Item 1.01 Entry into a Material Definitive Agreement.

On June 28, 2005, Critical Therapeutics, Inc. (the "Company") entered into a commercial manufacturing agreement with Patheon Pharmaceuticals Inc. ("Patheon") for the manufacture of commercial supplies of ZYFLO® Filmtab® immediate release tablets (zileuton tablets). The Company had previously contracted with Patheon for the manufacture of ZYFLO for clinical trials and regulatory review. Under the commercial manufacturing agreement, the Company is responsible for supplying the active pharmaceutical ingredient for ZYFLO to Patheon. Patheon is responsible for manufacturing the ZYFLO immediate release tablets and conducting stability testing, as outlined in the supplemental new drug application for ZYFLO filed by the Company with the U.S. Food and Drug Administration. The Company has agreed to purchase at least 50% of its commercial supplies of ZYFLO immediate release tablets for sale in the United States from Patheon each year for the term of the commercial manufacturing agreement.

The commercial manufacturing agreement has an initial term of three years beginning on the date commercial manufacturing of the ZYFLO immediate release tablets commences and will automatically continue for successive one-year periods thereafter, unless the Company provides Patheon 12-months' prior written notice of termination or Patheon provides the Company 18-months' prior written notice of termination. In addition, the Company has the right to terminate the commercial manufacturing agreement upon 30-days' prior written notice in the event any governmental agency takes any action, or raises any objection, that prevents the Company from importing, exporting, purchasing or selling ZYFLO immediate release tablets. If the Company provides six-months' advance notice that it intends to discontinue commercializing ZYFLO, the Company will not be required to purchase any additional quantities of ZYFLO immediate release tablets, provided that the Company pays Patheon for a portion of specified fees and expenses associated with orders previously placed by the Company. Furthermore, each party has the right to terminate the agreement upon the occurrence of a material uncured breach by the other party. If the commercial manufacturing agreement expires or is terminated for any reason, the Company has agreed to take delivery of and pay for undelivered quantities of ZYFLO that the Company previously ordered, purchase at Patheon's cost Patheon's inventory of ZYFLO maintained in contemplation of filling orders previously placed by the Company and pay the purchase price for components of the ZYFLO immediate release tablets ordered by Patheon from suppliers in reliance on orders previously placed by the Company.

ZYFLO® is a registered trademark of Critical Therapeutics, Inc. Filmtab® is a registered trademark of the Abbott Group of Companies.
