiscal year when services are provided; (2) were not recognized as non-audit services at the time of the engagement; and (3) are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee.

The Audit Committee pre-approved all of the fees described above.

The Audit Committee has considered whether the provision of the above services other than audit services is compatible with maintaining auditor independence.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with the Company's management and McKennon, Wilson & Morgan LLP the audited consolidated financial statements of the Company contained in the Company's Annual Report on Form 10-K for the Company's 2008 fiscal year. The Audit Committee has received and reviewed the written disclosures and the letter from McKennon, Wilson & Morgan LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence and has discussed with McKennon, Wilson & Morgan LLP its independence from the Company.

The Audit Committee has considered whether the provision of services other than audit services is compatible with maintaining auditor independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for its 2008 fiscal year for filing with the SEC.

Respectfully submitted,

Robert P. Atwell (Chairman)

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that, with respect to fiscal year 2008, all filing requirements applicable to its executive officers, directors and 10 percent Stockholders were met.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board is providing the following report on executive compensation in accordance with the rules and regulations of the SEC. This report outlines the policies of the Compensation Committee with respect to executive compensation, the various components of the Company's compensation program for executive officers, and the basis on which the 2008 compensation for the Company's Chief Executive Officer and Chief Financial Officer was determined.

The information contained in the following report shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates it by reference into such filing.

General

The Compensation Committee's functions include:

- determining all forms of compensation of the Company's Chief Executive Officer and Chief Financial Officer;
- reviewing and approving all forms of compensation for the other executive officers, including salary, bonuses and stock options;
- consulting with management regarding compensation and benefits for non-executive officers and other employees; and
- overseeing our compensation and benefits policies generally.

Compensation Policies

The Company's executive compensation policies have two principal goals: (1) attracting, rewarding and retaining executives, and (2) motivating executives to achieve short-term and long-term corporate goals that enhance stockholder value. Accordingly, the Compensation Committee's objectives are to:

- offer compensation opportunities that attract and retain executives whose abilities are critical to the Company's long-term success and motivate individuals to perform at their highest level;
- tie in a significant portion of the executive's total compensation to achievement of financial, organizational, management and personal performance goals; and
- reward outstanding individual performance by an executive officer that contributes to the Company's long-term success.

Compensation of Executive Officers Generally

The Company's compensation program for its executives will emphasize variable compensation, primarily through grants of short and long term performance based incentives. Executive compensation will generally consist of the following: (i) base salary; (ii) incentive bonuses; and (iii) long-term equity incentive awards in the form of stock option grants. Each executive officer's compensation package will be designed to provide an appropriately weighted mix of these elements. We expect to implement our compensation program during fiscal year 2009.

Base Salary. Base salary levels for each of the Company's executive officers, including the Chief Executive Officer and the Chief Financial Officer, are expected to be set within a range of base salaries that the Board (through the Compensation Committee or in its entirety) believes reflect market salaries for similar executive officers at comparable companies. Commercially available compensation surveys are expected to be used to determine that such range is at or near the levels paid by comparable companies engaged in the motion picture industry and located within comparable geographical locations. The Board does not expect to use formulas but instead plans to exercise its judgment based on considerations including overall responsibilities and the importance of these responsibilities to the Company's success, experience and ability, past short-term and long-term job performance and salary history. In addition, in reviewing executive salaries generally and in setting the salary of the Chief Executive Officer, the Compensation Committee generally plans to take into account the Company's past financial performance and future expectations, as well as changes in the executives' responsibilities.

Incentive Bonuses. The Compensation Committee will recommend the payment of bonuses to provide an incentive to executive officers to be productive over the course of each fiscal year and to bring the total cash-based compensation to market levels. A portion of these bonuses will be awarded if the Company achieves or exceeds certain corporate performance objectives and a portion of these bonuses will be awarded if the executive achieves or exceeds certain personal goals.

Equity Incentives. Stock options will be used by the Company as long-term compensation to provide a stock-based incentive to improve the Company's financial performance and to assist in the recruitment, retention and motivation of professional, managerial and other personnel. Generally, stock options will be granted to executive officers from time to time based primarily upon the individuals' actual and/or potential contributions to the Company and the Company's financial performance. Stock options will be designed to align the interests of the Company's executive officers with those of its Stockholders by encouraging executive officers to enhance the value of the Company, the price of its Common Stock, and hence, the Stockholders' return. In addition, the vesting of stock options over a period of time is designed to create an incentive for the individual to remain with the Company. The Company plans to grant options to the executives on an ongoing basis to provide continuing incentives to the executives to meet future performance goals and to remain with the Company.

Compensation of the Chief Executive Officer and Chief Financial Officer

The Compensation Committee annually reviews the performance and compensation of the Chief Executive Officer based on the assessment of his past performance, its expectation of his future contributions to the Company's performance and the compensation paid to chief executive officers of comparable companies. Robert P. Atwell served as the Company's Chief Executive Officer in 2008. In 2008, Mr. Atwell received a base salary of \$420,000, for which he has the option of accepting Common Stock in lieu of cash consideration. George Jackson served as the Company's

Chief Financial Officer in 2008. Mr. Jackson received a base salary of \$150,000, for which has the option of accepting Common Stock in lieu of cash consideration.

For 2009, the Compensation Committee recommended, and the Audit Committee and Board have approved, setting the base salary of Mr. Atwell to be \$420,000 and setting the base salary of the CFO to be \$150,000. The Compensation Committee believes the compensation to be paid to Mr. Atwell and the CFO for 2009 is reasonable.

Policy with Respect to Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code imposes a limit on tax deductions for annual compensation (other than performance-based compensation) in excess of one million dollars paid by a corporation to its chief executive officer or any of its other four most highly compensated executive officers in a single year. The Company has not established a policy with regard to Section 162(m) of the Code, since the Company has not and does not currently anticipate paying cash compensation in excess of one million dollars per annum to any employee. The Board of Directors will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, may be appropriate in the future.
